### PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors (the Board) of Skyline Corporation (Skyline or the Company) for use at the Annual Meeting of Shareholders to be held September 21, 2015 (the Annual Meeting). The shares represented by properly executed proxies received prior to the meeting will be voted. If the shareholder directs in the proxy how the shares are to be voted, they will be voted accordingly. When no direction has been given by the shareholder, it is the intention of the proxies named in the proxy to vote the same in accordance with their best judgment. Any proxy given may be revoked by the shareholder at any time prior to the voting of the proxy by (i) submitting written notice of the revocation to the Corporate Secretary prior to the Annual Meeting; (ii) submitting a later-dated and properly-executed proxy; or (iii) attending the Annual Meeting and voting in person. The approximate date on which this proxy statement and the form of proxy are first sent or given to shareholders is September 1, 2015.

#### **Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting to be Held on September 21, 2015.**

Skyline's Annual Report to Shareholders, Proxy Statement, and Proxy are available on the Internet at [www.skylinecorp.com](http://www.skylinecorp.com).

Please contact Skyline's Secretary Martin R. Fransted at (574) 294-6521 ext. 226 if you need to obtain directions on how to attend the Annual Meeting and vote in person.

*Your vote is important. Please note that if you hold your shares through a broker, brokers may not vote your shares on the election of Directors, the approval and adoption of the Company's 2015 Stock Incentive Plan, or the advisory vote on executive compensation for fiscal year 2015, in the absence of your specific instructions as to how to vote. In order for your vote to be counted, please make sure that you submit your vote to your broker.*

### VOTING SECURITIES

Only shareholders of record as of the close of business on July 24, 2015, or their proxies are entitled to vote at the Annual Meeting. As of that date, Skyline had outstanding 8,391,244 shares of Common Stock having one vote per share.

Each shareholder is entitled to one vote for each share of Common Stock held by the shareholder. A quorum for purposes of the Annual Meeting shall exist if a majority of the

Common Stock of Skyline entitled to vote is represented in person or proxy at the Annual Meeting. Abstentions, withheld votes and broker non-votes will be counted for purposes of determining whether a quorum is present. All votes cast at the Annual Meeting will be tabulated by Computershare Trust Company, N.A.

If your shares are held in an account with a bank, broker, or another third party that holds shares on your behalf, referred to herein as a nominee, then you are considered the beneficial owner of these shares, and your shares are referred to as being held in street name. If you hold your shares in street name, you must vote your shares in the manner provided for by your bank, broker, or other nominee. Your bank, broker, or other nominee has enclosed or provided a voting instruction card with this proxy statement for you to use in directing the bank, broker, or other nominee how to vote your shares.

If your shares are held by a bank, broker, or other nominee, they may not be voted or may be voted contrary to your wishes if you do not provide your bank, broker, or other nominee with instructions on how to vote your shares. Brokers, banks, and other nominees have the authority under the rules of the New York Stock Exchange ( NYSE ) to vote shares held in accounts by their customers in the manner they see fit, or not at all, on routine matters if their customers do not provide them with voting instructions. Proposals 1, 2, and 4 are not considered to be routine matters, but Proposal 3 is considered to be a routine matter. When a proposal is not routine and the bank, broker, or other nominee has not received your voting instructions, a bank, broker, or other nominee will not be permitted to vote your shares and a broker non-vote will occur. To ensure your shares are voted in the manner you desire, you should provide instructions to your bank, broker, or other nominee on how to vote your shares for each of the proposals to be voted on at the Annual Meeting in the manner provided for by your bank, broker, or other nominee.

Directors will be elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors. This means that the individuals who receive the highest number of votes are selected as directors up to the maximum number of directors to be elected at the meeting. Votes withheld from any director are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Shareholders do not have the right to cumulate their votes in the election of directors. Abstentions, broker non-votes, and votes that are withheld will not be included in the vote count and will have no effect on the outcome of the vote.

The affirmative vote of a majority of the votes cast at the Annual Meeting is required to approve and adopt the Company's 2015 Stock Incentive Plan. Abstentions and broker non-votes will have no effect on this proposal.

The affirmative vote of a majority of the votes cast at the Annual Meeting is required to approve, on an advisory basis, the ratification of the appointment of Crowe Horwath LLP as Skyline's independent auditor for fiscal year 2016. Abstentions and broker non-votes will have no effect on this proposal.

## **PROPOSALS TO BE VOTED ON**

### **PROPOSAL NO. 1.**

#### ***ELECTION OF DIRECTORS***

Under Skyline's By-Laws, a maximum of eight (8) Directors are permitted to serve on the Board. Directors are elected on an annual basis at Skyline's Annual Meeting of Shareholders, and each Director holds office for a one-year term. The nominees for Directors for fiscal year 2016 are: Arthur J. Decio, John C. Firth, Richard W. Florea, Jerry Hammes, William H. Lawson, David T. Link, Samuel S. Thompson, and Richard E. Newsted. Proxies cannot be voted for a greater number of persons than eight.

It is intended that the votes authorized by the enclosed proxy will be cast for the election of the eight Director nominees. In the event that one or more of the nominees shall unexpectedly become unavailable for election, the votes will be cast, pursuant to authority granted by the enclosed proxy, for such person or persons as may be designated by the present Board or the Board may be reduced accordingly. All of the nominees for whom the proxies intend to vote have agreed to serve as Directors if elected.

Information on the Director nominees can be found beginning on page 15 of this Proxy Statement.

*The Board of Directors recommends that shareholders vote FOR all eight Director nominees.*

### **PROPOSAL NO. 2.**

#### ***APPROVAL AND ADOPTION OF THE COMPANY'S 2015 STOCK INCENTIVE PLAN***

Subject to shareholder approval and upon recommendation of the Compensation Committee of the Board, the Board approved the Skyline Corporation 2015 Stock Incentive Plan (the 2015 Plan). The 2015 Plan allows us to grant stock options and other equity awards to our directors, officers, employees, and eligible independent contractors. The 2015 Plan, if approved and adopted by the shareholders, will be effective as of the date it was originally approved by the Board, which was June 25, 2015.

**Summary of the 2015 Plan**

The following summary of the material terms of the 2015 Plan, a copy of which is attached hereto as Appendix A and is incorporated by reference herein, does not purport to be complete and is qualified in its entirety by the terms of the 2015 Plan.

*Purposes of the 2015 Plan.* The purpose of the 2015 Plan is to promote the long-term interests of Skyline by offering opportunities to our directors, officers, employees, and eligible independent contractors to acquire and maintain stock ownership in Skyline providing them with an increased incentive to work for our success and to enable Skyline to attract and retain capable employees, directors and independent contractors.

*Type of Awards under the 2015 Plan.* Awards under the plan may be in the form of:

Incentive Stock Options (ISOs) intended to be qualified under Section 422 of the Internal Revenue Code;

Non-Qualified Stock Options (NQSOs) (that are not intended to be so qualified);

Restricted Stock (awarded subject to risk of forfeiture);

Stock Appreciation Rights (representing the right to receive value based on appreciation in the value of Skyline shares following the date of an award);

Restricted Stock Units (representing the right to receive value based on the fair market value of a certain number of Skyline shares); and

Performance Awards (representing the right to receive value based on achievement of prescribed performance goals).

Stock Appreciation Rights, Restricted Stock Units and Performance Awards may be paid in cash, stock or a combination of the two.

*Reason for Shareholder Approval.* The approval of the 2015 Plan requires the affirmative vote of a majority of the votes cast at the Annual Meeting. The Compensation Committee and Board of Directors believe it is in the best interests of the Company and its shareholders to approve the 2015 Plan. The Plan, as adopted by the Board, requires approval by the shareholders. Such approval is necessary to satisfy NYSE MKT requirements and certain requirements of the Internal Revenue Code applicable to tax-qualified stock options.

