Dear Fellow Shareholder:

I invite you to attend our annual meeting of shareholders on May 16, 2013 in the lobby of the TXCN Building, 570 Young Street, Dallas, Texas. Included is a map for your use. We hope that you will be able to attend.

Materials being provided include the Notice of Annual Meeting setting forth the business expected to come before the meeting, the 2013 proxy statement, and A. H. Belo's 2012 annual report. If you requested printed versions of the materials by mail, these materials also include a proxy/voting instruction card for the annual meeting. The proxy statement tells you more about the agenda and voting procedures for the meeting and provides information about A. H. Belo's directors, including those nominated for election at this year's meeting.

As permitted by the rules of the Securities and Exchange Commission, most of the Company's shareholders were mailed a Notice of Internet Availability of Proxy Materials with instructions for electronically accessing these proxy materials and for voting via the Internet. The Notice of Internet Availability of Proxy Materials also provides information on how you may obtain printed copies of our proxy materials free of charge. We believe that this approach allows us to provide our shareholders with the information they need to vote their shares while reducing delivery costs and conserving natural resources.

For those A. H. Belo shareholders with access to the Internet, we encourage you to vote your shares online. Detailed instructions on how to vote over the Internet or by telephone are set forth in the proxy materials and in the Notice of Internet Availability of Proxy Materials. We encourage you to elect to receive future annual reports, proxy statements, and other materials over the Internet by following the instructions in the proxy statement. This electronic means of communication is quick and convenient and reduces the Company's printing and mailing costs.

Whether or not you attend the meeting, it is important that your shares be represented at the annual meeting. I encourage you to vote your shares as soon as possible either by returning your proxy/voting instruction card or by voting using the Internet or telephone voting procedures outlined in the proxy materials or in the Notice of Internet Availability of Proxy Materials.

I hope to see you on May 16.

Sincerely,

**Robert W. Dechard**

### ***Why did I receive a one-page Notice of Internet Availability of Proxy Materials this year instead of a full set of proxy materials?***

Pursuant to rules adopted by the Securities and Exchange Commission (the "SEC"), the Company has elected to provide access to its proxy materials via the Internet and has sent a Notice to its shareholders. Shareholders can access the proxy materials on the website referred to in the Notice or request to receive free of charge a printed set of the proxy materials, including a proxy/voting instruction card. Instructions on how to access the proxy materials over the Internet or to request a printed copy are set out in the Notice. If you hold A. H. Belo shares in your A. H. Belo Savings Plan account or in your Belo Savings Plan account, the Notice also has instructions on how to provide your voting instructions via the Internet.

In addition, all shareholders may request to receive proxy materials electronically by email on an ongoing basis by following the instructions in the paragraph captioned "How to Receive Future Proxy Statements and Annual Reports Online" in the Annual Report and Additional Materials section of this proxy statement. The Company encourages shareholders to take advantage of the availability of the proxy materials on the Internet in order to help reduce printing and mailing costs and environmental impacts.

### ***What constitutes a quorum to conduct business at the meeting?***

In order to carry on the business of the meeting, we must have a quorum present in person or by proxy. A majority of the voting power of the outstanding shares of common stock eligible to vote and at least one-third of the outstanding shares entitled to vote must be present at the meeting, in person or by proxy, in order to constitute a quorum.

Abstentions and broker non-votes are counted as present at the meeting for purposes of determining whether we have a quorum. A broker non-vote occurs when a broker or other nominee returns a proxy but does not vote on a particular proposal because the broker or nominee does not have authority to vote on that particular item and has not received voting instructions from the beneficial owner.

### ***How do I cast my vote?***

You may receive more than one Notice or proxy/voting instruction card depending on how you hold your shares. It is important that you follow the instructions on each card or Notice and vote the shares represented by each card or Notice separately.

***Shareholders of record.*** If you hold shares directly and are listed as a shareholder on A. H. Belo's stock records, you may vote in person if you attend the meeting or you may vote by proxy, which gives the proxy holder the right to vote your shares on your behalf. You may vote by proxy online via the Internet, by telephone, or, if you request copies of the proxy materials, by completing and returning your proxy card in the envelope provided. Shares represented by proxy cards that are properly completed and submitted will be voted in accordance with the shareholder's instructions.

***Shares held in broker or other nominee name ( "street name" ).*** If you hold shares in street name, you have the right to instruct your broker or other nominee on how to vote those shares on your behalf and you will receive a Notice or, if you request, a copy of the proxy materials, including a voting instruction form, from them. Alternatively, you may vote these shares in person at the meeting, by following the instructions below under "How do I vote in person."

***Shares held in your A. H. Belo Savings Plan account or in your Belo Savings Plan account.*** These shares may be voted only by the plan trustee, but you may instruct the plan trustee on how to vote them. Information on how to provide voting instructions to the plan trustee via the Internet is set out in the Notice. The Notice also includes information on how to obtain paper copies of the proxy materials, including a voting instruction card, if you so desire. For more information, please refer to the question and answer "How do I vote my shares held in the A. H. Belo Savings Plan or in the Belo Savings Plan" below.

If you want to vote using the Internet or telephone, please follow the instructions on each proxy/voting instruction card or in the Notice, and have the proxy/voting instruction card or the Notice available when you call

in or access the voting site. In order to be included in the final tabulation of proxies, completed proxy/voting instruction cards must be received, and votes cast using the Internet or telephone must be cast, by the date and time noted on the card or in the Notice.

### ***How do I vote in person?***

For shares held of record in your name, you may vote in person by completing a ballot at the annual meeting. If you plan to vote in person but hold shares through a broker or other nominee, you must provide a legal proxy from the broker or nominee evidencing your authority to vote shares the broker held for your account at the close of business on March 21, 2013. You must contact your brokerage firm directly in advance of the annual meeting to obtain a legal proxy. Voting instructions with respect to shares held in the A. H. Belo Savings Plan or the Belo Savings Plan must be submitted by May 14, 2013, and may not be provided at the meeting. Blank ballots will be available at the registration table at the meeting. Completed ballots may be deposited at the registration table and a call for completed ballots will be made during the course of the meeting prior to the close of the polls.

### ***Can I change my vote or revoke my proxy prior to the final voting?***

Yes. For shares held of record in your name, you may revoke your proxy (including an Internet or telephone vote) by:

filing a written notice of revocation with the Secretary of A. H. Belo at any time prior to the annual meeting; or

delivering a duly executed written proxy bearing a later date by the voting deadline set forth on the proxy card; or

submitting a new proxy by Internet or telephone by the voting deadline set forth on the proxy card; or

voting by ballot at the meeting. Attendance at the meeting does not by itself revoke a previously granted proxy.

If your shares are held through a broker or nominee, contact that broker or nominee if you wish to change your voting instructions.

For information on how to revoke or modify previously given voting instructions with respect to shares held through one of the Savings Plans, please see *How do I vote my shares held in the A. H. Belo Savings Plan or in the Belo Savings Plan* below.

### ***How do I vote my shares held in the A. H. Belo Savings Plan or in the Belo Savings Plan?***

Fidelity Management Trust Company is the plan trustee for both the A. H. Belo Savings Plan and the separate Belo Savings Plan maintained by Belo Corp. (together, the Savings Plans). Only the plan trustee can vote the shares held by the Savings Plans. If you participate in either of these Savings Plans and had full shares of A. H. Belo common stock credited to your account as of the record date, you received a Notice in lieu of paper copies of our proxy materials. The Notice includes instructions on how to access the proxy materials over the Internet and how to request a printed set of the proxy materials, including a voting instruction card, if you desire to do so. The Notice also has information on how to provide your voting instructions to the plan trustee via the Internet or telephone. You will not be able to vote these shares in person at the annual meeting.

Because of the time required to tabulate voting instructions from participants in the Savings Plans before the annual meeting, the trustee must receive your voting instructions by May 14, 2013. If you sign, date, and return a paper voting instruction card but do not check any boxes on the card, the trustee will vote your shares FOR the nominees standing for election as directors named in this proxy statement and FOR ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm. In addition, at its discretion, the trustee of the Savings Plans will be authorized to vote on any other matter that may properly come before the meeting or any adjournment or postponement of the meeting. If the trustee does not receive instructions from you (by Internet, telephone or voting instruction card) by May 14, 2013, the trustee will vote your shares in the same proportion as the shares in your particular Savings Plan for which voting instructions

---

## **Table of Contents**

have been received from other plan participants. You may revoke or modify previously given voting instructions by May 14, 2013, by submitting a new voting instruction by Internet or telephone, filing with the trustee either a written notice of revocation or submitting a properly completed and signed voting instruction card by that date.

### ***What happens if I do not give specific voting instructions?***

If you indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board or you sign and return a proxy card or voting instruction card without giving specific voting instructions, then the proxy holders or the trustee of the Savings Plans, as appropriate, will vote your shares in the manner recommended by the Board on all matters presented in this proxy statement as follows: FOR the nominees standing for election as directors named in this proxy statement and FOR ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm. In addition, the proxy holders or the trustee of the Savings Plans, as appropriate, may vote in their discretion on any other matter that may properly come before the annual meeting or any adjournment or postponement of the annual meeting.

If you hold your shares through a broker, and you do not provide *any* voting instructions on the Internet or by telephone and do not return a voting instruction form, your broker may vote your shares at its discretion only on certain routine matters. If the organization that holds your shares does not receive any voting instructions from you, the organization that holds your shares will inform the inspector of election that it does not have the authority to vote your shares with respect to non-routine matters. This is generally referred to as a broker non-vote.

### ***Which proposals are considered routine or non-routine ?***

The Company believes that Proposal Two, the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm, is a routine matter on which brokers will be permitted to vote uninstructed shares. With respect to all other matters, however, your broker may not vote your shares for you without instructions and the aggregate number of unvoted shares is reported as the broker non-vote. The Company believes that the election of directors (Proposal One) is not a routine matter and a broker or other nominee will not be permitted to vote any uninstructed shares on Proposal One.

### ***How are broker non-votes and abstentions treated?***

For Proposal One (election of directors), abstentions and broker non-votes have no effect. For Proposal Two (ratification of the appointment of KPMG LLP), abstentions and broker non-votes have the effect of negative votes, meaning that abstentions and broker non-votes will be counted in the denominator, but not the numerator, in determining whether a matter has received sufficient votes to be approved.

