AUDIT COMMISSION OF OPEN JOINT STOCK COMPANY VIMPEL-COMMUNICATIONS

BY-LAWS

I. PURPOSE

In accordance with applicable Russian law, it is a requirement that Open Joint Stock Company Vimpel-Communications (the Company) maintain an Audit Commission. The Audit Commission fulfills an important, independent and objective oversight role in the Company and is designed to ensure that the Company remains accountable to its shareholders. The Company deems this especially important as the Company's common stock (in the form of American Depositary Receipts) is listed on the New York Stock Exchange.

The primary function of the Audit Commission, as set forth in the Company's Charter, is to assist the Company in fulfilling certain oversight responsibilities. As set forth in these by-laws, the Audit Commission will fulfill this function by reviewing (a) the financial and economic reports and information provided by the Company to any governmental body or the public; (b) the Company's systems of internal controls regarding finance, accounting, computerized information systems and security, legal compliance and ethics that the Board of Directors of the Company (the Board) and the Company's other bodies have established; and (c) the Company's auditing, accounting and financial reporting processes generally. Consistent with this function, the Audit Commission should encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Audit Commission's review and evaluation shall extend to the Company's consolidated subsidiaries and joint venture entities to the extent not prohibited by law. To fulfill the functions within the Audit Commission's competence, as set forth in the Company's Charter, the Audit Commission's primary duties and responsibilities are to:

serve as an independent and objective party to monitor the Company's financial and economic reporting process and internal control system, including minimizing the Company's exposure to fraud;

review both potential and previously executed interested party transactions as defined under Russian legislation and provide the Board or general meeting of shareholders with its recommendations regarding the approval of such transactions and whether they were executed in accordance with the normal course of business;

review and appraise the audit efforts of the Company's external auditors and the Company's Internal Audit Department and provide an open avenue of communication among the Company's external auditors, the Company's Internal Audit Department and the Board. The Audit Commission will primarily fulfill these responsibilities by carrying out the activities enumerated in Section IV of these by-laws. The Audit Commission should seek to learn the roles and responsibilities of the General Director, the Chief Executive Officer, the Board, the Internal Audit Department and the Company's external auditors so that it can ask appropriate probing questions and adequately monitor the Company's processes.

II. COMPOSITION

The Audit Commission shall be comprised of three individuals (unless a different number of members is decided by the general meeting of shareholders of the Company), who shall be nominated and elected in accordance with Russian law and the Company's Charter. No member of the Audit Commission may be an officer of the Company. In accordance with Article 85 of the Russian Federation Law on Joint Stock Companies (the JSC Law) and Section 12.2 of the Company's Charter, members of the Audit Commission may not simultaneously be members of the Board or hold other offices in the management of the Company.
