Item 8.01 Other Events.

As previously reported in our Quarterly Report on Form 10-Q for the quarter ended March 31, 2009, Kforce Inc. (the Firm) granted an aggregate of 591,340 shares of PARS to certain executive officers on January 2, 2009. Pursuant to the Firm's standard vesting terms for PARS, the awards contain a graded six-year vesting period but vesting would be accelerated if Kforce's closing stock price exceeds \$11.43 (which is 50% greater than the grant date stock price) for a period of ten trading days.

As of August 27, 2009, the closing stock price was \$12.16, which represents a year-to-date increase of 58.3%. We believe our stock to be one of the top performing stocks in the professional staffing industry during 2009. On August 27, 2009, Kforce's closing stock price exceeded \$11.43 for the tenth trading day, which resulted in the acceleration of the vesting of the 591,340 shares. The Firm will be required to recognize all remaining unamortized compensation expense associated with these shares in our third quarter ending September 30, 2009. The incremental compensation expense to be recognized (a non-cash charge) in the third quarter of approximately \$3.6 million on a pre-tax basis will be reflected in the Firm's selling, general and administrative expenses.
