PROXY STATEMENT FOR THE ANNUAL MEETING OF SHAREHOLDERS

To Be Held on April 23, 2009

INTRODUCTION

The Board of Directors of Cullen/Frost Bankers, Inc. (Cullen/Frost) is soliciting proxies to be used at the Annual Meeting of Shareholders and any adjournment or postponement thereof. The meeting will be held in the Commanders Room at The Frost National Bank (Frost Bank), 100 West Houston Street, San Antonio, Texas 78205, on Thursday, April 23, 2009 at 11:00 a.m., San Antonio time. This Proxy Statement and the accompanying proxy card will be mailed to shareholders beginning on or about March 16, 2009.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE 2009 ANNUAL MEETING OF SHAREHOLDERS:

This Proxy Statement for the 2009 Annual Meeting of Shareholders and our 2008 Annual Report to Shareholders are available at www.cfrvoteproxy.com.

We are pleased to provide access to our proxy materials on the Internet. We have elected to provide access to our proxy materials both by sending you this full set of proxy materials, including a proxy card, and by notifying you of the availability of our proxy materials on the Internet. This Proxy Statement for the 2009 Annual Meeting of Shareholders and our 2008 Annual Report to Shareholders are available at our proxy materials website at <http://www.cfrvoteproxy.com>. This website does not use any functions that identify you as a visitor to the website, and thus protects your privacy.

You have the option to vote and submit your proxy by the Internet. If you have Internet access, we encourage you to record your vote by the Internet. We believe it will be convenient for you, and it saves postage and processing costs. In addition, when you vote by the Internet, your vote is recorded immediately, and there is no risk that postal delays will cause your vote to arrive late and therefore not be counted. If you do not vote by the Internet, please vote by telephone or by completing and returning the enclosed proxy card in the postage prepaid envelope provided. Submitting your proxy by either Internet, telephone or proxy card will not affect your right to vote in person if you decide to attend the Annual Meeting.

Record Date and Voting Rights

The close of business on March 6, 2009 has been fixed as the record date for the determination of shareholders entitled to vote at the Annual Meeting. The only class of securities of Cullen/Frost outstanding and entitled to vote at the Annual Meeting is our Common Stock, par value \$0.01 per share. On March 6, 2009, there were 59,417,433 shares of Common Stock outstanding, with each share entitled to one vote.

Table of Contents

Proxies

All shares of Cullen/Frost Common Stock represented by properly executed proxies, if timely returned and not subsequently revoked, will be voted at the Annual Meeting in the manner directed in the proxy. If a properly executed proxy does not provide directions, it will be voted for all proposals listed on the proxy and in the discretion of the persons named as proxies with respect to any other business that may properly come before the meeting.

A shareholder may revoke a proxy at any time before it is voted by delivering a written revocation notice to the Corporate Secretary of Cullen/Frost Bankers, Inc., 100 West Houston Street, San Antonio, Texas 78205. A shareholder who attends the Annual Meeting may, if desired, vote by ballot at the meeting, and such vote will revoke any proxy previously given.

Quorum and Voting Requirements

A quorum of shareholders is required to hold a valid meeting. If the holders of at least a majority of the issued and outstanding shares of Cullen/Frost Common Stock are present at the Annual Meeting in person or represented by proxy, a quorum will exist. Shares for which votes are withheld, as well as abstentions and broker non-votes, are counted as present for establishing a quorum.

Directors are elected by a plurality of the votes cast at the Annual Meeting. Accordingly, the nominees receiving the highest number of votes will be elected. In the election of Directors, votes may be cast for or withhold authority with respect to any or all nominees. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote.

The approval of the amendment to the Cullen/Frost Bankers, Inc. 2005 Omnibus Incentive Plan requires the affirmative vote of the holders of at least a majority of the shares of Cullen/Frost's Common Stock having voting power and present in person or represented by proxy at the Annual Meeting; provided that the total votes cast on this proposal represent over 50% of the outstanding shares of Cullen/Frost's Common Stock. For purposes of this vote, a vote to abstain (or a direction to a broker or other nominee to abstain) will be counted as present in person or represented by proxy and entitled to vote at the Annual Meeting, and therefore, will have the effect of a negative vote. A broker non-vote, as described below, is not counted as a vote cast, and therefore, could prevent the total votes cast on this proposal from representing over 50% of the outstanding shares of Common Stock, but will not otherwise have an effect on this vote.

With respect to the other matters to be voted on at the Annual Meeting, including the ratification of Ernst & Young LLP to act as our independent auditors for the 2009 fiscal year, the affirmative vote of the holders of at least a majority of the shares of Cullen/Frost's Common Stock having voting power and present in person or represented by proxy at the Annual Meeting will be the act of the shareholders. In voting for these other matters, shares may be voted for or against or abstain. An abstention will have the effect of a vote against these other matters.

Under the rules of the Financial Industry Regulatory Authority, Inc., member brokers generally may not vote shares held by them in street name for customers, a so-called broker non-vote, unless they are permitted to do so under the rules of any national securities exchange of which they are a member. Under the rules of the New York Stock Exchange, Inc. (NYSE), a member broker that holds shares in street name for customers has authority to vote on routine items if it has transmitted proxy-soliciting materials to the beneficial owner but has not received instructions from that owner. The election of Directors and the proposal to ratify the selection of Ernst & Young LLP to act as Cullen/Frost's independent auditors are both routine items and the NYSE rules permit member brokers that do not receive instructions to vote on these items. However, the approval of the amendment to the Cullen/Frost Bankers, Inc. 2005 Omnibus Incentive Plan is a non-routine item and member brokers may not vote on this item unless they receive voting instructions.

Table of Contents

Expenses of Solicitation

Cullen/Frost will pay the expenses of the solicitation of proxies for the Annual Meeting. In addition to the solicitation of proxies by mail, Directors, officers, and employees of Cullen/Frost may solicit proxies by telephone, facsimile, in person or by other means of communication. Cullen/Frost also has retained Georgeson Inc. (Georgeson) to assist with the solicitation of proxies. Directors, officers, and employees of Cullen/Frost will receive no additional compensation for the solicitation of proxies, and Georgeson will receive a fee not to exceed \$7,000.00, plus reimbursement for out-of-pocket expenses. Cullen/Frost has requested that brokers, nominees, fiduciaries and other custodians forward proxy-soliciting material to the beneficial owners of Cullen/Frost Common Stock. Cullen/Frost will reimburse these persons for out-of-pocket expenses they incur in connection with its request.

Table of Contents**ELECTION OF DIRECTORS****(Item 1 On Proxy Card)**

On February 1, 2008, the Board of Directors approved an amendment to Cullen/Frost's Bylaws to provide for the declassification of the Board of Directors. Class II Directors will continue to serve for the term expiring at the 2010 Annual Meeting. The Class III Directors elected in the 2008 Annual Meeting were elected for three-year terms expiring at the 2011 Annual Meeting. The entire Board of Directors will be elected annually at the 2011 Annual Meeting and thereafter.

The following five Directors currently assigned to Class I have been nominated to serve for a new one-year term: Mr. Crawford H. Edwards, Mr. Ruben M. Escobedo, Mr. Patrick B. Frost, Mr. David J. The Board has adopted written charters for the Audit Committee, the Compensation and Benefits Committee and the Corporate Governance and Nominating Committee. All of these charters are available at www.frostbank.com or in print to any shareholder making a request by contacting the Corporate Secretary, Stan McCormick, at 100 West Houston Street, San Antonio, Texas 78205.

As described in more detail below under "Certain Corporate Governance Matters - Director Independence," the Board has determined that each member of the Audit Committee, the Compensation and Benefits Committee and the Corporate Governance and Nominating Committee is independent within the meaning of the rules of the NYSE. The Board has also determined that each member of the Audit Committee is independent within the meaning of the rules of the SEC. In addition, the Board has determined that each member of the Audit Committee is financially literate and that at least one member of the Audit Committee has accounting or related financial management expertise, in each case within the meaning of the NYSE's rules. The Board has also determined that Mr. Ruben M. Escobedo is an audit committee financial expert within the meaning of the SEC's rules.

Director Nomination Process

The Corporate Governance and Nominating Committee is responsible for identifying individuals qualified to become members of the Board of Directors and for recommending to the Board the nominees to stand for election as Directors.

In identifying Director candidates, the Corporate Governance and Nominating Committee may seek input from Cullen/Frost's management and from current members of the Board. In addition, it may use the services of an outside consultant, although it has not done so in the past. The Corporate Governance and Nominating Committee will consider candidates recommended by shareholders. Shareholders who wish to recommend candidates may do so by writing to the Corporate Governance and Nominating Committee of Cullen/Frost Bankers, Inc., c/o Corporate Secretary, 100 West Houston Street, San Antonio, Texas 78205. Recommendations may be submitted at any time. The written recommendation must include the name of the candidate, the number of shares of Cullen/Frost Common Stock owned by the candidate and the information regarding the candidate that would be included in a proxy statement for the election of Directors pursuant to paragraphs (a), (e) and (f) of Item 401 of Regulation S-K adopted by the SEC.

In evaluating Director candidates, the Corporate Governance and Nominating Committee initially considers the Board's need for additional or replacement Directors. It also considers the criteria approved by the Board and set forth in Cullen/Frost's Corporate Governance Guidelines, which include, among other things, the candidate's personal qualities (in light of Cullen/Frost's core values and mission statement), accomplishments and reputation in the business community, the fit of the candidate's skills and personality with those of other Directors and candidates and the ability of the candidate to commit adequate time to Board and committee matters. The objective is to build a Board that is effective, collegial and responsive to the needs of Cullen/Frost. In addition, considerable emphasis is given to Cullen/Frost's mission statement and core values, statutory and regulatory requirements, the Board's goal of having a substantial majority of independent directors, and the Board's retirement policy.

The Corporate Governance and Nominating Committee evaluates all Director candidates in the same manner, including candidates recommended by shareholders. In considering whether candidates satisfy the

Table of Contents

criteria described above, the committee will initially utilize the information it receives with the recommendation or otherwise possesses. If it determines, in consultation with other Board members, including the Chairman, that more information is needed, it may, among other things, conduct interviews.

(5) The actuarial present value of Mr. Robert S. McClane's pension benefit decreased by \$87,537 during 2008. Cullen/Frost employees receive no fees for their services as members of the Board of Directors or any of its committees. Non-employee Directors receive an annual retainer fee of \$30,000 and \$2,000 for each Board meeting attended. In addition, non-employee Directors receive \$1,000 for attending each meeting of a committee of the Board to which they have been appointed, except that the Chairman of the Audit Committee receives \$1,500 for each meeting of the Audit Committee attended and all non-employee Committee Chairs receive an annual retainer fee of \$5,000. Non-employee Directors are also eligible to receive stock-based compensation each year under Cullen/Frost's 2007 Outside Directors Incentive Plan. In April 2008, each non-employee Director in office at that time received 545 deferred stock units. Upon retirement from Cullen/Frost's Board of Directors, non-employee directors will receive one share of Cullen/Frost's Common Stock for each deferred stock unit held. The deferred stock units were fully vested upon being awarded and will receive equivalent dividend payments as such dividends are declared on Cullen/Frost's Common Stock. The deferred stock units had a grant date fair value of \$54.98, which is equal to the closing price of Cullen/Frost's Common Stock on the date of the grant.

In addition, the Board of Directors also serves as the Board of Directors for Frost Bank, a subsidiary of Cullen/Frost, and non-employee Directors receive fees for serving in this capacity. In particular, non-employee Directors receive \$2,000 for each meeting of such Board attended and \$1,000 for attending each meeting of a committee of such Board to which they have been appointed.

Other Directorships

The following are directorships held by nominees and Directors in public companies other than Cullen/Frost or in registered investment companies:

Mr. Escobedo

Valero Energy Corporation

Miscellaneous Information

There are no arrangements or understandings between any nominee or Director of Cullen/Frost and any other person regarding such nominee's or Director's selection as such, except that Mr. Robert S. McClane's retirement agreement with Cullen/Frost provides that, until he reaches age 70, subject to the sole discretion of the Board of Directors, he will be considered as a candidate for reelection to the Board. In addition, pursuant to such retirement agreement, Mr. McClane is entitled to office space and secretarial services and support until he reaches age 70.

CERTAIN CORPORATE GOVERNANCE MATTERS

Cullen/Frost believes that it has operated over the years with sound corporate governance practices that exemplify its commitment to integrity and to protect both the interests of its shareholders and the other constituencies that it serves. These practices include a substantially independent Board of Directors, periodic meetings of non-management Directors, and a sound and comprehensive code of conduct, which obligates Directors and all employees to adhere to the highest legal and ethical business practices. A review of some of Cullen/Frost's corporate governance measures is set forth below.

Director Independence

The Board of Directors believes that a substantial majority of its members should be independent within the meaning of the NYSE's rules. To this end, the Board reviews annually the relevant facts and circumstances regarding relationships between Directors and Cullen/Frost. The purpose of the Board's review is to determine

Table of Contents

whether any Director has a material relationship with Cullen/Frost (either directly or as a partner, shareholder or officer of an organization that has a relationship with Cullen/Frost).

