DISCLOSURE REGARDING FORWARD-LOOKING STATEMENTS

Certain statements contained in this prospectus, any prospectus supplement and the documents incorporated by reference herein or therein are forward-looking statements and are based on future expectations, plans and prospects for our business and operations that involve a number of risks and uncertainties. Such statements involve estimates, projections, goals, forecasts, assumptions and uncertainties that could cause actual results or outcomes to differ materially from those contemplated, expressed, projected, anticipated or implied in the forward-looking statements. Those statements appear at various places throughout this prospectus, any prospectus supplement and the documents incorporated by reference herein or therein, including in the sections containing the words believe, expect, anticipate, intend, plan, will, predict, potential, could, strategy, aspire, target, forecast, project, estimate, should, could, may and similar expressions or words and variations thereof relating to our views on future events, trends and contingencies. Investors are cautioned not to place undue reliance on these forward-looking statements. The forward-looking statements and other information speak only as of the date on the front cover of the applicable document, and we undertake no obligation (nor do we intend) to publicly supplement, update or revise such statements on a going-forward basis, whether as a result of subsequent developments, changed expectations or otherwise. In connection with the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, we are identifying examples of factors, risks and uncertainties that could cause actual results to differ, perhaps materially, from those indicated by these forward-looking statements. Those factors, risks and uncertainties include, but are not limited to:

the current world-wide credit market disruptions and economic slowdown, which is affecting and could continue to affect the volume of debt and other securities issued in domestic and/or global capital markets;

other matters that could affect the volume of debt and other securities issued in domestic and/or global capital markets, including credit quality concerns, changes in interest rates and other volatility in the financial markets;

the uncertain effectiveness and possible collateral consequences of U.S. and foreign government initiatives to respond to the economic slowdown;

concerns in the marketplace affecting our credibility or otherwise affecting market perceptions of the integrity or utility of independent agency ratings;

the introduction of competing products or technologies by other companies;

pricing pressure from competitors and/or customers;

Table of Contents

the impact of regulation as a nationally recognized statistical rating organization, or an NRSRO, and the potential for new U.S., state and local legislation and regulations, including provisions in the recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act and anticipated regulations resulting from that law;

the potential for increased competition and regulation in foreign jurisdictions;

exposure to litigation related to our rating opinions, as well as any other litigation to which we may be subject from time to time;

provisions in the Dodd-Frank legislation modifying pleading and liability standards applicable to credit rating agencies in a manner adverse to rating agencies;

the possible loss of key employees;

failures or malfunctions of our operations and infrastructure;

the outcome of any review by controlling tax authorities of our global tax planning initiatives;

the outcome of those Legacy Tax Matters (as defined in the documents incorporated by reference herein) and legal contingencies that relate to us, our predecessors and affiliated companies for which we have assumed portions of the financial responsibility;

our ability to successfully integrate acquired businesses; and

a decline in the demand for credit risk management tools by financial institutions.

The foregoing factors, risks and uncertainties as well as other risks and uncertainties that could cause Moody's actual results to differ materially from those contemplated, expressed, projected, anticipated or implied in the forward-looking statements are described in greater detail under

Risk Factors in Part I, Item 1A of our Annual Report on Form 10-K for the fiscal year ended December 31, 2009 and in our Quarterly Reports on Form 10-Q for the quarterly periods ended March 31, 2010 and June 30, 2010, in any accompanying prospectus supplement and in other filings made by the Company from time to time with the SEC or in materials incorporated herein or therein. Investors are cautioned that the occurrence of any of these factors, risks and uncertainties may cause our actual results to differ materially from those contemplated, expressed, projected, anticipated or implied in the forward-looking statements, which could have a material and adverse effect on our business, results of operations and financial condition. New factors may emerge from time to time, and it is not possible for us to predict new factors, nor can we assess the potential effect of any new factors on us.

MOODY S CORPORATION

Moody's is a provider of (i) credit ratings, (ii) credit and economic related research, data and analytical tools, (iii) risk management software and (iv) quantitative credit risk measures, credit portfolio management solutions and training services. In 2007 and prior years, Moody's operated in two reportable segments: Moody's Investors Service, or MIS, and Moody's KMV. Beginning in January 2008, Moody's segments were changed to reflect the business reorganization announced in August 2007 and Moody's now reports in two new reportable segments: MIS and Moody's Analytics, or MA. As a result of this reorganization, the rating agency remains in the MIS operating segment and several ratings business lines have been realigned. All of Moody's other non-rating commercial activities are included within the new MA segment.

MIS, the credit rating agency, publishes credit ratings on a wide range of debt obligations and the entities that issue such obligations in markets worldwide, including various corporate and governmental obligations, structured finance securities and commercial paper programs. Revenue is derived from the originators and issuers of such transactions who use MIS ratings to support the distribution of their debt issues to investors. MIS provides ratings in more than 110 countries. Ratings are disseminated via press releases to the public through a variety of print and electronic media, including the Internet and real-time information systems widely used by securities traders and investors. As of December 31, 2009, MIS had ratings relationships with approximately 12,000 corporate issuers and approximately 25,000 public finance issuers. Additionally, the Company has rated and currently monitors ratings on approximately 106,000 structured finance obligations (representing approximately 16,000 transactions).

