ELIGIBILITY AND ENROLLMENT

6. I am not currently a Sara Lee stockholder. Can I participate in the Plan?

Yes. If you do not currently own any shares of Sara Lee common stock, you may enroll in the Plan online or by completing and returning an Enrollment Form and either (i) making an initial cash investment of at least \$250.00, or (ii) authorizing monthly deductions of at least \$50.00 from a qualified bank account for the purchase of Sara Lee common stock.

7. May I participate in the Plan if I am a Sara Lee employee?

Yes. If you are an employee of Sara Lee Corporation and wish to enroll in the program by authorizing deductions of at least \$10.00 per week from your paycheck, each payroll cycle, to purchase Sara Lee common stock, wherever offered, you must initiate the deduction by completing an Employee Payroll Authorization Form posted on www.mysaralee.com under Documents, Policies and Forms/Stock Programs.

If you are a Sara Lee employee, however, please be aware that every purchase or sale of Sara Lee common stock, including optional cash investments and sales through the Plan, must be made in compliance with Sara Lee's Insider Trading Policy. In addition to other limitations, the Insider Trading Policy provides that you may not trade in Sara Lee common stock if you are in possession of material, non-public information about Sara Lee.

8. I am a Sara Lee stockholder. Am I eligible to participate in the Plan?

Yes. If you hold at least one (1) share of Sara Lee common stock registered directly in your name (that is, if you have one or more certificates for the shares, or you hold shares in Direct Registration DRS book-entry form) you may enroll in the Plan online or simply by completing and mailing an Enrollment Form to the Administrator at the address listed in Question 3.

Once the shares are registered in your name, you may enroll online or request the Administrator to send you an enrollment package.

If you wish, you may send your share certificates to the Administrator for safekeeping. This service is provided for your convenience and is not mandatory. In order to sell certificated shares through the Plan, however, it is necessary that the certificates be deposited with the Administrator before the sale. See Questions 25, 26 and 27.

Table of Contents

10. Do I have to pay a fee to enroll in the Plan?

Yes, but only if you are not currently a registered stockholder. If you do not hold shares of Sara Lee common stock that are registered directly in your name, you will be required to pay a one-time \$10.00 enrollment fee to enroll in the Plan. We will deduct the \$10.00 enrollment fee from your initial investment. However, if you join the Plan by authorizing monthly deductions from your bank account, the \$10.00 enrollment fee will be debited from your first automatic transaction.

Sara Lee employees participating in the Plan through payroll deductions do not have to pay an enrollment fee. See Question 32 for additional fee information.

11. Are there any restrictions on participation in the Plan by stockholders residing outside the United States?

Cash investments from non U.S. residents must be in United States currency and will be invested in the same manner as investments from other participants. Regulations in certain countries may limit or prohibit participation in services provided under this type of program. Therefore, persons residing outside the United States should first determine whether they are subject to any governmental regulations prohibiting or limiting their participation before requesting any of the services provided through the Plan.

OPTIONAL CASH INVESTMENTS

12. What are the minimum and maximum amounts for optional cash investments?

Additional investments may be made in amounts of at least \$50.00, subject to a maximum of \$120,000 during any calendar year, including your initial investment, if any. If you deliver optional cash investments in excess of the \$120,000 maximum for any calendar year, or for less than the \$50.00 minimum optional investment amount, the funds will be returned to you.

For Sara Lee Corporation employees who make their contributions via payroll deductions, the payroll deduction minimum will be \$10.00 per week, \$20.00 for employees paid bi-weekly or semi-monthly and \$40.00 for employees paid monthly. See Questions 7 and 15 for information relating to employee participation.

13. How do I make an optional cash investment?

You may (i) send a check in U.S. dollars payable to BNY Mellon Bank/Sara Lee Corporation, or (ii) authorize automatic monthly deductions from your bank account, or (iii) authorize payroll deductions. **Cash and third-party checks will not be accepted.** Checks must be accompanied by the Additional Cash Investments tear-off coupon of your account statement and should be mailed in the envelope provided. If you do not have the appropriate section of your account statement, you can mail your investment to the Administrator. Make sure you include your investor ID and/or the full registration name on the account, a daytime telephone number and a reference to Sara Lee. You may combine optional cash investments with automatic monthly bank debits, as long as your total investment in any calendar year does not exceed \$120,000.