### ***What vote does the Board recommend?***

The Board recommends a vote:

FOR all director nominees named in this proxy statement; and

FOR ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm.

With respect to any other matter that properly comes before the meeting, the proxy holders will vote in their own discretion.

### ***What number of votes is required to approve each proposal?***

**Election of directors (Proposal One)** The affirmative vote of a plurality of the voting power represented at the annual meeting and entitled to vote is required for the election of directors. This means that the nominees receiving the highest number of votes cast for the number of positions to be filled are elected. You do not have the right to cumulate votes in the election of directors. In other words, you cannot multiply the number of shares you own by the number of directorships being voted on and then cast the total for only one candidate or among several candidates as you see fit. Votes that are instructed to be withheld with respect to the election of one or

**Table of Contents**

more directors will not be voted for the director or directors indicated, although they will be counted for purposes of determining whether a quorum is present. Shares held in broker or street name cannot be voted on this proposal without your instruction.

Additionally, if an incumbent director does not receive the affirmative vote of at least a majority of the votes cast with respect to that director's election at the annual meeting (which for this purpose includes votes cast for the director's election and votes to withhold authority with respect to the director's election), then that director is required to promptly tender his or her resignation and the Board will act on such resignation as provided in the Company's Corporate Governance Guidelines, the applicable portion of which is attached to this proxy statement as Appendix A. All nominees standing for election at the 2013 annual meeting of shareholders are incumbent directors.

**Ratification of appointment of independent registered public accounting firm (Proposal Two)** The affirmative vote of a majority of the voting power represented at the annual meeting and entitled to vote is required to ratify the appointment of KPMG LLP as the independent registered public accounting firm for the Company for 2013. With respect to shares held in broker or street name, your broker has discretion to vote any uninstructed shares on this matter.

**Other matters** Unless otherwise required by law or the Company's Certificate of Incorporation, the affirmative vote of a majority of the voting power represented at the annual meeting and entitled to vote is required for other matters that properly may come before the meeting.

***Where can I find the voting results of the annual meeting?***

The preliminary voting results will be announced at the annual meeting. The final voting results will be tallied by the inspector of election and published in the Company's Current Report on Form 8-K, which the Company is required to file with the SEC within four business days following the annual meeting.

**PROXY SOLICITATION**

Your proxy is being solicited on behalf of A. H. Belo's Board of Directors. In addition to use of the mail, the solicitation may also be made by use of facsimile, the Internet or other electronic means, or by telephone or personal contact by directors, officers, employees, and agents of A. H. Belo. A. H. Belo pays the costs of this proxy solicitation.

We have hired Morrow & Co., LLC, 470 West Ave, Stamford, CT 06902, to assist in soliciting proxies from beneficial owners of shares held in the names of brokers and other nominees, and have agreed to pay Morrow & Co., LLC a fee of \$5,000 plus its related costs and expenses. We also supply brokers, nominees, and other custodians with proxy forms, proxy statements, and annual reports for the purpose of sending proxy materials to beneficial owners. We reimburse brokers, nominees, and other custodians for their reasonable expenses.

**Table of Contents****A. H. BELO CORPORATION STOCK OWNERSHIP**

The following tables set forth information about the beneficial ownership of A. H. Belo common stock by our current directors, nominees for election as director, the executive officers named in the Summary Compensation Table (the named executive officers or NEOs), all current directors, director nominees and executive officers as a group, and by each person known to A. H. Belo to own more than 5% of the outstanding shares of A. H. Belo Series A or Series B common stock. At the close of business on March 21, 2013, there were 19,700,016 Series A shares, 2,400,676 Series B shares, and 22,100,692 combined Series A and Series B shares issued and outstanding.

Under SEC rules, the beneficial ownership of a person or group includes not only shares held directly or indirectly by the person or group but also shares the person or group has the right to acquire within 60 days of the record date pursuant to exercisable options and convertible securities. The information below, including the percentage calculations, is based on beneficial ownership rather than direct ownership of issued and outstanding shares, except as described in footnote (1) to the table below.

Unless otherwise indicated, each person listed below has sole voting power and sole dispositive power with respect to the shares of common stock indicated in the table as beneficially owned by such person. Series A common stock has one vote per share and Series B common stock has 10 votes per share. Consequently, the voting power of Series B holders is greater than the number of shares beneficially owned. For example, the shares of A. H. Belo common stock beneficially owned by all directors and executive officers as a group, representing 15.5% of the outstanding shares of Series A and Series B common stock, have combined voting power of 58.3%.

- (1) Series B shares are convertible at any time on a share-for-share basis into Series A shares but not vice versa. For purposes of determining the number of Series A shares beneficially owned by the persons listed, the person may be deemed to be the beneficial owner of the Series A shares into which the Series B shares owned are convertible. The numbers listed in the Series A column, however, do not reflect the Series A shares that may be deemed to be beneficially owned by the person listed because of this convertibility feature. If the Series A shares total included shares into which Series B shares held are convertible, the persons listed would be deemed to be the beneficial owners of the following percentages of the Series A shares: Robert Decherd, 9.4%; Jim Moroney, 3.8%; Dealey Herndon, 1.9%; and all current directors, director nominees and executive officers as a group, 15.5%. These percentages are calculated by taking the person's number of combined Series A and Series B shares as reflected in the table above and dividing that number by the sum of (a) the Series A shares issued and outstanding, plus (b) the total of Series B shares owned by the person as reflected in the table above, plus (c) the person's exercisable stock options plus shares issuable upon the vesting and payment of restricted stock unit (RSU) awards listed in footnote (2) to the table.

The family relationships among the directors and named executive officers are as follows: Robert Decherd and Dealey Herndon are brother and sister. Jim Moroney is their second cousin.

The following shares are included in the individual's holdings because the individual has either sole or shared voting or dispositive power with respect to such shares.

Robert Decherd 4,631 Series B shares owned by him and his wife as to which he shares voting and dispositive power.

Jim Moroney 954 Series A shares held by Moroney Family Belo, LLC, a limited liability company of which Jim is the manager; 5,960 Series A shares held by a family charitable foundation for which Jim serves as trustee; 503,374 Series B shares held by Moroney Preservation Limited, a family limited partnership, for which Jim serves as manager; and 10,420 Series B shares held in a family trust as to which he has sole voting authority. He disclaims beneficial ownership of these shares except to the extent of his pecuniary interest. Jim shares voting and dispositive power with respect to 96 Series B shares owned by him and his wife.

- (2) The number of shares shown in the table above includes (a) shares held in the A. H. Belo Savings Plan at March 21, 2013, (b) shares that could be purchased by exercise of options exercisable on March 21, 2013 or within 60 days thereafter under A. H. Belo's stock plans and (c) shares that could be received upon the vesting and payment of RSU awards on March 21, 2013 or within 60 days thereafter, as follows:

**PROPOSAL ONE: ELECTION OF DIRECTORS**

A. H. Belo's bylaws provide that the Board of Directors comprises five to ten directors, divided into three classes, approximately equal in number, with staggered terms of three years so that the term of one class expires at each annual meeting. The bylaws further provide that a director will retire on the date of the annual meeting of shareholders next following his or her 68th birthday.

**Selection, Qualifications and Experience of Directors**

The Nominating and Corporate Governance Committee of the Board of Directors is responsible for identifying director candidates and making recommendations to the Board. The Board is ultimately responsible for nominating candidates for election to the Board. The Committee employs a variety of methods for identifying and evaluating director nominees. Candidates may come to the Committee's attention through current Board members, shareholders, or other persons. In evaluating director candidates, the Committee considers a variety of criteria, including an individual's character and integrity; business, professional and personal background; skills; current employment; community service; and ability to commit sufficient time and attention to activities of the Board. The Committee also may take into account any specific financial, technical, or other expertise and the extent to which such expertise would complement the Board's existing mix of skills and qualifications. The Committee considers these criteria in the context of the perceived needs of the Board as a whole. (For more information regarding the Nominating and Corporate Governance Committee and the nominee selection and evaluation process, please see Corporate Governance Committees of the Board *Nominating and Corporate Governance Committee*.)

Based on a review of the background and experiences of the directors, we believe that each of our directors, including those proposed for election to the Board at the 2013 annual meeting, possesses the professional and personal qualifications necessary for service on the A. H. Belo Board of Directors. In the individual biographies below, we have highlighted particularly noteworthy attributes of each Board member that led to the Board's conclusion that the person should serve as an A. H. Belo director in light of the Company's business and structure. In addition, we note that several of our directors based on their length of service to the Company, including prior to the 2008 spin-off of the Company by Belo Corp., have significant exposure to both our business and the communities in which we operate.

**Nominees for A. H. Belo Directors**

The following candidates are nominated by the Board and each is an incumbent director. The nominees are standing for election as Class II directors and will be eligible to serve a three-year term until the 2016 annual meeting. The independence of each incumbent director is addressed under Corporate Governance *Director Independence*.

Each independent director serves on each of the three standing committees of the Board (Audit, Compensation, and Nominating and Corporate Governance). Robert Decherd and Dealey Herndon do not serve on any standing committee of the Board.

**PROPOSAL TWO: RATIFICATION OF THE APPOINTMENT OF  
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

KPMG LLP served as A. H. Belo's independent auditors for the year ended December 31, 2012. The Audit Committee has appointed KPMG LLP to serve in such capacity for 2013, and as a matter of good corporate governance has determined to submit the appointment of KPMG LLP for ratification by the shareholders. If the shareholders do not ratify the appointment of KPMG LLP, the Audit Committee will consider the appointment of other independent registered public accounting firms.

Representatives of KPMG LLP will be present at the annual meeting. They will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions presented at the annual meeting.

