2. To vote on a non-binding resolution to approve the compensation of our named executive officers (the Say on Pay vote).
3. To vote on a non-binding proposal for the frequency of future advisory votes on the compensation of our named executive officers (the Frequency of the Say on Pay vote).
4. To ratify the appointment of Grant Thornton LLP as the independent registered public accounting firm for Resource Capital Corp. for the fiscal year ending December 31, 2017.

We cordially invite all of our stockholders to attend the Meeting, though only stockholders of record at the close of business on April 13, 2017, which we refer to as the record date, will be entitled to vote. A list of stockholders entitled to vote at the Meeting will be available for inspection at the Meeting and for 10 days before the Meeting at our offices at 1845 Walnut Street, 18th Floor, Philadelphia, Pennsylvania.

By order of the Board of Directors,

Michele R. Weisbaum, Secretary

April 21, 2017

YOUR VOTE IS IMPORTANT

Instead of mailing a printed copy of our proxy materials to all of our stockholders, we are using the Notice and Access method of providing proxy materials to stockholders via the Internet. This process provides stockholders with a convenient and quick way to access the proxy materials and vote, while allowing us to conserve natural resources and

reduce the costs of printing and mailing these materials. Accordingly, on or about April 21, 2017, we will begin mailing a Notice of Internet Availability of Proxy Materials, or Notice, to all stockholders of record on our books at the close of business on April 13, 2017, which is the record date for the Meeting, and will post our proxy materials on the website referenced in the Notice. As more fully described in the Notice, stockholders may choose to access our proxy materials on the website referred to in the Notice or may request to receive a printed set of our proxy materials. In addition, the Notice and website provide information regarding how you may request to receive proxy materials in printed form by mail, or electronically by email, on an ongoing basis.

If you are a stockholder of record, you may vote in one of the following ways:

Vote over the Internet, by going to www.proxyvote.com (have your Notice or proxy card in hand when you access the website);

Vote by Telephone, by calling the toll-free number 1-800-690-6903 (have your Notice or proxy card in hand when you call);

Vote by Mail, if you received (or requested and received) a printed copy of the proxy materials, by returning the proxy card (signed and dated) in the envelope provided; or

Vote in person at the Meeting.

If your shares are held in street name, meaning that they are held for your account by a broker or other nominee, you will receive instructions from the holder of record that you must follow for your shares to be voted.

Whether or not you plan to attend the Annual Meeting in person, we encourage you to vote as soon as possible to ensure that your shares are represented at the Meeting.

IMPORTANT NOTICE REGARDING INTERNET AVAILABILITY OF PROXY MATERIALS FOR ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON JUNE 1, 2017: The proxy statement and our 2016 annual report are available at <http://phx.corporate-ir.net/phoenix.zhtml?c=192004&p=proxy>.

PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON THURSDAY, JUNE 1, 2017

ABOUT THE MEETING

Solicitation of Proxies. This proxy statement and the accompanying proxy are furnished to stockholders of Resource Capital Corp., which we refer to as the Company, in connection with the solicitation by our Board of Directors, which we refer to as the Board, of proxies for use at the 2017 annual meeting of stockholders of Resource Capital Corp., which we refer to as the Meeting, to be held on June 1, 2017, at 11:00 a.m. at One Crescent Drive, Suite 203, Navy Yard Corporate Center, Philadelphia, Pennsylvania, and at any and all adjournments, postponements or continuations thereof.

Mailing Date. In accordance with rules and regulations adopted by the Securities and Exchange Commission, or SEC, instead of mailing a printed copy of our proxy materials to each stockholder of record, we are now furnishing proxy materials to our stockholders on the Internet. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials, unless specifically requested. Instead, the Notice of Internet Availability of Proxy Materials will instruct you as to how you may access and review all of the important information contained in the proxy materials. The Notice of Internet Availability of Proxy Materials also instructs you as to how you may submit your proxy via the Internet, telephone or by mail. If you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability of Proxy Materials.

It is anticipated that the Notice of Internet Availability of Proxy Materials will be mailed to stockholders on or about April 21, 2017.

Who Can Vote. Only holders of record of our common stock at the close of business on April 13, 2017 will be entitled to notice of and to vote at the Meeting. Each of the approximately 31,393,013 shares of our common stock outstanding on that date is entitled to one vote on each matter that comes before the Meeting.

How to Vote Proxy Instructions. If you are a holder of record of Resource Capital Corp. common stock, you may vote your shares over the Internet, by telephone, by using a traditional proxy card or in person at the Meeting. Refer to the Notice of Internet Availability of Proxy Materials or your proxy or voting instruction card to see which options are available to you and how to use them. Stockholders who hold their shares in street name will receive a Notice of Internet Availability of Proxy Materials from the institution that holds their shares and should follow the voting instructions given by that institution.

Edgar Filing: Resource Capital Corp. - Form DEF 14A

You may specify whether your shares should be voted for all, some or none of the nominees for director (Proposal 1); you may specify whether your shares should be voted for, against or abstain on the approval of our 2016 executive compensation program (Proposal 2); in regard to the frequency vote on future approvals of our executive compensation programs (Proposal 3), you may choose to vote for annual, biennial or triennial advisory votes, or you may abstain; and you may specify whether your shares should be voted for, against or whether you abstain from ratifying the appointment of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2017 (Proposal 4).

If you do not vote your shares on the election of directors, your brokerage firm may not vote them for you; your shares will remain unvoted. Therefore, it is important that you vote your shares for all proposals, including Proposals 1, 2 and 3, each of which are viewed as non-routine matters for which brokerage firms may not vote for you without your instructions.

If you sign your proxy card or voting instruction card with no further instructions, your shares will be voted in accordance with the recommendations of the Board, FOR: the election of all directors in Proposal 1, the approval of the Say on Pay vote in Proposal 2, a triennial Frequency Say on Pay vote in Proposal 3 and the ratification of the auditors in Proposal 4.

Broker Non-Votes. A broker non-vote occurs when a nominee, such as a bank or broker, holding shares for a beneficial owner, does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Generally banks and brokers may vote their customers' shares on proposals considered routine and may not vote their customers' shares on proposals that are not considered routine if the customers have not furnished voting instructions within a specified period of time prior to the Meeting. **This means that if you do not directly vote your shares and you do not give your broker or nominee specific instructions on how to vote your shares, then your broker or nominee does not have authority to vote your shares with respect to such matters and your shares will not be voted on such matters.** Proposals 1, 2 and 3 described below are not considered routine matters. Proposal 4 described below is considered a routine matter.

