(e) Neither the Reporting Persons nor, to the knowledge of the Reporting Persons, any person identified on Schedule A attached hereto during the last five years was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws, except as described below.

### Item 3. Source and Amount of Funds or Other Consideration

The Tender and Support Agreements (as defined in Item 4 below) were entered into among Riverbed, Acquisition Sub and OPNET's founders, Marc A. Cohen and Alain J. Cohen (collectively, the Tendering Stockholders ). The Tendering Stockholders entered into the Tender and Support Agreements as an inducement to Riverbed and Acquisition Sub to enter into the Merger Agreement (as defined in Item 4 below). Neither Riverbed nor Acquisition Sub paid additional consideration to the Tendering Stockholders in connection with the execution and delivery of the Tender and Support Agreements and thus no funds were used for such purpose.

In connection with the Offer (as defined in Item 4 below), Acquisition Sub estimates that it will need approximately \$865,000,000 to purchase all of the shares of OPNET Common Stock (as defined in Item 4 below) pursuant to the Offer (assuming that all such shares of OPNET Common Stock are validly tendered and not withdrawn). Riverbed and Acquisition Sub expect to fund these payments through: (i) bridge facility loan commitments from Morgan Stanley Senior Funding, Inc. ( Morgan Stanley ) and Goldman Sachs Bank USA ( Goldman Sachs ) and, together with Morgan Stanley, the Commitment Parties ) in an aggregate principal amount of up to \$500,000,000; and (ii) cash on hand.

A commitment letter (the Commitment Letter ) from the Commitment Parties, dated October 28, 2012, sets forth the terms pursuant to which the Commitment Parties have committed to provide bridge financing to Riverbed. There are various conditions to the obligation of the Commitment Parties to provide the bridge financing, including, among others: (i) consummation of the Offer (as defined in Item 4 ) substantially concurrently to the funding of the bridge financing; (ii) all fees and expenses required to be paid pursuant to the Commitment Letter having been paid; (iii) the execution and delivery of all documentation relevant to the bridge financing by Riverbed and Acquisition Sub; (iv) since June 30, 2012, no Company Material Adverse Effect (as defined in the Merger Agreement) having occurred; (v) the accuracy of certain of Riverbed's and OPNET's representations in the Merger Agreement; and (vi) the accuracy of certain of Riverbed's and Acquisition Sub's representations and warranties in the Commitment Letter. The foregoing description of the Commitment Letter is qualified in its entirety by reference to the full text of the Commitment Letter, which is included as Exhibit 7.1 to this 13D and which is incorporated by reference herein.

**Item 4: Purpose of Transaction**

(a) (b) On October 28, 2012, Riverbed entered into an Agreement and Plan of Merger (the Merger Agreement ), by and among OPNET, Octagon Acquisition Corp. and Riverbed, pursuant to which Acquisition Sub will, on the terms and subject to the conditions thereof, commence an exchange offer (the Offer ) to acquire all of the outstanding shares of common stock, par value \$0.001, of OPNET ( OPNET Common Stock ) in exchange for consideration, per share of OPNET Common Stock, comprised of: (i) \$36.55, net to the seller in cash; and (ii) 0.2774 of a share of Riverbed common stock, par value \$0.0001 (together, the Offer Price ), without interest. Following consummation of the Offer, on the terms and subject to the conditions set forth in the Merger Agreement, Acquisition Sub will merge with and into OPNET with OPNET surviving as a wholly-owned subsidiary of Riverbed (the Merger ). Upon the Merger being effective, shares of OPNET Common Stock not tendered and accepted pursuant to the Offer (other than shares of OPNET Common Stock owned directly or indirectly by OPNET, Riverbed or Acquisition Sub, or any of their respective subsidiaries, or shares of OPNET Common Stock as to which appraisal rights have been perfected in accordance with applicable law), will be cancelled and converted into the right to receive the Offer Price.

Consummation of the Offer is subject to various conditions set forth in the Merger Agreement, including, but not limited to: (i) the valid tender (excluding shares of OPNET Common Stock tendered pursuant to guaranteed delivery procedures that are not yet delivered in settlement or satisfaction of such guarantee), without proper withdrawal, of a number of shares of OPNET Common Stock that, together with any shares of OPNET Common Stock owned by Riverbed or Acquisition Sub, represents at least a majority of the outstanding shares of OPNET Common Stock, on a fully-diluted basis (as though all rights and convertible securities convertible into or exercisable or exchanged for shares of OPNET Common Stock had been so converted, exercised or exchanged); (ii) the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended; (iii) the registration statement for Riverbed's common stock issuable in connection with the Offer and the Merger being declared effective by the Securities and Exchange Commission and not subject to any stop order threatened or initiated against Riverbed with respect to the Offer; (iv) there not having occurred since October 28, 2012 a Company Material Adverse Event (as defined in the Merger Agreement) and no event shall have occurred or circumstances shall exist that, in combination with any other events or circumstances would reasonably be expected to have or result in a Company Material Adverse Event; (v) the Marketing Period (as defined in the Merger Agreement) shall have been completed; and (vi) Acquisition Sub or Riverbed receiving the proceeds of the financing to effect the Offer and the Merger. Subject to the terms of the Merger Agreement, Acquisition Sub or Riverbed reserve the absolute right in its sole discretion to waive any of the specified conditions of the Offer in the case of any shares of OPNET Common Stock tendered other than the condition set forth in clause (i) above; *provided that* Acquisition Sub is required to waive the condition in clause (vi) above, if, on the sixth business day prior to the Expiration Date (as defined in the Merger Agreement), Riverbed reasonably believes that it will obtain the financing on the Expiration Date.

