Enclosed are a Notice of the Annual Meeting, a Proxy Card, and a Proxy Statement containing information about the matters to be acted upon at the meeting. Directors and officers of the Company as well as a representative of Witt Mares, PLC, our independent auditor, will be present at the annual meeting to respond to any shareholder questions.

IT IS IMPORTANT THAT YOUR SHARES BE REPRESENTED AT THE MEETING. Accordingly, we urge you to sign and date the enclosed Proxy Card and promptly return it to us in the enclosed, self-addressed, postage-paid envelope, even if you are planning to attend the meeting. If you attend the meeting, you may vote in person, even if you have previously returned a Proxy Card. IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE STOCKHOLDER MEETING TO BE HELD ON DECEMBER 14, 2010.

PROXY STATEMENT

This Proxy Statement and the enclosed Proxy Card (proxy) are furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Waterside Capital Corporation (the Company) to be voted at the Annual Meeting of Shareholders (the Annual Meeting) to be held at the offices of Williams Mullen located at 222 Central Park Avenue, Suite 1700, Virginia Beach, Virginia 23462 at 11:00 a.m. Eastern Time on December 14, 2010, and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Meeting.

Only shareholders of record at the close of business on October 27, 2010 (the Record Date) are entitled to notice of and to vote at the Annual Meeting. This Proxy Statement and proxy are being mailed to registered holders of the Common Stock of the Company on or about November 9, 2010.

Revocability of Proxy

Any shareholder who gives a proxy may still vote in person, if he or she so desires, and may revoke the proxy at any time prior to the voting of such proxy by contacting the Secretary of the Company, Julie H. Stroh, in writing, or by filing a duly executed proxy bearing a later date. If your proxy is properly signed, received by the Company and not revoked by you, the shares to which it relates will be voted at the Annual Meeting in accordance with your instructions, if any.

Person Making the Solicitation

The Company is making this solicitation. The cost of soliciting proxies will be borne by the Company. The Company has retained Registrar and Transfer Company to assist in the solicitation of proxies from brokers and nominees and in the counting of proxies. The Company will pay Registrar and Transfer Company approximately \$500 plus out-of-pocket expenses for this assistance. In addition to solicitation by mail, the Company will request banks, brokers, and other custodians, nominees and fiduciaries to send proxy material to the beneficial owners and to secure their voting instructions, if necessary. The Company, upon request, will reimburse them for their expenses in so doing. Officers and other employees of the Company may solicit proxies personally, by telephone, by facsimile or other means of electronic transmission from some shareholders if proxies are not received promptly, for which no additional compensation will be paid.

Voting Shares And Vote Required

On the Record Date, the Company had 1,915,548 shares of common stock outstanding, each share having one vote on each matter presented at the Annual Meeting. Only holders of the Company's Common Stock of record at the close of business on October 27, 2010, will be entitled to vote. A majority of the shares entitled to vote, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Directors are elected by a plurality of votes cast by shareholders at the Annual Meeting. A majority of votes cast is required to ratify the appointment of our independent auditor. Abstentions, broker non-votes, and withheld votes will be counted for purposes of determining whether a quorum exists for the transaction of business at the Annual Meeting, but such votes will not be considered votes cast for any proposal at the Annual Meeting and therefore will have no effect on the election of Directors or ratification of the appointment of the Company's independent auditor.

All shareholder meeting proxies, ballots, and tabulations that identify individual shareholders are kept confidential, and will not be available for examination, nor will the identity or the vote of any shareholder be disclosed except as may be necessary to meet legal requirements. Votes will be counted and certified by Registrar and Transfer Company.

Unless specified otherwise, your proxy will be voted as follows:

1. **FOR** the election of the 7 nominees to serve as Directors of the Company for a one-year term and until their respective successors are duly elected and qualified; and
2. **FOR** the ratification of the appointment of Witt Mares, PLC as the Company's independent auditor for the fiscal year ending June 30, 2011.

The Company is not aware of any matters that are to come before the Annual Meeting other than those described in this Proxy Statement. However, if other matters do properly come before the Annual Meeting, it is the intention of the persons named in the enclosed proxy to vote such proxy in accordance with their best judgment.