In connection with the Board's latest review, the Board determined that the following Directors, who compose 85% of the Board, are independent within the meaning of the NYSE's rules: Mr. R. Denny Alexander, Mr. Carlos Alvarez, Mr. Royce S. Caldwell, Mr. Crawford H. Edwards, Mr. Ruben M. Escobedo, Mr. David J. Haemisegger, Ms. Karen E. Jennings, Mr. Richard M. Kleberg, III, Mr. Robert S. McClane, Ms. Ida Clement Steen and Mr. Horace Wilkins, Jr. Mr. Richard W. Evans, Jr. and Mr. Patrick B. Frost are not independent because they are executive officers of Cullen/Frost.

In making its independence determinations, the Board considers the NYSE's rules, as well as the standards set forth below. The Board adopted these standards pursuant to the NYSE's rules to assist in making independence determinations. For purposes of the standards, the term Cullen/Frost Entity means, collectively, Cullen/Frost and each of its subsidiaries.

Credit Relationships. A proposed or outstanding relationship that consists of an extension of credit by a Cullen/Frost Entity to a Director or a person or entity that is affiliated, associated or related to a Director should not be deemed to be a material relationship if it satisfies each of the following criteria:

It is not categorized as classified by the Cullen/Frost Entity or any regulatory authority that supervises the Cullen/Frost Entity.

It is made on terms and under circumstances, including credit standards, that are substantially similar to those prevailing at the time for comparable relationships with other unrelated persons or entities and, if subject to the Federal Reserve Board's Regulation O (12 C.F.R. Part 215), is made in accordance with Regulation O.

In the event that it was not made, in the case of a proposed extension of credit, or it was terminated in the normal course of the Cullen/Frost Entity's business, in the case of an outstanding extension of credit, the action would not reasonably be expected to have a material adverse effect on the Director or the business, results of operations or financial condition of any person or entity related to such Director.

Non-Credit Banking or Financial Products or Services Relationships. A proposed or outstanding relationship in which a Director or a person or Entity that is affiliated, associated or related to a Director procures non-credit banking or financial products or services from a Cullen/Frost Entity should not be deemed to be a material relationship if it (i) has been or will be offered in the ordinary course of the Cullen/Frost Entity's business and (ii) has been or will be offered on terms and under circumstances that were or are substantially similar to those prevailing at the time for comparable non-credit banking or financial products or services provided by the Cullen/Frost Entity to other unrelated persons or entities.

Property or Services Relationships. A proposed or outstanding relationship in which a Director or a person or Entity that is affiliated, associated or related to a Director provides property or services to a Cullen/Frost Entity should not be deemed to be a material relationship if the property or services (i) have been or will be procured in the ordinary course of the Cullen/Frost Entity's business and (ii) have been or will be procured on terms and under circumstances that were or are substantially similar to those that the Cullen/Frost Entity would expect in procuring comparable property or services from other unrelated persons or entities.

Meetings of Non-Management Directors

Cullen/Frost's non-management Directors meet in executive sessions without members of management present at each regularly scheduled meeting of the Board. The Chair of the Board's Corporate Governance and Nominating Committee, who is currently Mr. Royce S. Caldwell, presides at the executive sessions.

EXECUTIVE COMPENSATION AND RELATED INFORMATION

Compensation and Benefits Committee Governance

Charter. The Compensation and Benefits Committee's charter is posted on Cullen/Frost's website at www.frostbank.com.

Scope of authority. The primary function of the Compensation and Benefits Committee (the Committee) is to assist the Board in fulfilling its oversight responsibility with respect to:

- a) establishing, in consultation with senior management, Cullen/Frost's general compensation philosophy, and overseeing the development of Cullen/Frost's compensation and benefits programs;
- b) overseeing the evaluation of Cullen/Frost's executive management;
- c) reviewing and approving the corporate goals and objectives relevant to the compensation of the CEO, evaluating the performance of the CEO in light of those goals and objectives, and setting the CEO's compensation level based on this evaluation;
- d) making a recommendation to the Board with respect to, and if appropriate under the circumstances, approving on behalf of the Board, non-CEO Executive Officer compensation and any adoption of or amendment to a material compensation or benefit plan, including any incentive compensation plan or equity based plan;
- e) providing oversight of regulatory compliance with respect to compensation matters; and
- f) reviewing the components and amount of Board compensation in relation to other similarly situated companies. The Board retains the authority to set Director compensation and to make changes to Director compensation.

Delegation authority. While the Committee approves the annual normal grant of stock options and restricted stock to officers, it delegates authority to the CEO to allocate a specified pool of stock options to address special needs as they arise.

Role of executive officers. After consulting with the Committee's compensation consultant, the CEO recommends to the Committee base salary, target bonus levels, actual bonus payments and long-term incentive grants for other Cullen/Frost officers. The Committee considers, discusses and modifies the CEO's recommendations, as appropriate, and takes action on such proposals. The CEO does not make recommendations to the Committee on his own pay levels. The Committee, in executive session and without members of Company management present, determines the pay levels for the CEO to be ratified by the Board of Directors.

Role of compensation consultants. Beginning in 2005, the Committee directly retained Hewitt Associates LLC (Hewitt) as its independent compensation consultant. The Committee informed Hewitt in writing that it expected Hewitt to advise it if and when there were elements of management proposals to the Committee that Hewitt believed the Committee should not support, set expectations for Hewitt to be frank and upfront with the Committee at all times, and stated that Hewitt's ongoing engagement would be determined by the Committee. Other than acting as a consultant to the committee, Hewitt does not provide any other service to Cullen/Frost.

The role of the consultant is to serve and work for the Committee in its review of executive and director compensation practices, including the competitiveness of pay levels, executive compensation design issues, market trends, and technical considerations. The nature and scope of

Edgar Filing: CULLEN FROST BANKERS INC - Form DEF 14A

services rendered by Hewitt on the Committee's behalf is described below:

Competitive market pay analyses as needed, including executive compensation benchmarking services, proxy data studies, Board of Director pay studies, dilution analyses, and market trends;

Ongoing support with regard to the latest relevant regulatory, technical, and/or accounting considerations impacting compensation and benefit programs;

Table of Contents

Assistance with the redesign of any compensation or benefit programs, if desired or needed;

Preparation for and attendance at selected management, committee, or Board of Director meetings; and

Other miscellaneous requests that occur throughout the year.

The Committee did not direct Hewitt to perform the above services in any particular manner or under any particular method. The Committee has the final authority to hire and terminate the consultant, and the Committee evaluates the consultant annually.

Hewitt consultants attended the Committee meetings in 2008 and assisted the Committee with the market data and an assessment of executive compensation levels and program design, Board of Director compensation levels, CEO compensation, and support on various regulatory and technical issues.

Compensation and Benefits Committee Interlocks and Insider Participation

Some of the members of the Compensation and Benefits Committee, and some of these persons' associates, are current or past customers of one or more of Cullen/Frost's subsidiaries. Since January 1, 2008, transactions between these persons and such subsidiaries have occurred, including borrowings. In the opinion of management, all of the transactions have been in the ordinary course of business, have had substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with persons not related to the lender, and did not involve more than the normal risk of collectibility or present other unfavorable features. Additional transactions may take place in the future.

Compensation and Benefits Committee Report

The Compensation and Benefits Committee has reviewed and discussed the Compensation Discussion and Analysis with management. Based on our review and discussions, we have recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement and incorporated into Cullen/Frost's Annual Report on Form 10-K for the year ended December 31, 2008.

Objectives of the Compensation Program

The Cullen/Frost Compensation Program is administered by the Compensation and Benefits Committee (the Committee). The objectives of the program are to:

Reward current performance;

Motivate future performance;

Encourage teamwork;

Remain competitive as compared to the external marketplace;

Maintain a position of internal equity;

Effectively retain Cullen/Frost's executive management team; and

Increase shareholder value by strategically aligning executive management and shareholder interests.

Design of the Total Compensation Program and Overview of Compensation Decisions Made in 2008

Pay Philosophy

In general, it is Cullen/Frost's compensation philosophy to target aggregate executive compensation at the 50th percentile of the external market (described below). Actual compensation paid to executives reflects the Company's performance versus market and therefore may fall above or below the 50th percentile in a given year. In addition to external competitiveness, the Committee evaluates the following factors when making compensation decisions for executive officers:

Performance (Company, segment and individual);

Internal equity;

Experience;

Strategic importance;

Edgar Filing: CULLEN FROST BANKERS INC - Form DEF 14A

Technical implications such as tax, accounting, and shareholder dilution; and

Advice from the independent compensation consultant.

The Committee does not assign a specific weighting to these factors and may exercise its discretion when making compensation decisions for Named Executive Officers.

When reviewing the components of the compensation program, the Committee, together with the head of Human Resources, works to ensure the total package is competitive with the external marketplace and remains balanced from an internal equity standpoint. However, it is the total package that should be competitive, and not necessarily the individual elements.

The Committee does not maintain a stated policy with regard to cash versus non-cash compensation. However, the allocation of cash and non-cash compensation for each of the Named Executive Officers is reviewed annually.

In general, the Committee does not take into account amounts realizable from prior compensation when making future pay decisions. However, grant date amounts and values are contemplated, particularly when establishing long-term incentive award grants. The Committee reviews a total compensation tally sheet for Mr. Evans annually. Cullen/Frost uses the tally sheet to inform the Committee on Mr. Evans' total compensation and accumulated wealth from the Company's equity and retirement benefit plans.

Table of Contents

In light of the extreme volatility in the U.S. financial markets in 2008 and general public concern over executive compensation among financial institutions, we took the additional measure of meeting with senior officers, including the Company's principal risk officer, as well as the independent consultant, to discuss the risk profile of our total executive compensation program for Named Executive Officers. The Committee is comfortable that the total compensation program, which balances fixed compensation (base pay and retirement benefits) and various forms of shorter and longer term incentive pay (annual cash bonus and equity compensation), does not encourage our Named Executive Officers to take excessive or unnecessary risks.

Benchmarking and Peer Companies

Under the direction of the Committee, Cullen/Frost conducts annual benchmarking of base pay, annual incentive pay, and long-term incentive pay. The competitiveness of other forms of pay is reviewed on a periodic basis.

External market data is provided by our external consultant, Hewitt Associates. The Committee believes that the external market should be defined as peer companies in the banking industry of a similar asset size to Cullen/Frost. For 2008, market data was collected from public filings for the following 25 companies comprising the Lehman Brothers Small-Cap Bank Index (excluding Cullen/Frost):

Associated Banc-Corp	First Midwest Bancorp	UCBH Holdings
Bank of Hawaii	FirstMerit Corp	UnionBanCal Corp
Boston Private Financial	Fulton Financial	United Bankshares
Cathay General	Huntington Bancshares	Valley National Bancorp
Central Pacific Financial	Pacific Capital Bancorp	Webster Financial Corporation
City National Bank	South Financial Group	Westamerica Bancorp
Colonial Bancgroup	Susquehanna Bancshares	Wilmington Trust Corp
Commerce Bancshares	SVB Financial Group	
East West Bancorp	Texas Capital Bancshares	

Additionally, market data was collected from multiple published survey sources representing national financial institutions of a similar asset size to Cullen/Frost. The Committee believes that the combination of peer company data and survey data reflects Cullen/Frost's external market for business and executive talent. Accordingly, the Committee uses both of these sources when targeting Cullen/Frost's executive compensation at the 50th percentile of the external market. The Committee does not utilize any stated weighting of external market data with which to benchmark compensation levels of the Named Executive Officers. Instead, the Committee evaluates the market data prepared by Hewitt, along with the other factors listed previously to determine the appropriate compensation levels of the Named Executive Officers on an individual basis.

Elements of the Compensation Program

To ensure achievement of the program objectives, compensation is provided to the Named Executive Officers in the following elements:

Base Pay;

Annual Incentive Pay;

Long-Term Incentive Pay;

Benefits;

Perquisites; and

Post-Termination Pay.

Table of Contents

The purpose, design, determination of amounts, and 2008 pay decisions are described below.

Base Pay

Base pay is an important element of executive compensation because it provides executives with a base level of monthly income. As discussed in the Pay Philosophy section, internal and external equity, performance, experience, and other factors are considered when establishing base salaries. The Committee does not assign a specific weighting to these factors when making compensation decisions. Base salary changes are generally approved in October of each year and are effective January 1st of the following year. No specific weighting is targeted for base salaries as a percentage of total compensation.

During their Fall 2008 meeting, the Committee approved base pay increases for Mr. Evans and the other Named Executive Officers. The increases were based on external market data, internal equity, and each individual's performance. The Committee observed that

the base pay of Mr. Evans was between the 50th percentile and the 75th percentile of external market data;

the base pay of Mr. Green was slightly in excess of the 75th percentile of the external market; and

the base pay levels for the remaining Named Executive Officers approximated the 75th percentile.

The base pay increases approved by the Committee became effective January 1, 2009 and approximated 3.6% of existing base pay, ranging from 3.2% to 3.9%. Base pay levels can be seen in the Summary Compensation Table. As discussed in the Compensation and Benefits Committee section, Mr. Evans makes recommendations to the Committee on the pay levels of his direct reports for the Committee's review and approval. Mr. Evans does not make recommendations to the Committee on his own pay levels. The Committee, in executive session and without members of Company management present, determines the pay levels for Mr. Evans to be ratified by the Board of Directors.

Annual Incentive Pay

Annual incentive pay is provided to Named Executive Officers to recognize achievement of financial targets both on the overall corporate level and the individual level and is paid in accordance with the quantitative and qualitative terms of the Management Bonus Plan. This reward is paid in the form of a cash bonus.

