PROPOSED MERGER AND SHARE ISSUANCE YOUR VOTE IS VERY IMPORTANT

Dear Shareholders:

Marvell Technology Group Ltd. (Marvell), Kauai Acquisition Corp., an indirect wholly owned subsidiary of Marvell (Merger Sub), and Cavium, Inc. (Cavium) have entered into an agreement and plan of merger, dated as of November 19, 2017 (the Merger Agreement). Merger Sub is a direct wholly owned subsidiary of Marvell Technology, Inc. (MTI), which is a direct wholly owned subsidiary of Marvell. Pursuant to the Merger Agreement, Merger Sub will merge with and into Cavium (the Merger), with Cavium continuing as the surviving corporation in the Merger and as a direct wholly owned subsidiary of MTI. Upon completion of the Merger, each issued and outstanding share of common stock, par value \$0.001 per share, of Cavium, other than any shares owned by Cavium, Marvell, Merger Sub or any of their respective subsidiaries, will be converted into the right to receive 2.1757 Marvell common shares, par value \$0.002 per share, and \$40.00 in cash.

Immediately following the Merger, Marvell s shareholders will own approximately 76.7% of Marvell s issued common shares, and Cavium s shareholders will own approximately 23.3% of Marvell s issued common shares, based on the number of Marvell common shares issued and the number of shares of Cavium common stock outstanding as of January 22, 2018. Marvell common shares are listed on the NASDAQ Global Select Market (NASDAQ) under the symbol MRVL. Cavium common stock is listed on NASDAQ under the symbol CAVM. Upon completion of the Merger, Cavium common stock will be delisted from NASDAQ.

The Merger will be a taxable transaction for U.S. federal income tax purposes.

We are each holding a meeting of shareholders in order to obtain the shareholder approvals necessary to complete the Merger. At Cavium s shareholder meeting, Cavium will ask its shareholders to adopt the Merger Agreement, and at Marvell s shareholder meeting, Marvell will ask its shareholders to approve the issuance of Marvell common shares in connection with the Merger (the Marvell Share Issuance). Adoption of the Merger Agreement by Cavium shareholders is a condition to the completion of the Merger. Approval of the Marvell Share Issuance by Marvell shareholders is a condition to the completion of the Merger. The obligations of Marvell, Merger Sub and Cavium to complete the Merger are also subject to the satisfaction or waiver of several other conditions set forth in the Merger Agreement and described in this joint proxy statement/prospectus. We urge you to read this joint proxy statement/prospectus, and the documents incorporated by reference into this joint proxy statement/prospectus, carefully and in their entirety. In particular, we urge you to read carefully the section entitled Risk Factors beginning on page 25.

After careful consideration, the board of directors of Marvell has determined that the Merger and the Marvell Share Issuance are fair to, and in the best interests of, Marvell and its shareholders; and the board of directors of Cavium has determined that the Merger Agreement and the Merger are fair to, and in the best interests of, Cavium and its

shareholders. **Accordingly, the Marvell board of directors unanimously recommends that the Marvell shareholders vote FOR the approval of the Marvell Share Issuance and the other proposal to be considered at the Marvell general meeting, and the Cavium board of directors unanimously recommends that the Cavium shareholders vote FOR the adoption of the Merger Agreement and the other proposals to be considered at the Cavium special meeting.**

We are very excited about the opportunities the proposed Merger brings to both Marvell shareholders and Cavium shareholders, and we thank you for your consideration and continued support.

Sincerely,

Matthew J. Murphy

Please give your careful attention to all of the information contained in or incorporated by reference into this joint proxy statement/prospectus, including the Merger Agreement and the other Annexes, for further information. YOUR VOTE IS VERY IMPORTANT REGARDLESS OF THE NUMBER OF SHARES YOU OWN.

The Merger cannot be completed without the approval of the Marvell Share Issuance by the affirmative vote of a majority of the Marvell common shares represented in person or by proxy at the Marvell general meeting at which a quorum is present, which, under legal principles understood by Marvell's Bermuda counsel to be applicable in Bermuda, excludes abstentions and broker non-votes, if any, which will have no effect on the outcome of the vote on this proposal. Marvell shareholders as of February 2, 2018 may have their Marvell common shares voted by following the instructions provided in this joint proxy statement/prospectus or on the enclosed proxy card or, if your shares are held in street name, by following the instructions in the voting instruction form to be provided to you by your bank, broker or other nominee. Marvell strongly recommends that Marvell shareholders entitled to vote submit a proxy even if they plan to attend the Marvell general meeting. Submitting a proxy now (including by telephone or over the Internet) will not prevent you from being able to vote at the Marvell general meeting by attending in person and casting a vote. **Abstentions and broker non-votes, if any, will have no effect on the outcome of the vote on the Marvell Share Issuance.**

Marvell shareholders who hold their Marvell common shares beneficially in street name and wish to submit a proxy must provide instructions to the broker, bank, trustee or other nominee that holds their Marvell common shares as to how to vote their Marvell common shares. A Marvell shareholder who holds his or her Marvell common shares beneficially in street name and wishes to vote in person at the Marvell general meeting must obtain a proxy issued in the holder's own name (known as a legal proxy) from the holder's broker, bank or trustee.

Cavium. The Cavium board of directors has determined that the Merger Agreement and the Merger are fair to, and in the best interests of, Cavium and its shareholders and has unanimously approved the Merger Agreement and the transactions contemplated thereby, including the Merger. The Cavium board of directors unanimously recommends that the Cavium shareholders vote **FOR** the Merger Proposal, **FOR** the Cavium Adjournment Proposal and **FOR** the Cavium Non-Binding Compensation Proposal at the Cavium special meeting. See *The Merger Cavium's Reasons for the Merger and Recommendation of Cavium's Board of Directors* for more information.

Q: What vote is required to approve each proposal on the agenda for the Marvell general meeting?

A: Approval of the Marvell Share Issuance requires the affirmative vote of a majority of the Marvell common shares represented in person or by proxy at the Marvell general meeting at which a quorum is present, which, under legal principles understood by Marvell's Bermuda counsel to be applicable in Bermuda, excludes abstentions and broker non-votes, if any, which will have no effect on the outcome of the vote on this proposal. An abstention occurs when a Marvell shareholder attends the Marvell general meeting in person, or is represented at the Marvell general meeting by proxy, and abstains from voting. Shares not in attendance and not represented by proxy at the Marvell general meeting will have no effect on the outcome of the vote on the Marvell Share Issuance, provided that a quorum is present. See *Questions and Answers about the Shareholder Meetings and the Merger What if I don't provide my bank, broker or other nominee with instructions on how to vote?* for an explanation of broker non-votes.

Approval of the Marvell Adjournment Proposal requires the affirmative vote of a majority of the Marvell common shares represented in person or by proxy at the Marvell general meeting, regardless of whether a quorum is present. Under legal principles understood by Marvell's Bermuda counsel to be applicable in Bermuda, if you are present in person or represented by proxy, attend the meeting in person or by proxy, and vote to abstain, it will have no effect on the outcome of the vote on the Marvell Adjournment Proposal. Also under legal principles understood by Marvell's Bermuda counsel to be applicable in Bermuda, broker non-votes, if any, and shares not in attendance and not represented by proxy at the Marvell general meeting also will have no effect on the outcome of the Marvell Adjournment Proposal. See *The Marvell General Meeting Quorum and Vote Required* for more information.

Q: What vote is required to approve each proposal on the agenda for the Cavium special meeting?

A: The Merger Proposal requires the affirmative vote of a majority of the outstanding shares of Cavium common stock entitled to vote at the Cavium special meeting. Abstentions, broker-non votes and shares not represented at the Cavium special meeting will have the same effect as a vote **AGAINST** the Merger Proposal.

To approve the Cavium Adjournment Proposal, the affirmative vote of a majority of the shares of Cavium common stock present in person or represented by proxy at the Cavium special meeting and entitled to vote

Table of Contents

is required, regardless of whether a quorum is present. Abstentions will have the same effect as a vote **AGAINST** the Cavium Adjournment Proposal, while broker non-votes and shares not represented at the Cavium special meeting will have no effect on the outcome of the vote on the Cavium Adjournment Proposal.

To approve the Cavium Non-Binding Compensation Proposal, the affirmative vote of a majority of the shares of Cavium common stock present in person or represented by proxy at the Cavium special meeting and entitled to vote is required, assuming a quorum is present. Abstentions will have the same effect as a vote **AGAINST** the Cavium Non-Binding Compensation Proposal, while broker non-votes and shares not represented at the Cavium special meeting will have no effect on the outcome of the Cavium Non-Binding Compensation Proposal, provided that a quorum is present. See *The Cavium Special Meeting Quorum and Vote Required* for more information. The Cavium Non-Binding Compensation Proposal is advisory, and therefore not binding on Cavium, Cavium's compensation committee or the Cavium board of directors. Accordingly, regardless of the outcome of the Cavium Non-Binding Compensation Proposal, if the Merger is completed, Cavium's named executive officers may be or become entitled to receive the compensation that is based on or otherwise relates to the Merger in accordance with the terms and conditions applicable to those payments. See *The Cavium Special Meeting Quorum and Vote Required* for more information.

Q: How many votes do I have?

A: Marvell shareholders are entitled to one vote for each Marvell common share owned by such holders at the close of business on February 2, 2018 (the Marvell record date). See *The Marvell General Meeting Record Date; Issued Shares; Shares Entitled to Vote* for more information.

Cavium shareholders are entitled to one vote for each share of Cavium common stock owned by such holders at the close of business on February 2, 2018 (the Cavium record date). See *The Cavium Special Meeting Record Date; Outstanding Shares; Shares Entitled to Vote* for more information.

Q: What will happen in the Merger?

A: In the Merger, Merger Sub, a direct wholly owned subsidiary of MTI, which is a direct wholly owned subsidiary of Marvell, will merge with and into Cavium, with Cavium continuing as the surviving corporation in the Merger and as an indirect wholly owned subsidiary of Marvell. See *The Merger Agreement Effective Time and Completion of the Merger* for more information.

Q: Will the Merger affect the board of directors or officers of Marvell after the Merger?

A: Yes, the Merger will affect the board of directors of Marvell after the Merger. Under the Merger Agreement, Marvell has agreed to take all necessary corporate actions prior to the Effective Time (as defined below in *The Merger Agreement Effective Time and Completion of the Merger*) such that the Chairman of the board of directors of Cavium and two other members of the Cavium board of directors to be designated by Marvell will become members of Marvell's board of directors as of the Effective Time. Anil Jain, Corporate Vice President of

Cavium, and M. Raghiv Hussain, Chief Operating Officer of Cavium, will each become officers of Marvell upon completion of the Merger. Marvell expects that all directors and officers of Marvell will continue to serve as members of the board of directors and officers of Marvell, as applicable, after the completion of the Merger.

Q: What will Cavium shareholders receive in the Merger?

A: Each Cavium shareholder will receive, in exchange for each share of Cavium common stock held by such holder, 2.1757 (the Exchange Ratio) Marvell common shares and \$40.00 in cash, without interest (the Per Share Cash Amount).

Table of Contents

Marvell will not issue fractional shares as a result of the Merger; each holder of Cavium common stock that would otherwise be entitled to a fraction of a Marvell common share (after aggregating all fractions of a Marvell common share issuable to such shareholder) will, upon surrender of such holder's Cavium stock certificate(s) or the transfer of such holder's non-certificated shares represented by book entry positions, be entitled to receive an amount in cash (rounded to the nearest whole cent), without interest, equal to the product obtained by multiplying such fraction by the closing price of a Marvell common share on NASDAQ on the closing date of the Merger. The Marvell common shares (and cash in lieu of any fraction of a Marvell common share) and the cash consideration that a Cavium shareholder is entitled to receive in exchange for the shares of Cavium common stock held by such holder pursuant to the Merger Agreement is referred to in this joint proxy statement/prospectus as the Merger Consideration.

Q: What will Marvell shareholders receive in the Merger?

A: Marvell shareholders will not receive any consideration in the Merger and will continue to hold the Marvell common shares they currently own.

Q: If I am a Cavium shareholder, how will I receive the Merger Consideration to which I will be entitled if the Merger is completed?

A: You will be paid the Merger Consideration as promptly as practicable after the closing of the Merger and after receipt by the Exchange Agent (as defined below in *The Merger Agreement Exchange of Certificates*) of your stock certificates (or evidence of the transfer of shares in book-entry form), a duly executed letter of transmittal and any additional documents required by the procedures set forth in the letter of transmittal. See *The Merger Agreement Exchange of Certificates*.

Q: What happens if the market price of Marvell common shares or Cavium common stock changes before the completion of the Merger?

A: No change will be made to the Exchange Ratio based on fluctuations in the market price of either Marvell common shares or Cavium common stock. As a result, the number of Marvell common shares that you receive as consideration in the Merger is fixed and will not change. However, the value of the consideration to be received by Cavium shareholders in the Merger may increase or decrease depending on the market price of Marvell common shares at the Effective Time.

On November 2, 2017, the last trading day prior to the first media report of a possible transaction between Marvell and Cavium, the closing price of Marvell common shares on NASDAQ was \$18.28. On January 22, 2018, the last practicable trading day prior to the filing of this joint proxy statement/prospectus, the closing price of Marvell common shares on NASDAQ was \$23.62 per share. We urge you to obtain current market quotations before voting your shares.

Q: Will Marvell and Cavium continue to pay dividends or distributions prior to the completion of the Merger?

A: The Merger Agreement permits Marvell to continue to pay ordinary quarterly cash dividends on its common shares. Decisions regarding whether or not to pay ordinary quarterly cash dividends and the amount of any such dividends will be based on the judgment of the Marvell board of directors. While Marvell anticipates that it would continue to pay dividends, Marvell can make no assurances that this will be the case. Cavium has never paid cash dividends on its common stock and is prohibited under the Merger Agreement from declaring or paying any dividend without Marvell's prior written consent.

Table of Contents

Q: As a Cavium shareholder, will I be able to trade the Marvell common shares that I receive in connection with the Merger?

A: Yes. The Marvell common shares to be issued in connection with the Merger will be listed on NASDAQ under the symbol MRVL. However, certain persons who become affiliates of Marvell after the Merger will be required to comply with Rule 144 promulgated under the Securities Act if they wish to sell or otherwise transfer any of the Marvell common shares received in connection with the Merger.

Q: What percentage of Marvell common shares will be owned by former Cavium shareholders following the Merger?

A: The additional Marvell common shares issued to shareholders of Cavium in connection with the Merger will comprise approximately 23.3% of Marvell's issued common shares immediately following the Effective Time, based on the number of issued Marvell common shares and the number of outstanding shares of Cavium common stock on January 22, 2018, excluding the effect of outstanding options, restricted stock units or other equity-based awards to purchase Marvell common shares or Cavium common stock.

Q: Do Cavium shareholders have appraisal rights?

A: Yes. Because Cavium is a Delaware corporation, under the General Corporation Law of the State of Delaware (the "DGCL"), holders of Cavium common stock who do not vote for the adoption of the Merger Agreement have the right to seek appraisal of the fair value of their shares as determined by the Delaware Court of Chancery if the Merger is completed, but only if they comply with all applicable requirements of Delaware law, which are summarized in this joint proxy statement/prospectus and attached as Annex E. This appraisal amount could be more than, the same as, or less than the amount a Cavium shareholder would be entitled to receive under the Merger Agreement. Any Cavium shareholder intending to exercise appraisal rights, among other things, must submit a written demand for appraisal to Cavium prior to the vote on the adoption of the Merger Agreement and must not vote or submit a proxy in favor of adoption of the Merger Agreement. Failure to follow exactly the procedures specified under Delaware law will result in the loss of appraisal rights. These procedures are summarized in this joint proxy statement/prospectus in the section entitled *The Merger Rights of Appraisal for Cavium Shareholders*. Because of the complexity of Delaware law relating to appraisal rights, if you are considering exercising your appraisal rights, Cavium encourages you to seek the advice of your own legal counsel.

Q: Do Marvell shareholders have appraisal rights?

A: No. Marvell shareholders do not have appraisal rights as a result of the Merger.

Q: When do you expect to complete the Merger?

A: Marvell and Cavium currently expect to complete the Merger in the middle of calendar year 2018, subject to the satisfaction or waiver of the conditions described in *The Merger Agreement Conditions to Completion of the Merger*.

Q: *What is required to complete the Merger?*

A: In addition to the approval of the Marvell Share Issuance by Marvell shareholders and the adoption of the Merger Agreement by Cavium shareholders, completion of the Merger is subject to the satisfaction or, to the extent permitted by applicable law, waiver of a number of other conditions, including the receipt of required regulatory approvals, the accuracy of Marvell's and Cavium's respective representations and warranties under the Merger Agreement (subject to certain materiality exceptions) and Marvell's and Cavium's performance of their respective obligations under the Merger Agreement in all material respects. See *The Merger Agreement Conditions to Completion of the Merger* for more information regarding conditions to the completion of the Merger.

Table of Contents

Q: What are the U.S. federal income tax consequences of the Merger to U.S. holders of Cavium common stock?

A: The exchange of Cavium common stock in connection with the Merger will be a taxable transaction for U.S. federal income tax purposes. Accordingly, a U.S. holder (as defined in *Material United States Federal Income Tax Consequences*) of Cavium common stock who receives Merger Consideration in exchange for such U.S. holder's shares of Cavium common stock generally will recognize taxable gain or loss in an amount equal to the difference, if any, between the fair market value of the Merger Consideration received and such U.S. holder's adjusted tax basis in the shares of Cavium common stock exchanged therefor. See *Material United States Federal Income Tax Consequences* for more information.

Q: Is the completion of the Merger subject to a financing condition?

A: No. The completion of the Merger is not subject to any financing condition.

Q: What is the amount of debt to be incurred by Marvell in connection with the Merger?

A: Marvell anticipates that it will need a total of approximately \$3.4 billion in order to pay Cavium's shareholders the cash portion of the Merger Consideration, to refinance certain existing indebtedness of Cavium and to pay related fees and expenses. Marvell expects to obtain debt financing totaling \$1.75 billion. Marvell has entered into a debt commitment letter for a \$900 million three-year term loan facility and an \$850 million 364-day bridge facility. In lieu of borrowing, in whole or in part, under the bridge facility, Marvell may incur permanent debt financing. There can be no assurance that Marvell will be able to obtain any such permanent debt financing. The proceeds from the new debt facilities and any such permanent debt financing are expected to be used to pay, together with Marvell's and Cavium's cash on hand, the cash portion of the Merger Consideration, to refinance existing indebtedness of Cavium and to pay related fees and expenses.

Q: What risks should I consider in deciding whether to vote in favor of the issuance of Marvell common shares in connection with the Merger or the adoption of the Merger Agreement?

A: You should carefully review the section of this joint proxy statement/prospectus entitled *Risk Factors* beginning on page 25, which presents some of the risks and uncertainties relating to the Merger and the businesses of each of Marvell and Cavium.

Q: Does my vote matter?

A: Yes, your vote is very important. Marvell and Cavium cannot complete the Merger unless the Cavium shareholders approve the Merger Proposal and the Marvell shareholders approve the Marvell Share Issuance. Whether or not you plan to attend the Marvell general meeting or the Cavium special meeting, please vote as soon as possible by following the instructions in this joint proxy statement/prospectus.

