**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On November 29, 2007, the Board of Directors of Kulicke and Soffa Industries, Inc. (the Company ) amended the articles of incorporation and the by-laws of the Company whereby a third paragraph was added to Article 5 of the Company s then existing articles of incorporation and subsections 1 and 2 of Article VI of the Company s then existing by-laws were replaced to permit the Company to issue uncertificated shares. The amendments became effective as of December 5, 2007. These amendments were made as a result of the Securities and Exchange Commission approval of amendments to NASDAQ Marketplace Rule 4350(l), which requires securities listed on NASDAQ to be eligible to participate in a direct registration system ( DRS ) by January 1, 2008. DRS allows a shareholder to be registered directly on the books of the transfer agent without the need of a physical certificate to evidence the security ownership and allows shareholders to electronically transfer securities to broker-dealers in order to effect transactions without the risks and delays associated with transferring physical certificates. The rule does not require issuers to actually participate in a DRS or to eliminate physical stock certificates but rather requires that the listed securities are eligible for such a program.

Copies of the amendments are attached hereto as Exhibit 3.1 and 3.2 and are incorporated herein by reference.
