**Item 2.01 Completion of Acquisition or Disposition of Assets.**

On December 2, 2011, Teleflex Incorporated (the Company) completed the previously announced sale of its business units that design, engineer and manufacture on-board baggage and cargo handling systems for widebody, narrowbody and regional aircraft and air cargo containers and pallets (collectively, the Business) to AAR International, Inc. (Buyer) for \$280.0 million in cash. The sale was completed pursuant to the terms of the Purchase Agreement, dated October 20, 2011 (the Purchase Agreement), by and among the Company, the Buyer and AAR CORP., which was filed as Exhibit 2.1 to the Current Report on Form 8-K filed by the Company with the Securities and Exchange Commission (SEC) on October 25, 2011. The purchase price is subject to possible upward or downward adjustment based on certain provisions in the Purchase Agreement relating to the working capital and indebtedness of the Business, measured as of the open of business on the closing date.

Exhibit 99.1 furnished with this Current Report presents the unaudited pro forma consolidated statements of income for the three years ended December 31, 2010, December 31, 2009 and December 31, 2008.

The unaudited pro forma consolidated statements of income present the income statements as originally reported in the Current Report on Form 8-K filed with the SEC on June 1, 2011, which presented the cargo container business as a discontinued operation, and adjust the three years ended December 31, 2010 to eliminate the results of operations of the cargo systems business as if the disposition occurred January 1, 2008. In addition, the pro forma adjustments for the 2010 statement of income include entries to reduce interest expense as a reflection of using a portion of the proceeds from the sale of the Business as if such portion were used to prepay a portion of the outstanding principal amount of the Company's senior notes issued in 2004 (the 2004 Senior Notes) (which were prepaid in their entirety during the first quarter of 2011); these adjustments eliminate the amortization of deferred financing fees related to the 2004 Senior Notes and record the related tax effects for the adjustments. The pro forma adjustments for 2010 do not include an estimated \$14.7 million pre-tax, non-recurring adjustment for the make whole fees on prepayment of the 2004 Senior Notes.

The unaudited pro forma consolidated financial statements described above should be read in conjunction with the historical financial statements of the Company and the related notes thereto. The unaudited pro forma information is not necessarily indicative of the financial position or results of operations that may have actually occurred had the transaction taken place on the dates noted, or the future financial position or operating results of the Company.

**Item 9.01 Financial Statements and Exhibits.**

(b) The unaudited pro forma financial information required by Item 9.01 (b)(1) of Form 8-K is attached hereto as Exhibit 99.1.

(d) Exhibits.

99.1 Unaudited Pro Forma Consolidated Statements of Income for the periods ended December 31, 2010, December 31, 2009 and December 31, 2008.
