On the record date, there were 32,748,087 shares of Meritage common stock outstanding. The common stock is our only outstanding class of voting securities. Each share is entitled to one vote on each proposal to be voted on at the annual meeting. Table of Contents

VOTING PROXIES

Shares of common stock represented by properly executed proxy cards received by the Company in time for the meeting will be voted in accordance with the instructions specified in the proxies. If you submit a signed proxy but do not indicate any voting instructions, your shares will be voted **FOR** the election as directors of the nominees named in this proxy statement, and **FOR** the ratification of the selection of Deloitte & Touche LLP as the Company's independent registered public accounting firm, **FOR** the advisory vote on Say on Pay proposal and **FOR** the amendment to the 2006 Stock Incentive Plan.

If your shares are held in a brokerage account or by another nominee, you are considered the beneficial owner of shares held in street name, and the Notice is being forwarded to you by your broker or nominee (the record holder) along with a voting instruction card. As the beneficial owner, you have the right to direct your record holder regarding how to vote your shares, and the record holder is required to vote your shares in accordance with your instructions. Rules of the New York Stock Exchange (the NYSE) determine whether proposals presented at stockholder meetings are routine or non-routine. If a proposal is routine, a broker or other entity holding shares for a beneficial owner in street name may vote on the proposal without voting instructions from the owner. If a proposal is non-routine, the broker or other entity may vote on the proposal only if the beneficial owner has provided voting instructions. A broker non-vote occurs when the broker or other entity is unable to vote on a proposal because the proposal is non-routine and the beneficial owner does not provide instructions.

If you do not give instructions to your record holder prior to the meeting, the record holder will be entitled to vote your shares in its discretion only on Proposal 2 (Ratification of Independent Registered Public Accounting Firm) and will not be able to vote your shares on Proposal 1 (Election of Directors), Proposal 3 (Advisory Vote on Say on Pay) and Proposal 4 (Amendment to the 2006 Stock Incentive Plan) and your shares will be counted as a broker non-vote on those proposals.

As the record or beneficial owner of shares, you are invited to attend the annual meeting. Please note, however, that if you are a beneficial owner, you may not vote your shares in person at the meeting unless you obtain a legal proxy from the record holder that holds your shares.

The management and Board of Directors of the Company know of no other matters to be brought before the meeting. If other matters are properly presented to the stockholders for action at the meeting or any adjournments or postponements thereof, it is the intention of the proxy holders named in this proxy to vote in their discretion on all matters on which the shares of common stock represented by such proxy are entitled to vote.

Advisory Vote to Approve Compensation of our Named Executive Officers (Say on Pay) (page 9)

Stockholders will be given the opportunity to vote on an advisory resolution to approve the compensation of our Named Executive Officers (NEOs) (commonly referred to as Say on Pay).

The Board of Directors recommends a vote FOR the resolution approving the compensation of our NEOs.

If a quorum is present, approval of the advisory vote requires the affirmative vote of a majority of the votes cast at the annual meeting. Abstentions will not be counted either for or against this proposal.

Approval of an Amendment to our 2006 Stock Incentive Plan to Increase the Number of Shares Available for Issuance (page 10)

Under our 2006 Stock Incentive Plan, the Company's executives, officers, employees, non-employee directors, consultants and advisors are eligible to receive awards of stock options, stock appreciation rights, restricted stock awards, performance share awards and performance based awards. We are asking for your approval of an amendment to the 2006 Stock Incentive Plan. The amendment will increase the number of shares available under the Plan by 1,200,000 shares from 1,850,000 (excluding shares remaining available for grant that were rolled into the 2006 Stock Incentive Plan from our former stock plan) to 3,050,000. We are asking for you to approve this amendment because the Board has determined that increasing the number of shares available for grant generally under the plan is necessary to be able to grant additional equity awards in order to continue to retain and motivate key employees in the continuing difficult homebuilding environment.

The Board of Directors has approved this amendment to the plan and recommends a vote FOR this proposal.

The affirmative vote of a majority of the votes cast on the proposal is required for approval of this amendment to the 2006 Stock Incentive Plan, provided that the total votes cast on the proposal represent over 50% in interest of all securities entitled to vote on the proposal. For purposes of the vote on this amendment, broker non-votes and abstentions will have the same effect as votes against the proposal, unless holders of more than 50% in interest of all securities entitled to vote on the proposal cast votes, in which event broker non-votes will not have any effect on the result of the vote.

ELECTION OF DIRECTORS

(PROPOSAL NO. 1)

Our Board of Directors currently has eight members. The directors are divided into two classes serving staggered two-year terms. This year our Class I Directors are up for election. The Board, upon the recommendation of its Nominating/Governance Committee, has nominated for re-election Steven J. Hilton, Raymond Oppel, Richard T. Burke, Sr., and Dana Bradford, each of whom are presently serving as Class I Directors. Michael R. Odell was appointed by the Board as a Class II Director in December 2011 and is therefore standing for election for the first time. Mr. Odell was approached by the Nominating/Governance Committee based on the Board's knowledge of his significant business experience.

Biographical information for each of our director nominees is set forth on pages 19 and 20.

All nominees have consented to serve as directors. The Board of Directors has no reason to believe that any of the nominees will be unable to act as a director. However, should a nominee become unable to serve or should a vacancy on the Board occur before the annual meeting, the Board may either reduce its size or designate a substitute nominee. If a substitute nominee is named, your shares will be voted for the election of the substitute nominee designated by the Board. In the vote on the election of the director nominees, stockholders may:

vote **FOR** all nominees;

WITHHOLD votes for all nominees; or

WITHHOLD votes as to specific nominees.

Unless you elect to vote differently by so indicating on your signed proxy, your shares will be voted **FOR** the Board's nominees. If a quorum is present, the four Class I nominees and the Class II nominee who receive the most votes will be elected. Broker non-votes and votes that are withheld will not count as either votes for or against the nominee.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE
ELECTION OF THE ABOVE-NAMED NOMINEES AS DIRECTORS.**

**RATIFICATION OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

(PROPOSAL NO. 2)

The Board of Directors seeks an indication from stockholders of their approval or disapproval of the Audit Committee's appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2012.

Deloitte & Touche LLP was appointed our auditor in 2005 and no relationship exists other than the usual relationship between auditors and clients.

If a quorum is present, an affirmative vote of the majority of the votes cast at the annual meeting is required to ratify the selection of Deloitte & Touche LLP as the Company's independent auditor. Abstentions will not be counted either for or against this proposal. If the appointment of Deloitte & Touche LLP as auditors for 2012 is not approved by stockholders, the adverse vote will be considered a direction to the Audit Committee to consider other auditors for next year. However, because of the difficulty in making any substitution of auditors after the beginning of the current year, the appointment in 2011 will stand, unless the Audit Committee determines there is a reason for making a change.

THE BOARD OF DIRECTORS HAS APPROVED THIS PROPOSAL NO. 2 AND UNANIMOUSLY RECOMMENDS A

VOTE FOR PROPOSAL NO. 2.

ADVISORY VOTE ON SAY ON PAY

(PROPOSAL NO. 3)

Stockholders will be given the opportunity to vote on the following advisory resolution (commonly referred to as "Say on Pay"):

RESOLVED, that compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion is hereby APPROVED.

Background on Proposal

In accordance with the Dodd-Frank Act and related SEC rules, stockholders are being given the opportunity to vote at the annual meeting on this advisory resolution regarding the compensation of our NEOs.

At our 2011 Annual Meeting of Stockholders, the Company's stockholders approved the compensation of our NEOs (on an advisory basis) by 91% of total votes cast. This high approval rating further indicates that our stockholders are in agreement with our Compensation Committee and its direction of setting compensation arrangements based on thresholds that are in line with the goals of our stockholders. While the advisory vote approved our current compensation package, we have nonetheless made revisions to further tighten our NEO compensation packages, including the elimination of tax gross-ups on insurance premium reimbursements effective in fiscal 2013 as well as implemented tighter restrictions on re-pricing of options or SARS awards in our stock incentive plan. In addition, at our 2011 Annual Meeting of Stockholders, the stockholders indicated, on an advisory vote basis, that they preferred that we hold Say on Pay votes on an annual basis. In light of these results, the Company's Board of Directors has decided to hold its future advisory votes on the compensation of named executive officers annually until the next frequency vote. This Proposal No. 3 represents this year's Say on Pay vote and we anticipate holding a Say on Pay vote again in 2013. A frequency vote is required to be held at least once every six years.

For a comprehensive description of our executive compensation program, philosophy and objectives, including the specific elements of executive compensation that comprised the program in 2011, please refer to the Compensation Discussion and Analysis. The Summary Compensation Table and other executive compensation tables (and accompanying narrative disclosures) that follow it, beginning at page 35, provide additional information about the compensation that we paid to our NEOs in 2011. As described in the Compensation Discussion and Analysis, which begins at page 25, our executive compensation program is designed to drive and reward superior performance both annually and over the long term while simultaneously striving to be externally competitive. During 2011, through the combined efforts of our NEOs in these challenging economic times, particularly in the homebuilding industry, Meritage was successful in achieving the following accomplishments:

Generated year-over-year increases in many of our key operating metrics, including home orders, order backlog, average sales price and the number of actively selling communities.

Announced entry into two new and promising markets: Raleigh-Durham, North Carolina and Tampa, Florida. Sales operations began in Raleigh in the fourth quarter with 24 sales in three actively-selling communities. Operations in Tampa are expected to begin in the first half of 2012.

Successfully differentiated ourselves from other production builders through Meritage Green, our energy-efficiency program, which we believe has helped us to increase both sales and profitability.

The Board and NEOs recognize the long-term challenges the Company has faced through the downturn and over the past several years. While the above accomplishments were recognized, the Company has implemented prudent and responsible compensation policies in the shareholders interest, some of which include:

Actions over the last several years have included freezing base salaries for our NEOs, despite automatic increase provisions in some employment agreements, with Mr. Hilton taking a voluntary pay cut in 2009. In 2010, Mr. Hilton's pay was re-established at the 2008 rate, and only Messrs. Seay and Davis received salary increases to bring them more in line with market compensation levels.

The Compensation Committee is continually evaluating the compensation packages for our NEOs and adjusting them as conditions warrant, including setting performance targets for both cash and equity awards. Some of such awards have been forfeited over the last several years in cases where targets were not met.

Table of Contents

Other than auto allowances and reimbursement of certain life and disability or long-term care insurance premiums, perquisites for our NEOs were essentially discontinued.

NEOs must comply with security ownership requirements, as discussed on page 30.

Incentive compensation is balanced between cash and equity awards, as discussed on page 29.

Each employment agreement of our NEOs includes a provision for the clawback (or offset) of incentive bonuses to the extent any financial results are misstated as the result of the NEO's willful misconduct or gross negligence.

Effects of Advisory Vote

Because the vote on this proposal is advisory in nature, it will not affect any compensation already paid or awarded to our NEOs and will not be binding on the Board or the Executive Compensation Committee. However, the Executive Compensation Committee will consider the outcome of the vote when making future executive compensation decisions.

If a quorum is present, approval of the advisory vote requires the affirmative vote of a majority of the votes cast at the annual meeting. Abstentions will not be counted either for or against this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL OF THE RESOLUTION

SET FORTH ABOVE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

PROPOSAL TO APPROVE AN AMENDMENT TO THE 2006 STOCK INCENTIVE PLAN TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK AUTHORIZED FOR ISSUANCE THEREUNDER

(PROPOSAL NO. 4)

On February 10, 2012, our Board of Directors adopted amendments to the Meritage Homes Corporation 2006 Stock Incentive Plan (the 2006 Plan), including an amendment that subject to stockholder approval would increase the number of shares available under the Plan by 1,200,000 shares to 3,050,000. In addition to the proposed 3,050,000 total availability in the 2006 Plan, our prior plan had 5,900,000 shares approved, and of that amount, 1,863,832 shares were transferred into the 2006 Plan because they were never granted or were granted and subsequently canceled or forfeited. Based on current grant and cancellation/forfeiture rates, we believe the proposed share increase should be sufficient for grants through at least 2014. In addition to the share count increase, the amendments strengthen the 2006 Plan's prohibition against re-pricing underwater options to include a prohibition against cash buybacks. Only the amendment to increase the number of shares under the 2006 Plan is subject to and being presented for stockholder approval.

Certain material features of the plan are discussed below, however, the description is subject to, and qualified by the full text of the plan attached as *Appendix A*, which includes the proposed amendment highlighted, in addition to changes enhancing the 2006 Plan's prohibitions against re-pricing. The closing price for our common stock on March 30, 2012, as reported on the NYSE, was \$27.06 per share. We anticipate filing a Form S-8 registration statement with the SEC shortly after the annual meeting to register the additional shares approved by this proposal.

The Board believes the 2006 Plan promotes success and enhances our value because it ties the personal interests of the participants to those of stockholders and provides the participants with an incentive for outstanding performance. The Executive Compensation Committee of the Board of Directors (the Compensation Committee) administers the plan, and has exclusive authority over it, including the power to determine a participant's eligibility, the types of awards to be granted, the timing of the awards and the exercise price of awards.

In reaching our conclusion as to the appropriateness of the additional share proposal, we reviewed key metrics that are typically used to evaluate such proposals. Many investors use a burn rate calculation in order to quantify how quickly a company uses its shareholder capital. Meritage has a three-year burn rate of 1.97%, well below the threshold set by a major proxy advisory firm for our industry (consumer durables and apparel) of 4.81%. This burn rate assumes a 1.5x weighting for restricted stock grants. Our unweighted burn rate is 1.44%. Further, our burn rate has steadily decreased over the last three years included in the calculation. Additionally, many investors look at voting power dilution to see the effect that shares will have on dilution. Full voting power dilution of all outstanding shares, assuming all 1,200,000 shares in the proposal were

Edgar Filing: Meritage Homes CORP - Form DEF 14A

fully dilutive as of December 31, 2011, would yield a 10.03% dilution for Meritage, which is well below our industry median.

Table of Contents

Administration

The 2006 Plan will be administered by the Compensation Committee. The Compensation Committee has the authority to interpret and administer the 2006 Plan in order to carry out the purposes of the 2006 Plan. The Compensation Committee has the authority to determine those persons eligible to receive Awards, the number of shares subject to an award and to establish and interpret the terms and conditions of any Awards. The Compensation Committee may also make exceptions to the provisions of any Awards. All determinations of the Compensation Committee are final and binding.

Eligibility

Awards may be made to any officer, employee or executive of the Company, as well as to non-employee directors and consultants or advisors to the Company. As of December 31, 2011, there were seven non-employee directors and approximately 125 officers and employees of the Company and its subsidiaries eligible to participate in the 2006 Stock Incentive Plan.

