Forward-Looking Statements

This presentation contains statements that relate to the projected performance of Zions Bancorporation and elements of or affecting such performance, including statements with respect to the beliefs, plans, objectives, goals, guidelines, expectations, anticipations and estimates of management. These statements constitute forward-looking information within the meaning of the Private Securities Litigation Reform Act. Actual facts, determinations, results or achievements may differ materially from the statements provided in this presentation since such statements involve significant known and unknown risks and uncertainties.

Factors that might cause such differences include, but are not limited to: the level of participation in the tender offer or exchange offer discussed in this presentation; the purchase price actually paid by Zions Bancorporation in its modified Dutch auction tender offer for outstanding preferred stock; competitive pressures among financial institutions; economic, market and business conditions,