Q: Should Cavium shareholders send in stock certificates now?

A: NO, CAVIUM SHAREHOLDERS SHOULD NOT SEND STOCK CERTIFICATE(S) WITH THEIR PROXY CARDS. If the Merger is completed, the Exchange Agent will send Cavium shareholders written instructions for sending in their stock certificates or, in the case of book-entry shares, for surrendering their book-entry shares. See *The Cavium Special Meeting Proxy Solicitations* and *The Merger Agreement Exchange of Certificates* for more information.

Q: What constitutes a quorum?

A: A quorum for the Marvell general meeting is the presence at the meeting, either in person or by proxy, of holders representing in excess of 50% of the total issued voting shares of Marvell throughout the Marvell general meeting. Abstentions (i.e., Marvell common shares that are represented in person at the Marvell general meeting or for which proxies have been received, but for which the holders have abstained from voting), if any, and broker non-votes, if any, will be included in the calculation of the number of Marvell common shares represented at the Marvell general meeting for purposes of determining whether a quorum is present.

A quorum for the Cavium special meeting is the presence at the meeting, either in person or by proxy, of holders of outstanding Cavium common stock entitled to vote and representing at least a majority of the outstanding voting power of Cavium common stock. Abstentions (i.e., shares of Cavium common stock that are represented in person at the special meeting or for which proxies have been received but for which the holders have abstained from voting), if any, will be included in the calculation of the number of shares of Cavium common stock represented at the special meeting for purposes of determining whether a quorum is present. Broker non-votes, if any, will not be included in the calculation of the number of shares of Cavium common stock represented at the special meeting for purposes of determining whether a quorum is present.

Q: What should I do now?

A: You should read this joint proxy statement/prospectus carefully, including the Annexes, and return your completed, signed and dated proxy card(s) by mail in the enclosed postage-paid envelope or submit your voting instructions by telephone or over the Internet as soon as possible so that your shares will be represented and voted at the Marvell general meeting or the Cavium special meeting, as applicable. A number of banks and brokerage firms participate in a program that also permits shareholders whose shares are held in street name to direct their vote by telephone or over the Internet. This option, if available, will be reflected in the voting instructions from the bank or brokerage firm that accompany this joint proxy statement/prospectus. If your shares are held in an account at a bank or brokerage firm that participates in such a program, you may direct the vote of these shares by telephone or over the Internet by following the voting instructions enclosed with the proxy form from the bank or brokerage firm. See *The Marvell General Meeting How to Vote* and *The Cavium Special Meeting How to Vote* for more information.

Q: What happens if I sell my shares before the Marvell or Cavium shareholder meeting?

A: If a Cavium shareholder transfers its shares of Cavium common stock after the Cavium record date or a Marvell shareholder transfers its Marvell common shares after the Marvell record date, as applicable, but before the Cavium special meeting or the Marvell general meeting, as applicable, the shareholder will retain (subject to any arrangements made with the purchaser of such shareholder's shares) such shareholder's right to vote at the Cavium special meeting or the Marvell general meeting, as applicable. However, in order for Cavium shareholders to receive the Merger Consideration, they must hold their shares through the Effective Time.

Q: How do I vote my Marvell common shares?

A: You may vote your Marvell common shares in person at the Marvell general meeting or by submitting a proxy (including proxies received by telephone or over the Internet). Marvell recommends that you submit your proxy even if you plan to attend the Marvell general meeting. If you submit your proxy, you may change your vote if you attend and vote at the Marvell general meeting; however, mere attendance at the Marvell general meeting will not revoke your previously issued proxy.

Owners of record (that is, shareholders who hold Marvell common shares in their own name and not through a bank, broker or other nominee) as of the close of business on February 2, 2018, the record date for the Marvell general meeting, may vote in person at the Marvell general meeting or by proxy. This means

that you may use the enclosed proxy card(s) (or submit your proxy by telephone or over the Internet) to instruct the persons named as proxies how to vote your Marvell common shares. If you properly complete, sign and date your proxy card(s) or submit your voting instructions by telephone or over the Internet, your Marvell common shares will be voted in accordance with your instructions. The named proxies will vote all Marvell common shares at the Marvell general meeting for which proxies have been properly submitted (whether by mail, telephone or over the Internet) and not revoked. Owners of record have three ways to vote by proxy:

Internet: You can submit your proxy over the Internet at the web address shown on your proxy card(s). You will be prompted to enter your Control Number from your proxy card. This number will identify you as a shareholder of record. Follow the simple instructions that will be given to you to record your vote. If you submit your proxy over the Internet, do not return your proxy card(s).

Telephone: You can submit your proxy by telephone by calling the toll-free number on your proxy card(s). You will be prompted to enter your Control Number from your proxy card. This number will identify you as a shareholder of record. Follow the simple instructions that will be given to you to record your vote. If you submit your proxy by telephone, do not return your proxy card(s).

Mail: You can submit your proxy by mail by simply signing, dating and mailing your proxy card(s) in the postage-paid envelope included with this joint proxy statement/prospectus.

Q: How do I vote my Cavium common stock?

A: You may vote your shares of Cavium common stock in person at the Cavium special meeting or by submitting a proxy (including proxies received by telephone or over the Internet). Cavium recommends that you submit your proxy even if you plan to attend the Cavium special meeting. If you submit your proxy, you may change your vote if you attend and vote at the Cavium special meeting; however, mere attendance at the Cavium special meeting will not revoke your previously issued proxy.

Owners of record (that is, shareholders who hold shares of Cavium common stock in their own name and not through a bank, broker or other nominee), as of the close of business on February 2, 2018, the record date for the Cavium special meeting, may vote in person at the Cavium special meeting or by proxy. This means that you may use the enclosed proxy card(s) (or submit your proxy by telephone or the Internet) to instruct the persons named as proxies how to vote your shares of Cavium common stock. If you properly complete, sign and date your proxy card(s) or submit your voting instructions by telephone or over the Internet, your shares of Cavium common stock will be voted in accordance with your instructions. Owners of record have three ways to vote by proxy:

Internet: You can submit your proxy over the Internet at the web address shown on your proxy card(s). You will be prompted to enter your Control Number from your proxy card. If you sign and return your proxy card(s) but do not mark your card(s) to instruct the proxies how to vote your shares of Cavium common stock on each proposal, your shares of Cavium common stock will be voted as recommended by the Cavium board of directors (i.e., **FOR** each proposal presented to the shareholders).

Q: If I am going to attend my shareholder meeting, should I return my proxy card(s)?

A: Yes. Returning your completed, signed and dated proxy card(s) or submitting your proxy by telephone or over the Internet ensures that your shares will be represented and voted at your shareholder meeting. See *The Marvell General Meeting How to Vote* and *The Cavium Special Meeting How to Vote* for more information.

Q. Can I change my vote after I mail my proxy card(s) or vote by telephone or over the Internet?

A: Yes. If you are a shareholder of record of Marvell common shares or of Cavium common stock (that is, you hold your shares in your own name and not through a bank, broker or other nominee) as of the close of business on the applicable record date for your shareholder meeting, you can change your vote by:

 sending a written notice to the corporate secretary of the company in which you hold shares, bearing a date later than the date of the proxy, that is received prior to your shareholder meeting and stating that your proxy is revoked;

 signing, dating and delivering a new valid proxy card(s) bearing a later date that is received prior to your shareholder meeting;

 submitting your voting instructions again by telephone or over the Internet by 11:59 p.m. Eastern time on March 15, 2018; or

 attending your shareholder meeting and voting in person, although your attendance at the shareholder meeting will not, by itself, revoke your proxy.

If you are a *street name* shareholder and submitted voting instructions to your broker, bank or other nominee, please refer to the instructions provided by your broker, bank or other nominee on how to change your vote.

Q: What if my bank, broker or other nominee holds my shares in *street name* ?

A: If a bank, broker or other nominee holds your shares, your shares are held in *street name*. In that case, your bank, broker or other nominee will send you a voting instruction form to use in voting your shares. The availability of telephone and Internet voting depends on the voting procedures of your bank, broker or other nominee. Please

follow the instructions on the voting instruction form they send you. If your shares are held in the name of your bank, broker or other nominee and you wish to vote in person at your shareholder meeting, you must contact your bank, broker or other nominee and request a document called a legal proxy. You must bring this legal proxy to your shareholder meeting in order to vote in person.

Q: What if I don't provide my bank, broker or other nominee with instructions on how to vote?

A: Generally, a bank, broker or other nominee may vote the shares that it holds for you only in accordance with your instructions. However, if your bank, broker or other nominee has not received your instructions, your bank, broker or other nominee has the discretion to vote on certain matters that are considered routine. A broker non-vote occurs if your bank, broker or other nominee cannot vote on a particular matter because your bank, broker or other nominee has not received instructions from you and because the proposal is not routine. Each of the matters being presented to shareholders for a vote at the shareholder meetings of Marvell and Cavium is not considered a routine matter. Therefore, your bank, broker or other nominee will not be permitted to vote at the shareholder meeting without instruction from you as the beneficial owner of Marvell common shares or Cavium common stock.

Table of Contents

Q: What if I abstain from voting?

A: Your abstention from voting will have the following effect:

If you are a Marvell shareholder:

For all proposals, a properly executed proxy marked *abstain* will be counted in determining whether a quorum is present at the Marvell general meeting, but, under legal principles understood by Marvell's Bermuda counsel to be applicable in Bermuda, will be excluded from, and will have no effect on the outcome of, the vote on the approval of the Marvell Share Issuance or the Marvell Adjournment Proposal.

If you are a Cavium shareholder:

For all proposals, a properly executed proxy marked *abstain* will be counted in determining whether a quorum is present at the Cavium special meeting. With respect to the Merger Proposal, abstentions will have the same effect as a vote **AGAINST** the Merger Proposal. With respect to the Cavium Adjournment Proposal and the Cavium Non-Binding Compensation Proposal, abstentions will have the same effect as votes **AGAINST** such proposals.

Q: What does it mean if I receive multiple proxy cards or voting instruction forms?

A: Your shares may be registered in more than one account, such as brokerage accounts and 401(k) accounts. It is important that you complete, sign, date and return each proxy card or voting instruction form you receive or submit your proxy using the telephone or the Internet as described in the instructions included with your proxy card(s) or voting instruction form(s).

Q: What happens if I am a shareholder of both Marvell and Cavium?

A: You will receive separate proxy cards from each company and must complete, sign and date each proxy card and return each proxy card in the appropriate preaddressed postage-paid envelope or by submitting a proxy by one of the other methods specified in your proxy card or voting instruction form for each company.

Q: Where can I find more information about Marvell and Cavium?

A: You can find more information about Marvell and Cavium from various sources described under *Where You Can Find More Information*.

Information About Marvell (beginning on page 184)

Marvell is a fabless semiconductor provider of application-specific semiconductor products. As a fabless semiconductor company, Marvell focuses on the design, development and marketing of semiconductor products and forms relationships with foundries, assembly and test facilities for the manufacture of these products. Marvell's semiconductors perform analog, mixed-signal and digital signal processing, and Marvell designs both stand-alone and embedded semiconductors. Marvell's core strength lies in the development of complex integrated circuits that incorporate all components of an electronic system in one chip so-called SoC devices. Marvell's broad product portfolio includes devices for storage, networking and connectivity, and Marvell's market segments include the enterprise, cloud, automotive, industrial and consumer markets.

Marvell was incorporated in Bermuda in January 1995. illegal and is still in effect, except for any such order, decree, ruling or legal requirement that would not reasonably be expected to give rise to the imposition of criminal sanctions or criminal liability on the officers and directors of Cavium if the Merger were completed.

Regulatory Approvals Required for the Merger (beginning on page 132)

The completion of the Merger is subject to compliance with the HSR Act. Marvell and Cavium filed the notifications required under the HSR Act with the Premerger Notification Office of the Federal Trade Commission and the Antitrust Division of the Department of Justice on December 27, 2017.

The completion of the Merger is also subject to compliance with applicable foreign antitrust laws. Under the Merger Agreement, the parties have agreed to provide applicable notifications under the antitrust laws of the People's Republic of China and Poland.

Under the Merger Agreement, each of Marvell and Cavium has agreed to use reasonable best efforts, subject to specified limitations, to take, or cause to be taken, all actions necessary to complete the Merger and make

effective the other transactions contemplated by the Merger Agreement, including obtaining CFIUS Approval and MOFCOM approval. See *The Merger Agreement Efforts to Complete the Merger* and *The Merger Agreement Conditions to Completion of the Merger* for more information.

No Solicitation or Discussions by Cavium (beginning on page 157)

Under the Merger Agreement, Cavium has agreed that, subject to certain exceptions, it will not, directly or indirectly, and will ensure that each of its subsidiaries does not, and will use its reasonable best efforts to cause its and their respective representatives not to, directly or indirectly:

furnish or otherwise provide access to any information regarding Cavium or any of its subsidiaries to any person or entity in response to a Cavium Acquisition Proposal or Cavium Acquisition Inquiry;

publicly propose to do any of the foregoing.

The Merger Agreement provides, however, that prior to the adoption of the Merger Agreement by Cavium shareholders, Cavium may, under certain specified circumstances and subject to certain conditions, furnish nonpublic information regarding Cavium and its subsidiaries to, or enter into discussions or negotiations with, any person or entity who submits (and does not withdraw) a Cavium Acquisition Proposal. Under the Merger Agreement, Cavium has also agreed to promptly (and in no event later than 24 hours after receipt thereof) advise Marvell orally and in writing of any Cavium Acquisition Proposal or Cavium Acquisition Inquiry or any related request for nonpublic information relating to Cavium or any its subsidiaries that is made or submitted by any person or entity during the period from the date of the Merger Agreement through the Effective Time.

For further information, see *The Merger Agreement No Solicitation or Discussions by Cavium*.

No Solicitation or Discussions by Marvell (beginning on page 159)

The Merger Agreement provides, however, that Marvell may, prior to the approval of the Marvell Share Issuance by Marvell shareholders, under certain specified circumstances and subject to certain conditions, furnish nonpublic information regarding Marvell or any of its subsidiaries to, or enter into discussions or negotiations with, any person or entity who submits (and does not withdraw) a Marvell Acquisition Proposal. Under the Merger Agreement, Marvell has also agreed to promptly (and in no event later than 24 hours after receipt thereof) advise Cavium orally and in writing of any Marvell Acquisition Proposal or Marvell Acquisition Inquiry or any related request for nonpublic information relating to Marvell or any its subsidiaries that is made or submitted by any person or entity during the period from the date of the Merger Agreement through the Effective Time.

For more information, see *The Merger Agreement No Solicitation or Discussions by Marvell*.

Termination of the Merger Agreement (beginning on page 177)

The Merger Agreement may be terminated by the mutual written consent of Marvell and Cavium, and under certain circumstances, by either Marvell or Cavium.

Termination Fees (beginning on page 180)

The Merger Agreement provides that, in certain circumstances, the Cavium board of directors has the right to terminate the Merger Agreement in order to enter into a definitive agreement relating to a superior offer, as further described in *The Merger Agreement No Solicitation or Discussions by Cavium; No Change in Cavium Board Recommendation*. In that event, the Merger Agreement provides that Cavium pay Marvell a termination fee of \$180 million. See *The Merger Agreement Transaction Expenses and Termination Fees*.

The Merger Agreement provides that, in certain circumstances, the Marvell board of directors has the right to terminate the Merger Agreement in order to enter into a definitive agreement relating to a superior offer, as further described in *The Merger Agreement No Solicitation or Discussions by Marvell; No Change in Marvell Board Recommendation*. In that event, the Merger Agreement provides that Marvell pay Cavium a termination fee of \$180 million. In addition, the Merger Agreement provides that Marvell will be required to pay Cavium a termination fee of \$50 million if, under certain specified circumstances, MOFCOM approval has not been obtained and the Merger Agreement is terminated. See *The Merger Agreement Transaction Expenses and Termination Fees*. The Merger

Agreement also provides that Marvell will be required to pay Cavium a termination fee of \$180 million if, under certain specified circumstances, CFIUS Approval has not been obtained and the Merger Agreement is terminated. See *The Merger Agreement Transaction Expenses and Termination Fees*.

Litigation Related to the Merger (beginning on page 133)

Five putative class actions challenging the Merger have been filed on behalf of Cavium shareholders against Cavium, its board of directors and, in two instances, Marvell. Each of the lawsuits alleges that the registration statement on Form S-4 authorized by Cavium and Marvell, and filed by Marvell with the SEC on December 21, 2017, failed to disclose certain material information that rendered certain statements contained therein incomplete and misleading. The complaints seek to enjoin the parties from proceeding with a shareholder vote on the Merger. Marvell and Cavium believe the allegations and claims asserted in the five putative class actions are without merit. For more information, see *The Merger Litigation Related to the Merger*.

Material United States Federal Income Tax Consequences (beginning on page 141)

The exchange of Cavium common stock in the Merger will be a taxable transaction for U.S. federal income tax purposes. Accordingly, a U.S. holder (as defined in *The Merger Material United States Federal Income Tax Consequences*) of Cavium common stock who receives Merger Consideration in exchange for such U.S. holder's shares of Cavium common stock generally will recognize taxable gain or loss in an amount equal to the difference, if any, between the fair market value of the Merger Consideration received and such U.S. holder's adjusted tax basis in the shares of Cavium common stock exchanged therefor.

THIS JOINT PROXY STATEMENT/PROSPECTUS CONTAINS A GENERAL DESCRIPTION OF THE MATERIAL UNITED STATES FEDERAL INCOME TAX CONSEQUENCES OF THE MERGER TO U.S. HOLDERS. THIS DESCRIPTION NEITHER ADDRESSES ANY NON-U.S. TAX CONSEQUENCES NOR DOES IT PERTAIN TO STATE, LOCAL OR OTHER TAX CONSEQUENCES. CONSEQUENTLY, YOU ARE URGED TO CONTACT YOUR OWN TAX ADVISOR TO DETERMINE THE PARTICULAR TAX CONSEQUENCES TO YOU OF THE MERGER.

Accounting Treatment (beginning on page 139)

The Merger will be accounted for as a business combination using the acquisition method of accounting with Marvell as the accounting acquiror. Marvell's shareholders immediately prior to the Effective Time will continue to own the majority of Marvell common shares after the completion of the Merger.

Risk Factors (beginning on page 25)

In deciding how to vote your Marvell common shares or Cavium common stock, you should read carefully this entire joint proxy statement/prospectus, including the documents incorporated by reference herein and the Annexes hereto, and especially consider the factors discussed in *Risk Factors*. These risk factors should be considered along with the additional risk factors contained in the periodic reports of Marvell and Cavium filed with the SEC.

Comparison of Rights of Shareholders (beginning on page 187)

As a result of the Merger, the holders of Cavium common stock will become holders of Marvell common shares and their rights will be governed by the Bermuda Companies Act of 1981, as amended (the *Companies Act*), and by Marvell's Memorandum of Association, as presently in effect (the *Memorandum of Association*), and Marvell's Fourth Amended and Restated Bye-laws (the *Bye-laws*). Following the Merger, Cavium shareholders will have different rights as shareholders of Marvell than they had as shareholders of Cavium. For a summary of the material differences between the rights of Marvell shareholders and Cavium shareholders, see *Comparison of Rights of Shareholders* for more information.