The bonus plan for the Chief Executive Officer differs from that of the other Named Executive Officers. Both bonus plans are described in the sections that follow.

Bonus Plan for the Chief Executive Officer

Annually, during their first quarter meeting, the Committee establishes a target tied to net income for the Chief Executive Officer's bonus, thereby directly relating the reward of the executive to the performance of Cullen/Frost. This measurement has historically been 0.8% of net income. After the close of the fiscal year, the Committee then exercises only downward discretion to arrive at a bonus payment amount to Mr. Evans. Traditionally, the Committee has not paid a bonus at the full 0.8% of fiscal year net income, but closer to 70% of his base salary earnings.

Table of Contents

For 2008, the Committee again approved a target of 0.8% of fiscal year net income for Mr. Evans' bonus. To determine the bonus payment amount, the Committee exercised downward discretion based on the following qualitative measures approved by the Committee:

Performance Measure	Description
Operating Results	Provides direction to ensure that Cullen/Frost meets its financial goals, both in terms of achieving budgetary results and in its commitment to performance compared to its peers.
Leadership	Leads Cullen/Frost, setting a philosophy based on the corporate culture that is well understood, widely supported, consistently applied, and effectively implemented.
Strategic Planning	Establishes clear objectives and develops strategic policies to ensure growth in Cullen/Frost's core business and expansion through appropriate acquisitions. Committed to the utilization of advanced technology applications to support these growth goals, and maintains the long-term interest of Cullen/Frost in all actions.
Human Capital Management and Development	Ensures the effective recruitment of a diverse workforce, consistent retention of key employees and the ongoing motivation of all staff. Offers personal involvement in the recruiting process and provides feedback.
Communications	Serves as chief spokesperson for Cullen/Frost, communicating effectively with all of its stakeholders.
External Relations	Establishes and maintains relationships with the investment community to keep them informed on Cullen/Frost's progress. Serves in a leadership role in civic, professional and community organizations. Reinforces key customer relationships through regular market visits and customer contacts.
Board Relations	Works closely with the Board of Directors to keep them fully informed on all important aspects of the status and development of Cullen/Frost. Facilitates the Board's composition and committee structure, as well as its governance and any regulatory agency relations.

The Board ratifies the bonus payment amount determined by the Committee for Mr. Evans.

Cullen/Frost's budget for a given year typically represents a meaningful increase in earnings per share over the previous year. In finalizing a budget, the current economic and interest rate environments are considered as well as analyst expectations. The budget must be ratified by the Board of Directors. For 2008, Cullen/Frost's actual performance narrowly missed budgeted expectations due to expenses associated with Hurricane Ike, one of the most destructive natural disasters in Texas history. Cullen/Frost made a \$10 million provision for possible loan losses and incurred expenses of approximately \$1 million during the third quarter of 2008 related to the hurricane. If actual earnings are adjusted to reflect the absence of the Ike-related costs, performance actually exceeded budgeted expectations. In light of this, and taking into account the qualitative measures shown above, the Committee exercised downward discretion from the initial target of 0.8% of net income. The Committee elected to pay a bonus to Mr. Evans of \$539,000. This was ratified by the Board of Directors on January 29, 2009, and can be seen in the Summary Compensation Table.

Table of Contents

At the October 2008 meeting, the Committee reviewed the competitiveness of the Chief Executive Officer's bonus payment, and found it to be below the 50th percentile of the external market data provided by Hewitt. The Committee targets total compensation, and not the individual elements, at the 50th percentile.

For 2009, the Committee has again approved a target for Mr. Evans of 0.8% of fiscal year net income.

Bonus Plan for the Other Named Executive Officers

The remaining Named Executive Officers participate in the Management Bonus Plan. Annually, a bonus pool is generated based on the financial performance of Cullen/Frost versus the budgeted expectations for the year. The Committee approves the corporate and individual objectives as well as the payment targets, which are expressed as a percentage of the executives' base salary earnings for the year. There is not a stated cap on this plan. However, over the past ten years, the most paid to any Named Executive Officer in excess of target was 140% of target.

For 2008, Cullen/Frost established the following individual targets as a percentage of 2008 base salary earnings for the Named Executive Officers in the Management Bonus Plan:

Phillip D. Green	50%
Patrick B. Frost	45%
David W. Beck, Jr.	45%
Richard Kardys	45%

The individual targets are not formula driven. For all of the Named Executive Officers in the Management Bonus Plan, the targets are set at the discretion of the Chief Executive Officer and must be approved by the Committee. The bonus targets are based on external market data provided by Hewitt, internal equity considerations, and strategic objectives for corporate performance. The targets for a calendar year are reviewed annually at the preceding Fall meeting of the Committee and altered as deemed appropriate. Payment amounts for the Named Executive Officers, with the exception of the Chief Executive Officer, are made based on recommendations of the Chief Executive Officer and approval of the Committee. Bonus amounts in excess of, or below target may be paid at the discretion of the Chief Executive Officer with the approval of the Committee. Before the Chief Executive Officer makes recommendations to the Committee regarding annual bonus payments for the other Named Executive Officers, the Chief Executive Officer discusses these issues with Hewitt. The Committee has the discretion to approve, disapprove or alter the recommendations.

The primary criteria for bonus payments for the Named Executive Officers are summarized in the following table:

Executive	Primary Criteria for Incentive Payment
Phillip D. Green	Measurement of financial performance vs. budgeted net income for Cullen/Frost and for Frost Bank
Patrick B. Frost	Measurement of financial performance vs. budgeted net income for Cullen/Frost and for Mr. Frost's assigned regions (to include the Austin, Corpus Christi, San Antonio and the Rio Grande Valley markets)
David W. Beck, Jr.	Measurement of financial performance vs. budgeted net income for Cullen/Frost and for Frost Bank
Richard Kardys	Measurement of financial performance vs. budgeted net income for Cullen/Frost and achievement of budgeted goals for the assigned areas of principal responsibility (to include the Financial Management Group, Frost Investment Advisors and Frost Insurance Agency)

Table of Contents

As previously stated, Cullen/Frost's actual performance narrowly missed budgeted expectations due to expenses associated with Hurricane Ike. Based on the strong financial results for Cullen/Frost and the need to retain talent, the Chief Executive Officer recommended to the Committee that bonus payments for Mr. Green, Mr. Frost, Mr. Beck, and Mr. Kardys be made at 100% of target. The Committee approved this recommendation. The 2008 bonuses were paid in February of 2009 and can be seen in the Summary Compensation Table.

In October 2008, the Committee reviewed the competitiveness of each Named Executive Officer's incentive target level and determined that they were below the 50th percentile of the external market. The Committee elected to increase targets of the Named Executive Officers for 2009 as shown below. As previously stated, the target represents a percentage of base earnings.

Executive	2008 Target	2009 Target
Phillip D. Green	50%	60%
Patrick B. Frost	45%	50%
David W. Beck, Jr.	45%	50%
Richard Kardys	45%	50%

No specific weighting is targeted for annual incentive pay as a percentage of total compensation.

Long-Term Incentive Pay

Long-term incentives are awarded to the Named Executive Officers in an effort to align management and shareholder interests, ensure future performance of Cullen/Frost, enhance ownership opportunities, and to increase shareholder value. Cullen/Frost maintains the 2005 Omnibus Incentive Plan (Plan) which was approved by shareholders and authorizes the granting of the following types of awards for executives:

Stock Options;

Stock Appreciation Rights;

Restricted Stock and Restricted Stock Units;

Performance Unit and Performance Share Awards;

Cash-Based Awards; and

Other Stock-Based Awards.

As shown in the Summary Compensation Table, long-term incentives are awarded to the Named Executive Officers in the form of stock options and restricted stock. The size of the grant is determined by the Committee taking into account a variety of factors, including, grants from prior years, external market data, internal equity considerations, performance, overall share usage, shareholder dilution, and cost. It has generally been the Committee's practice to award long-term incentives in a combined package of approximately half stock options and half restricted stock, based on the estimated economic value of awards on the date of grant. The weighting between stock options and restricted stock allows Cullen/Frost to strike the desired balance between performance and retention and minimizes the impact to shareholder dilution.

Stock Options

Stock options are utilized to align management and shareholder interests and to reward executives with shareholder value creation. Stock options were granted at the fair market value of \$52.44 on the date of grant, October 21, 2008. The fair value of the stock options granted was calculated in accordance with FAS 123R and was \$14.60 per share issued to the Named Executive Officers. The options granted in 2008 vest 25% per year beginning on the first anniversary from the date of grant and have a life of ten years. The vesting schedule and life were strategically chosen to be competitive, enhance our retention efforts and help to manage shareholder dilution.

Table of Contents

Restricted Stock

Shares of restricted stock are granted to the Named Executive Officers to create an immediate link to shareholder interests and enhance ownership opportunities. The awards granted in 2008 vest 100% four years from the date of the grant. This vesting schedule is both competitive and consistent with our traditional practice.

Stock Ownership Guidelines

Cullen/Frost does not currently maintain a formal policy for executive stock ownership requirements. The Committee believes that the use of restricted stock for the Named Executive Officers serves to reinforce stock ownership and aligns executive and shareholder interests.

While the Committee believes a significant portion of the Named Executive Officers' total compensation should be linked to Cullen/Frost's stock price, no specific weighting is targeted for long-term incentive pay as a percentage of total compensation.

In 2008, the Committee, in its discretion, awarded the same number of shares of restricted stock and stock option awards to the Named Executive Officers as was awarded in 2007, with one exception. The Committee increased the number of restricted shares awarded to Mr. Green from 5,800 to 6,000, a change of less than 3%. Because of a moderate change in stock price from grant date 2007 to grant date 2008, these awards resulted in similar economic values to the Named Executive Officers as compared to the prior year's awards. Because fewer restricted shares are needed to provide an equivalent stock option value, the Committee placed a slightly higher weighting on restricted shares than stock options for 2008 in order to minimize overall share usage.

In its review, the Committee observed that long-term incentive awards to Mr. Evans were at approximately the 50th percentile of external market data. Long-term incentive awards to the remaining Named Executive Officers were generally slightly below the 75th percentile of external market data. The Committee determined that it was critical to continue to place a strong emphasis on future financial performance and increasing shareholder value, while offering a competitive total rewards package overall. The actual awards granted in 2008 can be seen in the Summary Compensation Table and the Grants of Plan-Based Awards Table.

Historically, the Committee has generally approved and granted long-term incentive awards to the Named Executive Officers and any other designated employees at the Fall meeting or at the hire date of new designated employees, as applicable. Cullen/Frost maintains no policy, whether official or unofficial, for timing the granting of stock options or other equity-based awards in advance of the release of material nonpublic information. In 2008, we followed our historical equity grant practice by granting long term-incentive awards on the date of the 2008 Fall Committee meeting.

Perquisites

Cullen/Frost uses perquisites for Named Executive Officers to provide a competitive offering and conveniences. Below is a brief summary of the perquisites provided and the rationale for their use:

Physical Examinations In order to ensure the continued health of our executive team, the Named Executive Officers were given the opportunity to undergo a thorough physical examination with the physician of their choice with the cost to be underwritten by Cullen/Frost to the extent not covered under a company-provided medical plan.

Personal Financial Planning Services To ensure the continued financial stability of our executive team, and to help maximize the amount executives realize from our compensation programs, the Named Executive Officers were given the opportunity to engage a financial advisor of their choice to provide Personal Financial Planning Services with the capped cost to be underwritten by Cullen/Frost.

Home Security Services To ensure the safety of our executive team, home security services are provided in certain instances.

Club Memberships Club Memberships are provided to all the Named Executive Officers to be used at their discretion for both personal and business purposes. This provides the Named Executive Officers with the ongoing opportunity to network with other community leaders.

Use of Jet Aircraft Through a provider in the fractional aircraft industry, Cullen/Frost has acquired 200 hours per year of jet aircraft usage. These hours are used by Mr. Evans in connection with his extensive business travel requirements. This is provided to Mr. Evans to reduce travel time and related disruptions and to provide additional security, thereby increasing his availability, efficiency, and productivity. Mr. Evans has been authorized to use a portion of these hours for non-business purposes, which should generally not exceed ten percent of the available hours annually. Mr. Evans did not use the jet aircraft for non-business purposes during 2008. Mr. Evans along with Mr. Green did incur imputed income by allowing family members to accompany them on business related travel.

Life Insurance Group Life Insurance is provided to the Named Executive Officers with a death benefit equal to three times base salary earnings for the most recent year, not to exceed \$1,250,000 for Mr. Evans, Mr. Green, Mr. Beck, and Mr. Kardys. The death benefit for Mr. Frost is two times base salary earnings for the most recent year, not to exceed \$1,250,000. In addition, an Executive Insurance Policy is maintained for Mr. Evans with a death benefit of \$1,000,000. See the All Other Compensation Table for more detail.

While we have paid tax reimbursements on certain perquisites in the past, as can be seen in the All Other Compensation Table, the decision was made to discontinue this practice effective January 1, 2009. Therefore, going forward Cullen/Frost will not pay tax reimbursements on any executive perquisites.

The aggregate perquisite value received by each Named Executive Officer is set forth in the All Other Compensation Table.