PROPOSAL 1. ELECTION OF DIRECTORS

The Company's Board of Directors is currently comprised of 7 members. Directors serve for a term of one year and hold office until their successors are duly elected and qualified. The Board of Directors recommends that the 7 nominees listed below be elected to the Board of Directors. Proxies received will be voted for the election of these 7 nominees unless marked to the contrary. A shareholder who desires to withhold voting of the proxy for the nominees may so indicate on the proxy. Each of the nominees has consented to be named as a nominee and has indicated his intent to serve if elected. If any nominee becomes unable to serve, the proxies will be voted for a substitute nominee to be designated by the Board of Directors, or the number of directors will be reduced.

There are no family relationships among any of the nominees, or among any of the nominees and any officer. There is no understanding between any nominee and any other person pursuant to which the nominee was selected. Franklin P. Meetings and Committees of the Board of Directors

Board Structure and Risk Management

The Chairman of the Board and CEO of the Company are separate positions. The Chairman of the Board was elected by the Board of Directors. The Board of Directors is made up of seven (7) directors all of which are independent except for Mr. Earley, who is President and CEO of the Company. The Company's risk management is overseen by the Board with significant input from management. Material risks are identified and prioritized by management, and each prioritized risk is referred to the full Board for oversight. The Board regularly reviews information regarding the Company's debt, liquidity, and operations, as well as the risks associated with each, and periodically reviews the Company's risk management program as a whole.

Meetings/Annual Meeting Attendance

The business of the Company is managed under the direction of the Board of Directors. The Executive Committee of the Board of Directors has been delegated the power, with certain exceptions, to act in place of the full Board during all periods between regular meetings of the Board. The Board of Directors held nine (9) meetings during fiscal year 2010. All members of the Board of Directors except Mr. Earley are independent directors. Each member of the Board of Directors attended an aggregate of at least 75% of the Board Meetings and meetings of committees on which he or she sits during fiscal year 2010, other than Messrs. Fox and Montero. The Board of Directors held twelve (12) meetings during fiscal year 2009. All members of the Board of Directors except Mr. Earley are independent directors. Each member of the Board of Directors attended an aggregate of at least 75% of the Board Meetings and meetings of committees on which he or she sat during fiscal year 2009, other than Mr. Chisman. The Board of Directors does not have a policy regarding attendance at annual shareholders' meetings; however Directors are encouraged to attend such meetings. During the Company's last annual meeting of shareholders held on November 18, 2008, six Board members were in attendance.

Committees

The Board of Directors has established an Executive Committee, an Audit Committee, and a Compensation Committee. The Company's Articles of Incorporation provide for the appointment by the Board of Directors of an Executive Committee comprised of not less than five nor more than nine members, all of whom must be members of the Board of Directors. The Executive Committee was constituted by the Board of Directors in December 1993 and, under Virginia law, may exercise all the authority of the Board of Directors except that it may not (i) approve or recommend to shareholders action that Virginia law requires to be approved by shareholders, (ii) fill vacancies on the Board of Directors or any committee, (iii) amend the Articles of Incorporation, (iv) adopt, amend, or repeal the Bylaws, (v) approve a plan of merger, (vi) authorize or approve a distribution, except according to a general formula or method prescribed by the Board of Directors, or (vii) authorize or approve the issuance or sale or contract for sale of shares, or determine the designation of the relative rights, preferences and limitations of a class or series of shares within limits specifically prescribed by the Board of Directors. The Executive Committee meets on call to review significant developments affecting the Company and to act on matters requiring approval. It also holds special meetings when an important matter requires action between scheduled meetings.

The Executive Committee held no meetings during fiscal year 2010 and 2009. The members of the Executive Committee are Messrs. Chisman, Earley, Fox, and Meredith. One seat on the Executive Committee is currently vacant. Due to the fact that the Company is winding down its activities under the SBA Settlement Agreement, the Board does not intend to fill the vacant seat. The Audit Committee held two meetings during fiscal year 2010 and three meetings during fiscal year 2009. Its members are Messrs. Andrews, Chisman, Fox and Meredith. See Audit Committee Report below.

The Compensation Committee makes recommendations to the Board of Directors as to, among other things, the compensation of the Chief Executive Officer, each officer who is also a director of the Company and designated other members of senior management, as well as new compensation and stock plans. The Compensation Committee held no meetings during fiscal year 2010 and fiscal year 2009. The members of the Compensation Committee are Messrs. Chisman and Meredith. See Compensation Committee Report below.

