SCHEDULE 13D

Page 9 of 19 Pages

CUSIP No. 168913101-

This Amendment No. 1, filed jointly by the following (collectively, the Reporting Persons): (i) Carlyle Asia Growth Partners III, L.P., a Cayman Islands exempt limited partnership (Asia Growth), (ii) CAGP III Co-Investment, L.P., a Cayman Islands exempt limited partnership (Co-Investment), (iii) CAGP General Partner, L.P., a Cayman Islands exempt limited partnership, (iv) CAGP Ltd., a Cayman Islands exempt company, (v) TC Group Cayman, L.P., a Cayman Islands exempt limited partnership (vi) TCG Holdings Cayman, L.P., a Cayman Islands exempt limited partnership, and (vii) Carlyle Offshore Partners II, Ltd. a Cayman Islands exempt company, supplements and amends the Schedule 13D (the Schedule 13D) filed by the Reporting Persons with the Commission on November 26, 2007, in respect of shares of common stock, par value \$0.001 per share (the Common Stock), of China Recycling Energy Corporation (the Company). Unless otherwise indicated, all capitalized terms used but not defined herein have the meaning ascribed to such terms in the Schedule 13D. Except as specifically provided herein, this Amendment No. 1 does not modify any of the information previously reported in the Schedule 13D.

Item 3. Source and Amount of Funds or Other Consideration.**Item 3 is hereby amended and restated in its entirety as follows:**

The securities being reported in this Statement were acquired by the Reporting Persons pursuant to a Stock and Notes Purchase Agreement (Purchase Agreement), dated November 16, 2007, by and among the Company and its wholly-owned direct and indirect subsidiaries, on the one hand, and Asia Growth and Co-Investment (Asia Growth and Co-Investment together referred to as the Investors), on the other, as amended pursuant to an Amendment to the Stock and Notes Purchase Agreement (the Amendment), dated April 29, 2008, by and among the Investors and the Company.

Under the terms of the Purchase Agreement, on November 16, 2007 (the First Closing) the Company sold to the Investors a 10% Secured Convertible Promissory Note in the principal amount of \$5,000,000 (the First Note). The First Note bears interest at 10% per annum and matures on November 16, 2009. The principal face amount of the First Note, together with any interest thereon, convert, at the election of the Investors at any time on or prior to maturity, into shares of Common Stock at an initial conversion price of \$1.23 per share (subject to anti-dilution adjustments). Assuming that the conversion price is not adjusted, the number of shares of Common Stock issuable to the Investors upon conversion of the First Note, without giving effect to interest thereon, shall be 4,065,040, with cash payment to the Investors in lieu of any fractional shares. Any shares issuable upon the conversion of the First Note shall be allocated among the Investors in accordance with their allocable interest as set forth in the First Note and as further described below.

Prior to the Amendment, in addition to the transactions consummated in the First Closing, the original Purchase Agreement also provided for two subsequent transactions to be effected by the Company and the Investors, which subsequent

SCHEDULE 13D

Page 10 of 19 Pages

CUSIP No. 168913101-

transactions were contingent upon the satisfaction or waiver of certain closing conditions set forth in the Purchase Agreement and were to take place in two separate tranches, the first of which being referred to as the Second Closing, followed by a Third Closing. Subject to the satisfaction or waiver of certain closing conditions, on the Second Closing, the Company would issue and the Investors would subscribe for a total of 4,066,706 shares of Common Stock, at the price of \$1.23 per share for an aggregate purchase price of \$5,002,048, and on the Third Closing, the Company would issue and sell and the Investors would buy a 5% Secured Convertible Promissory Note in the principal amount of \$15,000,000 (the Second Note).

On April 29, 2008 the Company and the Investors executed the Amendment in order to restructure the subsequent transactions contemplated under the Purchase Agreement by eliminating the concept of the Third Closing and supplementing the transactions that would be effected under the Second Closing, which Second Closing took place simultaneously with the execution and delivery of the Amendment. The Amendment restructured the obligation of the Company to issue and sell, and the Investors to purchase the Second Note at the Third Closing in favor of providing for the issuance and sale of a 5% secured convertible promissory note in the principal amount of \$5,000,000 (the Amended Second Note) at the Second Closing, and the Company's grant to the Investors of an option to purchase a 5% secured convertible promissory note in the principal amount of \$10,000,000, exercisable at any time within nine (9) months following the date of the Second Closing (the Option Note, and together with the Amended Second Note, the Notes).

Pursuant to the Amendment, on April 29, 2008, the date of the Second Closing:

- (i) the Investors subscribed for, and the Company issued to the Investors, 4,066,706 shares of Common Stock at the price of \$1.23 per share for an aggregate purchase price of \$5,002,048, as originally contemplated under the Purchase Agreement;
- (ii) the Investors converted all of the principal amount under the First Note (and waived any accrued interest thereon) into 4,065,040 shares of Common Stock at the conversion price per share of \$1.23, pursuant to the terms and conditions of the First Note;
- (iii) the Company issued and sold to the Investors, and the Investors purchased from the Company, the Amended Second Note; and
- (iv) the Company granted to the Investors an option to purchase the Option Note, which option is exercisable by the Investors at any time within nine (9) months following the date of the Second Closing.

SCHEDULE 13D

Page 11 of 19 Pages

CUSIP No. 168913101-

The 4,065,040 shares of Common Stock issued upon the conversion of the First Note and the 4,066,706 shares of Common Stock issued by the Company on the Second Closing were allocated among the Investors in accordance with their allocable interest as set forth in the First Note and the Purchase Agreement and as further described below.