The table below sets forth the KPMG LLP fees related to the audits of our financial statements for the years ended December 31, 2012 and December 31, 2011 and the reviews of our financial statements for the quarterly periods within those years, and all other fees KPMG LLP has billed us for services rendered during the years ended December 31, 2012 and December 31, 2011:

	2012	2011
Audit Fees (consists of the audit of the annual consolidated financial statements, reviews of the quarterly consolidated financial statements, procedures to attest to the Company's compliance with Section 404 of the Sarbanes-Oxley Act of 2002, and assistance with SEC filings)	\$ 768,379	\$ 563,000
Audit-Related Fees (consists of audits of employee benefit plans)	\$ 140,000	\$ 70,000
Tax Fees (consists of assistance with the preparation of federal and state tax returns for 2012 and 2011, and consultations related to the tax implications of certain transactions and consulting on various matters in 2012 and 2011)	\$ 32,838	\$
All Other Fees(1)	\$ 6,000	\$

(1) All Other Fees for 2012 consist of \$6,000 paid to KPMG LLP, for services related to an SEC S-8 Registration Statement filing. The Audit Committee has adopted a policy and related procedures that set forth the manner in which the Audit Committee will review and approve all services to be provided by KPMG LLP before the firm is retained to provide such services. The policy requires Audit Committee pre-approval of the terms and fees of the annual audit services engagement, as well as any changes in terms and fees resulting from changes in audit scope or other items. The Audit Committee also pre-approves, on an annual basis, other audit services, and audit-related and tax services set forth in the policy, subject to estimated fee levels pre-approved annually by the Committee. Any other services to be provided by the independent auditors must be separately pre-approved by the Audit Committee. In addition, if the fees for any pre-approved services are expected to exceed by 5% or more the estimated fee levels previously approved by the Audit Committee, the services must be separately pre-approved by the Committee. As a general guideline, annual fees paid to the independent auditors for services other than audit, audit-related, and tax services should not exceed one-half the dollar amount of fees to be paid for these three categories of services collectively. The Audit Committee has delegated to the Committee chairman and other Committee members the authority to pre-approve services up to certain limits. Services pre-approved pursuant to delegated authority must be reported to the full Committee at its next scheduled meeting. The Company's Chief Financial Officer reports periodically to the Audit Committee on the status of pre-approved services, including projected fees. All of the services and fees reflected in the above table were approved by the Audit Committee in accordance with our pre-approval policy.

**CORPORATE GOVERNANCE**

**Introduction**

Our Board periodically reviews and evaluates A. H. Belo's corporate governance policies and practices in light of the Sarbanes-Oxley Act of 2002 and subsequent legislation, SEC regulations, corporate governance listing standards adopted by the New York Stock Exchange ( NYSE ), and evolving best practices. The Board has formalized its corporate governance guidelines, approved a code of business conduct and ethics applicable to A. H. Belo's directors, management and other A. H. Belo employees, and adopted a charter for each Board committee. The Nominating and Corporate Governance Committee reviews A. H. Belo's corporate governance guidelines and Board committee charters annually and recommends changes to the Board as appropriate. Our corporate governance documents are posted on our website at [www.ahbelo.com](http://www.ahbelo.com) under About A. H. Belo Corporate Governance, and are available in print, without charge, upon written or oral request to A. H. Belo Corporation, Attention: Secretary, P. O. Box 224866, Dallas, Texas 75222-4866, (214) 977-8200.

**Director Independence**

To assist it in making determinations of a director's independence, the Board has adopted independence standards, which are set forth in A. H. **Meetings of the Board**

The Board held four meetings in 2012. Each incumbent director attended at least 75% of the aggregate of (1) the total number of meetings held by the Board and (2) the total number of meetings held by all committees on which he or she served. Directors are expected to attend annual meetings of shareholders and all incumbent directors then serving attended the 2012 annual meeting.

**Committees of the Board**

H. Belo's internal audit and financial staffs with respect to corporate accounting, reporting, risk management, and internal control practices. The Audit Committee met six times during 2012.

also shares responsibility for senior executive succession planning with the Nominating and Corporate Governance Committee and reviews management's assessment of key risks associated with the Company's compensation programs, policies and practices. The Compensation Committee met three times during 2012.

To assist the Committee and management in assessing and determining appropriate, competitive compensation for our executive officers and directors, the Committee annually engages an outside compensation consultant. Beginning in February 2008, the Compensation Committee has annually engaged Mercer Human Resource Consulting ( Mercer ), a wholly-owned subsidiary of Marsh & McLennan Companies, Inc. ( Marsh ), as its compensation consultant. The scope of Mercer's engagement is to assist the Committee with its responsibilities related to the Company's executive and Board-level compensation programs. For additional information regarding the operation of the Compensation Committee, including the role of consultants and management in the process of determining the amount and form of executive compensation, see the Company's Compensation Discussion and Analysis below.

Mercer's fees for executive compensation consulting to the Committee in 2012 were \$1,782. These fees and the engagement of Mercer for executive compensation consulting services were approved by the Committee. The Company has also retained Mercer and/or its Marsh affiliates to provide other services unrelated to executive compensation. These services include actuarial services, consulting, and data management for the Company's retirement plans, and health and welfare plans, as well as services related to the Company's property, casualty, and general liability risk analysis and insurance programs. The aggregate expense for these other services in 2012 was \$36,168, exclusive of insurance premiums. The decision to engage Mercer or its Marsh affiliates for these other services unrelated to executive compensation consulting was made by Company management, and these services and related fees were not separately approved by the Compensation Committee or the Board.

*Nominating and Corporate Governance Committee.* The Nominating and Corporate Governance Committee is chaired by John Puerner, who also serves as the Board's Lead Director. The responsibilities of the Nominating and Corporate Governance Committee include the identification and recommendation of director candidates and the review of qualifications of directors for continued service on the Board. The Nominating and Corporate Governance Committee also has responsibility for shaping A. H. Belo's corporate governance practices, including the development and periodic review of the corporate governance guidelines and the Board committee charters and shares responsibility for senior executive succession planning. The Nominating and Corporate Governance Committee met three times in 2012.

In evaluating director nominees, the Nominating and Corporate Governance Committee considers a variety of criteria, including an individual's character and integrity; business, professional, and personal background; skills; current employment; community service; and ability to commit sufficient time and attention to the activities of the Board. It may also take into account any specific financial, technical or other expertise and the extent to which such expertise would complement the Board's existing mix of skills and qualifications. The Committee considers these criteria in the context of the perceived needs of the Board as a whole and seeks to achieve a diversity of backgrounds and perspectives on the Board. The Board does not have a formal diversity policy, but does endeavor to have members with a broad mix of professional and personal backgrounds. The Committee assesses the effectiveness of its criteria and its efforts at achieving a diversity of backgrounds and perspectives on the Board when evaluating and recommending new director candidates.

The Nominating and Corporate Governance Committee employs a variety of methods for identifying and evaluating director nominees. The Committee reviews the size and composition of the Board as part of the annual Board evaluation process and makes recommendations to the Board as appropriate. If vacancies on the Board are anticipated, or otherwise arise, the Nominating and Governance Committee considers various potential candidates for director. Candidates may come to the Committee's attention through current Board members, shareholders or other persons.

The policy of the Nominating and Corporate Governance Committee, as set forth in A. H. Belo's corporate governance guidelines, is to consider a shareholder's recommendation for nominee(s) when the shareholder supplies the information required for director nominations under the advance notice provisions set forth in

Article II of A. H. Belo's bylaws within the time periods set forth in such Article of the bylaws. Shareholders desiring to submit a nomination for director should consult A. H. Belo's bylaws, which are available upon request. The Committee evaluates shareholder-recommended nominees based on the same criteria it uses to evaluate nominees from other sources.

After the Nominating and Corporate Governance Committee identifies a potential candidate, there is generally a mutual exploration process, during which A. H. Belo seeks to learn more about a candidate's qualifications, background, and level of interest in A. H. Belo, and the candidate has the opportunity to learn more about A. H. Belo. A candidate may meet with members of the Nominating and Corporate Governance Committee, other directors, and senior management. Based on information gathered during the course of this process, the Nominating and Corporate Governance Committee makes its recommendation to the Board. If the Board approves the recommendation, the candidate is nominated for election by A. H. Belo's shareholders. The Board may also elect a director between annual meetings of shareholders. In those instances, the new director is nominated for re-election by A. H. Belo's shareholders at the first annual meeting after his or her election to the Board.

The Board convenes executive sessions of non-management directors without Company management present at each regularly-scheduled meeting. The Lead Director presides at the executive sessions of the non-management directors. In addition, the independent directors meet in executive session at least annually, without Robert Decherd or Dealey Herndon present. Board committee chairs preside at executive sessions of their respective committees.

### **Board Leadership Structure**

Currently, Robert Decherd serves as Chairman of the Board and Chief Executive Officer (CEO). The Board believes that the Company and its shareholders are best served by a leadership structure in which Robert serves as chairman and CEO and the Board has an independent Lead Director. Combining the roles of chairman and CEO makes clear that the person serving in these roles has primary responsibility for managing the Company's business, under the oversight and review of the Board. Under this structure, the chairman and CEO chairs Board meetings, where the Board discusses strategic and business issues. The Board believes that this approach makes sense because the CEO is the individual with primary responsibility for implementing the Company's strategy and managing its day-to-day operations. This structure also enables the CEO to act as a bridge between management and the Board, helping both to act with a common purpose.

At the same time, the Board believes that strong, independent Board leadership is a critical aspect of effective corporate governance. Accordingly, to provide independent leadership, the Board has established the position of Lead Director. The Lead Director is an independent director elected annually by the independent directors. John Puerner currently serves as the Lead Director. The Lead Director's responsibilities and authority include:

presiding at meetings of the Board at which the chairman and CEO is not present, including executive sessions of the independent directors;

having the authority to call executive sessions of the independent directors;

servicing as a liaison between the chairman and CEO and the independent directors;

advising on the flow of information sent to the Board, and reviewing the agenda, materials and schedule for Board meetings; and

being available for consultation and communication with major shareholders, as appropriate.

The Board believes that a combined chairman/CEO, together with a Lead Director, is the most appropriate leadership structure for the Board at this time. The Board also believes that it is in the best interests of the Company for the Board to make a determination about whether to separate or combine the roles of chairman and CEO based upon the Company's circumstances at a particular time. The Company's bylaws permit the roles of chairman and CEO to be filled by the same or different individuals, thereby providing the Board flexibility to determine whether the roles should be combined or separated based upon the Company's needs from time to time.

### **Board Risk Oversight**

At least annually, Company management provides the Audit Committee with a report regarding its enterprise risk assessment. The report identifies areas of enterprise risk, and aligns managerial and Board-level oversight, including at the Board committee level, and responsibility with the type of risk. In order to prepare the report, the Company's Internal Audit department interviews A. H. Belo business leaders at the corporate and operating unit level about the risk factors identified by the Company in its SEC filings, as well as other potential risks, to confirm Internal Audit's baseline risk assessment. The risk assessment results are reviewed with management to determine if any future adjustments to the audit plan are needed.