As an inducement to Riverbed and Acquisition Sub to enter into the Merger Agreement, the Tendering Stockholders each entered into a Tender and Support Agreement (collectively, the Tender and Support Agreements ), pursuant to which the Tendering Stockholders have agreed to tender in the Offer all issued and outstanding shares of OPNET Common Stock now owned or hereafter acquired by them and, if necessary, to vote any such shares of OPNET Common Stock in favor of the transactions contemplated by the Merger Agreement. As of October 28, 2012, the Tendering Stockholders beneficially owned an aggregate of 7,485,772 shares of OPNET Common Stock (which number includes the options to purchase an aggregate of 48,000 shares of OPNET Common Stock which are exercisable within 60 days after October 28, 2012, leaving an aggregate of 7,437,772 shares that are actually issued and outstanding as of October 28, 2012).

The foregoing descriptions of the Merger Agreement and the Tender and Support Agreements in this Schedule 13D are qualified in their entirety by reference to the full text of such agreements included as Exhibits 7.2 and 7.3, respectively, which are incorporated by reference herein.

(c) Not applicable.

(d) The Merger Agreement requires that the board of directors of OPNET unanimously vote to: (i) determine that the Merger Agreement and the transactions contemplated therein, including the Offer and the Merger, are fair to and in the best interests of the Company's stockholders; (ii) approve and adopt the Merger Agreement and approve the transactions contemplated therein, including the Offer and the Merger, in accordance with the requirements of the General Corporation Law of the State of Delaware (the DGCL ); (iii) declare the advisability of the Merger Agreement; (iv) resolve to recommend that the stockholders of the Company accept the Offer and tender their shares of OPNET Common Stock to Acquisition Sub pursuant to the Offer and, to the extent required

to consummate the Merger, approve the Merger; (v) to the extent necessary, adopt a resolution having the effect of causing the Company not to be subject to any fair price, moratorium, control share acquisition, interested stockholder, business combination or similar restriction set forth in any state takeover law or other Legal Requirement that might otherwise apply to the Tender and Support Agreements, the Offer, the Merger or any of the other transactions contemplated in the Merger Agreement; and (vi) direct that the approval of this Agreement be submitted to the stockholders of OPNET, as promptly as practicable after the Acceptance Time, if required to consummate the Merger under the DGCL.

If Acquisition Sub accepts shares of OPNET Common Stock for payment pursuant to the Offer, under the Merger Agreement, Riverbed will become entitled to designate to serve on OPNET's board of directors, the number of directors, rounded up to the next whole number, determined by multiplying: (i) the total number of directors on OPNET's board of directors; by (ii) a fraction having a numerator equal to the aggregate number of shares of OPNET common stock then beneficially owned by Riverbed or Acquisition Sub (including all shares of OPNET common stock accepted for payment pursuant to the Offer), and having a denominator equal to the total number of shares of OPNET common stock then issued and outstanding, *provided, however*, that in no event shall Riverbed's director designees constitute less than a majority of the entire board of directors of OPNET. OPNET shall take all action necessary to cause Riverbed's designees to be elected or appointed to OPNET's board of directors, including seeking and accepting resignations of incumbent directors and, if such resignations are not obtained, increasing the size of OPNET's board of directors.

OPNET shall further use reasonable efforts to ensure that, at all times prior to the close of the Offer, at least two of the members of OPNET's board of directors are individuals who were directors of OPNET on the date of the Merger Agreement (Continuing Directors); *provided, however*, that: (x) if at any time prior to the Merger becoming effective there shall be only one Continuing Director serving as a director of OPNET for any reason, then OPNET's board of directors shall cause an individual selected by the remaining Continuing Director to be appointed to serve on OPNET's board of directors; and (y) if at any time prior to the Merger becoming effective no Continuing Directors remain on OPNET's board of directors, then OPNET's board of directors shall appoint two individuals who are not officers, employees or Affiliates of OPNET, Riverbed or Acquisition Sub to serve on OPNET's board of directors.