The Amended Second Note bears interest at 5% per annum and will mature on April 29, 2011. The principal face amount under the Amended Second Note, together with any interest thereon, convert, at the election of the Investors at any time on or after March 30, 2010 (or such earlier date if the audited consolidated financial statements of the Company for the fiscal year ending December 31, 2009 are available on a date prior to March 30, 2010) and prior to the later of the maturity date of the Amended Second Note or the date on which the principal amount and any accrued interest thereon under the Amended Second Note are paid in full. The Amended Second Note is convertible into Common Stock at a conversion price that is tied to the after-tax net profits of the Company for the fiscal year ending December 31, 2009 and subject to certain anti-dilution adjustments, as described in the Amended Second Note.

The Investors have an option to purchase the Option Note for the principal face amount of \$10,000,000, which option is exercisable by the Investors at any time within nine (9) months following the date of the Second Closing. Should the Investors exercise their right to purchase the Option Note, the Option Note will have terms that are substantially similar to the Amended Second Note, including interest rate, maturity date, conversion rights, conversion price, adjustment events and mechanisms, affirmative and negative covenants, and events of default. The events of default under the Notes include the delisting of the Common Stock from the OTC Bulletin Board, a material breach of the Company's representations and warranties under the Purchase Agreement or of the Company's covenants under the Purchase Agreement or Registration Rights Agreement (as defined herein), subject to applicable cure periods. If an event of default were to occur under the Notes, the principal amount and accrued and unpaid interest and all other amounts payable under the Notes would become immediately due and payable, upon demand, and the interest rate under the Notes would increase from 5% to 10% until the event of default is cured. The obligations of the Company under the Notes (in the case of the Option Note, assuming the Option Note is issued) rank senior to all other debt of the Company.

As provided in the Purchase Agreement and pursuant to the terms of the Notes, all of the shares of Common Stock issuable by the Company to the Investors pursuant to the Purchase Agreement (whether through the direct issuance of new shares of Common Stock by the Company or as a result of the conversion of any amounts due under the First Note or the Notes) are allocable among the Investors 95.741% to Asia Growth, and 4.259% to Co-Investment.

A copy of each of the Amendment, the Amended Second Note and the Option Note are filed as Exhibits 2, 3 and 4, respectively, to this Amendment No. 1 to the

CUSIP No. 168913101-

Schedule 13D and are incorporated herein by reference, and the foregoing description is qualified in its entirety by reference thereto.

The source of the purchase price for the Company's securities was capital contributions from the partners of the Reporting Persons. The aggregate funds used by the Reporting Persons to make the purchases described in this Statement were approximately \$15 million.

The Amended Second Note is convertible into Common Stock at a conversion price that is tied to the after-tax net profits of the Company for the fiscal year ending December 31, 2009 and subject to certain anti-dilution adjustments, as described in the Amended Second Note.

If issued, the principal face amount under the Option Note, together with any interest thereon, shall be convertible into Common Stock, at the election of the Investors at any time on or after March 30, 2010 (or such earlier

The Option Note is convertible into Common Stock at a conversion price that is tied to the after-tax net profits of the Company for the fiscal year ending December 31, 2009 and subject to certain anti-dilution adjustments, as described in the Option Note.

Any shares issuable upon the conversion of the Amended Second Note or the Option Note (assuming the Option Note is issued) shall be allocated among the Investors 95.741% to Asia Growth, and 4.259% to Co-Investment, in accordance with the terms and conditions of the Amended Second Note and the Option Note, as the case may be.

The Amendment restructured the obligation of the Company to issue and sell, and the Investors to purchase the Second Note at the Third Closing in favor of providing for the issuance and sale of the Amended Second Note at the Second Closing, and the Company grant to the Investors of an option to purchase the Option Note, exercisable at any time within nine (9) months following the date of the Second Closing.

The Amended Second Note bears interest at 5% per annum and will mature on April 29, 2011. The principal face amount under the Amended Second Note, together with any interest thereon, convert into Common Stock, at the election of the Investors at any time on or after March 30, 2010 (or such earlier date if the audited consolidated financial statements of the Company for the fiscal year ending December 31, 2009 are available on a date prior to March 30, 2010) and prior to the later of the maturity date of the Amended Second Note or the date on which the principal amount and any accrued interest thereon under the Amended Second Note are paid in full. The Amended Second Note is convertible into Common Stock at a conversion price that is tied to the after-tax net profits of the Company for the fiscal year ending December 31, 2009 and subject to certain anti-dilution adjustments, as described in the Amended Second Note.

Pursuant to the Amendment, the Investors have an option to purchase the Option Note for the principal face amount of \$10,000,000, which option is exercisable by the Investors at any time within nine (9) months following April 29, 2008, the date of the Second Closing. Should the Investors exercise their right to purchase the Option Note, the Option Note will have terms that are substantially similar to the Amended Second Note, including interest rate, maturity date, conversion rights, conversion price, adjustment events and mechanisms, affirmative and negative covenants, and events of default.

As provided in the Purchase Agreement and pursuant to the terms of the Notes, all of the shares of Common Stock issuable by the Company to the Investors pursuant to the Purchase Agreement (whether through the direct issuance of new shares of Common Stock by the Company or as a result of the conversion of any amounts due under the First Note or the Notes) are allocable among the Investors 95.741% to Asia Growth, and 4.259% to Co-Investment.
