**Item 1.01. Entry into a Material Definitive Agreement.**

On October 15, 2008, Applied Biosystems Inc., a Delaware corporation (the Company), Invitrogen Corporation, a Delaware corporation (Invitrogen), Atom Acquisition, LLC, a Delaware limited liability company and a direct wholly-owned subsidiary of Invitrogen (Acquisition Sub), and Atom Acquisition Corporation, a Delaware corporation and an indirect wholly-owned subsidiary of Invitrogen (Merger Sub), entered into a second amendment (Amendment No. 2) to the Agreement and Plan of Merger, dated as of June 11, 2008, as amended by Amendment No. 1 thereto, dated as of September 9, 2008, by and among the Company (formerly known as Applera Corporation), Invitrogen and Merger Sub (as amended, the Merger Agreement).

Pursuant to Amendment No. 2, the structure of the merger provided for in the Merger Agreement was modified so that Merger Sub will be merged (the Merger) with and into the Company, with the Company continuing as the surviving corporation and a direct wholly-owned subsidiary of Acquisition Sub, and immediately thereafter, the Company will be merged with and into Acquisition Sub, with Acquisition Sub continuing as the surviving company and a direct wholly-owned subsidiary of Invitrogen. As a result of the Merger, the Company will cease to be a public company.

In addition, Amendment No. 2 eliminates the condition to the closing of the Merger that DLA Piper LLP (US), counsel to Invitrogen, and Skadden, Arps, Slate, Meagher & Flom LLP, counsel to the Company, deliver opinions, effective as of the date of closing, to Invitrogen and the Company, respectively, substantially to the effect that (1) the Merger will be treated for U.S. federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code, and (2) Invitrogen and the Company will each be treated as a party to the reorganization within the meaning of Section 368(b) of the Internal Revenue Code. Each of the Company and Invitrogen has received an opinion from its respective counsel to the effect that, based on the law in effect and the facts existing as of the date of the opinions, except with respect to the effect, if any, of the Merger on the previously completed separation of the Company's Celera business group, the Merger will not result in the recognition of gain or loss to the Company or Invitrogen.

Amendment No. 2 also modified the structure of the Merger in order to ensure that, if the Merger does not qualify as a tax-free reorganization, the Merger will not be taxable to the Company or Invitrogen, except with respect to the effect, if any, of the Merger on the previously completed separation of the Company's Celera business group. Amendment No. 2 is necessary so that the committed financing for the Merger, together with available cash on hand, will be sufficient to pay the cash portion of the merger consideration and all related costs and expenses since the transaction was not expected to be taxable to the Company or Invitrogen.

For more information regarding Amendment No. 2 and a discussion of the material U.S. federal income tax consequences of the Merger, see the supplement to the definitive joint proxy statement/prospectus of the Company and Invitrogen, a copy of which is attached hereto as Exhibit 99.1 and incorporated by reference herein. The foregoing description of Amendment No. 2 is qualified in its entirety by reference to the full text of Amendment No. 2, a copy of which is attached hereto as Exhibit 2.1 and incorporated by reference herein.

**Item 8.01. Other Events.**

The supplement to the joint proxy statement/prospectus will be mailed to stockholders of the Company and Invitrogen on or about October 16, 2008, and a copy of it is attached hereto as Exhibit 99.1 and incorporated by reference herein.