Purchases will be made weekly. The timing of the purchases each week will be at the sole discretion of the Administrator. In the months in which a dividend payment is scheduled, optional cash investments and dividend proceeds will be invested concurrently. Historically, dividends have been paid on the fifth business day of January, April, July and October.

Optional cash payments received less than 48 hours prior to any purchase date will be held by the Administrator for investment on the next scheduled purchase date. No interest will be paid by Sara Lee or the Administrator on any funds held for the Plan participants.

14. Can I have optional cash investments automatically deducted from my bank account?

Yes. You can authorize monthly automatic deductions from an account at a bank or financial institution that is

Table of Contents

a member of the National Automated Clearing House Association (NACHA). The minimum amount for monthly deductions is \$50.00.

To initiate this service, you may enroll online through Investor Service Direct® at www.bnymellon.com/shareowner/isd or you may contact the Administrator and request that an enrollment package be sent to you.

To change any aspect of the instructions, you may login to your account online or send a written request to the Administrator.

To terminate the deductions, you must notify the Administrator in writing.

Initial set-up, changes and terminations to the automatic deduction instructions will be made as soon as practicable. Once automatic deductions begin (which may take 2-6 weeks), funds will be deducted from your designated account on the 15th of each month, or if such date is not a business day, the deduction will be made on the next business day.

15. Can I have optional cash investments automatically deducted from my paycheck?

Yes, if you are an active Sara Lee Corporation employee you can authorize payroll deductions of at least \$10.00 per week, \$20.00 biweekly or semi-monthly, or \$40.00 monthly (depending on your pay cycle). The payroll deductions will be withheld during your normal payroll cycle and sent to the Administrator and shares will be purchased for your account on a quarterly basis. Quarterly payroll purchases for employees are made as soon as practicable after the first Monday of February, May, August and November. See Questions 7 and 19 for more information regarding Sara Lee employee participation.

16. Will I be charged fees if I elect to make optional cash investments?

Yes. For each investment made by check or pre-authorized debits from your bank account, you will be charged a transaction fee of \$1.50. This fee will be deducted from funds you send to the Administrator, before the funds are used to purchase Sara Lee common stock. You will also be charged a brokerage commission fee of \$.04 per share.

Sara Lee employees who purchase shares through payroll deductions will not be charged transaction or brokerage fees. See Question 32 for additional fee information.

17. What if I have insufficient funds in my bank account to cover my check or monthly deduction?

If the Administrator does not receive credit for a cash payment because of insufficient funds or because the bank draft information is incorrect, the requested purchase will be deemed void. If shares have already been purchased for your account, the Administrator will remove from your account any shares purchased based upon the prior credit of such funds. The Administrator also may place a hold on your Plan account until an insufficient funds fee of \$25.00 is received from you, or the Administrator may sell such number of shares necessary to satisfy any uncollected amounts. If the net proceeds from the sale of such shares are insufficient to satisfy the balance of the uncollected amounts, the Administrator may sell additional shares from your account as necessary to satisfy the uncollected balance. If the Administrator has not received credit for a cash payment made by you on one or more occasions because you had insufficient funds or because your bank draft information was incorrect, the Administrator reserves the right to require that you make all future cash payments by personal check.

PURCHASE OF COMMON STOCK

18. What is the source of Sara Lee common stock purchased through the Plan?

Shares of Sara Lee common stock are purchased in the open market. Share purchases may be made on the New

Table of Contents

York Stock Exchange or any other stock exchange where Sara Lee common stock is traded, or by negotiated transactions on such terms as the Administrator may reasonably determine. The Administrator has discretion over the purchase of Sara Lee shares for the Plan. Neither Sara Lee nor any participant will have any authority or power to direct the date, time or price at which, or the manner in which, shares may be purchased by the Administrator.

19. When will shares be purchased?

Initial and optional investment purchases will be made within five business days from the date funds are received. Shares purchased with employee payroll deductions will be purchased quarterly. Quarterly payroll purchases for employees are made as soon as practicable after the first Monday of February, May, August and November. The Administrator may commingle each participant's funds with those of other participants for the purpose of executing purchases. No interest will be paid by Sara Lee, or the Administrator with respect to amounts held pending investment.