*Term of the Plan.* The 2015 Plan will remain in effect until terminated by the Company or until all matters relating to the settlement of awards and administration of the 2015 Plan have been completed. No ISO may be exercised after the expiration of ten years after the date of grant; provided, however, that if the ISO is granted to an employee who (together with persons whose stock ownership is attributed to the employee pursuant to Section 424(d) of

the Code), owns stock possessing more than 10% of the total combined voting power of all classes of stock of Skyline, the ISO may not be exercised after the expiration of five years after the date of grant.

*Administration of the 2015 Plan.* The 2015 Plan will be administered by the Compensation Committee of our Board of Directors (the Committee). The Committee is composed in accordance with, and governed by, the Committee's charter, as approved from time to time by the Board. The Committee has the authority to select participants and grant awards under the 2015 Plan, to determine the number of shares to be subject to awards and determine the terms and conditions upon which the awards will be granted, to prescribe the form and terms of instruments evidencing grants, establish procedures and regulations for the administration of the 2015 Plan, interpret the 2015 Plan, determine whether an option award is an ISO or NQSO, and to make all other determinations which may be necessary or advisable for the administration of the 2015 Plan.

*Eligibility and Participation.* Eligibility to participate in the 2015 Plan is limited to the following persons who may be selected by the Committee to receive an Award: (i) current employees of the Company; (ii) members of the Board; and (iii) independent contractors of the Company.

The Board currently estimates that approximately 40 persons will be eligible to participate in the 2015 Plan upon its approval, including 32 employees of Skyline, the seven current members of the Board, and the one additional Board nominee.

*Amendment and Termination.* The Board may terminate, amend, or modify the 2015 Plan at any time, but no termination, amendment, or modification may be made which would adversely affect the rights of any participant who has been granted an award without the participant's consent. Any amendments to the 2015 Plan require shareholder approval to the extent required by federal or state law or the rules of the national securities exchange on which the Company's Common Stock is listed.

*Shares Subject to the 2015 Plan.* A total of 700,000 shares of our Common Stock are reserved for issuance under the 2015 Plan. Awards for 200,000 shares have been authorized by the Board prior to the date hereof. If an award expires, terminates or is canceled, the shares of our Common Stock not issued or forfeited thereunder shall again be available for issuance under the 2015 Plan.

*Adjustments.* The maximum number of shares available for issuance under the 2015 Plan, as well as the number and exercise price of options with respect to awards previously granted under the 2015 Plan, will be adjusted by the Committee, in its sole discretion, to reflect certain events, such as a recapitalization, stock split, stock dividend, combination of shares, or change in the corporate structure or capital structure of the Company, or by reason of any merger, consolidation, share exchange, or similar statutory transaction.

*Performance Awards.* The Committee will have the authority to grant performance awards to participants in the 2015 Plan entitling them to earn incentive compensation based on the achievement of performance goals established for one or more performance periods. The payment under a performance award will be measured by (i) the fair market value of the number of shares underlying the award at the end of a designated period, (ii) the increase in the fair market value of a specified number of shares during a designated period, or (iii) a fixed cash amount payable at the end of a designated period, contingent upon the extent to which the applicable performance goals have been met during the designated period. Payment may be made in cash, shares, or a combination of the two, as the Committee determines. The performance goals applicable to any award will be those goals established by the Committee with respect to Skyline, its business, or the participant. All performance awards must have a performance period of at least one year, except that the Committee may provide for the accelerated vesting of awards upon death or disability of a participant or a change of control of Skyline. No participant may be granted performance awards that could result in the participant receiving more than \$500,000 in respect of any performance periods beginning in the same fiscal year of Skyline.

*Stock Options.* Stock options granted under the 2015 Plan may be either ISOs or NQSOs. ISOs may be granted only to employees of Skyline as of the grant date. The option exercise price per share shall not be less than the fair market value per share on the grant date. If a stock option which is intended to qualify as an ISO is granted to an individual who owns or who is deemed to own shares possessing more than 10% of the combined voting power of all classes of shares of the Company, then the exercise price per share shall not be less than 110% of the fair market value per share on the grant date.

Subject to any vesting provisions or other conditions, restrictions or limitations regarding the exercise of an option as determined by the Committee, an option may be exercised, in whole or in part, at any time beginning on the grant date and ending on the date the option expires or otherwise terminates in accordance with the applicable award agreement and the 2015 Plan; provided that, no option may be exercisable after the 10<sup>th</sup> anniversary of the grant date (the 5<sup>th</sup> anniversary for 10% owners). During the lifetime of a participant, an option may be exercised only by the participant, and after the death of the participant (but prior to the termination of the option) the option may be exercised by the participant's legal representative. To exercise an option, the participant must give written notice to the Company together with full payment of the exercise price, plus the amount of taxes (if any) required by the Company to be withheld. The date of exercise will be the date on which the notice and payment are received by the Company. Payment of the exercise price may be made in cash (including check, bank draft, or money order), or if permitted by the Committee in its sole discretion, (i) by requesting that the Company withhold shares issuable upon exercise of the option having an aggregate fair market value on the date of exercise equal to the aggregate exercise price, or (ii) through a combination of cash and shares.

Following a participant's death, the Board, as an alternative means of settlement of the option, may elect to pay to the participant's personal representative the amount by which the fair market value per share on the date of exercise exceeds the exercise price, multiplied by the number of shares with respect to which the option is properly exercised. Except as otherwise provided in the award agreement, unexercised options generally terminate upon the termination of employment or service of the option holder, except that employees who are not terminated for cause as defined in the 2015 Plan will have 90 days to exercise their options, and options held by employees terminated as a result of death or disability will expire one year after the date of such termination.

*Stock Appreciation Rights.* Stock appreciation rights may be awarded to employees and non-employee directors of Skyline, in such amounts as it determines. Subject to the terms of the 2015 Plan and any applicable award agreement, a stock appreciation right will confer on the holder a right to receive, upon exercise, the excess of (i) the fair market value of one share on the date of exercise, over (ii) the grant price of the stock appreciation right as specified by the Committee, which will not be less than 100% of the fair market value of one share on the grant date. The Committee will determine all other terms and conditions of a stock appreciation right, including the term (which will not be longer than ten years after the grant date), methods of exercise, and methods of settlement (including whether stock appreciation rights will be settled in cash, shares, other securities, other awards, or other property, or any combination of them). The Committee may impose conditions or restrictions on the exercise of any stock appreciation right as it may deem appropriate.

*Restricted Stock.* Restricted stock is stock which cannot be transferred and remains subject to a risk of forfeiture until the applicable vesting conditions are attained. The Committee has the discretion to determine the vesting conditions and other terms of restricted stock. No holders of restricted stock will have any of the rights of a shareholder of the Company with regard to the Common Stock that is the subject of the restricted stock unless and until certificates representing the shares shall have been issued, recorded on the records of the Company or its transfer agents or registrars and delivered to the participant or other person entitled to the shares. No participant may be granted an award of restricted stock that could result in the participant receiving restricted stock relating to more than 100,000 shares during any fiscal year of the Company. If a participant elects under Code Section 83(b) to be taxed at the time an award of restricted stock (or other property subject to such Code section) is made, rather than at the time the award vests, the participant must notify the Company within seven days of the award date of the restricted stock.

*Restricted Stock Units.* Restricted stock units are rights to receive a payment equal to the fair market value of one share. Payment on a restricted stock unit may be made in cash, shares, or a combination of the two, as the Committee determines. No participant may be granted an award of restricted stock units that could result in the participant receiving restricted stock units relating to more than 100,000 shares during any fiscal year of the Company.