The MA segment develops a wide range of products and services that support the credit risk management activities of institutional participants in global financial markets. Within its Research, Data and Analytics business, MA distributes investor-oriented research and data developed by MIS as part of its ratings process, including in-depth research on major debt issuers, industry studies, commentary on topical credit related events and also provides economic research and credit data and analytical tools such as quantitative credit risk scores. Within its Risk Management Software business, MA provides both economic and regulatory capital risk management software and implementation services. Within its professional services business it provides quantitative credit risk measures, credit portfolio management solutions and training services. As of December 31, 2009, MA customers represented more than 4,800 institutions worldwide operating in approximately 115 countries. Throughout 2009, Moody's research website was accessed by 174,000 individuals and by users representing 29,000 client relationships.

We operated as part of the former Dun and Bradstreet Company, or Old D&B, until September 30, 2000, when Old D&B separated into two publicly traded companies—Moody's Corporation and the New D&B Corporation, or New D&B (the 2000 Distribution). At that time, Old D&B distributed to its shareholders shares of New D&B stock. New D&B comprised the business of Old D&B's Dun & Bradstreet operating company. The remaining business of Old D&B consisted solely of the business of providing ratings and related research and credit risk management services and was renamed Moody's Corporation. For purposes of governing certain ongoing relationships between us and New D&B after the 2000 Distribution and to provide for an orderly transition, we and New D&B entered into various agreements including a distribution agreement, tax allocation agreement and employee benefits agreement.

Our principal executive offices are located at 7 World Trade Center at 250 Greenwich Street, New York, New York 10007, and our telephone number is (212) 553-0300. Our internet address is www.moodys.com. Information on our website does not constitute part of this prospectus and should not be relied upon in connection with making any investment decision with respect to the securities offered by this prospectus.

RISK FACTORS

An investment in our debt securities involves significant risks. Before purchasing any debt securities, you should carefully consider and evaluate all of the information included and incorporated by reference or deemed to be incorporated by reference in this prospectus or the applicable prospectus supplement, including the risk factors incorporated by reference herein from our Annual Report on Form 10-K for the fiscal year ended December 31, 2009 and our Quarterly Reports on Form 10-Q for the periods ended March 31, 2010 and June 30, 2010, as updated by annual, quarterly and other reports and documents we file with the SEC after the date of this prospectus and that are incorporated by reference herein or in the applicable prospectus supplement. Our business, results of operations or financial condition could be adversely affected by any of these risks or by additional risks and uncertainties not currently known to us or that we currently consider immaterial.

capital expenditures;

acquisitions of or investments in businesses or assets;

Table of Contents**RATIO OF EARNINGS TO FIXED CHARGES**

The following table sets forth our consolidated ratio of earnings to fixed charges for the periods indicated.

	Six months ended June 30,	Years Ended December 31,				
	2010	2009	2008	2007	2006	2005
Ratio of earnings to fixed charges (1)	10.2	10.2	8.6	14.2	52.6	34.2

- (1) For the purpose of calculating the ratio of earnings to fixed charges, earnings represent income before income taxes and non-controlling interests plus fixed charges and amortization of capitalized interest expense, less capitalized interest. Fixed charges are the sum of interest on borrowings and one-third of rental expense, which represents our estimate of the interest component of rental expense. Additionally, fixed charges include interest expense (income), net related to unrecognized tax benefits. As of the date of this prospectus, we had no preferred stock outstanding.

Item 15. Indemnification of Directors and Officers

Section 145 of the General Corporation Law of the State of Delaware empowers a Delaware corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided that such officer, director, employee or agent acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests, and, for criminal proceedings, had no reasonable cause to believe his conduct was unlawful. A Delaware corporation may indemnify officers and directors in an action by or in the right of the corporation under the same conditions, except that no indemnification is permitted without judicial approval if the officer or director is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him against the expenses which such officer or director actually and reasonably incurred.

The registrant's certificate of incorporation provides that the registrant shall indemnify directors and officers made party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, including appeals, to the fullest extent permitted by the laws of the State of Delaware. Such indemnification shall continue after an individual ceases to be an officer or director and shall inure to the benefit of the heirs, executors and administrators of such person. The registrant's certificate of incorporation also provides that a director of the registrant shall not be personally liable to the registrant or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the General Corporation Law of the State of Delaware as the same exists or may hereafter be amended.

The indemnification rights conferred by the certificate of incorporation of the registrant are not exclusive of any other right to which a person seeking indemnification may otherwise be entitled. The registrant will also provide liability insurance for the directors and officers for certain losses arising from claims or charges made against them while acting in their capacities as directors or officers.

These representations and warranties were made solely for the benefit of the other parties to the applicable agreement and (i) were not intended to be treated as categorical statements of fact, but rather as a way of allocating the risk to one of the parties if those statements prove to be inaccurate; (ii) may have been qualified in such agreement by disclosures that were made to the other party in connection with the negotiation of the applicable agreement; (iii) may apply contract standards of materiality that are different from materiality under the applicable securities laws; and (iv) were made only as of the date of the applicable agreement or such other date or dates as may be specified in the agreement.

Moody's Corporation acknowledges that, notwithstanding the inclusion of the foregoing cautionary statements, it is responsible for considering whether additional specific disclosures of material information regarding material contractual provisions are required to make the statements in this registration statement not misleading.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of this registration statement as of the date the filed prospectus was deemed part of and included in this registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in this registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; *provided, however*, that no statement made in a registration statement or prospectus that is part of this registration statement or made in a document incorporated or deemed incorporated by reference into this registration statement or prospectus that is part of this registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in this registration statement or prospectus that was part of this registration statement or made in any such document immediately prior to such effective date.

(5) (a) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Trust Indenture Act.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question as to whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
