Requirements Permitting for Voiding of Final Binder and Policy for Non-Compliance:

When signed by the Insurer, as denoted below, the coverage described above takes effect from 12:01 a.m. on the Effective Date listed above (hereinafter Effective Date) to 12:01 a.m. on the Expiration Date listed above pursuant to the terms, conditions and exclusions of the policy form, any policy endorsements enumerated in this Final Binder, and any modifications of such terms as described in the Final Binder s section entitled Modification to Quote Letter or Other Instructions.

Subjectivities And Other Conditions Precedent To Coverage:

The following requirements are conditions precedent to the coverage afforded by this Final Binder and any policy issued pursuant to this Final Binder:

(a) That the following be provided to the Insurer (Subject-To Information):
None

(b) no material change in the risk occurs between the date of this Final Binder and the Effective Date; and

(c) the Insured does not submit notice of a Claim as that term is defined in the policy form, or facts or circumstances that could give rise to a Claim, between the date of this Final Binder and the Effective Date.

In the event:

1. the Subject-To Information has not been received, reviewed and approved, in writing, by the Insurer within 30 days from the date of this Final Binder;

2. a material change in the risk occurs between the date of this Final Binder and the Effective Date; or

3. the Insured submits notice of a Claim as that term is defined in the policy form, or facts or circumstances that could give rise to a Claim between the date of this Final Binder and the Effective Date;

then this Final Binder and any policy issued pursuant to this Final Binder will be automatically null and void *ab initio* (from the beginning) and will have no effect regardless of the gravity of the failing, or degree of non-compliance, and, with respect to the required approval of the Subject-To Information, whether or not such non-compliance arises before or after the Effective Date, unless the Insurer communicates, expressly and in writing, that it has waived the above conditions precedent, or, with respect to the Subject-To Information, unless the Insurer communicates, expressly and in writing, that it has extended the time within which the Subject-To Information must be received, reviewed and approved. It shall be within the Insurer's sole and absolute discretion to waive any one or all of these conditions precedent or grant such an extension at any time, and the Insurer's silence shall not, under any circumstances, be deemed to effect such a waiver or extension, except that with respect to the Subject-To Information, such waiver may also be communicated through issuance of a final binder letter that does not request the Subject-To Information. In the event an extension or extensions for approval of the Subject-To Information is granted, then all other terms and conditions of this Final Binder shall automatically apply to such extension(s), including without limitation that this Final Binder and the policy shall become automatically null and void if the Subject-To Information is not approved by the extended date.

Please note this Final Binder of Insurance contains only a general description of coverages provided. For a detailed description of the terms of a policy you must refer to the policy itself and the endorsements bound herein.

Unless otherwise indicated, this Final Binder may be cancelled by the Insured, or by the Broker on the behalf of the Insured, by written notice to the Insurer or by the surrender of this Final Binder stating when thereafter such cancellation shall be effective. If cancellation of this Final Binder by or on the behalf of the Insured is effective after the Effective Date, then the Insurer shall be entitled to the earned premium, on a pro-rata basis, for the covered period. Should the Insured cancel this Final Binder pursuant to the terms of this paragraph, such cancellation shall have no effect on the enforceability of the above provisions regarding voiding of this Final Binder and any policy issued pursuant to this Final Binder.

Premium Payment:

Our accounting procedures require that payment of the premium be remitted within 60 days of the Effective Date of coverage or 30 days from the billing date, whichever is later. We appreciate your compliance with this procedure.

CUSTOMER ADVISORY
REGARDING THE ENFORCEMENT OF
ECONOMIC EMBARGOES AND TRADE SANCTIONS

This Trade Sanction Advisory is part of **AIG Insurance Company of Canada** comprehensive compliance program and is meant to serve as a reminder of the existing applicable legal requirements with respect to Trade Sanctions.

Your rights as a policyholder and payments to you, any insured or claimant, for loss under this policy may be affected by the administration and enforcement of economic embargoes and trade sanctions applicable to you, any insured, claimant and/or to the insurer and their respective controlling entities (hereinafter "Trade Sanctions").

WHAT IS AN ECONOMIC EMBARGO AND/OR TRADE SANCTION

Trade Sanctions involve the imposition by a country of legal measures to restrict or prohibit trade, services or other economic activity with a target country, entity or individual. For example, the Parliament of Canada has enacted legislation authorizing the imposition of Trade Sanctions through the *United Nations Act*, the *Special Economic Measures Act* and some provisions of the *Export and Import Permits Act*.

Depending upon the identity, domicile, place of incorporation or nationality of the policyholder, insured, claimant, insurer, or the parent company and ultimate controlling entity of the policyholder, insured, claimant or insurer, or the country where the claim arises, Trade Sanctions of foreign countries, including the United States of America, may be applicable. The application of sanctions could necessitate the seizure or freezing of property, including but not limited to the payment of a claim.

Existing Trade Sanctions can be amended, and new Trade Sanctions can be imposed, at any time.

OBLIGATIONS PLACED ON US AS A RESULT OF TRADE SANCTIONS

If we determine that you or any insured, additional insured, loss payee, or claimant are on a prohibited list or are connected to a sanctioned country, entity or individual, or a prohibited activity, as designated by the relevant Trade Sanction, we may be required to comply with the requirements of the applicable Trade Sanction, which by way of example, may include blocking or freezing property and payment of any funds and the reporting of such occurrences to the relevant authorities within the prescribed time periods, if any.

POTENTIAL ACTIONS BY US

Depending upon the requirements of the relevant Trade Sanction:

1. We may be required to immediately cancel your coverage effective on the day that we determine that we have transacted business with an individual or entity associated with your policy on a prohibited list or connected to a sanctioned country as described in the relevant Trade Sanction.

2. If we cancel your coverage, you may not receive a return premium unless permitted pursuant to the relevant Trade Sanction. All blocked or frozen funds will be placed in an interest bearing blocked account established on the books of a financial institution.

3. We may not pay a claim, accept premium or exchange monies or assets of any kind to or with individuals, entities or companies (including a bank) on a prohibited list or connected to, or carrying on business in, a sanctioned country as designated by the relevant Trade Sanction. Furthermore, we may not defend or provide any other benefits under your policy to individuals, entities or companies on a prohibited list or connected to, or carrying on business in, a sanctioned country as designated by the relevant Trade Sanction.
