IMPORTANT INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Q. Why did I receive these proxy materials? **A.** We are providing these proxy materials to you in connection with the solicitation by our Board of proxies to be voted at the Annual Meeting, to be held at the Killington Grand Hotel, located at 228 East Mountain Road, Killington, Vermont 05751, on Wednesday, October 16, 2013 at 10:00 a.m., Eastern time. As a stockholder of record of Casella Waste Systems, Inc., you are invited to attend the Annual Meeting and you are entitled and requested to vote on the proposals described in this proxy statement.

Q. What is included in the proxy materials? **A.** The proxy materials include our proxy statement for the Annual Meeting, a proxy card and our 2013 Annual Report, which includes our Annual Report on Form 10-K for the fiscal year ended April 30, 2013.

Q. Who can vote at the Annual Meeting? **A.** Our Board fixed August 22, 2013 as the record date for the Annual Meeting. If you were a stockholder of record on the record date, you are entitled to vote (in person or by proxy) all of the shares that you held on that date at the Annual Meeting and at any postponement or adjournment thereof.

On the record date, we had shares of Class A common stock outstanding (each of which entitles its holder to one vote per share) and 988,200 shares of Class B common stock outstanding (each of which entitles its holder to 10 votes per share). Unless indicated otherwise, in this proxy statement, we refer to our Class A common stock and our Class B common stock together as our common stock. Holders of our common stock do not have cumulative voting rights.

Q. How do I vote? **A. If your shares are registered directly in your name, you may vote:**

- (1) **Over the Internet:** Go to the website of our tabulator, Computershare Trust Company, N.A., at www.investorvote.com/CWST. Use the vote control number printed on your enclosed proxy card to access your account and vote your shares. You must specify how you want your shares voted or your Internet vote cannot be completed and you will receive an error message. Your shares will be voted according to your instructions. You must submit your Internet proxy before 11:59 p.m., Eastern time, on October 15, 2013, the day before the Annual Meeting, for your proxy to be valid and your vote to count.
- (2) **By Telephone:** Call 1-800-652-VOTE (8683), toll free from the United States, Canada and Puerto Rico, and follow the recorded instructions. You must specify how you want your shares voted and confirm your vote at the end of the call or your telephone vote cannot be completed. Your shares will be voted according to your instructions. You must submit your telephonic proxy before 11:59 p.m., Eastern time, on October 15, 2013, the day before the Annual Meeting, for your proxy to be valid and your vote to count.
- (3) **By Mail:** If you received your proxy materials by mail, complete and sign your proxy card and mail it to Computershare Trust Company, N.A. in the postage prepaid envelope we provided. Computershare Trust Company, N.A. must receive the proxy card by October 15, 2013, the day before the Annual Meeting, for your proxy to be valid and your vote to count. Your shares will be voted according to your instructions. If

you do not specify how you want your shares voted, the persons named as proxies will follow our Board's recommendations and vote your shares:

FOR the election of all three director nominees;

FOR the approval of the compensation of our named executive officers;

FOR the ratification of the appointment of McGladrey LLP as our independent auditors for the fiscal year ending April 30, 2014, which we refer to as fiscal 2014;

AGAINST the stockholder proposal to declassify our Board and provide for the annual election of directors; and

On any other matters properly brought before the Annual Meeting, in accordance with the best judgment of the named proxies.

- (4) **In Person at the Meeting:** If you attend the Annual Meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which we will provide to you at the Annual Meeting.

If your shares are held in street name, meaning they are held for your account by a bank, broker or other nominee, you may vote:

- (1) **Over the Internet or by Telephone:** You will receive instructions from your bank, broker or other nominee if they permit Internet or telephone voting. You should follow those instructions.
- (2) **By Mail:** You will receive instructions from your bank, broker or other nominee explaining how you can vote your shares by mail. You should follow those instructions.
- (3) **In Person at the Annual Meeting:** Contact your bank, broker or other nominee who holds your shares to obtain a broker's proxy card and bring it with you to the Annual Meeting. A broker's proxy is *not* the form of proxy enclosed with this proxy statement. **You will not be able to vote shares you hold in street name in person at the Annual Meeting unless you have a proxy from your bank, broker or other nominee issued in your name giving you the right to vote your shares.**

Q. Can I change my vote?

A. If your shares are registered directly in your name, you may revoke your proxy and change your vote at any time before the Annual Meeting. To do so, you must do one of the following:

- (1) Vote over the Internet or by telephone as instructed above. Only your latest Internet or telephone vote is counted. You may not change your vote over the Internet or by telephone after 11:59 p.m., Eastern time, on October 15, 2013.

- (2) Sign a new proxy and submit it as instructed above. Only your latest dated proxy, received by Computershare by October 15, 2013, will be counted.

- (3) Attend the Annual Meeting, request that your proxy be revoked and vote in person as instructed above. Attending the Annual Meeting will not revoke your Internet vote, telephone vote or proxy, as the case may be, unless you specifically request it.

If your shares are held in street name, you may submit new voting instructions by contacting your bank, broker or other nominee. You may also vote in person at the Annual Meeting if you obtain a broker's proxy as described in the answer above.

Q. Will my shares be voted if I do not return my proxy? **A. If your shares are registered directly in your name**, your shares will not be voted if you do not vote over the Internet, by telephone, by returning your proxy or by ballot at the Annual Meeting.

If your shares are held in street name, your bank, broker or other nominee may under certain circumstances vote your shares if you do not timely return your proxy. Banks, brokers or other nominees can vote their customers' unvoted shares on discretionary matters but cannot vote such shares on non-discretionary matters. If you do not timely return a proxy to your bank, broker or other nominee to vote your shares, your bank, broker or other nominee may, on discretionary matters, either vote your shares or leave your shares unvoted. Your bank, broker or other nominee cannot vote your shares on any non-discretionary matter.

The election of directors (Proposal 1), the advisory say-on-pay vote (Proposal 2) and the stockholder proposal to declassify our Board (Proposal 4) are non-discretionary matters. The ratification of the appointment of our independent auditors (Proposal 3) is a discretionary matter.

We encourage you to provide voting instructions to your bank, broker or other nominee by giving your proxy to them. This ensures that your shares will be voted at the Annual Meeting according to your instructions. You should receive directions from your bank, broker or other nominee about how to submit your proxy to them at the time you receive this proxy statement.

Q. How many shares must be present to hold the Annual Meeting? **A.** The presence, in person or by proxy, of shares representing a majority of the votes entitled to be cast at the Annual Meeting by the holders of our Class A common stock and our Class B common stock, voting together as a class, is necessary to constitute a quorum for the transaction of business at the Annual Meeting. For purposes of determining whether a quorum exists, we count as present any shares that are voted over the Internet, by telephone, by completing and submitting a proxy or that are represented in person at the Annual Meeting. Further, for purposes of establishing a quorum, we will count as present shares that a stockholder holds even if the stockholder votes to abstain or only votes on one of the proposals. In addition, we will count as present shares held in street name by banks, brokers or nominees who indicate on their proxies that they do not have authority to vote those shares on Proposals 1, 2 and 4. If a quorum is not present, we expect to adjourn the Annual Meeting until we obtain a quorum.

Q. What vote is required to approve each matter and how are votes counted? **A. Proposal 1 Election of Class I Directors**

The three nominees for director receiving the highest number of votes FOR election will be elected as directors. This is called a plurality. **Proposal 1 is a non-discretionary matter.** Therefore, if your shares are held by a bank,

broker or other nominee in street name and you do not vote your shares, your bank, broker or other nominee cannot vote your shares on Proposal 1. Shares held in street name by banks, brokers or nominees who indicate on their proxies that they do not have authority to vote the shares on Proposal 1 will not be counted as votes FOR or WITHHELD from any nominee and will be treated as broker non-votes. Broker non-votes will have no effect on the voting on Proposal 1. With respect to Proposal 1, you may:

vote FOR all nominees;

vote FOR one or more nominee(s) and WITHHOLD your vote from the other nominee(s); or

WITHHOLD your vote from all nominees.

Votes that are withheld will not be included in the vote tally for the election of directors and will not affect the results of the vote.