20. What is the price of shares purchased under the Plan?

Shares purchased under the Plan will be credited to a participant's account at the weighted average price of all Sara Lee shares purchased for the Plan on that investment date or period of days, including trading fees of \$.04 per share. Participants will bear any risk associated with fluctuations in the market price of Sara Lee common stock while investment funds are held pending investment. In addition, no interest on initial or optional cash investments will be paid. Trading fees for purchases will be waived for Sara Lee employees purchasing Sara Lee shares through payroll deductions.

DIVIDENDS

21. Must my dividends automatically be reinvested in Sara Lee common stock?

No. You may elect to reinvest the cash dividends paid on all or a portion of your Sara Lee shares, including fractional shares held in your Plan account. Unless you elect to have dividends paid to you in cash, all dividends paid on Sara Lee shares registered in your name automatically will be used to purchase additional shares of Sara Lee common stock for your account. No fees will be charged in connection with dividend reinvestments; however, you will be charged the trading fees of \$.04 per share, which is applicable to all purchases of Sara Lee common stock under the Plan.

You may also elect to have the Administrator deposit your cash dividends directly into your bank account. To elect this option, you may contact the Administrator or login to your account online through Investor Service Direct® at www.bnymellon.com/shareowner/isd. See Questions 3, 4 and 5 for access and contact information.

You may change your election from time to time by logging into Investor Service Direct® at www.bnymellon.com/shareowner/isd or notifying the Administrator in writing. To be effective with respect to any dividend payment, any written change in your dividend election must be received and accepted by the Administrator at least 24 hours prior to the record date for the next dividend.

22. When will my dividends be reinvested and at what price?

Dividends will be invested as soon as practicable after the payment date. The reinvestment of your dividends generally will begin on the dividend payment date and normally will extend over a two- to-five-day period. The price of shares purchased with the dividend proceeds will be the weighted average price, including trading fees, of all shares purchased with reinvested dividends. Dividends not invested within 30 days of the dividend payment date will be paid out, in cash, to the participants.

SALE OF SHARES

23. How do I sell my Plan shares?

Plan sales are made daily. Your sale request will be processed and, subject to market conditions and other factors, your shares will generally be sold within one (1) business day of receipt of your request. You may sell any number of shares held in your account by contacting the Administrator on the Internet or by telephone or in writing. See Questions 3, 4 and 5 for ways to contact the Administrator.

When writing to the Administrator, include the appropriate tear-off sales coupon of your account statement, or a written request including your Investor ID. All registered stockholders of the shares to be sold must sign the request. The Administrator will sell your shares, along with shares to be sold for other accounts, within five (5) business days. A check for the proceeds from the sale, less a sales fee of \$15.00 and a trading fee of \$.04 per share, will be mailed to you on settlement date, which is three (3) business days following the sale.

Please note that if you desire to sell shares that you hold in certificate form through the Plan, you must first deposit those shares into your Plan account (*i.e.*, deliver the stock certificates to the Administrator) before they can be sold. See Question 25 and 26 for additional information. The Administrator will not wire transfer sale proceeds. All payments will be made by check and mailed to the participant.

From time to time the Administrator may temporarily freeze participants' accounts in the Plan to perform administrative and accounting procedures. **DURING ANY SUCH FREEZE PERIOD, PARTICIPANTS MAY NOT BE ABLE TO SELL SHARES HELD IN THE PLAN, PURCHASE ADDITIONAL SHARES THROUGH THE PLAN, OR OBTAIN COMPLETE INFORMATION ABOUT THEIR ACCOUNT.** The Administrator will use all reasonable efforts to minimize the period during which Plan accounts are frozen and to notify participants in advance regarding any freeze period; however, none of Sara Lee, the Administrator or the purchasing agent will bear any liability for fluctuations in the market price of Sara Lee common stock during any freeze period.

24. Is there a minimum number of shares that I must maintain in my account to keep it active?

Yes. You must have at least one (1) whole share of Sara Lee common stock registered in your name in order to participate in the Plan. If you cease to have at least one (1) whole share registered in your name, the Administrator may terminate your participation in the Plan without written notice. Upon termination, your participation in the Plan will cease. No further investments may be made unless you reenroll in the Plan. The Administrator will mail you a check for the net sales proceeds of your fractional shares.