RISK FACTORS

In addition to the other information contained in or incorporated by reference into this joint proxy statement/prospectus, the shareholders of Marvell and Cavium should carefully consider the following risk factors in determining how to vote on the respective proposals of Marvell and Cavium. The risks associated with the business of Marvell can be found in Marvell's Exchange Act reporting, including Marvell's Annual Report on Form 10-K for the fiscal year ended January 28, 2017 and its Quarterly Reports on Form 10-Q for the quarterly periods ended April 29, 2017, July 29, 2017 and October 28, 2017, which are incorporated by reference in this joint proxy statement/prospectus. The risks associated with the business of Cavium can be found in Cavium's Exchange Act reporting, including the Cavium Annual Report on Form 10-K for the fiscal year ended December 31, 2016, and its Quarterly Reports on Form 10-Q for the fiscal quarters ended on March 31, 2017, June 30, 2017 and September 30, 2017, which are incorporated by reference in this joint proxy statement/prospectus. See *Documents Incorporated by Reference* beginning on page 238.

Risk Factors Relating to the Merger

Because the market price of Marvell common shares will fluctuate, the market value of the Marvell common shares to be issued in connection with the Merger will not be known until completion of the Merger.

Upon completion of the Merger, each share of Cavium common stock outstanding immediately prior to the Merger will be converted into the right to receive (a) 2.1757 Marvell common shares and (b) \$40.00 in cash, without interest. There will be no adjustment to the Exchange Ratio due to changes in the market price of either shares of Cavium common stock or Marvell common shares and the Merger Agreement does not provide for any price-based termination right. The value of the Marvell common shares to be issued in the Merger could be considerably higher or lower than they were at the time the Exchange Ratio was negotiated, on the date of this joint proxy statement/prospectus or the dates of the shareholder meetings.

Accordingly, on the dates of the shareholder meetings, shareholders of each of Marvell and Cavium will not know or be able to calculate the exact market value of the Marvell common shares that would be issued upon completion of the Merger.

Share price changes may result from numerous factors, including changes in the respective business operations and prospects of Marvell and Cavium, changes in general market and economic conditions, and regulatory considerations. Many of these factors are beyond the control of Marvell or Cavium.

The market price of Marvell common shares after the Merger might be affected by factors different from, or in addition to, those currently affecting the respective market prices of Marvell common shares and Cavium common stock.

The businesses of Marvell and Cavium differ and, accordingly, the results of operations of Marvell and the market price of Marvell common shares after the Merger may be affected by factors different from, or in addition to, those currently affecting the independent results of operations of each of Marvell and Cavium. For a discussion of the businesses of Marvell and Cavium and of factors to consider in connection with those businesses, see the documents incorporated by reference into this joint proxy statement/prospectus and referred to under *Documents Incorporated by Reference*.

Until the completion of the Merger or the termination of the Merger Agreement in accordance with its terms, Marvell and Cavium are each prohibited from entering into certain transactions and taking certain actions that

might otherwise be beneficial to Marvell or Cavium and their respective shareholders.

Until the Merger is completed or the Merger Agreement is terminated, the Merger Agreement restricts Marvell and Cavium from taking specified actions without the consent of the other party, and requires Cavium to conduct

Table of Contents

its business and operations in the ordinary course in all material respects and substantially in accordance with past practices. These restrictions may prevent Marvell and Cavium from making appropriate changes to their respective businesses or pursuing attractive business opportunities that may arise prior to the completion of the Merger. See *The Merger Agreement Interim Operations of Marvell and Cavium* for a description of the restrictive covenants applicable to Marvell and Cavium.

The Merger Agreement limits each of Marvell's and Cavium's ability to pursue alternative transactions, and in certain instances requires payment of a termination fee, which could deter a third party from proposing an alternative transaction.

The Merger Agreement contains provisions that, subject to certain exceptions, limit each of Marvell's and Cavium's ability to solicit, initiate, encourage or facilitate, or enter into discussions or negotiations with respect to, any inquiries regarding or the making of any proposal or offer that constitutes or could reasonably be expected to lead to an alternative transaction. See *The Merger Agreement No Solicitation or Discussions by Marvell* and *The Merger Agreement No Solicitation or Discussions by Cavium* for more information. In addition, under specified circumstances, Marvell or Cavium is required to pay a termination fee of \$180 million if the Merger Agreement is terminated. See *The Merger Agreement Transaction Expenses and Termination Fees* for a more detailed description of these circumstances. It is possible that these or other provisions might discourage a potential competing acquirer that might have an interest in acquiring all or a significant part of Marvell or Cavium from considering or proposing an acquisition or might result in a potential competing acquirer proposing to pay a lower per share price to acquire Marvell or Cavium than it might otherwise have proposed to pay.

The Merger is subject to a number of conditions, some of which are outside of the parties' control, and if these conditions are not satisfied or waived, the Merger will not be completed.

The Merger Agreement contains a number of conditions that must be satisfied (or waived) prior to completion of the Merger. Those conditions include, among other conditions:

adoption by Cavium shareholders of the Merger Agreement;

approval by Marvell shareholders of the Marvell Share Issuance;

there being no binding order issued by certain governmental entities enjoining or otherwise prohibiting completion of the Merger that remains in effect;

there being no legal requirement enacted by certain governmental entities making the completion of the Merger illegal that remains in effect;

receipt of certain required regulatory approvals;

authorization and approval for listing on NASDAQ of the Marvell common shares to be issued in connection with the Merger;

accuracy of representations and warranties of the parties to the applicable standard provided by the Merger Agreement;

there being no Material Adverse Effect on Marvell or Cavium and its subsidiaries that is continuing;

compliance with and performance by the parties of their respective covenants in the Merger Agreement in all material respects; and

effectiveness of the registration statement of which this joint proxy statement/prospectus is a part, as well as other customary closing conditions.

The required satisfaction or waiver of the foregoing conditions could delay the completion of the Merger for a significant period of time or prevent it from occurring at all. Any delay in completing the Merger could cause the

Table of Contents

combined company not to realize some or all of the benefits that the parties expect the combined company to achieve. Further, there can be no assurance that the conditions to the completion of the Merger will be satisfied or waived or that the Merger will be completed.

In addition, if the Merger is not completed by September 19, 2018 (subject to a potential extension to November 19, 2018 under certain circumstances, including in the event receipt of certain required regulatory approvals have not been obtained), either Marvell or Cavium may choose to terminate the Merger Agreement. Marvell or Cavium may also elect to terminate the Merger Agreement in certain other circumstances, or they may mutually decide to terminate the Merger Agreement at any time prior to the Effective Time, before or after obtaining shareholder approval, as applicable. See *The Merger Agreement Termination of the Merger Agreement* and *The Merger Agreement Transaction Expenses and Termination Fees* for a more detailed description of these circumstances.

The Merger is subject to the expiration of applicable waiting periods under, and the receipt of approvals, consents or clearances from, certain domestic and foreign regulatory authorities that may impose conditions that could have an adverse effect on Marvell, Cavium or the combined company or prevent completion of the Merger.

The Merger is subject to the expiration of applicable waiting periods and the receipt of approvals, consents and clearances from both the United States and foreign regulatory authorities. In deciding whether to grant the required regulatory approval, consent or clearance, each relevant governmental entity will consider the effect of the Merger on competition within its jurisdiction. The terms and conditions of the approvals, consents and clearances that are granted may impose requirements, limitations or costs or place restrictions on the conduct of the combined company's business which may adversely affect the financial position and prospects of the combined company and its ability to achieve the cost savings and other synergies projected to result from the Merger.

In addition, neither Marvell nor Cavium can provide assurance that any such conditions, terms, obligations or restrictions will not result in the delay or abandonment of the Merger. For a more detailed description of the regulatory review process, see the sections entitled *The Merger Regulatory Approvals Required for the Merger*, *The Merger Agreement Efforts to Complete the Merger* and *The Merger Agreement Conditions to Completion of the Merger*.

The Merger is subject to the receipt of CFIUS Approval that may impose measures to protect U.S. national security or other conditions that could have an adverse effect on Marvell, Cavium, or the combined company, or, if not obtained, could prevent completion of the Merger.

Marvell's obligation to complete the Merger is conditioned on obtaining CFIUS Approval. In deciding whether to grant CFIUS Approval, CFIUS will consider the effect of the Merger on U.S. national security. As a condition to granting CFIUS Approval, CFIUS may take measures and impose conditions, certain of which (a) could materially and adversely affect the combined company's operating results due to the imposition of requirements, limitations or costs or the placement of restrictions on the conduct of the combined company's business and (b) could adversely affect the financial position and prospects of the combined company and its ability to achieve the cost savings and other synergies projected to result from the Merger. There can be no assurance that CFIUS will not impose conditions, terms, obligations or restrictions, or that such conditions, terms, obligations or restrictions will not have the effect of delaying completion of the Merger or imposing additional material costs on, or materially limiting the revenues of, the combined company following the Merger. For a more detailed description of the regulatory review process, see the sections entitled *The Merger Regulatory Approvals Required for the Merger* and *The Merger Agreement Efforts to Complete the Merger*, and *The Merger Agreement Conditions to Completion of the Merger*.

Table of Contents

Any delay in completing the Merger may significantly reduce the benefits expected to be obtained from the Merger.

In addition to the required regulatory clearances and approvals, the Merger is subject to a number of other conditions that are beyond the control of Marvell and Cavium and that may prevent, delay or otherwise materially adversely affect completion of the Merger. Marvell and Cavium cannot predict whether and when these other conditions will be satisfied. Further, the requirements for obtaining the required regulatory clearances and approvals could delay the completion of the Merger for a significant period of time or prevent it from occurring. Any delay in completing the Merger may significantly reduce the synergies projected to result from the Merger and other benefits that Marvell and Cavium expect to achieve if they complete the Merger within the expected timeframe and integrate their respective businesses. See *The Merger Agreement Conditions to Completion of the Merger* for more information.

The business relationships of Marvell and Cavium and their respective subsidiaries may be subject to disruption due to uncertainty associated with the Merger, which could have an adverse effect on the results of operations, cash flows and financial position of Marvell, Cavium and, following the completion of the Merger, the combined company.

Parties with which Marvell and Cavium do business may experience uncertainty associated with the Merger, including with respect to current or future business relationships with Marvell, Cavium or the combined company. Marvell's and Cavium's relationships may be subject to disruption as customers, suppliers and other persons with whom Marvell and Cavium have a business relationship may delay or defer certain business decisions or might decide to seek to terminate, change or renegotiate their relationships with Marvell or Cavium, as applicable, or consider entering into business relationships with parties other than Marvell, Cavium or the combined company. These disruptions could have an adverse effect on the results of operations, cash flows and financial position of Marvell, Cavium and, following the completion of the Merger, the combined company, including an adverse effect on Marvell's ability to realize the expected synergies and other benefits of the Merger. The risk, and adverse effect, of any disruption could be exacerbated by a delay in completion of the Merger or termination of the Merger Agreement.

Some of Cavium's executive officers and directors may have interests in the Merger that are different from, or in addition to, the interests of Cavium shareholders.

When considering the recommendations of the Cavium board of directors with respect to the Merger, Cavium shareholders should be aware that the directors and executive officers of Cavium have interests in the Merger that may be different from, or in addition to, their interests as shareholders and the interests of shareholders of Cavium generally. These interests include, among others, potential payments under employment agreements and change in control severance agreements, rights to acceleration of vesting and exercisability of options, and acceleration of vesting of restricted stock units as a result of the Merger and rights to ongoing indemnification and insurance coverage for acts or omissions occurring prior to the Merger. See *The Merger Interests of Cavium Directors and Executive Officers in the Merger* for more information.

As a result of these interests, these directors and executive officers of Cavium might be more likely to support and to vote in favor of the proposals described in this joint proxy statement/prospectus than if they did not have these interests. Each of Cavium's shareholders should consider whether these interests might have influenced these directors and executive officers to support or recommend voting for the proposals related to the Merger. As of the close of business on January 19, 2018, Cavium directors and executive officers were entitled to vote approximately 3.09% of the then-outstanding shares of Cavium common stock. See *The Merger Share Ownership of Directors and Executive Officers of Cavium* for more information.

Table of Contents

There can be no assurance that Marvell will be able to secure the funds necessary to pay the cash portion of the Merger Consideration and refinance certain of Cavium's existing indebtedness on acceptable terms, in a timely manner or at all.

Marvell intends to fund the cash portion of the Merger Consideration to be paid to holders of Cavium common stock with a combination of Marvell's and Cavium's cash on hand and debt financing. To this end, Marvell has entered into a debt commitment letter containing commitments as of the date of this joint proxy statement/prospectus for a \$900 million term loan facility and an \$850 million bridge loan facility. However, as of the date of this joint proxy statement/prospectus, neither Marvell nor any of its subsidiaries has entered into definitive agreements for the debt financing (or other financing arrangements in lieu thereof), and the obligation of the lenders to provide the debt financing under the debt commitment letter is subject to a number of customary conditions. There can be no assurance that Marvell will be able to obtain the debt financing pursuant to the debt commitment letter.

In the event that the debt financing contemplated by the debt commitment letter is not available, other financing may not be available on acceptable terms, in a timely manner or at all. If Marvell is unable to obtain debt financing, the Merger may be delayed or not be completed.

Failure to complete the Merger could negatively impact the share price and the future business and financial results of Marvell and Cavium.

If the Merger is not completed for any reason, the ongoing businesses of Marvell and Cavium may be adversely affected and, without realizing any of the benefits of having completed the Merger, Marvell and Cavium would be subject to a number of risks, including the following:

Marvell and Cavium may experience negative reactions from the financial markets, including negative impacts on their respective share prices;

Marvell and Cavium may experience negative reactions from their respective customers, strategic partners, suppliers, licensees, other business partners, regulators and employees;

there may be disruptions to Marvell's and Cavium's respective businesses resulting from the announcement and pendency of the Merger, and any adverse changes in their relationships with their respective customers, strategic partners, suppliers, licensees, other business partners and employees may continue or intensify;

Marvell and Cavium will be required to pay certain costs relating to the Merger whether or not the Merger is completed;

Marvell and Cavium may not have been able to take advantage of alternative business opportunities or effectively respond to competitive pressures; and

Marvell and Cavium will have committed substantial time and resources to matters relating to the Merger (including integration planning) which would otherwise have been devoted to day-to-day operations and other opportunities that may have been beneficial to either Marvell or Cavium as an independent company. In addition to the above risks, Marvell or Cavium may be required, under certain circumstances in connection with a termination of the Merger Agreement, to pay the other party a termination fee of up to \$180 million, which may materially adversely affect the paying party's financial results. Further, Marvell and Cavium are currently parties to various claims and litigation related to this registration statement and could be subject to additional litigation related to the Merger (or any failure to complete the Merger) or to a proceeding commenced against Marvell or Cavium to enforce performance of their respective obligations under the Merger Agreement. If the Merger is not completed, these risks may materialize and may adversely affect Marvell's and Cavium's respective businesses, financial condition, financial results and share prices.

Table of Contents

Litigation filed against Marvell and/or Cavium could prevent or delay the completion of the Merger or result in the payment of damages following completion of the Merger.

Marvell, Cavium and members of Cavium's board of directors currently are and may in the future be parties, among others, to various claims and litigation related to the Merger Agreement and the Merger, including putative shareholder class actions. For additional information regarding the pending litigation, please see the section entitled *The Merger Litigation Related to the Merger*. Among other remedies, the plaintiffs in such matters are seeking to enjoin the Merger. The results of complex legal proceedings are difficult to predict, and could delay or prevent the Merger from becoming effective in a timely manner. The existence of litigation relating to the Merger could impact the likelihood of obtaining the required approvals from either Marvell's or Cavium's shareholders. Moreover, the pending litigation and any future additional litigation could be time consuming and expensive, could divert Marvell's and Cavium's management's attention away from their regular businesses, and, if any one of these lawsuits is adversely resolved against either Marvell or Cavium, could have a material adverse effect on Marvell's or Cavium's respective financial condition.

One of the conditions to Cavium's obligation to complete the Merger is that no temporary restraining order, preliminary or permanent injunction or other binding order preventing the completion of the Merger shall have been issued by any court of competent jurisdiction in the United States and remain in effect. Similarly, one of the conditions to Marvell's obligation to complete the Merger is that no temporary restraining order, preliminary or permanent injunction or other binding order preventing the completion of the Merger shall have been issued by any court of any specified jurisdiction and remain in effect. Marvell's obligations to complete the Merger is also conditioned on, among other things, there being no pending or overtly threatened legal proceeding brought by a governmental body (a) challenging or seeking to restrain or prohibit the completion of the Merger or any of the transactions contemplated by the Merger Agreement; (b) seeking to prohibit or limit in any material respect Marvell's ability to vote, receive dividends with respect to or otherwise exercise ownership rights with respect to the stock of the surviving corporation in the Merger; (c) that could materially and adversely affect the right of Marvell or Cavium or any of its subsidiaries to own the assets or operate the business of Cavium and its subsidiaries; (d) seeking to compel Cavium or Marvell or any of their respective subsidiaries to dispose of or hold separate any material assets as a result of the Merger or any of the other transactions contemplated by the Merger Agreement; or (e) relating to the Merger or any of the other transactions contemplated by the Merger Agreement and seeking to impose (or that would reasonably be expected to result in the imposition of) any criminal sanctions or criminal liability on Marvell or Cavium or any of Cavium's subsidiaries or any of the officers, directors or affiliates of Marvell or Cavium or any of Cavium's subsidiaries.

Consequently, if a settlement or other resolution is not reached in the potential lawsuits referenced above and the plaintiffs secure injunctive or other relief prohibiting, delaying or otherwise adversely affecting Marvell's or Cavium's ability to complete the Merger on the terms contemplated by the Merger Agreement, or there is a pending or overtly threatened legal proceeding brought by a governmental party as described above, then the Merger may not become effective in a timely manner or at all.

Risk Factors Relating to the Combined Company Following the Merger

Marvell may fail to realize the benefits expected from the Merger, which could adversely affect Marvell's share price.

The anticipated benefits Marvell expects from the Merger are, necessarily, based on projections and assumptions about the combined businesses of Marvell and Cavium, which may not materialize as expected or which may prove to be inaccurate. The value of Marvell common shares following the completion of the Merger could be adversely

affected if Marvell is unable to realize the anticipated benefits from the Merger on a timely basis or at all. Achieving the benefits of the Merger will depend, in part, on Marvell's ability to integrate the business and operations of Cavium successfully and efficiently with Marvell's business. The challenges involved in this integration, which will be complex and time-consuming, include the following:

difficulties entering new markets or manufacturing in new geographies where Marvell has no or limited direct prior experience;

Table of Contents

successfully managing relationships with Marvell and Cavium's combined supplier and customer base;

coordinating and integrating independent research and development and engineering teams across technologies and product platforms to enhance product development while reducing costs;

coordinating sales and marketing efforts to effectively position the combined company's capabilities and the direction of product development;

combining product offerings and product lines and developing interoperability between the products of Marvell and Cavium;

limitations or restrictions required by regulatory authorities on the ability of management of Marvell and of Cavium to conduct planning regarding the integration of the two companies;

difficulties in integrating the systems and process of two companies with complex operations;

the increased scale and complexity of Marvell's operations resulting from the Merger;

retaining key employees of Marvell and Cavium;

obligations that Marvell will have to counterparties of Cavium that arise as a result of the change in control of Cavium; and

the diversion of management attention from other important business objectives.

