Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On February 25, 2016, the Board of Directors (the Board) of Xylem Inc. (the Company) adopted the Third Amended and Restated By-laws (the By-laws) to implement proxy access. The By-laws took effect upon adoption. Section 2.12 of the By-laws permits a shareholder, or a group of no more than 20 shareholders, to nominate and include a specified number of director nominees in the Company's proxy materials if it has owned at least 3% of the Company's outstanding common stock continuously for at least three years, in accordance with Section 2.12. Proxy access can be used to nominate up to 20% of the number of directors in office or two nominees, whichever is greater, provided that the other requirements in the By-laws are met and the Company receives notice of the nomination between 150 and 120 days prior to the anniversary of the date the Company's definitive proxy statement was first sent to shareholders in connection with the previous year's annual meeting.

In addition, the amendments:

clarify the advance notice provisions, including adding defined terms (Sections 1.3 and 2.2), and make changes to these and other provisions to reflect the adoption of proxy access;

clarify the scope of the Chairman's authority to convene and adjourn shareholder meetings (Sections 1.6 and 1.7);

update the indemnification provisions to clarify that indemnification and advancement of expenses generally are not available for claims brought by indemnitees, require an undertaking to repay in order to receive any advancement of expenses, and update the procedures for obtaining indemnification (Article 4); and

make additional clarifying or conforming changes or immaterial language changes.

The foregoing description is qualified in its entirety by reference to the full text of the By-laws, a copy of which is attached hereto as Exhibit 3.1 and incorporated by reference herein.