Revocation of Proxies. If you are a holder of record, you may revoke your proxy at any time before it is exercised in any of three ways:

- 1) by submitting written notice of revocation to our Secretary;
- 2) by submitting another proxy by mail that is later dated and properly signed; or
- 3) by voting in person at the Meeting.

If your shares are held in street name, you must contact your broker or nominee to revoke and vote your proxy.

Quorum. A quorum of stockholders is necessary to hold a valid meeting. A quorum will exist if the holders representing a majority of the votes entitled to be cast by the stockholders at the Meeting are present, in person or by proxy. Broker non-votes and abstentions are counted as present at the Meeting for purposes of determining the existence of a quorum, but because they are neither a vote cast in favor of, nor a vote cast opposing, a proposed action, abstentions and broker non-votes typically will not be counted as a vote cast on any matter, except with respect to matters subject to New York Stock Exchange approval standards where abstentions are deemed to be votes cast for New York Stock Exchange, or NYSE, compliance purposes.

Required Vote. The number of votes required to be elected as a director is dependent on whether an election is contested or uncontested. Our bylaws define an election as contested if there are more candidates for election than the number of directors to be elected. The election described in Proposal 1 below is an uncontested election. In order to be elected as a director in an uncontested election as described in Proposal 1 below, each director is elected by a majority of votes cast with respect to such director nominee at a meeting of stockholders duly called and at which a quorum is present. A majority of votes cast means that the number of shares voted for a director's election exceeds 50% of the total number of votes cast with respect to that director's election. Votes cast include votes for and votes against, but exclude abstentions and broker non-votes with respect to a director's election. In the case of any contested election, our bylaws provide that directors shall be elected by a plurality of votes cast at a meeting of stockholders duly called and at which a quorum is present.

Edgar Filing: Resource Capital Corp. - Form DEF 14A

In order to approve our Say on Pay vote as described in Proposal 2, the Frequency of the Say on Pay vote as described in Proposal 3 and to ratify the appointment of Grant Thornton as our independent registered public accounting firm for the fiscal year ending December 31, 2017 as described in Proposal 4 below, the affirmative vote of the holders of at least a majority of the shares present in person or by proxy at the Meeting is required. Abstentions will have the effect of a vote against Proposals 2, 3 and 4. Proposals 2 and 3 are advisory and not binding on the Board or us.

Other Business. We do not intend to bring any business before the meeting other than that set forth in the Notice of the Annual Meeting and described in this proxy statement. However, if any other business should properly come before the meeting, the persons named in the proxy card intend to vote in accordance with their best judgment on such business and on any matters dealing with the conduct of the meeting pursuant to the discretionary authority granted in the proxy.

Costs. We pay for the preparation and mailing of the Notice of the Annual Meeting and proxy statement. Our directors, officers and employees may solicit proxies personally or by letter or telephone, but no director, officer or employee will be specially compensated for soliciting such proxies. We have also made arrangements with brokerage firms and other custodians, nominees and fiduciaries for forwarding proxy-soliciting materials to the beneficial owners of our common stock at our expense.

Householding of Proxy Materials. The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially provides extra convenience for stockholders and cost savings for companies. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or us if you hold common stock directly. Requests should be addressed to American Stock Transfer & Trust Company, 6201 15th Avenue, Brooklyn, NY 11219, Attention: Shareholder Services Department, or by calling 1-800-937-5449 (+1-718-921-8200 for foreign stockholders). We will promptly furnish a separate copy of the proxy statement upon a written or oral request by a stockholder currently subject to householding.

Shares of common stock issuable pursuant to options or warrants are deemed to be outstanding for purposes of computing the percentage of the person or group holding such options or warrants but are not deemed to be outstanding for purposes of computing the percentage of any other person.

The persons named in the enclosed proxy intend, in the absence of a contrary direction, to vote for Messrs. Beach, Cohen, Farkas, Hart, Ickowicz, Kessler, Levin, Neff, Silverman and Ms. Wiggins. CORPORATE GOVERNANCE

Our Board of Directors and Its Committees

Our common stock is listed on the NYSE under the symbol `RSO`, and we are subject to the NYSE's listing standards. The Board has determined that each of Messrs. Beach, Hart, Ickowicz, Levin, Neff, Silverman and Ms. Wiggins satisfies the requirement for independence set out in Section 303A.02 of the rules of the NYSE and that each of these directors has no material relationship with us (other than being a director and/or a stockholder). In making its independence determinations, the Board sought to identify and analyze all of the facts and circumstances relating to any relationship between a director, his or her immediate family or affiliates and our Company and our affiliates and did not rely on categorical standards other than those contained in the NYSE rules.

The Board held a total of 12 meetings during fiscal 2016. Each of the directors attended at least 75% of the total number of meetings of the Board and of the committees on which he or she served during fiscal 2016.

The Board has four standing committees: the Audit Committee, the Compensation Committee, the Nominating and Governance Committee and the Investment Committee. All of the members of each committee, other than the Investment Committee, are independent directors as that term is defined in the NYSE's listing standards.

As set forth in our Corporate Governance Guidelines and in accordance with NYSE listing standards, the non-management directors have the opportunity to meet in executive sessions quarterly without management. The director who presides at these meetings is rotated among the chairs of the Audit Committee, Compensation Committee and Nominating and Governance Committee in the following order: Audit Committee chairman, Compensation Committee chairman and Nominating and Governance Committee chairman. Interested parties wishing to communicate directly with the non-management directors may contact the chairman of the Audit Committee, P.

Sherrill Neff, at Quaker BioVentures, Cira Centre, 2929 Arch Street, Philadelphia, Pennsylvania 19104.

Audit Committee. The Audit Committee reviews the scope and effectiveness of audits by the internal and independent accountants, is responsible for the engagement of independent accountants and reviews the adequacy of our internal financial controls. Members of the committee since the last annual meeting are Messrs. Neff (Chairman), Beach, Hart and Ms. Wiggins. The Board has determined that each member of the Audit Committee meets the independence standards for Audit Committee members set forth in the NYSE listing standards and in the Securities Exchange Act of 1934, as amended, or the Exchange Act, and that Messrs. Beach and Neff each qualifies as an audit committee financial expert as that term is defined in the NYSE and Exchange Act rules and regulations. The committee held five meetings during fiscal 2016. The Audit Committee charter is available on our website at www.resourcecapitalcorp.com, and we will provide a printed copy to any stockholder who requests it.