If Marvell does not successfully manage these issues and the other challenges inherent in integrating an acquired business of the size and complexity of Cavium, then Marvell may not achieve the anticipated benefits of the Merger on a timely basis or at all and Marvell's revenue, expenses, operating results and financial condition could be materially adversely affected.

Marvell may be unable to realize anticipated cost synergies and expects to incur substantial expenses related to the Merger, which could have a material adverse effect on Marvell's business, financial condition and results of operations.

Marvell expects to generate cost synergies of at least \$150 million to \$175 million within 18 months after completion of the Merger.

Marvell's ability to achieve such estimated cost synergies in the timeframe described, or at all, is subject to various assumptions by Marvell's management, which may or may not prove to be accurate, as well as the incurrence of costs in Marvell's operations that offset all or a portion of such cost synergies. As a consequence, Marvell may not be able to

realize all of these cost synergies within the timeframe expected or at all. In addition, Marvell may incur additional or unexpected costs in order to realize these cost synergies. Failure to achieve the expected cost synergies could significantly reduce the expected benefits associated with the Merger.

In addition, Marvell has incurred and will incur substantial expenses in connection with completion of the Merger, including the costs and expenses of preparing and filing the Form S-4 Registration Statement that contains this joint proxy statement/prospectus with the SEC.

Marvell expects to continue to incur non-recurring costs associated with consummating the Merger, combining the operations of the two companies and achieving the desired cost synergies. These fees and costs have been, and will continue to be, substantial. The substantial majority of non-recurring expenses will consist of transaction costs related to the Merger and include, among others, fees paid to financial, legal and accounting advisors, employee benefit costs and filing fees.

The costs described above, as well as other unanticipated costs and expenses, could have a material adverse effect on the financial condition and operating results of Marvell following the completion of the Merger and many of these costs will be borne by Marvell even if the Merger is not completed.

Table of Contents

The business and operating results of Marvell could be harmed by the highly cyclical nature of the semiconductor industry.

Marvell and Cavium operate in the semiconductor industry. Historically, the semiconductor industry has been highly cyclical with recurring periods of diminished product demand. Significant downturns in the semiconductor industry are often experienced in connection with, or in anticipation of, excess manufacturing capacity worldwide, maturing product cycles and declines in general economic conditions. Even if demand for the products and solutions of Marvell and Cavium remains constant after the completion of the Merger, oversupply in the semiconductor industry may create competitive pressures that can degrade pricing levels and reduce revenues of the combined company. Any failure to expand in cycle upturns to meet customer demand and delivery requirements or contract in cycle downturns at a pace consistent with cycles in the industry could have an adverse effect on the business of the combined company.

Marvell shareholders and Cavium shareholders will have a reduced ownership and voting interest after completion of the Merger and will exercise less influence over management.

Marvell shareholders currently have the right to vote on the election of the board of directors of Marvell and on other matters affecting Marvell. Similarly, Cavium shareholders currently have the right to vote on the election of the board of directors of Cavium and on other matters affecting Cavium. Immediately following the Merger, Marvell shareholders will own approximately 76.7% of Marvell common shares, and Cavium's shareholders will own approximately 23.3% of Marvell common shares, based on the number of Marvell common shares issued and shares of Cavium common stock outstanding as of January 22, 2018. As a result, current Marvell shareholders and current Cavium shareholders will have less influence on the management and policies of the combined company than they now have on the management and policies of Marvell and Cavium, respectively.

Uncertainties associated with the Merger may cause a loss of employees and may otherwise materially adversely affect the future business and operations of the combined company.

The combined company's success after the Merger will depend in part upon the ability of the combined company to retain executive officers and key employees of Marvell and Cavium. In some of the fields in which Marvell and Cavium operate, there are only a limited number of people in the job market who possess the requisite skills and it may be increasingly difficult for the combined company to hire qualified personnel over time. The combined company will operate in several geographic locations where the labor markets, especially for engineers, are particularly competitive. Each of Marvell and Cavium has experienced difficulty in hiring and retaining sufficient numbers of qualified management, technical, application engineering, marketing, sales and support personnel in parts of their respective businesses.

Current and prospective employees of Marvell and Cavium may experience uncertainty about their roles with the combined company following the Merger. In addition, key employees may depart because of issues relating to the uncertainty and difficulty of integration or a desire not to remain with the combined company following the Merger. The loss of services of any key personnel or the inability to hire new personnel with the requisite skills could restrict the ability of the combined company to develop new products or enhance existing products in a timely manner, to sell products to customers or to manage the business of the combined company effectively. Also, the business, financial condition and results of operations of the combined company could be materially adversely affected by the loss of any of its key employees, by the failure of any key employee to perform in his or her current position, or by the combined company's inability to attract and retain skilled employees, particularly engineers.

Third parties may claim that the combined company is infringing their intellectual property, and the combined company could suffer significant litigation or licensing expenses or be prevented from selling its products or

services.

The semiconductor industry is characterized by uncertain and conflicting intellectual property claims and vigorous protection and pursuit of these rights. Each of Marvell and Cavium is frequently involved in disputes

Table of Contents

regarding patent and other intellectual property rights. Each of Marvell and Cavium has in the past received, and the combined company may in the future receive, communications from third parties asserting that certain of its products, processes or technologies infringe upon their patent rights, copyrights, trademark rights or other intellectual property rights. The combined company may also receive claims of potential infringement. Defending these claims may be costly and time consuming, and may divert the attention of management and key personnel from other business issues. The complexity of the technology involved and the uncertainty of intellectual property litigation increase these risks. Claims of intellectual property infringement also might require the combined company to enter into costly royalty or license agreements. The combined company may be unable to obtain royalty or license agreements on acceptable terms, or at all. Similarly, changing its products or processes to avoid infringing the rights of others may be costly or impractical. The combined company may also be subject to significant damages or injunctions against development and sale of certain of its products and services. Resolution of such disputes could have a material adverse effect on the combined company's results of operations or financial condition and may require material changes in production processes and products.

The combined company may not be able to adequately protect or enforce its intellectual property rights, which could harm its competitive position.

The combined company's success and future revenue growth will depend, in part, on its ability to protect its intellectual property. The combined company will primarily rely on patent, copyright, trademark and trade secret laws, as well as non-disclosure agreements and other methods, to protect its proprietary technologies and processes. It is possible that competitors or other unauthorized third parties may obtain, copy, use or disclose, illegally or otherwise, the combined company's proprietary technologies and processes, despite efforts by the combined company to protect its proprietary technologies and processes. While the combined company will hold a significant number of patents, there can be no assurances that any additional patents will be issued. Even if new patents are issued, the claims allowed may not be sufficiently broad to protect the combined company's technology. In addition, any of Marvell's or Cavium's existing patents, and any future patents issued to the combined company, may be challenged, invalidated or circumvented, either in connection with the Merger or otherwise. As such, any rights granted under these patents may not provide the combined company with meaningful protection. Marvell and Cavium may not have, and in the future the combined company may not have, foreign patents or pending applications corresponding to its U.S. patents and applications. Even if foreign patents are granted, effective enforcement in foreign countries may not be available. If the combined company's patents do not adequately protect its technology, competitors may be able to offer products similar to the combined company's products. The combined company's competitors may also be able to develop similar technology independently or design around its patents.

The Merger could have an adverse effect on the Marvell and Cavium brands.

The success of Marvell and Cavium is largely dependent upon the ability of Marvell and Cavium to maintain and enhance the value of their respective brands, their customers' connection to and perception of the brands, and a positive relationship with customers and suppliers. Brand value, and as a result the businesses and results of operations of Marvell and Cavium, could be severely damaged if the Merger receives considerable negative publicity or if customers or suppliers otherwise come to have a diminished view of the brands as a result of the Merger or the common ownership of the existing businesses.

The use of cash and incurrence of substantial indebtedness in connection with the financing of the Merger may have an adverse impact on Marvell's liquidity, limit Marvell's flexibility in responding to other business opportunities and increase Marvell's vulnerability to adverse economic and industry conditions.

The Merger will be financed in part by the use of Marvell's cash on hand, Cavium's cash on hand and the incurrence of a significant amount of indebtedness. As of December 23, 2017, Marvell had approximately \$808.8 million of cash and cash equivalents and approximately \$965.7 million of short-term investments. As of December 31, 2017, Cavium had approximately \$140.5 million of cash and cash equivalents. In connection with

Table of Contents

the Merger, Marvell expects to obtain debt financing totaling \$1.75 billion. The proceeds from the debt financing are expected to be used to pay, in part, the cash portion of the Merger Consideration, to refinance certain existing indebtedness of Cavium and to pay related fees and expenses. The use of cash on hand and indebtedness to finance the acquisition will reduce Marvell's liquidity and could cause Marvell to place more reliance on cash generated from operations to pay principal and interest on Marvell's debt, thereby reducing the availability of Marvell's cash flow for working capital, dividend and capital expenditure needs or to pursue other potential strategic plans. Marvell expects that the agreements it will enter into with respect to the indebtedness it will incur to finance the Merger will contain restrictive covenants, including financial covenants requiring Marvell to maintain specified financial ratios and limitations on Marvell's ability to incur additional liens and indebtedness or to pay dividends and make certain investments. Marvell's ability to comply with these restrictive covenants can be affected by events beyond its control. The indebtedness and these restrictive covenants will also have the effect, among other things, of limiting Marvell's ability to obtain additional financing, if needed, limiting its flexibility in the conduct of its business and making Marvell more vulnerable to economic downturns and adverse competitive and industry conditions. In addition, a breach of the restrictive covenants could result in an event of default with respect to the indebtedness, which, if not cured or waived, could result in the indebtedness becoming immediately due and payable and could have a material adverse effect on Marvell's business, financial condition or operating results.

Because of higher debt levels, Marvell may not be able to service its debt obligations in accordance with their terms after the completion of the Merger.

Marvell's ability to meet its expense and debt service obligations contained in the agreements Marvell expects to enter into with respect to the indebtedness Marvell will incur to finance the Merger will depend on Marvell's available cash and its future performance, which will be affected by financial, business, economic and other factors, including potential changes in laws or regulations, industry conditions, industry supply and demand balance, customer preferences, the success of Marvell's products and pressure from competitors. If Marvell is unable to meet its debt service obligations after the Merger or should Marvell fail to comply with its financial and other restrictive covenants contained in the agreements governing its indebtedness, Marvell may be required to refinance all or part of its debt, sell important strategic assets at unfavorable prices, incur additional indebtedness or issue common shares or other equity securities. Marvell may not be able to, at any given time, refinance its debt, sell assets, incur additional indebtedness or issue equity securities on terms acceptable to Marvell, in amounts sufficient to meet Marvell's needs. If Marvell is able to raise additional funds through the issuance of equity securities, such issuance would also result in dilution to Marvell's shareholders. Marvell's inability to service its debt obligations or refinance its debt could have a material adverse effect on its business, financial condition or operating results after the Merger. In addition, Marvell's debt obligations may limit its ability to make required investments in capacity, technology or other areas of its business, which could have a material adverse effect on its business, financial condition or operating results.

The Merger may result in significant charges or other liabilities, including taxes, that could adversely affect the financial results of the combined company.

The financial results of the combined company may be adversely affected by cash expenses and non-cash accounting charges incurred in connection with Marvell's integration of the business and operations of Cavium. The amount and timing of these possible charges are not yet known. Further, Marvell's failure to identify or accurately assess the magnitude of certain liabilities that Marvell is assuming in the Merger could result in unexpected litigation or regulatory exposure, unfavorable accounting charges, unexpected increases in taxes due, a loss of anticipated tax benefits or other adverse effects on Marvell's business, operating results or financial condition. The price of Marvell common shares following the Merger could decline to the extent the combined company's financial results are materially affected by any of these events.

Marvell's actual financial position and results of operations may differ materially from the unaudited pro forma financial data included herein.

The unaudited pro forma financial data included herein are presented for illustrative purposes only and are not necessarily indicative of what Marvell's actual financial position or results of operations would have been had the Merger been completed on the dates indicated. These data reflect adjustments, which are based upon preliminary estimates, to allocate the purchase price to Cavium's net assets. The purchase price allocation reflected in this joint proxy statement/prospectus is preliminary, and final allocation of the purchase price will be based upon the actual purchase price and the fair value of the assets and liabilities of Cavium as of the closing date of the Merger. In addition, subsequent to the closing date of the Merger, there may be further refinements of the purchase price allocation as additional information becomes available.

Accordingly, the final purchase accounting adjustments might differ materially from the pro forma adjustments reflected herein. See *Selected Unaudited Pro Forma Condensed Combined Financial Information* for more information.

The unaudited prospective financial information of Marvell and Cavium included in this joint proxy statement/prospectus involves risks, uncertainties and assumptions, many of which are beyond the control of Marvell and Cavium. As a result, it may not prove to be accurate and is not necessarily indicative of current values or future performance.

The unaudited prospective financial information of Marvell and Cavium referred to in *The Merger Opinion of Marvell's Financial Advisor, Goldman Sachs, The Merger Opinions of Cavium's Financial Advisors, Qatalyst Partners and J.P. Morgan Opinion of Qatalyst Partners, The Merger Opinions of Cavium's Financial Advisors, Qatalyst Partners and J.P. Morgan Opinion of J.P. Morgan* and contained in *The Merger Unaudited Prospective Financial Information*, involves risks, uncertainties and assumptions and is not a guarantee of future performance. While the unaudited prospective financial information utilized by Marvell, Cavium and their respective advisors in connection with the Merger and summarized in this joint proxy statement/statement were prepared in good faith based on information available at the time of preparation, no assurances can be made regarding future events or that the assumptions made in preparing such unaudited prospective financial information will accurately reflect future conditions. In preparing such unaudited prospective financial information, the management of Marvell and Cavium each made assumptions regarding, among other things, future economic, competitive, regulatory and financial market conditions and future business decisions that may not be realized and that are inherently subject to significant uncertainties and contingencies, including, among others, risks and uncertainties described or incorporated by reference in this section and the section entitled *Cautionary Note Concerning Forward-Looking Statements*, all of which are difficult to predict and many of which are beyond the control of Marvell and Cavium and, if the Merger is completed, will be beyond the control of the combined company. Thus, the future financial results of Marvell and Cavium and, if the Merger is completed, the combined company, may materially differ from those expressed in the unaudited prospective financial information due to factors that are beyond Marvell's and Cavium's ability to control or predict. There can be no assurance that Marvell's or Cavium's unaudited prospective financial information will be realized or that Marvell's or Cavium's future financial results will not materially vary from the applicable unaudited prospective financial information. As a result, the unaudited prospective financial information cannot be considered predictive of actual future operating results, and this information should not be relied on as such. The unaudited prospective financial information covers multiple years, and the information by its nature becomes subject to greater uncertainty with each successive year. Risk Factors Relating to Marvell Common Shares

Cavium shareholders will become shareholders of Marvell upon receipt of Marvell common shares, which will change certain shareholder rights and privileges they hold as shareholders of Cavium.

Cavium shareholders will receive Marvell common shares as part of the Merger Consideration. There are a number of differences between the rights of a shareholder of Cavium and the rights of a shareholder of Marvell. We urge Cavium shareholders to review the discussion *Comparison of Rights of Shareholders* beginning on page 187.

The market for Marvell common shares may be adversely affected by the issuance of shares in the Merger.

In connection with the Merger, Marvell will issue an estimated 150.46 million Marvell common shares to Cavium shareholders, based on the number of shares of Cavium common stock outstanding on January 22, 2018, and will assume certain outstanding Cavium equity awards pursuant to the terms of the Merger Agreement. The increase in the number of issued Marvell common shares may lead to sales of such shares or the perception that such sales may occur, either of which may adversely affect the market for, and the market price of, Marvell common shares.

Other Risks

Additional Risks Relating to Marvell and Cavium.

Marvell and Cavium are, and following completion of the Merger Marvell will continue to be, subject to the risks described in (a) Part I, Item 1A in Marvell's Annual Report on Form 10-K for the fiscal year ended January 28, 2017, and its Quarterly Reports on Form 10-Q for the quarterly periods ended April 29, 2017, July 29, 2017 and October 28, 2017, and (b) Part I, Item 1A in Cavium's Annual Report on Form 10-K for the fiscal year ended December 31, 2016. See the section entitled *Documents Incorporated by Reference* beginning on page 238 for more information.

Marvell is incorporated in Bermuda, and, as a result, it may not be possible for Marvell shareholders to enforce civil liability provisions of the securities laws of the United States. In addition, Marvell's Bye-laws contain a

waiver of claims or rights of action by Marvell's shareholders against Marvell officers and directors, which will severely limit Marvell's shareholders' right to assert a claim against Marvell's officers and directors under Bermuda law.

Marvell is organized under the laws of Bermuda. As a result, it may not be possible for Marvell shareholders to effect service of process within the United States upon Marvell, or to enforce against Marvell in U.S. courts

Table of Contents

judgments based on the civil liability provisions of the securities laws of the United States. There is significant doubt as to whether the courts of Bermuda would recognize or enforce judgments of U.S. courts obtained against Marvell or Marvell's directors or officers based on the civil liability provisions of the securities laws of the United States or any state, or hear actions brought in Bermuda against Marvell or those persons based on those laws. The United States and Bermuda do not currently have a treaty providing for the reciprocal recognition and enforcement of judgments in civil and commercial matters. Therefore, a final judgment for the payment of money rendered by any federal or state court in the United States based on civil liability, whether or not based solely on U.S. federal or state securities laws, would not be automatically enforceable in Bermuda.

Marvell's Bye-laws contain a broad waiver by Marvell's shareholders of any claim or right of action, both individually and on Marvell's behalf, against any of Marvell's officers and directors. The waiver applies to any action taken by an officer or director, or the failure of an officer or director to take any action, in the performance of his or her duties with or for Marvell, other than with respect to any matter involving any fraud or dishonesty on the part of the officer or director or to any matter arising under U.S. federal securities laws. This waiver will limit the rights of Marvell's shareholders to assert claims against Marvell's officers and directors unless the act complained of involves fraud or dishonesty or arises as a result of a breach of U.S. federal securities laws. Therefore, so long as acts of business judgment do not involve fraud or dishonesty or arise as a result of a breach of U.S. federal securities laws, they will not be subject to shareholder claims under Bermuda law. For example, shareholders will not have claims against officers and directors for negligence, malfeasance or a breach of trust, unless the breach rises to the level of fraud or dishonesty, or arises as a result of a breach of U.S. federal securities laws.

In order to facilitate the satisfaction of any of the closing conditions relating to regulatory matters, Marvell could decide to commit to change its place of domicile from Bermuda to Delaware or restructure to become a wholly owned subsidiary of a new corporation incorporated in Delaware. Any such transaction would change the rights of the shareholders of Marvell, including former Cavium shareholders.

Marvell is organized under the laws of Bermuda. Several regulatory approvals are conditions to completion of the Merger. The decision of regulators whether, when or under what circumstances to approve the Merger may be affected by whether Marvell is a Bermuda corporation or a U.S. corporation. In order to facilitate the satisfaction of any of the conditions to the completion of the Merger relating to regulatory matters, Marvell could decide to (but is not obligated to) commit to change its place of domicile or organization from Bermuda to Delaware (a Domestication) or restructure to become a wholly owned subsidiary of a new corporation incorporated in Delaware (a Holding Company Restructuring).