Proposal 2 Advisory Say-on-Pay Vote on the Compensation of Our Named Executive Officers

To approve Proposal 2, the holders of shares of Class A common stock and Class B common stock, voting together as a class, representing a majority of the votes cast on the matter must vote FOR the proposal. **Proposal 2 is a non-discretionary matter.** Therefore, if your shares are held by a bank, broker or other nominee in street name and you do not vote your shares, your bank, broker or other nominee cannot vote your shares on Proposal 2. Shares held in street name by brokers or nominees who indicate on their proxies that they do not have authority to vote the shares on Proposal 2 will not be counted as votes FOR or AGAINST Proposal 2 and will be treated as broker non-votes. Broker non-votes will have no effect on the voting on Proposal 2. If you vote to ABSTAIN on this Proposal 2, your shares will not be voted FOR or AGAINST the proposal and will not be counted as votes cast or shares withheld on Proposal 2. Voting to ABSTAIN will have no effect on the voting on Proposal 2.

As an advisory vote, this proposal is not binding. The outcome of this advisory vote will not overrule any decision by us or our Board (or any committee thereof). However, our Compensation Committee and our Board value the opinions expressed by our stockholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for our named executive officers.

Proposal 3 Ratification of Appointment of Independent Auditors

To approve Proposal 3, the holders of shares of Class A common stock and Class B common stock, voting together as a class, representing a majority of the votes cast on the matter must vote FOR the proposal. **Proposal 3 is a discretionary matter.** Therefore, if your shares are held by a bank, broker or other nominee in street name and you do not vote your shares, your bank, broker or other nominee may vote your unvoted shares on Proposal 3. If you vote to ABSTAIN on Proposal 3, your shares will not be voted FOR or AGAINST the proposal and will also not be counted as votes cast or shares voting on the proposal. As a result, voting to ABSTAIN will have no effect on the voting on Proposal 3.

Although stockholder approval of our Audit Committee's appointment of McGladrey LLP as our independent auditors for fiscal 2014 is not required, we believe that it is advisable to give stockholders an opportunity to ratify this appointment. If this proposal is not approved at the Annual Meeting, our audit committee may reconsider its appointment of McGladrey LLP as our independent auditors for fiscal 2014.

Proposal 4 Stockholder Proposal to Declassify Our Board and Provide For the Annual Election of Directors

To approve Proposal 4, the holders of shares of Class A common stock and Class B common stock, voting together as a class, representing a majority of the votes cast on the matter must vote FOR the proposal. **Proposal 4 is a non-discretionary matter.** Therefore, if your shares are held by a bank, broker or other nominee in street name and you do not vote your shares, your broker or other nominee cannot vote your shares on Proposal 4. Shares held in street name by brokers or nominees who indicate on their proxies that they do not have authority to vote the shares on Proposal 4 will not be counted as votes FOR or AGAINST Proposal 4 and will be treated as broker non-votes. Broker non-votes will have no effect on the voting on Proposal 4. If you vote to ABSTAIN on this Proposal 4, your shares will not be voted FOR or AGAINST the proposal and will not be counted as votes cast or shares withheld on Proposal 4. Voting to ABSTAIN will have no effect on the voting on Proposal 4.

As an advisory vote, this proposal is not binding. The outcome of this advisory vote will not overrule any decision by us or our Board (or any committee thereof). However, our Board values the opinions expressed by our stockholders in their vote on this proposal and will consider the outcome of this vote when determining whether to seek to amend our certificate of incorporation and our by-laws to remove the requirement that our Board be classified.

Q. Are there other matters to be voted on at the Annual Meeting?

A. We do not know of any matters that may come before the Annual Meeting other than the four proposals described above. If any other matters are properly presented at the Annual Meeting, the persons named in the accompanying proxy intend to vote, or otherwise act, in accordance with their judgment on the matter.

Q. Where can I find the voting results?

A. We will report the voting results in a Current Report on Form 8-K within four business days following the adjournment of our Annual Meeting.

Q. What are the costs of soliciting these proxies?

A. We will bear the cost of soliciting proxies. In addition to these proxy materials, our directors, officers and employees may solicit proxies by telephone, e-mail, facsimile and in person, without additional compensation. We have also retained Georgeson, Inc. and MacKenzie Partners, Inc. to solicit proxies by mail, courier, telephone and facsimile and to request brokers, custodians and fiduciaries to forward proxy soliciting materials to the owners of stock held in their names. For these services, we have paid a fee of \$, plus expenses. We may reimburse brokers or persons holding stock in their names, or in the names of their nominees, for their expenses in sending proxies and proxy material to beneficial owners.

BOARD OF DIRECTORS
Information Regarding Directors and Director Nominees

Our certificate of incorporation and our by-laws provide for the classification of our Board into three classes, each having as nearly an equal number of directors as possible. The terms of service of the three classes are staggered so that the term of one class expires each year.

CORPORATE GOVERNANCE

General

We believe that good corporate governance is important to ensure that our company is managed for the long-term benefit of our stockholders. This section describes key corporate governance policies and practices that we have adopted.

We have adopted a code of business conduct and ethics, which applies to all of our directors, officers and employees, corporate governance guidelines and charters for the Audit Committee, Compensation Committee and Nominations and Governance Committee. Complete copies of our code of business conduct and business ethics, corporate governance guidelines and committee charters, which are described below, are available on the Investor Relations section of our website, www.casella.com. Alternatively, you can request a copy of any of these documents by writing to Casella Waste Systems, Inc., Attn: Corporate Secretary, 25 Greens Hill Lane, Rutland, Vermont 05701.

Corporate Governance Guidelines

Our Board has adopted corporate governance guidelines to assist in the exercise of its duties and responsibilities and to serve the best interests of Casella Waste Systems, Inc. and its stockholders. These guidelines, which provide a framework for the conduct of our Board's business, provide, among other matters, that:

our Board's principal responsibility is to oversee the management of Casella Waste Systems, Inc.;

a majority of the members of our Board shall be independent directors;

the independent directors shall meet regularly in executive session;

directors shall have full and free access to management and, as necessary and appropriate, independent advisors;

new directors are expected to participate in an orientation program and all directors are expected to participate in continuing director education on an ongoing basis; and

at least annually, our Board and its committees will conduct a self-evaluation to determine whether they are functioning effectively.

Stock Ownership Guidelines

Our Board believes that each non-employee director should acquire and hold shares of our stock in an amount that is meaningful and appropriate to such director. Accordingly, our Board adopted stock ownership guidelines that require each non-employee director to attain a share ownership level of our Class A common stock equal to four times the annual cash fees paid to non-employee directors for service on our Board, which does not include fees paid to non-employee directors based on meeting attendance or service as a committee chair or Lead Director. Each non-employee director is required to attain such ownership levels by the third annual meeting of stockholders following the first annual meeting of stockholders at which such non-employee director is elected to our Board.

Board Determination of Independence

Under the applicable rules of the NASDAQ Stock Market, a director will only qualify as an independent director if, in the opinion of our Board, that person does not have a relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Our Board

determined that none of Ms. Nagle Green or Messrs. Burke, Callahan, Chapple, Doody, McManus and Peters has a relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is an independent director as defined under Rule 5605(a)(2) of the NASDAQ Marketplace Rules.

Director Nominations Process

The Nominations and Governance Committee acts under a written charter that we have posted on the Corporate Governance page of the Investor Relations section of our website, www.casella.com. The process followed by the Nominations and Governance Committee to identify and evaluate director candidates includes requests to Board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the Nominations and Governance Committee and our Board.

Criteria and Diversity

Although our Board does not have a formal diversity policy, in considering whether to recommend any particular candidate for inclusion in our Board's slate of recommended director nominees, the Nominations and Governance Committee applies the criteria set forth in our corporate governance guidelines. These criteria include the candidate's integrity, business acumen, knowledge of our business and industry, experience, diligence, absence of conflicts of interest and the ability to act in the interests of all stockholders. The Nominations and Governance Committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow our Board to fulfill its responsibilities to our stockholders.

The director biographies appearing above indicate each nominee's experience, qualifications, attributes and skills that led our Board to conclude that he or she should continue to serve as a member of our Board. Our Board believes that each of the nominees has substantial achievement in his or her professional pursuits, and possesses the background, talents and experience that our Board desires and that will contribute to the best interests of Casella Waste Systems, Inc. and to long-term stockholder value.