Types of Awards

The 2006 Plan provides for grants of stock options, stock appreciation rights, restricted stock, performance shares and performance-based awards (each, an Award), whether granted alone or in combination, pursuant to which shares of common stock, cash or a combination thereof may be delivered to the Award recipient; provided that stock appreciation rights will be paid only in shares. Under the 2006 Plan, the total number of shares of common stock available for future Awards is reduced by one share for each share issued in connection with an option or a stock appreciation right and by 1.38 shares for each share issued in connection with any other type of Award.

Options. An option is the right to purchase shares of common stock at a future date at a specified exercise price. The Compensation Committee may grant both nonqualified stock options and incentive stock options under the 2006 Plan. The per share exercise price will be determined by the Compensation Committee, but must be at least equal to the fair market value of the underlying shares of common stock on the date of grant. The Compensation Committee determines the date after which options may be exercised in whole or in part and the expiration date of each option, which cannot be more than 10 years from the date of grant. However, in the case of an incentive stock option granted to a participant who holds more than 10% of the voting power of the Company, the exercise price must be at least 110% of the fair market value of the underlying shares of common stock on the date of grant and the expiration date cannot be more than five years from the date of grant. The exercise price of an option may be paid in shares of common stock, cash or a combination thereof, as determined by the Compensation Committee, including an irrevocable commitment by a broker to pay the exercise price from the proceeds of a sale of shares issuable under the option, the delivery of previously owned shares or withholding of shares deliverable upon exercise. Options cannot, without stockholder approval, be repriced, cancelled and regranted at a lower exercise price, or repurchased for cash, other than in connection with a change in the Company's capitalization.

Stock Appreciation Rights. A stock appreciation right is a right granted to the participant to receive, in shares of common stock, an amount equal to the appreciation of one share of common stock from the date of grant.

Restricted Stock Awards. Awards of shares of stock may be granted under the 2006 Plan, although the shares are generally subject to a risk of forfeiture or to other conditions or restrictions for specified periods of time. The Compensation Committee does not typically issue a stock certificate representing a restricted stock award until the restrictions applicable to all or part of the award have lapsed, and the Compensation Committee has discretion to waive in whole or in part restrictions or forfeiture conditions relating to the restricted stock award.

Performance Share Awards. Performance share awards are rights to receive, in cash, shares of common stock or a combination thereof, an amount equal to the value of common stock if certain performance goals are attained.

Performance-Based Awards. The purpose of performance-based awards is to qualify restricted stock or performance share awards as performance-based compensation pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code). Section 162(m) of the Code limits the Company's federal income tax deduction for compensation paid to any of the executive officers named in the summary compensation table of its annual proxy statement. The limit is \$1 million per officer per year, with certain exceptions. However, the deductibility limit does not apply to performance-based compensation if the qualifying performance criteria and maximum amounts payable upon the satisfaction of performance goals are approved in advance by the Company's stockholders. Stockholders previously approved the qualifying performance criteria and maximum amounts payable for purposes of Section 162(m) of the Code at the Company's annual meeting of stockholders in 2010 and this approval is valid until 2015.

Table of Contents

Notwithstanding the satisfaction of the performance criteria, the number of shares issued or the amount paid under an Award may be reduced by the Compensation Committee on the basis of such further considerations as the Compensation Committee in its sole discretion may determine.

Change in Control

The 2006 Plan provides that if a change of control occurs and Awards are converted, assumed, or replaced by a successor, the Compensation Committee has the discretion to cause all outstanding Awards to become fully exercisable and all restrictions on outstanding Awards to lapse. If a change of control occurs and the Awards are not converted, assumed, or replaced by a successor, all outstanding Awards shall automatically become fully exercisable and all restrictions on outstanding Awards shall lapse.

Amendment to or Termination of the 2006 Plan

The Compensation Committee, with the Board's approval, may amend, alter or discontinue the 2006 Plan. However, other than in connection with a change in the Company's capitalization, no amendment may be made without stockholder approval if such amendment would:

increase the maximum number of shares of common stock for which Awards may be granted under the 2006 Plan;

permit the Compensation Committee to grant options with an exercise price that is below the fair market value of a share of common stock on the date of grant;

permit the Compensation Committee to extend the exercise period for an option beyond 10 years from the date of grant;

permit the Compensation Committee to reprice previously-granted options; or

require stockholder approval under any laws, regulation or stock exchange rule.

U.S. Federal Tax Consequences

The following is only a summary of the consequences of U.S. federal income taxation to the participant and the Company with respect to the grant and exercise of Awards under the 2006 Plan. The summary is not complete, does not discuss the income tax laws of any state or foreign country in which a participant may reside, and is subject to change. Participants in the 2006 Plan should consult their own tax advisors regarding the specific tax consequences to them of participating in and receiving Awards under the 2006 Plan.

Nonqualified Stock Options and Stock Appreciation Rights. Generally, a participant will not recognize income upon the grant of a nonqualified stock option or a stock appreciation right; instead, the holder of a nonqualified stock option or a stock appreciation right will recognize ordinary income at the time of exercise in an amount equal to the excess of the fair market value of the common stock at the time of exercise over the exercise price. On a subsequent sale of the shares of common stock received upon exercise, the difference between the net proceeds of sale and the fair market value of the shares on the date of exercise will generally be taxed as capital gain or loss (long-term or short-term, depending on the holding period).

Incentive Stock Options. A participant will not recognize income upon the grant of an incentive stock option. In addition, a participant will not recognize income upon the exercise of an incentive stock option if the participant satisfied certain employment and holding period requirements. To satisfy the employment requirement, a participant must exercise the option not later than three months after he or she ceases to be an employee of the Company or any of its subsidiaries (or later than one year if he or she is disabled), unless he or she has died. To satisfy the holding period requirement, a participant must hold the stock acquired upon exercise of the incentive stock option more than two years from the date of grant of the stock option and more than one year after the transfer of the shares of common stock to him or her. If these requirements are satisfied the participant will on the sale of such stock be taxed on any gain, measured by the difference between the option price and the net proceeds of sale, generally at long-term capital gains rates.

Table of Contents

If shares of common stock acquired upon the timely exercise of an incentive stock option are sold, exchanged, or otherwise disposed of without satisfying the holding period requirements (a disqualifying disposition), the participant will, in the usual case, recognize (i) capital gain in an amount equal to the excess, if any, of the sales price over the fair market value of the shares on the date of exercise; (ii) ordinary income in an amount equal to the excess, if any, of the lesser of the sales price or the fair market value of the shares on the date of exercise over the option price of the option; and (iii) capital loss equal to the excess, if any, of the option price over the sales price.

Individuals are subject to an alternative minimum tax based upon an expanded tax base to the extent such tax exceeds the regular tax liability. The amount by which the fair market value of the shares acquired upon exercise of an incentive stock option exceeds the exercise price will be included as a positive adjustment in the calculation of the employee's alternative minimum taxable income in the year of exercise. The alternative minimum tax imposed on individual taxpayers is generally equal to the amount by which a specified percentage of the individual's alternative minimum taxable income (reduced by certain exemption amounts) exceeds his or her regular income tax liability for the year.

Stock options otherwise qualifying as incentive stock options will be treated as nonqualified stock options to the extent that the aggregate fair market value of stock with respect to which incentive stock options are exercisable for the first time by a participant during any calendar year (under all of the Company's plans) exceeds \$100,000 based on the fair market value of the stock at the date of grant.

Restricted Stock. A participant will not recognize income upon the grant of restricted stock. If the participant makes an election under Code Section 83(b) within 30 days after receiving the shares of restricted stock, however, he or she will recognize ordinary income in the year of receipt in an amount equal to the excess of the fair market value of such shares (determined without regard to the restrictions imposed by the 2006 Plan) at the time of grant over any amount paid by the participant. Then, upon the sale of such stock, the difference between the fair market value at the time of grant and the net proceeds of sale will generally be taxed as capital gain or loss (long-term or short-term, depending on the holding period). If a participant makes a Section 83(b) election with respect to shares of common stock that are subsequently forfeited, he or she will not be entitled to deduct any amount previously included in income by reason of such election. If a participant does not make a Section 83(b) election, the participant will recognize ordinary income in the year or years in which the award of restricted stock vests and any restrictions imposed by the 2006 Plan on the Award terminate in an amount equal to the excess, if any, of the fair market value of such shares on the date the restrictions expire or are removed over any amount paid by the participant. If a Section 83(b) election has not been made, any dividends received with respect to shares of common stock subject to restrictions will be treated as additional compensation income and not as dividend income.

Performance Shares. A participant will not recognize income upon the grant of a performance share. The participant will recognize ordinary income in the year vested equal to the fair market value of shares of common stock or cash received.

Withholding Taxes. Generally, the Company will be required to withhold applicable taxes with respect to any ordinary income recognized by a participant in connection with Awards granted under the 2006 Plan. The Compensation Committee may permit a participant to pay withholding taxes through the mandatory or elective sale of shares of common stock, by electing to have the Company withhold a portion of the shares that would otherwise be issued upon exercise of an Award (based upon the minimum statutory withholding amount) or by tendering shares already owned by the participant for more than six months.

Section 409A of the Internal Revenue Code of 1986, as amended, became effective as of January 1, 2009. If certain awards fail to comply with Section 409A, a participant must include in ordinary income all deferred compensation conferred by the award, pay interest from the date of the deferral and pay an additional 20% tax. The award agreement for any award that is subject to Section 409A may include provisions necessary for compliance as determined by the Compensation Committee. The Company intends (but cannot and does not guarantee) that awards granted under the 2006 Plan will comply with the requirements of Section 409A or an exception thereto and intends to administer and interpret the 2006 Plan in such a manner.

Table of Contents

The Company will generally be entitled to a tax deduction corresponding in amount and time to the participant's recognition of ordinary income in the circumstances described above, provided, among other things, that such deduction meets the test of reasonableness and is an ordinary and necessary business expense. However, in connection with a change in control of the Company, and depending upon the terms and conditions of Awards granted under the 2006 Plan and upon the individual circumstances of the participants, certain amounts with respect to Awards granted under the 2006 Plan may constitute excess parachute payments under the golden parachute provisions of Section 280G of the Code. Under these provisions, a participant will be subject to a 20% excise tax on any excess parachute payment and the Company will be denied any deduction with respect to such payment. In addition, in certain instances as a result of the application of Section 162(m) of the Code, the Company may be denied a compensation deduction for Awards granted to certain officers that do not qualify as performance-based compensation to the extent their aggregate compensation exceeds \$1 million in a given year.

In early 2012, the Compensation Committee granted performance and restricted shares to our NEOs. The Compensation Committee jointly with the NEOs agreed that the restricted shares and restricted performance shares that were granted represent the appropriate level of equity-based compensation and the NEOs have accepted such grants in full satisfaction of the amounts contemplated in their respective employment agreements and as discussed above.

The Board of Directors has reviewed the shares currently available under the 2006 Plan and has determined that it is appropriate to increase the maximum number of shares authorized for issuance under the 2006 Plan. As of March 30, 2012, (i) 5,057,444 shares have been issued upon exercise of options or vesting of non-vested shares under the 2006 Plan, (ii) option grants representing 825,667 shares were outstanding under the 2006 Plan and (iii) 1,067,700 shares of restricted stock had been awarded under the 2006 Plan and not otherwise forfeited, cancelled or vested. The total number of shares of common stock available for awards under the 2006 Plan currently is 240,572, which the Board believes is inadequate for the purpose of providing future equity incentives. The Board has determined that increasing the amount of shares of common stock issuable under the 2006 Plan is necessary in order to be able to grant additional equity awards to continue to attract, retain and motivate key employees in the continuing difficult homebuilding environment. As a result, the Board is asking the stockholders to approve the amendment to the 2006 Plan that approval would increase the number of shares available under the Plan by 1,200,000 shares to 3,050,000. In addition to the proposed 3,050,000 total availability in the 2006 Plan, our prior plan had 5,900,000 shares approved, of that amount 1,863,832 shares were transferred into the 2006 Plan because they were never granted or were granted and subsequently canceled or forfeited.

The affirmative vote of a majority of the votes cast on the proposal is required for approval of this amendment to the 2006 Plan, provided that the total votes cast on the proposal represent over 50% in interest of all securities entitled to vote on the proposal. For purposes of the vote on this amendment, broker non-votes and abstentions will have the same effect as votes against the proposal, unless holders of more than 50% in interest of all securities entitled to vote on the proposal cast votes, in which event broker non-votes will not have any effect on the result of the vote.

THE BOARD RECOMMENDS THAT YOU VOTE FOR THE PROPOSAL TO APPROVE AN AMENDMENT TO THE 2006 STOCK INCENTIVE PLAN TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK AUTHORIZED FOR ISSUANCE THEREUNDER.

He is a former Board Member of Cano Petroleum, Inc., having served from late December 2004 to October 2008. He also serves on the Board of Directors of the Baylor Foundation of Baylor University and on the Board of Trustees of the M.D. Anderson Proton Therapy Education and Research Foundation. In 2010, Mr. Haddock became a member of the International Advisory Board of the CEELI Institute, an international provider of post-graduate and professional legal education, as well as a director of the Friends of the CEELI Institute. In 2011, Mr Haddock became a member of the Board of Trustees of the Baylor College of Medicine. Mr. Haddock received his Bachelor of Business Administration and Juris Doctorate degrees from Baylor University. He also received a Master of Laws in Taxation degree from New York University and a Masters of Business Administration degree from Dallas Baptist University.

Michael R. Odell, 48, has been a director since December 2011. He is the president and chief executive officer of The Pep Boys – Manny, Moe & Jack. Pep Boys is the nation’s leading automotive aftermarket service and retail chain, with more than 7,000 service bays in more than 700 locations in 35 states and Puerto Rico. Mr. Odell joined Pep Boys in September 2007 as the chief operating officer, and has also been a member of the Pep Boys – Board of Directors since 2008. Previously, he served as executive vice president and general manager of Sears Retail & Specialty Stores, a \$27 billion division of Sears Holdings Corporation. He joined Sears in 1994 where he served in executive operations positions of increasing responsibility, including as Vice President, Stores – Sears Automotive Group. Prior to Sears, Mr. Odell was a CPA with Deloitte & Touche LLP.

In case of a Board vacancy or if the Board elects to increase its size, determinations regarding the eligibility of director candidates are made by the Nominating/Governance Committee, which considers the candidate’s qualifications as to skills and experience in the context of the needs of the Board of Directors and our stockholders. The Nominating/Governance Committee also evaluates and reports to the Board of Directors regarding the independence of each candidate. Consistent with the rules and regulations of the NYSE, at least a majority of the Board of Directors must be independent.

No director will be deemed to be independent unless the Board of Directors affirmatively determines that the director has no material relationship with the Company, either directly or as an officer, shareowner, member, partner or trustee of an organization that has a relationship with the Company. The Board observes all criteria established by the NYSE and other governing laws and regulations. In its review of director independence, the Board of Directors considers all commercial, banking, consulting, legal, accounting, charitable or other business relationships the director may have with the Company.

