III. EXTENSION OF THE ROTATION TERM OF INDEPENDENT AUDITORS

In this connection, the Board of the Directors of the Company, at its Meeting No. 333 of February 26, 2016, after duly considering the convenience of extending the term of audit firm rotation, as authorized by CNV Resolution No. 639/2015 of April 21, 2015, has unanimously resolved as follows:

- (i) To issue a favorable opinion regarding the extension for up to three additional years of the rotation term of the present independent audit firm, Price Waterhouse & Co. S.R.L. (PwC) and to that end, to propose to the Extraordinary Meeting of the Shareholders to approve said extension to enable PwC to render services as independent auditor of Telecom Argentina during the fiscal years ending December 31, 2016, 2017 and 2018, if the respective Meetings of the Shareholders appoint PwC to serve in that capacity; and

Table of Contents

(ii) To request the Audit Committee and the Supervisory Audit Committee to issue an opinion on the proposal that will be formulated to the Meeting, in accordance with the resolution mentioned in paragraph (i) above. Thus, in response to the request of the Board, the Audit Committee of Telecom Argentina S.A. unanimously issued the following opinion:

Opinion on the proposal to extend for up to three additional years the term of rotation of the present audit firm

Scope of the task and considerations

The Audit Committee has evaluated the background and performance of Price Waterhouse &Co. S.R.L. (PwC), currently retained as the independent auditors of the Company, with the aim to issue a substantiated opinion as required by section 28 paragraph c) of Part VI, Chapter III, Title II of the CNV Rules (N.T. 2013 and amendments).

In the assessment, the Audit Committee has mainly considered its knowledge of the firm s background and has assessed the firm s performance, through our annual oversight and supervision of the activities performed by independent auditors to obtain reliable financial information for the Company to report to control authorities, investors and the market.

Furthermore, as part of the assessment process, we have interacted with the Company s Management, with the Audit Department and with other professionals, managers and directors in the organization, who have been in touch both with the signing partner and with the other members of the PwC engagement team. We have surveyed their opinions and thoughts on the firm s performance, which, added to our own analysis and evaluation, have enabled us to form an opinion and reach a conclusion on the performance of the abovementioned audit firm.

Table of Contents

Within the evaluated areas, we have especially considered the quality of the work done by the team assigned to the audit tasks during the audit processes. We understand that audit quality is heavily dependent on the professional quality of the people that lead it, and of the members of the team, as well as the preparation and training the audit firm provides for its members.

It should be pointed out that the independent auditors' reports of Telecom Argentina and its related companies refer to their quarterly and full-year financial statements, prepared according to International Financial Reporting Standards (IFRS) and in full compliance with the submission requirements of *Comisión Nacional de Valores* (CNV) and the U.S. Securities & Exchange Commission. Additionally, PwC carries out an integrated audit, in compliance with the requirements of the Sarbanes-Oxley Act applicable to the Company because it is listed on the New York Stock Exchange. This means that it is an audit of the consolidated financial statements of Telecom Argentina on the one hand, and of the internal controls for financial reporting on the other, performed under the stringent standards issued by the Public Company Accounting Oversight Board (PCAOB).

Additionally, in the conduct of our day-to-day duties of oversight over the independent audit function, we have verified that the audit team has a proper understanding of the Company's business, its operations, the telecommunications industry and the impact that relevant industry aspects and circumstances have on the Company's activities. Moreover, the firm's engagement teams, both the audit and support teams, at national and international level, have a deep expertise of business systems and processes, and particularly, of the financial reporting process.

Likewise, another element that has been subject to our review and consideration is the adequate interaction and communication of the engagement team and the Audit Committee. In this respect, we report that PwC's audit team has maintained frequent and open communication with this

Table of Contents

Committee, particularly by the partner in charge of the leading the audit engagement. The quality of communication, the way in which audit findings have been presented and the timeliness of their actions have also been factored in in our analysis of PwC's professional performance.

Finally, in the conduct of our work and as a result of our interaction with the members of the PwC team, we have been able to observe a high degree of objectivity and independence of professional judgment. Additionally, we have weighed their high degree of professionalization and verified that they have the skills and experience required to carry out in an efficient manner complex independent audit engagements as is the case of Telecom Argentina's audit.

Conclusions and opinion

Based on the work performed to assess the background and performance of PwC and in line with the abovementioned considerations, the Audit Committee has unanimously concluded that it is in a position to issue a favorable opinion on the proposal by the Company's Board to the Shareholders' Meeting, to approve the extension of the audit firm rotation term, and to enable Price Waterhouse & Co. S.R.L. to be engaged as the independent auditor of Telecom Argentina for the fiscal years ending December 31, 2016, 2017 and 2018, if the relevant Shareholders' Meetings resolve to appoint them to serve in that capacity.