Compensation Committee. The principal functions of the Compensation Committee are to:

review the compensation payable to our directors;

review the compensation and fees payable to our Manager under our management agreement; and

administer the issuance of any stock or stock options issued to our employees and/or the employees of our Manager or its affiliates who perform services for us.

Under our management agreement with our Manager, our Manager assumes principal responsibility for managing our affairs and providing the personnel that we need to conduct our operations. Our Manager and its affiliates are responsible for paying the compensation of all such personnel and, consequently, such personnel do not receive separate compensation from us. However, we reimburse our Manager for all of the wages, salary and benefits established and paid by our Manager or an affiliate to our Chief Financial Officer, Chief Accounting Officer and several accounting and tax professionals and 50% of the salary and benefits of an investor relations officer. Up until September 8, 2016, we also reimbursed Resource America for all of the compensation and benefits of our Chairman of the Board.

The members of the committee since the last annual meeting are Messrs. Beach (Chairman), Levin and Neff. The committee held four meetings during fiscal 2016. The Compensation Committee Charter is available on our website at www.resourcecapitalcorp.com, and we will provide a printed copy to any stockholder who requests it.

Nominating and Governance Committee. The principal functions of the Nominating and Governance Committee are to:

assist us in maintaining an effective and knowledgeable Board, including assisting the Board by identifying individuals qualified to become directors and recommending to the Board the director nominees for the next annual meeting of stockholders and the directors to be appointed to the Audit, Compensation and Nominating and Governance Committees; and

develop and recommend for the Board's consideration governance guidelines for us.

The committee has not adopted specific, minimum qualifications or specific qualities or skills that must be met by a recommended nominee. The committee seeks to ensure that the members of the Board and each committee satisfies all relevant NYSE listing standard requirements, applicable laws and requirements of our governance documents. The

committee seeks to achieve a mixture of skills that are related to our business. The nature of the specific qualifications, qualities or skills that the committee may look for in any particular director nominee is dependent on the qualifications, qualities and skills of the rest of the directors at the time of any vacancy on the Board.

The Nominating and Governance Committee identifies director nominees by first evaluating the current members of the Board willing to continue in service. Current members with skills and experience that are relevant to our business and are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service, if the Nominating and Governance Committee or Board decides not to re-nominate a member for re-election or if we decide to expand the Board, then the committee identifies the desired skills and experience of a new nominee

consistent with the Nominating and Governance Committee's criteria for Board service. Current members of the Board and management are polled for their recommendations. Research may also be performed or third parties retained to identify qualified individuals. To date, we have not engaged third parties to identify or evaluate potential nominees; however, we may in the future choose to do so.

The members of the Nominating and Governance Committee since the last annual meeting are Messrs. Levin (Chairman), Beach and Hart. The committee held one meeting during fiscal 2016. Our Corporate Governance Guidelines and Nominating and Governance Committee charter are both available on our website at www.resourcecapitalcorp.com, and we will provide a printed copy to any stockholder who so requests it.

Stockholder Recommendations for Director Nominees. The Nominating and Governance Committee will consider candidates for nomination as a director recommended by stockholders, directors, officers, third-party search firms and other sources. In evaluating candidates, the committee considers the attributes of the candidate (including skills, experience, international versus domestic background, diversity and legal and regulatory requirements) and the mixture of skills and experience of the members of the Board, and will review all candidates in the same manner, regardless of the source of the recommendation. The Nominating and Governance Committee does not have a formal policy regarding the consideration of diversity in identifying candidates beyond being committed to ensuring that no person would be excluded from consideration for service as a director as a result of their gender, race, religion, creed, sexual orientation or disability. The committee will consider individuals recommended by stockholders for nomination as a director in accordance with the procedures described under "Stockholder Proposals for the 2018 Annual Meeting." Recommendations should include the following:

such information as may be reasonably necessary to determine whether the director candidate is independent from the stockholder that has recommended the candidate;

such information as may be reasonably necessary to determine whether the director candidate is qualified to serve on the Board; and

such information as may be reasonably necessary to determine whether the director candidate meets the independence standards of the NYSE.

The Board may also request such additional information concerning the proposed nominee as may be reasonably required to determine whether each person recommended by a stockholder meets the criteria discussed above and to enable us to make appropriate disclosures to stockholders.

Investment Committee. The Investment Committee reviews and approves our proposed investments under \$45.0 million, and the Board as a whole reviews and approves our proposed investments equal to or in excess of \$45.0 million and all credit facilities or financing with recourse to us and is advised of Company investments approved by the Investment Committee equal to or in excess of \$30.0 million for informational purposes. The members of the committee since the last annual meeting are Messrs. Farkas (Chairman), Beach, Fore, Ickowicz and Kessler. Prior to Mr. Jonathan Cohen's resignation in September 2016, Mr. Jonathan Cohen served as Chairman of the Investment Committee. The committee held seven meetings during fiscal 2016.

Communication with the Board. The Board has established a process for stockholders to send communications to it. Stockholders may communicate with the Board, or any director or committee chairperson, by writing to such parties in care of Michele R. Weisbaum, Senior Vice President, Chief Legal Officer and Secretary, Resource Capital Corp., 712 Fifth Avenue, New York NY 10019. Communications addressed to the Board generally will be forwarded either

to the appropriate committee chairperson, all directors or the individual directors to whom the communication is addressed. Communications may be submitted confidentially and anonymously. Under certain circumstances, we may be required by law to disclose the information or identity of the person submitting the communication. No action was taken by the Board as a result of any communication received during fiscal 2016 from a stockholder. Some concerns communicated to the Board also may be referred to our internal auditor or our Chief Legal Officer. The Chairman of the Board or the Chairman of the Audit Committee may direct that concerns be presented to the Audit Committee, or to the full Board, or that they otherwise receive special treatment, including retention of external counsel or other advisors.

Attendance at Annual Meetings. We do not have a formal policy regarding Board member attendance at our annual meeting of stockholders. All but one of our Board members attended last year's annual meeting of stockholders, and we anticipate that all of them will attend the Meeting.