As a result of its review, the Board of Directors has determined that a majority of Meritage’s Board members are independent. Our independent directors are Peter L. Ax, Raymond Oppel, Richard T. Burke, Sr., Gerald W. Haddock, Dana Bradford and Michael R. Odell.

In making this determination, the Board of Directors evaluated whether there exists any relationships between these individuals and Meritage. Except as noted below, the Board of Directors determined no relationship exists between Meritage and any independent director or any of its executive officers:

Steven J. Hilton is not considered independent because he is employed by the Company.

Table of Contents

Prior to 2004, Robert G. Sarver was deemed an independent director. The Nominating/Governance Committee has continually monitored certain relationships between Mr. Sarver and Meritage along with relationships between Mr. Sarver and Mr. Hilton. Mr. Sarver and Mr. Hilton have certain business relationships unrelated to Meritage, including Mr. Sarver serving as trustee of certain of Mr. Hilton's family trusts. The Nominating/Governance Committee evaluated these relationships and determined that they did not impair Mr. Sarver's independence because they do not involve Meritage and are insignificant in relation to Mr. Sarver's net worth. During 2004, Mr. Sarver became the controlling owner of the Phoenix Suns basketball team, in which Mr. Hilton purchased a minority ownership interest. This relationship was closely evaluated by the Nominating/Governance Committee because of its significance to Messrs. Sarver and Hilton and because Meritage had purchased advertising with the Phoenix Suns, although that advertising contract expired in 2008. The Nominating/Governance Committee and the Board of Directors believe Mr. Sarver is a valuable member of the Board and that the Company benefits from his extensive business experience. Nevertheless, the Nominating/Governance Committee concluded it is in the best interest of Meritage's stockholders that Mr. Sarver not be deemed an independent director. Mr. Sarver does not serve on any Board committees.

As disclosed in footnotes (5) and (8) to the Security Ownership by Management and Principal Stockholders table, Dana Bradford is deemed to indirectly own 1,000,000 shares of Meritage Homes common stock that are owned by Southwest Value Partners Fund XIV, LP, an entity in which Mr. Bradford shares control over voting, purchase and disposition of the shares. As disclosed, Robert Sarver also has an interest in SVP, although he disclaims any beneficial ownership of the Meritage Homes shares owned directly or indirectly by McCarthy. The Board of Directors evaluated Mr. Bradford's interest in SVP, including the related interests of Robert Sarver in that entity, and determined that Mr. Bradford's independence was not impaired because, among other reasons, the relationship only involves an indirect ownership of Meritage Homes common stock and there are no transactions, directly or indirectly, between Mr. Bradford (or the SVP entity) and the Company.

The Board has also determined that all governance committees of the Board are composed entirely of independent directors.

Board Leadership Structure

Steven J. Hilton, our co-founder and CEO, also serves as a director and the Chairman of the Board. We believe Mr. Hilton's unique industry experience and continuing involvement in the day-to-day operations of the Company make him highly qualified to serve as our Board's Chairman. Mr. Hilton co-founded Meritage Homes and is thus intimately familiar with its history, culture and operations. Mr. Hilton possesses in-depth knowledge and expertise in the homebuilding industry as a whole and Meritage Homes in particular and is the Company's largest individual shareholder. The Board of Directors has concluded that this puts Mr. Hilton in a unique position and makes him the most compelling choice to serve both as Chairman of the Board and CEO to effectively represent the stockholders' interest. Mr. Ax, our Audit Committee Chairman, also serves as the Board's lead independent director. Mr. Ax has extensive knowledge of capital markets and corporate finance and has previously served as CEO of a publicly traded corporation. We believe that Mr. Ax's role as our lead independent director serves as a counterbalance to Mr. Hilton's position as Board Chairman and provides the appropriate level of independent director oversight. Additionally, our lead independent director can call a meeting of the independent directors as he deems necessary, bringing any matters the lead independent director feels should be addressed to the majority of our directors at any time.

CEO and Management Succession

Under the charter of the Nominating/Governance Committee, it is the role of the Nominating/Governance Committee to review and recommend to the Board of Directors changes as needed to the Company's Corporate Governance Principles and Practices, including items such as management succession, policies and principles for CEO selection and performance review, and policies regarding succession in the event of an emergency or retirement of the CEO. Our Corporate Governance Principles and Practices provide, among other things, that our Executive Compensation Committee is to conduct an annual review of the performance of the CEO.

The Board of Directors considers management evaluation and CEO succession planning an important responsibility of the Board. Under our Corporate Governance Principles and Practices, the Board of Directors is responsible for approving a succession plan for our CEO and other senior officers. Issues relating to CEO succession planning are addressed regularly (at least annually) by the Board.

Risk Oversight

Our Board of Directors has overall responsibility for the oversight of risk management. As part of this oversight, on a regular basis, our Board of Directors receives reports from various members of management and is actively involved in monitoring and approving key decisions relating to our operations and strategy. Additionally, the management teams at our divisions must obtain approvals from our corporate executive team prior to engaging in certain activities or committing significant amounts of the Company's financial and operational resources. As a result, senior management, who report directly to executive management, cannot undertake significant transactions that may result in short-term benefits for their divisions, but that would expose us to unnecessary risks and, similarly, executive management (including our NEOs) cannot engage in such transactions without approval from our Board of Directors. For example, management must obtain approval from the Board of Directors before proceeding with any land acquisition above a pre-established threshold, and our General Counsel regularly reports to the Board of Directors information concerning ongoing litigation and possible legal and other risks that might expose the Company to liability or loss. The Board also annually reviews the Company's insurance programs. Management also operates the business within parameters established by an annual budget that is reviewed and approved by the Board of Directors. At each regular Board meeting, management provides the Board of Directors a status report with respect to the budget and addresses any material variances. We believe our budgeting process provides a useful mechanism for identifying risks and the related rewards and provides a quantitative method for evaluating those risks and rewards. The Board of Directors also provides oversight of risk through its standing committees. For example:

Our Audit Committee is responsible for reviewing and analyzing significant financial and operational risks and how management is managing and mitigating such risks through its internal controls and risk management processes. Our VP of Internal Audit reports directly to the Audit Committee and provides routine updates on the progress and findings of the on-going internal audit reviews. Our external auditors also have at least quarterly discussions with our Audit Committee, and meet both with and without Company management present, to highlight what they perceive as our key financial risks. Our Audit Committee plays an important role in approving our annual internal controls monitoring plan and is regularly engaged in discussions with management regarding business risks, operational risks, transactional risks and financial risks.

Our Executive Compensation Committee oversees risks relating to the compensation and incentives provided to our senior executive officers. The Executive Compensation Committee negotiates and approves all of the employment agreements of our NEOs and the Committee approves all grants of equity awards to all of our employees. Since 2009, we have begun using restricted share grants in lieu of stock options in our long-term equity compensation to provide an incentive to balance the assumption of risk while maintaining shareholder value. In addition, for our NEOs, a large portion of these equity grants contain performance vesting criterion.

Since 2009, all of our Independent Directors sit on all of our Committees to provide greater Director participation in key policy decisions.

The Board and Board Committees

We currently have eight incumbent directors and the following committees: Audit Committee, Executive Compensation Committee and Nominating/Governance Committee.

Our Board of Directors typically meets on a quarterly basis, with additional meetings held as required. During 2011, the Board of Directors held five meetings. Each director attended at least 75% of the aggregate of the Board and committee meetings of which they were a member. Mr. Odell was appointed December 28, 2011 and was not a Board member at the time of any of the 2011 meetings. In 2010, Mr. Sarver attended 64% of the eleven meetings held, one meeting less than the 75% threshold. This was the first time in his 15 years as a director where he attended less than 75% of the meetings, due to extenuating circumstances related to his role as CEO of a public entity. The Board believes Mr. Sarver contributes significant experience and value to the Board through his background in banking and real estate. Mr. Sarver has expressed his desire to remain an active Board member and does not anticipate a similar attendance concern on a go-forward basis. Directors are expected to attend our annual meetings of stockholders. All directors incumbent at the time attended our 2011 annual meeting, which was held on May 18, 2011.

The following table identifies the current members of our Board of Directors, and describes the current members of each of the committees and the number of meetings held during 2011:

Audit Committee

The Board of Directors has established an Audit Committee in accordance with Section 3(a)(58)(A) of the Exchange Act (Exchange Act), and the rules and regulations of the NYSE. The Audit Committee assists the Board of Directors in:

fulfilling its oversight of the integrity of our financial statements,

reviewing and approving any related party transaction between us and senior executive officers and directors,

overseeing our compliance with legal and regulatory requirements,

determining the independent registered public accounting firm's qualifications and independence, and

evaluating the performance of our internal audit function and independent registered public accounting firm.

The Audit Committee has the sole authority to appoint or replace our independent registered public accounting firm and approves all audit engagement fees and terms of all significant non-audit engagements with the independent registered public accounting firm in accordance with the pre-approval policies set forth in our Audit Committee charter. The Audit Committee has the authority to obtain advice and assistance from, and receive appropriate funding from us for, outside legal, accounting or other advisors as it deems necessary to carry out its duties.

The Audit Committee operates under a written charter established by the Board. The charter is available on our website at investors.meritagehomes.com and we will provide a printed copy to any stockholder upon request. Each member of the Audit Committee meets the independence requirements of the NYSE and the Exchange Act, and is financially literate, knowledgeable and qualified to review our financial statements. The Board of Directors has determined that Peter Ax, an independent director as defined by the NYSE's listing standards, is an audit committee financial expert. Information about Mr. Ax's past business and educational experience is included in his biography in this proxy statement under the caption "Class II Directors".

The report of the Audit Committee is included in this proxy statement under the caption "Report of the Audit Committee."

Executive Compensation Committee

The Board of Directors has established our Executive Compensation Committee (the "Compensation Committee") in accordance with the NYSE's rules and regulations. The Compensation Committee regularly reports to the Board of Directors and its responsibilities include:

reviewing and approving goals and objectives relative to the compensation of our NEOs, evaluating our NEOs' performance in light of these goals and approving the compensation of our NEOs,

reviewing and incorporating stockholder preferences with respect to compensation agreements with our NEOs,

overseeing all equity-based award grants,

making recommendations to the Board of Directors with regard to non-NEO compensation and equity-based awards, and

Edgar Filing: Meritage Homes CORP - Form DEF 14A

producing a report on executive compensation to be included in our annual proxy statement.

The Compensation Committee is currently comprised of six members of the Board, each of whom is designated to be independent under the Corporate Governance Standards of the NYSE, a non-employee director under Section 16 of the Exchange Act, and an outside director for purposes of Section 162(m) of the Code. Generally the Compensation Committee chairman is in charge of setting the schedule for the Compensation Committee's meetings, as well as the agenda of each meeting.

The Compensation Committee operates under a written charter, which is available on our website at *investors.meritagehomes.com*. We will provide a printed copy of the charter to any stockholder upon request.

The Compensation Committee has the specific authority to hire outside advisors and consultants. However, no consultants were hired during 2009 or 2011 to assist in any compensation-related matters. In late 2010, the Company retained Pearl Meyer & Partners, an independent compensation consulting firm, to present the Board with an update of current compensation trends and practices among homebuilders.

Table of Contents

The Compensation Committee determines executive compensation with respect to our NEOs independent of management. The Compensation Committee approves all grants of equity-based awards. For the NEOs, the number and type of equity award grants in most cases are determined or based on an employment agreement between the Company and the NEO, which are negotiated and approved by the Compensation Committee; however, they may be adjusted based on the Compensation Committee's review of the NEO's performance and competitive market factors. For non-NEOs, management is responsible for recommending to the Compensation Committee the persons to receive grants and the nature and size of the proposed award. Because management is responsible for the day-to-day operation of the Company, the Compensation Committee believes that management is in the best position to make this recommendation.

Compensation Committee Interlocks and Insider Participation. None of the members of the Compensation Committee is, or has been, an employee of Meritage or any of its subsidiaries. There were no interlocking relationships between Meritage and other entities that might affect the determination of the compensation of Meritage's executive officers.

Nominating/Governance Committee

The Board of Directors has established a Nominating/Governance Committee, which directly reports to the Board of Directors and is responsible for:

identifying individuals qualified to become Board members and recommending director nominees for the next annual meeting of stockholders,

reviewing and recommending changes as needed to the Company's Corporate Governance Principles and Practices,

addressing such items as management succession, including policies and principles for our CEO selection and performance review and succession in the event of an emergency or departure of the CEO,

developing director qualifications and determining whether newly elected directors or prospective director candidates meet those qualifications,

considering director nominations received from stockholders,

reviewing the charters of the Compensation Committee, Audit Committee and Nominating/Governance Committee,

leading the Board of Directors in its annual review of the Board's performance,

recommending nominees for the Compensation Committee and Audit Committee, and

promoting adherence to a high standard of corporate governance and company values.

The Nominating/Governance Committee has the sole authority to retain and terminate any search firm used to identify director candidates, including sole authority to approve the search firm's fees and other retention terms. The Nominating/Governance Committee operates under a written charter, which is available on our website at investors.meritagehomes.com. We will provide a printed copy of the charter to any stockholder upon request. Each member of the Nominating/Governance Committee meets the independence requirements of the NYSE.

Director Nomination Process

Edgar Filing: Meritage Homes CORP - Form DEF 14A

Stockholder Nominees. The policy of the Nominating/Governance Committee is to consider properly submitted stockholder nominations for candidates for membership on the Board of Directors as described below. In evaluating such nominations, the Nominating/Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board and to address the membership qualifications and criteria described below. Any stockholder nominations proposed for consideration by the Nominating/Governance Committee must include the nominee's name and qualifications for Board membership and should be submitted to:

Meritage Homes Corporation

17851 North 85th Street

Suite 300

Scottsdale, Arizona 85255

Attn: Corporate Secretary

The Secretary will forward all nominations to the Nominating/Governance Committee. In addition, our bylaws permit stockholders to nominate directors for consideration at an annual stockholder meeting. For a description of the process for submitting such nominations, and the deadline to propose actions for consideration at next year's annual meeting, please see "Stockholder Proposals" on page 44 of this proxy statement.

Table of Contents

Director Qualifications. The Nominating/Governance Committee will evaluate prospective nominees using the standards and qualifications set forth in our Corporate Governance Principles and Practices and in our separate new director criteria. Prospective nominees must meet the Company's qualification requirements set forth in our Corporate Governance Principles and Practices and should have the highest professional and personal ethics and values, as well as broad experience at the policy-making level in business, government, education or public interest. Prospective nominees should be committed to enhancing stockholder value and should have sufficient time to devote to carrying out their duties and to provide insight based upon experience, talent, skill and expertise appropriate for the Board. Each prospective nominee must be willing and able to represent the interests of our stockholders.