IV. OPINION ON THE PROPOSALS THAT THE BOARD OF DIRECTORS INTENDS TO SUBMIT TO THE ANNUAL ORDINARY GENERAL MEETING OF THE SHAREHOLDERS

The Board of Directors of the Company, at its meeting No. 333 held on February 26, 2016, decided to request that the Audit Committee, in accordance with section 110, subsections a) and e) of Law 26,831 and Section 10A of the U.S. Securities Exchange Act, issue an opinion on the proposals that the Board of Directors intends to submit for consideration to the Annual Ordinary General Meeting of the Shareholders.

The proposals submitted are included below:

1) The proposal to allocate the aggregate compensation of AR\$ 20,000,000 to the members of the Board of Directors serving during Fiscal Year 2015 (from April 29, 2015 through the date of the Shareholders Meeting that would consider their compensation), and to delegate to the Board of Directors the authority to distribute such amount among its members.

This amount represents 0.58% of Fiscal Year 2015 accountable earnings calculated according to section 3 of Chapter III, Title II, of the Rules of the *Comision Nacional de Valores* (CNV) (N.T. 2013).

In addition, it was proposed that the Board of Directors should be authorized to make advance payments of up to AR\$ 17,320,000 to those directors who shall render services during Fiscal Year 2016 (from the date of the Shareholders Meeting that considers this matter through the date of the meeting that reviews Fiscal Year 2015 documents), always contingent upon the decision of the Shareholders Meeting that considers the financial statements of such fiscal year, authorizing the Board of Directors to increase such amount in the case of non-recurring events.

Table of Contents

2) The proposal to pay Price Waterhouse & Co. S.R.L., for its services as Independent Auditors of Telecom Argentina's financial statements for Fiscal Year 2015 the amount of AR\$ 10,400,000 (which amount does not include VAT), of which AR\$ 5,100,000 are fees for financial statement audit tasks, and AR\$ 5,300,000 are for audit tasks related to the certification under Section 404 of the Sarbanes Oxley Act.

3) The proposal to appoint Price Waterhouse & Co. S.R.L. as Independent Auditors of the financial statements for the fiscal year ending on December 31, 2016, where Carlos Alberto Pace would act as the regular certifying accountant and Marcelo Pfaff as his alternate. This proposal was formulated according to the resolution of the Board when dealing with the preceding item about submitting for the approval of the Meeting the extension of the rotation term for independent auditors by up to three years, according to CNV Resolution No. 639/2015. The appointment of PwC would only be feasible if the Meeting approved the proposed extension of the rotation term.

The Audit Committee was also requested to report the amount of expenses required by its operation and training activities during Fiscal Year 2015 to be reported to the Shareholders' Meeting, and to assess the funds it considers necessary to carry out its duties during Fiscal Year 2016 in order to request budget approval.

1) Opinion on the Proposal of Fees Payable to the members of the Board of Directors acting during Fiscal Year 2015 and advance payments to those who shall serve in 2016

The Board of Directors submitted to the Audit Committee's prior opinion the proposal that it would submit to the Shareholders, to assign to the directors acting in Fiscal Year 2015 (from April 29, 2015 until the date of the meeting that reviews their compensation) the aggregate compensation of AR\$

Table of Contents

20,000,000, and proposed that the Shareholders Meeting should delegate to the Board the authority to distribute such amount among its members.

In order to evaluate such proposal, the members of the Audit Committee have considered the following:

- a) the number of members of the Board of Directors, their roles, responsibilities and dedication to their functions;
- b) the participation of members of the Board of Directors in several committees (Audit Committee, Regulatory Compliance Committee, Steering Committee and Operations Committee), which demand high professionalism and many hours of work, and involve a high level of responsibility;
- c) the consistency of this proposal with those submitted in previous fiscal years;
- d) the updated survey conducted on the *Autopista de Informacion Financiera* of the *Comision Nacional de Valores* (CNV), regarding remuneration paid to directors of other companies similar to Telecom Argentina during the last fiscal year, as reported by such companies. Said survey shows that the fees proposed for Telecom Argentina s directors, as a whole, are consistent with the average amounts paid by such organizations and by Telecom Argentina in previous years;
- e) the fact that the total amount of fees proposed represents a small percentage of accountable earnings for Fiscal Year 2015, calculated according to CNV Rules.