Stockholder Nominations

Stockholders may recommend individuals to the Nominations and Governance Committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials to: Nominations and Governance Committee, c/o Corporate Secretary, Casella Waste Systems, Inc., 25 Greens Hill Lane, Rutland, Vermont 05701. The Nominations and Governance Committee has no obligation to consider individuals recommended by stockholders for nomination by the Committee as potential director candidates. However, assuming that appropriate biographical and background material has been provided on a timely basis, we expect that individuals recommended by stockholders would be so considered and evaluated by the Nominations and Governance Committee by following substantially the same process, and applying substantially the same criteria, as it follows for candidates identified by others.

Stockholders also have the right under our by-laws to directly nominate director candidates, without any action or recommendation on the part of the Nominations and Governance Committee or our Board, by following the procedures set forth under Stockholder Proposals for the 2014 Annual Meeting of Stockholders. If our Board determines to nominate a stockholder-recommended candidate and recommends his or her election, then his or her name will be included in our proxy statement and proxy card for the next annual meeting of stockholders. Otherwise, candidates nominated by stockholders in accordance with the procedures set forth in the by-laws will not be included in our proxy statement and proxy card for the next annual meeting.

Board Meetings and Attendance

Our Board met 12 times during the fiscal year ended April 30, 2013, which we refer to as fiscal 2013, either in person or by teleconference. During fiscal 2013, each director attended at least 75% of the meetings of our Board and at least 75% of the meetings of the committees of our Board on which he or she then served.

Director Attendance at Annual Meeting of Stockholders

We encourage, but have no policy with respect to, attendance of directors at the annual meeting of stockholders. Messrs. Callahan, John Casella, Douglas Casella and Peters attended the 2012 Annual Meeting of Stockholders.

Board Leadership Structure

Mr. John Casella serves as Chairman of our Board and Chief Executive Officer. Our Board believes that combining the Chairman and Chief Executive Officer positions fosters clear accountability, effective decision-making and alignment of corporate strategy and is the appropriate leadership structure for us at this time. Additionally, our Board believes this leadership structure is particularly appropriate for our company given Mr. Casella's long history with our company and his extensive knowledge of and experience with our business and industry. As our founder and our Chief Executive Officer since 1993, Mr. John Casella has been an integral part of the leadership of our Board, and his strategic vision has helped to guide our growth and performance.

In 2003, our Board established the position of Lead Director. Mr. Peters was elected Lead Director by the independent members of our Board in 2003 and he has served in that role ever since. The responsibilities of the Lead Director are included in our Corporate Governance Guidelines, which are posted on the Corporate Governance page of the Investor Relations section of our website, www.casella.com. The Lead Director chairs meetings of our independent directors, meets with any director who is not adequately performing his or her duties as a member of our Board or any committee and facilitates communications between the Chairman of our Board and other directors. The Lead Director also works with the Chairman of our Board in preparing agendas for each meeting of our Board and consults with the Chairman of our Board on matters relating to corporate governance and board performance.

Our Board believes that its leadership structure is appropriate because it strikes an effective balance between strategy development, independent leadership and management oversight in the Board process.

Board Committees

Our Board has established three standing committees—Audit, Compensation and Nominations and Governance—each of which operates under a charter that was approved by our Board. In addition, the Compensation Committee designated two of its members to serve on the Stock Plan Subcommittee.

Our Board determined that all of the members of each of its three committees are independent as defined under the rules of NASDAQ, including, in the case of all members of the Audit Committee, the independence requirements contemplated by Rule 10A-3 under the Securities Exchange Act of 1934, as amended, or the Exchange Act. Our non-employee directors serve on the committees of our Board as follows:

	Audit Committee	Compensation Committee	Nominations and Governance Committee
Michael K. Burke			
James F. Callahan

Risk Oversight

Role of Our Board in Management of Risk

Our Board administers its risk oversight function directly and through its Audit Committee and receives regular reports from members of senior management on areas of material risk to Casella Waste Systems, Inc., including operational, financial, legal and regulatory, strategic and reputational risks. As part of its charter, the Audit Committee regularly discusses with management our major risk exposures, their potential financial impact on Casella Waste Systems, Inc. and the steps we take to manage them. In addition, the Compensation Committee assists our Board in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs

and succession planning. The Nominations and Governance Committee assists our Board in fulfilling its oversight responsibilities with respect to the management of risks associated with board organization, membership and structure and corporate governance.

Risk Considerations in Executive Compensation

Our Compensation Committee has discussed the concept of risk as it relates to our executive compensation program and our compensation committee does not believe our executive compensation program encourages excessive or inappropriate risk taking. As described more fully below in Compensation Discussion and Analysis, we structure our compensation program to consist of both fixed and variable components to motivate our executives to produce superior short- and long-term results that are in the best interests of Casella Waste Systems, Inc. and its stockholders in order to attain our ultimate objective of increasing stockholder value. We believe that any risks that may arise from our compensation policies and practices for our employees are not reasonably likely to have a material adverse effect on Casella Waste Systems, Inc.

Compensation Committee Interlocks and Insider Participation

None of our executive officers serves as a member of our Board or Compensation Committee, or other committee serving an equivalent function, of any entity that has one or more executive officers who serve as members of our Board or Compensation Committee. None of the members of the Compensation Committee is a current or former officer or employee of Casella Waste Systems, Inc.

Certain Relationships and Related Person Transactions

We have adopted a written policy and have established procedures regarding approval of transactions between us and any employee, officer, director and other related persons, including those required to be reported under Item 404 of Regulation S-K. The policy requires that all related person transactions are reviewed by the Audit Committee and approved by our Board.

With respect to bidding projects in excess of \$500,000 in which a related person, including Casella Construction, Inc. is a bidder, the Audit Committee has established a specific procedure. This procedure requires us to solicit a minimum of three qualified bids. The bid package is required to be sufficiently detailed to allow for direct comparisons of costs between responsive bidders. Bids for work on which Casella Construction, Inc. or any other related person is bidding are required to be directed to a third party engineer for opening, compilation and tabulation. The bids are then evaluated by the project team based on price, performance references, qualifications, experience, alternate bid items, proposed schedule, subcontractors qualifications/references, technical compliance and other bid information that is in the best interest of the project. In the event that a construction contract is successfully bid by a related person, bids and recommendations are required to be submitted to our Chief Financial Officer and our President and Chief Operating Officer or our Chief Executive Officer for submission to the Audit Committee for review and to our Board for approval. With respect to sole source bids (i.e. those less than \$500,000), the Audit Committee is required to be provided with documentation describing the reason for the work, a comparison of market or historical prices to the bid price, and senior management approval. Change orders relating to contracts with related parties are required to be forwarded to our Chief Financial Officer for submission to the Audit Committee for review and to our Board for approval before the change order is approved; provided that change orders to existing contracts with related parties may be approved by members of our management who are not affiliated with the related parties as long as the total value of such change orders does not exceed 10% of the value of the contract, up to a maximum of \$500,000, and subject to ratification of the change order by our Board. Transactions not exceeding \$75,000 individually or \$300,000 in the aggregate in any fiscal year may, for administrative purposes, be approved by our President and Chief Operating Officer or our Chief Financial Officer, subject to ratification and approval by the Audit Committee and our Board of Directors.

With respect to related person transactions involving aggregate consideration in excess of \$10.0 million or in excess of \$2.0 million if such transaction is not approved by a majority of disinterested directors, we are required by the terms of our debt instruments to obtain an opinion as to the fairness of such transactions from a financial point of view issued by an accounting, appraisal or investment banking firm of national standing.

Our related person transaction policy also provides that transactions involving compensation of executive officers shall be reviewed and approved by the Compensation Committee in the manner specified in its charter.