Identifying and Evaluating Nominees for Directors. The Nominating/Governance Committee utilizes a variety of methods for identifying and evaluating nominees to serve as directors. The Nominating/Governance Committee assesses the current composition of the Board of Directors, the balance of management and independent directors and the need for Audit Committee expertise in its evaluation of prospective nominees. In the event that vacancies are anticipated, or otherwise arise, the Nominating/Governance Committee may seek recommendations from current Board members, professional search firms, outside legal, accounting and other advisors, or stockholders in order to locate qualified nominees. The Nominating/Governance Committee also evaluates each candidate in the context of maintaining and creating Board diversity, as previously discussed. After completing its evaluation, the Nominating/Governance Committee will make a recommendation to the full Board of Directors as to the persons who should be nominated by the Board of Directors, and the Board will determine the nominees after considering such recommendations.

Executive Sessions of Independent Directors

Our Corporate Governance Principles and Practices dictate that the non-management members of the Board of Directors will meet in executive session at least quarterly outside the presence of directors that are employees or officers of the Company. The non-management directors met in executive session four times during 2011. Peter Ax is our Lead Independent Director and presides over these executive session meetings.

Code of Ethics

We are committed to conducting business consistent with the highest ethical and legal standards. The Board of Directors has adopted a Code of Ethics, which is applicable to all employees, including our senior and executive management and our directors. The Code is available on our website at investors.meritagehomes.com and we will provide a print copy to any stockholder upon request.

Communications with the Board of Directors

Interested persons may communicate with the Board of Directors by writing to our Lead Independent Director at the address set forth on page 3.

COMPENSATION DISCUSSION AND ANALYSIS

The following discussion and analysis should be read in conjunction with the Summary Compensation Table and related tables that are presented immediately below.

Introduction and Summary

The purpose of this compensation discussion and analysis (CD&A) is to provide information about each material element of compensation that we pay or award to, or that is earned by, our NEOs. For our 2011 fiscal year, our NEOs were:

Steven J. Hilton, Chairman and Chief Executive Officer,

Larry W. Seay, Executive Vice President, Chief Financial Officer,

C. Timothy White, Executive Vice President, General Counsel and Secretary, and

Edgar Filing: Meritage Homes CORP - Form DEF 14A

Steven M. Davis, Executive Vice President, Chief Operating Officer

Table of Contents

This CD&A addresses and explains the numerical and related information contained in the summary compensation tables and includes actions regarding executive compensation that occurred during 2011, including the award of bonuses related to 2011 performance, and the adoption of any new, or the modification of any existing, compensation programs, if applicable.

2011 Environment

The economy and homebuilding markets continued to be challenged during 2011. The first half of 2011 was comparatively less successful than the first half of 2010, mostly due to an elevated level of 2010 sales and closings as a result of the federal homebuyer tax credit program, which expired in the second quarter of 2010 and translated into lower home closing revenue and sales for 2011 compared to the first half of 2010. To effectively operate in these difficult economic times, our executive management team remains focused on three main goals of (1) returning to and maintaining profitability, (2) generating positive cash flow and (3) strengthening our balance sheet.

Meritage finished 2011 on a positive note by posting gains in the fourth quarter in many of our key operating metrics and we continued to focus on generating greater profit on each sale while controlling our overhead expense. We took strategic actions through entering new markets during the year, commencing sales in the Raleigh-Durham, North Carolina market in the fourth quarter and announcing our entry into the Tampa, Florida market in December 2011. We believe that strategic investments in our new communities, markets and product offerings create a differentiated strategy that has lessened the impact of the current economic conditions and improved our operating leverage. Throughout 2011, we opened 78 new communities while closing out 72 communities, ending the year with 157 active communities

The profitability and growth of Meritage is dependent on the executive management's vision and actions to support these strategic goals and we feel we have taken, and continue to take, appropriate steps for Meritage to be well-positioned for success.

Overview

Compensation Philosophy and Objectives

Our executive compensation program is designed to drive and reward superior corporate performance both annually and over the long term while simultaneously striving to be externally competitive. We continually review our executive compensation program to ensure it reflects good governance practices and is in the best interests of stockholders, while meeting the following core objectives:

Pay for Performance A substantial portion of the total compensation for each NEO is intended to be variable on a pay-for-performance basis. The terms of the performance-based compensation contemplated in each NEO's employment agreement was based upon an assessment of external market data to ensure that the compensation formula is competitive relative to the compensation paid by companies with which we compete for executive talent. This compensation is derived based on (i) the performance of the Company as a whole, as measured against our peer group and (ii) the officer's role in the attainment of the Company's performance. Due to the ongoing economic recession and severe downturn in the homebuilding industry in recent years, the Compensation Committee has approved a greater percentage of long-term pay for performance awards to our NEOs than what has been our historical composition to more closely align the goals of management with those of our stockholders.

Stock Ownership We are committed to utilizing our compensation program to increase executive stock ownership over time. We believe that equity ownership directly aligns the interests of our executives with those of our stockholders and helps to focus our executives on long-term stockholder value creation. Commencing in 2007, we began to award restricted stock to our NEOs as we believe such awards provide our NEOs with an incentive to continue to increase long-term stockholder value, even during periods of declining stock prices. We believe the granting of equity awards is an important retention tool and is widely used in our industry.

Recruiting and Retention Due to the competitive nature of our industry, we are committed to providing total compensation opportunities that are competitive with, though not identical to, the practices of other large public homebuilders in our industry. We intend for our compensation program to be sufficiently aligned with industry practices so that we can continue to attract and retain outstanding executives who are motivated to help us achieve our mission.

Table of Contents

Compensation Peer Group

We compete with homebuilding companies of various sizes for executive talent, and therefore the Compensation Committee generally reviews composite market data reflecting the market median compensation paid to executives with similar roles. On an informal basis, the Company reviews the compensation of its NEOs and compares it to industry peers, analyzing the relationship of the relative amounts of the components of compensation (e.g., salary, bonus, equity compensation and other compensation) to the relative size of each peer company's revenues, assets and equity. For the past several years, the peer group has been comprised of approximately the top 12 public homebuilders and for the current year is comprised of Beazer Homes USA, Inc., D.R. Horton, Inc., Hovnanian Enterprises, Inc., KB Home, Lennar Corporation, M.D.C. Holdings, Inc., M/I Homes, Inc., NVR, Inc., PulteGroup, Inc., Ryland Group Inc., Standard Pacific Corp. and Toll Brothers, Inc.

This analysis includes a percentile ranking of the Company's NEOs' compensation as compared to the peer group's NEOs as well as a mathematical computation of predicted compensation assuming the relationship between compensation and revenue, assets or equity derived from the peer group is applied to Meritage Homes' financial results. Our analysis is informal in nature and is not by itself used to specifically set any particular element of compensation (whether salary, bonus, equity compensation, or otherwise) or compensation targets. Our analysis is used as an overall reasonableness check on the types and levels of compensation paid to our executive officers to ensure that the pay of our NEOs is not excessive, nor too low as to not be deemed a sufficient tool to attract and maintain key talent. The analysis is completed on a retrospective basis and as such, it is used as a guide for our Compensation Committee in setting reasonable future compensation levels and benefits.

While market data is an important factor considered by the Compensation Committee when setting compensation, it is only one of multiple factors, and the amount paid to each executive may be more or less than the composite market median based on the performance of the Company and the executive, the roles and responsibilities of the executive, experience level of the individual, internal equity and other factors that the Compensation Committee deems important.

Compensation Program and Payments

The key components of our executive compensation program are base salary, annual incentive compensation and long-term incentive compensation. In addition, our NEOs have the opportunity to participate in our company-wide 401(k) plan and to receive certain personal benefits, as described below. The employment agreements of our CEO and other NEOs were amended in 2010 and are further described in this proxy under the section "Employment Agreements in Effect for 2011".

At the 2011 Annual Stockholder meeting, our stockholders overwhelmingly supported our compensation program with 91% of total votes cast. In addition, we engaged with several of our largest stockholders, and their feedback on our compensation programs was very positive. The Compensation Committee considered the 2011 voting results and stockholder feedback and did make a few changes to our compensation programs. Tax gross-up for insurance premium reimbursements are to be eliminated beginning in fiscal year 2013, and we have implemented tighter restrictions on the re-pricing of options and SARS awards in our 2006 Plan.

Base Salary

The purpose of the base salary is to provide a fixed amount of cash compensation that is not variable and is generally competitive with market practices. Consistent with industry practice and our pay-for-performance objective, the base salary for each of our NEOs is designed to account for only a portion of their overall target compensation. As compared to our compensation peer group, we target our NEO salaries to be commensurate with other public homebuilders. We believe the NEO base salaries are appropriate based on the officers' roles, responsibilities, experience and contributions to the company, as well as market data.

Annual Incentive Compensation

In accordance with the terms of each NEO's employment agreement, each NEO is eligible for annual incentive compensation. As compared to our peer group, we target our NEO incentive compensation to be commensurate with other public homebuilders. The incentive compensation is designed to comply with the requirements of Section 162(m) of the Code to ensure the tax deductibility of incentive compensation paid to our NEOs. Under Section 162(m), we cannot deduct compensation in excess of \$1 million that is paid to an NEO in any year unless the compensation qualifies as performance-based compensation under Section 162(m).

Table of Contents

We believe investors within the public homebuilder industry look to several key financial metrics when valuing companies. These metrics include adjusted EBITDA, return on assets and return on equity. We believe these metrics are readily accepted by the capital markets and investment communities as key measures of a company's performance. The Compensation Committee has concluded that the combination of these metrics sets an optimal incentive program for our executive officers and aligns their interests with our stockholders. The Company believes that the use of these metrics together results in an appropriate and acceptable balance between operating results (adjusted EBITDA), balance sheet and capital resource management (return on asset and return on equity), and our success in these measures against peer companies. For our NEOs, we have structured the cash incentive component of their compensation to result in the possible award of a percentage of the Company's Adjusted EBITDA, as defined below. The level of the cash incentive award is based upon our financial performance compared to other public homebuilders in multiple metrics. If the Company compares favorably (e.g., the top half) in each metric (i.e., return on assets and return on equity), the executive is eligible for the maximum award, subject to formal Compensation Committee approval. Where the Company's performance falls in the lower levels of the metric, the executive is entitled to a lower, or no, bonus, also subject to formal Compensation Committee approval.

When determining the amount (or exclusion) of bonus and incentive compensation to be paid for 2011, the Compensation Committee reviewed and considered the following information:

Feedback from the full Board of Directors (excluding the CEO) regarding the performance of the CEO for 2011,

The financial and stock performance of the Company, comparable public companies and other companies in our industry with which we compete, including the total relative stockholder return of our Company and our competitors, and

Feedback from the CEO supporting the bonus and incentive compensation to be paid to each NEO, based on achieving their specified goals and their personal and departmental contributions to the Company.

For purposes of determining the executives' formula bonuses, Adjusted EBITDA means EBITDA adjusted to exclude impairments, one-time bond, refinancing and offering costs and significant litigation, settlement payments by the Company and similar costs associated with one-time extraordinary events as well as the deductions relating to the compensation of the Company's Chief Executive Officer, Chief Financial Officer, Chief Operating Officer and General Counsel.

The specific details of each NEO's 2011 incentive compensation are further described in this proxy under the section Compensation Discussion and Analysis Employment Agreements in Effect for 2011.

In 2011, the Executive Compensation Committee did not approve any performance-based bonuses for any of the NEOs because the Company did not earn positive Adjusted EBITDA, rendering the performance-based bonuses not applicable. The targets established in the NEOs employment agreements are reflected in the table below:

Measurement Criteria	Named Executive Officer			
	Steven J. Hilton	Larry W. Seay	C. Timothy White	Steven M. Davis

Discretionary Bonuses

In 2011, the Executive Compensation Committee approved discretionary bonuses to Messrs. Hilton, Seay, White and Davis, in the amount of \$800,000, \$375,000, \$400,000 and \$320,000, respectively, each of which were lower than the combined performance-based bonuses and

Edgar Filing: Meritage Homes CORP - Form DEF 14A

discretionary bonuses approved in 2010. The Compensation Committee considered the following key factors in determining to award discretionary bonuses and the amounts of those bonuses:

the Company's favorable year-over-year comparisons in key operating metrics as the year progressed;

the total compensation awarded to the NEOs under the new compensation arrangement calculations as compared to total compensation in our industry peer group to ensure our continued competitiveness;

Table of Contents

the Company's past and current performance, as well as the Company's past and current stock performance

the NEOs' individual contributions during a particularly challenging economic environment in 2011.

Long-Term Incentive Awards

Long-term incentives are intended to provide compensation opportunities based on the creation of stockholder value and an increase in our stock price. The upside potential of stock option awards will be realized by the NEOs only if our stock price performance improves over the vesting period and/or the term of the awards. Historically, stock options granted to our NEOs generally have had a five-year pro-rata vesting schedule and a seven-year term. Commencing in 2007, we began awarding our NEOs restricted stock awards as part of our total equity compensation structure. In addition, starting in 2009, we began granting performance-based restricted stock awards to our NEOs, as further discussed below. The restricted stock and performance-based restricted stock awards generally have either a three-year pro-rata or three-year cliff vesting schedule.

In connection with our equity awards, we have also adopted equity ownership requirements as further discussed below in the section Compensation Discussion and Analysis Security Ownership Requirements.

The Compensation Committee believes that equity awards provide a strong long-term incentive for our NEOs (and other officers and employees) that, along with their security ownership, help to align the interests of management with our stockholders. The Compensation Committee believes that these equity-based awards provide the opportunity for our executives to benefit from strong equity performance and, particularly in the case of the restricted stock awards, the NEOs focus on balancing stability and preservation of the stock value against being incentivized to potentially take on an imprudent level of additional risk to drive stock appreciation with equity awards such as stock options. The Company and the Compensation Committee also believe that an appropriate mix of cash compensation and non-cash compensation in the form of equity awards is necessary and appropriate because, among other reasons, equity-based awards do not require the use of our working capital. The Compensation Committee is mindful of the fact that equity awards represent an expense under generally accepted accounting principles and a cost to the Company and its stockholders in the form of dilution. Accordingly, we seek to achieve an appropriate balance between cash and non-cash compensation such that management is appropriately incentivized, our working capital and financial results are minimally affected and our stockholders do not experience undue dilution.

Other Compensation

The Compensation Committee does not believe in the extensive use of perquisites as a component of executive compensation. The Compensation Committee believes that the perquisites provided to our NEOs (above those received by all employees or officers in general) are limited, but help maintain the competitiveness of our compensation package as compared to our peer companies. The types of perquisites we provide to our NEOs generally consist of car allowances, and enhanced life and disability insurance.

Tax Considerations

Section 162(m) of the Code limits the deductibility of executive compensation paid by publicly held corporations to \$1 million for each NEO named in this proxy statement. The \$1 million limitation generally does not apply to compensation that is pursuant to a performance-based plan approved by stockholders. Our policy is to comply with the requirements of Section 162(m) and generally maintain deductibility for all executive compensation, although we reserve the right, as do most public companies, to make non-deductible payments where we determine it is in the best interests of Meritage and its stockholders.