Board Leadership Structure and Role in Risk Oversight

We have no specific policy with respect to the separation of the offices of Chairman and Chief Executive Officer. Currently, Andrew L. Farkas serves as Chairman of the Board and Robert C. Lieber serves as Chief Executive Officer. Prior to September 8, 2016, Steven J. Kessler served as Chairman and Jonathan Z. Cohen served as Chief Executive Officer. The Board believes that our Corporate Governance Guidelines provide it with appropriate flexibility to determine from time to time the leadership structure that best enables us to pursue our business strategies and goals. The Board believes that the most effective leadership structure at the present time is to have separate Chairman of the Board and Chief Executive Officer positions because this allows the Board to benefit from having two strong voices bringing separate views and perspectives to meetings and gives us the benefit of the significant expertise that both Messrs. Farkas and Lieber have in finance and real estate.

Risk management, led by our officers and the Board, is a company-wide function that is responsible for an integrated effort to identify, assess and manage risks that may affect our ability to execute on our business strategy and fulfill our business objectives. The Board's role is to oversee this function. The Audit Committee enhances the Board's oversight of risk management. The Audit Committee's role is also one of oversight, recognizing that management is responsible for executing our risk management policies. The Audit Committee's responsibilities include discussing with management our major financial risk exposures and the steps management has taken to monitor and control such exposures, including our risk assessment and risk management policies. The Audit Committee also discusses guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also oversees our internal audit function and is responsible for monitoring the integrity, and ensuring the transparency, of our financial reporting processes and systems of internal controls regarding finance, accounting and regulatory compliance. The Audit Committee incorporates its risk oversight function into its regular reports to the Board.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics applicable to all directors, officers and employees. We will provide to any person without charge, upon request, a copy of our code of business conduct and ethics. Any such request should be directed to us as follows: Resource Capital Corp., 712 Fifth Avenue, New York, NY 10019, Attention: Secretary. Our code of business conduct and ethics is also available on our website at www.resourcecapitalcorp.com.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee consisted of Messrs. Beach, Levin and Neff during fiscal 2016. None of such persons was an officer or employee of ours or any of our subsidiaries or affiliated companies during fiscal 2016, or was formerly an officer or employee of ours. None of our executive officers was a director or executive officer of any entity of which any member of the Compensation Committee was a director or executive officer during 2016.

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis describes our executive compensation program for 2016. We use this program to attract, motivate and retain our named executive officers (NEOs) and other executives. In particular, we will explain how the Compensation Committee of the Board made 2016 compensation decisions for our 2016 NEOs:

Robert C. Lieber, our Chief Executive Officer and President;

Jonathan Z. Cohen, our former Chief Executive Officer and President;

David J. Bryant, our Senior Vice President, Chief Financial Officer and Treasurer;

Thomas C. Elliott, our Executive Vice President - Finance and Operations;

David E. Bloom, our Senior Vice President - Real Estate Investments; and

Eldron C. Blackwell, our Vice President and Chief Accounting Officer.

Objectives of Our Compensation Program

We are externally managed by our Manager pursuant to a management agreement among our Manager, Resource America and us. All of our NEOs, other than Mr. Lieber who is an employee of C-III, are employees of Resource America or our Manager. We have not paid, and do not intend to pay, any cash compensation to our NEOs. We do

reimburse Resource America for the wages, salary and benefits paid to our Chief Financial Officer and Chief Accounting Officer and did reimburse Resource America for the wages, salary and benefits that it paid to our former Chairman until he resigned his employment in September 2016. Our Compensation Committee has, from time to time, granted equity awards in the form of restricted stock to our NEOs pursuant to our Amended and Restated Omnibus Equity Compensation Plan. These awards are designed to align the interests of our NEOs with those of our stockholders, by correlating their compensation to the performance of our stock and by allowing them to share in the creation of value for our stockholders through stock price appreciation and dividends. These equity awards are subject to time-based vesting requirements designed to promote the retention of management, incentivize long term objectives and achieve strong performance for us. These awards further provide us flexibility in our ability to enable Resource America to attract, motivate and retain talented individuals for our Manager.

Setting Executive Compensation

Our NEOs are employees of Resource America or C-III. The base salaries and cash incentive compensation paid to our Chief Financial Officer and Chief Accounting Officer are recommended by our Chief Executive Officer to the Compensation Committee for approval. The determination of the base

salary and cash incentive compensation paid to our other NEOs is made solely by Resource America and/or C-III, as applicable. These analyses and determinations for our NEOs' compensation are not based upon any particular compensation matrix or formula, but are instead based upon qualitative evaluations of their contributions to the Company. Because we pay fees to our Manager pursuant to the management agreement, we believe that an unspecified portion of the base salary and cash incentive compensation paid to our NEOs is derived from such fees paid by us. We do not control how such fees are allocated by Resource America or C-III. We disclose the cash amounts paid by Resource America to our Chief Financial Officer and Chief Accounting Officer (for which we reimburse Resource America), our only two NEOs who devote their full business time to our affairs, in the Summary Compensation Table below.

Our Chief Executive Officer's incentive stock compensation is determined by the Compensation Committee. All other grants of Resource Capital Corp.'s incentive stock compensation are recommended by our Chief Executive Officer for approval by our Compensation Committee. Our Chief Executive Officer provides the Compensation Committee with key elements of our NEOs' performance during the year and their contribution to the Company to assist the committee in its determinations and approvals. Our Chief Executive Officer, at the Compensation Committee's request, might attend committee meetings to provide insight into our NEOs' performance.

Prior to the acquisition of Resource America by C-III, Resource America would determine the base salary, cash incentive compensation and grants of Resource America equity that were paid to our NEOs. When Resource America made its determination of the amount of compensation it would award to one of our NEOs, including in particular the amount of Resource America securities that it would grant as equity incentive compensation, Resource America would consider, but did not determine or control, the amount of Resource Capital Corp.'s securities we proposed to grant as equity incentive compensation. Similarly, prior to the acquisition of Resource America by C-III, when determining the amount of equity incentive compensation we granted to one of our NEOs, our Compensation Committee considered, but did not determine, the compensation that Resource America proposed to grant to that NEO, including Resource America's grant of Resource America securities as equity incentive compensation. Prior to the acquisition of Resource America by C-III, the respective Compensation Committees of our Company and Resource America would base their analyses and determinations upon recommendations submitted by Jonathan Z. Cohen, the former chief executive officer of our Company and of Resource America, for all of our NEOs other than himself. Resource America's Compensation Committee determined the amount of compensation Resource America awarded Mr. Jonathan Cohen, while our Compensation Committee determined the amount of any Resource Capital Corp. incentive stock compensation awarded to Mr. Jonathan Cohen. These analyses and determinations were not based upon any particular compensation matrix or formula, but instead were based upon qualitative evaluations by the Compensation Committee and, prior to the acquisition of Resource America by C-III, Mr. Jonathan Cohen. Our Compensation Committee historically did not make recommendations to Resource America as to the amount of compensation Resource America granted to our NEOs, nor did Resource America's Compensation Committee make recommendations to us regarding the amount of equity incentive compensation awarded by us to our NEOs.