CUSTODIAL SERVICE

25. How does the custodial service (book-entry shares) work?

All shares of Sara Lee common stock that are purchased through the Plan will be held by the Administrator in book-entry form (*i.e.*, in electronic format) in a safekeeping account. The Plan's book-entry custodial service eliminates the risk and cost of certificate loss, theft or destruction. You are the owner of these book-entry shares held in a safekeeping account and enjoy the same benefits as you would with certificated shares. If you should ever want a stock certificate for all or a portion of your whole shares, the Administrator will send one to you, upon your request. A Plan participant who holds certificates for other shares of Sara Lee common stock outside the Plan also may, at any time, deposit those certificates for safekeeping with the Administrator. The shares represented by the deposited certificates will be included in book-entry form in the participant's safekeeping account.

26. How do I deposit my Sara Lee stock certificates with the Administrator?

To deposit certificates into the Plan, you should send your certificates, by registered and insured mail, to the Administrator, with written instructions to deposit the shares represented by the certificates in your Plan account. The certificates should not be endorsed and the assignment section should not be completed. See Question 3 for contact information.

27. Are there any charges associated with this custodial service?

No. There is no cost to you for having the Administrator hold the shares purchased for you through the Plan, or for depositing the stock certificates you hold into your safekeeping account.

28. Can I pledge my shares that are held in the Plan?

No. Shares held in Plan accounts cannot be pledged. Any shares that you wish to pledge must first be converted into certificated form and sent to you.

ISSUANCE OF STOCK CERTIFICATES

29. Will stock certificates be issued for shares acquired through the Plan?

No. Stock certificates will not be issued for shares in the Plan account unless you request that the Administrator certificate the shares. You can request a certificate by logging into Investor Service Direct® at www.bnymellon.com/shareowner/isd or by notifying the Administrator. See Questions 3, 4 and 5 for contact information.

30. How do I request a stock certificate?

Certificates for full shares held in the Plan may be obtained, without charge by contacting the Administrator. See Question 29. Certificates will be issued only in the name(s) in which the account is registered, unless you (i) instruct the Administrator otherwise, in writing, and (ii) your signature on the written instruction is Medallion Guaranteed by a bank or broker participating in the Medallion Guarantee program. The Medallion Guarantee program ensures that the individual signing is in fact the owner as indicated on the participant's account. Medallion stamps can be obtained at most major banks and brokerage firms.

GIFTS AND TRANSFERS OF SHARES

31. Can I transfer shares that I hold in the Plan to someone else?

Yes. You may transfer ownership of some or all of your Plan shares by sending the Administrator signed transfer instructions. Signatures of all registered holders must be Medallion Guaranteed by a financial institution participating in the Medallion Guarantee program. The Medallion Guarantee program ensures that the individual signing is in fact the owner as indicated on the participant's account. Medallion stamps can be obtained at most major banks and brokerage firms.

GIFTS TO MINORS

If you are transferring shares to a minor, you need to provide the name of the adult custodian who will be listed on the account. Once the minor has reached the age of majority, the custodian's name can be removed. Keep in mind that gifts to minors are irrevocable. Shares may not be transferred from a custodial account to other custodial accounts or individuals until the minor has reached the age of majority and provides us with proper transfer instructions and proof of age.

Your bank or broker also may charge you fees in connection with your enrollment or participation in the Plan. **Any charges imposed by your bank in connection with automatic monthly debits, or by your broker for re-registering your shares in your name, are your responsibility.**

TERMINATION OF PARTICIPATION IN THE PLAN

33. How do I close my Plan account?

You may terminate your participation in the Plan at any time by giving notice to the Administrator. Notice may be made by telephone, in writing or by changing your dividend election under the Manage Account Information section when you access your account over the Internet at www.bnymellon.com/shareowner/isd. Upon termination, you may leave your shares in safekeeping or you can request that the Administrator issue to you a certificate for the number of whole shares held in your Plan account (and a check for the value of any fractional share); however, you also may request that the Administrator sell all of the shares in your Plan account, as described in Question 23.

If you elect to have your shares sold, a trading fee of \$.04 per share and a sale fee of \$15.00 will be charged. The per-share trading fee also will apply to the sale of any fractional share.