At the 2006 Annual Meeting of Stockholders, our stockholders approved the 2006 Incentive Plan. The purpose of the 2006 Incentive Plan is to provide for annual incentive awards to the Company's key executives, including the NEOs, and it is the vehicle through which we pay our cash performance bonuses. The 2006 Incentive Plan is administered by the Compensation Committee and provides for cash awards payable to executives upon the attainment of certain predetermined performance goals for the Company. It is our intent that performance-based awards made pursuant to the 2006 Incentive Plan qualify as deductible compensation under Section 162(m) of the Code. Our stockholders reapproved the 2006 Incentive Plan at the 2010 Annual Meeting.

The current employment agreement for our CEO contemplates the payment of a base salary and benefits that will likely slightly exceed the limitations provided for under Section 162(m). It is not expected that we will incur a Section 162(m) excess resulting in a lost tax deduction that is material.

Security Ownership Requirements

In 2006, we adopted security ownership requirements for our directors and certain executive officers. The Board of Directors believes that these guidelines align the interests of our directors and executive officers with those of stockholders. Our directors and executive officers are required to comply with the following ownership guidelines:

Directors, two times annual director fees (exclusive of committee or lead director fees),

CEO, four times base salary, and

COO, CFO and General Counsel, one times base salary

In the case of the appointment of a new executive officer or director, such person is expected to comply with the requirements within three years of the date of appointment. In order to enable our directors and officers to prudently manage their personal financial affairs, our policy provides that once compliance is obtained, subsequent changes in stock price will not affect the person's compliance with the guidelines. For purposes of the security ownership requirement, stock options and non-vested restricted stock are not considered owned. As of December 31, 2011, all officers and directors were in compliance with their respective security ownership requirements.

Stock Options and Other Equity-Based Awards

Meritage has traditionally granted equity-based awards to directors, senior executive officers and other employees to provide a means for incentive compensation and to align the interests of management with the interest of Meritage's stockholders. In 2007, the Company began to grant restricted stock awards to select employees and since 2009, all equity awards company-wide have been comprised of restricted stock as a means of providing sufficient incentive compensation, bringing it more in line with industry trends.

In response to disclosure rules adopted by the SEC and other well-publicized stock option dating concerns, the Board of Directors of Meritage in 2006 approved comprehensive policies relating to the granting of stock options and other equity-based awards. Following is a summary of key aspects of our policies:

All stock option grants, restricted stock awards and other equity based awards (stock-based grants) must be approved by the Compensation Committee.

All stock-based grants will be approved at formal meetings (including telephonic) of the Compensation Committee.

The date for determining the strike price and similar measurements will be the date of the meeting (or a specified date shortly after the meeting) or, in the case of an employee, director or consultant not yet hired, appointed or retained, respectively, the subsequent date of hire, appointment or retention, as the case may be.

The annual stock-based grant shall be approved at a regularly scheduled meeting of the Compensation Committee during the first part of the year, but generally after the annual earnings release. We believe that coordinating the main annual award grant after our annual earnings release will generally result in this grant being made at a time when the public is in possession of all material information about us.

Edgar Filing: Meritage Homes CORP - Form DEF 14A

The customary annual grant to executive officers and directors shall generally occur approximately at the same time as the customary annual grant to other employees.

The Company shall not intentionally grant stock-based awards before the anticipated announcement of materially favorable news or delay the grant of stock-based awards until after the announcement of materially unfavorable news.

The Compensation Committee will approve stock-based grants only for persons specifically identified at the meeting by management.

Employment Agreements in Effect for 2011

In January 2010, we entered into new employment agreements with our CEO and each NEO, and the Compensation Committee negotiated and approved the terms of each of these agreements. Each agreement is scheduled to expire on December 31, 2012, subject to automatic one year renewal provisions unless on or before August 31, 2012 (or August 31 of any renewal term), the executive or the Company notifies the other that it wishes to terminate the agreement. Each of the employment agreements also includes a claw-back provision requiring the recovery by the Company of all or part of prior bonuses in the event the performance measure used to calculate the bonus is restated downward as a result of the executive's willful misconduct or gross negligence. We may recover any such claw-backs through an offset to future awards payable under the employment agreement, or from the executive directly. All NEOs have non-solicitation covenants, and Mr. Hilton's agreement also includes a non-compete covenant. A description of the other key components of each NEOs agreement follows.

Steven J. Hilton, CEO

Mr. Hilton's agreement provides Mr. Hilton with a base salary of \$1,017,500 per year, which can be adjusted from time to time, provided that it cannot be reduced without Mr. Hilton's consent. This agreement also provides that Mr. Hilton is entitled to reimbursement of reasonable and customary business expenses, reimbursements of amounts paid to purchase a \$5 million term life insurance policy, reimbursement of amounts paid to purchase disability and/or long-term care insurance providing for a monthly benefit up to \$20,000, use of a chartered airplane for business purposes only, and use of a Company-provided automobile.

Mr. Hilton's agreement also provides for an annual cash incentive bonus based on the Company's attainment of defined performance objectives as outlined in the matrix on page 28. Mr. Hilton's employment agreement also contemplates that for years after 2011, he will receive an annual option grant to acquire a minimum of 90,000 shares of stock at an exercise price equal to fair market value on the date of grant (or such equivalent number of shares subject to full value awards as the Compensation Committee determines in its discretion).

Larry W. Seay, Executive Vice President and Chief Financial Officer

Mr. Seay's agreement initially provides Mr. Seay with a base salary of \$500,000 per year, which can be adjusted from time to time, provided that it cannot be reduced without Mr. Seay's consent. This agreement also provides that Mr. Seay is entitled to reimbursement of reasonable and customary business expenses, a \$1,200 per month automobile allowance, to purchase disability and/or long-term care insurance providing for a monthly benefit up to \$20,000 and reimbursement of amounts paid to purchase a \$3 million term life insurance policy.

Mr. Seay's agreement also provides for an annual cash incentive bonus based on the Company's attainment of defined performance objectives as outlined in the matrix on page 28. Mr. Seay's employment agreement also contemplates that for years after 2011, he will receive an annual option grant to acquire a minimum of 36,667 shares of Company stock at an exercise price equal to fair market value on date of grant (or such equivalent number of shares subject to full value awards as the Compensation Committee determines in its discretion).

C. Timothy White, Executive Vice President, General Counsel and Secretary

Mr. White's agreement provides for a base salary of \$525,000 per year, which can be adjusted from time to time, provided that it cannot be reduced without Mr. White's consent. This agreement also provides that Mr. White is entitled to reimbursement of reasonable and customary business expenses, a \$1,200 per month automobile allowance, payments to purchase disability and/or long-term care insurance providing for a monthly benefit up to \$20,000 and reimbursement of amounts paid to purchase a \$3 million term life insurance policy.

Mr. White's agreement also provides for an annual cash incentive bonus based on the Company's attainment of defined performance objectives as outlines in the matrix on page 28. Mr. White's employment agreement also contemplates that for years after 2011, he will receive an annual option to purchase a minimum of 15,000 shares of Company stock at an exercise price equal to the fair market value on the date of grant (or such equivalent number of shares subject to full value awards as the Compensation Committee determines in its discretion).

Steven M. Davis, Executive Vice President and Chief Operating Officer

Mr. Davis' agreement provides for a base salary of \$500,000 per year, which can be adjusted from time to time, provided that it cannot be reduced without Mr. Davis' consent. This agreement also provides that Mr. Davis is entitled to reimbursement of reasonable and customary business expenses, a \$1,200 per month automobile allowance, payments to purchase disability and/or long-term care insurance providing for a monthly benefit up to \$20,000 and reimbursement of amounts paid to purchase a \$3 million term life insurance policy.

Mr. Davis' agreement also provides for an annual cash incentive bonus based on the Company's attainment of defined performance objectives as outlined in the matrix on page 28. Mr. Davis' employment agreement also contemplates that for years after 2011, he will receive an annual option to purchase a minimum of 15,000 shares of Company stock at an exercise price equal to the fair market value on the date of grant (or such equivalent number of shares subject to full value awards as the Compensation Committee determines in its discretion).

Discussion of CEO and NEO Compensation

Following is a discussion of the compensation paid, awarded or earned in 2011 to the Company's CEO and NEOs.

CEO Compensation

Meritage's CEO, Steven J. Hilton, was compensated in 2011 pursuant to the terms of his employment agreement, which provided for a base salary, an annual cash incentive bonus based on Company performance, if earned, and other customary executive benefits. Under this agreement, a substantial portion of Mr. Hilton's potential compensation was performance-based to align his goals and efforts with the interests of our stockholders.

Salary. Mr. Hilton was paid a base salary of \$1,017,500 in 2011.

Restricted Stock. In 2011, Mr. Hilton was granted 18,750 restricted stock awards. These awards cliff vest on the third anniversary of the date of grant. Additionally, Mr. Hilton was awarded 18,750 shares of performance-based restricted stock, which cliff vest only if the following performance criteria are met:

Number of Shares	Measurement Date	Performance Criteria
6,250	February 9, 2014	125% of 2013 Adjusted Pre-Tax Income is greater than budget or 2013 Adjusted Pre-tax Income is within \$9 million of budget
6,250	February 9, 2014	2013 Adjusted SG&A expense less than 15% of total revenue
6,250	February 9, 2014	2013 Customer Service Satisfaction Rating greater than 80

The number of shares and type of equity award for the 2011 grant was determined by the Compensation Committee and was deemed commensurate with compensation packages of other CEOs of public homebuilders when evaluated in connection with Mr. Hilton's total cash and equity compensation as discussed previously in this proxy statement.

In connection with the grant of his 2009 performance-based restricted stock, which was earned in 2011 and vested in 2012, the following analysis was completed:

The Company's Adjusted Pre-Tax Loss was \$5 million, which was not within \$9 million of budget and, when multiplied by 125%, was not equal to or greater than budget. Therefore, this performance trigger was not met and 11,250 performance-based restricted stock shares were forfeited. The budget for Adjusted Pre-Tax Income was \$13 million for 2011.

The Company's 2011 Adjusted G&A expense was \$64.1 million, which was less than 110% of the \$62.5 million budget. This performance trigger was met, releasing 6,750 shares of performance-based restricted stock.

The Company's 2011 Customer Service Satisfaction Rating exceeded 80. This performance trigger was met, releasing 4,500 shares of performance-based restricted stock.

Accordingly, Mr. Hilton received 11,250 shares of the Company's common stock on February 11, 2012.

Options. Mr. Hilton was not granted any options in 2011.

Edgar Filing: Meritage Homes CORP - Form DEF 14A

Performance-Based Bonus. For 2011, Mr. Hilton did not receive a cash performance-based bonus pursuant to the terms set forth in his employment agreement, as outlined on page 28 in this proxy statement. Mr. Hilton did receive a discretionary bonus of \$800,000 as discussed on page 28 of this proxy.

Table of Contents

Other Benefits. The Company also provided to Mr. Hilton other benefits consistent with our normal executive employment arrangements. These benefits are detailed in the All Other Compensation Table included in this proxy statement and in 2011 totaled less than \$31,000.

Other NEO Compensation

Following is a discussion of compensation paid during 2011 to the other NEOs named in this proxy statement.

Messrs. Seay, White and Davis were compensated in 2011 pursuant to the terms of their respective employment agreements, which provided for a base salary, a bonus based on Company performance, if earned, and other customary executive benefits. Under these agreements, a substantial portion of the NEOs' potential compensation is performance-based to align their goals and efforts with the interests of our stockholders.

Salary. Messrs. Seay, White and Davis were paid base salaries of \$500,000, \$525,000 and \$500,000, respectively, in 2011.

Restricted Stock. In 2011, Messrs. Seay, White and Davis were each granted 12,500 restricted stock awards. These awards cliff vest on the third anniversary of the date of grant. Additionally, Messrs. Seay, White and Davis were awarded 12,500 shares each of performance stock, which also cliff vest only if the following performance-based restricted criteria are met.

Number of

Shares	Measurement Date	Performance Criteria
4,167	February 9, 2014	125% of 2013 Adjusted Pre-Tax Income is greater than budget or 2013 Adjusted Pre-Tax Income is within \$9 million of budget
4,167	February 9, 2014	2013 Adjusted SG&A expense less than 15% of total revenue
4,166	February 9, 2014	2013 Customer Service Satisfaction Rating greater than 80

The number of shares and type of equity award for the 2011 grant was determined by the Compensation Committee and was deemed commensurate with compensation packages of other NEOs of public homebuilders when evaluated in connection with Messrs. Seay, White, and Davis total cash and equity compensation as discussed previously in this proxy statement.

In connection with the grant of their 2009 performance-based restricted stock, which was earned in 2011 and vested in 2012, the following analysis was completed:

The Company's Adjusted Pre-Tax Loss was \$5 million, which was not within \$9 million of budget and, when multiplied by 125%, was not equal to or greater than budget. Therefore, this performance trigger was not met and 7,500 shares of performance-based stock shares were forfeited. The budget for Adjusted Pre-Tax Income was \$13 million for 2011.

The Company's 2011 Adjusted G&A expense was \$64.1 million, which was less than 110% of the \$62.5 million budget. This performance trigger was met, releasing 4,500 shares of performance-based stock.

The Company's 2011 Customer Service Satisfaction Rating exceeded 80. This performance trigger was met, releasing 3,000 shares of performance-based stock.

Accordingly, Messrs. Seay, White and Davis each received 7,500 shares of the Company's common stock on February 11, 2012.

Options. Messrs. Seay, White and Davis were not granted any options in 2011.

Performance-Based Bonus. For 2011, Messrs. Seay, White and Davis did not receive cash performance-based bonuses pursuant to the terms set forth in their respective employment agreements as discussed previously in this proxy statement. However, Messrs. Seay, White and Davis received discretionary bonuses of \$375,000, \$400,000, and \$320,000, respectively, in 2011 as discussed on page 28 of this proxy.

Edgar Filing: Meritage Homes CORP - Form DEF 14A

Other Benefits. We also provided to Messrs. Seay, White and Davis other benefits consistent with our normal executive employment arrangements and his employment agreement. These benefits are detailed in the All Other Compensation Table included in this proxy statement and in 2011 totaled less than \$55,000, \$55,000, and \$42,000, respectively.

Table of Contents

As discussed above, since 2009, the Company conditioned some of its restricted stock award grants to NEOs on the achievement of performance criteria, specifically Adjusted Pre-Tax Income and G&A expenses being within a specified range and achievement of a certain level of customer service satisfaction rating. Following is a summary of the key reasons the Compensation Committee selected these metrics:

Adjusted Pre-Tax Income being within a specified range the Committee believes that in the current economic environment, it is important that the executive officers be accountable for managing the business towards the budget approved by the Board. The Compensation Committee also considered the metrics of revenue and net income, but determined pre-tax income was the most appropriate measure because revenue does not take into account profitability of our core operations and after-tax net income takes into account factors largely outside the control of management, such as the creation and relief of non-cash deferred tax valuation allowances due to accounting rules and tax laws. One of the Company's main goals during the recent economic downturn was to return to profitability and we believe Adjusted Pre-Tax Income appropriately measures management's success in achieving this goal.