(e) Under the terms of the Merger Agreement, OPNET may not: (i) declare, accrue, set aside or pay any dividend or make any other distribution in respect of any shares of capital stock, or repurchase, redeem or otherwise reacquire any shares of capital stock or other securities; or (ii) sell, issue, grant or authorize the issuance or grant of: (A) any shares of capital stock or other security; (B) any option, call, warrant or right to acquire any shares of capital stock or other security; or (C) any instrument convertible into or exchangeable for any shares of capital stock or other security, in each case except under limited circumstances as set forth in the Merger Agreement.

(f) If the transactions contemplated by the Merger Agreement are consummated, the surviving corporation in the Merger will become a wholly-owned subsidiary of Riverbed.

(g) The Merger Agreement contains provisions that limit the ability of OPNET and specified representatives of OPNET to engage in a transaction that would entail a change of control of OPNET (other than the transactions contemplated by the Merger Agreement) during the pendency of the transactions contemplated by the Merger Agreement.

(h) Pursuant to the Merger Agreement, OPNET will apply for delisting of its common stock from The Nasdaq Stock Market promptly after the consummation of the Merger.

(i) Upon consummation of the transactions contemplated by the Merger Agreement, the shares of OPNET Common Stock may become eligible for termination of registration pursuant to Section 12(g)(4) of the Act.

(j) Other than as described above, Riverbed currently has no plan or proposal which relates to, or may result in, any of the matters described in Item 4(a) (i) of this Schedule 13D (although Riverbed reserves the right to develop such plans).

#### **Item 5. Interest in Securities of the Issuer**

(a)-(b) As described in Item 4(a)-(b) of this Schedule 13D, as a result of the Tender and Support Agreements, Riverbed and Acquisition Sub share the power to vote or to direct the vote of the securities subject to the Tender and Support Agreements with respect to certain matters as set forth in such Tender and Support Agreements. In addition, as a result of the Tender and Support Agreements, Riverbed and Acquisition Sub share the power to dispose or to direct the disposition with respect to the securities subject to the Tender and Support Agreements. As of October 28, 2012, the number of issued and outstanding shares of OPNET Common Stock subject to the Tender and Support Agreements represented in the aggregate approximately 32.8% of the issued and outstanding shares of OPNET Common Stock (based on the total number of issued and outstanding shares of OPNET Common Stock as

represented by OPNET in the Merger Agreement). The Reporting Persons, however, hereby disclaim beneficial ownership of such shares of OPNET Common Stock and this Schedule 13D shall not be construed as an admission that the Reporting Persons are, for any or all purposes, beneficial owners of the securities covered by this Schedule 13D. Except as set forth in this Schedule 13D, no shares of OPNET Common Stock are beneficially owned by the Reporting Persons or, to the knowledge of the Reporting Persons, any person listed on Schedule A to this Schedule 13D. The description contained in this Item 5 of the transactions contemplated by the Tender and Support Agreements is qualified in its entirety by reference to the full text of the Tender and Support Agreements, a form of which is included with this Schedule 13D as Exhibit 7.3 and is incorporated herein by reference.

Schedule B to this Schedule 13D sets forth, to the knowledge of the Reporting Persons, the following information for those natural persons with whom the Reporting Persons share the power to vote or to direct the vote or to dispose or to direct the disposition of the securities subject to the Tender and Support Agreements: the name, present principal occupation or employment, and the name, principal business and address of any corporation or other organization in which such employment is conducted, of such persons. To the knowledge of the Reporting Persons, all of such natural persons listed on Schedule B to this Schedule 13D are citizens of the United States. Schedule B to this Schedule 13D also sets forth, to the knowledge of the Reporting Persons, the following information for those entities with whom the Reporting Persons share the power to vote or to direct the vote or to dispose or to direct the disposition of the securities subject to the Tender and Support Agreements: the name, state or other place of organization, principal business and business address, of such entities.

The Reporting Persons have no knowledge that any person listed on Schedule B to this Schedule 13D during the last five years has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

The Reporting Persons have no knowledge that any person listed on Schedule B to this Schedule 13D during the last five years has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree, or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(c) Neither Riverbed nor Acquisition Sub nor, to the knowledge of Riverbed and Acquisition Sub, any person identified on Schedule A to this Schedule 13D, has effected any transaction in shares of OPNET Common Stock during the past 60 days, except as disclosed herein.

(d) To the knowledge of Riverbed and Acquisition Sub, no other person has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the securities subject to the Tender and Support Agreements.

(e) Not applicable.

#### **Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer**

Other than as described in Item 4 and Item 5 above, neither of the Reporting Persons is a party to any contracts, arrangements, understandings or relationships (legal or otherwise) with respect to any securities of OPNET, including but not limited to transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