We engage Casella Construction, Inc., a company owned by John W. Casella, our Chief Executive Officer and the Chairman of our Board, and Douglas R. Casella, the Vice Chairman of our Board, to provide construction services for us, including construction, closure and capping activities at our landfills. Total purchased services from Casella Construction, Inc. charged to operations or capitalized to landfills for fiscal 2013, the fiscal year ended April 30, 2012, which we refer to as fiscal 2012, and the fiscal year ended April 30, 2011, which we refer to as fiscal 2011, were \$6,576,752, \$2,611,607 and \$6,067,652, respectively, of which \$1,188,852, \$44,506 and \$209,245, respectively, were outstanding and included in either accounts payable or other current liabilities at April 30, 2013, 2012 and 2011. In addition, we have approved ongoing contracts with Casella Construction, Inc., which we expect will result in additional payments by us to Casella Construction, Inc.

We are also party to two real estate leases with Casella Associates, LLP, a Vermont limited liability company owned by Messrs. John Casella and Douglas Casella. These leases relate to our corporate headquarters in Rutland, Vermont and our Montpelier, Vermont facility, and they provided for aggregate monthly payments by us of \$24,996 through April 30, 2013, subject to an annual escalation provision based on increases in the consumer price index. In fiscal 2013, aggregate monthly payments by us amounted to \$26,970. These leases were renewed in April 2013 and provide for aggregate monthly payments by us of \$27,375, subject to an annual escalation provision based on increases in the consumer price index, through their expiration in April 2018. Through April 30, 2013, we classified these leases as capital leases for financial reporting purposes, and, going forward, we will classify these leases as operating leases.

From 1977 to 1992, we operated an unlined landfill located in Whitehall, New York owned by Bola, Inc., a corporation owned by Messrs. John Casella and Douglas Casella, which operated as a single-purpose real estate holding company. We paid the cost of closing this landfill in 1992, and have agreed to pay all post-closure obligations. In fiscal 2013, 2012 and 2011, we paid an aggregate of \$8,111, \$7,871 and \$7,986, respectively, pursuant to this arrangement. As of April 30, 2013, 2012 and 2011, we had accrued \$100,282, \$84,331 and \$94,232, respectively, for costs related to those post-closure obligations.

We have entered into employment agreements with certain of our officers. See Employment Agreements. For his service as President of Casella Waste Management, Inc., our wholly-owned subsidiary, Mr. Douglas Casella was paid \$116,415 during fiscal 2013.

Communicating with the Independent Directors

Our Board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Our Lead Director, with the assistance of our General Counsel, is primarily responsible for monitoring communications from stockholders and for providing copies or summaries to the other directors as he considers appropriate.

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that our Lead Director considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to our Board should address such communications to: Board of Directors, Attn: Corporate Secretary, Casella Waste Systems, Inc., 25 Greens Hill Lane, Rutland, Vermont 05701.

Code of Business Conduct and Ethics

We have adopted a written Code of Business Conduct and Ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer, or persons performing similar functions. We have posted a current copy of the Code of Business Conduct and Ethics on the Corporate Governance page of the Investor Relations section of our website, *www.casella.com*. In addition, we intend to post on our website all disclosures that are required by law or NASDAQ's listing standards concerning any amendments to, or waivers from, any provision of the Code of Business Conduct and Ethics.

Report of the Audit Committee of the Board of Directors

The Audit Committee reviewed our audited financial statements for fiscal 2013 and discussed these financial statements with our management and McGladrey LLP, our independent auditors.

The Audit Committee also received from, and discussed with, our independent auditors various communications that our independent auditors are required to provide to the Audit Committee, including the matters required to be discussed by the Public Company Accounting Oversight Board, or PCAOB, AU Section 380 (Communication with Audit Committees), as modified or supplemented.

PCAOB AU Section 380 requires our independent auditors to discuss with the Audit Committee, among other things, the following:

methods to account for significant unusual transactions;

the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;

the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditors conclusions regarding the reasonableness of those estimates; and

disagreements, if any, with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements.

Our independent auditors also provided the Audit Committee with the written disclosures and the letter required by PCAOB Rule 3526 (Communicating with Audit Committees Concerning Independence), as modified or supplemented. The Audit Committee discussed with the independent auditors their independence from us.

Based on its discussions with management and the independent auditors, and its review of the representations and information provided by management and the independent auditors, the Audit Committee recommended to our Board that the audited financial statements be included in our Annual Report on Form 10-K for fiscal 2013.

Following the completion of the Audit Committee's review of our fiscal 2013 financial statements and our internal accounting controls over financial reporting for fiscal 2013, the Audit Committee, with input from management, completed an evaluation of the performance of our independent auditors, McGladrey LLP. Based on the results of this evaluation, the Audit Committee determined that it was in the best interest of Casella Waste Systems, Inc. and its stockholders to appoint, and the Audit Committee then appointed, McGladrey LLP as our independent auditors for fiscal 2014.

EXECUTIVE AND DIRECTOR COMPENSATION AND RELATED MATTERS

Compensation Discussion and Analysis

This Compensation Discussion and Analysis is designed to provide our stockholders with an understanding of our compensation philosophy, objectives, programs and process, as well as the compensation paid to our named executive officers in fiscal 2013. For fiscal 2013, our named executive officers were:

John W. Casella, our Chief Executive Officer and Chairman of our Board;

Edwin D. Johnson, our President and Chief Operating Officer;

Edmond R. Coletta, our Senior Vice President and Chief Financial Officer;

David L. Schmitt, our Senior Vice President and General Counsel;

Christopher B. Heald, our Vice President of Finance and Chief Accounting Officer; and

Paul A. Larkin, our former President and Chief Operating Officer, who ceased serving as an executive officer and employee on November 30, 2012.

Roles of Our Compensation Committee and Compensation Committee Consultant

The Compensation Committee, including its Stock Plan Subcommittee, is responsible for overseeing our executive compensation program. In this capacity, the Compensation Committee designs, implements, reviews and approves annually all compensation for our named executive officers.

The Compensation Committee has the authority to retain compensation consultants and other outside advisors to assist in the evaluation of executive officer compensation. In fiscal 2013, Compensation Committee retained an independent compensation consultant, HRadvantage, to assist the Compensation Committee with its review of the executive compensation program. In addition, the Compensation Committee reviewed compensation market data provided by Towers Watson and Mercer LLC, independent compensation consultants. The Compensation Committee also considers compensation information from other sources, including publicly available compensation information from our industry and other industries and general economic trends in the areas in which our executive officers work and live. HRadvantage reports directly to the Compensation Committee and does not provide any other services to us. In fiscal 2013, HRadvantage did not attend any meetings of the Compensation Committee.

Objectives and Philosophy of Our Executive Compensation Program

The Compensation Committee, including its Stock Plan Subcommittee, seeks to achieve three broad objectives in connection with our executive compensation program. First, the Compensation Committee seeks to reward executives for the achievement of business objectives. Second, the executive compensation program is intended to provide executives with equity incentives so as to link a portion of the executive's compensation with the future performance of our Class A common stock, thereby aligning the interests of our executives with those of our stockholders. Finally, the Compensation Committee structures its executive compensation program so as to enable us to attract and retain qualified and talented executives.

We have entered into employment agreements with certain of our executive officers. These employment agreements establish annual base salary and annual bonus amounts that the Compensation Committee may increase. In general, the Compensation Committee has tied potential bonus compensation to performance factors, including the executive officer's efforts and contributions towards obtaining corporate objectives and our company's performance.

In making compensation decisions, the Compensation Committee considers a number of factors, including the compensation packages paid by a peer group of publicly traded companies in the waste management industry selected by the Committee. This peer group, which is periodically reviewed and updated by the Compensation Committee after consultation with an independent compensation consultant (HRAdvantage served in this capacity in fiscal 2013), consists of companies we believe are generally comparable to us. The companies included in our peer group for fiscal 2013 were Clean Harbors, Inc., Covanta Holding Corporation, Progressive Waste Solutions Ltd., Republic Services, Inc., Waste Connections, Inc., Waste Services, Inc. and WCA Waste Corporation. The Compensation Committee reviews this information in order to obtain a general understanding of current compensation practices in the industry but does not formally use that information to benchmark its executive compensation. The Compensation Committee also relies on various other factors, including existing compensation paid to executives, experience level of the individual, market factors, general economic conditions, corporate performance and cost of living in the areas where our executives live.

