Item 1.01 Entry into a Material Definitive Agreement

On November 17, 2016, First Interstate BancSystem, Inc. (First Interstate) entered into an Agreement and Plan of Merger (the Merger Agreement) with Cascade Bancorp, pursuant to which Cascade Bancorp will merge with and into First Interstate, with First Interstate as the surviving entity (the Merger). Immediately following the Merger, Bank of the Cascades will merge with and into First Interstate Bank. Under the terms of the Merger Agreement, each outstanding share of Cascade Bancorp common stock will convert into the right to receive 0.14864 shares of First Interstate common stock and \$1.91 in cash, without interest. Based on the closing price of First Interstate s stock price on November 16, 2016, the merger consideration represents a purchase price of \$7.60 per Cascade Bancorp common share, or an estimated aggregate value of approximately \$589 million.

The Merger Agreement also provides that, among other things, two members of the Cascade Bancorp board of directors will join the board of directors of First Interstate upon consummation of the Merger.

As a part of the transaction, First Interstate shareholders are required to approve amendments to First Interstate s Articles of Incorporation, which provide for certain procedures and voting requirements in the case of certain transactions, including a change in control of First Interstate, or transactions involving the holders of First Interstate Class B common stock. However, the voting requirements do not apply in certain instances in which the holders of First Interstate Class A common stock and Class B common stock would receive the same consideration.

The Merger Agreement includes customary representations and warranties made by First Interstate and Cascade Bancorp, each with respect to its and its subsidiaries businesses. Each party has also agreed to customary covenants, including, among others, covenants relating to the conduct of its business during the interim period between the execution of the Merger Agreement and the consummation of the Merger.

The Merger has been unanimously approved by the boards of directors of each of First Interstate and Cascade Bancorp and is expected to close in mid-2017. The Merger is also subject to approval by each company s shareholders as well as regulatory approvals and other customary closing conditions. The Merger Agreement provides certain termination rights for both First Interstate and Cascade Bancorp and further provides that a termination fee of \$22,097,579 will be payable by either First Interstate or Cascade Bancorp, as applicable, upon termination of the Merger Agreement under certain circumstances.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is filed as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated into this report by reference. The representations, warranties and covenants of each party set forth in the Merger Agreement have been made only for purposes of, and were and are solely for the benefit of the parties to, the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting

parties that differ from those applicable to investors. Accordingly, the representations and warranties may not describe the actual state of affairs at the date they were made or at any other time, and investors should not rely on them as statements of fact. In addition, such representations and warranties (1) will not survive consummation of the Merger, unless otherwise specified therein, and (2) were made only as of the date of the Merger Agreement or such other date as is specified in the Merger Agreement. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the parties' public disclosures. Accordingly, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with any other factual information regarding First Interstate or Cascade Bancorp, their respective affiliates or their respective businesses. The Merger Agreement should not be read alone, but should instead be read in conjunction with the other information regarding First Interstate, Cascade Bancorp, their respective affiliates or their respective businesses, which will be contained in, or incorporated by reference into, the registration statement on Form S-4 that will include a joint proxy statement of First Interstate and Cascade Bancorp and a prospectus of First Interstate, as well as in the Forms 10-K, Forms 10-Q, Forms 8-K and other filings that each of First Interstate and Cascade Bancorp make with the Securities and Exchange Commission (the "SEC").