Marvell cannot predict whether or not it will be necessary to commit to any such actions in order to satisfy any of the conditions to the completion of the Merger relating to regulatory matters, or whether Marvell would commit to do so even if necessary to obtain regulatory approval. If Marvell were to commit to a Domestication, that transaction would not be implemented until after the completion of the Merger. If Marvell were to commit to a Holding Company Restructuring, it could delay the completion of the Merger.

If Marvell elects to implement a Domestication, Marvell would not need to obtain shareholder approval of that transaction, and Marvell shareholders would not have statutory rights of appraisal or any other appraisal rights under either Bermuda or Delaware law. If Marvell elects to implement a Holding Company Restructuring, Marvell would need to obtain shareholder approval of the transaction, and Marvell shareholders would have statutory rights of appraisal under Bermuda law.

If Marvell implements either a Domestication or a Holding Company Restructuring, Marvell shareholders (including former Cavium shareholders) would hold shares in a Delaware corporation. There would be a number of differences

between the rights of shareholders of Marvell under Bermuda law and the rights of shareholders under Delaware law. See the section entitled *Possible Domestication or Holding Company Restructuring of Marvell* for more information on these differences.

Table of Contents

If Marvell elects to implement a Domestication or a Holding Company Restructuring, there may be adverse U.S. federal income tax consequences to Marvell and shareholders of Marvell, including former Cavium shareholders.

Marvell is a Bermuda parent holding company with various foreign and U.S. subsidiaries. The applicable corporate income tax rate in the jurisdictions in which Marvell operates varies. Marvell's current effective corporate income tax rate is based upon the application of currently applicable income tax laws, regulations and treaties in the many jurisdictions in which it operates. If Marvell elects to implement a Domestication or a Holding Company Restructuring, Marvell (in the case of a Domestication) or the new Delaware parent corporation (in the case of a Holding Company Restructuring) (Delaware HoldCo) will be subject to U.S. taxation on its income and capital gains. Also, Marvell or Delaware HoldCo, as applicable, will be subject to U.S. taxation on certain income of its non-U.S. subsidiaries (which would include Marvell, a Bermuda company, if it becomes a subsidiary of Delaware HoldCo). Either a Domestication or a Holding Company Restructuring would increase the potential for U.S. taxes on Marvell's income by placing its foreign subsidiaries under a U.S. corporation. As a result of a Domestication or a Holding Company Restructuring, Marvell's effective corporate tax rate may increase significantly, which could adversely impact Marvell's financial results, including earnings and cash flow, for taxable periods after the completion of a Domestication or a Holding Company Restructuring. Marvell is unable to predict the impact of a Domestication or a Holding Company Restructuring on its effective tax rate going forward, and such changes could be significant.

Tax consequences differ between a Domestication and a Holding Company Restructuring. If Marvell elects to implement a Domestication, a U.S. holder (as defined below in the section entitled *Material United States Federal Income Tax Consequences*) who owns Marvell common shares with a fair market value of \$50,000 or more, but less than 10% of Marvell's issued common shares (measured by either value or total combined voting power and taking into account attribution rules), on the day of such Domestication generally would be required to recognize gain (but not loss) with respect to such Marvell common shares as a result of such Domestication, even if the U.S. holder continued to hold the shares and notwithstanding that the U.S. holder would not receive any cash or liquidity as a result of such Domestication. As an alternative to recognizing gain, such U.S. holder may elect to include in income the all earnings and profits amount attributable to such shares as that term is defined in Treasury Regulation Section 1.367(b)-2(d). Marvell expects that it will have a material amount of earnings and profits at the effective time of a Domestication, and thus a U.S. holder's election to include in income the all earnings and profits amount may not be advantageous, depending on the U.S. holder's tax basis and holding period for Marvell common shares. Any U.S. holder who owns 10% or more of Marvell's issued common shares on the day of such Domestication generally would be required to pay taxes on a deemed dividend equal to the all earnings and profits amount attributable to those shares. Any U.S. holder who owns Marvell common shares with a fair market value of less than \$50,000 on the day of such Domestication generally would not recognize any gain or loss and would not be required to include any part of the all earnings and profits amount in income.

If, instead of implementing a Domestication, Marvell implements a Holding Company Restructuring, Marvell expects that U.S. holders of Marvell common shares generally would not recognize gain or loss upon the exchange of their Marvell common shares for Delaware HoldCo shares.

Individual Marvell shareholders may be subject to tax consequences in addition to, or that vary from, the potential tax consequences discussed in this risk factor. Shareholders who fail to consult their own tax advisors could therefore be subject to unforeseen tax consequences as a result of a potential Domestication or Holding Company Restructuring.

SELECTED UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL INFORMATION

The following table sets forth Marvell's selected unaudited pro forma condensed combined financial information as of October 28, 2017 and for the year ended January 28, 2017 and the nine months ended October 28, 2017.

The selected unaudited pro forma condensed combined financial information is based upon the historical financial statements of Marvell, after giving effect to the Merger. The selected unaudited pro forma condensed combined financial information also gives effect to the transactions undertaken to finance the Merger. The selected unaudited pro forma condensed combined balance sheet data as of October 28, 2017 combines the historical balance sheet of Marvell, giving effect to the Merger, and the Financing Transactions (as defined in the section entitled *Unaudited Pro Forma Condensed Combined Financial Information*), as if they had been completed on October 28, 2017. The selected unaudited pro forma condensed combined statements of operations data for the twelve months ended January 28, 2017 and the nine months ended October 28, 2017, give effect to the Merger, the QLogic Acquisition (as defined in the section entitled *Unaudited Pro Forma Condensed Combined Financial Information*) and the Financing Transactions, as if they had occurred on January 31, 2016.

The Merger will be accounted for using the acquisition method of accounting. The pro forma adjustments reflect adjustments required under GAAP for business combinations and are based upon, among other things, preliminary estimates of fair market values of assets acquired and liabilities assumed and certain assumptions that we believe are reasonable. Revisions to the preliminary estimates of fair market value may have a significant impact on the pro forma amounts of total assets, total liabilities and total shareholders' equity, depreciation and amortization expense, interest expense and income tax expense. The actual adjustments to Marvell's consolidated financial statements upon the completion of the Merger will depend on a number of factors, including additional information available and Marvell's net assets on the closing date of the Merger. Therefore, the actual adjustments will differ from the pro forma adjustments, and the differences may be material. The selected unaudited pro forma condensed combined statements of operations do not reflect any non-recurring charges or gains that Marvell may record in connection with the Merger. However, these estimated non-recurring items will be reflected in Marvell's statement of operations for the period during which the Merger will take place.

The selected unaudited pro forma condensed combined financial information set forth below should be read in conjunction with the information included under the headings *The Merger Agreement*, *Unaudited Pro Forma Condensed Combined Financial Information*, *Selected Historical Consolidated Financial Data of Marvell* and *Selected Historical Consolidated Financial Data of Cavium*, as well as Marvell's consolidated financial statements and related notes thereto, Cavium's consolidated financial statements and related notes thereto, and QLogic's consolidated financial statements and related notes thereto, each of which is incorporated by reference into this joint proxy statement/prospectus.

THE MARVELL GENERAL MEETING

Overview

This joint proxy statement/prospectus is being provided to Marvell shareholders as part of a solicitation of proxies by the Marvell board of directors for use at the general meeting of Marvell shareholders and at any adjournments or postponements thereof. This joint proxy statement/prospectus is first being furnished to shareholders of Marvell on or about February 7, 2018. In addition, this joint proxy statement/prospectus constitutes a prospectus for Marvell in connection with the Marvell Share Issuance.

Date, Time and Place of the Marvell General Meeting

The general meeting of Marvell shareholders will be held at the offices of Marvell Semiconductor, Inc. located at 5488 Marvell Lane, Santa Clara, California 95054, on March 16, 2018 at 1:00 p.m. local time, unless adjourned or postponed to a later date or time.

Purposes of the Marvell General Meeting

At the Marvell general meeting, Marvell shareholders will be asked to consider and vote on the following proposals:

the proposal to approve the Marvell Share Issuance; and

the Marvell Adjournment Proposal.

A copy of the Merger Agreement is attached to this joint proxy statement/prospectus as Annex A. Marvell shareholders are encouraged to read the Merger Agreement in its entirety.

THE MATTERS TO BE CONSIDERED AT THE MARVELL GENERAL MEETING ARE OF GREAT IMPORTANCE TO MARVELL SHAREHOLDERS. ACCORDINGLY, MARVELL SHAREHOLDERS ARE URGED TO READ AND CAREFULLY CONSIDER THE INFORMATION PRESENTED IN THIS JOINT PROXY STATEMENT/PROSPECTUS, AND TO COMPLETE, DATE, SIGN AND PROMPTLY RETURN THE ENCLOSED PROXY CARD(S) IN THE ENCLOSED, PRE-ADDRESSED, POSTAGE-PAID ENVELOPE.

The Marvell board of directors unanimously recommends that Marvell shareholders vote FOR the approval of Marvell Share Issuance and FOR the Marvell Adjournment Proposal.

Record Date; Issued Shares; Shares Entitled to Vote

The record date for the Marvell general meeting is February 2, 2018. This means that you must be a shareholder of record of Marvell common shares at the close of business on February 2, 2018, in order to vote at the Marvell general meeting. You are entitled to one vote for each Marvell common share you own. At the close of business on the Marvell record date, there were 495,909,755 Marvell common shares issued and entitled to vote, held by approximately 418 holders of record.

Quorum and Vote Required

A quorum of Marvell shareholders is required to transact business at the Marvell general meeting. A quorum for the Marvell general meeting is the presence of holders representing in person or by proxy in excess of 50% of the total issued voting shares of Marvell throughout the Marvell general meeting. Abstentions and broker non-votes are counted for the purpose of determining the presence or absence of a quorum. Marvell's transfer agent, American

Table of Contents

Stock Transfer and Trust Company, will act as inspector of elections at the Marvell general meeting and will ascertain whether a quorum is present, tabulate the votes and determine the voting results on all matters presented to the Marvell shareholders at the Marvell general meeting. If a quorum is not present, the Marvell general meeting will stand adjourned as may be determined by Marvell's board of directors in accordance with its Bye-laws in order to permit the further solicitation of proxies or votes. At any subsequent reconvening of the Marvell general meeting, all proxies will be voted in the same manner as the proxies would have been voted at the original convening of the Marvell general meeting, except for any proxies that have been effectively revoked or withdrawn prior to the reconvening of the Marvell general meeting.

For shares held in street name, your bank, broker or other nominee will not be permitted to vote at the Marvell general meeting without specific instructions as to how to vote from you as the beneficial owner of Marvell common shares. Broker non-votes will be entirely excluded from the vote and will have no effect on the vote on the Marvell Share Issuance or the Marvell Adjournment Proposal.

Required vote to approve the Marvell Share Issuance. Approval of the Marvell Share Issuance requires the affirmative vote of a majority of the Marvell common shares represented in person or by proxy at the Marvell general meeting at which a quorum is present, which, under legal principles understood by Marvell's Bermuda counsel to be applicable in Bermuda, excludes abstentions and broker non-votes, if any, which will have no effect on the outcome of the vote on the Marvell Share Issuance. An abstention occurs when a Marvell shareholder attends the Marvell general meeting in person or is represented at the Marvell general meeting by proxy and abstains from voting. Shares not in attendance and not represented by proxy at the Marvell general meeting will have no effect on the vote on the Marvell Share Issuance, provided that a quorum is present.

Required vote to approve the Marvell Adjournment Proposal. Approval of the Marvell Adjournment Proposal requires the affirmative vote of a majority of the Marvell common shares represented in person or by proxy at the Marvell general meeting regardless of whether a quorum is present. Under legal principles understood by Marvell's Bermuda counsel to be applicable in Bermuda, abstentions and broker non-votes, if any, will have no effect on the outcome of the vote on the Marvell Adjournment Proposal. Shares not in attendance and not represented by proxy at the Marvell general meeting will have no effect on the outcome of the vote on the Marvell Adjournment Proposal.

Share Ownership and Voting by Marvell's Directors and Executive Officers

At the close of business on the record date for the Marvell general meeting, Marvell's directors and executive officers had the right to vote approximately 34,168,030 Marvell common shares at the Marvell general meeting, collectively representing approximately 6.9% of Marvell common shares issued and entitled to vote on that date. We currently expect that Marvell's directors and executive officers will vote their shares **FOR** the approval of the Marvell Share Issuance and **FOR** the Marvell Adjournment Proposal.

How to Vote

You may vote your Marvell common shares in person at the Marvell general meeting or by submitting a proxy (including proxies received by telephone or over the Internet). Marvell recommends that you submit your proxy even if you plan to attend the Marvell general meeting. If you submit your proxy, you may change your vote if you attend

and vote at the Marvell general meeting. However, mere attendance at the Marvell general meeting will not automatically revoke your previously submitted proxy.

Owners of record (that is, shareholders of record who hold Marvell common shares in their own name, as opposed to through a bank, broker or other nominee), as of the close of business on the Marvell record date, may vote in person at the Marvell general meeting or by proxy. This means that you may use the enclosed proxy card(s) to instruct the persons named as proxies how to vote your shares. If you properly complete, sign and date your proxy card(s) or submit your voting instructions by telephone or over the Internet, your shares will be voted in accordance with your instructions. The named proxies will vote all shares at the Marvell general meeting for

Table of Contents

which proxies have been properly submitted (whether by mail, telephone or over the Internet) and not revoked. Owners of record have three ways to vote by proxy:

Internet: You can submit your proxy over the Internet at the Internet address shown on your proxy card(s). You will be prompted to enter your Control Number from your proxy card. This number will identify you as a shareholder of record. Follow the simple instructions that will be given to you to record your vote. If you submit your proxy over the Internet, do not return your proxy card(s).

Telephone: You can submit your proxy by telephone by calling the toll-free number on your proxy card(s). You will be prompted to enter your Control Number from your proxy card. This number will identify you as a shareholder of record. Follow the simple instructions that will be given to you to record your vote. If you submit your proxy by telephone, do not return your proxy card(s).

Mail: You can submit your proxy by mail by simply signing, dating and mailing your proxy card(s) in the postage-paid envelope included with this joint proxy statement/prospectus.

If you sign and return your proxy card(s) but do not mark your card(s) to instruct the proxies how to vote your shares on each proposal, your shares will be voted as recommended by the Marvell board of directors.

The deadline for voting electronically through the Internet or by telephone is 11:59 p.m. Eastern time on March 15, 2018.

Shares Held in Street Name

Marvell shareholders who hold Marvell common shares in a stock brokerage account or through a bank, broker or other nominee (street name shareholders) who wish to vote at the Marvell general meeting should be provided a voting instruction form by the institution that holds their shares. If this has not occurred, contact the institution that holds your shares.

A number of banks and brokerage firms participate in a program that also permits shareholders whose shares are held in street name to direct their vote by telephone or over the Internet. If your common shares are held in an account at a bank or brokerage firm that participates in such a program, you may direct the vote of these shares by telephone or over the Internet by following the voting instructions enclosed with the proxy form from the bank or brokerage firm. The Internet and telephone proxy procedures are designed to authenticate shareholders' identities, to allow shareholders to give their proxy voting instructions and to confirm that those instructions have been properly recorded. Generally, votes directed by telephone or over the Internet through such a program must be received by 11:59 p.m. Eastern time on March 15, 2018. However, please follow the instructions included on the voting instruction form. Directing the voting of your shares will not affect your right to vote in person if you decide to attend the Marvell general meeting; however, you must first obtain a signed and properly executed legal proxy from your bank, broker or other nominee to vote your shares held in street name at the Marvell general meeting. Requesting a legal proxy prior to the deadline described above will automatically cancel any voting directions you have previously given by telephone or over the Internet with respect to your shares.

With respect to the approval of the Marvell Share Issuance and the Marvell Adjournment Proposal, for shares held in street name, if you do not instruct your bank, broker or other nominee how to vote your shares, your bank, broker or

other nominee will not be authorized to vote, and will not vote your shares. This will have no effect on the outcome of the vote on the approval of the Marvell Share Issuance or the Marvell Adjournment Proposal.

If you abstain from voting with respect to the approval of the Marvell Share Issuance or the Marvell Adjournment Proposal, your abstention will be entirely excluded from the vote and will have no effect on the outcome of the vote on the approval of the Marvell Share Issuance or the Marvell Adjournment Proposal.

If you do not vote your shares, either in person at the Marvell general meeting or by proxy, your failure to vote will have no effect on the outcome of the vote on the approval of the Marvell Share Issuance or the Marvell Adjournment Proposal.

Revoking Your Proxy

If you are the owner of record as of the close of business on the Marvell record date, you may change or revoke your proxy at any time before it is voted at the Marvell general meeting by:

sending a written notice to Marvell's registered office at Canon's Court, 22 Victoria Street, Hamilton HM 12, Bermuda, Attn: Assistant Secretary, bearing a date later than the date of the proxy that is received prior to the Marvell general meeting and stating that you revoke your proxy;

signing, dating and delivering a new valid proxy card(s) bearing a later date that is received prior to the Marvell general meeting;

submitting your voting instructions again by telephone or over the Internet by 11:59 p.m. Eastern time on March 15, 2018; or

attending the Marvell general meeting and voting in person, although attendance at the Marvell general meeting will not, by itself, revoke a proxy.

If you are a street name shareholder and submitted voting instructions to your broker, bank or other nominee, please refer to the instructions provided by your broker, bank or other nominee on how to change your vote.

Tabulation of the Votes

Each Marvell common share held by a shareholder as of the Marvell record date will be entitled to one vote. All votes will be tabulated by American Stock Transfer and Trust Company, which will act as the inspector of elections at the Marvell general meeting. It will ascertain whether a quorum is present, tabulate the votes and determine the voting results on all matters presented to the Marvell shareholders at the Marvell general meeting. Voting at the meeting will be taken on a poll in accordance with Marvell's Bye-laws.

Other Voting Matters

Voting in Person

If you plan to attend the Marvell general meeting and wish to vote in person, Marvell will give you a ballot at the general meeting. To help ensure your shares are voted, Marvell recommends that you submit your proxy or voting instruction form anyway. If you are a shareholder of record, please bring a form of personal identification to be admitted to the meeting. If your shares are held in the name of your broker, bank or other nominee and you plan to attend the meeting, you must present proof of your beneficial ownership of those shares as of the Marvell record date, such as a bank or brokerage account statement or letter, together with a form of personal identification, to be admitted to the Marvell general meeting.

However, if your shares are held in street name, you must first obtain from your bank, broker or other nominee a legal proxy authorizing you to vote the shares in person, which you must bring with you to the Marvell general meeting.