Edgar Filing: Sara Lee Corp - Form S-3ASR

If you are an employee of Sara Lee Corporation and are using the payroll deduction feature, you must cancel your payroll deduction by completing and submitting an Employee Payroll Authorization Form

Table of Contents

found on www.mysaralee.com prior to closing your account.

A request to close your Plan account will also be treated as a request to cease any direct debits authorized with respect to your checking or savings accounts.

Any certificates issued upon termination will be issued in the name or names in which the account is registered, unless otherwise instructed. If the certificate is to be issued in a name other than the name or names on your Plan account, you must include complete transfer instructions signed by all persons in whose names the account is registered. The signature(s) on the instruction letter must be Medallion Guaranteed by a financial institution participating in the Medallion Guarantee program. No certificates will be issued for fractional shares.

If you prefer to transfer your shares to your brokerage account, contact your broker to request the transfer using the Direct Registration System (DRS). Your broker can initiate the electronic transfer of the shares.

Sara Lee reserves the right to terminate your participation in the Plan if you cease to have at least one (1) whole share of common stock for a period of six (6) months. If your participation is terminated for this reason, the Administrator will mail you a check for the net sales proceeds of your fractional share in the same manner as if you had chosen to close your Plan account. After your participation in the Plan has terminated, no further investments may be made unless you reenroll in the Plan. Sara Lee reserves the right to amend or terminate the Plan at any time and, upon any termination, to take appropriate action required to cause a distribution to you of all whole shares, the cash value of any fractional share, and any cash held in your account.

The Administrator will process notices of termination and mail a check for the net proceeds from sale of the shares, if applicable, to you as soon as practicable without interest. If a notice of termination is received on or after an ex-dividend date but before the related dividend payment date, the termination will be processed as described above and a separate dividend check will be mailed to you as soon as practicable following the payment date. Thereafter, cash dividends will be paid out to you and will not be reinvested in Sara Lee common stock.

ADDITIONAL INFORMATION

34. How would a stock split or stock dividend affect my account?

Any shares held for you by the Administrator in a safekeeping account, or held by you in certificate form, will be adjusted to reflect any stock split or stock dividend. If the stock split or stock dividend results in additional shares being issued to you with respect to shares held for you by the Administrator in a safekeeping account or held by you in certificate form, then those additional shares will be credited to your Plan account and held in safekeeping. Of course, you may request a certificate at any time for any or all of your shares. See Question 30 for additional information.

35. Will I be entitled to vote Sara Lee shares held in my Plan account at Sara Lee's annual stockholders' meetings?

Yes. As a Plan participant, you will be sent a proxy statement in connection with each meeting of Sara Lee stockholders, together with a proxy card representing the shares held by the Administrator in your Plan account. This proxy card, when duly signed and returned, will be voted as you indicate. Fractional shares will be aggregated and voted in accordance with the participants' directions. If the proxy card is not returned, or if it is returned unsigned, the shares will not be voted.

Sara Lee has a policy that all proxies, ballots and votes tabulated at a meeting of stockholders are confidential, and the votes will not be revealed to any Sara Lee employee or anyone else, other than to the non-employee tabulator of votes or an independent election inspector, except (i) as necessary to meet applicable legal requirements, (ii) if a stockholder writes comments on the proxy card directed to Sara Lee's Board or

Table of Contents

management, or (iii) in the event a proxy solicitation in opposition to the election of the Board of Directors is filed with the SEC.

36. Can the Plan be changed or discontinued?

Yes. Sara Lee reserves the right to suspend, modify or terminate the Plan, or your interest in the Plan, at any time. All participants will receive notice of any such suspension, modification or termination. Sara Lee also reserves the right to change any administrative procedures of the Plan. Upon termination of the Plan or your interest in the Plan by Sara Lee, the Administrator will continue to hold your shares of Sara Lee common stock in book-entry form in a safekeeping account. You may request, however, that either (i) the Administrator issue to you a certificate for the number of whole shares held in your Plan account (and a check for the value of any fractional share) or (ii) all of the shares in your Plan account be sold for you, as described in Question 23.

