Trading halt for the Convertible Bonds and the Senior Notes from February 1, 2018

Paris, France 25 January 2018

The safeguard plan approved by the Commercial Court of Paris on December 1, 2017 provides that the claims of Convertible Bondholders registered (inscription en compte) on the last day of subscription period of the share capital increase with preferential subscription rights (the **Reference Date**), i.e., according to the current tentative schedule, February 2, 2018, will be equitized into CGG's shares (except for an aggregate amount of approximately 4.46 million which will be paid in cash to such holders pro rata to the amount of their respective claims). Such equitization will be carried out by way of a share capital increase in favor of the abovementioned Convertible Bondholders at a subscription price of 10.26 per new share.

Similarly, the claims of Senior Noteholders registered (inscription en compte) on the Reference Date will be equitized into CGG's shares (except for an amount of \$86 million which will be paid in new second lien secured senior notes on a pro rata basis or in cash over a ten-year period). Such equitization will be carried out (i) through a share capital increase in favor of the Senior Noteholders mentioned above, at a subscription price of 3.12 per new share and (ii) as the case may be, through the backstop of the share capital increase with preferential subscription rights by the Senior Noteholders, by way of set-off of claims.

In addition, the safeguard plan provides that the Convertible Bonds and the Senior Notes may not be sold or transferred from the Reference Date until the date of settlement and delivery of the shares resulting from the equitization of the respective claims under the Convertible Bonds and the Senior Notes.

In this regard, requests will be filed with:

Euronext Paris for a **trading halt on the Convertible Bonds 2019** (ISIN: FR 0011357664) **and the Convertible Bonds 2020** (ISIN: FR 0012739548), and

the Luxembourg Stock Exchange for a **trading halt on the Senior Notes** on the Euro MTF market, from the opening of the market on February 1, 2018 until the close of the market on February 21, 2018, which, according to the tentative schedule, is the date of settlement and delivery of the various issuances provided for in the safeguard plan.

If the settlement and delivery occur, the trading of Convertible Bonds 2019 and Convertible Bonds 2020 on Euronext Paris and the trading of Senior Notes on the Euro MTF market will not resume.

Convertible Bondholders and Senior Noteholders are advised to contact their financial intermediaries (if the latter have not already done so) to complete the necessary formalities so that the shares resulting from the equitization of their Convertible Bonds and Senior Notes, respectively can be delivered.

For the purpose of this press release:

Senior Notes means, together, (i) the 5.875% senior notes due 2020 issued by CGG on April 23, 2014 (ISIN: XS1061175607 / XS1061175862), (ii) the 6.5% senior notes due 2021 issued by CGG on May 31, 2011, January 20, 2017 and March 13, 2017 (ISIN: US204384AB76 / USF1704UAD66), and (iii) the 6.875% senior notes due 2022, issued by CGG on May 1, 2014 (ISIN: USF1704UAC83 / US12531TAB52); and