Proxy Solicitations

Marvell is soliciting proxies for the Marvell general meeting from Marvell shareholders. This proxy is being solicited on behalf of Marvell's board of directors. Marvell will pay the cost of distributing this joint proxy statement/prospectus and related materials. In addition to this mailing, Marvell's directors, officers and other staff members (who will not receive any additional compensation for their services) may solicit proxies personally, and by telephone, facsimile, courier service, mail, email, press release or advertisement (including on television, radio, newspapers or other publications of general distribution) or over the Internet. The extent to which this will be necessary depends upon how promptly proxies are returned. ***Marvell urges you to send in your proxy without delay.*** Innisfree M&A Incorporated has been engaged to aid in the distribution and solicitation of proxies. Marvell will pay Innisfree M&A Incorporated a fee of approximately \$25,000 for these services, plus a reasonable amount to cover expenses. Marvell has agreed to indemnify Innisfree M&A Incorporated against certain liabilities arising out of or in connection with this engagement. Marvell and its proxy solicitors will also request that banks, brokerage houses and other custodians, nominees and fiduciaries send proxy materials to the beneficial owners of Marvell common shares and will, if requested, reimburse them for their reasonable out-of-pocket expenses in doing so.

PROPOSAL 1

THE MARVELL SHARE ISSUANCE

As discussed in this joint proxy statement/prospectus, Marvell shareholders are being asked to consider and vote on the proposal to approve the Marvell Share Issuance in connection with the Merger pursuant to the terms of the Merger Agreement, a copy of which is attached as Annex A to this joint proxy statement/ prospectus. The approval of this proposal by the shareholders of Marvell is a condition to the completion of the Merger.

You should read carefully this joint proxy statement/prospectus in its entirety for more detailed information concerning the proposed Marvell Share Issuance and the other transactions contemplated by the Merger Agreement, including the Merger.

AFTER CAREFUL CONSIDERATION, THE MARVELL BOARD OF DIRECTORS HAS UNANIMOUSLY APPROVED THE MERGER AGREEMENT AND THE TRANSACTIONS CONTEMPLATED THEREBY, INCLUDING THE MERGER AND THE MARVELL SHARE ISSUANCE, AND HAS DETERMINED THAT THE MERGER AND THE MARVELL SHARE ISSUANCE ARE FAIR TO, AND IN THE BEST INTERESTS OF, MARVELL AND ITS SHAREHOLDERS. ACCORDINGLY, THE MARVELL BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT MARVELL SHAREHOLDERS VOTE FOR THE APPROVAL OF THE MARVELL SHARE ISSUANCE, AND YOUR PROPERLY SIGNED AND DATED PROXY WILL BE SO VOTED UNLESS YOU SPECIFY OTHERWISE.

PROPOSAL 2

THE MARVELL ADJOURNMENT PROPOSAL

Marvell shareholders may be asked to vote on the Marvell Adjournment Proposal, if necessary or appropriate, to permit further solicitation of proxies if there are not sufficient votes at the time of the Marvell general meeting to approve the Marvell Share Issuance.

The Marvell board of directors unanimously recommends that Marvell shareholders vote **FOR** the Marvell Adjournment Proposal, and your properly signed and dated proxy will be so voted unless you specify otherwise.

Please note that pursuant to Section 41 of Marvell's By-laws, the chairman of a general meeting may, with the consent of the shareholders at any general meeting at which a quorum is present (and shall if so directed by the shareholders), adjourn the meeting. In addition, the chairman may adjourn the meeting to another time and place without such consent or direction if it appears to him or her that:

- (a) it is likely to be impracticable to hold or continue that meeting because of the number of shareholders wishing to attend who are not present; or
- (b) the unruly conduct of persons attending the meeting prevents, or is likely to prevent, the orderly continuation of the business of the meeting; or
- (c) an adjournment is otherwise necessary so that the business of the meeting may be properly conducted.

Unless the meeting is adjourned to a specific date and time, new notice of the date, time and place for the resumption of the adjourned meeting shall be given to each shareholder in accordance with Marvell's By-laws. If a quorum is not present at the Marvell general meeting within half an hour from the time appointed for the meeting, Section 40 of Marvell's By-laws requires that the meeting be adjourned to the same day one week later, at the same time and place or to such other day, time or place as Marvell's board of directors may determine.

The Merger Agreement provides that, subject to certain exceptions, Marvell must obtain Cavium's consent before postponing or adjourning the Marvell general meeting. For more information, see *The Merger Agreement Shareholder Meetings; Proxy Statement/Prospectus*.

THE CAVIUM SPECIAL MEETING

Overview

This joint proxy statement/prospectus is being provided to Cavium shareholders as part of a solicitation of proxies by the Cavium board of directors for use at the Cavium special meeting and at any adjournments or postponements thereof. This joint proxy statement/prospectus is first being furnished to shareholders of Cavium on or about February 7, 2018. In addition, this joint proxy statement/prospectus constitutes a prospectus for Marvell in connection with the issuance by Marvell of its common shares pursuant to the Merger Agreement.

Date, Time and Place of the Cavium Special Meeting

The Cavium special meeting will be held at Cavium's headquarters, located at 2315 N. First Street, San Jose, California 95131, on March 16, 2018, at 10:00 a.m., local time, unless adjourned or postponed to a later date or time.

Purposes of the Cavium Special Meeting

At the Cavium special meeting, Cavium shareholders will be asked to consider and vote on the following proposals:

the Merger Proposal;

the Cavium Adjournment Proposal; and

the Cavium Non-Binding Compensation Proposal.

A copy of the Merger Agreement is attached to this joint proxy statement/prospectus as Annex A. Cavium shareholders are encouraged to read the Merger Agreement in its entirety.

THE MATTERS TO BE CONSIDERED AT THE CAVIUM SPECIAL MEETING ARE OF GREAT IMPORTANCE TO CAVIUM SHAREHOLDERS. ACCORDINGLY, CAVIUM SHAREHOLDERS ARE URGED TO READ AND CAREFULLY CONSIDER THE INFORMATION PRESENTED IN THIS JOINT PROXY STATEMENT/PROSPECTUS, AND TO COMPLETE, DATE, SIGN AND PROMPTLY RETURN THE ENCLOSED PROXY CARD(S) IN THE ENCLOSED PRE-ADDRESSED POSTAGE-PAID ENVELOPE.

The Cavium board of directors unanimously recommends that you vote **FOR the Merger Proposal; **FOR** the Cavium Adjournment Proposal; and **FOR** the Cavium Non-Binding Compensation Proposal.**

Record Date; Outstanding Shares; Shares Entitled to Vote

The record date for the Cavium special meeting is February 2, 2018. This means that you must be a holder of record of Cavium common stock at the close of business on February 2, 2018, in order to vote at the Cavium special meeting. You are entitled to one vote for each share of Cavium common stock you own. At the close of business on the Cavium record date, there were 69,731,912 shares of Cavium common stock outstanding and entitled to vote, held by approximately 166 holders of record.

A complete list of Cavium shareholders entitled to vote at the Cavium special meeting will be available for inspection at the principal place of business of Cavium during regular business hours for a period of no less than ten days before the Cavium special meeting and at the place of the Cavium special meeting during the meeting.

Quorum and Vote Required

The presence in person or by proxy of a majority of the outstanding shares of Cavium common stock entitled to vote will constitute a quorum for the transaction of business at the Cavium special meeting.

Table of Contents

The votes required for each proposal are as follows:

Required vote to approve the Merger Proposal. Approval of the Merger Proposal requires the affirmative vote of a majority of the outstanding shares of Cavium common stock entitled to vote at the Cavium special meeting. **Accordingly, abstentions, broker non-votes and shares not represented at the Cavium special meeting will have the same effect as a vote AGAINST the Merger Proposal.**

Required vote to approve the Cavium Adjournment Proposal. Approval of the Cavium Adjournment Proposal requires an affirmative vote of a majority of the shares present in person, by remote communication, or represented by proxy and entitled to vote at the Cavium special meeting, regardless of whether a quorum is present. **Accordingly, abstentions will have the same effect as a vote AGAINST the Cavium Adjournment Proposal, while broker non-votes and shares not represented at the Cavium special meeting will have no effect on the Cavium Adjournment Proposal.**

Required vote to approve the Cavium Non-Binding Compensation Proposal. Approval of the Cavium Non-Binding Compensation Proposal requires an affirmative vote of a majority of the shares present in person, by remote communication, or represented by proxy and entitled to vote, assuming a quorum is present. **Accordingly, abstentions will have the same effect as a vote AGAINST the Cavium Non-Binding Compensation Proposal, while broker non-votes and shares not represented at the Cavium special meeting will have no effect on the Cavium Non-Binding Compensation Proposal, provided that a quorum is present.** The Cavium Non-Binding Compensation Proposal is advisory, and therefore not binding on Cavium, Cavium's compensation committee or the Cavium board of directors. Further, the arrangements are contractual in nature and not, by their terms, subject to shareholder approval. Accordingly, regardless of the outcome of the Cavium Non-Binding Compensation Proposal, if the Merger is completed, Cavium's named executive officers may be or become entitled to receive the compensation that is based on or otherwise relates to the Merger in accordance with the terms and conditions applicable to those payments.

Share Ownership and Voting by Cavium's Directors and Executive Officers

At the close of business on the record date for the Cavium special meeting, Cavium's directors and executive officers had the right to vote approximately 2,303,909 shares of the then-outstanding Cavium voting stock at the Cavium special meeting, collectively representing approximately 3.3% of the Cavium common stock outstanding and entitled to vote on that date. We currently expect that Cavium's directors and executive officers will vote their shares **FOR** the Merger Proposal, **FOR** the Cavium Adjournment Proposal and **FOR** the Cavium Non-Binding Compensation Proposal. Mr. Ali has entered into a voting agreement with Marvell to vote his 1,786,745 shares of Cavium common stock at the Cavium special meeting **FOR** the Merger Proposal and **FOR** the Cavium Adjournment Proposal.

How to Vote

You may vote your shares of Cavium common stock in person at the Cavium special meeting, by remote communication or by proxy. Cavium recommends that you submit your proxy even if you plan to attend the Cavium special meeting. If you submit your proxy, you may change your vote if you attend and vote at the Cavium special meeting; however, mere attendance at the Cavium special meeting will have no effect on your vote.

Owners of record (that is, shareholders of record who hold shares of Cavium common stock in their own name, as opposed to through a bank, broker or other nominee) as of the close of business on the Cavium record date, may vote in person at the Cavium special meeting, by remote communication or by proxy. This means that you may use the enclosed proxy card(s) to tell the persons named as proxies how to vote your shares. If you properly complete, sign and date your proxy card(s) or submit your voting instructions by telephone or over the Internet, your shares will be voted in accordance with your instructions. The named proxies will vote all shares at the

Table of Contents

Cavium special meeting for which proxies have been properly submitted (whether by mail, telephone or over the Internet) and not revoked. Owners of record have three ways to vote by proxy:

Internet: You can submit a proxy over the Internet at the Internet address shown on your proxy card(s). You will be prompted to enter your Control Number from your proxy card. This number will identify you as a shareholder of record. Follow the simple instructions that will be given to you to record your vote. If you submit a proxy over the Internet, do not return your proxy card(s).

Telephone: You can submit a proxy by telephone by calling the toll-free number on your proxy card(s). You will be prompted to enter your Control Number from your proxy card. This number will identify you as a shareholder of record. Follow the simple instructions that will be given to you to record your vote. If you submit a proxy by telephone, do not return your proxy card(s).

Mail: You can submit a proxy by mail by simply signing, dating and mailing your proxy card(s) in the postage-paid envelope included with this joint proxy statement/prospectus.

If you sign and return your proxy card(s) but do not mark your card(s) to tell the proxies how to vote your shares on each proposal, your shares will be voted as recommended by the Cavium board of directors.

The deadline for voting electronically through the Internet or by telephone is 11:59 p.m., Eastern time on March 15, 2018.

Shares Held in Street Name

Cavium shareholders who hold shares of Cavium common stock in a stock brokerage account or through a bank, broker or other nominee (street name shareholders) who wish to vote at the Cavium special meeting should be provided a voting instruction form by the institution that holds their shares. If this has not occurred, contact the institution that holds your shares. A number of banks and brokerage firms participate in a program that also permits street name shareholders to direct their vote by telephone or over the Internet. If your shares are held in an account at a bank or brokerage firm that participates in such a program, you may direct the vote of these shares by telephone or over the Internet by following the voting instructions enclosed with the proxy form from the bank or brokerage firm. The Internet and telephone proxy procedures are designed to authenticate shareholders' identities, to allow shareholders to give their proxy voting instructions and to confirm that those instructions have been properly recorded. Votes directed by telephone or over the Internet through such a program must be received by 11:59 p.m. Eastern time, on March 15, 2018. Directing the voting of your shares will not affect your right to vote in person if you decide to attend the Cavium special meeting; however, you must first obtain a signed and properly executed legal proxy from your bank, broker or other nominee to vote your shares held in street name at the Cavium special meeting. Requesting a legal proxy prior to the deadline described above will automatically cancel any voting directions you have previously given by telephone or over the Internet with respect to your shares.

With respect to the Merger Proposal, the Cavium Adjournment Proposal and the Cavium Non-Binding Compensation Proposal, for shares held in street name, if you do not instruct your bank, broker or other nominee how to vote your shares, your bank, broker or other nominee will not be authorized to vote, and a broker non-vote will occur. A broker non-vote will have the same effect as a vote **AGAINST** the Merger Proposal, but will have no effect on the Cavium Adjournment Proposal and will have no effect on the Cavium Non-Binding Compensation Proposal (provided that a

quorum is present).

If you abstain from voting with respect to the Merger Proposal, the Cavium Adjournment Proposal or the Cavium Non-Binding Compensation Proposal, your abstention will have the same effect as a vote **AGAINST** such proposal.

If you do not vote your shares, either in person at the Cavium special meeting or by proxy, your failure to vote will have the same effect as a vote **AGAINST** the Merger Proposal, but will have no effect on the Cavium

Adjournment Proposal and will have no effect on the Cavium Non-Binding Compensation Proposal (provided that a quorum is present).

Revoking Your Proxy

If you are the owner of record as of the close of business on the Cavium record date, you may change or revoke your proxy at any time before it is voted at the Cavium special meeting by:

sending a written notice to Cavium at 2315 N. First Street, San Jose, California 95131, Attention: Secretary, bearing a date later than the date of the proxy that is received prior to the Cavium special meeting and stating that you revoke your proxy;

signing, dating and delivering a new valid proxy card(s) bearing a later date that is received prior to the Cavium special meeting;

submitting your voting instructions again by telephone or over the Internet by 11:59 p.m. Eastern time on March 15, 2018; or

attending the Cavium special meeting and voting in person, although attendance at the Cavium special meeting will not, by itself, revoke a proxy.

If you are a street name shareholder and submitted voting instructions to your broker, bank or other nominee, please refer to the instructions provided by your broker, bank or other nominee on how to change your vote.

Tabulation of the Votes

Each Cavium share held by a shareholder as of the Cavium record date will be entitled to one vote. All votes will be tabulated by the inspector of elections appointed for the Cavium special meeting, who will count the votes, determine the existence of a quorum, validity of proxies and ballots, and certify the results of the voting.

Other Voting Matters

Voting in Person

If you plan to attend the Cavium special meeting and wish to vote in person, Cavium will give you a ballot at the special meeting. To help ensure your shares are voted, Cavium recommends that you submit your proxy or voting instruction form anyway. If you are a shareholder of record, please bring a form of personal identification to be admitted to the meeting. If your shares are held in the name of your broker, bank or other nominee and you plan to attend the meeting, you must present proof of your beneficial ownership of those shares as of the Cavium record date, such as a bank or brokerage account statement or letter, together with a form of personal identification, to be admitted to the Cavium special meeting.

However, if your shares are held in street name, you must first obtain from your bank, broker or other nominee a legal proxy authorizing you to vote the shares in person, which you must bring with you to the Cavium special meeting.

THE CAVIUM ADJOURNMENT PROPOSAL

Cavium shareholders may be asked to vote on the Cavium Adjournment Proposal to adjourn the Cavium special meeting, if necessary or appropriate, to permit further solicitation of proxies if there are not sufficient votes at the time of the Cavium special meeting to approve the Merger Proposal.

Please note that pursuant to Article III, Section 9 of Cavium's bylaws, the shareholders entitled to vote thereon and present in person or by remote communication, or represented by proxy are authorized to adjourn the Cavium special meeting by the vote of the majority of the shares present in person, by remote communication, or represented by proxy at the meeting. PROPOSAL 3

THE CAVIUM NON-BINDING COMPENSATION PROPOSAL

Section 14A of the Exchange Act, which was enacted as part of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, requires that Cavium shareholders be provided with the opportunity to vote to approve, on an advisory, non-binding basis, the payment of certain compensation that will or may become payable by Cavium to its named executive officers in connection with the Merger, as disclosed in the section of this joint proxy statement/prospectus entitled *The Merger Interests of Cavium Directors and Executive Officers in the Merger Golden Parachute Compensation* beginning on page 128.

Cavium is asking its shareholders to indicate their approval, on an advisory, non-binding basis, of the compensation that will or may become payable by Cavium to its named executive officers in connection with the Merger. These payments are set forth in the section entitled *The Merger Interests of Cavium Directors and Executive Officers in the Merger Golden Parachute Compensation* beginning on page 128 of this joint proxy statement/prospectus. Certain plans and arrangements pursuant to which these compensation payments may be made formed part of Cavium's overall compensation program for its named executive officers, and have previously been disclosed to Cavium's shareholders as part of the Compensation Discussion and Analysis and related sections of its annual proxy statements. The compensation committee of the Cavium board of directors, which is composed solely of non-employee directors, believes the compensatory arrangements to be reasonable.

The Cavium board of directors encourages Cavium shareholders to review carefully the named executive officer Merger-related compensation information disclosed in this joint proxy statement/prospectus. The Cavium board of directors unanimously recommends that you vote **FOR** the following resolution:

RESOLVED, that the shareholders of Cavium, Inc. approve, on a nonbinding, advisory basis, the compensation that will or may become payable by Cavium to its named executive officers that is based on or otherwise relates to the Merger as disclosed pursuant to Item 402(t) of Regulation S-K in the section entitled *The Merger Interests of Cavium's Directors and Executive Officers in the Merger Golden Parachute Compensation* in the joint proxy statement/prospectus for the shareholder meeting.

This resolution requires the affirmative vote of the holders of a majority of the shares of Cavium common stock present in person, by remote communication, or represented by proxy and entitled to vote on the matter. Cavium shareholders should note that this proposal is not a condition to completion of the Merger, and as an advisory vote, the result will not be binding on Cavium, the board of directors of Cavium, or Marvell. Further, the arrangements are contractual in nature and not, by their terms, subject to shareholder approval. Accordingly, regardless of the outcome of the Cavium Non-Binding Compensation Proposal, if the Merger is completed, Cavium's named executive officers may be or become entitled to receive the compensation that is based on or otherwise relates to the Merger in accordance with the terms and conditions applicable to those payments, as described under the section titled *The Merger Interests of Cavium Directors and Executive Officers in the Merger Golden Parachute Compensation*.

The board of directors of Cavium believes that the Cavium Non-Binding Compensation Proposal is in the best interests of Cavium and Cavium shareholders and unanimously recommends that you vote **FOR** the proposal to approve, by non-binding, advisory vote, compensation that will or may become payable by Cavium to its named executive officers in connection with the Merger.

Pursuant to the terms of the Merger Agreement, each share of Cavium common stock will be canceled and extinguished and automatically converted into the right to receive 2.1757 Marvell common shares and \$40.00 in cash, without interest.

Background of the Merger

Each of Cavium's and Marvell's board of directors and senior management team regularly review their company's performance, future growth prospects and overall strategic direction and consider potential opportunities to strengthen their company's businesses and enhance shareholder value, including the review of their company's strategy as a stand-alone company and potential opportunities for business combinations, acquisitions and other financial and strategic alternatives.