The Audit Committee discusses the report's findings with management. The Audit Committee oversees management's risk assessment, including reviewing the Company's risk profile and evaluating management's approach to addressing identified risks. As specified in the Audit Committee charter, one of the specific duties and responsibilities of the Audit Committee is to review and discuss the Company's policies with respect to risk assessment and risk management. While the Audit Committee has primary oversight responsibility for the risk assessment and management process, other committees of the Board also have responsibility for oversight of risk management. For example, our Human Resources department and Compensation Committee consider the risks associated with our compensation policies and practices. The Nominating and Corporate Governance Committee oversees risk associated with the Company's governance structure and processes.

The Board is kept informed of its committees' risk oversight and related activities primarily through attendance at Board and committee meetings and management reports. In addition, the Audit Committee escalates issues related to risk oversight to the full Board as appropriate so that the Board is appropriately informed of developments that could affect the Company's risk profile and other aspects of its business. The Board also considers specific risk topics in connection with strategic planning and other matters. While the Board's role in oversight of Company risk is not determinative of its leadership structure, the Board's leadership structure helps facilitate risk assessment and review by independent directors under the leadership of the Lead Director.

*Compensation Risk Assessment.* Our Human Resources department, together with the Company's Finance, Internal Audit, Risk Management and Legal departments and independent compensation consultants, have reviewed our compensation policies and practices to determine whether those policies and practices present a significant risk to the Company. The results of this review were communicated to the Compensation Committee. Our annual incentive compensation plans have appropriate limits that discourage excessive risk taking. In addition, all senior executives who are in a position to affect significant policies, practices or projects have both short-term and long-term compensation at risk, which the Company believes discourages excessive risk taking and encourages supervision of risk-related activities by other employees. Our compensation policies and practices reward consistent, long-term performance by weighting executive compensation to long-term incentives that reward operating, financial, and share price performance. Based on this review, we have concluded that A. H. Belo's compensation policies and practices for its employees are not reasonably likely to have a material adverse effect on the Company.

### **Compensation Committee Interlocks and Insider Participation**

John Beckert, Louis Caldera, Ron McCray, Ty Miller, John Puerner, and Nicole Small served as members of A. H. Belo's Compensation Committee during 2012. No member of the Compensation Committee during 2012 was a current or former officer or employee of A. H. Belo or had any relationship with A. H. Belo requiring disclosure under the caption "Certain Relationships." None of A. H. Belo's executive officers served as a director or as a member of the compensation committee (or other committee serving an equivalent function) of any other entity that had an executive officer serving as a director or as a member of A. H. Belo's Compensation Committee during 2012.

### **Audit Committee Report**

As described more fully in our written charter, which is posted on the Company's website at [www.ahbelo.com](http://www.ahbelo.com) under "About A. H. Belo Corporate Governance," the Audit Committee represents the Board in its oversight of A. H. Belo's financial reporting processes. In this context, the Audit Committee has reviewed and discussed with management and KPMG LLP, the Company's independent auditors, A. H. Belo's audited consolidated

financial statements and the audit of the effectiveness of A. H. Belo's internal control over financial reporting. The Audit Committee has discussed with KPMG LLP various matters, including the firm's judgments as to the quality of A. H. Belo's accounting principles and other matters required to be discussed under the rules adopted by the Public Company Accounting Oversight Board ( PCAOB ). In addition, the Audit Committee has received from KPMG LLP the written disclosures and the letter required by applicable requirements of the PCAOB regarding KPMG LLP's communications with the Audit Committee concerning independence, and has discussed with the firm its independence from A. H. Belo and our management team.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board has approved, that the audited consolidated financial statements be included in A. H. Belo's Annual Report on Form 10-K for the year ended December 31, 2012, for filing with the SEC.

### **EXECUTIVE COMPENSATION**

#### **Compensation Discussion and Analysis**

*The following overview highlights and summarizes information regarding executive compensation and does not purport to contain all of the information that is necessary to gain an understanding of our executive compensation policies and decisions. Please carefully read the entire Compensation Discussion and Analysis ( CD&A ) section and the compensation tables and related disclosure that follow for a more complete understanding of our executive compensation program.*

#### **Executive Summary**

A. H. Belo is one of the leading independent newspaper publishers in the United States, comprising four award-winning daily newspapers and related online businesses.

The newspaper industry continues to experience substantial change caused by the effect of the Internet and other transformational technologies on consumers and advertisers and the rapid ascent of new media businesses. From an executive compensation perspective, this business environment underscores the importance of attracting and retaining both experienced and high-potential executives, and rewarding superior individual performance that may not presently be reflected in the Company's stock price, revenues or operating profit.

For 2012, the Company's net income was \$0.01 per share compared to a net loss of \$0.51 per share in 2011. Adjusted EBITDA, or earnings before interest, taxes, depreciation and amortization ( EBITDA ) with pension expense, impairment expense and net investment-related losses added back, was \$41.8 million for the full-year 2012, reflecting our investments in new products and marketing. As a result of these investments, Adjusted EBITDA decreased 12 percent compared to the prior year period. As of December 31, 2012, cash and cash equivalents were \$34.1 million, and the Company had no borrowings under its bank credit facility.

In 2012, all of our Named Executive Officers (NEOs) received increases in base salary and two of our NEOs received increases in target bonus percentages. These arrangements reflect the Company's ongoing efforts to streamline its management structure, which resulted in the Company not replacing several senior executives who departed the Company in 2011 and early 2012, including one member of the Management Committee. These responsibilities were redistributed among the remaining four executive officers who now comprise the Management Committee. Changes to each component of the executive officers' compensation reflect their increased responsibilities.

In 2012, the Company also introduced the use of individual non-financial objectives ( INFOs ) as a component of the cash bonus opportunity and the use of time-based cash as a component of the annual long-term incentive grants. Former NEO John McKeon departed the Company on April 1, 2012. The compensation for John that is listed in this proxy statement is for base salary, severance and other compensation.

The Company's senior management, with the support of the Compensation Committee, continues to address executive compensation policies and practices proactively, taking into consideration both the interests of shareholders and the need to attract and retain a talented and experienced management team.

#### **Overview of Compensation Program**

The Compensation Committee of the Board of Directors oversees the Company's overall compensation structure, policies and programs, and has responsibility for establishing, implementing and monitoring adherence to the Company's compensation philosophy. For 2012, the primary management liaisons to the Compensation Committee were the Company's Chief Executive Officer, Robert Decherd, and its senior vice president, Dan Blizzard.

#### **Objectives of Our Program**

A. H. Belo's compensation policies are designed to achieve the following objectives:

Establish a competitive compensation program

## Edgar Filing: A. H. Belo Corp - Form DEF 14A

Attract and retain top-caliber executive talent in positions that most directly affect the Company's overall performance

Motivate and reward executives for achievement of the Company's financial objectives

## **Table of Contents**

Encourage coordinated and sustained effort toward maximizing the Company's value to its shareholders, and

Align the long-term interests of executives with those of the Company's shareholders

### **Role of the Compensation Committee**

The Compensation Committee administers our executive compensation program. The Compensation Committee establishes and monitors overall compensation strategy to ensure that executive compensation supports our business objectives. In carrying out its responsibilities, the Compensation Committee, with assistance from its executive compensation consultant, reviews and determines the compensation (including salary, annual incentive, long-term incentives and other benefits) of our NEOs. For a more complete description of the responsibilities of the Compensation Committee, see Corporate Governance Committees of the Board.

### **Role of the Compensation Consultant**

The Compensation Committee has retained Mercer as its outside consultant to advise the Compensation Committee on executive compensation matters. A representative from Mercer regularly attends Compensation Committee meetings, and reports directly to the Compensation Committee on matters relating to compensation for our executive officers, including the CEO.

During 2012, Mercer, at the Compensation Committee's request:

Advised in developing recommendations for the Compensation Committee on the size and structure of long-term incentive awards for our CEO and other executive officers;

Provided the Compensation Committee ongoing advice and counsel on market compensation trends, legislative and regulatory updates and their impact on our executive compensation programs; and

Assisted in the review of this CD&A

### **Role of Company Management**

The Compensation Committee makes the final decisions on CEO compensation, with advice from Mercer, as appropriate. Our senior management, including the CEO, develops preliminary recommendations regarding compensation matters with respect to all executives other than the CEO and provides these recommendations to the Compensation Committee, which makes the final decisions as to the executive officers. The management team is responsible for the administration of the compensation program once Compensation Committee decisions are finalized.

### **The Compensation Program**

The key components of our current compensation program for our key executives are:

Base salary;

Annual cash incentive bonuses;

Long-term equity-based and cash-based incentives; and

## Edgar Filing: A. H. Belo Corp - Form DEF 14A

### Benefits

In 2012, the Company used compensation survey data provided by Towers Watson to review base salaries, annual cash incentive targets and long-term incentives. The Towers Watson survey contained over 450 general industry companies and over 100 media companies. A. H. Belo used linear regression to produce a compensation data set. Regression analysis was based on the target revenue of the Company. All NEO positions were compared to positions with similar responsibilities at the 50th percentile of the general industry regressed data set. Newspaper-specific positions were compared to the media industry regressed data set.

## **Table of Contents**

Throughout 2012, the Compensation Committee reviewed and monitored, with the assistance of its compensation consultant, trends in the industry, trends for companies facing similar business challenges, and trends in the market generally to determine appropriate compensation policies and recommendations to address these market conditions.

### **Base Salary**

Base salary is designed to compensate our key executives in part for their roles and responsibilities and also to provide a stable level of compensation that serves as a retention tool throughout the executive's career. Assuming a normal operating environment, salaries are targeted at or above the median of the market for similar positions in the Towers Watson general industry survey or Towers Watson media industry survey (for newspaper-specific positions).

In 2009, the base salaries for our NEOs were reduced by 20% for Robert Decherd and 15% for Jim Moroney, Ali Engel and Dan Blizzard respectively. In 2010, Ali Engel and Dan Blizzard received increases in base salary contemporaneous with the departure of one of the Company's NEOs and the redistribution of certain responsibilities of that NEO among Ali Engel and Dan Blizzard. The base salaries for Robert Decherd and Jim Moroney remained frozen at the reduced levels through 2011.

