Item 7.01 Regulation FD Disclosure

Members of Humana Inc.'s senior management team are scheduled to meet with investors at various times between August 31, 2009 and September 15, 2009. During such meetings, Humana's management expects to reaffirm its non-GAAP^(a) earnings per share guidance of \$6.10 to \$6.20^(b) for the year ending December 31, 2009. This guidance is consistent with that issued in Humana's press release dated August 3, 2009, and subsequently reiterated in investor presentations posted to the Investor Relations section of its web site (www.humana.com) at the time of such presentations. The date and time of each presentation to be made during the period discussed in this filing will be available via the Investor Relations section of Humana's web site.

- (a) Non-GAAP refers to earnings projections not in accordance with Generally Accepted Accounting Principles (GAAP).
- (b) Excludes the potential impact upon the company's future operating results of issues associated with the previously announced change in the company's military services contract. This would primarily include such issues as impairment of military services goodwill, potential military services exit costs, possible military services asset sales, and a strategic assessment of ancillary military services businesses. The company cannot yet, using reasonable efforts, determine an estimate of such issues, and thus cannot reconcile to a GAAP estimate.