Our Compensation Committee operates under a written charter adopted by our Board, a copy of which is available on our website at www.resourcecapitalcorp.com. Our Compensation Committee determines compensation amounts after the end of our fiscal year and makes equity awards shortly thereafter. Our Compensation Committee has the discretion to issue equity awards at other times during our fiscal year.

Elements of Our Compensation Program

As described above, our NEOs do not receive cash compensation from us, although beginning in October 2009, we agreed to reimburse Resource America for the wages, salary and benefits of our Chief Financial Officer and in March 2014, we agreed to reimburse Resource America for the wages, salary and benefits of our Chief Accounting Officer. In addition, we reimbursed Resource America for the wages, salary and benefits of our former Chairman from February 2010 through September 2016. Our Compensation Committee has, from time to time, granted equity awards

in the form of restricted stock to our NEOs pursuant to our Amended and Restated Omnibus Equity Compensation Plan.

Grants of restricted stock reward stockholder value creation slightly differently than stock options. Restricted stock is impacted by all stock price changes, both increases and decreases. Restricted stock generally vests 33.33% per year and includes a right to receive dividends on unvested shares. Effective August 31, 2015, we completed a one-for-four reverse stock split of our outstanding common stock. All share amounts shown give retroactive effect to the reverse stock split for all periods presented for comparison purposes.

How We Determined 2016 Compensation

As discussed above, our Compensation Committee believes that it is important for our NEOs, who are employees of Resource America or C-III, to remain significantly aligned with the interests of our stockholders. Accordingly, we have traditionally made grants of restricted stock to such NEOs.

The restricted stock grants vest 33.33% per year over three years and have full voting and dividend rights. Our Compensation Committee analyzed the management agreement and reviewed how our operating costs compared to other REITs' operating costs. Our Compensation Committee also considered our growth, complexity and performance. The Committee also considered the amount of our restricted stock that had been granted in recent years. In particular, the Compensation Committee desired to continue to build alignment between key employees of our Manager and our stockholders, provide meaningful incentive for the retention of such key employees and ensure that total compensation paid to our Manager and its employees is consistent with competitors in the commercial real estate lending industry. In January 2017, our Compensation Committee approved the awards discussed below for 2016, based upon our performance and the individual performance of our NEOs. In particular, this year our Compensation Committee focused on the efforts to reposition the Company, design and begin implementing a strategic plan to focus our strategy on commercial real estate (CRE) debt investments, dispose of certain legacy CRE debt investments, dispose of non-core assets and establish a dividend policy based on sustainable earnings. Our Compensation Committee also considered our ability to successfully originate, manage and finance quality investment products.

Upon our CEO's recommendation, other than for himself, our Compensation Committee in January 2017 approved the following awards for fiscal 2016:

Mr. Lieber was awarded 18,028 shares of restricted stock for fiscal 2016.

Mr. Elliott was awarded 18,028 shares of restricted stock for fiscal 2016, which had the same aggregate dollar value as the 14,691 shares of restricted stock awarded for fiscal 2015.

Mr. Bloom was awarded 21,033 shares of restricted stock for fiscal 2016, which had the same aggregate dollar value as the 17,140 shares of restricted stock awarded for fiscal 2015.

Mr. Bryant was awarded 12,019 shares of restricted stock for fiscal 2016, which had the same aggregate dollar value as the 10,515 shares of restricted stock awarded for fiscal 2015.

Mr. Blackwell was awarded 3,605 shares of restricted stock for fiscal 2016, a \$10,000 increase in the aggregate dollar value over the value of the 2,103 shares of restricted stock awarded for fiscal 2015.

Compensation and Risks

We believe that the risks material to our business are those that derive from broad-based economic trends and specific trends relating to particular loans, assets securing such loans and properties we hold. We do not believe that these risks are materially affected by, or materially arise from our compensation policies, as our compensation is in the form of equity grants which typically vest over time. We believe that this encourages our executives to focus on sustained share price appreciation, rather than short-term results. Moreover, risk behavior is a factor considered in all performance assessments.

Compensation Committee Report

We have reviewed and discussed with management the Compensation Discussion and Analysis prepared by management. Based on this review and discussion, we have recommended to the Board of Directors that the Compensation Discussion and Analysis prepared by management be included in this Proxy Statement and incorporated by reference into our 2016 annual report on Form 10-K.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Relationships and Related Party Transactions

Relationship with C-III, Resource America and Certain of their Subsidiaries. On September 8, 2016, Resource America was acquired by C-III, a leading commercial real estate services company engaged in a broad range of activities, including primary and special loan servicing, loan origination, fund management, CDO management, principal investment, investment sales and multifamily property management. As part of the transaction, C-III took over control of our Manager with respect to the management agreement (described below) and became the beneficial owner of 715,396 shares of the Company's common stock through its indirect ownership of our Manager and Resource Capital Investor, Inc. C-III is indirectly controlled and partially owned by Island Capital, of which Mr. Farkas, Chairman of the Company, is the managing member. Mr. Farkas is also chairman and chief executive officer of C-III and chief executive officer and president of Resource America. In addition, Robert C. Lieber, the Company's Chief Executive Officer and President, is an executive managing director of both C-III and Island Capital. Jeffrey P. Cohen, who is a member of the Company's Board, is an executive managing member of C-III, president of Island Capital and a director and executive vice president of Resource America. Our other executive officers are also officers of our Manager and/or of Resource America or C-III.

