Dear Valued Supplier,

We are pleased to inform you that today Wright and Tornier have jointly announced their intent to merge. Both businesses are publicly-traded medical device companies focused on providing solutions for the extremities markets. This compelling, highly complementary merger will create a mid-sized, growth company uniquely positioned with leading technologies and specialized sales forces in three of the fastest growing areas of orthopaedics Upper Extremities, Lower Extremities, and Biologics.

Wright and Tornier share a specialty focus, a commitment to product innovation, a culture of scientific advancement, and physician-driven service. In bringing our two companies together, we will create a

premier high-growth, global Extremities-Biologics company that is dedicated to providing solutions that enable clinicians to alleviate pain and restore their patients' lifestyles.

Please note that although there will be no immediate changes to how we do business as a result of the transaction, the new combined business will be named Wright Medical Group N.V. We expect that the transaction will close in the first half of 2015. Until then, it will be business as usual for all of our suppliers.

We will provide you with additional information as it becomes available. If you have any immediate questions, please feel free to speak with your regular point of contact at Wright.

We are excited about Wright's future and look forward to continuing our successful partnership with you.

Sincerely,

**ROBERT PALMISANO** | President & Chief Executive Officer

*Wright Medical Group, Inc.*