*Change of Control Provisions.* Except as otherwise specifically provided in an award agreement, in the event of a Change of Control of the Company, the Board may, in its sole discretion, provide for the treatment of awards in any manner its deems appropriate, including substituting for any and all outstanding awards alternative consideration as it in good faith may determine to be equitable in the circumstances, and the Board may require the surrender of all awards so replaced or the acceleration of the vesting of any option, or the provision of the same consideration, calculated on a per share basis, as the holders of shares were entitled to receive as if the options were exercised. Any adjustments described above will be determined solely by the Board.

For purposes of the 2015 Plan, a Change of Control is defined as (i) the consummation of a plan of merger or consolidation of Company with any other corporation or entity (other than a corporation or entity directly or indirectly controlled by the Company) as a result of which the holders of the voting stock of the Company receive less than 50% of the voting stock or equity of the surviving or resulting corporation or entity; (ii) the acquisition by any person or entity (or more than one person or entity acting as a group) in any one year period of the beneficial ownership of more than 50% of the combined voting power of the then outstanding voting stock of Company; provided that, any acquisition by an employee, or group composed entirely of employees, any qualified retirement plan, or any other employee benefit plan (or related trust) sponsored or maintained by Company or any entity controlled by Company shall not constitute a Change in Control; or (iii) the sale or other disposition of all or substantially all the assets of Company (other than as security for the obligations of the Company) to a person or entity (or more than one person or entity acting as a group) which is not controlled by Company or by the persons or entities controlling Company immediately prior thereto.

*Transferability.* Generally, awards granted under the 2015 Plan are non-transferable, other than by will or the laws of descent and distribution or a qualified domestic relations order.

*Recoupment Policy.* All awards and payments made or required to be made, or shares received or required to be issued, under the 2015 Plan to any participant are subject to repayment to the Company under the terms of any clawback, recoupment, or other similar policy implemented by the Board from time to time.

#### **Federal Income Tax Consequences**

The following discussion is for general information only and is intended to summarize briefly the material United States federal tax consequences to participants arising from participation in the 2015 Plan. This description is based on existing U.S. laws and regulations, and there can be no assurance that those laws and regulations will not change in the future. This discussion is not intended as tax guidance to participants in the 2015 Plan, as the tax treatment of participants in the plan may vary with the types of awards made, the

identity of the recipients, and the method of payment or settlement. No attempt has been made to discuss any potential foreign, state, or local tax consequences. Moreover, this summary does not address the tax consequences upon a participant's death, or the effects of other federal taxes (including possible golden parachute excise taxes). This discussion does not purport to discuss all tax consequences related to awards under the 2015 Plan, and the Company cannot assure participants of any particular tax result. As such, participants should consult with their own tax advisors as to the tax consequences of transactions under the 2015 Plan.

*Grant of Options.* A recipient of option awards will not recognize any taxable income at the time an option is granted and the Company will not be entitled to a federal income tax deduction at that time.

*Exercise of ISOs.* No ordinary income will be recognized by the holder of an ISO at the time of exercise. The excess of the fair market value of the shares at the time of exercise over the aggregate option exercise price will be an adjustment to alternative minimum taxable income for purposes of the federal alternative minimum tax at the date of exercise. If the recipient of an option award holds the shares purchased for the greater of two years after the date the option was granted and one year after the acquisition of such shares, the difference between the aggregate option price and the amount realized upon disposition of the shares will constitute a long term capital gain or loss, as the case may be, and the Company will not be entitled to a federal income tax deduction.

If the shares acquired upon exercise of an ISO are disposed of in a sale, exchange or other disqualifying disposition within two years after the date of grant or within one year after the date of exercise, the recipient of option awards will realize taxable ordinary income in an amount equal to the lesser of (i) the excess of the fair market value of the shares purchased at the time of exercise over the aggregate option exercise price and (ii) the excess of the amount realized upon disposition of such shares over the option exercise price. The Company will be entitled to a federal income tax deduction equal to the amount of ordinary income recognized by the recipient of option awards. The excess, if any, of the amount realized upon disposition of the shares in a disqualifying disposition over the fair market value of the shares at the time of exercise will constitute capital gain, which will be long-term capital gain if the recipient of option awards has held the shares more than one year after exercise.

*Exercise of Non-Qualified Options.* Taxable ordinary income will be recognized by the holder of an option that does not qualify as an ISO (a non-qualified option) at the time of exercise, in an amount equal to the excess of the fair market value of the shares purchased at the time of such exercise over the aggregate option exercise price. The Company will be entitled to a federal income tax deduction equal to that amount. The recipient of option awards will generally recognize a taxable capital gain or loss based upon the difference

between the per share fair market value at the time of exercise and the per share selling price at the time of a subsequent sale of the shares. The capital gain or loss will be short term or long term depending on the period of time the shares are held by the recipient of option awards following exercise.

*Restricted Stock.* For restricted stock awards that vest over time, the recipient will not recognize income when the restricted shares are granted, unless the recipient makes the election described below. While the restrictions are in effect, the recipient will recognize compensation income equal to the amount of the dividends received and the Company will be allowed a deduction in a like amount.

When the restrictions on the shares are removed or lapse, the excess of fair market value of such shares on the date the restrictions are removed or lapse over the amount paid by the recipient for the shares will be ordinary income to the recipient. The Company will be entitled to a federal income tax deduction equal to that amount. Upon disposition of the shares, the gain or loss recognized by the recipient will be treated as a capital gain or loss. The capital gain or loss will be short term or long term depending upon the period of time the shares are held by the recipient following the removal or lapse of the restrictions.

If a Section 83(b) election is filed by the recipient with the Internal Revenue Service within 30 days after the date of grant of restricted stock, then the recipient will recognize ordinary income and the holding period will commence as of the date of grant. The amount of ordinary income recognized by the recipient will equal the excess of the fair market value of the shares as of the date of grant over the amount paid by the recipient for the shares. The Company will be entitled to a deduction in a like amount. If such election is made and the recipient thereafter forfeits the restricted shares, no refund or deduction will be allowed for the amount previously included in such recipient's income.

*Code Section 409A.* The above discussion does not address the federal income tax consequences of awards under Section 409A of the Code. Section 409A provides that covered amounts deferred under a non-qualified deferred compensation plan are includable in the participant's gross income and subject to 20 percent of additional tax plus in certain cases an interest charge, to the extent not subject to a substantial risk of forfeiture and not previously included in income, unless certain requirements are met, including limitations on the timing of deferral elections and events that may trigger the distribution of deferred amounts. Certain types of awards under the 2015 Plan (other than incentive stock options and non-qualified stock options that meet the rules to be exempt from Section 409A) may be subject to Section 409A. It is the intent of the Board that awards of stock or bonus and incentive awards or incentive stock under the 2015 Plan be structured so that they are not subject to Section 409A. If subject to Section 409A, however, the 2015 Plan and the award agreements are intended to comply with Section 409A requirements.

*Miscellaneous Rules.* Special rules will apply in cases where a recipient of an award pays the exercise or purchase price of the award or any applicable withholding tax obligations under the 2015 Plan by delivering previously owned shares or by reducing the number of shares otherwise issuable pursuant to the award. The surrender or withholding of such shares will in certain circumstances result in the recognition of income with respect to such shares or a carry-over basis in the shares acquired, and may constitute a disqualifying disposition with respect to ISO shares.

