Item 1.01. Entry into a Material Definitive Agreement.***Acquisition of Progressive Finance Holdings, LLC***

The information set forth under Item 2.01 of this Report is incorporated by reference into this Item 1.01.

Financing Transactions

On April 14, 2014, in connection with the closing of acquisition of Progressive Finance Holdings, LLC, a Delaware limited liability company (***Progressive***) pursuant to the Merger (as defined below) and the Blocker Purchase Agreement (as defined below), Aaron's, Inc., a Georgia corporation (the ***Company***) entered into an amended and restated credit facility, amended certain existing financing agreements, and entered into two new note purchase agreements, as described below:

Amended and Restated Credit Facility

On April 14, 2014, the Company entered into an Amended and Restated Revolving Credit and Term Loan Agreement with the lending institutions listed on the respective signature pages thereof, and SunTrust Bank, as administrative agent for the lending institutions (the ***Amended and Restated Credit Agreement***). The Amended and Restated Credit Agreement amends and restates the Company's existing Revolving Credit Agreement dated as of May 23, 2008, as previously amended (the ***Prior Credit Agreement***), to, among other things, (i) provide for a new \$126,250,000 term loan (the ***Term Loan***), which was fully funded at closing, and an increase in the revolving credit commitments from \$140 million to \$200 million (the ***Revolving Credit Facility***). The maturity of the Amended and Restated Credit Facility remained at December 13, 2017. The Revolving Credit Facility permits the Company to borrow, subject to certain terms and conditions, on an unsecured basis up to \$200 million in revolving loans (and increases the existing letter of credit subfacility from \$10 million to \$20 million and the existing swingline loan subfacility from \$15 million to \$25 million), and also provides for an uncommitted incremental facility increase option which, subject to certain terms and conditions, permits the Company at any time prior to the maturity date to request an increase in extensions of credit available thereunder (whether through additional term loans and/or revolving credit commitments or any combination thereof) by an aggregate additional principal amount of up to \$200 million, with such additional credit extensions provided by one or more lenders thereunder in their sole discretion.

The Amended and Restated Credit Agreement also amended the terms of the Prior Credit Agreement, among other things, to conform the covenants, representations, warranties and events of default to the changes reflected in the 2014 Note Agreements described below, to contemplate the acquisition of Progressive, to authorize the new 2014 Senior Notes, and to increase the Applicable Margin for Eurodollar Loans by increasing the Applicable Margin grid range (determined by reference to the Total Debt to EBITDA Ratio) from 1% - 1.5% to 1.75% - 2.25%. On April 14, 2014, the Company borrowed \$65 million pursuant to this facility to partially pay the Merger Consideration in the Merger.

2014 Note Purchase Agreements

On April 14, 2014, the Company entered into (a) a note purchase agreement (the ***Prudential Note Purchase Agreement***) with The Prudential Insurance Company of America (***Prudential***) and certain affiliates and other purchasers thereunder, pursuant to which the Company and its subsidiary Aarons Investment Company issued \$225 million in aggregate principal amount of unsecured Series A Senior Notes (the ***2014 Series A Senior Notes***) in a private placement; and (b) a note purchase agreement (the ***MetLife Note Purchase Agreement***); together with the Prudential Note Purchase Agreement, collectively the ***2014 Note Agreements***) with Metropolitan Life Insurance Company (***MetLife***) and certain affiliates and other purchasers thereunder, pursuant to which the Company and its subsidiary Aarons Investment Company issued \$75 million in aggregate principal amount of unsecured Series B Senior Notes (the ***2014 Series B Senior Notes***); together with the 2014 Series A Notes, collectively the ***2014 Senior***

Notes) in a private placement. The 2014 Senior Notes bear interest at the rate of 4.75% per year and mature on April 14, 2021. Payments of interest are due quarterly, commencing July 14, 2014, with principal payments of \$45 million each due annually commencing April 14, 2017 in respect of the 2014 Series A Senior Notes and \$15 million each due annually commencing April 14, 2017 in respect of the 2014 Series B Senior Notes.

The 2014 Note Agreements contain financial maintenance covenants, negative covenants regarding the Company's other indebtedness, its guarantees and investments, and other customary covenants substantially similar to the covenants in the Company's existing note purchase agreement, revolving credit facility and franchisee loan guaranty facility, as modified by the amendments described herein. The Company used the net proceeds of the sale of the 2014 Senior Notes to the purchasers to partially pay the Merger Consideration in the Merger.

Amendment No. 3 to 2011 Note Purchase Agreement

On April 14, 2014, the Company entered into Amendment No. 3 to Note Purchase Agreement with Prudential and certain other purchasers, as set forth on the signature pages thereof (the ***Prudential Notes Amendment***). The Prudential Notes Amendment amends the Note Purchase Agreement dated as of July 5, 2011 (the ***2011 Prudential Notes Agreement***), pursuant to which the Company and certain subsidiaries as co-obligors, issued \$125 million in senior unsecured notes to the purchasers in a private placement. The notes bear interest at the rate of 3.75% per year and mature on April 27, 2018. The Prudential Notes Amendment amends the 2011 Prudential Notes Agreement to, among other things, conform the covenants, representations, warranties and events of default to the changes reflected in the Amended and Restated Credit Agreement, to contemplate the acquisition of Progressive, and to authorize the new 2014 Senior Notes.