Post-Termination Pay

Cullen/Frost has change-in-control agreements with all the Named Executive Officers as well as other key employees of the Company. The main purposes of these agreements are to:

help executives objectively evaluate whether a potential change in control is in the best interests of shareholders;

help protect against the departure of executives, thus assuring continuity of management, in the event of an actual or threatened merger or change in control; and

Edgar Filing: CULLEN FROST BANKERS INC - Form DEF 14A

maintain compensation and benefits comparable to those available from competing employers.

Under the agreements, each Named Executive Officer would receive severance payments of three times base salary and target bonus if their position were terminated by Cullen/Frost within two years following a change-in-control, if the termination is for reasons other than cause, death, disability or retirement. Cause is

Table of Contents

generally defined in the agreements as an executive's (1) willful and continued failure to substantially perform his duties after delivery of a written demand for substantial performance; (2) willful engagement in conduct materially injurious to Cullen/Frost; or (3) conviction of a felony. The Committee established the change-in-control benefits at their current level to be competitive and to provide executives with a level of pay and benefits after a change in control that are comparable to what they had immediately prior to a change in control.

Change-in-control is generally considered in the agreements to be:

an acquisition of beneficial ownership of 20 percent or more of Cullen/Frost Common Stock by an individual, corporation, partnership, group, association, or other person;

certain changes in the composition of a majority of the Board of Directors; or

certain other events involving a merger or consolidation of Cullen/Frost or a sale of substantially all of its assets.

Further, the change-in-control agreements provide that the Named Executive Officers would receive the same severance payments if they terminate their employment for good reason within two years following a change-in-control. Good reason is generally considered in the agreements as one or more of the following:

a significant change or reduction in the executive's responsibilities;

an involuntary transfer of the executive to a location that is fifty miles farther than the distance between the executive's current residence and Cullen/Frost's headquarters;

a significant reduction in the executive's current compensation;

the failure of any successor to Cullen/Frost to assume the executive's change-in-control agreement; or

any termination of the executive's employment that is not effected pursuant to a written notice which indicates the reasons for the termination.

The change-in-control agreements also provide for a continuation of the welfare benefits of health care, life and accidental death and dismemberment, and disability insurance coverage for three years following termination of employment without cause or for good reason, as well as a tax gross-up payment in an amount necessary to make the executive whole for any excise taxes paid as a result of the severance payments and benefits and any accelerated vesting of equity-based awards in connection with a change in control.

Upon a change-in-control, all stock options would become immediately exercisable and all the vesting restrictions would lapse on all outstanding restricted shares.

Under the change-in-control agreements, a change-in-control would have no impact on benefits available to Named Executive Officers under the frozen retirement and retirement restoration plans.

Edgar Filing: CULLEN FROST BANKERS INC - Form DEF 14A

The existing change-in-control agreements were modified in late 2008 with the modifications generally being made to bring the agreements into compliance with Section 409(A) of the Internal Revenue Code.

The Committee believes that the change-in-control agreements are consistent with our objective to remain competitive, as compared to the external marketplace with our executive compensation program. The change-in-control agreements do not affect decisions to be made regarding other elements of compensation.

For detailed estimated payments upon a change-in-control, please see the Change in Control Payments Table.

There are no other severance policies or employment contracts in place for the Named Executive Officers. If any of the Named Executive Officers were to have their employment with Cullen/Frost severed other than under circumstances described above, the Committee would make all post-termination pay determinations based on the individual situation(s).

Policy on 162(m)

Section 162(m) of the Internal Revenue Code generally limits the corporate tax deduction to \$1,000,000 in a taxable year for compensation paid to each covered employee of Cullen/Frost, which under Section 162(m)

Table of Contents

and guidance issued under the section, includes all the Named Executive Officers (other than the client Financial Officer), unless the compensation is performance based .

In order to preserve Cullen/Frost's tax deduction, the Committee approved the Cullen/Frost Bankers, Inc. Deferred Compensation Plan For Covered Employees. In the event that a covered employee's total compensation would exceed the amount deductible under Section 162(m), this plan allows the Committee, in its discretion, to defer cash components of the covered employee's compensation until the plan year after he or she ceases to be a covered employee or upon his or her death or disability. Currently, Mr. Evans is the only covered employee participating in the plan.

For 2008, nondeductible compensation totaled approximately \$1.3 million and resulted primarily from compensation related to the vesting of restricted stock granted in 2004. As the only cash component of Mr. Evans' compensation subject to 162(m) is his base salary, the Committee has not in its discretion deferred any compensation.

Policy on Recovery of Awards

Cullen/Frost currently has no written policy with respect to recovery of awards when financial statements are restated. However, in the event of a restatement, Cullen/Frost would recover any awards as required by applicable law.

- (1) Amounts shown represent an annual cash bonus paid to Mr. Green, Mr. Frost, Mr. Beck and Mr. Kardys in February of 2008 based on 2007 performance. Because the 2007 bonuses for these Named Executive Officers were paid at the discretion of the Chief Executive Officer and the Committee and outside of the Management Bonus Plan guidelines, they are shown under the heading "Bonus" as opposed to "Non-Equity Incentive Plan".
- (2) Amounts shown represent the amount of stock-based compensation expense related to stock options and restricted stock recognized during 2008 in accordance with SFAS 123R. The amount of the expense for 2008 is based upon the portion of the grant date fair value of stock options granted during 2006 through 2008 and the grant date fair value of restricted stock awarded during 2006 through 2008 for which the required vesting service was provided during 2008. See note 13 to the Consolidated Financial Statements in Cullen/Frost's Annual Report on Form 10-K for the year ended December 31, 2008 for a discussion of the associated assumptions used in the valuation of stock-based compensation awards.
- (3) Amounts shown represent the annual cash bonus discussed in the Compensation Discussion and Analysis. The amount shown was paid in February 2009 based on 2008 performance.
- (4) The actuarial present value of Mr. Evans' pension and SERP benefit decreased by \$242,469 during 2008. See note 13 to the Consolidated Financial Statements in Cullen/Frost's Annual Report on Form 10-K for the year ended December 31, 2008 for a discussion of the associated assumptions used in the valuation of these benefits. There were no above-market or preferential earnings on compensation that is deferred on a basis that is not tax-qualified.
- (5) This column includes other compensation not properly reported elsewhere in this table. The All Other Compensation Table that follows provides additional detail regarding the amounts in this column.

(1) This plan was frozen on December 31, 2001.

(2) Because both the Retirement Plan and the Retirement Restoration Plan were frozen as of December 31, 2001, the number of years of credited service shown above for each Named Executive Officer are also as of that date. Please note, these plans were replaced by the defined contribution Profit Sharing Plan and the accompanying nonqualified Profit Sharing Restoration Plan.

(3) See Note 13 to the Consolidated Financial Statements in Cullen/Frost's Annual Report for the year ended December 31, 2008 for a discussion of the associated assumptions used in the calculation of the present value of the accumulated benefits.

(4) Under the terms of the Retirement Plan, the only Named Executive Officers that are eligible for early retirement are Mr. Evans, Mr. Beck, and Mr. Kardys. Mr. Green will become eligible during 2009. Eligibility for early retirement is defined as age 55 or older with five years of service.

Profit Sharing Plan

On January 1, 2002, Cullen/Frost adopted a qualified profit-sharing plan that replaced its defined benefit plan. The profit sharing plan is a defined contribution retirement plan that covers all employees, including the Named Executive Officers, who have completed at least one year of

Edgar Filing: CULLEN FROST BANKERS INC - Form DEF 14A

service, are age 21 or older, and are otherwise eligible for benefits. All contributions to the plan are made at the discretion of the Chief Executive Officer based upon Cullen/Frost's fiscal year profitability, and are not formula driven. Contributions are allocated to eligible participants pro rata, based upon compensation, age, and other factors. Historically, contributions have approximated 2% of eligible compensation, which is generally defined as base salary plus cash incentives, subject to IRS limits, plus percentage adjustments for certain age levels. In addition, for those

Table of Contents

employees who attained the age of 45 prior to January 1, 2002 and who were participants in the now frozen Retirement Plan, an additional contribution is made based on age and years of service. Plan participants self-direct the investment of allocated contributions by choosing from a menu of investment options. Account assets are subject to withdrawal restrictions and participants vest in their accounts after three years of service. There were no distributions made during 2008 to the Named Executive Officers from the Profit Sharing Plan.

Profit Sharing Restoration Plan

Cullen/Frost maintains a separate nonqualified profit sharing plan for certain employees whose participation in the qualified Profit Sharing Plan is limited by IRS rules. Contributions to the Profit Sharing Restoration Plan are made using the same approach as contributions to the Profit Sharing Plan but for eligible compensation dollars earned in excess of the IRS limits. Distributions under this plan are made at the same time and in the same form as under the Profit Sharing Plan. There were no distributions made during 2008 to the Named Executive Officers from the Profit Sharing Restoration Plan.

Retirement Plan

The qualified Retirement Plan for Employees of Cullen/Frost Bankers, Inc. and its Affiliates (as amended and restated), is a defined benefit plan that was frozen on December 31, 2001. This frozen plan provides, subject to IRS limits, a monthly benefit based on a formula driven percentage of an eligible employee's final average compensation, based on the highest three years of compensation in the last ten years of service prior to January 1, 2002, and years of credited service. Participants in this plan are fully vested in their accrued benefits upon attaining age 65 or after five years of service, whichever occurs first.

Retirement Restoration Plan

The nonqualified Restoration of Retirement Income Plan for Participants in the Retirement Plan for Employees of Cullen/Frost Bankers, Inc. and its Affiliates (as amended and restated), which was also frozen on December 31, 2001, exists to provide benefits comparable to the Retirement Plan for those named employees whose participation in the Retirement Plan is limited by IRS rules.

SERP

Cullen/Frost maintains a nonqualified Supplemental Executive Retirement Plan (SERP) to provide target retirement benefits, as a percent of annual cash compensation, defined as base salary earnings plus bonus earnings, beginning at age 55 for Mr. Evans. The target percentage is 45% of annual cash compensation at age 55, increasing to 60% at age 60 and later. Benefits under the SERP are reduced dollar-for-dollar by benefits received under the Retirement Plan, the Retirement Restoration Plan, and any Social Security benefits. SERP benefits will also be reduced by the annuity equivalent of any account balance in the Profit Sharing Plan and the Profit Sharing Restoration Plan at retirement.

401(k) Plan

Cullen/Frost maintains a 401(k) stock purchase plan that permits each participant to make before or after-tax contributions in an amount not less than 2% of eligible compensation, and not exceeding 20% of eligible compensation and subject to dollar limits from IRS rules. Cullen/Frost matches 100% of the employee's contributions to the plan based on the amount of each participant's contributions up to a maximum of 6% of eligible compensation. Eligible employees must complete 90 days of service in order to enroll and vest in Cullen/Frost's matching contributions immediately. Cullen/Frost's matching contribution is initially invested in Cullen/Frost Common Stock. However, employees may immediately reallocate Cullen/Frost's matching portion, as well as invest their individual contribution in a variety of investment alternatives offered under the 401(k) Plan.

Table of Contents**Thrift Incentive Plan**

Cullen/Frost maintains a nonqualified thrift incentive stock purchase plan for certain employees whose participation in the 401(k) Plan is limited by IRS rules as an alternative means of receiving comparable benefits. Cullen/Frost uses a similar approach to contributions to the Thrift Incentive Plan as used in the 401(k) Plan, matching 100% of the employee's contributions to the plan based on the amount of each participant's contributions, up to a maximum of 6% of base salary only. Amounts are distributed to participants at the end of each calendar year.

Nonqualified Deferred Compensation Plan

In order to preserve Cullen/Frost's tax deduction under Section 162(m) of the Internal Revenue Code, the Committee has approved a nonqualified Deferred Compensation Plan for the Chief Executive Officer and the next four highest paid executive officers of Cullen/Frost (the Covered Employees). This plan requires that certain components of the compensation of a Covered Employee that would exceed the deductible amount under Section 162(m) of \$1,000,000 be deferred until the plan year after he or she ceases to be a Covered Employee or until his or her death or disability. Interest is accrued for account balances in this plan at prime rate. Mr. Evans is the only Covered Employee participating in the plan. Payments made to Mr. Evans under the Non-equity Incentive Plan are excluded from the provisions of Section 162(m). Therefore, during 2008, there were no deferrals made on Mr. Evans' behalf. Details regarding Mr. Evans' participation in the plan are set forth in the following table:

2008 Nonqualified Deferred Compensation Table

Name	Executive Contributions in Last Fiscal Year (\$)	Registrant Contributions in Last Fiscal Year (\$)	Aggregate Earnings in Last Fiscal Year (\$)	Aggregate Withdrawals/Distributions (\$)	Aggregate Balance at Last Fiscal Year End (\$)

The earnings shown above are also reported in the Change in Pension Value and Nonqualified Deferred Compensation Earnings column of the Summary Compensation Table.

Potential Payments on Termination

Under the existing change-in-control agreements, each Named Executive Officer could receive severance payments of three times base salary and target bonus plus a prorated bonus payment if his position were terminated by Cullen/Frost within two years following a change-in-control. The severance payment would be made in a lump sum. In addition, the agreements call for a continuation of welfare benefits for three years as discussed previously in the Compensation Discussion and Analysis. Where applicable, any potential payments under the change-in-control agreements would be made in compliance with Section 409(A) of the Internal Revenue Code, which may require certain payments made on separation from service to be deferred for 6 months. The existing agreements also provide for a tax gross-up payment in an amount necessary to make the executive whole for any excise taxes paid as a result of the severance payments and benefits and any accelerated vesting of equity-based awards in connection with a change in control. As shown in the table below, as of December 31, 2008, there would have been no excise tax or related tax gross-up payment made had there been a change in control.