As described above, the terms of the agreements pursuant to which specific awards are made to participants under the 2015 Plan may provide for accelerated vesting or payment of an award in connection with a Change in Control. In that event and depending on the individual circumstances of the recipient, certain amounts with respect to such awards may constitute excess parachute payments under the golden parachute provisions of the Code. Pursuant to these provisions, a recipient will be subject to a 20% excise tax on any excess parachute payments and the Company will be denied any deduction with respect to such payments. Participants in the 2015 Plan should consult their tax advisors as to whether accelerated vesting of an award in connection with a Change in Control would give rise to an excess parachute payment.

*Withholding Taxes.* No withholding taxes are payable in connection with the grant of any stock option or the exercise of an ISO. However, withholding taxes must be paid at the time of exercise of any non-qualified option. In respect of all other awards, withholding taxes must be paid whenever the participant recognizes income for tax purposes.

#### **Interests of Certain Persons in the Action Taken**

Each of the Company's directors and executive officers is a potential recipient of awards under the 2015 Plan. In this regard, under the Executive Employment Agreement dated June 25, 2015 between the Company and Richard Florea (the Executive Employment Agreement), the Chief Executive Officer of the Company, the Company granted Mr. Florea, subject to the 2015 Plan being approved by the Company's shareholders and subject to the terms and conditions of the 2015 Plan, options to purchase 200,000 shares of Skyline Common Stock in respect of fiscal 2016 compensation. The option grant will be subject to the terms and conditions of an award agreement, which will provide that the options will vest in five annual installments of 40,000 options each. As of the date this Proxy Statement is first sent to shareholders, the Committee has not committed to grant any other awards to any director, executive officer, employee or independent contractor of the Company. However, we expect that the Committee will grant awards to such participants in the future. Accordingly, the directors and executive officers of Skyline have a substantial interest in the passage of the 2015 Plan proposal.

**New Plan Benefits**

Except with respect to the grant of options under Mr. Florea's Executive Employment Agreement as described above, the executive officers, directors, employees, and independent contractors of the Company who will participate in the 2015 Plan, and the awards that may or will be made to any of them in the future, are to be determined in the discretion of the Compensation Committee and are not determinable at this time. **PROPOSAL NO. 4.**

***ADVISORY VOTE ON EXECUTIVE COMPENSATION***

The Board of Directors is asking the shareholders to provide an advisory, nonbinding vote to approve the compensation awarded to our Named Executive Officers, as described in the Executive Compensation section of this Proxy Statement. Skyline is providing this advisory vote as required pursuant to Section 14A of the Securities Exchange Act of 1934. Non-binding votes on executive compensation have occurred at each of Skyline's Annual Meetings since 2011, and it is anticipated that such non-binding votes will continue to occur on an annual basis.

Skyline's Compensation Committee oversees the compensation program and compensation awarded. In addition, it adopts changes to the program and awards compensation as appropriate to reflect Skyline's circumstances and to promote the main objectives of the program. These objectives include: to compete for and retain managerial talent, to reward profitable growth and increase shareholder returns and to effectively tie pay to performance. The Board is asking the shareholders to indicate their support for the Named Executive Officers' compensation for fiscal year 2015. The Board believes the executive compensation program was designed appropriately and is working to ensure that management's interests are aligned with the shareholders' interests to support long-term value creation.

Shareholders may vote for or against the following resolution, or abstain from voting. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Named Executive Officers. The proposed resolution is:

**Resolved, that the shareholders approve the compensation awarded to Skyline's Named Executive Officers for fiscal year 2015, as disclosed in the Executive Compensation discussion included in this Proxy Statement.**

While this vote is advisory and not binding on Skyline, the Board and the Compensation Committee expect to consider the outcome of the vote, along with other relevant factors, when considering future executive compensation decisions.

*The Board of Directors recommends that shareholders vote FOR the approval of the foregoing resolution on Named Executive Officer compensation.*

## **CORPORATE GOVERNANCE**

Skyline believes good governance starts with a Board whose independence ensures candid and constructive engagement with management about all aspects of Skyline's business. Skyline's Director nomination process seeks persons with the initiative, time, skills and experience to be effective contributors.

Skyline's governance processes address matters relating to Board operations that are fundamental to shareholder interests. The independent Directors meet regularly without management present to evaluate Skyline's results, plans and challenges, as well as management's performance and the strength and development of Skyline's Named Executive Officers. Between June 1, 2014 and May 31, 2015, the Board met eight times. All the Directors of the Board were present at these meetings, except two Directors missed one meeting and one Director missed two meetings. Skyline's independent Directors also met in executive session one time during the fiscal year ended May 31, 2015. Directors are expected, although not required, to attend Skyline's Annual Shareholders' Meeting, and all Board meetings and meetings of the Committees of the Board on which they serve. In 2014, all of the Directors attended the Annual Meeting of the Shareholders except for one Director.

The Board is actively engaged in overseeing and reviewing Skyline's strategic direction and objectives, taking into account (among other considerations) Skyline's risk profile and exposures. The Board conducts an annual in-depth review of the business, which includes consideration of strategic, operational, competitive, financial, compliance and other risk exposures. Skyline currently separates the Chairman and CEO functions, with each position held by a different individual. Skyline has at times operated with a combined Chairman and CEO functions and at other times Skyline has separated those positions. The Board considers the current constituency of management in evaluating whether a combined role is efficient

and effective. At the present time, it is the assessment of the Board that separating these positions allows the CEO to focus on the Company's business, while the Chairman can focus on corporate governance matters, as well as leadership development and succession planning. Mr. Firth serves as the non-executive Chairman of the Board, and his considerable experience with other publicly-traded companies provides him with an excellent background to define the function and structure of the independent directors. The primary focus of the independent directors continues to be an independent assessment of the performance of the Corporation, along with a continuous discussion regarding succession planning. The Board interacts extensively with management in a continuous monitoring of risk factors, both internal and external, that are involved with this particular business and corporation. The independence of the Board, the extensive experience of the Board of Directors, and the sophistication of the individuals participating on the Board provide a high level of ability to address risk at all levels.

Although the Board as a whole has responsibility for risk oversight, three standing committees also oversee Skyline's risk profile and exposures relating to matters within the scope of each committee's authority and reports to the Board about their deliberations. The committees are the Audit Committee, Compensation Committee, and the Nominating and Governance Committee. The Audit Committee considers audit, accounting and compliance risk, and it receives reports from its outside auditors, internal audit staff, and the Chief Financial Officer, among others. The Audit Committee is also responsible for the review of Skyline's major risk exposures (whether financial, operational or otherwise), and the steps management has taken to monitor and control such exposures, and for evaluating management's process to assess and manage Skyline's enterprise risk issues. The Compensation Committee considers the level of risk implied by Skyline's compensation programs, including incentive compensation programs in which the CEO and other employees participate. The Nominating and Governance Committee monitors potential risks to the effectiveness of the Board, notably Director succession and the composition of the Board, and the principal policies that guide Skyline's governance. Each of the committees operates under a written charter to promote clarity in their responsibilities and accountability among their members. These committees work in a coordinated way to address recurring matters and respond to unanticipated events, and they are discussed in greater detail below.

In addition, in compliance with the wishes of a majority of the shareholders, shareholders will again have the opportunity to participate in a nonbinding advisory vote on the compensation of the Named Executive Officers.