In 2012, our NEOs received the following increases in base salary to bring them in line with the median of the market for similar positions in the Towers Watson general industry survey and in recognition of the Company's ongoing efforts to streamline its management structure, which resulted in the Company not replacing several senior executives who departed the Company in 2011 and early 2012, including one member of the Management Committee.

Name	2011	2012	\$ Increase	% Increase
	Base Salary	Base Salary		
Robert W. Decherd	\$ 480,000	\$ 600,000	\$ 120,000	25%
James M. Moroney III	\$ 467,500	\$ 540,000	\$ 72,500	16%
Alison K. Engel	\$ 300,000	\$ 325,000	\$ 25,000	8%
Daniel J. Blizzard	\$ 250,000	\$ 280,000	\$ 30,000	12%

### **Incentive Programs Overview**

The annual cash incentives (annual performance bonuses) and long-term equity-based incentive compensation are provided under the A. H. Belo 2008 Incentive Compensation Plan and administered by the Compensation Committee. This plan was approved by shareholders in 2009. The Company refers to the Incentive Compensation Plan as the ICP. Awards under the ICP are supplemental to an ICP participant's base salary and are designed to focus participants on achieving key financial goals, encourage retention and motivation of participants, and reward them for market-driven results. Officers of A. H. Belo and its subsidiaries, including A. H. Belo's CEO and its other NEOs, are eligible to participate in the ICP. Additional ICP participants may be selected by the Compensation Committee based on management's evaluation of an individual's ability to significantly affect A. H. Belo's results.

### **Annual Cash Incentive Program**

Under the terms of the ICP, each A. H. Belo executive officer is eligible to receive an annual cash incentive bonus based on financial performance objectives established in the annual financial plan (the Financial Plan) approved by the Board of Directors or other management objectives such as INFOs approved by the Board of Directors. The financial and non-financial performance objectives may vary from year to year and reflect the cyclical nature of A. H. Belo's businesses due to fluctuating advertising demand and changes in media usage habits by consumers and advertisers, and other competitive conditions, including recruiting and retaining talent.

*Specific Program for 2012.* The Compensation Committee selected EBITDA as the financial performance measure, and INFOs as the non-financial performance measure, to calculate 2012 achievement under the ICP. The weighting given to these factors was 50% for EBITDA and 50% for INFOs.

**Table of Contents**

For EBITDA, the minimum threshold for any cash incentive payout was set at 85% of target. The bonus payout can range from 10% at minimum to 200% at maximum and is pro-rated between these two points. Robert Decherd was evaluated against consolidated EBITDA results. Jim Moroney, Alison Engel and Dan Blizzard were evaluated 15% against consolidated EBITDA results and 85% against EBITDA results at *The Dallas Morning News*. Jim Moroney, Alison Engel and Dan Blizzard had a heavier weighting on *The Morning News* EBITDA performance because the finance, accounting and human resources departments at A. H. Belo Corporate and *The Dallas Morning News* have been combined and Jim, Ali and Dan spend the majority of their time on Dallas-based matters. The Company believes that linking one-half of the bonus opportunity directly to financial performance, with an opportunity to earn a 200% payout of target bonus amount if maximum financial performance is achieved, provides participants with significant motivation to achieve the Company's financial objectives.

For INFOS, there is no minimum threshold for any cash incentive payout. The bonus payout can range from zero to a maximum of 100% of target. The Company believes that given the transitional state of the newspaper industry and the unpredictability of core advertising revenues, which directly affect EBITDA, it is important to link one-half of the bonus opportunity to INFOS, with a maximum payout capped at the target amount, that the NEOs can directly influence which have a positive impact on the Company and increase retention.

The Compensation Committee established a 2012 target bonus opportunity for the NEOs expressed as a percentage of base salary based on competitive market information using the Towers Watson general industry survey, as follows: Robert Decherd 85%; Jim Moroney 70%; Ali Engel 55%; and Dan Blizzard 45%. The target bonus percentages for Robert Decherd and Jim Moroney were unchanged from 2011. The target bonus percentage for Ali Engel was increased from 50% to 55% from 2011 and for Dan Blizzard from 40% to 45% from 2011. In setting the target bonus award opportunities for NEOs, the Committee took into account both pay for performance and retention considerations, and in the case of Ali Engel and Dan Blizzard, to bring them in line with the median of the market for similar positions in the Towers Watson general industry survey and in recognition of their assuming additional responsibilities resulting from the departure of several senior executives.

The following chart shows the EBITDA goals for 2012 for each of the corresponding performance levels (threshold, target and maximum) and our actual EBITDA results for 2012.

**Summary of EBITDA Goals and Results for 2012**

The Company's 2012 consolidated adjusted actual EBITDA results exceeded threshold level goals and resulted in an achievement of 96.9% of target, and as a result Robert Decherd, Jim Moroney, Ali Engel and Dan Blizzard earned bonuses equal to 81.1% of their target consolidated EBITDA bonus amounts. 2012 adjusted actual EBITDA results for *The Dallas Morning News* exceeded threshold level goals and resulted in an achievement of 102.0% of target, and as a result Jim Moroney, Alison Engel and Dan Blizzard earned bonuses equal to 113.6% of their target *Dallas Morning News* EBITDA bonus amount. Total EBITDA bonus amounts were: Robert Decherd \$206,928; Jim Moroney \$205,514; Alison Engel \$97,184; and Dan Blizzard \$68,505.

**Summary of Individual Non-Financial Objectives and Results for 2012**

*Robert Decherd.* In 2012, Robert oversaw and drove the implementation of organizational changes announced in January 2012; began to develop succession plans for the Company's senior management teams; oversaw and monitored the Company's investments in new product initiatives and marketing to support A. H. Belo's core brands; pursued the monetization of non-core assets, principally real estate and partnership investments; and continued to monitor and refine funding strategies for the Company's two pension plans, and closely tracked investment performance of the plans.

Belo pension plans; continued to improve communications between the Company's major shareholders and executive management; further streamlined *The Dallas Morning News* and Corporate accounting and finance teams; and developed a plan for in-sourcing various finance and accounting activities from *The Providence Journal* and *The Press-Enterprise* to *The Dallas Morning News*.

*Dan Blizzard.* In 2012, Dan developed and pursued a monetization strategy for the Company's non-core and core real estate in Providence, Riverside and Dallas; developed and implemented a communication strategy to migrate employees in Texas and California from the Company's current PPO health plans to new high-deductible health plans; supported the CEO and other Management Committee members in adjusting to the Company's new management structure in 2012; and implemented changes to the Company's Executive Compensation Plan design by introducing the use of INFOs.

After reviewing the detailed results of the INFOs for 2012, the Compensation Committee determined that each NEO had met or exceeded their objectives and earned the target amount of their respective cash incentive opportunity as follows: Robert Decherd \$255,000; Jim Moroney \$189,000; Ali Engel \$89,375; and Dan Blizzard \$63,000.

**Long-Term Equity Incentive Compensation**

Under the terms of the ICP, each A. H. Belo executive officer is eligible to receive long-term equity incentive grants, or LTI compensation. These awards are designed to offer competitive compensation that encourages the retention and motivation of key executives, and rewards them based upon market-driven results. The ICP provides the Compensation Committee with discretion to require performance-based standards to be met before grants vest. According to the ICP structure, the Compensation Committee determines each executive officer's intended LTI compensation value, then determines the allocation of the LTI compensation award among three available types of equity instruments: time-based restricted stock units, referred to as TBRsUs, stock options, and performance-related restricted stock units, referred to as PBRsUs. TBRsUs encourage executives to remain with the Company and to focus on its long-term success. Stock options encourage and reward stock price performance, thus aligning the executive's interests with those of shareholders. PBRsUs reward the achievement of

A. H. Belo's cumulative annual financial performance goals. Since the ultimate value of the LTI compensation awards depends upon the performance of A. H. Belo common stock, the interests of the executive officers are aligned with the financial interests of A. H. Belo's shareholders.

*Specific Program for 2012.* In developing LTI recommendations for 2012, the Compensation Committee's primary focus was to balance dilution, cost, and retention concerns. The Compensation Committee chose to grant 50% of the LTI amount in the form of TBRsUs to the NEOs under the ICP and 50% in the form of time-based cash to the NEOs outside of the ICP in order to accomplish several objectives, including: 1) managing share usage and dilution to acceptable levels; 2) aligning the interests of executives with those of shareholders; 3) providing retention to key executives over a multi-year period; 4) enhancing the Company's ability to recruit executives who can further diversify sources of revenue and grow EBITDA; and 5) ensuring that the total expense incurred is consistent with the value delivered to executives.

Each TBRsU represents a contingent right to receive the value of one share of A. H. Belo Series A common stock. TBRsUs are valued as of the date of vesting and are paid 60% in shares of A. H. Belo Series A common stock and 40% in cash. TBRsUs granted in 2012 vest as follows: 40% on the third trading day following the annual earnings release date for the year ending December 31, 2012; 30% on the third trading day following each annual earnings release date for the years ending December 31, 2013 and 2014.

The time-based cash LTIs granted outside of the ICP in 2012 vested 50% on December 31, 2012 and the remaining 50% will vest on December 31, 2013.

For 2012, based on recommendations from senior management and assistance from its compensation consultant, the Compensation Committee used median general industry survey data reflecting companies of similar size and scope as A. H. Belo to determine appropriate LTI grant values for the NEOs. A description of the survey data used can be found under *The Compensation Program*. The Compensation Committee also considered both executive and corporate performance, total cost, shareholder dilution, retention and recruiting with no specific goals or weightings assigned to such factors, when determining the size of equity grants. The following table displays the grant date fair market value of the long-term equity grants to the NEOs in 2012.

**Retirement Benefits**

Prior to the 2008 spin-off, Belo Corp. offered pension benefits to eligible employees through The G. B. Dealey Retirement Pension Plan (the Pension Plan). In March 2007, Belo Corp. froze the Pension Plan and all affected employees were provided with transition benefits. At the time of the spin-off, Belo Corp. remained the sole sponsor and administrator of the Pension Plan for all of its approximately 9,300 participants, and A. H. Belo agreed to share investment oversight responsibilities with Belo Corp. and to reimburse Belo Corp. for 60 percent of each contribution Belo Corp. made to the Pension Plan.