Table of Contents

There are no other severance policies or employment contracts in place for the Named Executive Officers and, generally, vesting of unvested stock options and restricted stock awards will not accelerate upon termination other than in the event of a change-in-control.

For calculation purposes, the change-in-control is assumed to have occurred on December 31, 2008, the last business day of the year. The closing price of the stock on December 31, 2008 of \$50.68 was used to calculate the value of the Unvested Stock Option Spread and the value of the Unvested Restricted Stock.

- (1) The amounts shown above as cash severance represent the base salary and target bonus for each Named Executive Officer as of December 31, 2008, multiplied by three.
- (2) The amounts shown above represent the prorata bonus payment as of December 31, 2008, which would be a full year at the stated target.
- (3) The amounts shown above represent the difference between the grant price and the closing market price on December 31, 2008 of \$50.68 on the unvested shares of stock options granted as of December 31, 2008.
- (4) The amounts shown above represent the value of all unvested restricted shares as of December 31, 2008 using the closing market price on December 31, 2008 of \$50.68.
- (5) The amounts shown above represent the present value of the portion of welfare benefits paid by Cullen/Frost for each of the Named Executive Officers over a three-year period.
- (6) Based on the assumptions described above, none of the payments and benefits that would have been payable to the Named Executive Officers under the change-in-control agreements or other plans would have exceeded the Internal Revenue Code Section 280G safe harbor limit. As a result, the payments and benefits described above would not have been subject to an excise tax under Internal Revenue Code Section 4999. Accordingly, no excise tax gross-up payments would have been payable under the change-in-control agreements.

Since January 1, 2008, transactions between these persons and such subsidiaries have occurred, including borrowings. In addition, the offices of the Hulen Financial Center of Frost Bank in Fort Worth, Texas are leased on a long-term basis from 4200 South Hulen Partners, L.P. a Texas limited partnership, of which Mr. R. Additional transactions may take place in the future.

Policies and Procedures for Review, Approval or Ratification of Related Person Transactions

The Board of Directors has adopted a written related-party transactions policy. Cullen/Frost regularly monitors its business dealings and those of its Directors and executive officers to determine whether any existing or proposed transactions would constitute a related-party transaction requiring approval under this policy. In addition, our Code of Business Conduct and Ethics requires Directors and executive officers to notify Cullen/Frost of any relationships or transactions that may present a conflict of interest, including those involving family members. Our Directors and executive officers are also required to complete a questionnaire on an annual basis designed to elicit information regarding any such related-party transactions.

When Cullen/Frost becomes aware of a proposed or existing transaction with a related party, Cullen/Frost's Corporate Counsel/Corporate Secretary, in consultation with management and external counsel, as appropriate, determines whether the transaction would constitute a related-party transaction requiring approval under this policy. If such a determination is made, management and Cullen/Frost's Corporate Counsel/Corporate Secretary, in consultation with external counsel, determine whether, in their view, the transaction should be permitted, whether it should be modified to avoid any potential conflict of interest, whether it should be terminated, or whether some other action should be taken. Such action is then referred to Cullen/Frost's Corporate Governance and Nominating Committee, at its next meeting (or earlier, if appropriate), for review and final determination as it deems appropriate.

In determining whether to approve a related-party transaction, the Corporate Governance and Nominating Committee will consider, among other factors, the following:

whether the terms of the transaction are fair to Cullen/Frost and on the same basis as would apply if the transaction did not involve a related party;

whether there are business reasons for Cullen/Frost to enter into the transaction;

whether the transaction would impair the independence of an outside Director; and

whether the transaction would present an improper conflict of interest for any related party of Cullen/Frost, taking into account the size of the transaction, the overall financial position of the related party, the direct or indirect nature of the related party's interest in the transaction, and the ongoing nature of any proposed relationship.

Any member of the Corporate Governance and Nominating Committee who has an interest in the transaction under discussion will abstain from voting on the approval of the transaction, but may, if so requested by the Chairperson of the Committee, participate in some or all of the Committee's discussions of the transaction.

APPROVAL OF AMENDMENT TO THE 2005 OMNIBUS INCENTIVE PLAN

(Item 2 On Proxy Card)

In 2005, the shareholders approved the establishment of the Cullen/Frost's 2005 Omnibus Incentive Plan (the "Plan"). The Plan is summarized below. The complete text of the Plan, as amended and restated to date, is attached as Annex A. The purpose of the Plan is to enable the Company and its subsidiaries and affiliates to retain and motivate key employees, and to encourage stock ownership by such key employees, by providing them with a means to acquire and increase their proprietary interest in the success of the Company.

The Board of Directors believes that the Plan is a key element of the Company's executive compensation program intended to align management and shareholder interests, ensure future performance of Cullen/Frost, enhance ownership opportunities, and to increase shareholder value. In

Edgar Filing: CULLEN FROST BANKERS INC - Form DEF 14A

order to ensure that there will be sufficient shares available for grant under the Plan, the Board of Directors has unanimously approved, subject to shareholder approval, an amendment to the Plan (the Amendment). The Amendment is summarized below. The complete text of the Amendment is attached as Annex B.

Table of Contents

The Plan permits grants of incentive stock options (ISOs), nonqualified stock options (NQSOs), stock appreciation rights (SARs), restricted stock, restricted stock units, performance shares, performance units, cash-based awards, other stock-based awards and substitute awards.

In general, the Plan permits certain awards to be considered qualifying performance-based compensation under Section 162(m) of the Internal Revenue Code. Section 162(m) limits the deductibility of remuneration in excess of \$1,000,000 paid by a public corporation to certain covered employees unless it is qualifying performance-based compensation. Under regulations promulgated pursuant to Section 162(m), at least three conditions must be satisfied in order for compensation to qualify as performance-based: (i) the compensation must be payable on account of the attainment of one or more pre-established, objective performance goals, (ii) the material terms of the compensation and the performance goals must be disclosed to and approved by shareholders before payment and (iii) a committee of the Board of Directors that is comprised solely of two or more outside Directors must certify that the performance goals have been satisfied before payment. By approving the Amendment, Cullen/Frost shareholders will be approving, among other things, the performance goals and the material terms of the Plan, as amended. Notwithstanding the adoption of the Plan and its submission to shareholders, the Company reserves the right to pay its employees, including participants in the Plan, other amounts which may or may not be deductible under Section 162(m) or other provisions of the Internal Revenue Code.

Performance goals may vary from participant to participant, group to group and period to period. The performance goals for awards granted under the Plan that are intended to constitute qualified performance-based compensation will be based upon one or more of the following:

net earnings or net income (before or after taxes);

earnings per share;

net sales or revenue growth;

net operating profit;

return measures (including but not limited to return on assets, capital, invested capital, equity, sales or revenue);

cash flow (including but not limited to operating cash flow, free cash flow, cash flow return on equity, and cash flow return on investment);

earnings before or after taxes, interest, depreciation, and/or amortization;

gross or operating margins;

productivity ratios;

share price (including but not limited to growth measures and total shareholder return);

expense targets;

margins;

operating efficiency;

market share;

customer satisfaction;

working capital targets;

Table of Contents

economic value added or EVA[®] (net operating profit after tax minus the sum of capital multiplied by the cost of capital); and

performance against budget.

The Compensation and Benefits Committee will determine whether the performance targets or goals that have been chosen for a particular performance award have been met. The Compensation and Benefits Committee may provide in an award that any evaluation of performance may include or exclude any of the following events that occur during the applicable performance period:

asset write-downs;

litigation, claims, judgments or settlements;

the effect of changes in tax laws, accounting principles or other laws or provisions affecting reporting results;

reorganization and restructuring programs;

extraordinary nonrecurring items as described in Accounting Principles Board Opinion No. 30 and/or in Management's Discussion and Analysis of Financial Condition and Results of Operations appearing in the Company's annual report to shareholders for the applicable year;

acquisitions or divestitures; and

foreign exchange gains and losses.

Awards that are designed to qualify as performance-based compensation may not be adjusted upward. However, the Compensation and Benefits Committee has the discretion to adjust such awards downward. In addition, the Compensation and Benefits Committee has the discretion to make awards that do not qualify as performance-based compensation.

SUMMARY DESCRIPTION OF THE AMENDMENT TO THE 2005 OMNIBUS INCENTIVE PLAN

Increase in Share Authorization

The Plan currently authorizes 4,000,000 shares of the Company's Common Stock for issuance, of which 489,275 shares remain available for grant. Of the shares authorized, no more than 400,000 of such shares may be granted pursuant to full value awards, which are awards settled in shares other than ISOs, NQSOs and SARs, and 171,000 of such shares remain available for grant. In addition, the Plan limits the number of shares that may be granted pursuant to ISOs to 4,000,000 shares, of which 489,275 shares remain available for grant. In order to ensure that there will be sufficient shares for grant under the Plan in future years, the Amendment increases the total number of shares authorized for issuance by 3,310,725 shares, of which 89,000 shares may be granted pursuant to full value awards. Of the 7,310,725 shares authorized under the Plan pursuant to the Amendment, no more than 489,000 shares may be granted pursuant to full value awards, and no more than 7,310,725 shares may be granted pursuant to ISOs.

Other Amendments

Edgar Filing: CULLEN FROST BANKERS INC - Form DEF 14A

The Amendment also clarifies the existing repricing restriction by providing that outstanding stock options or SARs issued under the Plan may not be canceled in exchange for cash, other awards or stock options or SARs with an exercise price that is less than the exercise price of the original stock options or SARs without shareholder approval.

Table of Contents

In addition, the Amendment clarifies the circumstances under which shares of the Company's Common Stock covered by awards that are not actually issued will not again be made available for issuance as awards. In particular, the following shares will not again be made available for issuance as awards under the Plan: (i) shares not issued or delivered as a result of the net settlement of an outstanding stock option or SAR; (ii) shares used to pay the exercise price or withholding taxes related to an outstanding award; or (iii) shares of stock repurchased on the open market with the proceeds of the stock option exercise price.

The Amendment also provides that no dividend equivalents may be granted in conjunction with stock options or SARs. No stock options or SARs with dividend equivalents have previously been granted. Furthermore, the Amendment provides that dividend equivalents may not be paid on Performance Shares and Performance Units until those awards actually vest.

The Plan is summarized below. The summary is subject, in all respects, to the terms of the Plan, which is attached as Annex A to this Proxy Statement.

SUMMARY DESCRIPTION OF THE EXISTING 2005 OMNIBUS INCENTIVE PLAN

Administration of the Plan

The Compensation and Benefits Committee of the Board is responsible for administering the Plan and has the discretionary power to:

interpret the terms and intent of the Plan and any Plan-related documentation;

determine eligibility for awards and the terms and conditions of awards; and

adopt Plan-related rules, regulations, forms, instruments, and guidelines.

Determinations of the Compensation and Benefits Committee made under the Plan are final and binding. The Compensation and Benefits Committee may delegate its administrative duties and powers under the Plan to one or more of its members or to one or more officers, agents or advisors of the Company and its subsidiaries and affiliates. The Committee may also delegate to one or more officers the power to designate other employees (other than executive officers) to be recipients of awards.

Eligibility and Participation

Employees of the Company and its subsidiaries and affiliates who are selected by the Compensation and Benefits Committee will be eligible to participate in the Plan. There are currently approximately 300 eligible employees.

Shares Available for Awards

The maximum number of shares currently authorized under the Plan is 4,000,000 shares of the Company's Common Stock. Of the shares available, no more than 400,000 of such shares may be granted pursuant to full value awards, which are awards settled in shares other than ISOs, NQSOs and SARs.

Shares covered by an award are counted against the shares available under the Plan only to the extent that such shares are issued. However, the full number of SARs granted that are to be settled by the issuance of shares are counted against the shares available under the Plan, regardless of the number of shares actually issued upon the settlement of such SARs. Shares related to awards that are (i) terminated by expiration, forfeiture, cancellation or otherwise without the issuance of such shares, (ii) settled for cash in lieu of shares or (iii) exchanged with the Compensation and Benefits Committee's permission, prior to the issuance of shares, for awards not involving shares, will, in each case, be available again for grant under the Plan.

Table of Contents

Limits on Awards

The Plan imposes annual per-participant award limits, as follows:

The maximum number of shares of Company Common Stock subject to stock options that may be granted to a participant in a calendar year is 400,000 plus the participant's unused limit for stock options as of the end of the prior year.

The maximum number of shares of Company Common Stock subject to SARs that may be granted to a participant in a calendar year is 400,000 plus the participant's unused limit for SARs as of the end of the prior year.

The maximum number of shares of restricted stock or restricted stock units that may be granted to a participant in a calendar year is 150,000 plus the participant's unused limit for restricted stock or restricted stock units as of the end of the prior year.

The maximum number of performance shares or performance units that may be granted to a participant in a calendar year is 150,000 shares or the value of 150,000 shares determined as of the date of vesting or payout, as applicable, plus the participant's unused limit for performance shares or performance units as of the end of the prior year.

The maximum amount of cash-based awards that may be granted to a participant in a calendar year is \$2,000,000 plus the participant's unused limit for cash-based awards as of the end of the prior year.

The maximum number of shares of Company Common Stock subject to other stock-based awards that may be granted to a participant in a calendar year is 150,000 plus the participant's unused limit for other stock-based awards as of the end of the prior year.