## Committees

Information about Committee meetings is as follows:

The Audit Committee consisted of Messrs. Hammes, Firth, Lawson, Link, and Thompson. It met five times during the fiscal year ended May 31, 2015. The Committee meets with the accounting firm which conducts the annual audit of Skyline's financial statements, reviews auditors recommendations, reviews the independence of Skyline's auditors and considers the range of audit and non-audit fees. It also meets with the internal audit staff and Chief Financial Officer, reviews the scope and adequacy of Skyline's internal auditing program and reports its findings to the Board with any recommendations it considers appropriate. Skyline's Board has adopted a written charter for the Audit Committee which is posted to Skyline's website at [www.skylinecorp.com](http://www.skylinecorp.com) and available in paper form upon request to Skyline's Secretary. It met twice during the fiscal year ended May 31, 2015. Every member of the Nominating and Governance Committee was present at all the meetings. The Nominating and Governance Committee identifies individuals qualified to become members of the Board, and recommends that the Board nominates such individuals for election to the Board at the next Annual Meeting of Shareholders. The Nominating and Governance Committee also develops and reviews Skyline's corporate governance guidelines and makes recommendations to the Board regarding the guidelines. The Nominating and Governance Committee believes that candidates for directors should meet certain minimum qualifications including being of the highest ethical character and sharing the values of Skyline as reflected in Skyline's Code of Business Conduct and Ethics, having reputations both personal and professional consistent with the image and reputation of Skyline, and being highly accomplished in their respective fields with superior credentials and recognition and having relevant experience and expertise. In selecting candidates, the Nominating and Governance Committee and Board take diversity into account, seeking to ensure a representation of varied perspectives and experience, although Skyline's nomination policy does not prescribe specific standards for diversity. The Nominating and Governance Committee retains the right to modify these qualifications. Shareholders may provide the Nominating and Governance Committee information on director candidates for consideration by the Nominating and Governance Committee. The Nominating and Governance Committee will consider shareholder recommendations of candidates when the recommendations are properly submitted. To be considered, any such

shareholder recommendation must be submitted as set forth under the section of this Proxy Statement below entitled Shareholder Proposals, and must comply with the notice, information, and consent provisions set forth in the Company's Bylaws. Shareholder nominees will be evaluated under several criteria, including: (i) the satisfaction of applicable independence and eligibility requirements, such as those required of members of the Audit Committee and the Compensation Committee; (ii) the person's professional experiences, including achievements, and whether those experiences and achievements would be useful to the Board, given its existing composition, in discharging its responsibilities; (iii) the person's subject matter expertise, i.e., finance, accounting, legal, management, technology, strategic visioning, marketing, and the desirability of that particular expertise given the existing composition of the Board; (iv) the viewpoint, background, and demographics of the person and whether the person would positively contribute to the overall diversity of the Board; (v) the person's professional ethics, integrity, and values; (vi) the person's intelligence and ability to make independent analytical inquiries; (vii) the person's stated willingness and ability to devote adequate time to Board activities, including attending meetings and development sessions and adequately preparing for those activities; (viii) the person's service on more than three public company boards, excluding the Board, unless the Nominating and Governance Committee concludes, based upon a review of all of the facts and circumstances, that such service on more than three other public company boards would not impair the ability of the proposed candidate/nominee to discharge their responsibilities as a member of the Board, and, provided further, the proposed candidate/nominee does not serve on more than five other public company boards; (ix) the person's principal business responsibilities; (x) whether the person would be able to serve on the Board for an extended period of time; (xi) whether the person has, or potentially could have, a conflict of interest which would affect the person's ability to serve on the Board or to participate in decisions that are material to the Corporation; and (xii) whether and to what extent the person has an ownership interest in the Corporation. The Nominating and Governance Committee retains absolute discretion and independence in determining whether to recommend a candidate. Skyline has a written charter for the Nominating and Governance Committee which is posted to Skyline's website at [www.skylinecorp.com](http://www.skylinecorp.com) and available in paper form upon request to Skyline's Secretary.

On June 25, 2015 the Board approved amended and restated by-laws of the Company (the Amended By-Laws) to be effective as of June 25, 2015 which, among other things, expanded the by-laws to require shareholders provide advance notice to the Company of shareholder proposals and other business to be considered at shareholders' meetings (new Section 11 of Article III of the Amended By-Laws), advance notice of shareholder nominations for director elections at annual shareholders' meetings (new Section 12 of Article III of the Amended By-Laws), as well as the information required to be submitted by shareholders in connection with any shareholder proposal or director nomination, and delineating the director qualifications that the Nominating and Governance Committee of the

Board must consider in assessing whether any proposed director nominee should be considered for membership on the Board (new Section 12(b) of Article III of the Amended By-Laws). These new by-laws represent a material change to the procedures by which the Company's shareholders may recommend nominees to the registrant's board of directors.

The Compensation Committee consisted of Messrs. Lawson, Firth, Hammes, Link, Thompson and, until his resignation effective September 9, 2014, Mr. McKenna. It met three times during the fiscal year ended May 31, 2015. Every member of the Compensation Committee was present at all the meetings. The functions of the Compensation Committee are to discharge the Board's responsibilities relating to compensation of Skyline's executives, review and approve corporate goals and objectives relevant to the Chief Executive Officer's compensation, evaluate Chief Executive Officer performance in light of these goals and objectives and set the Chief Executive Officer's compensation level based on this evaluation, and to make recommendations to the Board regarding incentive compensation plans, equity based plans and to undertake any similar functions. Neither the Compensation Committee nor the management of Skyline engaged the services of a compensation consultant to provide advice or recommendations on the amount or form of executive and director compensation during the fiscal year ended May 31, 2015. Skyline has a written charter for the Compensation Committee which is posted to Skyline's website at [www.skylinecorp.com](http://www.skylinecorp.com) and available in paper form upon request to Skyline's Secretary. The members of the Compensation Committee are all independent as defined in the applicable listing standards.

A Special Committee consisting of independent directors of Skyline, John C. Firth (Chairman), Jerry Hammes and Samuel S. Thompson, was formed in October 2014 to evaluate strategic initiatives. The Special Committee met four times during the fiscal year ended May 31, 2015. Every member of the Special Committee was present at all the meetings. On February 5, 2015 the Board approved the recommendations of the Special Committee, which included (i) that Skyline remain an independent company focused on its plan to build long-term shareholder value, (ii) that Skyline explore market-based debt to support Skyline's strategic plan, (iii) that Skyline have an independent Chairman of the Board, which will be Skyline's highest ranking position, and (iv) other recommendations focused on enhancing Skyline's governing structure and accountability of management for results of Skyline's operations.

**SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers, Directors, and shareholders who beneficially own more than 10% of the Company's Common Stock, to file reports of ownership and changes in ownership on Forms 3, 4, and 5 with the SEC. Officers, Directors, and greater than 10% shareholders are required by the SEC to furnish the Company with copies of all Forms 3, 4, and 5 that they file. Based solely on Skyline's review of the copies of the forms it has received and representations from certain reporting persons that they were not required to file a Form 5 for certain fiscal years, Skyline is not aware of any transactions in Skyline securities that were not timely reported as required by Section 16(a) of the Securities Exchange Act of 1934 during the fiscal year ended May 31, 2015.

**401(k) Plan**

Skyline has a 401(k) plan where hourly and salaried employees become eligible in the 401(k) plan as of the June 1 or December 1 immediately following completion of six months of employment. Participants in the 401(k) plan have the ability to self-direct investments pursuant to various investment choices permitted under the plan. Employee deferrals under the 401(k) plan are 100% vested. However, assets transferred from two profit sharing plans which are now terminated remain subject to a six year vesting schedule ranging from 0% after one year of employment to 100% after six or more years. Skyline in any year has the discretion to contribute employer contributions on a matching basis (based on participant 401(k) deferrals), or as a profit sharing contribution on the basis of compensation earned by participants. No employer contributions are required in any year. Any employer contributions are subject to the maximum amount permitted under the Internal Revenue Code.

Skyline reserves the right to modify, amend or terminate the 401(k) plan. In the event of termination of the 401(k) plan, the 401(k) plan trustee must pay all benefits under the plan to participants or their beneficiaries in accordance with Plan provisions and IRS and ERISA requirements.