We have entered into a management agreement under which our Manager receives substantial fees. On May 22, 2016, we entered into a letter agreement with Resource America pursuant to which we irrevocably waived our right to terminate the management agreement as a result of a Change of Control (as defined in the management agreement) resulting from the acquisition of Resource America by C-III. Upon consummation of that acquisition, Resource America paid a \$1.5 million fee to us for the waiver. For the year ended December 31, 2016, our Manager earned base management fees of approximately \$12.4 million (net of rebates), of which \$1.3 million was payable as of December 31, 2016. No incentive management fees were earned in 2016. We reimburse our Manager and Resource America for expenses and the costs of employees of Resource America who perform legal, accounting, due diligence and other services that outside professionals or consultants would otherwise perform. The management agreement, as amended, also provides that our Manager must furnish us with a director of investor relations. We bear the expense of the compensation and benefits of our Chief Financial Officer, Chief Accounting Officer and several accounting and tax professionals and 50% of the salary and benefits of the investor relations officer. Until September 8, 2016, we also reimbursed Resource America for the compensation and benefits of our Chairman. During the year ended December 31, 2016, we reimbursed our Manager \$5.0 million for all such compensation and costs. At December 31, 2016, we had a payable to Resource America of approximately \$200,000 consisting of an oversight fee and incurred expenses.

On November 7, 2013, we entered into an amendment to the management agreement to include the definition of an Ancillary Operating Subsidiary, which means one or more subsidiaries, including a TRS and its subsidiaries, that are operating entities principally engaged in the evaluation, underwriting, origination, servicing, holding, trading and financing of loans, securities, investments and credit products other than commercial real estate loans. An Ancillary Operating Subsidiary may, with the approval of a majority of the independent directors, directly incur and pay all of its own operating costs and expenses, including without limitation, compensation of employees of such Ancillary Operating Subsidiary and reimbursement of any compensation costs incurred by our Manager for personnel principally devoted to such Ancillary Operating Subsidiary.

On November 24, 2010, we entered into an Investment Management Agreement with Resource Capital Markets, Inc., or RCM, which is a wholly-owned subsidiary of Resource America. The initial agreement provided that: (a) RCM may invest up to \$5.0 million of our funds, with the investable amount being adjusted by portfolio gains (losses) and collections, and offset by expenses, taxes and realized management fees; and (b) RCM can earn a management fee in any year that the net profits earned exceed a preferred return. On June 17, 2011, we entered into a revised Investment Management Agreement with RCM which provided an additional \$8.0 million of our funds for RCM to invest. The management fee is 20% of the amount by which the net profits exceed the preferred return. During the year ended December 31, 2016, RCM did not earn an incentive management fee. We also reimburse RCM for expenses paid on our behalf. During the year ended December 31, 2016, we paid RCM \$10,000 as expense reimbursements and an additional \$216,000 of expense reimbursements was payable to RCM at December 31, 2016.

In May 2016, we made a 12.5 million investment in Harvest CLO XV, a European CLO vehicle with a total par value of 413.0 million managed by an unrelated third-party collateral manager. In connection with this transaction, a subsidiary of Resource America received a \$2.3 million structuring and placement fee.

As of December 31, 2016, we retained equity in six securitizations that were structured for us by our Manager, although two of the securitizations were substantially liquidated in 2014 and 2015. Under the Management Agreement, our Manager was not separately compensated by us for executing these transactions and is not separately compensated for managing the securitization entities and their assets. On January 1, 2016, we adopted new consolidation guidance on variable interest entities and, as a result, two of our remaining securitizations were deconsolidated.

Relationship with LEAF Commercial Capital. Leaf Commercial Capital, or LCC, a former subsidiary of Resource America in which we owned a minority interest, originated and managed equipment leases and notes on our behalf. On March 5, 2010, we entered into agreements with Lease Equity Appreciation Fund II, L.P., or LEAF II (an equipment leasing partnership sponsored by LEAF Financial, which is a subsidiary of Resource America, and of which a LEAF Financial subsidiary is the general partner), pursuant to which we provided an \$8.0 million credit facility to LEAF II. The credit facility initially had a one year term with interest at 12% per year, payable quarterly, and was secured by all of the assets of LEAF II. We received a 1% origination fee in connection with establishing the facility. The facility originally matured on March 3, 2011 and was extended until September 3, 2011 with a 1% extension fee paid on the outstanding loan balance. On June 3, 2011, we entered into an amendment to extend the maturity to February 15, 2012 and to decrease the interest rate from 12% to 10% per annum resulting in a troubled-debt restructuring under applicable accounting guidance. On February 15, 2012, the credit facility was further amended to extend the maturity to February 15, 2013 with a 1% extension fee accrued and added to the amount outstanding. On January 11, 2013, we entered into another amendment to extend the maturity to February 15, 2014 with an additional 1% extension fee accrued and added to the amount outstanding. On December 17, 2013, we entered into another amendment to extend the maturity to February 15, 2015. During the year ended December 31, 2014, we recorded a provision for loan loss on this loan of \$1.3 million before extinguishing the loan and bringing direct financing leases in the amount of \$0.9 million on our books in satisfaction of the loan receivable. During the year ended December 31, 2016, no provision was taken against the value of the direct financing leases. At December 31, 2016, we held approximately \$527,000 of direct financing leases, net of reserves. We expect to report a provision for lease loss of approximately \$125,000 against the value of the direct financing leases for the quarter ended March 31, 2017.

On November 16, 2011, we, together with LEAF Financial and LCC, entered into a securities purchase agreement with Eos Partners, L.P., a private investment firm, and its affiliates. In exchange for

our prior minority interest in LCC, we received 31,341 shares of Series A preferred stock, 4,872 shares of newly issued 8% Series B redeemable preferred stock and 2,364 shares of newly issued Series D redeemable preferred stock, collectively representing, on a fully-diluted basis, a 27.5% interest in LCC. On January 18, 2013, we entered into another stock purchase agreement with LCC to purchase 3,682 shares of newly issued Series A-1 preferred stock for \$3.7 million. During 2013, we entered into another stock purchase agreement with LCC to purchase 4,445 shares of newly issued Series E preferred stock for \$4.4 million. The Series E preferred stock has priority over all other classes of preferred stock. For the year ended December 31, 2016, we recorded income of \$943,000 in respect of our equity interests in LCC. Our total investment in LCC was \$43.0 million at December 31, 2016.