From time to time, Syed Ali, the Co-Founder, President, Chief Executive Officer and Chairman of the Board of Directors of Cavium, and Matt Murphy, the President and Chief Executive Officer of Marvell, discussed generally Cavium's and Marvell's industry and respective businesses, as well as potential partnering opportunities.

On March 27, 2017, Mr. Ali met in person with Mr. Murphy and discussed potential partnering opportunities through product combinations for reference designs. At this meeting, the possibility of a potential strategic transaction between Marvell and Cavium was first raised by Mr. Murphy. No price or other specific terms were discussed at this meeting.

The illustrative \$72 price per share represented a premium of approximately 10% over the closing price of Cavium's common stock on the prior trading day. The per share price proposed represented a premium of approximately 18% over the closing price per share of Cavium's common stock on the prior trading day. Mr. Ali informed Mr. Murphy that this proposal undervalued Cavium's products, intellectual property, market position and growth potential and that Marvell would need to increase its proposed price or there would be no reason to continue discussions. Mr. Murphy requested due diligence materials from Cavium.

Following the discussion, Marvell's board of directors authorized Marvell's management to continue to pursue a potential strategic transaction with Cavium and to submit a preliminary written non-binding indication of interest to Cavium.

On September 26, 2017, Mr. Murphy delivered to Mr. Ali a preliminary, written non-binding indication of interest for Marvell to purchase all of the outstanding shares of Cavium common stock at a price of \$75 per share, of which fifty-percent would be paid in cash and fifty-percent would be paid in Marvell common shares. Mr. Murphy indicated that Marvell preferred to have a portion of the consideration consist of Marvell common shares and that this would allow Cavium shareholders to more meaningfully share in Marvell's future growth potential following a combination of the two companies. The preliminary, written non-binding indication of interest also proposed that Cavium agree to a 30-day exclusivity period for negotiations with Marvell. The \$75 price per share contained in the preliminary

non-binding indication of interest represented a premium of approximately 17% over the closing price per share of Cavium's common stock on the prior trading day. Mr. Ali told Mr. Murphy that Marvell's indication of interest still undervalued Cavium, but that he would discuss the

indication of interest further with Cavium's board of directors. Following its receipt, Mr. Ali provided the preliminary, written non-binding indication of interest to Cavium's board of directors.

After representatives of Qatalyst Partners and J.P. Morgan joined the meeting, Mr. Ali provided an update on the meetings and communications that had taken place between representatives of Cavium and Marvell. Representatives of Qatalyst Partners and J.P. Morgan discussed with Cavium's board of directors the financial aspects of the preliminary non-binding indication of interest from Marvell and reviewed strategic alternatives with the board of directors. The Cavium board of directors, together with representatives of Cavium's management and representatives of Qatalyst Partners, J.P. Morgan and Skadden, also discussed the business environment surrounding Cavium as a stand-alone entity, the competitive environment in the semiconductor industry generally, alternative acquisition targets potentially available to Marvell, acquisition targets potentially available to Cavium and the potential impact on Cavium of various industry merger and acquisition scenarios. After the representatives of Qatalyst Partners and J.P. Morgan left the meeting, Cavium's board of directors authorized Cavium's management, based on Qatalyst Partners' and J.P. Morgan's respective skills, reputations and familiarity with Cavium and the industry in which Cavium operates, to enter into discussions to retain Qatalyst Partners and J.P. Morgan as financial advisors to Cavium at such later time as Cavium's management believed that the status of any of Cavium's discussions with Marvell or other potentially interested parties so warranted, subject to satisfactory resolution of any potential conflicts and the negotiation of satisfactory economic terms. Following a lengthy discussion about the importance of achieving the greatest value for Cavium shareholders, as well as a discussion regarding the mix of consideration that may be acceptable to Cavium, Cavium's board of directors also authorized and directed management to continue its preliminary discussions with Marvell but directed management to seek a higher purchase price from Marvell without providing Marvell a counterproposal or view on the specific mix of consideration at this time.

The revised non-binding indication of interest also required Cavium to agree to a 30-day exclusivity period for negotiations with Marvell and included a draft exclusivity agreement. The price contained in the non-binding indication of interest represented a premium of approximately 11% over the closing price of Cavium's common stock on the prior trading day. During this call, Mr. Murphy conveyed to Mr. Ali a revised proposal for Marvell to purchase all of Cavium's outstanding common stock at a price of \$80.00 per share, of which fifty-percent would be paid in cash and fifty-percent would consist of Marvell common shares, subject to Marvell declaring a one-time dividend of \$0.50 per Marvell common share payable to Marvell shareholders prior to the closing of the proposed transaction between Marvell and Cavium. The \$80.00 per share price represented a premium of approximately 17% over the closing price of Cavium's common stock on the prior trading day. Mr. Murphy also proposed that two members of Cavium's board of directors, one of whom would be Mr. Ali, join Marvell's board of directors at the closing of the proposed transaction. Following a lengthy discussion about the importance of achieving the greatest value for Cavium shareholders, Cavium's board of directors reaffirmed their interest in pursuing a potential transaction with Marvell but directed management to seek a higher purchase price of \$80.00 per share, without a stipulation that Marvell have the right to declare a one-time dividend of \$0.50 per Marvell common share payable to Marvell shareholders prior to the closing of the proposed transaction, and request that three members of Cavium's board of directors join Marvell's board of directors at the closing of the proposed transaction.

Also on October 26, 2017, Mr. Ali conveyed to Mr. Murphy that Cavium would not accept Marvell's revised proposal and advised Mr. Murphy that Cavium's board of directors had authorized him only to accept \$80.00 per share and noted that the practical effect of Marvell's revised proposal, which included the right of Marvell to declare a one-time dividend of \$0.50 per Marvell common share payable to Marvell shareholders prior to the closing of the proposed transaction between Marvell and Cavium, would be to reduce the value of each Marvell common share that Cavium

shareholders would receive and thus would result in an effective purchase price below \$80.00 per share. Mr. Ali reiterated Cavium's request that three members of Cavium's board of directors join Marvell's board of directors at the closing of the proposed transaction.

Marvell's Reasons for the Merger and Recommendation of Marvell's Board of Directors

By a vote at a meeting of the Marvell board of directors held on November 18, 2017, the Marvell board of directors unanimously determined that the Merger and the Marvell Share Issuance, on the terms and subject to the conditions set forth in the Merger Agreement, were fair to, and in the best interests of, Marvell and its shareholders and approved the Merger Agreement, the Marvell Share Issuance and the other transactions contemplated by the Merger Agreement. The Marvell board of directors unanimously recommends that Marvell shareholders vote **FOR** the approval of the Marvell Share Issuance and **FOR** the Marvell Adjournment Proposal.

In evaluating the proposed Merger, the Marvell board of directors consulted with Marvell's management and legal and financial advisors and, in reaching its determination and recommendation, the Marvell board of directors considered a number of factors. The Marvell board of directors also consulted with its outside legal counsel regarding legal due diligence matters and the legal terms of the Merger Agreement and with its financial advisors regarding the financial terms of the Merger Agreement.

Many of the factors considered favored the conclusion of the Marvell board of directors that the Merger and the Marvell Share Issuance were fair to and in the best interests of Marvell and its shareholders, including the following (not in any relative order of importance):

the highly complementary product portfolios and end-market exposure of the businesses of Marvell and Cavium and the expectation that the combined company will be able to create the scale and breadth to deliver more innovative and complete end-to-end solutions to its customers across the cloud data center, enterprise and service provider markets by combining Marvell's portfolio of leading HDD and SSD storage controllers, networking solutions and high-performance wireless connectivity products with Cavium's portfolio of leading multi-core processing, networking communications, storage connectivity and security solutions;

the expectation that the combination of Cavium's leadership in multi-core processors, security and fibre channel and Marvell's leadership in Ethernet and storage presents a unique opportunity for the combined company to emerge as a leader in infrastructure solutions;

the opportunity for the combined company to become a R&D innovation engine to accelerate product development, positioning the combined company to meet today's massive and growing demand for solutions encompassing data storage, heterogeneous computing and high-speed connectivity;

the expectation based on estimates by Marvell's management prior to the execution of the Merger Agreement that Marvell would achieve annual run-rate synergies of at least \$150 million to \$175 million within 18 months following the completion of the Merger;

the expectation based on estimates by Marvell's management prior to the execution of the Merger Agreement that the serviceable addressable market for the combined company will expand to more than \$16 billion;

the expectation based on estimates by Marvell's management prior to the execution of the Merger Agreement that the Merger will be accretive to Marvell's revenue, margins and non-GAAP earnings per share in the first full year following the completion of the Merger;

the expectation of the Marvell board of directors, following consultation with Marvell's management, that the combined company would be able to execute and deliver on its business plans throughout the business cycle and in a semiconductor industry that is highly competitive, cyclical and subject to constant and rapid technological change;

Table of Contents

the opportunity to further expand the combined company's global market reach and customer base and expand into other business areas of strategic importance;

the opportunity to combine expertise, and skills of experienced managers in the semiconductor industry, in order to meet the needs of the customers of both Marvell and Cavium, and for the combined company to access Cavium's intellectual property portfolio and other resources after the completion of the Merger;

the expectation that the larger scale organization, greater marketing resources and financial strength of the combined company will lead to improved opportunities for marketing and cross-selling the combined company's products;

the expected generation, based on estimates by Marvell's management prior to the execution of the Merger Agreement, of strong operating cash flow, which is anticipated to permit the combined company to deleverage to a ratio of consolidated total indebtedness to consolidated EBITDA of 1.3 to 1 within eight quarters after the completion of the Merger;

the probability that regulatory approvals for the Merger would be obtained in a timely manner without the imposition of any conditions that Marvell would find unacceptable;

the fact that, based on the Marvell common shares then issued, Marvell shareholders are expected to own shares of the combined company representing approximately 75% of the combined company's issued shares immediately following the completion of the Merger;

information and discussions with Marvell's management and advisors regarding Cavium's business, assets, financial condition, results of operations, reputation, current business strategy and prospects, including the projected long-term financial results of Cavium as a standalone company, the size and scale of the combined company and the expected pro forma effect of the proposed Merger on the combined company;

the fact that Mr. Ali, Cavium's Co-Founder, Chief Executive Officer and Chairman of the board of directors, as well as two other members of Cavium's board of directors who will be designated by Marvell, will become members of the Marvell board of directors as of the Effective Time, which will provide additional semiconductor industry expertise to the Marvell board of directors and guidance on the integration of Cavium and Marvell, and that the Marvell board of directors and senior management would otherwise continue as members of the board of directors and senior management of Marvell;

that six key Cavium employees executed offer letters with Marvell, with their employment by Marvell contingent upon the completion of the Merger;

the belief that the Marvell management team will be able to successfully integrate the two companies;

the oral opinion of Goldman Sachs rendered to the Marvell board of directors on November 18, 2017, subsequently confirmed in writing by delivery of a written opinion, that, as of such date and based upon and subject to the factors and assumptions set forth therein, the Merger Consideration to be paid by Marvell for each outstanding share of Cavium common stock, pursuant to the Merger Agreement was fair to Marvell from a financial point of view, such opinion more fully described below in the section entitled *The Merger Opinion of Marvell's Financial Advisor, Goldman Sachs* ;

the fact that the Starboard Shareholders have signed a voting agreement obligating the Starboard Shareholders to vote all Marvell common shares owned by them in favor of the approval of the Marvell Share Issuance until termination of the voting agreement, which occurs automatically upon the earliest of certain conditions, including termination of the Merger Agreement, the effective date of the Merger, Cavium's board of directors changing its recommendation regarding the adoption of the Merger Agreement, Marvell's board of directors changing its recommendation regarding the approval of the Marvell Share Issuance or a Cavium Triggering Event (as more fully described in the section entitled *The Merger Voting Agreements*);

the review by the Marvell board of directors with its advisors of the structure of the proposed Merger and the financial and other terms of the Merger Agreement, including the parties' representations, warranties and covenants, the conditions to their respective obligations and the termination provisions, as well as the likelihood of the completion of the Merger and the evaluation by the Marvell board of directors of the likely time period necessary to complete the Merger. The Marvell board of directors also considered the following specific aspects of the Merger Agreement:

the fact that the Exchange Ratio is fixed and will not adjust to compensate for any decrease in the trading price of Marvell common shares prior to the completion of the Merger, which provides certainty to Marvell shareholders as to their pro forma percentage ownership of the combined company;

the limited number and nature of the conditions to Cavium's obligation to complete the Merger included in the Merger Agreement, as well as the probability that those conditions to Cavium's obligation to complete the Merger would be satisfied prior to 11:59 p.m. (New York City time) on September 19, 2018, subject to certain exceptions (the *Outside Date*);

the conditions to Marvell's obligation to complete the Merger, as well as the probability that these conditions to Marvell's obligation to complete the Merger would be satisfied prior to the *Outside Date*;

the extensive representations and warranties made by Cavium, as well as the interim operating covenants agreed to by Cavium requiring Cavium to conduct its business in the ordinary course prior to completion of the Merger, subject to certain limitations;

the fact that the Merger Agreement includes restrictions on the ability of Cavium to solicit proposals for alternative transactions or engage in discussions regarding such proposals, subject to certain exceptions and Marvell's right to match any such proposals;

the ability of Marvell to terminate the Merger Agreement and receive a \$180 million termination fee from Cavium in the event the Cavium board of directors changes its recommendation regarding the adoption of the Merger Agreement;

Marvell's right to engage in negotiations with, and provide information to, a third party that makes an unsolicited proposal that is received prior to the approval of the Marvell Share Issuance by Marvell shareholders and relates to an alternative transaction if the Marvell board of directors determines in good faith, after having taken into account the advice of an independent financial advisor of nationally recognized reputation and Marvell's outside legal counsel, that (a) such proposal is, or could reasonably be expected to lead to, a superior offer and (b) failure to take such action would reasonably be expected to be inconsistent with its directors' fiduciary obligations, subject to certain conditions (as more fully described in the section entitled *The Merger Agreement - No Solicitation or Discussions by Marvell; No Change in Marvell Board Recommendation*);

the right of the Marvell board of directors to change its recommendation regarding the approval of the Marvell Share Issuance, including to recommend a superior offer, if the Marvell board of directors has determined in good faith, after having taken into account the advice of an

independent financial advisor of nationally recognized reputation and Marvell's outside legal counsel, that the failure to take such action would reasonably be expected to be inconsistent with its directors' fiduciary obligations, subject to certain conditions (including in connection with a termination of the Merger Agreement by Cavium as a result of such change of recommendation by the Marvell board of directors, the payment by Marvell to Cavium of a \$180 million termination fee) (as more fully described in the section entitled *The Merger Agreement No Solicitation or Discussions by Marvell; No Change in Marvell Board Recommendation*);

the belief of the Marvell board of directors, following consultation with its advisors, and based in part upon the financing commitments that it had obtained, that it was likely that Marvell would be able to obtain the necessary financing to pay a portion of the cash portion of the Merger Consideration and refinance existing Cavium indebtedness, and that after completing the Merger, Marvell would be able to repay, service or refinance the indebtedness incurred in connection with the Merger and, to the extent such indebtedness remains outstanding, to comply with the financial covenants applicable to such indebtedness, after its review and discussion of various factors, including the terms of the proposed financing for the Merger (including fees and interest);

the belief of the Marvell board of directors, following consultation with its advisors, that the financing commitments it had obtained to pay a portion of the cash portion of the Merger Consideration and to refinance certain of Cavium's existing indebtedness were sufficient for such purposes and on attractive terms for Marvell;

the fact that if Marvell shareholders fail to approve the Marvell Share Issuance, Marvell would have no liability to Cavium under the Merger Agreement (unless it accepts or completes an alternative transaction within 12 months of termination of the Merger Agreement under certain circumstances, in which event Marvell will pay a \$180 million termination fee to Cavium); and

the fact that Marvell's maximum liability to Cavium under the Merger Agreement in the event of a failure to obtain required consents, approvals or clearances by applicable regulatory authorities is a \$180 million termination fee to Cavium, subject to certain exceptions.

In the course of its deliberations, the Marvell board of directors also considered a variety of risks and other potentially negative factors, including the following (which are not in any relative order of importance):

the possibility that the Merger may not be completed or that completion may be unduly delayed for reasons beyond the control of Marvell, including the potential length of the regulatory review process and the risk that CFIUS and/or applicable antitrust and competition authorities may prohibit or enjoin the proposed Merger or otherwise impose conditions on Marvell and/or Cavium to obtain clearance for the Merger;

the potential dilution to Marvell shareholders;

the fact that Marvell's refinancing of Cavium's existing indebtedness (along with the incurrence of additional indebtedness to fund a portion of the cash portion of the Merger Consideration payable in connection with the Merger) may, at least in the short term, among other things, reduce Marvell's operational flexibility;

the fact that Marvell's obligations pursuant to the Merger Agreement are not subject to any financing condition or similar contingency based on Marvell's ability to obtain financing, and that Cavium would be entitled to specifically enforce the Merger Agreement, including the obligations of Marvell to complete the Merger, regardless of the availability or terms of Marvell's financing;

the possible disruption to Marvell's business that may result from the Merger, including the potential for diversion of management and employee attention from other strategic opportunities or operational matters and for increased employee attrition during the period prior to completion of the Merger, and the potential effect of the Merger on Marvell's business and relations with customers and suppliers;

Table of Contents

the adverse impact that business uncertainty pending completion of the Merger could have on Marvell's ability to attract, retain and motivate key personnel;

the challenges of combining the businesses, operations and workforces of Cavium and Marvell and the risk that anticipated strategic and other benefits to Marvell and Cavium following completion of the Merger, including the synergies described above, will not be realized or will take longer to realize than expected;

the fact that the Exchange Ratio is fixed and will not adjust for any increase in the trading price of Marvell common shares prior to completion of the Merger;

certain terms and conditions of the Merger Agreement, including:

the restrictions on Marvell's ability to solicit proposals for alternative transactions or engage in discussions regarding such proposals, subject to certain exceptions (as more fully described in the section entitled *The Merger Agreement No Solicitation or Discussions by Marvell; No Change in Marvell Board Recommendation*);

Cavium's right to engage in negotiations with, and provide information to, a third party that makes an unsolicited proposal that is received prior to the approval of the Merger Proposal by Cavium's shareholders and relates to an alternative transaction if the Cavium board of directors determines in good faith, after having taken into account the advice of an independent financial advisor of nationally recognized reputation and Cavium's outside legal counsel that (a) such proposal is, or could reasonably be expected to lead to, a superior offer and (b) failure to take such action would reasonably be expected to be inconsistent with its directors' fiduciary obligations, subject to certain conditions (as more fully described in the section entitled *The Merger Agreement No Solicitation or Discussions by Cavium; No Change in Cavium Board Recommendation*);

the right of the Cavium board of directors to change its recommendation regarding the adoption of the Merger Agreement, including to recommend a superior offer, if the Cavium board of directors has determined in good faith, after having taken into account the advice of an independent financial advisor of nationally recognized reputation and Cavium's outside legal counsel, that the failure to take such action would reasonably be expected to be inconsistent with its directors' fiduciary obligations, subject to certain conditions (as more fully described in the section entitled *The Merger Agreement No Solicitation or Discussions by Cavium; No Change in Cavium Board Recommendation*);

the restrictions on the ability of the Marvell board of directors to change its recommendation regarding the approval of the Marvell Share Issuance, and to recommend a superior offer, subject to certain exceptions and conditions (including in connection with a termination of the Merger Agreement by Cavium as a result of such change of recommendation by the Marvell board of directors, the payment by Marvell to Cavium of a \$180 million termination fee), which could have the effect of discouraging

such proposals from being made or pursued;

the requirement that Marvell provide Cavium with an opportunity to propose revisions to the Merger Agreement prior to Marvell being able to terminate the Merger Agreement to accept a superior offer;

the requirement that Marvell pay a termination fee of \$180 million to Cavium if CFIUS Approval has not been obtained and the Merger Agreement is terminated under certain circumstances or pay a termination fee of \$50 million to Cavium if MOFCOM approval has not been obtained and the Merger Agreement is terminated under certain circumstances (as more fully described in the section entitled *The Merger Agreement Transaction Expenses and Termination Fees*); and

the fact that Marvell's current shareholders will have a reduced ownership and voting interest in Marvell after the completion of the Merger and will exercise less influence over the Marvell board of directors and management and policies of Marvell;

Table of Contents

the transaction costs to be incurred in connection with the Merger, regardless of whether the Merger is completed;

the risks and contingencies relating to the announcement and pendency of the Merger and the risks and costs to Marvell if the Merger is not completed on a timely basis or at all, including the impact on Marvell's relationships with employees, with customers and with third parties;

the fact that if the Merger is not completed, Marvell will have expended significant human and financial resources on a failed transaction, and may also be required to pay a termination fee under various circumstances (as more fully described in the section entitled *The Merger Agreement Transaction Expenses and Termination Fees*); and

various other risks associated with the Merger and the business of Marvell and the combined company described in the sections entitled *Risk Factors* and *Cautionary Note Regarding Forward-Looking Statements*, respectively.

