TELECOM ARGENTINA S.A. ANNOUNCES CONSOLIDATED SIX-MONTH PERIOD

(1H08) and SECOND QUARTER RESULTS FOR FISCAL YEAR 2008 (2Q08)*

Telecom Argentina Group continued the expansion of its business in the six-month period ended June 30, 2008. Net Revenues grew 20% when compared to same period of the previous year (1H07), amounting to P\$5,051 million. Revenues generated by the Cellular business grew 26% and by the Internet business 36%.

The cellular subscribers totaled 13.1 million (+16%), while broadband subscribers reached 902,000 (+50%). Fixed lines in service also increased by 3% to 4.3 million.

Operating Profit before Depreciation and Amortization (OPBDA) reached P\$1,687 million (+19% vs. 1H07), equivalent to 33% of Net Revenues, mainly fueled by the cellular telephony growth. On the contrary, fixed telephony profitability continues to weaken due to frozen tariffs of regulated services and the inflation effect on the cost structure.

Operating Profit amounted P\$1,049 million (+44%), equivalent to 21% of Net Revenues (+400 bps. vs. 1H07).

Net Income reached P\$613 million (+58% vs. 1H07).

Investments (excluding materials) totaled P\$716 million during 1H08 (+67% vs. 1H07), where P\$337 million were allocated to fixed telephony (+48% vs. 1H07).

Net Financial Debt (before NPV effect) declined to P\$1,330 million (-P\$1,455 million vs. June 2007). The Net Financial Debt to OPBDA ratio declined from 1.0x as of the end of June 2007, to 0.4x as of the end of June 2008.

On May 15, 2008 Standard & Poor's International Ratings LLC upgraded the long-term debt rating of Telecom Argentina and Telecom Personal to AA- from A+ on the local scale.

During **1H08**, **Consolidated Net Revenues** increased by **20%** (**+P\$849 million** vs. **1H07**) to **P\$5,051 million**, mainly fueled by the cellular and broadband businesses.

Moreover, **OPBDA** increased by **19%** (**+P\$273 million**) to **P\$1,687 million** (**33%** of Consolidated Net Revenues).

Company Activities**Consolidated Net Revenues**

The evolution in **Consolidated Net Revenues** by reportable segment was as follows:

Voice, Data Transmission & Internet

During the first six-month period of 2008, revenues generated by these services amounted to **P\$1,764 million**, **+11%** vs. **1H07**.

Voice

Total Revenues for this service reached **P\$1,322 million** (**+5%** vs. **1H07**). The results of this line of business are still affected by frozen tariffs of regulated services.

During this three-month period, Telecom continued with the marketing of innovative handsets and equipment and value-added services, which before were available only for cellular telephony such as fixed SMS services and video calls. An example is the fixed-line handset that integrates photo frame, video and MP3. Bundling promotions of equipments plus SMS packages were also successfully marketed. Other offered products combine voice minutes packages and broadband internet access.

Moreover, during this period Telecom continued with the deployment of the next generation network (NGN) in its fixed telephony network that will allow the offering of convergent state-of-the-art services.

Simultaneously, Telecom set up a project oriented to improve the quality of voice and data transmission services.

Monthly Charges and Supplementary Services increased by **P\$27 million**, or **7%**, to **P\$393 million**, as a consequence of a higher number of lines in service (**+3%**), reaching **4.3 million** of lines.

Edgar Filing: TELECOM ARGENTINA SA - Form 6-K

Revenues generated by **traffic (Local Measured Service, Domestic Long Distance and International Telephony)** totaled **P\$605 million**, an increase of **1%** vs. **1H07**, partially affected by a slight decrease in local traffic volume.

Table of Contents

Official Sponsor of Argentina Olympic Committee

Interconnection revenues amounted to **P\$190 million (+9%)**, mainly as a consequence of traffic originated in cellular lines but transported by and terminated in the Company's fixed-line network.

Other revenues, including public telephony reached **P\$134 million (+12% vs. 1H07)**. This amount is the consequence of an increase in billing and collection fees as well as voice, data and internet handset sales despite a decrease in Public Telephony revenues (**-P\$15 million**).

Data Transmission and Internet

Revenues generated by **Data transmission** amounted to **P\$103 million, (+27% vs. 1H07)**.

Related to the corporate market, during **2Q08**, Telecom continued enhancing its position as integrated provider of innovative ICT solutions or Information and Communication Technology, conceived to satisfy specific needs from each business segments, medium and large companies and oriented to contribute in the improvement of governmental administration at the different national, provincial and municipal levels.