Say-on-Pay Feedback from Stockholders

At our 2012 Annual Meeting of Stockholders, we submitted our executive compensation program to an advisory vote of our stockholders and it received the support of over 90% of the total votes cast. Annually, the Compensation Committee intends to review the results of the advisory vote and will consider this feedback as it completes its annual review of each pay element and the total compensation packages for our named executive officers with respect to the next fiscal year.

Components of our Executive Compensation Program

The primary elements of our executive compensation program are:

base salary;

annual cash incentive bonuses;

stock performance awards; and

severance and change-of-control benefits.

We do not have any policy or target for allocating compensation between long-term and short-term compensation, between cash and non-cash compensation or among the different forms of non-cash compensation. Instead, the Compensation Committee determines what it believes to be the appropriate level and mix of the various compensation components based on its review of compensation of similarly situated executives in our peer group, the advice of its compensation consultant and our compensation philosophy described previously.

Base Salary

We use base salaries to recognize the experience, skills, knowledge and responsibilities of our employees, including our executive officers. None of our named executive officers is currently party to an employment agreement that provides for automatic or scheduled increases in base salary. On an annual basis, our Compensation Committee reviews and evaluates for adjustment the base salaries of our executives based on the scope of an executive's responsibilities, individual contribution, prior experience and sustained performance. In making decisions regarding salary increases, we may also draw on the experiences of members of our Board with other companies and the peer group compensation data reviewed by the Compensation Committee. Base salaries are also reviewed and adjusted, as deemed appropriate, in the case of promotions or other significant changes in responsibility. No formulaic base salary increases are provided to our named executive officers.

The following table sets forth the annual base salaries of our named executive officers for fiscal 2013 and fiscal 2012:

Name and Principal Position(s)	Fiscal 2013 Salary (1)	Fiscal 2012 Salary
John W. Casella <i>Chairman and Chief Executive Officer</i>	\$ 366,785	\$ 361,333
Edwin D. Johnson <i>President and Chief Operating Officer</i>	\$ 350,000	\$ 300,000
Edmond R. Coletta <i>Senior Vice President and Chief Financial Officer</i>	\$ 240,000	\$ 180,000
David L. Schmitt <i>Senior Vice President and General Counsel</i>	\$ 242,800	\$ 235,000
Christopher B. Heald <i>Vice President of Finance and Chief Accounting Officer</i>	\$ 157,800	\$ 132,800
Paul A. Larkin <i>Former President and Chief Operating Officer</i>	\$ 280,000	\$ 280,000

- (1) Our Compensation Committee approved increases in (a) Mr. Johnson's annual base salary, effective December 6, 2012, in connection with his promotion to President and Chief Operating Officer; (b) Mr. Coletta's annual base salary, effective December 6, 2012, in connection with his promotion to Senior Vice President and Chief Financial Officer; and (c) Mr. Heald's annual base salary, effective January 24, 2013, in connection with his promotion to Vice President of Finance and Chief Accounting Officer.

Annual Incentive Bonus

The employment agreement of each of our named executive officers provides that such executive officer will be eligible to receive a bonus consisting of cash, a stock award or a combination thereof in an amount, if any, to be determined by the Compensation Committee after the conclusion of each fiscal year. The annual incentive bonuses for executive officers are intended to compensate for the achievement of company strategic, operational and financial goals. Amounts payable under the annual incentive bonus plan are calculated as a percentage, from zero to 150%, of a specified percentage of the applicable executive's base salary.

Fiscal 2013 Cash Incentive Bonus Plan

In May 2012, the Compensation Committee approved a cash incentive bonus plan for fiscal 2013, pursuant to which our executive officers were eligible to receive a cash bonus upon our achievement in fiscal 2013 of specified targets with respect to the following corporate goals:

earnings before interest and tax, adjusted to exclude any accruals for incentive bonus and any one-time non-recurring gains or losses, or Pre-Bonus EBIT; and

achievement of positive pre-tax income, adjusted for one-time finance charges and gains and losses on asset disposal, or Pre-Tax Income.

The following table shows the 2013 target bonus amount as a percentage of annual base salary for which each of Messrs. Casella, Johnson, Coletta, Schmitt, Heald and Larkin was eligible.

Name and Principal Position(s)	Fiscal 2013 Target Bonus as a Percentage of Base Salary	Fiscal 2013 Target Bonus Amount
John W. Casella <i>Chairman and Chief Executive Officer</i>	100%	\$366,785
Edwin D. Johnson <i>President and Chief Operating Officer</i>	85%	\$297,500
Edmond R. Coletta <i>Senior Vice President and Chief Financial Officer</i>	75%	\$180,000
David L. Schmitt <i>Senior Vice President and General Counsel</i>	60%	\$145,680
Christopher B. Heald <i>Vice President of Finance and Chief Accounting Officer</i>	50%	\$78,900
Paul A. Larkin <i>Former President and Chief Operating Officer</i>	85%	\$238,000

Our Compensation Committee established the following performance targets under the fiscal 2013 cash incentive bonus plan: Pre-Bonus EBIT in the range of \$39.6 million to \$44.9 million; and achieving positive Pre-Tax Income. Based on our overall performance in fiscal 2013, our Compensation Committee did not award bonuses under the fiscal 2013 cash incentive bonus plan.

Fiscal 2014 Bonus Plan

In May 2013, the Compensation Committee approved a bonus plan for fiscal 2014, pursuant to which our management, including our named executive officers, are eligible to receive an annual bonus, payable in cash or equity, as determined by our Board, upon our achievement in fiscal 2014 of specified targets with respect to increased Economic Value Added, or EVA, compared to EVA in fiscal 2013. EVA is calculated as operating income less a cost of capital charge, with the cost of capital charge calculated as our weighted average cost of capital applied to the net assets of each operating unit. No bonus payout will be made to our named executive officers under the fiscal 2014 bonus plan if a specified threshold target for Consolidated EBITDA is not met. Consolidated EBITDA is defined in our Amended and Restated Senior Secured Credit Agreement, which was attached as Exhibit 10.1 to our Current Report on Form 8-K that we filed with the SEC on March 24, 2011.

The Compensation Committee worked with our Chief Executive Officer to develop an EVA target for fiscal 2014 that they believe can be reasonably achieved with hard work over the next fiscal year, taking into account the current economic environment.

Under the fiscal 2014 bonus plan, our named executive officers are eligible to receive bonuses as a percentage of their respective annual base salary as follows: Mr. Casella: 100%; Mr. Johnson: 85%; Mr. Coletta: 75%; Mr. Schmitt: 60% and Mr. Heald: 50%.

Stock Awards Granted in Fiscal 2013

Our executive officers are also eligible to receive stock awards under our stock incentive plans. Historically, the use of stock options had been a significant element of the compensation packages of our executive officers. The stock options we have granted to our executives vest in equal, annual installments over a three or four year period of the ten-year option term, beginning on the first anniversary of the date of grant. Exercise rights generally cease shortly after termination of employment except in the case of death or disability, although in certain circumstances the exercise period may be extended if the Compensation Committee believes the extension is in our best interests. Prior to the exercise of an option, the holder has no rights as a stockholder with respect to the shares subject to such option, including voting rights and the right to receive dividends or

dividend equivalents. It has been the policy of the Stock Plan Subcommittee to set the exercise price of the stock options at a price that is at least equal to the fair market value of a share of our Class A common stock as of the date of grant.

Beginning in 2009, we have issued restricted stock units instead of stock options as we believe that they generally serve as a more effective equity incentive program. These restricted stock units, each of which represents the right to receive a share of our Class A common stock, are subject to vesting. For fiscal 2013, restricted stock units were granted subject to vesting conditions based 50% on continued employment and 50% on achievement of target return on net assets. The 50% of restricted stock units, which vest based on continued employment, vest in three equal annual installments beginning on the first anniversary of the date of grant. The 50% of restricted stock units, which vest based on target return on net assets, will vest upon the achievement of a target return for the fiscal year ending April 30, 2015, which we refer to as fiscal 2015, and the executive may receive a lesser or greater amount, up to 200% of the original portion of the grant that is subject to vesting based on the target return, if such target is not met or is exceeded. The restricted stock units will vest in full upon a change of control of the company. The Compensation Committee worked with our Chief Executive Officer to develop the target return on net assets for fiscal 2015 that was believed to be attainable. In fiscal 2014, we granted restricted stock units subject only to continued employment, with such restricted stock units vesting in three equal annual installments beginning on the first anniversary of the date of grant.