Relationship with CVC Credit Partners. On April 17, 2012, Apidos Capital Management, or ACM, a former subsidiary of Resource America, was sold to CVC Credit Partners, LLC, a joint venture entity in which Resource America currently owns a 24% interest. CVC Credit Partners manages internally and externally originated syndicated corporate loans on our behalf. On February 24, 2011, one of our subsidiaries purchased 100% of the ownership interests in Churchill Pacific Asset Management LLC, or CPAM, from Churchill Financial Holdings LLC for \$22.5 million. CPAM subsequently changed its name to Resource Capital Asset Management, or RCAM. Through RCAM, we were entitled to collect senior, subordinated and incentive fees related to five CLOs, holding approximately \$1.9 billion in assets managed by RCAM. RCAM is assisted by CVC Credit Partners in managing these CLOs. CVC Credit Partners is entitled to 10% of all subordinated fees and 50% of all incentive fees received by RCAM. For the year ended December 31, 2016, CVC Credit Partners earned subordinated fees and incentive fees totaling \$1.8 million. In October 2012, we purchased 66.6% of the preferred equity in one of the RCAM-managed CLOs. In May 2013, we purchased additional equity in this CLO, increasing our ownership percentage to 68.3% at December 31, 2016.

Relationship with Long Term Care Conversion Funding. We also reimburse Resource America for additional costs incurred related to our life care business, Long Term Care Conversion Funding, established for the purpose of investing in life settlement contracts. The initial agreement, authorized in December 2012, provided for an annual reimbursement of \$550,000, with a two-year term. In March 2015, the agreement was amended to extend the term for an additional two years terminating in December 2016. The agreement was amended again in December 2016 to extend the term for one additional year through December 2017 for a reduced reimbursement of \$250,000. This reimbursement is paid quarterly.

Relationship with Resource Real Estate. Resource Real Estate, a subsidiary of Resource America, originates, finances and manages our commercial real estate loan portfolio. We reimburse Resource Real Estate for loan origination costs associated with all loans originated. We also reimburse the Resource Real Estate for expenses, including the expenses of employees of Resource America who perform legal, accounting, due diligence and other services that outside professionals or consultants would otherwise perform, and for the compensation and benefits of several Resource America personnel dedicated to our operations. At December 31, 2016, we were indebted to Resource Real Estate for \$899,000 for expense reimbursements and Resource Real Estate was indebted to us for \$50,000 for a loan deposit.

We have executed the following four real estate debt securitization transactions, which provide financing for our commercial real estate loan portfolio: RCC CRE Notes 2013, a \$307.8 million securitization that closed in December 2013; RCC 2014-CRE2, a \$353.9 million securitization that closed in July 2014; RCC 2015-CRE3, a \$346.2 million securitization that closed in February 2015; and RCC 2015-CRE4, a \$312.9 million securitization that closed in August 2015. Resource Real Estate serves as special servicer for each securitization. With respect to each specialty serviced mortgage loan, Resource Real Estate receives an amount equal to the product of (a) the special servicing fee rate, 0.25% per annum, multiplied by (b) the outstanding principal balance of such specialty serviced mortgaged loan. The servicing fee is payable monthly, on an asset-by-asset basis. We utilize the brokerage services of Resource Securities, Inc., a wholly-owned broker-dealer subsidiary of Resource America, on a limited basis to sell some of the securities of our securitizations. We paid Resource Securities placement agent fees in connection with each transaction as follows: \$205,000, \$175,000, \$100,000 and \$85,000, respectively. In December 2016, RCC CRE Notes 2013 was

liquidated, and as a result the remaining assets were returned to us in exchange for our preference shares and equity notes in the securitization.

In July 2014, we formed RCM Global Manager to invest in RCM Global, an entity formed to hold a portfolio of structured product securities. We contributed \$15.0 million for a 63.8% membership interest in RCM Global. In March and June 2015, we requested and received proportional, in-kind distributions of certain securities held by RCM Global. These distributions and the subsequent sales of those securities through our subsidiary, RCC Residential, resulted in the realization of \$5.0 million of net gains for the year ended December 31, 2015. For the year ended December 31, 2016, RCC Residential received a cash distribution in the amount of \$753,000. At December 31, 2016, our ownership interest in RCM Global was 21.6% and the remainder was owned by subsidiaries of Resource America and certain of its employees and their spouses.

In September 2014, we contributed \$17.5 million to Pelium Capital for an initial ownership interest of 80.4%. Pelium Capital is a specialized credit opportunity fund managed by Resource America. We funded our final commitment of \$2.5 million in February 2015. Resource America contributed securities valued at \$2.8 million to the formation of Pelium Capital. At December 31, 2016, we held an 80.2% interest in Pelium Capital.

On June 24, 2015, we committed to invest up to \$50.0 million in Pearlmark Mezzanine Realty Partners IV, L.P., or Pearlmark Mezz. The investment advisor for Pearlmark Mezz is Pearlmark Real Estate L.L.C., or Pearlmark Manager, which is 50% owned by Resource America. We pay Pearlmark Manager management fees of 1.0% on our unfunded committed capital and 1.5% on our invested capital. We were entitled to a management fee rebate of 25% for the first year of the fund, which ended on June 24, 2016. At December 31, 2016, we were indebted for \$403,000 for management fees, net of the rebate. Resource America has agreed that it will credit any such fees paid by us to Pearlmark Manager against the base management fee that we pay to Resource America. At December 31, 2016, we had an investment balance of \$17.0 million and a 47.7% ownership interest in Pearlmark Mezz.

Relationship with Law Firm. Ledgewood, P.C. (Ledgewood) is a law firm that has provided legal services to us since our formation. Until 1996, Edward E. Cohen, a former director who was our Chairman from our inception until November 2009, was of counsel to Ledgewood. In addition, one of our former executive officers, Jeffrey F. Brotman, was employed by Ledgewood until 2007. Mr. E. Cohen received certain debt service payments from Ledgewood related to the termination of his affiliation with Ledgewood and its redemption of his interest in the firm. In connection with his separation arrangement, Mr. Brotman also received certain debt service payments from Ledgewood related to the termination of his affiliation with the firm. During the year ended December 31, 2016, we paid Ledgewood \$319,000 in connection with legal services rendered to us. On September 8, 2016, in connection with the acquisition of Resource America by C-III, Mr. E. Cohen and Mr. Brotman stepped down from their positions in the Company and, as a result, Ledgewood is no longer considered a related party.

Policies and Procedures Regarding Related Party Transactions

We have established written policies regarding investing in investment opportunities in which our Manager or Resource America has an interest and regarding investing in any investment fund or CLO or CDO vehicles structured, co-structured or managed by our Manager or Resource America.

We will not be permitted to invest in any investment fund, CLO or CDO structured, co-structured or managed by our Manager or Resource America other than those structured, co-structured or managed on our behalf unless approved by a majority of our independent directors. Our Manager and Resource America will not receive duplicate management fees from any such investment vehicle to the extent we invest in it.

