## Section 1 Registrant's Business and Operations

### Item 1.01. Entry into a Material Definitive Agreement

On February 5, 2016, Amedisys, Inc. (we or the Company) entered into an Equity Purchase Agreement (the Agreement) with Michael Trigilio, as Seller, to acquire all of the issued and outstanding equity interests in (i) Associated Home Care, Inc. (AHC) and (ii) Elder Home Options, LLC (EHO, and, together with AHC, the Acquired Companies), for a base purchase price of \$28.0 million in cash, subject to customary purchase price adjustments at closing for working capital, cash indebtedness and transaction expenses.

AHC, founded in 1991, is a provider of private duty services in the Greater Boston, Massachusetts area. Its 1,500 employees deliver care to 5,000 seniors daily in homes throughout Eastern, Central, and Southern Massachusetts. AHC's corporate location is in North Andover, Massachusetts and maintains branch offices in Beverly, Boston, Burlington, Leominster, Marblehead, Middleboro, Springfield, Worcester and Fall River, Massachusetts. Mr. Trigilio, along with his management team, will continue to lead AHC, and Mr. Trigilio will oversee the Company's new Personal Care Division.

As additional consideration for the sale of the Acquired Companies, Mr. Trigilio shall be eligible, on a contingent basis, to receive payments (each a Contingent Payment) based on the achievement by the Acquired Companies of identified minimum EBITDA thresholds for five measurement periods ending on each of the first through fifth anniversaries of the closing date. If the Acquired Companies' EBITDA exceeds the minimum EBITDA target for the then-applicable measurement period, Mr. Trigilio will be eligible to receive a Contingent Payment in accordance with a formula stated within the Agreement. Mr. Trigilio's ability to receive such payments is linked to employment status, and the total number of payments made over the five-year measurement period shall not exceed \$10.1 million in the aggregate (prior to any withholdings required by law and to be reported as compensation by Mr. Trigilio). Should the full \$10.1 million in Contingent Payments be earned at the end of the final measurement period, the total consideration received by Mr. Trigilio will equal approximately five times adjusted EBITDA.

For purposes of the Contingent Payment calculations, EBITDA means, for the applicable measurement period, the net income before interest expense, tax expense, depreciation expense and amortization expense of the Acquired Companies and their subsidiaries, on a combined basis, calculated in accordance with GAAP and subject to certain adjustments, as further described in the Agreement.

The transaction is subject to customary closing conditions, including receipt of certain regulatory approvals. Other than the Agreement, there is no known relationship between us or any of our affiliates, and any of Mr. Trigilio, AHC or EHO. The parties expect to close the transaction on March 1, 2016.
