Item 1.01 Entry into a Material Definitive Agreement.

On December 9, 2015, ABIOMED, Inc. ("Abiomed") entered into a purchase and sale agreement (the "P&S Agreement") with Thibeault Nominee Trust, a Massachusetts nominee trust ("Thibeault"), to acquire Abiomed's existing corporate headquarters space located in Danvers, Massachusetts. Pursuant to the P&S Agreement, Abiomed will acquire (i) the real estate commonly known as 18-22 Cherry Hill Drive, located in Danvers, Massachusetts, consisting of approximately 12 acres, together with all buildings, structures, fixtures and other improvements thereon, (ii) service, maintenance, supply and management contracts related to the operation, maintenance or repair of the property, (iii) all licenses, permits, authorizations, certificates of occupancy, warranties, guaranties, development rights and other intangible property owned by Thibeault arising from or used in connection with the ownership, use, operation and maintenance of the property, and (iv) Thibeault's interest as a landlord in the lease between Abiomed and Thibeault dated as of February 24, 2014 and amended as of April 30, 2015 (collectively, the "Property"). Subject to the terms and conditions of the P&S Agreement, the purchase price of the Property will be \$16.5 million. Abiomed has deposited \$100,000 into escrow in connection with the pending transaction. The deposit may be retained by Thibeault if applicable closing conditions are satisfied and Abiomed fails to close the transaction. Abiomed expects to close this transaction in January 2016. The P&S Agreement contains representations, warranties and covenants of the parties, closing conditions, termination provisions and other customary provisions.

Other than with respect to the lease between Abiomed and Thibeault, there is no material relationship between Abiomed or any of its affiliates and Thibeault.

The foregoing is a summary description of certain terms in the P&S Agreement and is qualified in its entirety by reference to the full text of the P&S Agreement, which Abiomed intends to file as an exhibit to its Quarterly Report on Form 10-Q for the quarter ending December 31, 2015.