---

## **Table of Contents**

The Company and Belo Corp. split the Pension Plan effective January 1, 2011. Under the agreement, benefit assets and liabilities allocable to the approximately 5,100 current and former employee participants of A. H. Belo and its newspaper businesses were transferred to two new defined benefit pension plans created, sponsored and managed by or on behalf of A. H. Belo (the *New Plans* ). Benefits under the *New Plans* will continue to be frozen like the Pension Plan and A. H. Belo is now solely responsible for contributions to the *New Plans*. The split of the Pension Plan does not change the amount of the benefits any participant has accrued or is currently receiving.

In conjunction with the Pension Plan freeze in 2007, A. H. Belo adopted two separate defined contribution plans at the time of the spin-off which were designed to provide supplemental pension benefits over a five-year period for all A. H. Belo employees who were participants in the Pension Plan, including Robert Decherd and Jim Moroney. The A. H. Belo PTS Plan is an account-balance plan intended to qualify under the provisions of Section 401(a) of the Internal Revenue Code. The A. H. Belo PTS Restoration Plan is a non-qualified plan and is intended to cover any transition supplement payments that exceed Internal Revenue Service ( *IRS* ) limits to all qualified plan accounts.

Accrued benefits for 2011 under the PTS Plan were contributed in 2012. Accrued PTS benefits for 2012 will be contributed in 2013. No benefits were accrued for 2011 and contributed in 2012 to the PTS Restoration Plan. For additional discussion of the PTS Plan and the PTS Restoration Plan, see *Post-Employment Benefits*.

### **Employment Agreements**

On January 5, 2012, A. H. Belo announced that as part of the Company's continued efforts to streamline operations, John McKeon, a named executive officer of A. H. Belo in 2011, would depart the Company. In connection with his departure, he entered into a Severance Agreement and General Release on January 13, 2012. In connection with his severance agreement, in exchange for his waiver and release, Mr. McKeon received a lump-sum severance payment of \$123,077, plus an amount equal to six times the monthly COBRA premium applicable to his coverage under the A. H. Belo Health Care and Welfare Benefit Plan, payable within ten days of his severance date of April 1, 2012. In addition, Mr. McKeon received his 2011 cash incentive bonus under the ICP for 2011 performance, as well as outplacement assistance, the cost of which did not exceed \$2,500. The Company does not have individual employment agreements with any of its current executive officers.

### **Change in Control and Severance Benefits**

The Compensation Committee believes that severance and change of control benefits are necessary in order to attract and retain the caliber of executives A. H. Belo needs in its most senior positions. These benefits are particularly important in an industry undergoing significant restructuring, providing for continuity of senior management and helping executives focus on business results, cost management, and strategic initiatives.

*CIC Plan.* No changes were made to the CIC Plan in 2012. Additional information regarding the levels of payments and benefits available upon termination of employment in connection with a change in control, including a definition of key terms and quantifications of benefits that would have been received by our NEOs had termination occurred on December 31, 2012, is found under *Potential Payments on Change in Control or Upon Termination of Employment at December 31, 2012* table.

*2009 Severance Plan.* Effective January 1, 2009, the Management Committee, under the authority of the Board of Directors, adopted the 2009 Severance Plan which provides for severance payments for both officers and non-officer employees of A. H. Belo and its subsidiary companies in the event of termination of employment due to general involuntary terminations including, but not limited to, reduction-in-force and cost re-engineering actions. Under the 2009 Severance Plan, any NEO, as well as each vice president and above, who is terminated due to such an action is eligible for a lump sum severance payment plus a certain amount of benefits coverage. No changes were made to this plan in 2012. For additional discussion, see *Potential Payments on Change in Control or Upon Termination of Employment at December 31, 2012*.

### **Tax Treatment**

Under section 162(m) of the Internal Revenue Code, the Company generally receives an annual federal income tax deduction for compensation paid to the CEO and the other three most highly paid executives (excluding the CFO) only if the compensation is less than \$1 million or is performance-based. The applicable awards granted under the ICP qualify as performance-based compensation and typically are fully tax-deductible for the Company, except for TBRsUs and time-based cash LTIs. The Company intends to continue seeking a tax deduction to the extent possible for all executive compensation, as long as it is in the best interests of A. H. Belo and its shareholders.

### **Considerations Regarding Shareholder Say on Pay and Say on Frequency Votes**

At our annual meeting of shareholders held on May 18, 2011, our shareholders voted overwhelmingly to adopt the recommendation of our Board to conduct future advisory votes on executive compensation every three years. Accordingly, the next shareholder advisory vote on executive compensation (say-on-pay) will be held at the Company's 2014 annual meeting of shareholders.

### **Compensation Committee Report**

In accordance with its written charter adopted by our Board of Directors, the Compensation Committee has oversight of the Company's overall compensation structure, policies and programs. In exercising its oversight responsibility, the Compensation Committee has retained a compensation consultant to advise the committee regarding market and general compensation trends.

The Compensation Committee, after consultation with its compensation consultant, has reviewed and discussed the Compensation Discussion and Analysis (CD&A) with management, which has the responsibility for preparing the CD&A. Based upon this review and discussion, the Compensation Committee recommended to our Board that the CD&A be included in this proxy statement and incorporated by reference in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission for the year ended December 31, 2012.

- (1) The Compensation Committee established 2012 target bonus opportunities expressed as a percentage of base salary for each of the NEOs as follows: Robert Decherd, 85%; Jim Moroney, 70%; Alison Engel, 55%; and Dan Blizzard, 45%. 2012 bonus opportunities were linked directly to the achievement of financial performance measures and individual non-financial performance objectives (INFO). The weighting given to these factors was 50% for EBITDA and 50% for INFOs. See Executive Compensation Compensation Discussion and Analysis Annual Cash Incentive Program. The first row in columns (c), (d), and (e) for each named executive officer relates to bonus opportunities that are based upon EBITDA. The second row in column (d) for each named executive officer relates to bonus opportunities that were based upon individual non-financial performance objectives.
- (2) The named executive officers were awarded one-half of their long-term incentive compensation in the form of time-based restricted stock units ( TBRsUs ) that are reflected in column (i). No option awards were made under the ICP in 2012. For additional discussion, see Compensation Discussion and Analysis. These TBRsUs are valued as of the date of vesting and are paid 60% in shares of A. H. Belo Series A common stock and 40% in cash and vest as follows: 40% vested on February 15, 2013, and the remainder of the awards vest 30% on the third trading day following each annual earnings release date for the years ending December 31, 2013 and 2014, provided that the executive remains employed through the vesting date.
- (3) The fair value estimates do not include any adjustments for risk of forfeiture. The fair value of the TBRsUs awarded March 8, 2012 in column (l) is based on the closing market price for a share of A. H. Belo Series A common stock on that date, which was \$5.00. For additional discussion, see Compensation Discussion and Analysis.

(1) All of the outstanding option awards held by the NEOs are fully vested. The form of ICP stock option award provides for accelerated vesting of equity awards for terminating employees that meet the criteria for early retirement (age 55 or greater with three years of service). Robert Decherd and Jim Moroney meet these criteria. Upon the occurrence of a change in control (as defined in the ICP), all of the options become immediately exercisable, unless A. H. Belo's Board of Directors has adopted resolutions making the acceleration provisions inoperative (or does so promptly following such occurrence).

- (2) The amounts in column (g) reflect unvested TBRsUs that, subject to retirement eligibility, remain subject to additional vesting requirements that depend upon the executive's continued employment with the Company. The form of TBRsU provides for accelerated vesting of equity awards for terminating employees that meet the criteria for early retirement (age 55 or greater with three years of service). Robert Decherd and Jim Moroney meet these criteria.

*Equity Holdings and Value Realization of Belo Corp. Securities Related to Spin-Off.* Pursuant to the anti-dilution adjustment provisions of the Belo Corp. stock option and RSU awards that the NEOs held at the effective date of the spin-off, the NEOs continue to hold equity awards exercisable for or settled in Belo Corp. common stock. Information regarding the Belo Corp. option and RSU awards held by the NEOs immediately following the spin-off was disclosed in the Belo Corp. Outstanding Equity Awards at Fiscal Year-End 2008 table of A. H. Belo's 2009 proxy statement.

The Belo Corp. option awards that the NEOs retained as a result of the spin-off and that remained outstanding as of December 31, 2012 were as follows: Robert Decherd, 609,789; Jim Moroney, 208,969; Alison Engel, 3,500; Dan Blizzard, 22,000; and John McKeon, 0. All of the options are fully vested and have exercise prices ranging from \$14.4853 to \$22.3725 and expire on or before December 2016. No amounts were realized by the NEOs during 2012 from the Belo Corp. option awards they retained as a result of the spin-off.

All Belo Corp. RSU awards that the NEOs retained as a result of the spin-off have vested and paid out.

The following table presents information on amounts realized from A. H. Belo options exercised and stock awards vested during 2012.

- (2) The value realized upon vesting of these TBRsUs is equal to the number of units vesting multiplied by the closing market price of a share of A. H. Belo Series A common stock on the vesting date. The vested stock award represents the January 28, 2010 and the March 9, 2011 TBRsU awards which vested on February 24, 2012, at a price of \$4.98.

*Defined Benefit Pension Plan.* Through March 31, 2007, Belo Corp. offered a defined benefit pension plan to certain employees through its tax-qualified pension plan, The G. B. Dealey Retirement Pension Plan (the Belo Plan ). Until July 1, 2000, this non-contributory pension plan was available to substantially all Belo Corp. employees who had completed one year of service and had reached 21 years of age as of June 30, 2000. The Belo Plan was amended effective July 1, 2000. As a result, new or rehired employees were not eligible to accrue additional benefits in the Belo Plan and individuals who were active participants immediately prior to July 1, 2000 were offered an election to either (1) remain eligible to participate in and accrue benefits under the Belo Plan, or (2) cease accruing benefits under the Belo Plan effective June 30, 2000. Effective March 31, 2007, the Belo Plan was further frozen for benefits and all affected employees were provided five additional years of credited service and became eligible for transition benefits described below under the heading Pension Transition Benefits. Robert Decherd and Jim Moroney were participants in the Belo Plan at the time of the freeze and received such transition benefits.