Adjusted G&A being within a specified range the Committee believes that overhead cost control, particularly in the current economic environment, is critical to the success of the Company and that it is important to hold the executive officers accountable for managing costs within the budget approved by the Board.

Customer service satisfaction rating the Committee believes the long-term success of the Company is dependent on delivering quality homes with excellent customer service. In short, it is a fundamental prerequisite for almost any business to achieve high customer satisfaction. Accordingly, the Committee incorporated a customer service component.

- (1) As discussed in this proxy statement under the heading "Compensation Discussion and Analysis Compensation Programs and Payments Annual Incentive Compensation", pursuant to the terms of his employment agreement, Mr. Hilton was entitled to a performance-based bonus equal to 0.825% of Adjusted EBITDA if the Company's return on assets was in the top half of public homebuilders having revenues of \$500 million or more per year, and an additional 0.825% of Adjusted EBITDA if the Company's return on equity was in the top half of these public builders. If either measurement fell within the 33rd to 49th percentile, the bonus would be 0.5363% of Adjusted EBITDA for the applicable measurement. If either measurement fell below the 33% threshold, then there would not be any formula bonus paid with respect to such measurement. There was no target award and there was no dollar maximum bonus that could be earned.
- (2) As discussed in this proxy statement under the heading "Compensation Discussion and Analysis Compensation Programs and Payments Annual Incentive Compensation", pursuant to the terms of his employment agreement, Mr. Seay was entitled to a performance-based bonus equal to 0.20% of Adjusted EBITDA if the Company's return on assets was in the top half of public homebuilders having revenues of \$500 million or more per year, and an additional 0.20% of Adjusted EBITDA if the Company's return on equity was in the top half of these public builders. If either measurement fell within the 33rd to 49th percentile, the bonus would be 0.13% of Adjusted EBITDA for the applicable measurement. If either measurement falls below the 33% threshold, then there would not be any formula bonus paid with respect to such measurement. There was no target award and there was no dollar maximum bonus that could be earned.
- (3) As discussed in this proxy statement under the heading "Compensation Discussion and Analysis Compensation Programs and Payments Annual Incentive Compensation", pursuant to the terms of his employment agreement, Mr. White was entitled to a performance-based bonus equal to 0.15% of Adjusted EBITDA if the Company's return on assets was in the top half of public homebuilders having revenues of \$500 million or more per year, and an additional 0.15% of Adjusted EBITDA if the Company's return on equity was in the top half of these public builders. If either measurement fell within the 33rd to 49th percentile, the bonus would be 0.0975% of Adjusted EBITDA for the applicable measurement. If either measurement falls below the 33% threshold, then there would not be any formula bonus paid with respect to such measurement. If either measurement fell within the 33rd to 49th percentile, the bonus would be 0.21% of Adjusted EBITDA for the applicable measurement. If either measurement falls below the 33% threshold, then there would not be any formula bonus paid with respect to such measurement. Nonqualified Deferred Compensation Plans

We do not currently have a deferred compensation plan, and no NEOs deferred any compensation during 2011.

Potential Payments upon Termination or Change-of-Control**Summary**

During 2010, we entered into new employment agreements and change of control agreements with our CEO and each of our other NEOs. Under the terms of these agreements, our CEO and other NEOs are entitled to severance payments and other benefits in the event of certain types of terminations. These benefits can include cash payments, continuation of insurance benefits and the acceleration of outstanding stock options and restricted shares.

Following is a summary of the severance provisions contained in the employment agreements and change of control agreements between the Company and its NEOs.

Employment Agreements Severance Benefits

Each employment agreement provides the executive with severance benefits in certain situations upon his termination of employment. Following is a summary the potential severance payments and benefits depending on the reason for termination.

Voluntary termination by executive without Good Reason

If Steve Hilton voluntarily terminates his employment with the Company without Good Reason, he will be entitled to receive from the Company (i) his base salary through the date of termination and (ii) at the Company's option, a \$5 million severance payment in monthly installments of \$208,333.33 over a period of two years in consideration of the non-compete and non-solicitation covenants contained in his agreements.

If Larry Seay, C. Timothy White or Steven Davis voluntarily terminates his employment with the Company without Good Reason, he will be entitled to receive from the Company his base salary through the date of termination.

Voluntary termination by executive with Good Reason

If any executive voluntarily terminates his employment with Good Reason, he will be entitled to receive from the Company (i) his base salary through the date of termination and any bonus earned in a previous year but not yet paid, (ii) reimbursement of COBRA premiums and (iii) a severance payment equal to sum of (x) two times the executive's base salary on the date of termination and (y) two times the higher of (I) the executive's actual bonus compensation* earned for the two years prior to termination and (II) the annual bonus paid to the executive in the year preceding the date of termination; provided, however, with respect to (a) Mr. Hilton, his severance payment shall not be less than \$5 million and

Edgar Filing: Meritage Homes CORP - Form DEF 14A

shall not exceed \$10 million, (b) the severance payment for Messrs. Seay, White and Davis shall not exceed \$3 million, and (c) if Messrs. Seay, White or Davis employment is terminated during the last six months of the Company's fiscal year, he will also be paid a pro rata bonus for that fiscal year. In addition, any restricted stock, options and other equity-based awards shall become immediately accelerated and fully vested and exercisable and all restrictions on restricted stock awards shall immediately lapse.

Table of Contents

* Bonus compensation is determined as the greater of (i) the actual bonus paid to the executive or (ii) the fair value on the day of grant of the shares of the restricted stock, stock options and other equity awards that become vested in such year of termination.

Termination by the Company without Cause

If the Company terminates the executive Without Cause, each executive will be entitled to receive from the Company (i) his base salary through the date of termination and any bonus earned in a previous year but not yet paid, and, if such termination occurs during the final six months of the fiscal year, a pro rata portion of the bonus then in effect for that year, (ii) reimbursement of COBRA premiums and (iii) a severance payment as follows:

For Steven J. Hilton, the sum of (x) two times Mr. Hilton's base salary on the date of termination and (y) two times his average bonus compensation* earned for the two years prior to termination; provided, however, Mr. Hilton's severance payment shall not be less than \$5 million and shall not exceed \$10 million.

For Larry W. Seay, C. Timothy White and Steven Davis, sum of (x) one times the executive's base salary on the date of termination and (y) one times his actual bonus compensation* earned for the two years prior to termination; provided, however the severance payment for Messrs. Seay, White and Davis shall not exceed \$2 million.

In addition, any restricted stock, options and other equity-based awards shall become immediately accelerated and fully vested and exercisable and all restrictions on restricted stock awards shall immediately lapse.

* Bonus compensation is determined as the greater of (i) the actual bonus paid to the executive or (ii) the fair value on the day of grant of the shares of the restricted stock, stock options and other equity awards that become vested in such year of termination.

Termination by the Company for Cause

If the Company terminates any executive's employment for Cause, the executive will be entitled to receive only his base salary through the date of termination and any bonus earned in a previous year but not yet paid.

Death or Disability

If the executive's employment is terminated as a result of the executive's death or disability, the executive will be entitled to receive from the Company (i) his then current base salary through the date of termination and any bonus earned in the previous year but not paid, (ii) a pro rata portion of the executive's actual bonus for the year, and (iii) reimbursement of COBRA premiums. In addition, any restricted stock, options and other equity-based awards shall become immediately accelerated and fully vested and exercisable and all restrictions on restricted stock awards shall immediately lapse.

Change of Control Agreements Severance Benefits

General Terms

Effective Date: January 1, 2010

Termination Date: Effective so long as executive is employed by the Company

Triggering Event: Pursuant to each executive's change of control agreement, each executive is entitled to severance benefits if (i) his employment is terminated by the Company without Cause at anytime within 90 days prior to or within two years following a Change of Control or (ii) the executive terminates his employment for Good Reason at any time within two years following a Change of Control.

Table of Contents

Severance Benefits

For Steven J. Hilton, the severance payment is equal to the sum of (i) three times the higher of (x) Mr. Hilton's annual base salary on the date of termination or (y) his base salary on the date preceding the Change of Control and (ii) three times the highest of (x) Mr. Hilton's average annual incentive compensation* for the two years prior to termination of employment or (y) his annual incentive compensation* for the two years preceding the year in which the Change of Control occurred.

For Larry W. Seay, C. Timothy White and Steven Davis, the severance payment is equal to the sum of (i) two times the higher of (x) the executive's annual base salary on the date of termination or (y) the executive's base salary on the date preceding the Change of Control and (ii) two times the highest of (x) the executive's average annual incentive compensation* for the two years prior to termination of employment or (y) the executive's annual incentive compensation* for the year preceding the year in which the Change of Control occurred (for Mr. Seay) and the year preceding the year in which the termination occurred (for Messrs. White and Davis).

In addition, any restricted stock, options and other equity-based awards shall become immediately accelerated and fully vested and exercisable and all restrictions on restricted stock awards shall immediately lapse.

* Incentive compensation is determined as the sum of (a) the actual incentive compensation paid to executive and (b) the fair value on the date of grant of the shares of restricted stock, stock options and other equity-based awards that become vested in such year of termination.

Other Matters Regarding the Employment Agreements and Change of Control Agreements

The terms "Good Reason", "Cause" and "Change of Control" are defined in the employment and change of control agreements.

All severance payments under the employment agreements and change of control agreements are conditioned upon the delivery and non-revocation of a customary release by the executive in favor of the Company.

Each executive's employment agreement and change of control agreement is structured so that the executive is entitled to the greater benefit under the two agreements, but is not entitled to duplicative benefits.

Each of the employment agreements and change of control agreements include customary provisions concerning the timing, limitation and alteration of payments to comply with Section 409A of the Internal Revenue Code.

Consistent with the SEC's rules and regulations concerning executive compensation disclosure, the potential value of each executive's benefits assumes that the termination occurred on December 31, 2011, and with a closing stock price of \$23.19 on the last business day of 2011. The benefit derived from the acceleration of options was computed as the difference between the strike price and the closing price of our stock on the last day of 2011 for each option grant affected. Total termination benefits represent payments for severance, non-compete and non-disclosure covenants.

Under the 2006 Plan, awards other than stock options and stock appreciation rights are counted against the shares available for grant as 1.38 shares for every one share issued in connection with such awards.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Executive officers, directors and beneficial owners of more than ten percent of our common stock must file initial reports of ownership and changes in ownership with the SEC under Section 16(a) of the Exchange Act. SEC regulations require these reporting persons to furnish us with copies of all Forms 3, 4 and 5, and amendments thereto, that they file with the SEC. Based solely on our review of the copies of such forms furnished to us, or representations that no forms were required, we believe that during 2011 and through the date of this filing all of our officers, directors and greater than ten percent beneficial owners complied with all filing requirements of Section 16(a) of the Exchange Act.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Meritage maintains a written policy concerning conflict of interest transactions that generally applies, among other things, to transactions between the Company and related persons, including employees, officers and directors and applies to direct and indirect relationships and transactions. Because of the nature of our business, which involves the ownership, development, construction and sale of real estate and single family homes, our policy was carefully constructed to capture transactions and relationships between the Company or its competitors, and related persons and relationships between employees, directors, suppliers, vendors, subcontractors (trades) and others. At the same time, we were mindful to not inadvertently create the potential for conflicts relating to transactions that are primarily of a personal nature and do not involve the Company, or conflict with its business (for example, the construction of a vacation home or the purchase of a home from the Company pursuant to its home purchase policy that is available to most employees).

For transactions not exempted from the policy, Meritage's policy requires that designated members of senior management must review and approve any transaction between a covered person (e.g., employees, officers and directors) and the Company, or between a covered person and a

Edgar Filing: Meritage Homes CORP - Form DEF 14A

trade contractor. The policy provides that the Company's legal and internal audit departments are to be involved in the review and approval process. For transactions involving directors or senior executive officers (including the officers named in this proxy statement), the proposed transaction must be approved in advance by the Audit Committee of the Board of Directors. Real estate transactions between the Company and related persons are subject to strict scrutiny.

Each of the transactions listed below was approved by the Audit Committee of the Board of Directors pursuant to the policy.

During 2011, 2010 and 2009, we chartered aircraft services from companies in which Mr. Hilton has a significant ownership interest. Payments made to these companies were as follows:

Year Ended December 31

2011	2010	2009
\$288,000	\$ 234,000	\$ 200,000

During 2009, we entered into an FDIC insured bank deposit account agreement with Alliance Bank of Arizona (Alliance Bank) through the Certificate of Deposit Account Registry Service (CDARS). CDARS is an accepted and recognized service through which participating banks may accept and provide FDIC insurance coverage for large deposits that would otherwise exceed FDIC insurance limits (currently \$250,000) by placing, as custodian for the deposit customer (Meritage), that portion of the deposit exceeding FDIC insurance limits with other CDARS banks participating in the program such that for FDIC insurance purposes, the deposit is divided into insured amounts and deposited with other network banks to allow for full FDIC coverage. At December 31, 2011 we had placed cash deposits in the aggregate amount of \$149.4 million through Alliance Bank as the CDARS custodian or relationship bank. Alliance Bank has divided this amount into FDIC insured amounts deposited with other CDARS participating FDIC insured institutions. We do not pay any separate fees to Alliance Bank for this program. Rather, Alliance Bank receives a small fee from the other CDARS institutions for certain funds placed. Robert Sarver, a Meritage director, is a director and the chief executive officer of Western Alliance Bancorporation, the parent holding company of Alliance Bank. In addition, Steven Hilton, our Chairman and CEO is also a director of Western Alliance Bancorporation. During 2011, 2010 and 2009, we earned \$767,000, \$653,000 and \$93,000, respectively, of interest on deposits placed with Alliance Bank pursuant to the CDARS program.

REPORT OF THE AUDIT COMMITTEE

We have reviewed Meritage's audited consolidated financial statements and met with both management and Deloitte & Touche LLP, the Company's independent registered public accounting firm, to discuss those consolidated financial statements. Management has represented to us that the consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. We have also reviewed, and discussed with management and Deloitte & Touche LLP, management's report and Deloitte & Touche LLP's report and attestation on internal control over financial reporting in accordance with Section 404 of the Sarbanes-Oxley Act. We have received from and discussed with Deloitte & Touche LLP the written disclosure and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding independence. These items related to that firm's independence from Meritage. We also discussed with Deloitte & Touche LLP those matters required to be discussed by Statement on Auditing Standards No. 114, as amended, The Auditor's Communication with those charged with Governance and Rule 2-07 of Regulation S-X Communications with Audit Committees. Based on these reviews and discussions, we recommended to the Board that Meritage's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2011.

