**Item 8.01 Other Events**

On April 29, 2016, the Board of Directors of Oracle Corporation ( Oracle ), after careful deliberation, directed management to prepare for the Board's consideration at an upcoming meeting in late Spring 2016 a proxy access amendment to Oracle's Amended and Restated Bylaws. The proxy access amendment would give stockholders the right to include their director nominees in Oracle's proxy statement based on a 3/3/20/20 structure, under which eligible stockholders could use proxy access to nominate up to 20% of the Board (but in any event at least two directors). To do so, stockholders would be required to have held shares comprising at least 3% of Oracle's outstanding shares continuously for at least three years. In addition, the proposed amendment would allow up to 20 stockholders to form a group to reach the required ownership threshold.

In requesting a bylaw taking this approach, the Board considered the stockholder vote on a proxy access proposal at Oracle's 2015 Annual Meeting of Stockholders, as well as a variety of views on proxy access, including the Council of Institutional Investors' Proxy Access Best Practices, and those gained through extensive discussions with stockholders and independent advisors with expertise in this area.