The number and kind of shares that may be issued, the number and kind of shares subject to outstanding awards, the option price or grant price applicable to outstanding awards, the annual per-participant award limits, and other value determinations are subject to adjustment by the Compensation and Benefits Committee to reflect stock dividends, stock splits, reverse stock splits, and other corporate events or transactions, other than normal cash dividends.

Types of Awards

Under the Plan, the Compensation and Benefits Committee may grant various types of awards. A description of each of the types of awards is set forth below.

Stock Options

The Plan permits the Compensation and Benefits Committee to grant options to purchase the Company's Common Stock. Stock options can be both ISOs and NQSOs. The exercise price for stock options cannot be less than the fair market value of the Company's Common Stock on the date of grant. Fair market value under the Plan may be determined by reference to market prices on a particular trading day or on an average of trading days. The exercise price may be paid with cash or its equivalent or, subject to the sole discretion of the Compensation and Benefits Committee, with previously acquired shares of Company Common Stock, by means of a broker-assisted exercise or by other means approved by the Compensation and Benefits Committee. The expiration date for stock options cannot be later than the tenth anniversary of the date of grant.

Stock Appreciation Rights

Edgar Filing: CULLEN FROST BANKERS INC - Form DEF 14A

The Compensation and Benefits Committee may grant SARs under the Plan, either alone or in tandem, with stock options. The grant price of a SAR cannot be less than the fair market value of the Company's Common

Stock on the date of grant. The grant price of a SAR granted in tandem with a stock option will be the same as the exercise price of the tandem option. SARs cannot be exercised later than the tenth anniversary of the date of grant.

Freestanding SARs may be exercised on such terms as the Compensation and Benefits Committee determines, and tandem SARs may be exercised by relinquishing the related portion of the tandem option. Upon exercise of a SAR, the holder will receive shares of Company Common Stock that are equal in value to the difference between the fair market value of the Company Common Stock subject to the SAR, determined as described above, and the grant price.

Restricted Stock and Restricted Stock Units

Under the Plan, the Compensation and Benefits Committee may award shares of restricted stock and restricted stock units. Restricted stock awards consist of shares of Company Common Stock that are transferred to the participant subject to restrictions that may result in forfeiture if specified conditions are not satisfied. Restricted stock units are awards that result in a transfer of shares of Company Common Stock, cash or a combination thereof to the participant only after specified conditions are satisfied. A holder of restricted stock is treated as a current shareholder of the Company and is entitled to dividend and voting rights, whereas a holder of restricted stock units is treated as a shareholder only to the extent that shares of Company Common Stock are delivered in the future. The Compensation and Benefits Committee will determine the restrictions and conditions applicable to each award of restricted stock or restricted stock units.

Performance Shares and Performance Units

The Compensation and Benefits Committee may grant performance shares and performance units under the Plan. Performance shares will have an initial value that is based on the fair market value of the Company's Common Stock on the date of grant. Performance units will have an initial value that is determined by the Compensation and Benefits Committee. Generally, performance shares and performance units may be paid in the form of shares of Company Common Stock, cash or a combination thereof, as determined by the Compensation and Benefits Committee.

Performance shares and performance units will be earned only if performance goals are met over performance periods established by or under the direction of the Compensation and Benefits Committee. The performance goals may vary from participant to participant, group to group and period to period.

Cash-Based Awards

The Plan permits the Compensation and Benefits Committee to grant cash-based awards. The terms and conditions of the awards, including whether vesting is dependent upon the achievement of specific performance goals, will be determined by the Compensation and Benefits Committee. Payment under any cash-based award will be made in Company Common Stock or cash, as determined by the Compensation and Benefits Committee.

Other Stock-Based Awards

Under the Plan, the Compensation and Benefits Committee may grant equity-based or equity-related awards, referred to as other stock-based awards, other than stock options, SARs, restricted stock, restricted stock units or performance shares. The terms and conditions of each other stock-based award will be determined by the Compensation and Benefits Committee. Payment under any other stock-based awards will be made in Company Common Stock or cash, as determined by the Compensation and Benefits Committee.

Table of Contents

Substitute Awards

If the Company or a subsidiary acquires or combines with another company, the Compensation and Benefits Committee may grant substitute awards in assumption of, or in substitution or exchange for, awards previously granted, or the right or obligation to make future awards. The terms and conditions of each substitute award will be determined by the Compensation and Benefits Committee. Payment under any substitute award will be made in Company Common Stock or cash, as determined by the Compensation and Benefits Committee.

Transferability and Other Terms of Awards

The Plan provides that neither ISOs nor, except as the Compensation and Benefits Committee otherwise expressly determines, other awards may be transferred other than by will or by the laws of descent and distribution. During a participant's lifetime, an ISO and, except as the Compensation and Benefits Committee may determine, other nontransferable awards requiring exercise, may be exercised only by the recipient.

If provided in an award agreement, a participant's rights to an award may be subject to the participant agreeing not to compete with the Company or its subsidiaries or affiliates, and not to solicit the business or employees of the Company or its subsidiaries or affiliates. In addition, participants may be subject to nondisclosure and nondisparagement requirements. A breach of these restrictions may result in cancellation of awards or the recovery by the Company of gain realized under awards.

To comply with applicable law in other countries in which the Company and its subsidiaries and affiliates operate or may operate or have employees, the Compensation and Benefits Committee may modify the terms of awards made to such participants or establish a subplan for such participants.

Amendment of Awards or Plan

The Compensation and Benefits Committee may at any time alter, amend, modify, suspend, or terminate an outstanding award or the Plan in whole or in part. No amendment of an outstanding award may adversely affect the rights of a participant under the award without his or her consent, unless specifically provided for in the Plan. No amendment of the Plan will be made without shareholder approval if shareholder approval is required by applicable law.

Termination of Employment

The Compensation and Benefits Committee will determine how each award will be treated following termination of the participant's employment with or service for the Company, including the extent to which unvested portions of the award will be forfeited and the extent to which options, SARs, or other awards requiring exercise will remain exercisable.

Change of Control of the Company

If there is a change of control of the Company, then, at the time of such change of control, all awards whose exercisability is based on satisfaction of a service obligation will vest and become fully exercisable, and any other equity awards will be treated as determined by the Compensation and Benefits Committee in connection with the grant of such awards.

Furthermore, unless a replacement award is provided to a participant to replace an award upon a change of control, the Compensation and Benefits Committee may determine that any or all outstanding awards granted under the Plan, whether or not then-exercisable, will be cancelled and terminated, and that the participant holding such canceled or terminated award will receive a cash payment (or shares, other securities or a combination of

Table of Contents

cash, shares and other securities equivalent to such cash payment) equal to the difference, if any, between the consideration received by shareholders of the Company in respect of a share of Company Common Stock in connection with such transaction and the purchase price per share, if any, under the award multiplied by the number of shares of Company Common Stock subject to the award. However, if such product is zero or less or to the extent that the award is not then exercisable, the award will be canceled and terminated without any payment. Alternatively, the Compensation and Benefits Committee may provide that the period to exercise stock options or SARs granted under the Plan will be extended, but not beyond the expiration date of such stock options or SARs.

An award qualifies as a replacement award if it meets all the following conditions:

it has a value at least equal to the value of the replaced award as determined by the Compensation and Benefits Committee in its sole discretion;

it relates to publicly traded equity securities of the Company or its successor following the change of control or another entity that is affiliated with the Company or its successor following the change of control; and

its other terms and conditions are not less favorable to the participant than the terms and conditions of the replaced award.

A replacement award may take the form of a continuation of the replaced award if the requirements listed above are met. The Compensation and Benefits Committee, as constituted immediately before the change of control, in its sole discretion, will determine whether the requirements for a replacement award are satisfied.

Under the Plan, a change of control may be triggered if:

a person becomes the beneficial owner of 20% or more of the Company's then-outstanding securities eligible to vote for the election of the Board of Directors;

a merger, consolidation or sale of the Company or one of its subsidiaries that requires approval of the Company's shareholders is consummated, unless, immediately following such transaction, (1) the Company's shareholders own more than 60% of the surviving corporation's securities eligible to elect the Directors of the surviving corporation, (2) no person beneficially owns 20% or more of the surviving corporation's securities eligible to elect the Directors of the surviving corporation and (3) at least 50% of the Directors of the surviving corporation were members of the Board of Directors of the Company prior to the transaction;

during any period of two consecutive years, individuals who at the beginning of such period constitute the Board of Directors and any new Director (other than a Director designated by a person who has entered into an agreement with the Company to effect a transaction described in the above two paragraphs of this section) whose election by the Board of Directors or nomination for election by the Company's shareholders was approved by a vote of at least two-thirds of the Directors then still in office who either were Directors at the beginning of the period or whose election or nomination for election was previously so approved, cease for any reason to constitute a majority thereof; or

a liquidation, dissolution or sale of all or substantially all of the Company's assets is approved.

Certain Federal Income Tax Consequences

Edgar Filing: CULLEN FROST BANKERS INC - Form DEF 14A

Set forth below is a summary of certain federal income tax consequences of the issuance and receipt of stock options under the Plan under the law as in effect on the date of this Proxy Statement. The summary does not purport to cover all federal employment tax or other federal tax consequences that may be associated with the Plan, nor does it cover state, local, or non-U.S. taxes.

Table of Contents

Incentive Stock Options

A participant will not be subject to tax upon the grant of an ISO or upon the exercise of an ISO. However, the excess of the fair market value of the shares of Company Common Stock on the date of exercise over the exercise price paid will be included in a participant's alternative minimum taxable income. Whether a participant is subject to the alternative minimum tax will depend on the participant's particular circumstances. The participant's basis in the shares received will be equal to the exercise price paid, and the participant's holding period in the shares will begin on the day following the date of exercise.

If a participant disposes of the shares of Company Common Stock on or after the later of (1) the second anniversary of the grant date of the ISO and (2) the first anniversary of the exercise date of the ISO (the statutory holding period), the participant will recognize capital gain or loss in an amount equal to the difference between the amount realized on such disposition and the participant's basis in the shares. If a participant disposes of the shares before the end of the statutory holding period, the participant will have engaged in a disqualifying disposition. As a result, the participant will be subject to tax:

on the excess of the fair market value of the shares on the exercise date (or the amount realized on the disqualifying disposition, if less) over the exercise price paid, as ordinary income; and

on the excess, if any, of the amount realized on the disqualifying disposition over the fair market value of the shares on the exercise date, as capital gain.

If the amount a participant realizes from a disqualifying disposition is less than the exercise price paid (*i.e.*, the participant's basis) and the loss sustained upon such disposition would otherwise be recognized, a participant will not recognize any ordinary income from such disqualifying disposition and instead the participant will recognize a capital loss. In the event of a disqualifying disposition, the Company or one of its subsidiaries can generally deduct the amount recognized as ordinary income by the participant.

The current position of the Internal Revenue Service is that income tax withholding and FICA and FUTA taxes (employment taxes) do not apply upon the exercise of an ISO or upon any subsequent disposition, including a disqualifying disposition, of shares acquired pursuant to the exercise of the ISO.

Nonqualified Stock Options

A participant will not be subject to tax upon the grant of an NQSO. Upon exercise of an NQSO, an amount equal to the excess of the fair market value of the shares of Company Common Stock acquired on the exercise date over the exercise price paid is taxable to the participant as ordinary income, and such amount is generally deductible by the Company or one of its subsidiaries. This amount of income will be subject to income tax withholding and employment taxes. The participant's basis in the shares of Company Common Stock received will equal the fair market value of the shares on the exercise date, and the participant's holding period in such shares will begin.

Stock Appreciation Rights

A participant will not be subject to tax upon the grant of a SAR. Upon exercise of a SAR, an amount equal to the cash or the fair market value (measured on the date of exercise) of the shares of Company Common Stock received will be taxable to the participant as ordinary income, and such amount generally will be deductible by the Company or one of its subsidiaries. This amount of income will be subject to income tax withholding and employment taxes.

Restricted Stock and Performance Shares

A participant will not be subject to tax upon receipt of an award of restricted stock or performance shares subject to forfeiture conditions and transfer restrictions (the restrictions) under the Plan unless the participant

Table of Contents

makes the election referred to below. Upon lapse of the restrictions, the participant will recognize ordinary income equal to the fair market value of the shares of Company Common Stock on the date of lapse, and such income will be subject to income tax withholding and employment taxes. The participant's basis in the shares of Company Common Stock received will be equal to the fair market value of the shares of Company Common Stock on the date the restrictions lapse, and the participant's holding period in such shares of Company Common Stock begins on the day after the restrictions lapse. If any dividends are paid on such shares of Company Common Stock prior to the lapse of the restrictions they will be includible in the participant's income during the restricted period as additional compensation (and not as dividend income) and will be subject to income tax withholding and employment taxes.

If permitted by the applicable award agreement and the Plan, a participant may elect, within thirty days after the date of the grant of the restricted stock, to recognize immediately (as ordinary income) the fair market value of the shares of Company Common Stock awarded, determined on the date of grant (without regard to the restrictions). Such income will be subject to income tax withholding and employment taxes at such time. This election is made pursuant to Section 83(b) of the Code and the regulations thereunder. If the participant make this election, the participant's holding period will begin the day after the date of grant, dividends paid on the shares of Company Common Stock will be subject to the normal rules regarding distributions on stock, and no additional income will be recognized by the participant upon the lapse of the restrictions. However, if the participant forfeits the restricted Shares before the restrictions lapse, no deduction or capital loss will be available to the participant (even though the participant previously recognized income with respect to such forfeited Shares).