The Committee (or subcommittee thereof) shall consist of at least two individuals, each of whom qualifies as (i) a Non-Employee Director, and (ii) an outside director pursuant to Section 162(m) of the Code and the regulations issued thereunder.

4.2 **ACTION BY THE COMMITTEE.** A majority of the Committee shall constitute a quorum. The acts of a majority of the members present at any meeting at which a quorum is present, and acts approved in writing by a majority of the Committee in lieu of a meeting, shall be deemed the acts of the Committee. Each member of the Committee is entitled to, in good faith, rely or act upon any report or other information furnished to that member by any officer or other employee of the Company or any Subsidiary, the Company's independent registered public accountants, or any executive compensation consultant or other professional retained by the Company to assist in the administration of the Plan.

4.3 **AUTHORITY OF COMMITTEE.** Subject to any specific designation in the Plan, the Committee has the exclusive power, authority and discretion to:

(a) designate Participants to receive Awards;

- (b) determine the type or types of Awards to be granted to each Participant;
- (c) determine the number of Awards to be granted and the number of shares of Stock to which an Award will relate;
- (d) determine the terms and conditions of any Award granted pursuant to the Plan, including, but not limited to, the exercise price, grant price, or purchase price, any restrictions or limitations on the Award, any schedule for lapse of forfeiture restrictions or restrictions on the exercisability of an Award, and accelerations or waivers thereof, based in each case on such considerations as the Committee in its sole discretion determines; provided, however, that the Committee shall not (i) have the authority to accelerate the vesting or waive the forfeiture of any Performance-Based Awards, or (ii) take any action or fail to take any action with respect to the operation of the Plan that would cause all or part of the payment under any Award to be subject to the additional tax under Section 409A of the Code;
- (e) determine whether, to what extent, and pursuant to what circumstances an Award may be settled in, or the exercise price of an Award may be paid in, cash, Stock, other Awards, or other property, or an Award may be canceled, forfeited, or surrendered;
- (f) prescribe the form of each Award Agreement, which need not be identical for each Participant;
- (g) decide all other matters that must be determined in connection with an Award;
- (h) establish, adopt, or revise any rules and regulations as it may deem necessary or advisable to administer the Plan;
- (i) interpret the terms of, and any matter arising pursuant to, the Plan or any Award Agreement; and
- (j) make all other decisions and determinations that may be required pursuant to the Plan or as the Committee deems necessary or advisable to administer the Plan.

4.4 **DECISIONS BINDING.** The Committee's interpretation of the Plan, any Awards granted pursuant to the Plan, any Award Agreement and all decisions and determinations by the Committee with respect to the Plan are final, binding, and conclusive on all parties.

ARTICLE 5

SHARES SUBJECT TO THE PLAN

5.1 **NUMBER OF SHARES.** Subject to adjustment provided in Article 13, the aggregate number of shares of Stock reserved and available for grant pursuant to the Plan shall be **3,050,000**, plus (i) the number of shares of Stock available for grant pursuant to the Meritage Homes Corporation Stock Option Plan (Prior Plan) as of the Effective Date, and (ii) the number of shares of Stock that were previously granted pursuant to the Prior Plan and that either terminate, expire, or lapse for any reason after the Effective Date. Any shares of Stock issued in connection with Awards other than Options and Stock Appreciation Rights shall be counted against the shares available for grant pursuant to the previous sentence as 1.38 shares for every one share issued in connection with such Award or by which the Award is valued by reference. Notwithstanding the above, the maximum number of shares of Stock that may be awarded as Incentive Stock Options under the Plan is 1,200,000.

5.2 **LAPSED OR ASSUMED AWARDS.** To the extent that an Award terminates, expires, or lapses for any reason, any shares of Stock subject to the Award will again be available for the grant of an Award pursuant to the Plan. Additionally, to the maximum extent permitted by applicable law or any securities exchange rule, shares of Stock issued in assumption of, or in substitution for, any outstanding awards of any entity acquired in any form of combination by the Company or any Subsidiary shall not be counted against shares of Stock available for grant pursuant to this Plan. However, for avoidance of doubt, the exercise of a stock-settled SAR or net-cashless exercise of an Option (or a portion thereof) will reduce the number of shares of Stock available for issuance hereunder by the entire number of shares of Stock subject to that SAR or Option (or applicable portion thereof), even though a smaller number of shares of Stock will be issued upon such an exercise. Also, shares of Stock tendered to pay the exercise price of an Option or to satisfy a tax withholding obligation arising in connection with an Award will not become available for grant or sale under the Plan.

Table of Contents

5.3 **STOCK DISTRIBUTED.** Any Stock distributed pursuant to an Award may consist, in whole or in part, of authorized and unissued Stock, treasury Stock or Stock purchased on the open market.

5.4 **LIMITATION ON NUMBER OF SHARES SUBJECT TO AWARDS.** Notwithstanding any provision in the Plan to the contrary, and subject to the adjustment in Article 13, the maximum number of shares (counted, as described in Section 5.1 above, as 1.38 shares awarded for every one share issued in connection with such Award or by which the Award is valued by reference) of Stock with respect to one or more Awards that may be granted to any one Participant during a calendar year shall be 250,000.

ARTICLE 6

ELIGIBILITY AND PARTICIPATION

6.1 ELIGIBILITY.

(a) **General.** Persons eligible to participate in this Plan include all members of the Board, employees, officers, and executives of, and consultants and advisors providing services to, the Company or a Subsidiary, as determined by the Committee.

(b) **Foreign Participants.** In order to assure the viability of Awards granted to Participants employed in foreign countries, the Committee may provide for such special terms as it may consider necessary or appropriate to accommodate differences in local law, tax policy, or custom. Moreover, the Committee may approve such supplements to, or amendments, restatements, or alternative versions of, the Plan as it may consider necessary or appropriate for such purposes without thereby affecting the terms of the Plan as in effect for any other purpose; provided, however, that no such supplements, amendments, restatements, or alternative versions shall increase the share limitations contained in Article 5 of the Plan.

6.2 **ACTUAL PARTICIPATION.** Subject to the provisions of the Plan, the Committee may, from time to time, select from among all eligible individuals, those to whom Awards shall be granted and shall determine the nature and amount of each Award. No individual shall have any right to be granted an Award pursuant to this Plan.

ARTICLE 7

STOCK OPTIONS

7.1 **GENERAL.** The Committee is authorized to grant Options to Participants on the following terms and conditions:

(a) **Exercise Price.** The exercise price per share of Stock pursuant to an Option shall be determined by the Committee and set forth in the Award Agreement; provided that the exercise price for any Option shall not be less than the Fair Market Value as of the date of grant.

(b) **Time and Conditions of Exercise.** The Committee shall determine the time or times at which an Option may be exercised in whole or in part provided that the term of any Option granted under the Plan shall not exceed ten years. The Committee shall also determine the performance or other conditions, if any, that must be satisfied before all or part of an Option may be exercised. Unless otherwise provided in an Award Agreement, an Option will lapse immediately if a Participant's employment is terminated for Cause.

(c) **Payment.** The Committee shall determine the methods by which the exercise price of an Option may be paid, the form of payment, including, without limitation, cash, promissory note, shares of Stock held for longer than six months (through actual tender or by attestation), or other property acceptable to the Committee (including broker-assisted cashless exercise arrangements), and the methods by which shares of Stock shall be delivered or deemed to be delivered to Participants.

(d) **Evidence of Grant.** All Options shall be evidenced by a written Award Agreement between the Company and the Participant in the form attached to this Plan as Exhibit A. The Award Agreement shall include such additional provisions as may be specified by the Committee.

Table of Contents

7.2 INCENTIVE STOCK OPTIONS. Incentive Stock Options shall be granted only to employees and the terms of any Incentive Stock Options granted pursuant to the Plan must comply with the following additional provisions of this Section 7.2:

(a) **Exercise Price.** Subject to Section 7.2(d), the exercise price per share of Stock shall be set by the Committee, provided that the exercise price for any Incentive Stock Option may not be less than the Fair Market Value as of the date of the grant.

(b) **Exercise.** In no event, may any Incentive Stock Option be exercisable for more than ten years from the date of its grant.

(c) **Lapse of Option.** An Incentive Stock Option shall lapse pursuant to the following circumstances.

(i) The Incentive Stock Option shall lapse ten years from the date it is granted, unless an earlier time is set in the Award Agreement.

(ii) The Incentive Stock Option shall lapse upon termination of employment for Cause or for any other reason other than the Participant's death or Disability, unless otherwise provided in the Award Agreement.

(iii) If the Participant terminates employment on account of Disability or death before the Option lapses pursuant to paragraph (1) or (2) above, the Incentive Stock Option shall lapse, unless it is previously exercised, on the earlier of (i) the scheduled termination date of the Option; or (ii) 12 months after the date of the Participant's termination of employment on account of Disability or death. Upon the Participant's Disability or death, any Incentive Stock Options exercisable at the Participant's Disability or death may be exercised by the Participant's legal representative or representatives, by the person or persons entitled to do so pursuant to the Participant's last will and testament, or, if the Participant fails to make testamentary disposition of such Incentive Stock Option or dies intestate, by the person or persons entitled to receive the Incentive Stock Option pursuant to the applicable laws of descent and distribution.

(d) **Individual Dollar Limitation.** The aggregate Fair Market Value (determined as of the time an Award is made) of all shares of Stock with respect to which Incentive Stock Options are first exercisable by a Participant in any calendar year may not exceed \$100,000.00 or such other limitation as imposed by Section 422(d) of the Code, or any successor provision. To the extent that Incentive Stock Options are first exercisable by a Participant in excess of such limitation, the excess shall be considered Non-Qualified Stock Options.

(e) **Ten Percent Owners.** An Incentive Stock Option shall be granted to any individual who, at the date of grant, owns stock possessing more than ten percent of the total combined voting power of all classes of Stock of the Company only if such Option is granted at a price that is not less than 110% of Fair Market Value on the date of grant and the Option is exercisable for no more than five years from the date of grant.

(f) **Expiration of Incentive Stock Options.** No Award of an Incentive Stock Option may be made pursuant to this Plan after the tenth anniversary of the Effective Date.

(g) **Right to Exercise.** Except as provided in Section 12.5, during a Participant's lifetime, an Incentive Stock Option may be exercised only by the Participant.

ARTICLE 8

STOCK APPRECIATION RIGHTS

8.1 **GRANT OF SARs.** The Committee is authorized to grant SARs to Participants on the following terms and conditions:

(a) **Right to Payment.** Upon the exercise of a SAR, the Participant to whom it is granted has the right to receive the excess, if any, of:

(i) the Fair Market Value of a share of Stock on the date of exercise; over

(ii) the grant price of the SAR as determined by the Committee, which shall not be less than the Fair Market Value of a share of Stock on the date of grant.

Table of Contents

(b) **Term.** The term of each SAR shall not exceed ten years from the date of grant.

(c) **Other Terms.** All SARs grants will be evidenced by an Award Agreement. The terms, methods of exercise, methods of settlement, and any other terms and conditions of any SAR will be determined by the Committee at the time of the grant of the Award and as set forth in the Award Agreement; provided that the form of consideration payable in settlement of a SAR shall be Stock.

ARTICLE 9

PERFORMANCE SHARES

9.1 **GRANT OF PERFORMANCE SHARES.** The Committee is authorized to grant Performance Shares to Participants on such terms and conditions as may be selected by the Committee; provided, however and except as otherwise provided in Section 12.8 of the Plan, the minimum vesting period for Performance Share Awards shall be (i) one year in the case of non-tenure Performance Share Awards (i.e., Performance Share Awards subject to performance vesting criteria), and (ii) pro rata over three years in the case of tenure Performance Share Awards. Subject to Section 12.8, the Committee shall have the complete discretion to determine the number of Performance Shares granted to each Participant. All Awards of Performance Shares shall be evidenced by an Award Agreement.

9.2 **RIGHT TO PAYMENT.** A grant of Performance Shares gives the Participant rights, valued as determined by the Committee, and payable to, or exercisable by, the Participant to whom the Performance Shares are granted, in whole or in part, as the Committee shall establish at grant or thereafter. Subject to the terms of the Plan, the Committee shall set performance goals and other terms or conditions to payment of the Performance Shares in its discretion which, depending on the extent to which they are met, will determine the number and value of Performance Shares that will be paid to the Participant.

9.3 **OTHER TERMS.** Performance Shares may be payable in cash, Stock, or other property, and have such other terms and conditions as determined by the Committee and reflected in a written Performance Share Award Agreement. Unless otherwise provided in an Award Agreement, Performance Shares will lapse immediately if a Participant's employment is terminated for Cause.

ARTICLE 10

RESTRICTED STOCK AWARDS

10.1 **GRANT OF RESTRICTED STOCK.** The Committee is authorized to make Awards of Restricted Stock to Participants in such amounts and subject to such terms and conditions as determined by the Committee; provided, however and except as otherwise provided in Section 12.8 of the Plan, the minimum vesting period for Restricted Stock Awards shall be (i) one year in the case of non-tenure Restricted Stock Awards (i.e., Restricted Stock Awards subject to performance vesting criteria), and (ii) pro rata over three years in the case of tenure Restricted Stock Awards. All Awards of Restricted Stock shall be evidenced by a written Restricted Stock Award Agreement.

10.2 **ISSUANCE AND RESTRICTIONS.** Restricted Stock shall be subject to such restrictions on transferability and other restrictions as the Committee may impose (including, without limitation, limitations on the right to vote Restricted Stock or the right to receive dividends on the Restricted Stock). These restrictions may lapse separately or in combination at such times, pursuant to such circumstances, in such installments, or otherwise, as the Committee determines at the time of the grant of the Award or thereafter.

10.3 **FORFEITURE.** Except as otherwise determined by the Committee at the time of the grant of the Award or thereafter, upon termination of employment during the applicable restriction period, Restricted Stock that is at that time subject to restrictions shall be forfeited; provided, however, that the Committee may provide in any Restricted Stock Award Agreement that restrictions or forfeiture conditions relating to Restricted Stock will be waived in whole or in part in the event of terminations resulting from specified causes, and the Committee may in other cases waive in whole or in part restrictions or forfeiture conditions relating to Restricted Stock. Unless otherwise provided in an Award Agreement, Restricted Stock will be forfeited immediately if a Participant's employment is terminated for Cause.

10.4 **CERTIFICATES FOR RESTRICTED STOCK.** Restricted Stock granted pursuant to the Plan may be evidenced in such manner as the Committee shall determine. If certificates representing shares of Restricted Stock are registered in the name of the Participant, certificates must bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock, and the Company may, at its discretion, retain physical possession of the certificate until such time as all applicable restrictions lapse.