In October 2010, Belo and A. H. Belo entered into a Pension Plan Transfer Agreement to split the Belo Plan into separately sponsored plans. The split was effective January 1, 2011. As a result, A. H. Belo now sponsors two new pension plans, the A. H. Belo Pension Plan I and the A. H. Belo Pension Plan II (the New Plans ), for A. H. Belo participants and is solely responsible for managing and funding future contributions to such plans. Belo remains the sole sponsor for the Belo Plan and is responsible for management and funding contributions for the benefit of Belo participants but no longer A. H. Belo participants. The split of the Belo Plan did not change the amount of the benefits any participant has accrued or is currently receiving.

The New Plans provide for the payment of a monthly retirement benefit based on credited years of service and the average of five consecutive years of highest annual covered compensation out of the ten most recent calendar years of employment referred to as final monthly compensation. The formula for determining an individual participant's benefit is as follows: 1.1% times final monthly compensation times years of credited service plus .35% times final monthly compensation in excess of covered compensation times years of credited service (up to 35 years). Compensation covered under the New Plans includes regular pay plus overtime, bonuses, commissions, and any contribution made by the Company on behalf of an employee pursuant to a deferral election under any benefit plan containing a cash or deferred arrangement. Covered compensation excludes certain non-cash earnings and Company contributions to the Savings Plan. All participants are fully vested in their accrued benefit in the New Plans. Retirement benefits under the New Plans are paid to participants upon normal retirement at the age of 65 or later, or upon early retirement, which may occur as early as age 55. An early retirement reduction factor, which is applied to the participant's normal age 65 monthly benefit, is based on the participant's Social Security normal retirement age. The percentage reduction factor is the sum of 3.33% times the number of years of payment between ages 55 and 60 increased for each year the Social Security normal retirement age exceeds age 65, plus 6.67% times the number of years between ages 60 and 65 decreased for each year the Social Security normal retirement age exceeds age 65. For example, a participant with a Social Security normal retirement age of 67 who elects to begin receiving pension benefits at age 57 would have a reduction factor of 36.7 percent. The New Plans also provide for the payment of death benefits. Robert Decherd and Jim Moroney are currently eligible to receive benefits under the early retirement provisions of the New Plans.

**Table of Contents**

The table below presents the present value of Robert Decherd's and Jim Moroney's benefit under the A. H. Belo Pension Plan I at age 65, based upon credited years of service, including the additional five years of credited service, and covered compensation as of December 31, 2012. For the New Plans, A. H. Belo uses a December 31 measurement date for financial reporting purposes with respect to A. H. Belo's audited financial statements for the year ending December 31, 2012.

(1) Alison Engel, Dan Blizzard, and John McKeon are not participants in the New Plans, the PTS Plan or the PTS Restoration Plan.

(2) Amounts indicated in column (d) do not include pension transition supplement payments that the Company funded into the PTS Plan, a qualified defined contribution retirement plan, and the PTS Restoration Plan, a non-qualified plan. See "All Other Compensation" in the Summary Compensation Table.

*Pension Transition Benefits.* In connection with the spin-off on February 8, 2008, A. H. Belo adopted the PTS Plan and the PTS Restoration Plan, which are designed to provide those employees who previously participated in the Belo Plan and were affected by the Belo Plan freeze in 2007 a supplemental benefit over a five-year period to replace a portion of the pension benefit they would have earned had the Belo Plan not been frozen.

For a participant to remain eligible for a contribution, the participant must remain an A. H. Belo or Belo Corp. employee through the last day of a designated plan year. The amount of any contribution is determined by applying an actuarially-determined factor to the participant's eligible compensation earned during a given plan year. Eligible compensation is limited to \$245,000 for all participants in the PTS Plan and PTS Restoration Plan. Accrued benefits under the PTS Plan for 2012 were contributed in 2013.

Robert Decherd and Jim Moroney are the only named executive officers for whom amounts have been credited under the PTS Restoration Plan. No PTS Restoration Plan payments were made in 2010, 2011, or 2012. Their aggregate earnings in the year ending December 31, 2012 under the PTS Restoration Plan are as follows:

- (1) Total Company contributions to Robert Decherd's and Jim Moroney's PTS Restoration Plan accounts have been reported in the Company's prior proxy statements as "All Other Compensation" in the Summary Compensation Table. Amounts under the PTS Restoration Plan are distributed upon termination of employment in a lump sum to the participant.

**Table of Contents****Change in Control Arrangements and Other Agreements Upon Termination of Employment**

The following descriptions reflect the amount of compensation that would have become payable to each of the NEOs under existing arrangements if there had been a change in control or the named executive's employment had terminated on December 31, 2012, given the named executive's compensation and service levels at A. H. Belo as of such date and, if applicable, based on A. H. Belo's closing stock price on that date. As used in this section, termination means the termination of a named executive officer's employment with the Company due to death, disability or retirement at or after age 55 with at least three years of service or involuntary termination without cause. These amounts are in addition to benefits that were available without regard to the occurrence of any termination of employment or change in control, including then-exercisable stock options, and benefits available generally to salaried employees.

At December 31, 2012, the Company did not have individual written agreements with any of the NEOs that would provide guaranteed payments or benefits in the event of a termination of employment or a change in control. The actual amounts that would be paid upon a NEO's termination of employment or a change in control can be determined only at the time of any such event. Due to the number of factors that affect the nature and amount of any benefits provided upon any such event, the actual amounts paid or distributed may be higher or lower than the amounts set forth in the table that follows. Factors that could affect these amounts include the timing during the year of any such event, the relevant company's stock price and the executive's age.

*2009 Severance Plan.* The 2009 Severance Plan, an employee welfare benefit plan within the meaning of the Employee Retirement Income Security Act of 1974, as amended (ERISA), provides severance benefits to eligible employees, including the NEOs, following involuntary terminations of employment by the Company, including, but not limited to, reduction-in-force and re-engineering actions. The severance benefit provided under the 2009 Severance Plan for participants at or above the level of vice president is an amount equal to 1.0 week of base pay multiplied by the number of years of service, subject to a minimum benefit of 16 weeks of pay, plus six months of COBRA premiums. Severance benefits are paid in a lump sum following termination of employment and upon the execution of a release. Outplacement services also may be provided. In the event of an involuntary termination of employment by the Company, all unvested option and RSU awards are forfeited immediately and all vested options remain exercisable for one year from the date of termination.

*CIC Plan Change in Control Benefits.* Under A. H. Belo's Change in Control Severance Plan (CIC Plan), each designated executive is eligible for certain payments upon a change in control. The circumstances that would result in a change in control under the CIC Plan include: (1) the acquisition by a person or group of 30 percent or more of the combined voting power of the Company's voting securities (excluding voting securities held by Robert Dechard and voting securities held by any entity over which Robert Dechard has sole or shared voting power); (2) certain changes in the membership of the Company's Board of Directors that are not approved by the incumbent directors; (3) consummation of a business combination or sale of substantially all of the Company's assets, unless immediately following such transaction the beneficial owners of shares of A. H. Belo's common stock and other securities eligible to vote immediately prior to the transaction beneficially own more than 60 percent of the combined voting power of the voting securities of the continuing company resulting from such transaction; or (4) approval by A. H. Belo shareholders of a plan of liquidation or dissolution. In connection with any actual termination of employment, change in control or otherwise, A. H. Belo may determine to enter into or amend other agreements or arrangements that provide additional or alternative benefits that would be payable as a result of such events, as the Compensation Committee or Board determines appropriate.

The amounts presented in the table below with respect to change in control payments are based upon the terms of the CIC Plan had there been a termination of employment in connection with a change in control on December 31, 2012.

**Table of Contents**

*ICP Change in Control Benefits.* Compensation and benefits of all plan participants, which include A. H. Belo's executive officers, under the Company's ICP may also be affected by a change in control of A. H. Belo. Generally under the ICP, a change in control event means the first of the following to occur, unless the A. H. Belo Board of Directors has adopted a resolution stipulating that such event will not constitute a change in control for purposes of the ICP:

specified changes in the majority composition of A. H. Belo's Board;

specified mergers or sales or dispositions of all or substantially all of A. H. Belo's assets;

shareholder approval of a plan of complete liquidation or dissolution of A. H. Belo; or

acquisition of more than 30 percent of the combined voting power of A. H. Belo common stock.

Following a change in control of A. H. Belo, ICP bonuses are paid in full at the higher of target or forecasted full-year results in the year of the change in control; stock options held by participants, including senior management, sales executives and non-employee directors, become fully-vested and are immediately exercisable; TBRUs vest and are payable in full immediately; and PBRUs vest at the higher of target or forecasted full-year results in the year of the change in control; and all vested units are payable in full immediately.

*Pension Transition Supplement Restoration Plan.* Effective February 8, 2008, A. H. Belo adopted the PTS Restoration Plan, as a non-qualified plan, to provide the portion of PTS Plan benefit that cannot be provided under the PTS Plan because of Code limitations on the amount of qualified plan benefits. Generally under the PTS Restoration Plan, a change in control will occur on the date that there is a:

change in ownership in the Company, wherein any person or group acquires more than 50% of the total fair market value or total voting power of A. H. Belo stock;

change in effective control of the Company, wherein (a) any person or group acquires 30% or more of the total voting power of A. H. Belo stock or (b) a majority of the members of A. H. Belo's Board are replaced during any 12-month period by persons not appointed or endorsed by a majority of A. H. Belo's Board prior to the date of such appointment or election; or

change in the ownership of a substantial portion of the assets of the Company, wherein any person or group acquired A. H. Belo assets having a total gross fair market value of 40 percent or more of the total gross fair market value of all A. H. Belo assets.

Upon the occurrence of a change in control, as defined in the PTS Restoration Plan, the A. H. Belo Compensation Committee has the right, but not the obligation, to terminate the PTS Restoration Plan and distribute the entire balance of participants' accounts to the participants.

- (1) In the event of a change in control, short-term, non-equity incentives (cash bonuses) are paid in a lump sum to each executive at the higher of target or actual financial performance based on current full-year forecasted results (taking into consideration actual financial performance to date). The amounts in column (c) reflect the target bonus for each NEO. Cash bonuses are not automatically paid for executives terminating under other circumstances. See Compensation Discussion and Analysis Change in Control and Severance Benefits for a discussion of change in control events under the ICP.

