Results for the first quarter of fiscal year 2008 showed a net loss of Ps.12.6 million compared to a Ps.1.9 million profit posted in the same period of the previous fiscal year. This decrease is mainly explained by the negative results derived from our interest in related companies, which decreased by Ps.12.0 million, and to a lesser extent by the higher operating losses recorded during the first quarter, as the crop season is at its initial stages.

We have already sown 100% of the land intended for wheat, 25% of the soybean, 90% of the corn and 80% of the sunflower. In addition, we have increased the amount of hectares allocated to crop production (+25%), beef cattle breeding and fattening (+6%) and milk production (57%), and both output quantities and prices at the closing of IQ 08 have risen as compared to the closing of IQ 07.

In August 2007, we executed a preliminary sales agreement without transfer of possession in connection with 4,974 hectares of the Los Pozos establishment. The agreed sales price was US\$ 1.1 million, i.e. US\$ 225.0 per hectare. Income derived from this sale will be approximately US\$ 1.0 million, to be reflected in the next quarter. It should be noted that the parcel sold under this transaction was recorded in the Company's books at US\$ 7.0 per hectare.

BrasilAgro entered into agreements for the purchase of three additional properties: Araucária of 15,543 hectares in Mineiros (GO), Alto Taquari of 5,266 hectares in Alto Taquari (MT) and a third property of 37,799 hectares in Correntina (BA).

After the closing of the first quarter of fiscal year 2008, the General Ordinary and Extraordinary Shareholders Meeting held on October 10, 2007 approved the distribution of cash dividends for Ps.8,25 million.

Conversions of Notes and Warrants are being completed, resulting in 313,4 million outstanding shares out of an aggregate of 321,2 million that would result upon total conversion of these securities.

We expect to carry out a capital increase by the issuance of shares of stock, for the purpose of further consolidating our businesses in the region and at minimum maintaining our interest in IRSA.