We will not be permitted to purchase investments from, or sell investments to, our Manager or Resource America, except that we may purchase an investment originated by our Manager or Resource America if it

was originated either (i) within 60 days before our investment or (ii) with the specific intent to sell it to us.

Any transaction between an entity managed by our Manager or Resource America and us must be approved by a majority of our independent directors.

Except as described above or provided for in our management agreement with our Manager, we have not adopted a policy that expressly prohibits transactions between us and any of our directors, officers, employees, security-holders or affiliates. However, our code of business conduct and ethics prohibits any transaction that involves an actual or potential conflict except for transactions permitted under guidelines that may be adopted by our Board. No such guidelines have been adopted as of the date of this proxy statement. In addition, our Board may approve a waiver of the code of ethics and business conduct for a specific transaction, which must be reported to our stockholders to the extent required by applicable law or NYSE rules.

PROPOSAL 2: ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

Section 14A of the Securities Exchange Act of 1934, as amended (the Exchange Act), requires our Board to provide our stockholders with the opportunity to vote, on a non-binding, advisory basis, on the compensation of our NEOs as set forth in this proxy statement in accordance with the compensation disclosure rules of the SEC. This proposal is also referred to as the Say on Pay vote.

As discussed in the Compensation Discussion and Analysis section of this Proxy Statement, although we do not pay cash compensation to any of our NEOs, we do reimburse Resource America for the compensation and benefits paid by our Manager to our Chief Financial Officer and Chief Accounting Officer. Further, we make awards under our equity compensation plans to align the interests of our NEOs with those of our stockholders, by connecting their compensation to the performance of our stock and by allowing them to share in the creation of value for our stockholders through stock price appreciation and dividends.

This vote is non-binding. However, we highly value the opinions of our stockholders. Accordingly, the Board and the Compensation Committee will take the results of this advisory vote into consideration with respect to future executive compensation arrangements for our NEOs.

For the reasons set forth above, the Board recommends that you vote FOR the following resolution:

RESOLVED, that the compensation paid to the named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion of this proxy statement, is hereby approved.

THE BOARD OF DIRECTORS HEREBY RECOMMENDS A VOTE FOR THE ADVISORY RESOLUTION SET FORTH IN THIS PROPOSAL 2, APPROVING THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THE PROXY STATEMENT.

**PROPOSAL 3: ADVISORY VOTE ON THE FREQUENCY
OF VOTES ON THE SAY ON PAY VOTE**

As discussed in Proposal 2, the Board values the input of stockholders regarding our executive compensation practices. Section 14A of the Exchange Act requires the Board to invite stockholders to express their views on how frequently advisory votes on executive compensation, such as Proposal 2, should occur. Stockholders can advise the Board on whether such votes should occur annually, biennially or triennially.

This is an advisory vote, and as such it is not binding on the Board. However, the Board will take the results of the vote into account when deciding when to call for the next advisory vote on NEO compensation. A frequency vote regarding Say on Pay similar to this will occur at least once every six years.

One of the core values and goals of our Board is good corporate governance. In order to achieve this goal, the Board tries to align its interests and the interests of management with those of the stockholders. The Board believes that giving the stockholders an opportunity to voice not only their approval or disapproval of our compensation programs, but their opinion on how frequently these votes are held, will further our goal of good corporate governance and keep us accountable to our stockholders.

The Board believes that a triennial vote will provide stockholders with sufficient time to evaluate the effectiveness of our incentive programs, compensation decisions and performance, and it will provide the Board and Compensation Committee with sufficient time to thoughtfully evaluate and respond to stockholder input. This furthers our goals of good corporate governance, alignment of interests between management and stockholders and accountability to our stockholders.

Please vote your preference as to the frequency of holding stockholder advisory votes on executive compensation, as annual, biennial or triennial, or you may vote abstain on this proposal. The outcome of this vote will be determined under a plurality standard, meaning that the option that receives the most votes wins. Should you choose not to vote, and your votes are not designated as broker non-votes, then they will be counted as an abstention. Such abstentions will be counted towards achieving a quorum but not as votes for any particular proposal.

THE BOARD OF DIRECTORS HEREBY RECOMMENDS THAT YOU VOTE FOR A TRIENNIAL ADVISORY EXECUTIVE COMPENSATION VOTE ON PROPOSAL 3.

**PROPOSAL 4: RATIFICATION OF THE APPOINTMENT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

We are asking our stockholders to ratify the appointment of Grant Thornton, LLP, or Grant Thornton, as our independent registered public accounting firm to audit our financial statements for the fiscal year ending December 31, 2017. Although approval is not required by our Bylaws or otherwise, the Board is submitting the appointment of Grant Thornton to our stockholders for ratification as a matter of good corporate practice. If the selection of Grant Thornton is not ratified, the Audit Committee will consider whether it is appropriate to select another independent registered public accounting firm. Even if Grant Thornton is approved, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of us and our stockholders.

We expect that representatives of Grant Thornton will be present at the annual meeting. These representatives will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

Principal Accountant Fees and Services

Audit Fees. The aggregate fees billed by our independent auditors, Grant Thornton LLP, for professional services rendered for the audit of our annual financial statements for the years ended December 31, 2016 and 2015 (including a review of internal controls for the years ended December 31, 2016 and 2015 as required under Section 404 of the Sarbanes-Oxley Act of 2002) and for the reviews of the consolidated financial statements included in our Quarterly Reports on Form 10-Q during each of the years then ended were \$1.2 million and \$976,000, respectively.

Audit-Related Fees. The aggregate fees billed by Grant Thornton for audit-related services, principally including consulting on accounting issues, for the years ended December 31, 2016 and 2015 were \$38,000 and \$159,000, respectively.

Tax Fees. There were \$134,000 and \$112,000 in fees paid to Grant Thornton for professional services related to tax compliance, tax advice or tax planning for the years ended December 31, 2016 and 2015, respectively.

All Other Fees. We did not incur any fees in 2016 and 2015 for other services not included above.

Audit Committee Pre-Approval Policies and Procedures. The Audit Committee, on at least an annual basis, reviews audit and non-audit services performed by Grant Thornton as well as the fees charged by Grant Thornton for such services. Our policy is that all audit and non-audit services must be pre-approved by the Audit Committee. All of such services were pre-approved during the year ended December 31, 2016.

THE BOARD OF DIRECTORS HEREBY RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF GRANT THORNTON LLP TO AUDIT OUR FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2017.