37. What kind of reports will be sent to Plan participants?

The Administrator will send you an account statement within 10 business days after each optional cash investment, dividend reinvestment, transfer, sale or termination. You should retain these statements in order to establish the cost basis of shares purchased under the Plan for income tax purposes. The reports will be mailed to you or you can sign up for electronic delivery at www.bnymellon.com/shareowner/isd. In addition, each Plan participant will receive all communications sent to Sara Lee stockholders, such as annual reports and proxy statements.

All notices, statements and reports will be sent to your last known address. Many states have enacted abandoned property laws which may require the Administrator or the transfer agent for Sara Lee's common stock to remit to the state of last known address all stock and dividends held in those Plan accounts for which the owner cannot be located. Accordingly, you should promptly notify the Administrator of any change of address. See Questions 3, 4 and 5 for contact information.

LIMITATION OF LIABILITY

If you choose to participate in the Plan, you should recognize that neither Sara Lee nor the Administrator can assure you of a profit or protect you against a loss on the shares that you purchase under the Plan.

Neither Sara Lee nor the Administrator, in administering the Plan, will be liable for any act done in good faith, or as required by applicable laws, or for any good faith omission to act. This includes, without limitation, any claims of liability for:

the prices at which stock purchases or sales are made as reflected in your Plan account, or the dates of the purchases or sales of your Plan shares; or

any fluctuation in the market value of your Sara Lee shares after they are purchased or sold; or

failure to terminate your account upon your death prior to receiving written notice of such death.

This limitation of liability will not constitute a waiver by any participant of his or her rights under the federal securities laws.

Although the Plan provides for the reinvestment of dividends, the declaration and payment of dividends will continue to be determined by the Board of Directors of Sara Lee in its discretion, depending upon future earnings, the financial condition of Sara Lee and other factors. The amount and timing of dividends may be changed, or the payment of dividends terminated, at any time without notice.

Table of Contents

CERTAIN U.S. FEDERAL INCOME TAX CONSIDERATIONS

Cash dividends reinvested under the Plan will be taxable for U.S. federal income tax purposes as having been received by a participant, even though the participant has not actually received them in cash. Qualified dividend income received in taxable years ending on or before December 31, 2010 is generally subject to tax at 15% for non-corporate participants provided certain conditions are met. Each participant will receive an annual statement from the Administrator indicating the amount of reinvested dividends reported to the U.S. Internal Revenue Service as dividend income.

Plan participants will not realize a gain or loss for U.S. federal income tax purposes upon a transfer of shares to the Plan or the withdrawal of whole shares from the Plan. Participants will, however, generally realize a gain or loss upon the receipt of cash for fractional shares held in the Plan. The participant will also realize a gain or loss when whole shares are sold, either by the purchasing agent pursuant to the participant's request or by the participant after termination from the Plan. The amount of gain or loss will be the difference between the amount that the participant receives for the shares or fraction of a share sold and the participant's tax basis therefore. In order to determine the tax basis for shares or any fraction of a share credited to a participant's account, each participant should retain all account statements.

Plan participants who are non-resident aliens or non-U.S. corporations, partnerships or other entities generally are subject to a withholding tax on dividends paid on shares held in the Plan. The Administrator is required to withhold from dividends paid the appropriate amount determined in accordance with Internal Revenue Service regulations. Where applicable, this withholding tax is determined by treaty between the United States and the country in which the participant resides. In addition, as noted below, dividends paid on shares in Plan accounts may be subject to the backup withholding provisions of the Internal Revenue Code. Accordingly, the amount of any dividends, net of the applicable withholding tax, will be credited to participant Plan accounts for investment in additional shares of Sara Lee common stock.

A participant may be subject to information reporting and backup withholding of U.S. federal income tax (currently at a rate of 28%) on any dividends paid on the shares. A participant will not be subject to backup withholding, however, if such participant (i) furnishes a correct taxpayer identification number and certifies that such participant is not subject to backup withholding on an IRS Form W-9 (or successor form) or (ii) is otherwise exempt from backup withholding. Plan participants who are non-resident aliens or non-U.S. corporations, partnerships or other entities generally will be subject to backup withholding on dividends paid on the shares, unless such participants properly certify their non-U.S. status. Additionally, the payment of proceeds to such non-U.S. corporations, partnerships or other entities made on the sale of their shares may be subject to backup withholding and information reporting. Each participant is urged to consult his or her own tax advisor. Any amounts withheld under the backup withholding rules generally will be allowed as a refund or credit against such participant's U.S. federal income tax liability, provided such participant timely furnishes the required information to the Internal Revenue Service.

