Pursuant to the Stock Purchase Agreement, Buyer has agreed to purchase, and Seller has agreed to sell, all of the issued and outstanding capital stock of American Reliable Insurance Company for an aggregate purchase price of \$113,696,000 in cash, which purchase price is subject to adjustment based on GAAP book value of the business as of the date of the closing of the transaction and the future development of loss reserves as further described in the Stock Purchase Agreement. Pursuant to the Stock Purchase Agreement, Global Indemnity has agreed to guarantee the obligations of Buyer and Parent has agreed to guarantee the obligations of Seller under the Stock Purchase Agreement.

The Stock Purchase Agreement contains customary representations, warranties and covenants of Buyer and Seller, including customary exclusivity and non-competition covenants, covenants requiring Seller to conduct its business in the ordinary course during the interim period between the execution of the Stock Purchase Agreement and the closing of the transaction and covenants requiring the parties to use their respective reasonable best efforts to take all actions necessary to obtain all required governmental and regulatory approvals in connection with the transaction. The closing of the transaction is anticipated to occur in the fourth quarter of 2014 and is subject to certain customary conditions, including receipt of required regulatory approvals and the absence of a material adverse effect on the business of American Reliable Insurance Company. Accordingly, the Stock Purchase Agreement is included with this filing only to provide investors with information regarding the terms of the Stock Purchase Agreement, and not to provide investors with any other factual information regarding the Buyer, Seller or their respective businesses. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of Buyer or Global Indemnity or any of their respective subsidiaries or affiliates.