## Edgar Filing: A. H. Belo Corp - Form DEF 14A

- (2) Generally, all unvested TBRsUs and Time-based Cash are forfeited immediately in the event an executive is terminated with or without cause or voluntarily resigns; however, the Compensation Committee retains discretion to accelerate the vesting of these RSUs and/or Time-based Cash in the case of involuntary severance without cause. In the event of a change in control or an executive's retirement after age 55 with at least three years of service, qualification for long-term disability, or death, vesting of all TBRsUs and Time-based Cash are accelerated and payment is made as soon as practicable but no earlier than allowable under Section 409A of the Code.

**Table of Contents**

- (3) As of December 31, 2012, a multiple of 2.0 for the CEO and a multiple of 1.5 would have applied to each of the other NEO's payments under the CIC Plan had a termination of employment in connection with a change in control occurred. This multiple is used to determine the total cash payment to be awarded to each executive, and is applied to the sum of the following components: (1) base salary in effect at the time of the change in control; (2) higher of the current target bonus in effect prior to the change in control or the average of the last three years' bonus payments; (3) employer-provided contributions to the A. H. Belo Savings Plan, PTS Plan payments and PTS Restoration Plan payments for the current year; and (4) employer cost of medical and dental benefits in excess of employee premiums. In addition to this change in control amount, the employee is also eligible for outplacement services valued at no more than \$25,000, plus reimbursement for any legal fees incurred to enforce the participant's rights under the plan. For each executive, the assumptions for outplacement costs and legal fees in the table above were \$25,000 and \$0, respectively. To the extent the cash payment and the value related to the acceleration of vesting for outstanding equity awards exceeds three times the employee's average taxable compensation earned during the five years preceding the year of the change in control, excise taxes will be assessed. For each of the executives listed in the table above, a gross-up payment would not be necessary.
- (4) In addition to the change in control payments available under the ICP and the CIC Plan, there are also change in control provisions in the PTS Restoration Plan. Upon the occurrence of a change in control, the Compensation Committee has the right, but not the obligation, to terminate the PTS Restoration Plan and distribute the entire balance of participants' accounts to the participants. At December 31, 2012, the balance in Robert Decherd's PTS Restoration account was \$1,170 and the balance in Jim Moroney's PTS Restoration account was \$9,438. These amounts are not included in the table above. No other NEO had a PTS Restoration account balance at December 31, 2012.

**Table of Contents****DIRECTOR COMPENSATION****Director Compensation for 2012**

Non-employee directors receive compensation for their Board and committee service. Executive officers of the Company who also serve as A. H. Belo directors (Robert Decherd) do not receive separate compensation for Board service. Based on recommendations from the Compensation Committee, the Board determines the amount of non-employee director compensation each year and designates the manner in which it is paid. The annual retainer is paid on the date of the Company's annual meeting of shareholders for service through the date of the next annual meeting. Directors who are initially elected at a time other than at an annual meeting of shareholders receive a proportionate share of compensation relative to the service provided during an ordinary term of service. Vesting and payment dates for equity awards are adjusted to coincide with dates of awards relative to the previous award dates.

During 2012, non-employee directors on the A. H. Belo Board received an annual retainer package with a nominal value of \$112,000. The annual retainer is for the 2012-2013 term of service beginning May 17, 2012, the date of the Company's 2012 annual meeting of shareholders, through May 16, 2013, the date of the 2013 annual meeting of shareholders. One-half of the Board's annual retainer was paid in cash and the remaining one-half was paid in the form of TBRsUs for A. H. Belo Series A common stock. The number of TBRsUs was determined based on the closing market price of A. H. Belo Series A common stock on the date of the award. Annual awards for 2012-2013 were made on May 17, 2012.

Directors' TBRsU awards vest on the date of the annual shareholders meeting approximately one year following the initial grant or on the next regularly scheduled shareholders meeting date for prorated awards made during a service period. Payment of vested TBRsUs is made 60% in shares of A. H. Belo Series A common stock and 40% in cash. Directors who voluntarily resign or retire from A. H. Belo Board service prior to the vesting of TBRsUs will receive a proportionate amount of the award based on actual service. Payment will be made on the payment date, which is three years following the initial award. Vesting is accelerated and payment is made immediately for TBRsUs held by a director who becomes disabled or dies.

A. H. Belo directors who served as committee chairs in 2012 received an additional \$8,000 in cash. A. H. Belo reimburses directors for travel expenses incurred in attending meetings. No additional fee is paid to directors for attendance at Board and committee meetings.

The following table sets forth compensation for each A. H. Belo non-employee director for service as a director during the year ended December 31, 2012:

**Board Composition & Qualifications**

*Majority Voting in the Election of Directors; Director Resignation Policy*

If a nominee for director who is an incumbent director does not receive the vote of at least a majority of the votes cast in an uncontested election at any meeting for the election of directors at which a quorum is present, the director will promptly tender his or her resignation to the Board. For purposes of this Corporate Governance Guideline, a majority of votes cast means that the number of votes cast for a director's election exceeds 50% of the number of votes cast with respect to that director's election. Votes cast include votes to withhold authority in each case and exclude abstentions with respect to that director's election.

The Nominating and Corporate Governance Committee will make a recommendation to the Board as to whether to accept or reject the tendered resignation, or whether other action should be taken. The Board will act on the tendered resignation, taking into account the Nominating and Corporate Governance Committee's recommendation, and publicly disclose (by a press release, a filing with the Securities and Exchange Commission or other broadly disseminated means of communication) its decision regarding the tendered resignation and the rationale behind the decision within 90 days from the date of the certification of the election results. The Nominating and Corporate Governance Committee in making its recommendation, and the Board in making its decision, may each consider any factors or other information that it considers appropriate and relevant. The director who tenders his or her resignation will not participate in the recommendation of the Nominating and Corporate Governance Committee or the decision of the Board with respect to his or her resignation.

P. O. Box 224866, Dallas, Texas 75222-4866, (214) 977-8200.

**Board Composition & Qualifications**

*Independence*

A majority of the directors comprising the Board shall be independent directors. An independent director is a director who meets the New York Stock Exchange ( NYSE ) standards of independence, as determined by the Board. The Board has adopted the standards set forth on Attachment A to these Guidelines to assist it in making determinations of a director's independence.

**Board Committees:**

*Number, Structure and Independence of Committees*

The Board has three standing committees: Audit, Compensation, and Nominating and Corporate Governance. All members of the Audit, Compensation, and Nominating and Corporate Governance Committees shall be directors who meet the NYSE standards of independence as determined by the Board. Directors who serve on the Audit Committee must meet additional independence criteria described in Attachment A to these Guidelines and be financially literate as determined by the Board.

**Attachment A: Independence Standards**

A director shall be independent if the director meets each of the following standards and otherwise has no material relationship with A. H. Belo, either directly, or as a partner, stockholder, or officer of an organization that has a relationship with A. H. Belo. For purposes of these standards, A. H. Belo means A. H. Belo Corporation and its consolidated subsidiaries, collectively.

1. the director is not, and in the past three years has not been, an employee of A. H. Belo;
2. an immediate family member of the director is not, and in the past three years has not been, employed as an executive officer of A. H. Belo;
3. (a) neither the director nor a member of the director's immediate family is a current partner of A. H. Belo's outside auditing firm; (b) the director is not a current employee of A. H. Belo's outside auditing firm; (c) no member of the director's immediate family is a current employee of A. H. Belo's outside auditing firm and personally works on A. H. Belo's audit; and (d) neither the director nor a

member of the director's immediate family was within the past three years (but is no longer) a partner or employee of A. H. Belo's outside auditing firm and personally worked on A. H. Belo's audit within that time;

4. neither the director nor a member of the director's immediate family is, or in the past three years has been, part of an interlocking directorate in which a current executive officer of A. H. Belo served on the compensation committee of another company at the same time the director or the director's immediate family member served as an executive officer of that company;
5. neither the director nor a member of the director's immediate family has received, during any 12-month period in the past three years, any direct compensation from A. H. Belo in excess of \$120,000, other than compensation for Board service, compensation received by the director's immediate family member for service as a non-executive employee of A. H. Belo, and pension or other forms of deferred compensation for prior service;

6. the director is not a current executive officer or employee, and no member of the director's immediate family is a current executive officer, of another company that makes payments to or receives payments from A. H. Belo, or during any of the last three fiscal years has made payments to or received payments from A. H. Belo, for property or services in an amount that, in any single fiscal year, exceeded the greater of \$1 million or 2% of the other company's consolidated gross revenues;
7. the director is not an executive officer of a non-profit organization to which A. H. Belo makes or in the past three fiscal years has made, contributions that, in any single fiscal year, exceeded the greater of \$1 million or 2% of the non-profit organization's consolidated gross revenues;
8. the director is not, and during the last fiscal year has not been, a partner in, or a controlling shareholder or executive officer of, a business corporation, non-profit organization, or other entity to which A. H. Belo was indebted at the end of A. H. Belo's last full fiscal year in an aggregate amount in excess of 2% of A. H. Belo's total consolidated assets at the end of such fiscal year;
9. the director is not, and during the last fiscal year has not been, a member of, or of counsel to, a law firm that A. H. Belo has retained during the last fiscal year or proposes to retain during the current fiscal year; or
10. the director is not, and during the last fiscal year has not been, a partner or executive officer of any investment banking firm that has performed services for A. H. Belo, other than as a participating underwriter in a syndicate, during the last fiscal year or that A. H. Belo proposes to have perform services during the current fiscal year.

The Board may determine that a director or nominee is independent even if the director or nominee does not meet each of the standards set forth in paragraphs (7) through (10) above as long as the Board determines that such person is independent of management and free from any relationship that in the judgment of the Board would interfere with such person's independent judgment as a member of the Board and the basis for such determination is disclosed in A. H. Belo's annual proxy statement.

In addition, a director is not considered independent for purposes of serving on the Audit Committee, and may not serve on that committee, if the director: (1) receives, either directly or indirectly, any consulting, advisory or other compensatory fee from A. H. Belo Corporation or any of its subsidiaries other than: (a) fees for service as a director, and (b) fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with A. H. Belo; or (2) is an affiliated person of A. H. Belo Corporation or any of its subsidiaries; each as determined in accordance with Securities and Exchange Commission regulations.

For purposes of this Attachment A, an immediate family member means a person's spouse, parents, children, siblings, mother and father-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than domestic employees) who shares such person's home.