We do not have a program, plan or practice of timing the grant of equity awards in coordination with the release of material non-public information. We typically make equity awards to our officers and employees when the person is first hired and thereafter once annually at a regularly scheduled Compensation Committee meeting at the commencement of the respective fiscal year.

Benefits and Other Compensation

We maintain broad based benefits that are provided to all employees, including health and dental insurance, life and disability insurance and a 401(k) plan. Our executive officers are eligible to participate in all of our employee benefit plans, in each case on the same basis as other employees.

Severance and Change-of-Control Benefits

Pursuant to employment agreements we have entered into with our executive officers, our executive officers are entitled to specified benefits in the event of the termination of their employment under specified circumstances, including termination following a change of control of Casella Waste Systems, Inc. We have provided more detailed information about these benefits, along with estimates of their value under various circumstances, under the caption "Potential Payments Upon Termination or Change of Control" below.

On November 30, 2012, Mr. Larkin ceased serving as an executive officer and employee of our company. In connection with this cessation of service, we and Mr. Larkin entered into a separation agreement consistent with the terms of his employment agreement, which is described in our Definitive Proxy Statement for the 2012 Annual Meeting of Stockholders. In consideration for Mr. Larkin's agreement to a general release and certain other standard terms and conditions, we agreed to provide Mr. Larkin with the following separation pay and benefits: (a) 12 months of annual base salary, to be paid over a period of 12 months following the date of Mr. Larkin's separation, (b) a lump sum cash bonus payment equal to 85% of Mr. Larkin's annual base salary, which was paid within 60 days of the date of his separation; (c) full and immediate vesting of all unvested restricted stock units with time based vesting held by Mr. Larkin; (d) title to Mr. Larkin's company car, and (e) certain other benefits relating to continued health insurance benefits for a period of up to one year following the date of his separation. Further, under the separation agreement, Mr. Larkin agreed to certain restrictive covenants regarding non-competition and non-solicitation for the period of one year beginning on the date of separation.

Compliance with Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Code, generally disallows a tax deduction for compensation in excess of \$1.0 million paid to a company's chief executive officer and its three other officers (other than the chief financial officer) whose compensation is required to be reported to our stockholders pursuant to the Exchange Act by reason of being among our most highly paid executive officers. Certain compensation, including qualified performance based compensation, may be deducted if certain requirements are met. The Compensation Committee, including its Stock Plan Subcommittee, reviews the potential effect of Section 162(m) periodically and uses its judgment to authorize compensation payments that may be in excess of the limit when it believes such payments are appropriate and in the best interests of our stockholders, after taking into consideration changing business conditions and the performance of our employees. The potential compensation arising from the grant of performance based restricted stock units to executive officers in fiscal 2014 is subject to the limitations effected by Section 162(m).

Report of the Compensation Committee

Our Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management. Based on this review and discussion, the Compensation Committee recommended to our Board that the Compensation Discussion and Analysis be included in this proxy statement and incorporated by reference in our Annual Report on Form 10-K for the year ended April 30, 2013.

Potential Payments Upon Termination or Change of Control

Employment Agreements

Edgar Filing: CASELLA WASTE SYSTEMS INC - Form PRE 14A

We have employment agreements with Messrs. John Casella, Johnson, Coletta and Schmitt, which we entered into as follows: Mr. Casella: December 8, 1999; Mr. Johnson: July 6, 2010; Mr. Coletta: September 1, 2012; and Mr. Schmitt: May 31, 2006. In addition, we entered into an employment agreement with Mr. Larkin on January 9, 2008, which was terminated in November 2012 in connection with Mr. Larkin's cessation of employment and our subsequent entry into a separation agreement with Mr. Larkin that is described in Severance and Change of Control Benefits above. Each of Messrs. Casella's and Johnson's employment agreement had an initial term of three years and is automatically renewable for additional one-year terms thereafter unless terminated

by either party pursuant to the terms of the agreement. Each of Messrs. Schmitt's and Coletta's employment agreement has an initial term of one year and is automatically renewable for additional one-year terms thereafter unless terminated by either party pursuant to the terms of the agreement. In December 2008, we amended our employment agreements with Messrs. Casella and Schmitt to document compliance with, and, as applicable, exemption from, Section 409A of the Code.

Pursuant to the terms of their employment agreements, each of Messrs. Casella, Johnson, Coletta and Schmitt is entitled to a specified annual base salary, subject to adjustment as set forth in the agreement, an annual bonus consisting of cash, stock awards or a combination of cash and stock awards, in an amount determined by the Compensation Committee prior to the conclusion of each fiscal year, and a severance package upon the termination of employment. We have agreed to use our best efforts to assure that Mr. John Casella is elected to our Board for the duration of his term of employment.

Pursuant to their employment agreements, in fiscal 2013, the annual base salary of Mr. Casella was \$366,785, the annual base salary of Mr. Johnson was \$300,000 (which salary was increased to \$350,000 in December 2012 in connection with his promotion to President and Chief Operating Officer), the annual base salary of Mr. Coletta was \$180,000 (which salary was increased to \$240,000 in December 2012 in connection with his promotion to Senior Vice President and Chief Financial Officer) and the annual base salary of Mr. Schmitt was \$242,800.

Mr. Casella also agreed not to compete with us for a period of two years after the termination of his employment within 300 miles of any facility operated by us during the term of his employment and not to solicit our customers, accounts or employees. Each of Messrs. Johnson, Coletta and Schmitt has agreed not to compete with us for a period of one year after the termination of his employment within 100 miles of any facility operated by us during the term of his employment and not to solicit our customers, accounts or employees. In the event that Mr. Casella terminates his employment voluntarily and is not entitled to severance, the non-compete provisions of his agreement would not apply unless we continue to pay his base salary and any termination benefits or payments required under his agreement.

In the event Mr. Casella's employment is terminated by us other than for cause (as defined below), he will be entitled to payment of an amount equal to (a) three times the sum of (i) his highest annual base salary paid under the agreement and (ii) the higher of the most recent bonus paid to him under his agreement or 50% of his base salary immediately prior to such termination, plus (b) an amount in cash equal to the value of any accrued but unpaid base salary, bonus and vacation pay. In addition, Mr. Casella will continue to receive healthcare and other benefits for a period of three years from the date of termination, and any stock options or equity grants issued by us to him will become exercisable in full upon termination without cause. In the event that Mr. Casella terminates his employment with us for good reason or qualified good reason (as defined below), he will receive the maximum payments described in the preceding two sentences plus an additional payment intended to compensate him for excise taxes under Section 4999 of the Code payable in connection with the severance payments.

In the event Mr. Johnson's employment is terminated by us without cause, he will be entitled to payment of an amount equal to (a) two times the sum of his highest annual base salary at any time prior to such termination and 85% of his highest base salary at any time prior to such termination and (b) an amount in cash equal to the value of any accrued but unpaid base salary, bonus and vacation pay. In addition, Mr. Johnson will continue to receive healthcare and other benefits for a period of two years from the date of termination. Any stock options or equity grants issued by us to Mr. Johnson will become exercisable in full upon termination without cause. In the event that Mr. Johnson terminates his employment with us for good reason, defined as the assignment of any duties inconsistent with his status as President and Chief Operating Officer, a material adverse alteration in the nature or status of his responsibilities from those provided in the agreement or the transfer of a significant portion of such responsibilities to one or more other persons, or a material diminution in his compensation, Mr. Johnson will receive the maximum payments and benefits described in the preceding three sentences and an additional payment intended to compensate him for excise taxes under Section 4999 of the Code payable in connection with the severance payments.

In the event Mr. Coletta's employment is terminated by us without cause, he will be entitled to payment of an amount equal to (a) the sum of 12 months of the highest base salary paid to Mr. Coletta prior to his termination and 75% of his base salary immediately prior to such termination and (b) an amount in cash equal to any accrued but unpaid base salary, bonus and vacation pay. Any stock options or equity grants issued by us to Mr. Coletta will become exercisable in full upon termination without cause. In the event that Mr. Coletta terminates his employment for good reason, he will be entitled to receive the severance payments described in the preceding two sentences plus an additional payment intended to compensate him for excise taxes under Section 4999 of the Code payable in connection with the severance payments.