In addition, Telecom Argentina was selected by the provincial government of Corrientes to implement the 911 Urban Emergencies Integral Management System and the Control & Tracing Urban System in the city of Corrientes. Both systems are turnkey integral solutions that include the reception and administration of police emergencies as well as the control and video-surveillance tracking. The solution also includes the subsequent capitalization of statistic information and capture of images in order to optimize the human and material resources and delinquency preventive actions.

Revenues related to **Internet** reached **P\$339 million (+36% vs. 1H07)**, mainly due to the substantial expansion of broadband service, driven by better network coverage, commercial promotions and innovation of the service portfolio.

Telecom recently renewed the offer of broadband products with two innovative options: one is **Arnet Recargable** (Arnet Rechargeable), the first internet service in the market that is prepaid and without monthly charge. The other product is **Arnet Go**, which make possible both in-house broadband access and mobile internet. This is the first broadband service that combines ADSL technology with the benefit coming from the domestic internet access by Wi-Fi modem and the mobile internet access through Telecom Personal's 3G network.

Moreover, as part of the CSR (Corporate Social Responsibility) program, Telecom participates in the initiative **Internet en Familia** (Family Internet), developed by the National Ministry of Education oriented to making parents aware of the importance of monitoring their children when they use internet. Telecom, as a company that supports the development of internet in Argentina, promotes the responsible use of this tool, which modifies not only changes adults communication habits, but also, that of today's youth, who were born into the modern technological world.

Telecom's broadband subscribers reached **902,000** as of **June 30, 2008** (+**50%** vs. **1H07**). Therefore, lines with this type of connections represent approximately **21%** of Telecom's fixed-lines in service.

Cellular Telephony

Cellular Telephony continues with its expansion, increasing its participation in the Group's total revenues (**65%** vs. **62%** in **1H07** and **0.5 million** or **5%** vs. **1Q08**). During **1H08** this business generated revenues of **P\$3,287 million** (+**26%** vs. **1H07**). As of the end of **June 2008** total subscribers reached **13.1 million**.

Telecom Personal in Argentina

As of the end of **June 2008**, Personal's subscribers reached **11.4 million** in Argentina (+**1.5 million** or +**15%** vs. **1H07**). Approximately **66%** of the overall subscriber base is prepaid and **34%** is postpaid.

Total voice traffic increased by **21%** vs. **1H07** while outgoing **SMS traffic** increased from a monthly average of **784 million** messages in **1H07** to **1,062 million** (+**35%**) in **1H08**. Because of this enhancement in traffic and the use of value-added services, the Average Monthly Revenue per User (**ARPU**) increased to **P\$40** in **1H08**, compared to **P\$37** in **1H07**.

Revenues totaled **P\$3,072 million** (+**P\$636 million** or +**26%** vs. **1H07**). Service revenues increased by **P\$580 million** or **27%** vs. **1H07**, reaching **P\$2,749 million**; furthermore, value-added services totaled **P\$790 million** (+**P\$249 million** or **46%**, vs. **1H07**), **29%** of service revenues. In addition handset sales grew by **P\$56 million** (+**21%**) compared to **1H07**, reaching **P\$323 million**.

During **2Q08**, Personal continued focusing its commercial efforts in customer caring outreach as well as in offers to stimulate consumption by existing clients.

Moreover, an upgrade handset campaign was implemented, helping clients to use the wide variety of value-added services offered by the company.

For the retail segment, Personal launched a line of packages for calls, SMS messages and internet, all within an innovative and flexible offer oriented to satisfy the client's communication needs yet without changing the subscriber's current plan. The launch, also furthered by the national communication campaign under the idea **Personal te conviene** (Personal suits you), was accepted positively by the market.

Regarding the corporate segment, **Personal Soluciones Express** (Personal Express Solutions) was introduced, an application oriented to SME's and large company sales forces. This tool covers connectivity and on-line information exchange needs among the company and its on-field personnel.

Personal also implemented a campaign oriented to expanding BlackBerry use permitting the increase of smartphone sales in customer offices.

In addition, Personal continued the expansion of its commercial network by opening two new customer offices (one in Posadas and the other in Bahia Blanca), together with extension of 3G network coverage. As well, the remaining client migration from TDMA to GSM technology, ended in June, 2008.

Núcleo

Personal's controlled subsidiary that operates in Paraguay generated **revenues** equivalent to **P\$215 million** during **1H08 (+21% vs. 1H07)**.

By the end of June 2008, the subscriber base reached approximately **1.7 million, +24% vs. 1H07**. Prepaid and Postpaid customers represented **90%** and **10%**, respectively.

