INFORMATION NOT REQUIRED IN A PROSPECTUS

Item 6. Indemnification of Directors and Officers

See Certain Relationships and Related Party Transactions Limitation of Liability and Indemnification of Directors and Officers.

Item 7. Recent Sales of Unregistered Securities

Corporate Reorganization. On August 28, 2007, Intel, IFF and the other then shareholders of the registrant's predecessor, signed an agreement with Apax Partners to effect the Corporate Reorganization. In connection with the Corporate Reorganization, we issued 42,606,653 voting common shares with a value of \$40.1 million, 84,883,191 cumulative preferred shares with a value of \$80.0 million, 127,489,844 non-voting common shares with a value of \$120.1 million, 42,606,653 voting preferred shares with a nominal value and demand promissory notes with an aggregate value of \$648.8 million to Intel and IFF. The total consideration of \$889.0 million was provided in exchange for Intel's and IFF's aggregate 6,307,481 common shares (99.3% equity interest) in the registrant's predecessor. The then minority shareholders of the registrant's predecessor exchanged their 42,481 common shares (0.7% equity interest) for a demand promissory note from the registrant with a value of \$6.0 million.

In connection with the Corporate Reorganization, Apax Partners contributed cash of \$239.3 million to School 3 ULC (an entity jointly owned by Intel and Apax Partners) which amount was contributed to the registrant. Intel transferred its 127,489,844 non-voting common shares to School 3 ULC. The registrant also issued 84,876,495 voting preferred shares with a nominal value to funds advised by Apax Partners. As a result of the Corporate Reorganization, David A. Martin and Nancy L. Knowlton reduced their direct and indirect equity interest in the registrant to 25.05%, Intel reduced its ownership interest to 25.05% and Apax Partners acquired an interest of 49.9%.

Participant Equity Loan Plan. On August 28, 2009, the registrant issued and sold an aggregate of 10,412,500 common shares under the Participant Equity Loan Plan to employees at a price of C\$1.06 per share (or \$0.99 per share when issued) for an aggregate purchase price of \$10,308,460. On February 16, 2010, the registrant issued and sold an aggregate of 544,691 common shares under the 2009 Participant Equity Loan Plan to employees at a price of C\$3.53 per share (or \$3.35 per share when issued) for an aggregate purchase price of \$1,826,852.

None of the foregoing transactions involved any underwriters, underwriting discounts or commissions. The registrant believes that the issuance and sale of securities in the Corporate Reorganization described above were not required to be registered under the U.S. Securities Act by virtue of Section 4(2) under the U.S. Securities Act, and that the issuance and sale of securities in the Participant Equity Loan Plan were not required to be registered by virtue of Rule 701 or Regulation S under the U.S. Securities Act.

Item 8. Exhibits and Financial Statement Schedules

(a) Exhibits

The exhibits listed on the attached Exhibit Index are filed as part of this Registration Statement.

(b) Financial Statement Schedules

All schedules have been omitted because the information required to be set forth therein is not applicable or has been included in the consolidated financial statements and notes thereto.

Item 9. Undertakings

The undersigned registrant hereby undertakes to provide to the underwriters at the closing specified in the underwriting agreement, certificates in such denominations and registered in such names as required by the underwriters to permit prompt delivery to each purchaser.

Insofar as indemnification for liabilities arising under the U.S. Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the U.S. Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the U.S. Securities Act of 1933 and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the U.S. Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the U.S. Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the U.S. Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