ARTICLE 11

PERFORMANCE-BASED AWARDS

11.1 **PURPOSE.** The purpose of this Article 11 is to provide the Committee the ability to qualify the Performance Share Awards pursuant to Article 9 and the Restricted Stock Awards pursuant to Article 10 as performance-based compensation pursuant to Section 162(m) of the Code. If the Committee, in its discretion, decides to grant a Performance-Based Award to a Covered Employee, the provisions of this Article 11 shall control over any contrary provision contained in Articles 9 or 10.

11.2 **APPLICABILITY.** This Article 11 shall apply only to those Covered Employees selected by the Committee to receive Performance-Based Awards. The Committee may, in its discretion, grant Restricted Stock Awards or Performance Share Awards to Covered Employees that do not satisfy the requirements of this Article 11. The designation of a Covered Employee as a Participant for a Performance Period shall not in any manner entitle the Participant to receive an Award for the period. Moreover, designation of a Covered Employee as a Participant for a particular Performance Period shall not require designation of such Covered Employee as a Participant in any subsequent Performance Period and designation of one Covered Employee as a Participant shall not require designation of any other Covered Employees as a Participant in such period or in any other period.

11.3 **DISCRETION OF COMMITTEE WITH RESPECT TO PERFORMANCE AWARDS.** With regard to a particular Performance Period, the Committee shall have full discretion to select the length of such Performance Period (provided, however, and except as otherwise provided in Section 12.8 of the Plan, that, in no event may the Performance Period be for less than one year), the type of Performance-Based Awards to be issued, the kind and/or level of the Performance Goal, and whether the Performance Goal is to apply to the Company, a Subsidiary or any division or business unit thereof. Unless otherwise provided in an Award Agreement, Performance-Based Awards will be forfeited if a Participant's employment is terminated for Cause.

11.4 **PAYMENT OF PERFORMANCE AWARDS.** Unless otherwise provided in the relevant Award Agreement, a Participant must be employed by the Company or a Subsidiary on the day a Performance Award for such Performance Period is paid to the Participant. Furthermore, a Participant shall be eligible to receive payment pursuant to a Performance-Based Award for a Performance Period only if the Performance Goals for such period are achieved. In determining the actual size of an individual Performance-Based Award, the Committee may reduce or eliminate the amount of the Performance-Based Award earned for the Performance Period, if in its sole and absolute discretion, such reduction or elimination is appropriate.

11.5 **MAXIMUM AWARD PAYABLE.** The maximum Performance-Based Award payable to any one Participant pursuant to the Plan for a Performance Period is 250,000 shares (counted, as described in Section 5.1 above, as 1.38 shares awarded for every one share issued in connection with such Award or by which the Award is valued by reference) of Stock. If the Performance Period is less than or exceeds 12 months, the share limit expressed in the preceding sentence shall be reduced or increased proportionately, as the case may be. For example, if the Performance Period is three years, the limit shall be increased by multiplying it by three.

ARTICLE 12

PROVISIONS APPLICABLE TO AWARDS

12.1 **STAND-ALONE AND TANDEM AWARDS.** Awards granted pursuant to the Plan may, in the discretion of the Committee, be granted either alone, in addition to, or in tandem with, any other Award granted pursuant to the Plan. Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards.

12.2 **TERM OF AWARD.** The term of each Award shall be for the period as determined by the Committee, provided that in no event shall the term of any Option or Stock Appreciation Right granted in tandem with the Incentive Stock Option exceed a period of ten years from the date of its grant.

12.3 **FORM OF PAYMENT FOR AWARDS.** Subject to the terms of the Plan and any applicable law or Award Agreement, payments or transfers to be made by the Company or a Subsidiary on the grant or exercise of an Award may be made in such forms as the Committee determines at or after the time of grant, including, without limitation, cash, promissory note, Stock held for more than six months, other Awards, or other property, or any combination, and may be made in a single payment or transfer, in installments, or on a deferred basis, in each case determined in accordance with rules adopted by, and at the discretion of, the Committee.

Table of Contents

12.4 LIMITS ON TRANSFER.

(a) **General.** Except as provided in Section 12.4(b) or Section 12.5, no right or interest of a Participant in any Award may be pledged, encumbered, or hypothecated to, or in favor of, any party other than the Company or a Subsidiary, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company or a Subsidiary. Except as provided in Section 12.4(b) or Section 12.5, and except as otherwise provided by the Committee, no Award shall be assigned, transferred, or otherwise disposed of by a Participant other than by will or the laws of descent and distribution.

(b) **Transfers to Family Members.** The Committee shall have the authority, in its discretion, to grant (or to sanction by way of amendment to an existing Award) Awards which may be transferred by the Participant during his or her lifetime to any Family Member (as defined below). Unless transfers for the Participant have been previously approved by the Committee, a transfer of an Award pursuant hereto may only be affected by the Company at the written request of the Participant. In the event an Award is transferred as contemplated herein, such transferred Award may not be subsequently transferred by the transferee (other than another transfer meeting the conditions herein) except by will or the laws of descent and distribution. A transferred Award shall continue to be governed by and subject to the terms and limitations of the Plan and relevant Award Agreement, and the transferee shall be entitled to the same rights as the Participant, as if the transfer had not taken place. For purposes of this Section 12.4(b), the term Family Member means spouse and any parent, stepparent, grandparent, child, stepchild, or grandchild, including adoptive relationships or a trust or any other entity in which these persons (or the Participant) have more than 50% of the beneficial interest.

12.5 BENEFICIARIES. Notwithstanding Section 12.4, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights pursuant to the Plan is subject to all terms and conditions of the Plan and any Award Agreement applicable to the Participant, except to the extent the Plan and Award Agreement otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If the Participant is married and resides in a community property state, a designation of a person other than the Participant's spouse as his beneficiary with respect to more than 50% of the Participant's interest in the Award shall not be effective without the prior written consent of the Participant's spouse. If no beneficiary has been designated or survives the Participant, payment shall be made to the person entitled thereto pursuant to the Participant's will or the laws of descent and distribution. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is provided to the Committee.

12.6 STOCK CERTIFICATES. Notwithstanding anything herein to the contrary, the Company shall not be required to issue or deliver any certificates evidencing shares of Stock pursuant to the exercise of any Award, unless and until the Board has determined, with advice of counsel, that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of any exchange on which the shares of Stock are listed or traded. All Stock certificates delivered pursuant to the Plan are subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with Federal, state, or foreign jurisdiction, securities or other laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Committee may place legends on any Stock certificate to reference restrictions applicable to the Stock. In addition to the terms and conditions provided herein, the Board may require that a Participant make such reasonable covenants, agreements, and representations as the Board, in its discretion, deems advisable in order to comply with any such laws, regulations, or requirements.

12.7 ACCELERATION UPON A CHANGE OF CONTROL. If a Change of Control occurs and Awards are converted, assumed, or replaced by a successor, the Committee shall have the discretion to cause all outstanding Awards to become fully exercisable and all restrictions on outstanding Awards to lapse. If a Change of Control occurs and Awards are not converted, assumed, or replaced by a successor, all outstanding Awards shall automatically become fully exercisable and all restrictions on outstanding Awards shall lapse. To the extent that this provision causes Incentive Stock Options to exceed the dollar limitation set forth in Section 7.2(d), the excess Options shall be deemed to be Non-Qualified Stock Options. Upon, or in anticipation of, such an event, the Committee may cause every Award outstanding hereunder to terminate at a specific time in the future and shall give each Participant the right to exercise Awards during a period of time as the Committee, in its sole and absolute discretion, shall determine.

CHANGES IN CAPITAL STRUCTURE

13.1 **SHARES AVAILABLE FOR GRANT.** In the event of any change in the number of shares of Stock outstanding by reason of any stock dividend or split, recapitalization, merger, consolidation, combination or exchange of shares or similar corporate change, the maximum aggregate number of shares of Stock with respect to which the Committee may grant Awards, the number of shares of Stock subject to any Award, and any numeric limitation expressed in the Plan shall be appropriately adjusted by the Committee.

13.2 **OUTSTANDING AWARDS INCREASE OR DECREASE IN ISSUED SHARES WITHOUT CONSIDERATION.** Subject to any required action by the stockholders of the Company, in the event of any increase or decrease in the number of issued shares of Stock resulting from a subdivision or consolidation of shares of Stock or the payment of a stock dividend (but only on the shares of Stock), or any other increase or decrease in the number of such shares effected without receipt or payment of consideration by the Company, the Committee shall proportionally adjust the number of shares of Stock subject to each outstanding Award and the exercise price per share of Stock of each such Award.

13.3 **OUTSTANDING AWARDS CERTAIN MERGERS.** Subject to any required action by the stockholders of the Company, in the event that the Company shall be the surviving corporation in any merger or consolidation (except a merger or consolidation as a result of which the holders of shares of Stock receive securities of another corporation), each Award outstanding on the date of such merger or consolidation shall pertain to and apply to the securities that a holder of the number of shares of Stock subject to such Award would have received in such merger or consolidation.

13.4 **OUTSTANDING AWARDS OTHER CHANGES.** In the event of any other change in the capitalization of the Company or corporate change other than those specifically referred to in Article 13, the Committee may, in its absolute discretion, make such adjustments in the number and class of shares subject to Awards outstanding on the date on which such change occurs and in the per share exercise price of each Award as the Committee may consider appropriate to prevent the dilution or enlargement of rights relating to Awards granted under the Plan.

13.5 **NO OTHER RIGHTS.** Except as expressly provided in the Plan, no Participant shall have any rights by reason of any subdivision or consolidation of shares of stock of any class, the payment of any dividend, any increase or decrease in the number of shares of stock of any class or any dissolution, liquidation, merger, or consolidation of the Company or any other corporation. Except as expressly provided in the Plan, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number of shares of Stock subject to an Award or the exercise price of any Award.

AMENDMENT, MODIFICATION, AND TERMINATION

14.1 **AMENDMENT, MODIFICATION, AND TERMINATION.** With the approval of the Board, at any time and from time to time, the Committee may terminate, amend or modify the Plan; provided, however, that (i) to the extent necessary and desirable to comply with any applicable law, regulation, or stock exchange rule, the Company shall obtain stockholder approval of any Plan amendment in such a manner and to such a degree as required, (ii) shareholder approval is required for any amendment to the Plan that (A) increases the number of shares available under the Plan (other than any adjustment as provided by Article 13), (B) permits the Committee to grant Options with an exercise price that is below Fair Market Value on the date of grant, (C) permits the Committee to extend the exercise period for an Option beyond ten years from the date of grant, or (D) permits the Committee to reprice previously granted Options, and (iii) no such action shall be taken that would cause all or part of the payment under any Award to be subject to the additional tax under Section 409A of the Code. **Except in connection with a corporate transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, or exchange of shares), the terms of outstanding Options or SAR awards may not, without stockholder approval, be amended to reduce the exercise price of, or cancel such outstanding Options or SARs in exchange for cash, other awards, Options or SARs, with an exercise price that is less than the exercise price of the original Options or SARs.**

14.2 **AWARDS PREVIOUSLY GRANTED.** No termination, amendment, or modification of the Plan shall adversely affect in any material way any Award previously granted pursuant to the Plan without the prior written consent of the Participant.

ARTICLE 15

GENERAL PROVISIONS

15.1 **NO RIGHTS TO AWARDS.** No Participant, employee, or other person shall have any claim to be granted any Award pursuant to the Plan, and neither the Company nor the Committee is obligated to treat Participants, employees, and other persons uniformly.

15.2 **NO STOCKHOLDERS RIGHTS.** No Award gives the Participant any of the rights of a stockholder of the Company unless and until shares of Stock are in fact issued to such person in connection with such Award.

15.3 **WITHHOLDING.** The Company or any Subsidiary shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy Federal, state, and local taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any taxable event concerning a Participant arising as a result of this Plan. With the Committee's consent, a Participant may elect to (i) have the Company withhold from those shares of Stock that would otherwise be received upon the exercise of any Option, a number of shares having a Fair Market Value equal to the minimum statutory amount necessary to satisfy the Company's applicable federal, state, local or foreign income and employment tax withholding obligations with respect to such Participant, or (ii) tender previously-owned shares of Stock held by the Participant for six months or longer to satisfy the Company's applicable federal, state, local, or foreign income and employment tax withholding obligations with respect to the Participant.

15.4 **NO RIGHT TO EMPLOYMENT OR SERVICES.** Nothing in the Plan or any Award Agreement shall interfere with or limit in any way the right of the Company or any Subsidiary to terminate any Participant's employment or services at any time, nor confer upon any Participant any right to continue in the employ or service of the Company or any Subsidiary.

15.5 **UNFUNDED STATUS OF AWARDS.** The Plan is intended to be an unfunded plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Agreement shall give the Participant any rights that are greater than those of a general creditor of the Company or any Subsidiary.

15.6 **INDEMNIFICATION.** To the extent allowable pursuant to applicable law, each member of the Committee or of the Board shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action or failure to act pursuant to the Plan and against and from any and all amounts paid by him or her in satisfaction of judgment in such action, suit, or proceeding against him or her provided he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled pursuant to the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

15.7 **RELATIONSHIP TO OTHER BENEFITS.** No payment pursuant to the Plan shall be taken into account in determining any benefits pursuant to any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Subsidiary.

15.8 **EXPENSES.** The expenses of administering the Plan shall be borne by the Company and its Subsidiaries.

15.9 **TITLES AND HEADINGS.** The titles and headings of the Sections in the Plan are for convenience of reference only and, in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

15.10 **FRACTIONAL SHARES.** No fractional shares of Stock shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional shares or whether such fractional shares shall be eliminated by rounding up or down as appropriate.

15.11 **SECURITIES LAW COMPLIANCE.** With respect to any person who is, on the relevant date, obligated to file reports pursuant to Section 16 of the Exchange Act, transactions pursuant to this Plan are intended to comply with all applicable conditions of Rule 16b-3 or its successors pursuant to the Exchange Act. To the extent any provision of the Plan or action by the Committee fails to so comply, it shall be void to the extent permitted by law and voidable as deemed advisable by the Committee.

15.12 **GOVERNMENT AND OTHER REGULATIONS.** The obligation of the Company to make payment of awards in Stock or otherwise shall be subject to all applicable laws, rules, and regulations, and to such approvals by government agencies as may be required. The Company shall be under no obligation to register pursuant to the Securities Act of 1933, as amended, any of the shares of Stock paid pursuant to the Plan. If the shares paid pursuant to the Plan may in certain circumstances be exempt from registration pursuant to the Securities Act of 1933, as amended, the Company may restrict the transfer of such shares in such manner as it deems advisable to ensure the availability of any such exemption.

15.13 **GOVERNING LAW.** The Plan and all Award Agreements shall be construed in accordance with and governed by the laws of the State of Maryland.

15.14 **SECTION 409A.** If any payments under this Plan are subject to the provisions of Section 409A of the Code, it is intended that the terms of this Plan will comply fully with and meet all the requirements of Section 409A of the Code.