In the event Mr. Schmitt's employment is terminated by us without cause, he will be entitled to payment of an amount equal to (a) the sum of 12 months of the highest base salary paid to Mr. Schmitt prior to his termination and 60% of his base salary immediately prior to such termination and (b) an amount in cash equal to any accrued but unpaid base salary, bonus and vacation pay. Any stock options or equity grants issued by us to Mr. Schmitt will become exercisable in full upon termination without cause. In the event that Mr. Schmitt terminates his employment for good reason, he will be entitled to receive the severance payments described in the preceding two sentences plus an additional payment intended to compensate him for excise taxes under Section 4999 of the Code payable in connection with the severance payments.

For purposes of each agreement discussed above, "cause" means the discharge of the employee resulting from (a) a conviction of a crime involving us; (b) an act or omission which has a material adverse effect on us; (c) fraud, misappropriation or embezzlement; or (d) the breach of confidentiality, non-competition or other material obligations by the employee. For the purposes of the employment agreement of Mr. Casella discussed above, "good reason" means the occurrence of (a) a change of control, accompanied by, or followed within the 12-month period after a change of control by (b) (i) the assignment to the employee of any duties inconsistent with his status prior to the change of control or which require travel significantly more time-consuming than that required at commencement of the agreement, or (ii) a material adverse alteration in the nature or status of the employee's responsibilities from those provided in the agreement or the transfer of a significant portion of such responsibilities to one or more other persons, or (iii) a material diminution in the employee's compensation. For the purposes of the employment agreements of Mr. Casella discussed above, "qualified good reason" means the occurrence of one of the events under clause (b)(i), (ii) or (iii) of the preceding definition of good reason.

The severance benefits described above were extended to Mr. Casella as an inducement to his decision to continue to remain employed by us and, in the case of Messrs. Johnson, Coletta and Schmitt, as an inducement to accept employment with us. At the time each of such agreements was entered into, our Board considered a number of factors, including severance arrangements offered by comparable companies, the importance of the respective employee to our ongoing success and the benefits of receiving a non-competition and non-solicitation covenant from the respective employee in exchange for the agreed severance. The Compensation Committee considers the severance benefits to be separate from the compensation payable to employees for their ongoing services and accordingly does not consider the value of the severance package when setting current compensation.

Summary of Potential Payments Upon Termination or Change of Control as of April 30, 2013

The following table quantifies the amounts that would be payable to our named executive officers upon termination of their employment under the circumstances described above under Employment Agreements. We calculated the amounts shown based upon each such named executive officer's employment agreement described above and upon the hypothetical assumption that we terminated each named executive officer effective April 30, 2013.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers and holders of more than 10% of our common stock to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. Based solely on a review of copies of reports filed pursuant to Section 16(a) and representations made by persons required to file such reports, we believe that during fiscal 2013, our officers, directors and greater than 10% owners timely filed all reports they were required to file under Section 16(a), with the exception of late Forms 4 reporting: the grant of stock options to Messrs. Johnson and Coletta, filed with the SEC on December 12, 2012; the purchase of shares of Class A common stock by Mr. Johnson, filed with the SEC on October 9, 2012; the grant of restricted stock to Ms. Nagle Green, filed with the SEC on July 2, 2012; the grant of restricted stock to Messrs. PROPOSAL 1 ELECTION OF DIRECTORS

Our certificate of incorporation provides for a classified Board. Our Board is divided into three classes, with each class having as nearly as possible an equal number of directors. The term of service of each class of directors is staggered so that the term of one class expires at each annual meeting of stockholders.

Our Board currently consists of nine members, divided into three classes as follows:

Class I is comprised of Michael K. Burke, James F. Callahan, Jr. and Douglas R. Casella, each with a term ending at the 2013 Annual Meeting;

Class II is comprised of Joseph G. Doody, Emily Nagle Green and Gregory B. Peters, each with a term ending at the 2014 Annual Meeting; and

Class III is comprised of John W. Casella, John F. Chapple III and James P. McManus, each with a term ending at the 2015 Annual Meeting.

At each annual meeting of stockholders, directors are elected for a full term of three years to succeed those directors whose terms are expiring. Messrs. Burke, Callahan and Douglas Casella are current directors whose terms expire at the Annual Meeting. Messrs. Burke, Callahan and Douglas Casella are each nominated for re-election as a Class I director, with a term ending in 2016.

Unless otherwise instructed in the proxy, all proxies will be voted **FOR** the election of each of the nominees identified above to a three-year term ending in 2016, each such nominee to hold office until his successor has been duly elected and qualified. Stockholders who do not wish their shares to be voted for all or any of the nominees may so indicate on their proxy. Each of the nominees has indicated his willingness to serve on our Board, if elected. If any nominee should be unable to serve, the person acting under the proxy may vote the proxy for a substitute nominee designated by our Board.

A plurality of the combined voting power of the shares of Class A Common Stock and Class B Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote is required to elect each nominee as a director.

BOARD RECOMMENDATION

Our Board unanimously recommends that you vote FOR the election of Michael K. Burke, James F. Callahan, Jr. and Douglas R. Casella as Class I directors.

PROPOSAL 2 ADVISORY VOTE ON EXECUTIVE COMPENSATION

We are providing our stockholders the opportunity to vote to approve, on an advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules. This proposal, which is commonly referred to as "say-on-pay," is required by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, which added Section 14A to the Exchange Act.

We encourage stockholders to read the "Executive Compensation" section of this proxy statement beginning with the "Compensation Discussion and Analysis" on page 19, which describes in detail our executive compensation programs and the decisions made by the Compensation Committee and our Board with respect to fiscal 2013. At our 2011 Annual Meeting of Stockholders, a majority of our stockholders supported an annual vote on our executive compensation and, in response, our Board determined to hold an annual vote on the matter.

As we describe in the "Compensation Discussion and Analysis," we maintain an executive compensation program that consists almost entirely of base salary, an annual cash incentive bonus and annual equity awards. These elements of compensation have been selected by the Compensation Committee because it believes that they effectively achieve the fundamental goals of our compensation program, which are to attract, motivate and retain qualified and talented executives, who are critical to our success, motivating them to achieve our business goals and rewarding them for superior short- and long-term performance. The goal of the Compensation Committee is to ensure that our compensation programs are aligned with the interests of our stockholders and our business goals in order to attain our ultimate objective of increasing stockholder value. We believe that, consistent with these goals, the total compensation paid to each of our named executive officers is fair, reasonable and competitive. Further, we believe our programs do not encourage excessive risk-taking by management. Annual compensation decisions for executive officers are made by our compensation committee based on the achievement of specified performance goals as described under "Compensation Discussion and Analysis."

Our Board is asking stockholders to approve an advisory vote on the following resolution:

RESOLVED, that the compensation paid to the named executive officers of Casella Waste Systems, Inc., as disclosed pursuant to the compensation disclosure rules of the SEC, including the compensation discussion and analysis, the compensation tables and any related material disclosed in the proxy statement of Casella Waste Systems, Inc., is hereby approved.

As an advisory vote, this proposal is not binding. The outcome of this advisory vote does not overrule any decision by us or our Board (or any committee thereof), create or imply any change to our fiduciary duties or those of our Board (or any committee thereof), or create or imply any additional fiduciary duties for us or our Board (or any committee thereof). However, the Compensation Committee and our Board value the opinions expressed by our stockholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for named executive officers.

Unless otherwise indicated on your proxy, your shares will be voted **FOR** the approval of the compensation of our named executive officers. If your shares are held by your broker, broker or other nominee in street name and you do not vote your shares, your bank, broker or other nominee cannot vote your shares on Proposal 2.

BOARD RECOMMENDATION

Our Board unanimously recommends that you vote to approve the compensation of our named executive officers by voting FOR Proposal 2.

PROPOSAL 3 RATIFICATION OF THE SELECTION OF INDEPENDENT AUDITORS

Our Audit Committee appointed McGladrey LLP, an independent registered public accounting firm, to audit our books, records and accounts for fiscal 2014. This appointment is being presented to the stockholders for ratification at the Annual Meeting.

