DEREGISTRATION OF SECURITIES

These Post-Effective Amendments (these Post-Effective Amendments) filed by NuPathe Inc., a Delaware corporation (the Company), remove from registration all shares of common stock, par value \$0.001 (Common Stock), of the Company registered under the following Registration Statements on Form S-8 (each, a Registration Statement, and collectively, the Registration Statements) filed by the Company with the U.S. Securities and Exchange Commission (the Commission):

All shares of Common Stock registered under the Registration Statements which were originally filed with the Commission on September 17, 2010, March 18, 2011, March 20, 2012, January 14, 2013 and August 6, 2013, pertaining to the registration of shares of Common Stock offered under the NuPathe Inc. 2010 Omnibus Incentive Compensation Plan, as amended from time to time.

All shares of Common Stock registered under the Registration Statement which was originally filed with the Commission on September 17, 2010 pertaining to the registration of shares of Common Stock offered under the NuPathe Inc. 2010 Employee Stock Purchase Plan.

On January 17, 2014, the Company entered into an Agreement and Plan of Merger with Teva Pharmaceutical Industries Ltd., an Israeli corporation (Parent), and Train Merger Sub, Inc., a Delaware corporation and a wholly-owned subsidiary of Parent (Merger Sub), providing for, among other things, the merger of Merger Sub with and into the Company (the Merger), with the Company continuing as the surviving corporation and a wholly-owned subsidiary of Parent. The Merger is effective as of February 21, 2014 (the Effective Time), pursuant to a Certificate of Merger filed with the Secretary of State of the State of Delaware.

At the Effective Time, each outstanding share of Common Stock (other than shares held by the Company as treasury stock, Parent or Merger Sub) was automatically converted into the right to receive \$3.65 in cash, without interest and less any applicable withholding taxes, plus contractual rights to receive up to an additional \$3.15 in contingent cash consideration payments, less any applicable withholding taxes, payable in the future upon achievement of certain milestones related to the Company's primary product.

As a result of the Merger, the Company has terminated all offerings of its securities pursuant to its existing registration statements, including the Registration Statements. In accordance with an undertaking made by the Company in the Registration Statements to remove from registration, by means of a post effective amendment, any securities which remain unsold at the termination of the offering, the Company hereby removes from registration all securities registered under the Registration Statements which remained unsold as of the date of these Post-Effective Amendments and terminates the effectiveness of the Registration Statements.