Amendment to Second Amended and Restated Loan Facility Agreement and Guaranty

On April 14, 2014, the Company entered into a Third Amended and Restated Loan Facility Agreement and Guaranty with SunTrust Bank, as servicer, and the other participants listed on the respective signature pages thereof (the ***Franchisee Loan Facility Amendment***). The Franchisee Loan Facility Amendment amends and restates the Second Amended and Restated Loan Facility Agreement and Guaranty dated as of June 18, 2010, as previously amended (the ***Franchisee Loan Facility***). Pursuant to this facility, subject to certain terms and conditions, the Company's franchisees can borrow funds guaranteed by the Company. The Franchisee Loan Facility Amendment amends the Franchisee Loan Facility to, among other things, reduce the maximum commitment available under the Franchisee Loan Facility from \$200 million to \$175 million, and to conform the interest rates on the facility to the changes in the rates applicable to the new Amended and Restated Credit Facility, and to conform the covenants, representations, warranties and events of default to the changes reflected in the Amended and Restated Credit Agreement, to contemplate the acquisition of Progressive, and to authorize the new 2014 Senior Notes.

The foregoing descriptions of the terms of the Amended and Restated Credit Facility, the 2014 Note Purchase Agreements, Amendment No. 3 to 2011 Note Purchase Agreement and the Franchisee Loan Facility Amendment do not purport to be complete and are qualified in their entirety by reference to the full text of such documents, to be filed with a subsequent Company filing.

Item 2.01. Completion of Acquisition or Disposition of Assets.

On April 14, 2014, the Company entered into an Agreement and Plan of Merger (the ***Merger Agreement***), by and among the Company, Progressive, Virtual Acquisition Company, LLC, a Delaware limited liability company and a direct wholly owned subsidiary of the Company (***Merger Sub***), and John W. Robinson III in his capacity as the representative of the selling unitholders of Progressive, pursuant to which the Company acquired all of the outstanding equity interests of Progressive. A copy of the Merger Agreement is filed as Exhibit 2.1 to this Current Report on Form 8-K and incorporated herein by reference. The Merger Agreement and the consummation of the transactions contemplated by the Merger Agreement have been unanimously approved by the Company's board of directors (the ***Board***). The Merger Agreement was signed and the acquisition was closed simultaneously.

Merger. The Merger Agreement provides for the merger of Merger Sub with and into Progressive, on the terms and subject to the conditions set forth in the Merger Agreement (the ***Merger***), with Progressive continuing as the surviving

corporation in the Merger. As a result of the Merger, Progressive became a wholly-owned subsidiary of the Company.

Merger Consideration. Pursuant to the Merger Agreement, at 4:01 p.m. Eastern Time on April 14, 2014 (the **Effective Time**), each unit of membership interest (a **Unit**) of Progressive outstanding immediately prior to the Effective Time (other than Units held by the Blocker Entities described below or owned of record by any subsidiary of the Company) were converted into the right to receive a pro rata share of the Merger Consideration, in cash, without interest. The aggregate purchase price for the Units acquired in the Merger, including the portion paid as part of the Blocker Merger Consideration described below and the amount to be paid in redemption of certain retiring unitholders of Progressive, was equal to \$700 million, plus an estimated \$4.5 million of cash (the **Merger Consideration**). The Company paid the Merger Consideration, less certain escrowed amounts, with a combination of cash on hand and borrowings from the new financings described above. All outstanding indebtedness of Progressive was extinguished at the closing of the Merger using a portion of the Merger Consideration. The Merger Consideration is subject to certain post-closing adjustments to account for any indebtedness or transaction expenses of Progressive not otherwise paid at the closing.

Representations, Warranties and Covenants. The Merger Agreement contains customary representations, warranties and covenants of the Company, Progressive and Merger Sub.

Acquisition of Blocker Shares. Immediately prior to the Effective Time, the Company entered into a separate Purchase Agreement (the **Blocker Purchase Agreement**) with Summit Partners Growth Equity Fund VIII-B, L.P., a Delaware limited partnership, and Summit Partners Subordinated Debt Fund IV-B, L.P., a Delaware limited partnership. Pursuant to the Blocker Purchase Agreement, the Company purchased 100% of the outstanding equity interests (the **Blocker Interests**) of each of SP GE VIII-B Progressive Blocker Corp., a Delaware corporation, and SP SD IV-B Progressive Blocker Corp., a Delaware Corporation (collectively, the **Blocker Entities**). The Blocker Entities held approximately 15% of the outstanding equity interests in Progressive. The purchase price for the Blocker Interests was equal to the Blocker Entities' pro rata portion of the Merger Consideration (the **Blocker Merger Consideration**). A copy of the Blocker Purchase Agreement is filed as Exhibit 2.2 to this Current Report on Form 8-K and incorporated herein by reference.

The foregoing description of the Merger Agreement and Blocker Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement and the Blocker Purchase Agreement.

The Merger Agreement, the Blocker Purchase Agreement and the above description of the Merger Agreement and the Blocker Purchase Agreement have been included to provide investors and security holders with information regarding the terms of those agreements and are not intended to provide any other factual information about Progressive, the Company or their respective subsidiaries or affiliates. The representations and warranties contained in the Merger Agreement and the Blocker Purchase Agreement were made only for purposes of those agreements and as of specific dates, were solely for the benefit of the parties to those agreements, may be subject to a contractual standard of materiality different from what might be viewed as material to shareholders, and may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made by the parties to each other. Investors should not rely on the representations and warranties contained in the Merger Agreement or the Blocker Purchase Agreement as characterizations of the actual state of facts or condition of Progressive, the Company or any of their respective subsidiaries, affiliates or businesses.