McGladrey LLP has no direct or indirect material financial interest in Casella Waste Systems, Inc. or its subsidiaries. Representatives of McGladrey LLP are expected to be present at the Annual Meeting and will be given the opportunity to make a statement on their firm's behalf if they so desire. The representatives also will be available to respond to appropriate questions.

McGladrey LLP served as our independent auditors for fiscal 2013 and fiscal 2012. A summary of the fees we paid to McGladrey LLP in fiscal 2013 and fiscal 2012 is set forth in the table below.

	Fiscal Year	Audit Fees (1)	Audit Related Fees (2)	Tax Fees	Total Fees
McGladrey LLP	2013	\$ 1,180,459	\$ 20,320	\$ 4,000	\$ 1,204,779
McGladrey LLP	2012	\$ 1,009,816	\$ 19,571		\$ 1,029,387

(1) Audit fees consist of professional fees for the audit of our financial statements, the audit of our internal control over financial reporting, the review of the interim financial statements included in our quarterly reports on Form 10-Q, and other professional services provided in connection with statutory and regulatory filings or engagements. This amount includes reimbursement of out of pocket costs in fiscal 2013 and fiscal 2012 of \$78,857 and \$81,786, respectively.

(2) Audit related fees consist of fees for the audit of our 401(k) benefit plan. This amount includes reimbursement of out of pocket costs in fiscal 2013 and 2012 of \$2,553 and \$2,576, respectively.

Our Audit Committee has adopted policies and procedures relating to the approval of all audit and non-audit services that are to be performed by our independent auditors. This policy generally provides that we will not engage an independent registered public accounting firm to render audit or non-audit services unless the service is specifically approved in advance by the Audit Committee.

The Audit Committee pre-approved 100% of the audit and non-audit services performed by our independent auditors in fiscal 2013. No services were approved pursuant to the de minimis exception to the Audit Committee pre-approval requirements.

Unless otherwise indicated on your proxy, your shares will be voted **FOR** the ratification of the appointment of McGladrey LLP as our auditors for fiscal 2014. Although we are not required to submit the appointment to a vote of the stockholders, our Board believes it is appropriate as a matter of policy to request that the stockholders ratify the appointment of McGladrey LLP as our independent auditors. If our stockholders do not ratify this appointment, the Audit Committee will investigate the reasons for stockholder rejection and consider whether to retain McGladrey LLP or appoint another independent registered public accounting firm. Even if the appointment is ratified, our Board and the Audit Committee, in their discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of Casella Waste Systems, Inc. and its stockholders.

BOARD RECOMMENDATION

Our Board unanimously recommends that you vote to approve the ratification of the appointment of McGladrey LLP as our independent auditors for fiscal 2014 by voting FOR Proposal 3.

PROPOSAL 4 STOCKHOLDER PROPOSAL TO DECLASSIFY THE BOARD OF DIRECTORS

Description of Proposal

We expect the following proposal to be presented by a stockholder at the Annual Meeting. The address and share holdings of the stockholder proponent will be supplied upon request.

Resolution Proposed by Stockholder

Proposal to Repeal Classified Board

RESOLVED, that shareholders of Casella Waste Systems, Inc. (the Company) urge the Board to take all necessary steps (other than any steps that must be taken by shareholders) to eliminate the classification of the Board of Directors and to require that all directors elected at or after the annual meeting of stockholders held in 2014 be elected on an annual basis. Implementation of this proposal should not prevent any director elected prior to the annual meeting of stockholders held in 2014 from completing the term for which such director was elected.

Proponent's Supporting Statement

The proponent of this resolution is Bourgeon Partners, L.P.

The stockholder proponent believes the election of directors is the most powerful way that shareholders influence the strategic direction of a public company. Currently, the Board is divided into three classes serving staggered three-year terms. The stockholder proponent believes that the classification of the Board is not in the best interests of the company and its shareholders because it reduces accountability and is an unnecessary anti-takeover device. The stockholder proponent also believes that a classified board structure only serves to entrench the current Board and, in turn, the management that the Board appoints. The resolution urges the Board to facilitate a declassification of the Board. The elimination of the staggered Board would require each director to stand for election annually and would enable shareholders to register their views on the performance of all directors at each annual meeting. The stockholder proponent believes that such annual accountability would serve to keep directors closely focused on the performance of top executives, improving the Company's operational and financial performance and on maximizing shareholder value.

According to data from FactSet Research Systems, the number of S&P 500 companies with classified boards declined by more than two-thirds from 2000-2012.

According to Harvard's Shareholder Rights Project (SRP), during 2012 alone, 38 of 40 proposals to declassify the board of directors and S&P 500 companies were passed (95%). These 38 successful proposals were approved with average support of 82% of votes cast. SRP notes that similar trends are emerging in 2013.

Please vote for this proposal to make directors more accountable to shareholders. As the owners of the Company, shareholders should have the right to decide if they want to elect directors yearly.

Our Response Statement in Opposition to Stockholder Proposal

Our Board carefully considered the above proposal, and believes that it is not in the best interest of our stockholders. Consequently, our Board recommends that the stockholders vote AGAINST the stockholder proposal for the following reasons:

Protection Against Certain Takeovers. Our classified board structure protects our stockholders by encouraging persons or firms making unsolicited takeover bids to negotiate directly with our Board, and better positions our Board to negotiate effectively on behalf of our stockholders to realize the greatest possible stockholder value. The classified board structure is designed to safeguard against a hostile purchaser replacing a

majority of our directors with its own nominees at a single annual meeting of stockholders, thereby gaining control of the company and its assets without paying fair market value to its stockholders. A classified board does not preclude a takeover, but rather provides our Board the time and flexibility necessary to be in the best position to evaluate the adequacy and fairness of proposed offer(s), consider alternative methods of maximizing stockholder value, protect all stockholders against abusive tactics during a takeover process, and, as appropriate, negotiate the best possible return for all stockholders, without the threat of imminent removal of a majority of the members of our Board. Our Board has a fiduciary duty under the law to act in a manner that it believes to be in the best interests of our company and our stockholders. Elimination of the classified board structure would make it more difficult for our independent, stockholder-elected Board to preserve and maximize value for all stockholders in the event of an unsolicited takeover bid.

Independence. Electing a director to a three-year term enhances the independence of a non-employee director by providing him or her with a longer term of office. This longer term provides enhanced independence from management or from special interest groups who may have an agenda contrary to the long-term interests of all stockholders. As a result, independent directors are able to make decisions that are in the best interest of the company and our stockholders without having to consider annual elections.

Stability and Continuity. Our Board is structured into classes to provide board stability, continuity and independence, while also enhancing long-term planning and ensuring that, at any given time, there are experienced directors serving on our Board who are familiar with our business, services, markets, opportunities and challenges. A classified board of directors also benefits our company and our stockholders because it helps attract and retain highly qualified director candidates who are willing to make long-term commitments of the time and resources necessary to understand our company, its operations and its competitive environment. This commitment is critical to achieve our strategic goals and one best fulfilled by a stable and continuous Board.

Accountability to Stockholders. Our Board is divided into three classes that serve staggered three-year terms. Directors elected to three-year terms are equally accountable to our stockholders as directors elected annually, since all directors are required to uphold their fiduciary duties to the company and our stockholders regardless of their term.

Stockholder approval of this proposal would not by itself declassify our Board. Under our Certificate of Incorporation and By-laws, to change the class structure of our Board, our Board must first authorize amendments to our Certificate of Incorporation and By-laws. Stockholders would then have to approve those amendments to our certificate of incorporation with an affirmative vote of shares representing at least 75% of the votes that all holders of our Class A common stock and our Class B common stock would be entitled to cast at any election of directors or class of directors (other than the election of the Class A Director).

After careful consideration of this proposal, our Board determined that retention of a classified board structure remains in the short- and long-term best interests of our company and our stockholders. Our Board believes that a classified board structure is designed to protect the interests of all stockholders and does not compromise director accountability.

BOARD RECOMMENDATION

Our Board unanimously recommends a vote AGAINST the proposal to declassify our Board and provide for annual election of directors.
