SECTION 3 SECURITIES AND TRADING MARKETS

Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

Insmed Inc. (the Company) today announced that on February 27, 2008, it received a letter from the Nasdaq Listings Qualifications Panel (the Panel) stating that the Panel has determined to transfer the listing of the Company's shares from the Nasdaq Global Market to the Nasdaq Capital Market, effective at the open of the market on Friday, February 29, 2008.

The determination is the result of a hearing between the Company and the Panel on January 24, 2008, regarding the Company's non-compliance with Marketplace Rule 4405(a)(5), the minimum bid price requirement of \$1.00 per share, a continued listing requirement of Nasdaq. Although failure to comply with a continued listing requirement subjects the Company's shares of common stock to delisting from the Nasdaq Global Market, the Panel determined to transfer the Company's shares to the Nasdaq Capital Market. Once the Company's securities are transferred to the Nasdaq Capital Market, it will have until June 12, 2008, to regain compliance with Nasdaq's minimum bid price requirement of \$1.00 per share. Should the Company not regain compliance by this date, its shares will be subject to delisting from the Nasdaq Capital Market. Following such delisting, the Company's common stock could be eligible to trade on the OTC Bulletin Board. To be eligible to trade on the OTC Bulletin, a market maker would have to make an application to register in and quote the Company's common stock in accordance with SEC Rule 15c-11 and such application would have to be cleared.

The Company issued a press release on February 28, 2008 to announce the Panel's Determination, a copy of which is attached hereto as Exhibit 99.1.