Based on the above, it was agreed that the total remuneration of AR\$ 20,000,000 proposed by the Board of Directors for directors acting during Fiscal Year 2015 from April 29, 2015 through the date of the Shareholders Meeting reviewing their compensation is reasonable (under the terms of section 2 paragraph d of Chapter III, Title II, of CNV Rules), taking into account the number, the responsibilities, representation, technical tasks as members of

Table of Contents

several Board committees, dedication to their roles, competence and professional reputation of directors and the market value of their services, and considering that it does not infringe any legal, regulatory or statutory provision applicable to the Company.

The Audit Committee also considers reasonable, according to market practices, the proposal to authorize the Board of Directors to make advance payments to those directors acting during Fiscal Year 2016 for up to AR\$ 17,320,000, and to increase such amount in the event of non-recurring circumstances, contingent upon the decision of the Shareholders Meeting that will review the documents for such fiscal year.

2) Opinion on the Proposal of Fees payable to the Independent Auditors for Fiscal Year 2015

The Board of Directors has requested our opinion on the proposal of fees it intends to submit to the Shareholders on the remuneration to be paid to Price Waterhouse & Co. S.R.L., for their services as Independent Auditors of the financial statements of Telecom Argentina for Fiscal Year 2015. The proposal to be submitted to the Shareholders Meeting provides for the payment of AR\$ 10,400,000, without VAT, of which AR\$ 5,100,000 are fees for financial statement audit tasks, and AR\$ 5,300,000 are for the audit activities performed in connection with the certification under Section 404 of the Sarbanes Oxley Act.

The Audit Committee considers that the amount of AR\$ 5,100,000 that the Board of Directors would propose to the Shareholders Meeting as compensation for the financial statement audit tasks performed by the Independent Auditors during Fiscal Year 2015 is reasonable and consistent with the importance, magnitude and quality of the tasks performed, and is within the range of the fees approved by other listed companies comparable to Telecom Argentina.

Table of Contents

Likewise, taking into account the complexity of the task and the specialization required for the Independent Auditors to perform the audit with regard to the certification under Section 404 of the Sarbanes Oxley Act, the Audit Committee concludes that the amount of AR\$ 5.300,000 that the Board of Directors will propose to the Shareholders Meeting as remuneration for the performance of audit tasks is also deemed reasonable.

3) Opinion on the Proposal to Appoint the Independent Auditors for Fiscal Year 2016

The Board of Directors will propose to the Annual Ordinary Meeting of the Shareholders the designation of Accounting Firm Price Waterhouse & Co. S.R.L. as Independent Auditors of the Financial Statements for Fiscal Year ending December 31, 2016, where Carlos Alberto Pace would act as the regular certifying accountant and Marcelo Pfaff as his alternate. This proposal will be made subject to the final decision of the Board regarding its proposal to submit for the consideration of the Meeting the approval of an extension of the independent auditor rotation term, for up to three years, in accordance with CNV Resolution No. 639/2015. The appointment of PwC would only be feasible if the Meeting approves the proposed extension of the independent auditor rotation term.

The Audit Committee, by virtue of the considerations formulated in item III regarding the extension of the independent auditor rotation term, resolved unanimously to submit to the Board of Directors a favorable opinion on its proposal to designate Price Waterhouse & Co. S.R.L. as Independent Auditors for Fiscal Year 2016.

Audit Committee Expenses - 2015 Report and 2016 Budget

The Board of Directors also requested the Audit Committee to report the expenses incurred in its operation and training activities in Fiscal Year 2015, and to estimate the amount that it considers necessary to carry out its activities during Fiscal Year 2016, in order to request the approval by the Shareholders Meeting of the relevant budget.

Table of Contents

Dr. Chahwan submitted a report on the expenses incurred by the Committee from May 2015 to April 2016, segregating those already incurred and those to be accrued until the closing of such budget period. The members of the Committee reviewed the different items included in the report, which shows aggregate expenses of AR\$ 913,885 for such period. Continuing with discussions concerning the budget, in view of the activities performed during the previous fiscal year, the training and advisory needs estimated for the current year, and the hiring of services required for the effective performance of its tasks and responsibilities, as well as the general evolution of costs, the members of the Audit Committee resolved to request that the Shareholders Meeting approve an operating budget of AR\$ 2,700,000 for Fiscal Year 2016.

A copy of such report and of the directors fees survey in the *Autopista de Información Financiera* were included in the folder with supporting and background documentation of the matters discussed by the Committee.

This is a true copy of the relevant part of Audit Committee Meeting Minutes 166 of March 16, 2016, transcribed to copy book No. 7, on pages 327 to 337.