**Retirement Benefits**

**for fiscal year ended May 31, 2015**

Skyline has entered into arrangements with certain employees, including our Named Executive Officers, which provide for Skyline to pay benefits to the employees' estates in the event of death during active employment or to pay retirement benefits over 10 years beginning at the date of retirement. Skyline also purchased life insurance contracts on the covered employees. The cash surrender value of the insurance contracts are recorded as a long-term other asset and the net present value of the maximum potential benefit is recorded as a liability on Skyline's financial statements.

The following table provides information on each plan that provides for payments or other benefits in connection with a Named Executive Officer's retirement, excluding tax-qualified and non-qualified defined contribution plans.

**Named Executive Officer's Retirement Benefit Table**

Skyline is the owner and beneficiary of policies insuring Arthur J. Decio's life in the amount of \$1,600,000.

### **Transactions with Related Persons**

Skyline did not participate in any transaction with a related person as defined by 17 CFR §229.404 during the fiscal years ended May 31, 2014 or May 31, 2015 in which the amount involved exceeded the lesser of \$120,000 or one percent (1%) of the average of Skyline's total assets as of the end of Skyline's fiscal years ending May 31, 2014 and May 31, 2015.

### **Risk and Executive Compensation**

It is the judgment of the Board that Skyline's compensation policies and practices are unlikely to have a material adverse effect to Skyline. This conclusion was based in part upon the fact Skyline does not currently use compensation programs at levels that commit Skyline to compensation obligations that may be inconsistent with the long-term performance of Skyline. The value of awards under the 2015 Plan should largely track changes in value of Skyline Common Stock.

### **DIRECTOR INDEPENDENCE AND EXECUTIVE SESSIONS**

The Board of Directors has affirmatively determined that each of the five current non-management Directors – Jerry Hammes, William H. Lawson, David T. Link, John C. Firth, and Samuel S. Thompson – is an independent Director, and therefore, that a majority of Skyline's Board of Directors is currently independent as so defined. The Board of Directors also has determined that, upon his election to the Board, Richard E. Newsted will qualify as an independent director. Each of the aforementioned persons would also qualify as an independent Nominee for Director. For this purpose, Skyline's Board adopted the following categorical standards based in part on the New York Stock Exchange Corporate Governance Listing Standards approved by the SEC on November 4, 2003, as amended, and additional categories considered appropriate by the Board:

1. No Director qualifies as independent unless the Board affirmatively determines that the Director has no material relationship with Skyline or any of its subsidiaries (either directly or as a partner, shareholder or officer of an organization that has a relationship with Skyline or its subsidiaries);
2. A Director who is an employee, or whose immediate family member is an executive officer of Skyline or any of its subsidiaries, is not independent until three (3) years after the end of such employment relationship;
3. A Director who receives, or whose immediate family member receives, more than \$120,000 per year in direct compensation from Skyline or any of its subsidiaries, other than Director and committee fees and pension or other forms of deferred

compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent until three (3) years after he or she ceases to receive more than \$120,000 per year in such compensation;

4. A Director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by a present or former internal or external auditor of Skyline or any of its subsidiaries, is not independent until three (3) years after the end of the affiliation or the employment or auditing relationship;
5. A Director who is employed, or whose immediate family member is employed, as an executive officer of another company when any of Skyline or any of its subsidiaries present executives serve on that other company's compensation committee is not independent until three (3) years after the end of such service or the employment relationship;
6. A Director who is an executive officer or an employee, or whose immediate family member is an executive officer, of a company that makes payments to, or receives payment from, Skyline or any of its subsidiaries for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1,000,000 or 2% of such other company's consolidated gross revenues, is not independent until three (3) years after falling below such threshold;
7. The Board has determined that there are no relationships between Skyline and the Directors classified as independent other than service on Skyline's Board of Directors and compensation paid to such Directors.

The foregoing independence determination of the Board of Directors also included the conclusions that:

1. Each of the members of the Audit Committee, Nominating and Governance Committee, and Compensation Committee listed above is respectively independent under the standards listed above for purposes of membership on each of these committees; and
2. Each of the members of the Audit Committee also meets the additional independence requirements under SEC. Rule 10A-3(b). Mr. Firth is currently serving as the non-executive Chairman for purposes of scheduling and setting the agenda for executive sessions of the independent Directors. It is presently contemplated that there will be regular executive sessions during the fiscal year ending May 31, 2016 in conjunction with regularly scheduled Board meetings, in addition to the separate meetings of the key standing committees of the Board of Directors. There was one

executive session of the independent directors held in the fiscal year ended May 31, 2015. All shareholders and interested parties may communicate directly with the independent Directors by sending an e-mail to [board@skylinecorp.com](mailto:board@skylinecorp.com).

The Board of Directors has adopted a statement of governance principles that is available on Skyline's website at [www.skylinecorp.com](http://www.skylinecorp.com).

### **INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed Crowe Horwath LLP as Skyline's independent auditor for the fiscal year ending May 31, 2016. Crowe Horwath LLP has been the Company's independent auditor since 2005, and is considered by management to be well qualified. The Board and the Audit Committee recommend that shareholders ratify the appointment of Crowe Horwath LLP as Skyline's independent auditor for Skyline's fiscal year 2016. Although not required to do so, Skyline believes that it is appropriate to request that shareholders ratify this appointment. If shareholders do not ratify the appointment, the Audit Committee will investigate the reasons for the shareholders' rejection and reconsider the appointment. Representatives of Crowe Horwath LLP will be at the Annual Meeting, will be given the opportunity to make a statement, and will be available to respond to questions.

### **COMMUNICATIONS WITH DIRECTORS**

Skyline provides for a procedure for shareholders and other interested parties to communicate with the Board. Communications may be sent to the attention of all Board Members or Committees in care of [board@skylinecorp.com](mailto:board@skylinecorp.com) or to the independent directors only at [chairman@skylinecorp.com](mailto:chairman@skylinecorp.com).

### **MISCELLANEOUS**

However, if other proper matters are presented at the meeting, it is the intention of the proxies named in the enclosed proxy to take such action as shall be in accordance with their best judgment.

Award Agreements with respect to Options shall specify the Exercise Price, the time or times at which an Option will vest or become exercisable, the number of Shares to which the Option pertains, and whether the Option is intended to be an ISO or NQSO. If there is any conflict between the provisions of an Award Agreement and the terms of the Plan, the terms of the Plan shall control.

5.2 **Awards May Be Granted Separately or Together; No Limitations on Other Awards.** Awards may be granted either alone or in addition to, in tandem with, or in substitution for any other Award or any award granted under any other plan of the Company or any Affiliate, and the terms and conditions of an Award need not be the same with respect to each Participant.

5.3.1 **Deferral.** One or more means to enable Participants to defer the delivery of Shares or recognition of taxable income relating to Awards or cash payments derived from the Awards on such terms and conditions as the Committee determines, including, by way of example, the form and manner of the deferral election, the treatment of dividends paid on the Shares during the deferral period or a means for providing a return to a Participant on amounts deferred, and the permitted distribution dates or events (provided that no such deferral means may result in an increase in the number of Shares issuable under this Plan); and

5.3.2. **Dividends.** Giving the Participant the right to receive dividend payments, dividend equivalents or other distributions with respect to Awards that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on, Shares; provided, however, that any such dividends, dividend equivalents or distributions shall be held in the custody of the Company and shall be subject to the same restrictions on transferability and forfeitability that apply to the corresponding Awards; and provided further that neither dividend payments nor dividend equivalent payments shall be made with respect to the Shares subject to Options or Stock Appreciation Rights.