Director Nominations

The Board of Directors of the Company does not maintain a nominating committee; rather the entire Board is responsible for selecting nominees for election as Directors. The Company believes that the Board is able to fully consider and select qualified nominees for election to the Board without delegating that responsibility to a committee of independent Directors or adopting formal procedures. A majority of the

independent Directors then serving on the Board must approve any nominee to be recommended by the Board to the Company's shareholders. Mr. Earley, who is an interested person of the Company, participates in discussions regarding nominees but does not have a vote.

The Board does not currently have a committee charter or written policy with regard to the nomination process. Candidates have traditionally been recommended to the Board by its members, and there is not a formal process for identifying or evaluating new director nominees. Any recommendations for potential Director nominees received from shareholders will be evaluated in the same manner that potential nominees recommended by Board members, management or other parties are evaluated. Nominations should be addressed to: Julie H. Stroh, Secretary, Waterside Capital Corporation, 3092 Brickhouse Court, Virginia Beach, Virginia 23452.

Qualifications for consideration as a Director nominee may vary according to the particular areas of expertise being sought as a complement to the existing Board composition. However, in making its nominations, the Board of Directors considers, among other things, an individual's business experience, community involvement, industry experience, financial background, breadth of knowledge about issues affecting the Company, time available for meetings and consultation regarding Company matters, and other particular skills and experience possessed by the individual.

Audit Committee Report

The Audit Committee of the Board of Directors is composed of four directors, each of whom is an independent director as that term is defined under Nasdaq Stock Market listing standards. To be an independent director under this definition, a director may not be an officer or an employee of the Company or have any other relationship with the Company that interferes with the exercise of independent judgment. Because we are an investment company registered under the Investment Company Act, any director who is an interested person of the Company within the meaning of § 2(a)(19) of the Investment Company Act will not be deemed independent under Nasdaq rules. The Company has designated Messrs. Andrews, Chisman, Fox and Meredith as its audit committee financial experts.

As discussed above, the Audit Committee held two meetings during fiscal year 2010. Responsibilities of the Audit Committee are set forth in its written Charter, which is reviewed and amended periodically by the Company's Board of Directors, as appropriate and which is available on the Company's website at <http://www.watersidecapital.com/auditcharter.html>. Among other things, the Audit Committee:

serves as an independent and objective monitor of the Company's financial reporting process and internal control systems;

appraises the efforts and effectiveness of the Company's independent auditors, including their independence and professionalism;

provides an efficient means for communication among the Board of Directors, the independent auditors, and the Company's financial and senior management;

monitors and reviews issues involving potential conflicts of interests and reviews and approves all related party transactions.

recommends to the Board of Directors the engagement of, and the fees to be paid to, the Company's independent auditor; and

supervises the Company's compliance with applicable legal and regulatory requirements.

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility of the financial statements and the reporting process, including the system of internal controls. In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. In addition, the Audit Committee has received the written disclosures and the letter from the independent accountant required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with the independent accountant the independent accountant's independence. The Audit Committee discussed with the Company's independent auditor the overall scope and specific plans for their respective audits.

The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The meetings also are designed to facilitate any private communications with the Audit Committee desired by the independent auditors. In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements of the Company be included in the Annual Report to Shareholders for the fiscal year ended June 30, 2010. The Audit Committee and the Board have also appointed, subject to shareholder ratification, the selection of the Company's independent auditor, Witt Mares, PLC.

Description of All Other Compensation

The category All Other Compensation includes the following items:

401(k) match

dental insurance premiums

health insurance premiums

basic life insurance premiums

Edgar Filing: WATERSIDE CAPITAL CORP - Form DEF 14A

long term disability insurance premiums

No Named Executive Officer received director fees by virtue of their service on any boards of directors of entities in which the Company invests.

The Company does not have a stock option plan.

401(k) Plan

In July of 1998, the Company adopted a profit sharing and thrift plan qualified under Section 401(k) of the Internal Revenue Code (the "401(k) Plan"). All employees of the Company may elect to participate and contribute a portion of their annual salary in the 401(k) Plan, up to the statutory cap on contributions. The Company may make matching contributions and the amount of such contributions, if any, will be determined by the Company each year. The Company made 100% matching contributions of the first 6% of each participating employee's contributions to the 401(k) Plan during the fiscal year ended June 30, 2010.

