***Item 6: Indemnification of Directors and Officers.***

The Delaware General Corporation Law permits Delaware corporations to eliminate or limit the monetary liability of directors to a corporation or its shareholders for breach of their fiduciary duty of care, and also provides for indemnification of directors, officers, employees and agents, subject to limitations.

The last paragraph of Article Seventh of Rockwell Automation's Restated Certificate of Incorporation eliminates monetary liability of directors to Rockwell Automation and its shareowners for breach of fiduciary duty as directors to the extent permitted by Delaware law.

Section 13 of Article III of Rockwell Automation's By-Laws and the appendix thereto entitled Procedures for Submission and Determination of Claims for Indemnification Pursuant to Article III, Section 13 of the By-Laws provide, in substance, for the indemnification of directors, officers, employees and agents of Rockwell Automation to the extent permitted by Delaware law.

Rockwell Automation's directors and officers are insured against certain liabilities for actions taken in such capacities, including liabilities under the Securities Act.

In addition, Rockwell Automation and certain other persons may be entitled under agreements entered into with agents or underwriters to indemnification by such agents or underwriters against certain liabilities, including liabilities under the Securities Act, or to contribution with respect to payments which Rockwell Automation or such persons may be required to make in respect thereof.

**Item 9: Undertakings.**

A. Rockwell Automation hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement: (i) to include any prospectus required by Section 10(a)(3) of the Securities Act; (ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that clauses (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those clauses is contained in reports filed with or furnished to the Commission by Rockwell Automation pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act, each filing of Rockwell Automation's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

B. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of Rockwell Automation pursuant to the foregoing provisions, or otherwise, Rockwell Automation has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by Rockwell Automation of expenses incurred or paid by a director, officer or controlling person of Rockwell Automation in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, Rockwell Automation will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