The foregoing is not a comprehensive summary of all of the tax considerations that may be relevant to a participant in the Plan and does not constitute tax advice. The summary does not reflect every possible outcome that could result from participation in the Plan, and does not consider any possible tax consequences under various state, local, foreign or other tax laws. Each participant is urged to consult his or her own tax advisor regarding the tax consequences applicable to his or her particular situation before participating in the Plan or disposing of shares purchased under the Plan.

USE OF PROCEEDS

Purchases of Sara Lee common stock under the Plan will be made in the open market and Sara Lee will not receive any proceeds under the Plan.

Item 15. Indemnification of Directors and Officers.

Section 2-405.2 of Maryland General Corporation Law (MGCL) permits a Maryland corporation to include in its charter a provision limiting the liability of its directors and officers to the corporation and its stockholders for money damages, except for liability resulting from (1) actual receipt of an improper benefit or profit in money, property or services or (2) active and deliberate dishonesty established by a final judgment or other adjudication as material to the cause of action adjudicated in the proceeding. The Company s charter contains a provision that eliminates directors and officers liability to the maximum extent permitted by MGCL.

Section 2-418(d) of MGCL requires a corporation (unless its charter provides otherwise, which the Company s charter does not) to indemnify a director of the corporation who has been successful, on the merits or otherwise, in the defense of any proceeding to which such director was made a party by reason of the director s service in that capacity. Section 2-418(b) permits a corporation to indemnify its present or former directors against judgments, penalties, fines, settlements and reasonable expenses actually incurred by the director in connection with any proceeding to which the director is made a party by reason of the director s service as a director, unless it is established that (1) the act or omission of the director was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty, (2) the director actually received an improper personal benefit in money, property or services or (3) in the case of any criminal proceeding, the director had reasonable cause to believe that the act or omission was unlawful. If, however, the proceeding was one by or in the right of the corporation and the director was adjudged liable to the corporation, the corporation may not indemnify the director. MGCL also permits a Maryland corporation to pay a director s expenses in advance of the final disposition of an action to which the director is a party upon receipt by the corporation of (1) a written affirmation by the director of the director s good faith belief that the director has met the standard of conduct necessary for indemnification and (2) a written undertaking by or on behalf of the director to repay the amount advanced if it is ultimately determined that the director did not meet the necessary standard of conduct. Section 2-418 of the MGCL defines a director as any person who is or was a director of a corporation and any person who, while a director of the corporation, is or was serving at the request of the corporation as a director, officer, partner, trustee, employee or agent of another foreign or domestic corporation, partnership, joint venture, trust or other enterprise or employee benefit plan. Section 2-418(j)(2) of MGCL also permits a Maryland corporation to indemnify and advance expenses to its officers, employees and agents to the extent that it may indemnify and advance expenses to its directors.

The Company s bylaws obligate us, to the maximum extent permitted by MGCL, to indemnify any of the Company s present or former directors or officers or those of the Company s subsidiaries who (1) is made a party to a proceeding by reason of such person s service in that capacity or (2) while a director or officer and at the Company s request, serves or served another corporation, partnership, joint venture, trust, employee benefit plan or any other enterprise as a director, officer, partner or trustee from and against any claim or liability to which that person may become subject or which that person may incur by reason of such person s services in such capacity and to pay or reimburse that person s reasonable expenses in advance of final disposition of a proceeding. This indemnity could apply to liabilities under the Securities Act in certain circumstances.

Table of Contents

The Company's bylaws also permit us, with the approval of the Company's board of directors, to indemnify and advance expenses to (1) a person who served a predecessor in any of the capacities described above, or (2) any of the Company's employees or agents, or any employee or agent of a predecessor.

The Company also maintains indemnity insurance as permitted by Section 2-418 of MGCL, pursuant to which the Company's officers and directors are indemnified or insured against liability or loss under certain circumstances, which may include liability or related losses under the Securities Act or the Exchange Act.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i)(A) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and (B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(ii) Each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions referred to in Item 15 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