New Management Compensation Arrangements

Beginning July 1, 2010 the Board of Directors instituted a new compensation structure for Mr. Earley and Ms. Stroh. The terms of their compensation were determined based on the following considerations. First, the Board believes that it is in the best interests of the Company to maintain its current management during the wind down process. Further, each of Mr. Earley and Ms. Stroh has seen their responsibilities and work load increase as the Company has reduced staff to minimize expenses. To incentivize the continuation of current management the Board has therefore attempted to provide Mr. Earley and Ms. Stroh with competitive market rate compensation. However, the Company's ability to pay executive compensation is severely constrained by the SBA limitations on expenses, including compensation, which are capped at a lower amount while the Company is in the wind up process than during normal operations. The cap will be further reduced as the Company's assets are reduced. On a month to month basis the capped amount is not sufficient to pay a market rate salary to Mr. Earley and Ms. Stroh once other expenses are satisfied.

In light of the limitations described above, the Board of Directors has determined that it will compensate Mr. Earley and Ms. Stroh as follows. As the cap on expenses will not allow for a market rate salary, the Company will pay each of Mr. Earley and Ms. Stroh an annual salary of \$100,000 to the extent that funds are available at that rate under the cap. However, they will each be entitled to a salary of \$150,000, with the difference between the amount actually paid and the \$150,000 salary accruing as an obligation of the Company. The accrued compensation will only be paid out when there are sufficient funds available under the SBA expense cap or after the SBA is paid in full. This arrangement will be reviewed by the Board every six months to determine whether it remains in line with the interests of the Company's shareholders.

In addition to the salary compensation described above, the Board will incentivize the continuation of its current management by providing them with a participation in the proceeds of the wind down process, to the extent it is successful. This participation has been set as an incentive pool equal to 20% of the Company's collections over the amount of principal and interest necessary to pay off the SBA and operating expenses. Distribution of the money in the incentive pool between Mr. Earley and Ms. Stroh will be at the discretion of the Board. It is contemplated that payout of the incentive would be at the time of final distribution to shareholders; however a portion could be paid prior to that date with the Board's approval.

Directors Compensation

The Directors and members of the committees of the Board of Directors received \$100 per meeting attended. Directors who are also employees of the Company received no compensation from the Company in their capacity as Directors. The Company reimburses all of its Directors for travel and out of pocket expenses in connection with their attendance at meetings of the Board of Directors and committees of the Board. The following table contains information concerning the compensation paid to the Company's Directors for attendance of Board and committee meetings during the fiscal year ended June 30, 2010 and June 30, 2009:

Compensation Committee Report Concerning Compensation of Certain Executive Officers

This report describes the Company's executive officer compensation strategy, the components of the compensation program, and the manner in which the 2010 compensation determinations were made for the Company's Chief Executive Officer, Franklin P. Earley, and the Company's other executive officers (collectively, the Executive Officers).

In addition to the information set forth above under Executive Compensation, the Compensation Committee is required to provide shareholders a report explaining the rationale and considerations that led to the fundamental executive compensation decisions affecting the Company's Executive Officers. In fulfillment of this requirement, the Compensation Committee, at the direction of the Company's Board of Directors, has prepared the following report for inclusion in this Proxy Statement. None of the members of the Compensation Committee is an executive officer or employee of the Company.

Compensation Philosophy

The compensation of the Company's Executive Officers is designed to attract, retain, motivate and reward qualified, dedicated executives, and to directly link compensation with (i) the Executive Officer's previous and anticipated performance, (ii) the contributions and responsibilities of the Executive Officer to the Company and (iii) the Company's profitability. None of these three factors is given more relative consideration than any other. The principal components of an Executive Officer's compensation package during fiscal year 2010 were (i) a base salary at a stated annual rate, together with certain other benefits as may be provided from time to time and (ii) discretionary cash bonuses. See Bonus Program below. Prior to May 1, 2007, the Company also awarded stock options; however, the Company terminated its employee stock option plan and cancelled all outstanding options granted thereunder effective immediately on May 1, 2007.

Bonus Program

The Company has historically awarded annual cash bonuses to Executive Officers based upon individual performance and financial performance of the Company. No bonuses or other non-equity incentive plan compensation was paid during fiscal year 2010.

Limitation on Deductibility of Certain Compensation for Federal Income Tax Purposes

Section 162(m) of the Internal Revenue Code (162(m)) precludes the Company from taking a deduction for compensation in excess of \$1 million for the Chief Executive Officer or certain of its other highest paid officers. Certain performance based compensation, however, is specifically exempt from the deduction limit. The Compensation Committee has concluded that 162(m) will not impact the Company during fiscal year 2010 because compensation in excess of \$1 million will not be paid to any employee of the Company.