Consolidated Operating Costs

The **Cost of Services Provided, Administrative Expenses and Selling Expenses** totaled **P\$4,002 million** in **1H08**, which represents an increase of **P\$527 million**, or **+15%**, vs. **1H07**.

The cost breakdown is as follows:

Salaries and Social Security Contributions: totaled **P\$563 million (+22%)**, affected by increases in salaries and, marginally, in personnel (**+364** employees vs. **1H07**).

Taxes: reached **P\$402 million (+25%)**, in line with the general evolution of revenues.

Agents and Prepaid Card Commissions: were **P\$350 million (+3%)**, mainly due to the increase in prepaid card commissions, partially compensated by reduction in total commission paid to commercial agents.

Advertising: amounted **P\$190 million (+48%)** oriented to strengthen institutional brand and to support the commercial activity in the cellular telephony and internet.

Table of Contents

Cost of handsets sold: totaled **P\$448 million (+9%)** mainly due to increased handset unit cost. Despite this, handset subsidy represented **P\$102 million (-P\$32 million vs. 1H07)**.

TLRD and Roaming: P\$449 million (+29%) due to increased traffic among cellular operators.

Depreciation of Fixed and Intangible Assets: reached **P\$ 638 million (-7% vs. 1H07)**. Fixed-line telephony totaled **P\$391 million (-7%)** and Cellular telephony **P\$247 million (-8%)**, due to TDMA technology depreciation charges ended in **1H08**.

Consolidated Financial and Holding Results

Financial and Holding Results resulted in a loss of **P\$8 million, (-P\$210 million vs. 1H07)**. Such improvement was due to positive effect of foreign currency exchange generated by liabilities and a reduction in net interests.

Consolidated Net Financial Debt

As of **June 30, 2008, Net Financial Debt** (Loans before the effect of NPV valuation, minus Cash, Cash Equivalents and Other credits from derivative Investments) amounted to **P\$1,330 million**, a reduction of **P\$1,455 million** as compared to **June 2007**.

In April 2008, Telecom Argentina made a principal payment of Notes in the amount equivalent to **\$822 million**. Consequently, it has cancelled up to 45% of the principal amortization payment scheduled for October 15, 2011.

In addition, on May 15, 2008, Standard & Poor's International Ratings LLC **upgraded** the long-term debt rating of Telecom Argentina and Telecom Personal to AA- from A+ on the local scale.

Consolidated Capital Expenditures

During **1H08**, the Company invested **P\$716 million** (excluding materials), in fixed and intangibles assets. This amount was allocated to the Voice, Data and Internet businesses (**P\$337 million**) and the cellular business (**P\$379 million**).

Main capex projects are related to the expansion of broadband services and to the upgrade of the network for next generation services (NGN), the improvement of the network (capacity, coverage and 3G), and the launch of new and innovative value-added services.

Other Commercial Initiatives

Telecom, as Official Sponsor of Argentine Olympic Committee Beijing 2008, will provide communication and networking technology that will accompany the Argentina Olympic Mission. Such technology will not only assist in logistic issues related with the games (check in, medical schedule requirement, meeting schedule, among others) but will also permit athletes to be closer to their relative and friends, receiving their support which is the key to their physical preparation.

Bolsa de Comercio de Buenos Aires

RE.: The appointment of the new General Director of Operations, the resignation of a Director, incorporation of its Alternate Director and the appointment of a new Alternate Director.

Dear Sir,

In my capacity as Chairman of the Board of Directors of **Telecom Argentina S.A.** (the Company), I hereby inform you the following:

1. Mr. Marco Patuano, who acted as General Director of Operations, has accepted the proposal of Telecom Italia S.p.A to be appointed Chief Financial Officer of such Company in the first days of the current month.

Consequently, the Board of Directors of the Company, in the meeting held yesterday, has designated Mr Franco Bertone as General Director of Operations, in replacement of Mr Marco Patuano.

2. In order to be able to have full dedication to his responsibilities as General Director of Operations, Mr Franco Bertone has presented his resignation as Director of the Board of Directors of the Company.
3. The Board of Directors of the Company has accepted the resignation of Mr Bertone and has decided the appointment as Director of the Alternate Director Mr Jorge Luis Perez Alati.
4. Moreover, and in accordance to Article 258, second paragraph of the Argentine Corporate Law, the Supervisory Committee was requested to designate an Alternate Director in order to cover the vacant position. The members of the Committee have designated Mr Francesco Armato as Alternate Director, who qualifies as Non-independent Director , in accordance to the criteria of the Comisión Nacional de Valores, and he will act in this position up to the next Shareholders Meeting.

Yours sincerely,

Enrique Garrido

Chairman of the Board of Directors