6.2.2. **Award Agreement.** The Option may terminate earlier in accordance with the terms of the applicable Award Agreement.

6.3. **Exercise of Options.**

6.3.1. **Exercise Period.** Subject to any vesting provisions or other conditions, restrictions or limitations regarding the exercise of an Option as determined by the Committee, an Option may be exercised, in whole or in part, at any time beginning on the Date of Grant and ending on the date the Option expires or otherwise terminates in accordance with the Award Agreement and this Plan.

6.3.2. **Parties Who May Exercise.** During the lifetime of a Participant to whom an Option was granted, such Option may be exercised only by the Participant. After the death of the Participant, but prior to the termination of the Option, such Option may be exercised by the Participant's legal representative.

6.3.3. **Notice and Payment.** To exercise an Option, the Participant must give written notice to the Company (which shall specify the number of Shares with respect to which the Participant elects to exercise the Option) together with full payment of the Exercise Price, plus the amount of taxes (if any) required by

the Company to be withheld pursuant to Section 15 hereof. The date of exercise shall be the date on which the notice and payment are received by the Company. Payment of the Exercise Price shall be made in cash (including check, bank draft, or money order), or if permitted by the Committee in its sole discretion, (i) by requesting that the Company withhold Shares issuable upon exercise of the Option having an aggregate Fair Market Value on the date of exercise equal to the aggregate Exercise Price, or (ii) through a combination of cash and such Shares.

6.3.4. **Settlement Following Death of Participant.** Following the death of any Participant to whom an Option was granted under this Plan, the Board, as an alternative means of settlement of such Option, may elect to pay to the person properly exercising such Option the amount by which the Fair Market Value per Share on the date of exercise exceeds the Exercise Price, multiplied by the number of Shares with respect to which such Option is properly exercised. Any such settlement of an Option shall be considered an exercise of such Option for all purposes of the applicable Award Agreement and this Plan.

6.4. **Additional Provisions With Respect to ISOs.** Notwithstanding any contrary provision herein or in any Award Agreement, ISOs shall be subject to the following:

6.4.1. **Eligible Participants.** ISOs may be granted only to persons who are Employees as of the Date of Grant.

6.4.2. **Limit on the Fair Market Value of Shares.** The aggregate Fair Market Value of the Shares (determined as of the Date of Grant) with respect to which ISOs are exercisable for the first time by any Employee during any calendar year (under all plans of the Company including this Plan) shall not exceed \$100,000.

6.4.3. **Minimum Exercise Price.** The Exercise Price for Shares issuable upon the exercise of ISOs awarded under this Plan may not be less than the Fair Market Value of the Shares on the Date of Grant; provided, however, that the Exercise Price may not be less than 110% of the Fair Market Value of the Shares on the Date of Grant with respect to ISOs granted to any Employee who (together with persons whose stock ownership is attributed to the Employee pursuant to Section 424(d) of the Code), owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company on the Date of Grant.

6.4.4. **Termination of Service.** No ISO may be exercised more than ninety (90) days after the Employee's Termination of Service for any reason;

provided, however, that if an Employee has a Termination of Service as a result of his or her Disability or death, then such ISO may not be exercised more than twelve (12) months after the Employee's Disability or death.

6.4.5. **Maximum Term.** No ISO may be exercised after the expiration of ten (10) years after the Date of Grant; provided, however, that if the ISO is granted to an Employee who (together with persons whose stock ownership is attributed to the Employee pursuant to Section 424(d) of the Code), owns stock possessing more than 10% of the total combined voting power of all classes of stock of the Company, the ISO may not be exercised after the expiration of five (5) years after the Date of Grant.

6.4.6. **Transfer Restrictions.** No ISO shall be transferable by the Participant other than by will or the laws of descent and distribution.

6.4.7. **Parties Who May Exercise.** No ISO shall be exercisable during the Participant's lifetime by anyone other than the Participant.

6.4.8. **Shares.** With respect to ISOs, any Shares received upon exercise of the ISO generally are not eligible for tax treatment under Section 422 of the Code if the Shares are sold or otherwise transferred prior to the later of (i) two (2) years from the Date of Grant of the ISO, or (ii) one (1) year from the date of exercise of the ISO.

6.4.9. **Participant Responsibilities.** If a Participant shall dispose of Stock acquired through exercise of an ISO within either (i) two (2) years after the date the Option is granted or (ii) one (1) year after the date the Option is exercised (*i.e.*, in a disqualifying disposition), such Participant shall notify the Company within seven (7) days of the date of such disqualifying disposition.

Unless otherwise provided by the Committee in an Award Agreement, to the extent that an Option does not qualify as an ISO because of its provisions, the time and manner of its exercise, or otherwise, the Option or portion thereof which does not so qualify shall constitute a separate NQSO.

**Section 7. Stock Appreciation Rights.** The Committee is hereby authorized to grant Stock Appreciation Rights to Employees and non-Employee Directors, in such amounts as it shall determine. Subject to the terms of the Plan and any applicable Award Agreement, a Stock Appreciation Right granted under the Plan shall confer on the holder thereof a right to

receive, upon exercise thereof, the excess of (i) the Fair Market Value of one Share on the date of exercise over (ii) the grant price of the Stock Appreciation Right as specified by the Committee, which shall not be less than 100% of the Fair Market Value of one Share on the date of grant of the Stock Appreciation Right. The Committee shall determine all other terms and conditions of a Stock Appreciation Right, including but not limited to the term (which shall not be longer than ten years after the date the Stock Appreciation Right is granted), methods of exercise, and methods of settlement (including whether Stock Appreciation Rights will be settled in cash, Shares, other securities, other Awards, or other property, or any combination of them). The Committee may impose such conditions or restrictions on the exercise of any Stock Appreciation Right as it may deem appropriate.

**Section 8. Grant of Other Awards (e.g.: Performance Awards, Restricted Stock, Restricted Stock Units).** Other Awards, valued in whole or in part by reference to, or otherwise based on, Shares, including but not limited to Performance Awards, shares of Restricted Stock, and Restricted Stock Units, may be granted either alone or in addition to or in conjunction with other Awards for such consideration, if any, and in such amounts and having such terms and conditions as the Committee may determine, subject to the following limitations:

8.1. **Pricing.** Any Award that provides for purchase rights with respect to Shares shall be priced at no less than 100% of Fair Market Value on the grant date of the Award.

8.2. **Vesting.** In the case of any Award that vests, or that is realized, upon the achievement of one or more Performance Goals, the Award must have a performance period of at least one (1) fiscal year of the Company; provided that the Committee may provide that the Award will be deemed earned in whole or in part upon the Participant's termination of employment as a result of death or disability, or upon a Change of Control, and with respect to Awards that are not intended to qualify as performance-based compensation under Section 162(m) of the Code, upon the Participant's retirement.

8.3. **Limit on Awards.** The total number of Awards made under this Section that do not constitute Performance Awards, Restricted Stock or Restricted Stock Units and that are valued by reference to the full value of Shares shall be limited to not more than 100% of the total number of Shares available under the Plan pursuant to Section 3.

8.4. **Participant Limits.** Subject to Section 9, the following limits apply to Awards under this Section:

8.4.1. **Restricted Stock or Restricted Stock Units.** No Participant may be granted Awards under this Section that could result in such Participant receiving

Awards of Restricted Stock or Restricted Stock Units relating to more than 100,000 shares during any fiscal year of the Company;

8.4.2. **Performance Award.** No Participant may be granted Awards under this Section that could result in such Participant receiving, with respect to a Performance Award, payment of more than \$500,000 in respect of any performance periods beginning in the same fiscal year of the Company; or

8.4.3. **Other Share-Based Awards.** No Participant may be granted Awards under this Section that could result in such Participant receiving other Share-based Awards with an aggregate Fair Market Value of more than \$500,000, determined as of the date of grant, during any fiscal year of the Company.