In the taxable year in which the participant recognizes ordinary income on account of shares of Company Common Stock awarded, the Company or one of its subsidiaries generally will be entitled to a deduction equal to the amount of income recognized by the participant. In the event that the restricted shares of Company Common Stock are forfeited by the participant after having made the Section 83(b) election referred to above, the Company or one of its subsidiaries generally will include in its income the amount of its original deduction.

Restricted Stock Units and Performance Units

A participant will not be subject to tax upon the grant of a restricted stock unit or performance unit. Upon vesting of the restricted stock unit or performance unit, the fair market value of the shares of Company Common Stock covered by the award on the vesting date will be subject to employment taxes. Upon distribution of the cash or shares of Company Common Stock underlying the restricted stock units or performance units, the participant will recognize as ordinary income an amount equal to the fair market value (measured on the distribution date) of the shares of Company Common Stock received, and such amount will generally be deductible by the Company or one of its subsidiaries. This amount of income will generally be subject to income tax withholding on the date of distribution. The participant's basis in any shares of Company Common Stock received will be equal to the fair market value of the shares of Company Common Stock on the date of distribution, and the participant's holding period in such shares of Company Common Stock will begin on the day following the date of distribution. If any dividend equivalent amounts are paid to a participant, they will be includible in the participant's income as additional compensation (and not as dividend income) and will be subject to income and employment tax withholding.

Other Federal Income Tax Consequences

In general, under Section 162(m) of the Internal Revenue Code, remuneration paid by a public corporation to its chief executive officer or any of its other top four named executive officers, ranked by pay, is not deductible to the extent it exceeds \$1,000,000 for any year. Taxable payments or benefits under the Plan may be subject to this deduction limit. However, under Section 162(m), qualifying performance-based compensation, including income from stock options and other performance-based awards that are made under shareholder approved plans and that meet certain other requirements, is exempt from the deduction limitation. The Plan has

Table of Contents

been designed so that the Compensation and Benefits Committee in its discretion may grant qualifying exempt performance-based awards under the Plan.

Under the so-called "golden parachute" provisions of the Internal Revenue Code, the accelerated vesting of stock options and benefits paid under other awards in connection with a change of control of a corporation may be required to be valued and taken into account in determining whether participants have received compensatory payments, contingent on the change of control, in excess of certain limits. If these limits are exceeded, a portion of the amounts payable to the participant may be subject to an additional 20% federal tax and may be nondeductible to the corporation.

If any award granted under the Plan is considered deferred compensation under Section 409A of the Internal Revenue Code, then certain requirements must be met to have the deferral be effective for federal tax purposes. These requirements include:

time periods for making the election to defer;

limitations on distributions; and

a prohibition on accelerating the time or schedule of any payment of deferred amounts except in circumstances permitted by the United States Department of the Treasury.

If the requirements set forth above are not met, a participant will immediately be taxed on such purportedly deferred amounts, a penalty of 20% of such amounts deferred after December 31, 2004 will be imposed, and penalty interest will accrue at the underpayment rate plus one percent.

New Plan Benefits

The benefits or amounts under the amended Plan that will be received by or allocated to the Company's CEO, other named executive officers and employees who are not executive officers are discretionary and, accordingly, are not presently determinable. If the Amendment had been in effect in 2008, the benefits or amounts received by or allocated to such persons would have been identical to the benefits or amounts actually received by or allocated to such persons under the Plan, as set forth in the table below.

The Board of Directors recommends that the shareholders of Cullen/Frost ratify the selection of Ernst & Young LLP, certified public accountants, as independent auditors of Cullen/Frost. Ernst & Young LLP have audited the financial statements of Cullen/Frost since 1969.

Neither Cullen/Frost 's Articles of Incorporation nor its Bylaws require that the Shareholders ratify the selection of Ernst & Young LLP as its independent auditors. Cullen/Frost is doing so because it believes it is a matter of good corporate practice. Should the shareholders not ratify the selection, the Audit Committee will reconsider its determination to retain Ernst & Young LLP, but may elect to continue to retain Ernst & Young LLP. Even if the selection is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that the change would be in the best interests of Cullen/Frost and its shareholders.

The following table provides information on fees paid by Cullen/Frost to Ernst & Young LLP.

The purpose of the Audit Committee is to assist the Board of Directors in its oversight of (i) the integrity of Cullen/Frost's financial statements, (ii) Cullen/Frost's compliance with legal and regulatory requirements, (iii) the independent auditors' qualifications and independence, and (iv) the performance of the independent auditors and Cullen/Frost's internal audit function. Based upon the reviews and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in its charter, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Cullen/Frost's Annual Report on Form 10-K for the year ended December 31, 2008 to be filed with the Securities and Exchange Commission.

CULLEN/FROST BANKERS, INC.
2005 OMNIBUS INCENTIVE PLAN

Article 1 Establishment, Purpose, and Duration

- .0 Establishment.** Cullen/Frost Bankers, Inc. (hereinafter referred to as the **Company**), establishes an incentive compensation plan to be known as the 2005 Omnibus Incentive Plan (hereinafter referred to as the **Plan**), as set forth in this document.

Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Options issued pursuant to this Article 6, and may reflect distinctions based on the reasons for termination.
- .8 Notification of Disqualifying Disposition.** If any Participant shall make any disposition of Shares acquired pursuant to the exercise of an ISO under the circumstances described in Code Section 421(b) (relating to certain disqualifying dispositions), such Participant shall notify the Company of such disposition within ten (10) days thereof.

Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with Participants, need not be uniform among all SARs issued pursuant to this Plan, and may reflect distinctions based on the reasons for termination.

- .8 Other Restrictions.** The Committee shall impose such other conditions and/or restrictions on any Shares received upon exercise of a SAR granted pursuant to this Plan as it may deem advisable or desirable. Restricted Stock Units shall be similar to Restricted Stock except that no Shares are actually awarded to the Participant on the date of grant.

- .2 Restricted Stock or Restricted Stock Unit Agreement.** Each Restricted Stock and/or Restricted Stock Unit grant shall be evidenced by an Award Agreement that shall specify the Period(s) of Restriction, the number of Shares of Restricted Stock or the number of Restricted Stock Units granted, and such other provisions as the Committee shall determine.

- .3 Other Restrictions.** The Committee shall impose such other conditions and/or restrictions on any Shares of Restricted Stock or Restricted Stock Units granted pursuant to this Plan as it may deem advisable including, without limitation, a requirement that Participants pay a stipulated purchase price for each Share of Restricted Stock or each Restricted Stock Unit, restrictions based upon the achievement of specific performance goals, time-based restrictions on vesting following the attainment of the performance goals, time-based restrictions, and/or restrictions under applicable laws or under the

requirements of any stock exchange or market upon which such Shares are listed or traded, or holding requirements or sale restrictions placed on the Shares by the Company upon vesting of such Restricted Stock or Restricted Stock Units.

To the extent deemed appropriate by the Committee, the Company may retain the certificates representing Shares of Restricted Stock in the Company's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied or lapse.

Except as otherwise provided in this Article 8, Shares of Restricted Stock covered by each Restricted Stock Award shall become freely transferable by the Participant after all conditions and restrictions applicable to such Shares have been satisfied or lapse (including satisfaction of any applicable tax withholding obligations), and Restricted Stock Units shall be paid in cash, Shares, or a combination of cash and Shares as the Committee, in its sole discretion shall determine.

- .4 Certificate Legend.** In addition to any legends placed on certificates pursuant to Section 8.3, each certificate representing Shares of Restricted Stock granted pursuant to this Plan may bear a legend such as the following or as otherwise determined by the Committee in its sole discretion:

The sale or transfer of Shares of stock represented by this certificate, whether voluntary, involuntary, or by operation of law, is subject to certain restrictions on transfer as set forth in the Cullen/Frost Bankers, Inc. 2005 Omnibus Incentive Plan, and in the associated Award Agreement. A copy of this Plan and such Award Agreement may be obtained from Cullen/Frost Bankers, Inc.

- .5 Voting Rights.** Unless otherwise determined by the Committee and set forth in a Participant's Award Agreement, to the extent permitted or required by law, as determined by the Committee, Participants holding Shares of Restricted Stock granted hereunder may be granted the right to exercise full voting rights with respect to those Shares during the Period of Restriction. A Participant shall have no voting rights with respect to any Restricted Stock Units granted hereunder.

- .6 Termination of Employment.** Each Award Agreement shall set forth the extent to which the Participant shall have the right to retain Restricted Stock and/or Restricted Stock Units following termination of the Participant's employment with or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Shares of Restricted Stock or Restricted Stock Units issued pursuant to this Plan, and may reflect distinctions based on the reasons for termination.

- .7 Section 83(b) Election.** The Committee may provide in an Award Agreement that the Award of Restricted Stock is conditioned upon the Participant making or refraining from making an election with respect to the Award under Code Section 83(b). If a Participant makes an election pursuant to Code Section 83(b) concerning a Restricted Stock Award, the Participant shall be required to file promptly a copy of such election with the Company.

- .3 **Earning of Performance Units/Performance Shares.** Subject to the terms of this Plan, after the applicable Performance Period has ended, the holder of Performance Units/Performance Shares shall be entitled to receive payout on the value and number of Performance Units/Performance Shares earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance goals have been achieved.

- .4 **Form and Timing of Payment of Performance Units/Performance Shares.** Payment of earned Performance Units/Performance Shares shall be as determined by the Committee and as evidenced in the Award Agreement. Subject to the terms of this Plan, the Committee, in its sole discretion, may pay earned Performance Units/Performance Shares in the form of cash or in Shares (or in a combination thereof) equal to the value of the earned Performance Units/Performance Shares at the close of the applicable Performance Period, or as soon as practicable after the end of the Performance Period. Any Shares may be granted subject to any restrictions deemed appropriate by the Committee. The determination of the Committee with respect to the form of payout of such Awards shall be set forth in the Award Agreement pertaining to the grant of the Award.

- .5 **Termination of Employment.** Each Award Agreement shall set forth the extent to which the Participant shall have the right to retain Performance Units and/or Performance Shares following termination of the Participant's employment with or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Article 10 Cash-Based Awards and Other Stock-Based Awards

- .1 **Grant of Cash-Based Awards.** Subject to the terms and provisions of this Plan, the Committee, at any time and from time to time, may grant Cash-Based Awards to Participants in such amounts and upon such terms, including the achievement of specific performance goals, as the Committee may determine.

- .2 **Other Stock-Based Awards.** The Committee may grant other types of equity-based or equity-related Awards not otherwise described by the terms of this Plan (including the grant or offer for sale of unrestricted Shares) in such amounts and subject to such terms and conditions, as the Committee shall determine. Such Awards may involve the transfer of actual Shares to Participants, or payment in cash or otherwise of amounts based on the value of Shares and may include, without limitation, Awards designed to comply with or take advantage of the applicable local laws of jurisdictions other than the United States.

- .3 **Value of Cash-Based and Other Stock-Based Awards.** Each Cash-Based Award shall specify a payment amount or payment range as determined by the Committee. Each Other Stock-Based Award shall be expressed in terms of Shares or units based on Shares, as determined by the Committee. The Committee may establish performance goals in its discretion. If the Committee exercises its discretion to establish performance goals, the number and/or value of Cash-Based Awards or Other Stock-Based Awards that will be paid out to the Participant will depend on the extent to which the performance goals are met.

- .4 **Payment of Cash-Based Awards and Other Stock-Based Awards.** Payment, if any, with respect to a Cash-Based Award or an Other Stock-Based Award shall be made in accordance with the terms of the Award, in cash or Shares as the Committee determines.

Such provisions shall be determined in the sole discretion of the Committee, such provisions may be included in an Award Agreement entered into with each Participant, but need not be uniform among all Awards of Cash-Based Awards or Other Stock-Based Awards issued pursuant to this Plan, and may reflect distinctions based on the reasons for termination.

Article 11 Transferability of Awards

- .1 Transferability.** Except as provided in Section 11.2 below, during a Participant's lifetime, his or her Awards shall be exercisable only by the Participant. Awards shall not be transferable other than by will or the laws of descent and distribution; Awards shall not be subject, in whole or in part, to attachment, execution, or levy of any kind; and any purported transfer in violation hereof shall be null and void. The Committee may establish such procedures as it deems appropriate for a Participant to designate a beneficiary to whom any amounts payable or Shares deliverable in the event of, or following, the Participant's death, may be provided.
- .2 Committee Action.** The Committee may, in its discretion, upon written request from a Participant, determine that notwithstanding Section 11.1, any or all of the Participant's Awards (other than ISOs) shall be transferable to and exercisable by a transferee, and subject to such terms and conditions, as the Committee may deem appropriate; provided, however, that only the Participant to which the Award had been granted, a family member (as defined below in Section 11.4 below) of such Participant, or a charity may be a transferee of such Award. Such a request and determination may be made at the time an Award is granted or at any time thereafter.
- .3 Domestic Relations Orders.** Without limiting the generality of Section 11.1, and notwithstanding Section 11.2, no domestic relations order purporting to authorize a transfer of an Award shall be recognized as valid.
- .4 Family Member.** For purposes of Section 11.2, family member shall mean a Participant's child, stepchild, grandchild, parent, stepparent, grandparent, spouse, former spouse, sibling, niece, nephew, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, including adoptive relationships, any person sharing the Participant's household (other than a tenant of the Participant), a trust in which these persons (or the Participant) have more than fifty percent (50%) of the beneficial interest, a foundation in which these persons (or the Participant) control the management of assets, and any other entity in which these persons (or the Participant) own more than fifty percent (50%) of the voting interests.

