Item 2.03. Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant

On June 15, 2011, II-VI Incorporated (II-VI or the Company) replaced its existing \$60.0 million credit facility with a new \$50.0 million unsecured credit facility (the Credit Facility) with PNC Bank, National Association. The Credit Facility replaces the \$60.0 million credit facility between the Company and PNC Bank National Association, Wells Fargo & Company Association and Manufacturers and Traders Trust Company.

The Credit Facility is guaranteed by each existing and subsequently acquired or organized domestic subsidiary of the Company. II-VI has the option to request an increase to the size of the Credit Facility in an aggregate additional amount not to exceed \$30.0 million. The Credit Facility has a five-year life and has interest rates ranging from LIBOR plus 0.625% to LIBOR plus 1.50% based on the ratio of total consolidated indebtedness to consolidated EBITDA.

The Credit Facility contains customary affirmative and negative covenants for credit facilities of this type, including limitations on the Company and its subsidiaries with respect to indebtedness, liens, investments, distributions, mergers and acquisitions, disposition of assets, repurchases of the Company's common stock and transactions with affiliates. The covenants permit the Company to use proceeds of the Credit Facility for working capital and capital expenditures and other lawful corporate purposes. The Credit Facility also contains financial covenants that require the Company to maintain a minimum consolidated interest coverage ratio of 4.0 and a maximum consolidated leverage ratio of 3.0.

The Credit Facility provides for customary events of default with corresponding grace periods, including, but not limited to failure to pay any principal or interest when due, failure to comply with covenants, material breaches or representations or warranties made by the Company, certain insolvency or receivership events affecting the Company or its domestic subsidiaries, defaults relating to other indebtedness in excess of \$20.0 million in the aggregate and a change in control of the Company.

The foregoing description of the Amendment and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the Amendment, a copy of which is attached hereto as Exhibit 10.1.

The Amendment is being filed herewith solely to provide investors and security holders with information regarding its terms. It is not intended to be a source of financial, business or

operational information about the Company or any of its subsidiaries or affiliates. The representations, warranties and covenants contained in the Amendment are made solely for purposes of the Amendment and are made as of specific dates; are solely for the benefit of the parties; may be subject to qualifications and limitations agreed upon by the parties in connection with negotiating the terms of the Amendment, including being qualified by confidential disclosures made for the purpose of allocating contractual risk between the parties instead of establishing matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors or security holders. Investors and security holders should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of the Company or any of its subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Amendment, which subsequent information may or may not be fully reflected in public disclosures.