8.5. **Notice of Election.** If a Participant elects, under Code Section 83, to be taxed at the time an Award of Restricted Stock (or other property subject to such Code section) is made, rather than at the time the Award vests, such Participant shall notify the Company within seven (7) days of the date the Restricted Stock subject to the election is awarded.

**Section 9. Adjustments Upon Changes in Capitalization.** In the event of any change in the outstanding shares of the Company's common stock (of any class) subsequent to the Effective Date of this Plan by reason of any recapitalization, stock split, stock dividend, combination of shares, or change in the corporate structure or capital structure of the Company, or by reason of any merger, consolidation, share exchange, or similar statutory transaction other than a Change of Control (which is governed by Section 10), the maximum aggregate number and class of Shares as to which Awards may be granted under the Plan, and the number and class of Shares and the Exercise Price of Options with respect to Awards previously granted under the Plan, shall be adjusted by the Committee, in its sole discretion, in order to preclude, to the extent practicable, the enlargement or dilution of the rights and benefits incident to such Awards and to preserve the availability of Shares for future grants under the Plan. Any determination by the Committee with respect to the foregoing matters shall be final, conclusive, and binding on all Participants.

**Section 10. Change of Control.** Except as otherwise specifically provided in the Award Agreement, in the event of a Change of Control, the Board may, in its sole discretion,

provide for the treatment of Awards in any manner its deems appropriate, including substituting for any and all outstanding Awards under this Plan such alternative consideration as it in good faith may determine to be equitable in the circumstances and may require in connection therewith the surrender of all Awards so replaced or the acceleration of the vesting of any Option or the provision of the same consideration, calculated on a per Share basis, as the holders of Shares were entitled to receive as if the Options were exercised. The adjustments contained in this Section and the manner of application of its provisions shall be determined solely by the Board.

**Section 11. Assignments and Transfers of Awards.** Except as expressly authorized by the Committee in the Award Agreement or as set forth in this Section, Awards may not be assigned, encumbered, hypothecated, or otherwise transferred other than by will or the laws of descent and distribution, or pursuant to a qualified domestic relations order (as defined under the Code or Title I of the Employee Retirement Income Security Act of 1974, as amended, or the regulations thereunder). The Company shall not be liable to any person for honoring the exercise of an Option granted to a deceased Participant by the person or persons the Company shall have determined in good faith to have acquired the Option.

**Section 12. Participant Rights Limited.** No Employee, member of the Board or independent contractor of the Company shall have a right to be selected as a Participant or, having been so selected, to be selected again as a Participant. No Employee, member of the Board or independent contractor shall have any claim or right to be granted an Award under this Plan or under any other incentive or similar plan of the Company or any of its affiliates. Neither this Plan nor any action taken pursuant to this Plan shall be construed as providing a contract of employment for any term or giving any person any right to be retained in the employ or service of the Company.

**Section 13. Shareholder Rights.** No Participant or other person shall have any of the rights or privileges of a shareholder of the Company with respect to any Shares issuable pursuant to an Award unless and until certificates representing the Shares shall have been issued, recorded on the records of the Company or its transfer agents or registrars and delivered to the Participant or other person entitled to the Shares.

**Section 14. Compliance With Laws and Regulations.** If, at the time Shares are to be delivered under this Plan, the class of stock of which such Shares are a part is listed or traded on any stock exchange, quotation, or similar system, including any over-the-counter bulletin board, then the Company shall not be required to deliver such Shares until any applicable requirements of such exchange or system have been complied with. In addition, the Company shall not be required to deliver any Shares under this Plan prior to the completion of such registration or other qualification of such Shares under any federal or

state law, rule, or regulation, as the Company shall determine to be necessary or advisable. In the case of officers of the Company and other persons subject to Section 16(b) of the Exchange Act, the Committee may at any time impose any limitations upon the exercise of an Option that, in the Committee's discretion, are necessary or desirable in order to comply with such Section 16(b) and the rules and regulations thereunder. If the Company, as part of an offering of securities or otherwise, finds it desirable because of federal or state regulatory requirements, to reduce the period during which any Option may be exercised, the Committee may, in its discretion and without the Participant's consent, so reduce such period on not less than 15 days written notice to the holder thereof.

**Section 15. Withholding Tax.** If a Participant or other person is entitled to receive Shares pursuant to the exercise of an Option, the Company shall have the right to require the Participant or such other person to pay the Company the amount of any taxes that the Company is required to withhold with respect to such Shares, or, in lieu thereof, to retain (and sell, if the Company so chooses) a number of Shares sufficient to cover the amount required to be withheld. The Company also shall have the right to deduct from all dividends paid with respect to Shares retained pursuant to this Section the amount of any taxes that the Company is required to withhold with respect to such dividend payments.

**Section 16. Termination, Amendment and Modification of the Plan.** The Board may at any time terminate, and may at any time and from time to time and in any respect amend or modify, the Plan; provided, however, that to the extent necessary to comply with Rule 16b-3 under the Exchange Act or Section 422 of the Code (or any other applicable law or regulation, including requirements of any stock exchange or quotation system on which the Shares are listed or quoted), shareholder approval of any Plan amendment shall be obtained in such a manner and to such a degree as is required by the applicable law or regulation; and provided further, that no termination, amendment or modification of the Plan shall in any manner adversely affect the rights of any Participant who has been granted an Award pursuant to the Plan without the consent of the Participant to whom the Award was granted.

**Section 17. Effective Date of Plan.** This Plan is effective as of June 25, 2015 (the **Effective Date**); *provided that* the shareholders also shall approve this Plan within twelve (12) months after the date of adoption by the Board. With respect to any Options granted under an Award under this Plan or to which shareholder approval is required by applicable law or stock exchange requirements, but shareholder approval is not obtained, such Options and the grant of Award shall terminate and be null and void.

**Section 18. Indemnification of Board and Committee.** In addition to such other rights of indemnification as they may have as directors, the members of the Board, including

the members of the Committee, shall be indemnified by the Company against the reasonable expenses, including attorneys' fees actually and necessarily incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with the Plan or any Option, and against all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Company) or paid by them in satisfaction of a judgment in any such action, suit or proceeding, except in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such member is liable for negligence or misconduct in the performance of his duties; provided that within 60 days after institution of any such action, suit or proceeding a member shall in writing offer the Company the opportunity, at its own expense, to handle and defend the same.

**Section 19. Unfunded Plan.** This Plan is intended to be an unfunded plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in this Plan or any Award Agreement shall give the Participant any rights greater than that of a general unsecured creditor of the Company.

**Section 20. Governing Law.** This Plan and any Award Agreement executed under this Plan shall be construed in accordance with and governed by the laws of the State of Indiana without regard to conflicts of law principles thereof.

**Section 21. Recoupment.** All Awards and any and all payments made or required to be made or Shares received or required to be issued hereunder and pursuant to this Plan or any Award Agreement to any Participant shall be subject to repayment to the Company by the Participant (and the successors, assigns, heirs, estate, and personal representative of the Participant) pursuant to the terms of any clawback, recoupment, or other policy implemented from time to time by the Board (any such policy, as amended, amended and restated, or superseded, the **Recoupment Policy**). As additional consideration for any Award granted to a Participant and for any payment made or required to be made or stock received or required to be issued hereunder and pursuant to any Award Agreement to any Participant, each Participant agrees that he or she is bound by and subject to any Recoupment Policy as in effect at any time and from time to time (whether before, at, or after the granting or payment of any Award).
