Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On and effective as of May 17, 2012, the General Partner of Plains All American Pipeline, L.P. (the Partnership) amended and restated the Third Amended and Restated Agreement of Limited Partnership of the Partnership by executing the Fourth Amended and Restated Agreement of Limited Partnership (the Fourth Amended and Restated Partnership Agreement), a copy of which is filed as Exhibit 3.1 hereto and is incorporated into this report by reference. Set forth below is a description of the provisions that were adopted or changed by the Fourth Amended and Restated Partnership Agreement:

numerous provisions and portions of text that related to the subordinated units were deleted given that all of the subordinated units have previously converted into common units and such provisions have no ongoing relevance;

the special allocation provisions in Section 6.1(d) were modified to clarify the general partner's authority to make curative allocations in certain circumstances and to correct an erroneous reference under a heretofore unused priority allocation provision;

various provisions were updated to reflect current or known information such as a new address for the Partnership's registered agent and the designation of specific dates or prices that are now known but which were previously referenced by general descriptions; and

the text of all amendments executed since the date of the Third Amended and Restated Agreement of Limited Partnership were incorporated into the Fourth Amended and Restated Partnership Agreement so that all such amendments, together with the changes described above, would be reflected in a single document.