- .3 **Adjustment of Performance-Based Compensation.** Awards that are intended to qualify as Performance-Based Compensation may not be adjusted upward. The Committee shall retain the discretion to adjust such Awards downward, either on a formula or discretionary basis or any combination, as the Committee determines.

- .4 **Committee Discretion.** In the event that applicable tax and/or securities laws change to permit Committee discretion to alter the governing Performance Measures without obtaining stockholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining stockholder approval. In addition, in the event that the Committee determines that it is advisable to grant Awards that shall not qualify as Performance-Based Compensation, the Committee may make such grants without satisfying the requirements of Code Section 162(m) and base vesting on Performance Measures other than those set forth in Section 12.1.

Article 13 Dividend Equivalents

Any Participant selected by the Committee may be granted dividend equivalents based on the dividends declared on Shares that are subject to any Award, to be credited as of dividend payment dates, during the period between the date the Award is granted and the date the Award is exercised, vests or expires, as determined by the Committee. Such dividend equivalents may, in the sole discretion of the Committee, accrue interest or be converted to cash or additional Shares by such formula and at such time and subject to such limitations as may be determined by the Committee.

Article 14 Benefits Upon Death

Awards remaining unpaid or rights remaining unexercised at the Participant's death shall be paid to the Participant's estate and may be exercised by the Participant's executor, administrator, or authorized legal representative.

Article 15 Rights of Participants

- .1 Employment.** Nothing in this Plan or an Award Agreement shall interfere with or limit in any way the right of the Company, its Affiliates, and/or its Subsidiaries, to terminate any Participant's employment at any time or for any reason not prohibited by law, nor confer upon any Participant any right to continue his employment for any specified period of time.

Neither an Award nor any benefits arising under this Plan shall constitute an employment contract with the Company, its Affiliates, and/or its Subsidiaries and, accordingly, subject to Articles 3 and 17, this Plan and the benefits hereunder may be terminated at any time in the sole and exclusive discretion of the Committee without giving rise to any liability on the part of the Company, its Affiliates, and/or its Subsidiaries.

- .2 Participation.** No individual shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.
- .3 Rights as a Shareholder.** Except as otherwise provided herein, a Participant shall have none of the rights of a stockholder with respect to Shares covered by any Award until the Participant becomes the record holder of such Shares.

Article 16 Change of Control

- .1 Change of Control.** If at any time there shall occur a Change of Control, then the time at which all then-outstanding Stock Options and Stock Appreciation Rights may be exercised shall be accelerated and the Stock Options and Stock Appreciation Rights shall immediately become fully vested and exercisable at the time of such Change of Control, and all other then-outstanding Awards whose exercisability depends merely on the satisfaction of a service obligation by a Participant to the Company, any Subsidiary or an Affiliate thereof shall vest in full and be free of restrictions related to the vesting of such Awards at the time of such Change of Control. The treatment of any other Awards shall be as determined by the Committee in connection with the grant thereof, as reflected in the applicable Award Agreement.

Except to the extent that another Award meeting the requirements of Section 16.2 (a Replacement Award) is provided to the Participant to replace such Award (the Replaced Award), the Committee may, in its sole discretion, (i) determine that any or all outstanding Awards granted under the Plan, whether or not exercisable, will be canceled and terminated and that in connection with such cancellation and termination the holder of such Award may receive for each Share subject to such

Awards a cash payment (or the delivery of shares of stock, other securities or a combination of cash, stock and securities equivalent to such cash payment) equal to the difference, if any, between the consideration received by shareholders of the Company in respect of a Share in connection with such transaction and the purchase price per share, if any, under the Award multiplied by the number of Shares subject to such Award; provided that if such product is zero or less or to the extent that the Award is not then exercisable, the Awards will be canceled and terminated without payment therefor; or (ii) provide that the period to exercise Stock Options or Stock Appreciation Rights shall be extended (but not beyond the expiration of such Stock Option or Stock Appreciation Right).

- .2 Replacement Awards.** An Award shall meet the conditions of this Section 16.2 (and hence qualify as a Replacement Award) if: (i) it has a value at least equal to the value of the Replaced Award as determined by the Committee in its sole discretion; (ii) it relates to publicly traded equity securities of the Company or its successor in the Change of Control or another entity that is affiliated with the Company or its successor following the Change of Control; and (iii) its other terms and conditions are not less favorable to the Participant than the terms and conditions of the Replaced Award (including the provisions that would apply in the event of a subsequent Change of Control). Without limiting the generality of the foregoing, the Replacement Award may take the form of a continuation of the Award if the requirements of the preceding sentence are satisfied. The determination of whether the conditions of this Section 16.2 are satisfied shall be made by the Committee, as constituted immediately before the Change of Control, in its sole discretion.

Article 17 Amendment, Modification, Suspension, and Termination

- .1 Amendment, Modification, Suspension, and Termination.** Subject to Section 17.3, the Committee may, at any time and from time to time, alter, amend, modify, suspend, or terminate this Plan and any Award Agreement in whole or in part; provided, however, that, without the prior approval of the Company's stockholders and except as provided in Section 4.4, Options or SARs issued under this Plan will not be repriced, replaced, or regranted through cancellation, or by lowering the Option Price of a previously granted Option or the Grant Price of a previously granted SAR, and no material amendment of this Plan shall be made without stockholder approval if stockholder approval is required by law, regulation, or stock exchange rule, including, but not limited to, the Securities Exchange Act of 1934, as amended, the Internal Revenue Code of 1986, as amended, and, if applicable, the New York Stock Exchange Listed Company Manual issuer rules.
- .2 Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events.** The Committee shall make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including, without limitation, the events described in Section 4.4 hereof) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent unintended dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan.
- .3 Awards Previously Granted.** Notwithstanding any other provision of this Plan to the contrary (other than Section 17.4), no termination, amendment, suspension, or modification of this Plan or an Award Agreement shall adversely affect in any material way any Award previously granted under this Plan, without the written consent of the Participant holding such Award.
- .4 Amendment to Conform to Law.** Notwithstanding any other provision of this Plan to the contrary, the Board of Directors may amend the Plan or an Award Agreement, to take effect retroactively or otherwise, as deemed necessary or advisable for the purpose of conforming the Plan or an Award Agreement to any present or future law relating to plans of this or similar nature (including, but not limited to, Code Section 409A), and to the administrative regulations and rulings promulgated thereunder.

Article 18 Withholding

- .1 Tax Withholding.** The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, the minimum statutory amount to satisfy federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of this Plan.

- .2 Share Withholding.** With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock and Restricted Stock Units, or upon the achievement of performance goals related to Performance Shares, or any other taxable event arising as a result of an Award granted hereunder, Participants may elect to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares having a Fair Market Value on the date the tax is to be determined equal to the minimum statutory total tax that could be imposed on the transaction. All such elections shall be irrevocable, made in writing, and signed by the Participant, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

Article 19 Successors

All obligations of the Company under this Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

Article 20 General Provisions

.1 Forfeiture Events.

- (a) The Committee may specify in an Award Agreement that the Participant's rights, payments, and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but shall not be limited to, termination of employment for cause, termination of the Participant's provision of services to the Company, Affiliate, and/or Subsidiary, violation of material Company, Affiliate, and/or Subsidiary policies, breach of noncompetition, confidentiality, or other restrictive covenants that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company, its Affiliates, and/or its Subsidiaries.

- (b) If the Company is required to prepare an accounting restatement due to the material noncompliance of the Company, as a result of misconduct, with any financial reporting requirement under the securities laws, and if the Participant knowingly or grossly negligently engaged in the misconduct, or knowingly or grossly negligently failed to prevent the misconduct, or if the Participant is one of the individuals subject to automatic forfeiture under Section 304 of the Sarbanes-Oxley Act of 2002, the Participant shall reimburse the Company the amount of any payment in settlement of an Award earned or accrued during the twelve- (12-) month period following the first public issuance or filing with the United States Securities and Exchange Commission (whichever just occurred) of the financial document embodying such financial reporting requirement.

- .2 Legend.** The certificates for Shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer of such Shares.

- .5 Requirements of Law.** The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.
- .6 Delivery of Title.** The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:
- (a) Obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
 - (b) Completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.
- .7 Inability to Obtain Authority.** The inability or failure of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.
- .8 Investment Representations.** The Committee may require any individual receiving Shares pursuant to an Award under this Plan to represent and warrant in writing that the individual is acquiring the Shares for investment and without any present intention to sell or distribute such Shares.
- .9 Employees Based Outside of the United States.** Notwithstanding any provision of this Plan to the contrary, in order to comply with the laws in other countries in which the Company, its Affiliates, and/or its Subsidiaries operate or have Employees, the Committee, in its sole discretion, shall have the power and authority to:
- (a) Determine which Affiliates and Subsidiaries shall be covered by this Plan;
 - (b) Determine which Employees outside the United States are eligible to participate in this Plan;
 - (c) Modify the terms and conditions of any Award granted to Employees outside the United States to comply with applicable foreign laws;

- (e) Take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals.

Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate applicable law.

- .10 Uncertificated Shares.** To the extent that this Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.
- .11 Unfunded Plan.** Participants shall have no right, title, or interest whatsoever in or to any investments that the Company, and/or its Subsidiaries, and/or its Affiliates may make to aid it in meeting its

obligations under this Plan. Nothing contained in this Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative, or any other individual. To the extent that any person acquires a right to receive payments from the Company, its Subsidiaries, and/or its Affiliates under this Plan, such right shall be no greater than the right of an unsecured general creditor of the Company, a Subsidiary, or an Affiliate, as the case may be. All payments to be made hereunder shall be paid from the general funds of the Company, a Subsidiary, or an Affiliate, as the case may be and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in this Plan.

- .12 No Fractional Shares.** No fractional Shares shall be issued or delivered pursuant to this Plan or any Award. The Committee shall determine whether cash, Awards, or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.
- .13 Retirement and Welfare Plans.** Neither Awards made under this Plan nor Shares or cash paid pursuant to such Awards may be included as compensation for purposes of computing the benefits payable to any Participant under the Company's or any Subsidiary's or Affiliate's retirement plans (both qualified and non-qualified), welfare benefit plans or employment contracts or arrangements unless such other plan or contract or arrangement expressly provides that such compensation shall be taken into account in computing a Participant's benefit.
- .14 No Deferred Compensation.** No deferral of compensation (as defined under Code Section 409A or guidance thereto) is intended under this Plan. However, the Committee may permit deferrals of compensation pursuant to the terms of an individual's Award, a separate plan or a subplan which meets the requirements of Code Section 409A and the regulations thereunder. Additionally, to the extent any Award is subject to Code Section 409A, notwithstanding any provision herein to the contrary, the Plan does not permit the acceleration of the time or schedule of any distribution related to such Award, except as permitted by Code Section 409A, the regulations thereunder, and/or the Secretary of the United States Treasury.
- .15 Nonexclusivity of this Plan.** The adoption of this Plan shall not be construed as creating any limitations on the power of the Board or Committee to adopt such other compensation arrangements as it may deem desirable for any Participant.
- .16 No Constraint on Corporate Action.** Nothing in this Plan shall be construed to: (i) limit, impair, or otherwise affect the Company's or a Subsidiary's or an Affiliate's right or power to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets or engage in any other type of transaction; or, (ii) limit the right or power of the Company or a Subsidiary or an Affiliate to take any action which such entity deems to be necessary or appropriate.
- .17 No Golden Parachute Payments.** Notwithstanding any other provision in this Plan to the contrary, the Company shall not be required to make any payment under this Plan or an Award Agreement that would be a golden parachute payment within the meaning of Section 18(k) of the Federal Deposit Insurance Act that is prohibited by applicable law.
- .18 Governing Law.** The Plan and each Award Agreement shall be governed by the laws of the State of Texas, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan to the substantive law of another jurisdiction. Unless otherwise provided in the Award Agreement, recipients of an Award under this Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts of Texas, to resolve any and all issues that may arise out of or relate to this Plan or any related Award Agreement.

- .19 Indemnification.** Subject to requirements of Texas law, each individual who is or shall have been a member of the Board, or a Committee appointed by the Board, or an employee of the Company to whom authority was delegated in accordance with Article 3, (each, an Indemnified Person) shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him in connection with or resulting from any claim, action, suit, or proceeding to which he may be a party or in which he or she may be involved by reason of any action taken or failure to act under this Plan and against and from any and all amounts paid by him in settlement thereof, with the Company's approval, or paid by him in satisfaction of any judgement in any such action, suit, or proceeding against him, provided he shall give the Company an opportunity, at its own expense, to handle and defend the same before he undertakes to handle and defend it on his own behalf. The foregoing right of indemnification shall not be available to an Indemnified Person to the extent that a court of competent jurisdiction in a final judgment or other final adjudication, in either case, not subject to further appeal, determines that the acts or omissions of such Indemnified Person giving rise to the indemnification claim resulted from such Indemnified Person's bad faith, fraud or willful criminal act or omission.

The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such individuals may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.