The reasons set forth above are not intended to be exhaustive, but include the material factors considered by the Marvell board of directors in approving the Merger Agreement, the Marvell Share Issuance and the other transactions contemplated by the Merger Agreement. In view of the wide variety of factors considered in connection with its evaluation of the Merger and the complexity of these matters, the Marvell board of directors did not find it useful to and did not attempt to quantify or assign any relative or specific weights to the various factors that it considered in reaching its determination to approve the Merger Agreement, the Marvell Share Issuance and the other transactions contemplated by the Merger Agreement and to make its recommendation to Marvell shareholders. In addition, individual members of the Marvell board of directors may have given different weights to different factors. The Marvell board of directors carefully considered all of the factors described above as a whole.

Cavium's Reasons for the Merger and Recommendation of Cavium's Board of Directors

The Cavium board of directors has determined that the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Merger, are advisable, fair to and in the best interests of Cavium and its shareholders. Accordingly, by a vote at a meeting held on November 19, 2017, the Cavium board of directors unanimously approved the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Merger.

The Cavium board of directors unanimously recommends that Cavium shareholders vote FOR each of the Merger Proposal, the Cavium Adjournment Proposal and the Cavium Non-Binding Compensation Proposal at the Cavium special meeting.

In evaluating the proposed Merger, the Cavium board of directors consulted with Cavium's management and Cavium's legal and financial advisors and, in reaching its determination and recommendation, the Cavium board of directors considered a number of factors. The Cavium board of directors also consulted with Cavium's legal counsel regarding its obligations, legal due diligence matters and the legal terms of the Merger Agreement and Cavium's financial advisors regarding the financial terms of the Merger Agreement.

Many of the factors considered favored the conclusion of the Cavium board of directors that the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Merger, are advisable, fair to and in the

best interests of Cavium and its shareholders, including the following:

the growing challenges faced by the semiconductor industry, including macroeconomic trends and the fact that the industry is highly competitive, cyclical and subject to constant and rapid technological change with short product life-cycles for certain products and wide fluctuations in product supply and demand;

Table of Contents

the opportunity to combine Marvell's and Cavium's product portfolios to create the scale and breadth to deliver comprehensive end-to-end solutions for customers across the cloud data center, enterprise and service provider markets, and to expand the combined companies' serviceable addressable market to more than \$16 billion;

the opportunity to combine resources, including consolidating and reducing areas of overlap in operating and other expenses, such as the expenses of maintaining two separate public companies;

the opportunity to combine expertise, including the skills of experienced managers in the semiconductor industry, to better meet the needs of the customers of both Cavium and Marvell;

the products and development capabilities of Cavium and Marvell are complementary, and should enable the combined company to offer broader product value to customers of both companies;

the opportunity for the combined company to become an R&D innovation engine to accelerate product development, positioning the combined company to meet today's massive and growing demand for solutions encompassing data storage, heterogeneous computing and high-speed connectivity;

the financial strength of the combined company and its ability to fund required investments to remain a leader in the semiconductor industry;

the fact that the share component of the Merger Consideration offers Cavium shareholders an opportunity to participate in the potential for earnings per share accretion and potential synergies created by the Merger;

the fact that the consideration proposed by Marvell reflected extensive negotiations between the parties and their respective advisors, and the Cavium board of directors' belief that the agreed Merger Consideration represented the best proposal and economic value available to Cavium shareholders, based upon an overall assessment of the net present value of the risk-adjusted returns that are likely to accrue to shareholders over the long term;

the historical share prices of Cavium and Marvell, including the fact that the implied value of the Merger Consideration of \$84.14 per share (based on the price per Marvell common share of \$20.29 on November 17, 2017, the last trading day prior to the approval by Cavium's board of directors of the Merger Agreement) represents a premium of approximately 27% based on the unaffected closing price per share of Cavium common stock of \$66.01 on November 2, 2017 (before the November 3, 2017 press reports regarding a possible strategic transaction between Cavium and Marvell) and the closing price per Marvell common share of \$20.29 on November 17, 2017;

the expectation that the Merger will result in greater long-term shareholder value than the potential for earnings per share accretion that might result from other alternatives available to Cavium, including seeking an alternative transaction with another third party or remaining an independent public company, in each case, considering the potential for Cavium shareholders to share in any future earnings growth of Cavium's businesses, and the continued expenses of operating a public company and the overall assessment of the net present value of the risk-adjusted returns that are likely to accrue to shareholders over the long term;

the Cavium board of directors' familiarity with, and understanding of, Cavium's business, assets, financial condition, results of operations, current business strategy, prospects and the risks facing the semiconductor industry and Cavium;

information and discussions with Cavium's management and advisors regarding Marvell's business, assets, financial condition, results of operations, current business strategy and prospects, including the projected long-term financial results of Marvell as a standalone company, the size and scale of the combined company and the expected pro forma effect of the proposed Merger on the combined company;

2017, that, as of such date and based upon and subject to the various assumptions made, procedures followed, matters considered and qualifications and limitations on the scope of the review undertaken by Qatalyst Partners as set forth in its written opinion, the Merger Consideration to be received pursuant to, and in accordance with, the Merger Agreement by the holders of shares of Cavium common stock (other than Marvell or any of its affiliates) was fair, from a financial point of view, to such holders, as more fully described in the section entitled *The Merger Opinions of Cavium's Financial Advisors, Qatalyst Partners and J.P. Morgan*. the oral opinion of J.P. Morgan delivered to the Cavium board of directors on November 19, 2017, which was confirmed by delivery of a written opinion from J.P. Morgan dated November 19, 2017, that, as of such date and based upon and subject to the factors and assumptions set forth in its opinion, the consideration to be paid to Cavium's shareholders in the proposed Merger was fair, from a financial point of view, to such holders, as more fully described in the section entitled *The Merger Opinions of Cavium's Financial Advisors, Qatalyst Partners and J.P. Morgan*. The full text of J.P. Morgan's written opinion, which sets forth, among other things, the assumptions made, procedures followed, matters considered and qualifications and limitations on the scope of the review undertaken by J.P. Morgan in rendering its opinion, is attached as [Annex D](#) to this joint proxy statement/prospectus, and Cavium shareholders are urged to read this written opinion in its entirety;

the fact that Cavium conducted a thorough process to explore Cavium's strategic alternatives during which representatives of Cavium sought offers from various potential buyers, none of which made an offer or even expressed an interest to engage in substantive discussions concerning a transaction with Cavium;

the commitment that Mr. Ali, Cavium's Co-Founder, Chief Executive Officer and Chairman of the board of directors, as well as two other members of Cavium's board of directors who will be designated by Marvell, will become members of the Marvell board of directors as of the Effective Time, which will provide additional semiconductor industry expertise to the Marvell board of directors and guidance on the integration of Cavium and Marvell;

the nature of the conditions to completion of the Merger included in the Merger Agreement, as well as the likelihood of satisfaction of all of the conditions to the completion of the proposed Merger;

the obligation of the parties to use reasonable best efforts to obtain approvals or clearances from CFIUS and applicable antitrust and competition authorities, including by furnishing certain information and agreeing to certain divestitures, hold separates and other conduct remedies (provided that Marvell will not be required to, among other things, take any actions which would reasonably be expected to result in a significant impact on the strategic or financial benefits of the Merger to Marvell or agree to divest Cavium's or Marvell's Ethernet switch or processor businesses), and Marvell's obligation to pay a termination fee to Cavium in the event that the Merger Agreement is terminated based on the failure to receive any required regulatory clearance by CFIUS and/or MOFCOM (as more fully described in the section entitled *The Merger*

Agreement Transaction Expenses and Termination Fees);

the delivery by Marvell of a debt commitment letter setting forth the financing commitments and other arrangements regarding the financing available to Marvell to complete the proposed Merger;

the fact that Marvell's obligations pursuant to the Merger Agreement are not subject to any financing condition or similar contingency based on Marvell's ability to obtain financing, and that Cavium would be entitled to specifically enforce the Merger Agreement, including the obligations of Marvell to complete the Merger, regardless of the availability or terms of Marvell's financing;

shareholders and relates to an alternative transaction, if the Cavium board of directors determines in good faith, after having taken into account the advice of an independent financial advisor of nationally recognized reputation and Cavium's outside legal counsel, that (a) such proposal is, or could reasonably be expected to lead to, a superior offer and (b) failure to take such action would reasonably be expected to be inconsistent with its directors' fiduciary obligations, subject to certain conditions (as more fully described in the section entitled *The Merger Agreement No Solicitation or Discussions by Cavium; No Change in Cavium Board Recommendation*);

the right of the Cavium board of directors to change its recommendation regarding the approval of the Merger Agreement, including to recommend a superior offer, if the Cavium board of directors has determined in good faith, after having taken into account the advice of an independent financial advisor of nationally recognized reputation and Cavium's outside legal counsel, that the failure to take such action would reasonably be expected to be inconsistent with its directors' fiduciary obligations, subject to certain conditions (including in connection with a termination of the Merger Agreement by Marvell as a result of such change of recommendation by the Cavium board of directors, the payment by Cavium to Marvell of a \$180 million termination fee) (as more fully described in the section entitled *The Merger Agreement No Solicitation or Discussions by Cavium; No Change in Cavium Board Recommendation*);

the fact that the Starboard Shareholders have signed a voting agreement obligating the Starboard Shareholders to vote all Marvell common shares owned by the Starboard Shareholders in favor of the approval of the Marvell Share Issuance until termination of the voting agreement, which occurs automatically upon the earliest of certain conditions, including termination of the Merger Agreement, the effective date of the Merger, Cavium's board of directors changing its recommendation regarding the adoption of the Merger Agreement, Marvell's board of directors changing its recommendation regarding the approval of the Marvell Share Issuance or a Cavium Triggering Event (as more fully described in the section entitled *The Merger Voting Agreements*);

the fact that Mr. Ali has signed a voting agreement obligating Mr. Ali to vote his Cavium shares in favor of the adoption of the Merger Agreement and the approval of the Merger and the other transactions contemplated by the Merger Agreement until termination of the voting agreement, which occurs automatically upon the earliest of certain conditions, including termination of the Merger Agreement, the effective date of the Merger, Cavium's board of directors changing its recommendation regarding the adoption of the Merger Agreement, Marvell's board of directors changing its recommendation regarding the approval of the Marvell Share Issuance or a Marvell Triggering Event (as more fully described in the section entitled *The Merger Voting Agreements*);

the right of Cavium and Marvell to specific performance to prevent breaches and to enforce the Merger Agreement (as more fully described in the section entitled *The Merger Agreement Specific Performance; Remedies*);

the availability of appraisal rights under Delaware law for the Cavium shareholders who oppose adoption of the Merger Agreement;

the customary nature of the other representations, warranties and covenants of Cavium in the Merger Agreement; and

the requirement that Cavium or Marvell pay a termination fee to the other party under certain circumstances specified in the Merger Agreement (as more fully described in the section entitled *The Merger Agreement Transaction Expenses and Termination Fees*).

In the course of its deliberations, the Cavium board of directors also considered a variety of risks and other potentially negative factors, including the following (which are not in any relative order of importance):

the possibility that the Merger may not be completed or that completion may be unduly delayed for reasons beyond the control of Cavium and/or Marvell, including the potential length of the regulatory

Table of Contents

review process and the risk that CFIUS and/or applicable antitrust and competition authorities may prohibit or enjoin the proposed Merger or otherwise impose conditions on Cavium and/or Marvell to obtain clearance for the Merger;

the fact that the Exchange Ratio is fixed, indicating that Cavium shareholders could be adversely affected by a decrease in the trading price of Marvell common shares during the pendency of the proposed Merger and the fact that the Merger Agreement does not provide Cavium with a price-based termination right or other similar protection in favor of Cavium or its shareholders;

the potential for diversion of management and employee attention and for increased employee attrition during the period prior to completion of the proposed Merger, and the potential effect of the proposed Merger on Cavium's business and relations with customers, suppliers and strategic partners;

the restrictions on the conduct of Cavium's business prior to completion of the proposed Merger, requiring Cavium to conduct its business and operations in the ordinary course in all material respects and substantially in accordance with past practice, subject to specific limitations, which could delay or prevent Cavium from undertaking business opportunities that may arise pending completion of the Merger and could negatively impact Cavium's ability to attract and retain employees and decisions of customers, suppliers and strategic partners;

the difficulty inherent in integrating the businesses, assets and workforces of two large companies and the risk that anticipated strategic and other benefits to Cavium and Marvell following completion of the proposed Merger, including any expected synergies, will not be realized or will take longer to realize than expected;

the transaction costs and retention costs to be incurred in connection with the proposed Merger, regardless of whether the proposed Merger is completed;

the fact that the Merger Agreement includes restrictions on the ability of Cavium to solicit proposals for alternative transactions or engage in discussions regarding such proposals, subject to certain exceptions (as more fully described in the section entitled *The Merger Agreement No Solicitation or Discussions by Cavium; No Change in Cavium Board Recommendation*);

Marvell's right to engage in negotiations with, and provide information to, a third party that makes an unsolicited proposal that is received prior to the approval of the Marvell Share Issuance by Marvell shareholders and relates to an alternative transaction if the Marvell board of directors determines in good faith, after having taken into account the advice of an independent financial advisor of nationally recognized reputation and Marvell's outside legal counsel, that (a) such proposal is, or could reasonably be expected to lead to, a superior offer and (b) failure to take such action would reasonably be expected to be inconsistent with its directors' fiduciary obligations, subject to certain conditions (as more fully described in the section entitled *The Merger Agreement No Solicitation or Discussions by Marvell; No Change in Marvell Board*

Recommendation);

the right of the Marvell board of directors to change its recommendation regarding the approval of the Marvell Share Issuance, including to recommend a superior offer, if the Marvell board of directors has determined in good faith, after having taken into account the advice of an independent financial advisor of nationally recognized reputation and Marvell's outside legal counsel, that the failure to take such action would reasonably be expected to be inconsistent with its directors' fiduciary obligations, subject to certain conditions (as more fully described in the section entitled *The Merger Agreement No Solicitation or Discussions by Marvell; No Change in Marvell Board Recommendation*);

the risk that if Marvell shareholders fail to approve the Marvell Share Issuance, then Marvell may terminate the Merger Agreement;

the fact that if the Merger is not completed, Cavium will have expended significant human and financial resources on a failed transaction, and may also be required to pay a termination fee under various circumstances (as more fully described in the section entitled *The Merger Agreement Transaction Expenses and Termination Fees*); and

various other risks associated with the Merger and the business of Cavium and the combined company described in the sections entitled *Risk Factors* and *Cautionary Note Regarding Forward-Looking Statements*, respectively.

The Cavium board of directors considered all of these factors as a whole, and, on balance, concluded that they supported a determination to approve the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Merger. The foregoing discussion of the information and factors considered by the Cavium board of directors is not exhaustive. In view of the wide variety of factors considered by the Cavium board of directors in connection with its evaluation of the proposed Merger and the complexity of these matters, the Cavium board of directors did not consider it practical to, nor did it attempt to, quantify, rank or otherwise assign relative weights to the specific factors that it considered in reaching its decision. The Cavium board of directors evaluated the factors described above, among others, and concluded that the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Merger, were advisable, fair to and in the best interests of Cavium and its shareholders. In considering the factors described above and any other factors, individual members of the Cavium board of directors may have viewed factors differently or given different weight or merit to different factors.

In considering the recommendation of the Cavium board of directors to approve the Merger Proposal, Cavium shareholders should be aware that Cavium's executive officers and directors may have interests in the Merger that are different from, or in addition to, those of Cavium shareholders generally. The Cavium board of directors was aware of these interests during its deliberations on the merits of the Merger and in deciding to recommend that Cavium shareholders vote **FOR** the Merger Proposal. See the section entitled *Interests of Cavium Directors and Executive Officers in the Merger* for more information.

Opinion of Marvell's Financial Advisor, Goldman Sachs

Goldman Sachs rendered its opinion to Marvell's board of directors that, as of the date of the written fairness opinion and based upon and subject to the factors and assumptions set forth therein, the Merger Consideration to be paid by Marvell for each outstanding share of Cavium common stock, pursuant to the Merger Agreement, was fair to Marvell from a financial point of view.

The full text of the written opinion of Goldman Sachs, dated November 19, 2017, which sets forth assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with the opinion, is attached as Annex B. Goldman Sachs provided advisory services and its opinion for the information and assistance of Marvell's board of directors in connection with its consideration of the transaction. The Goldman Sachs opinion is not a recommendation as to how any holder of Marvell common shares should vote on the proposed transaction or any other matter.

In connection with rendering the opinion described above and performing its related financial analyses, Goldman Sachs reviewed, among other things:

the Merger Agreement;

annual reports to shareholders and Annual Reports on Form 10-K of Marvell and Cavium for the five fiscal years ended January 28, 2017 and December 31, 2016, respectively;

certain interim reports to shareholders and Quarterly Reports on Form 10-Q of Marvell and Cavium;

certain other communications from Marvell and Cavium to their respective shareholders;

certain publicly available research analyst reports for Marvell and Cavium;

certain internal financial analyses and forecasts for Cavium prepared by its management and summarized in the section titled *The Merger Unaudited Prospective Financial Information Cavium Unaudited Financial Information* ; and

certain internal financial analyses and forecasts for Marvell stand-alone and pro forma for the transaction and certain financial analyses and forecasts for Cavium, in each case, as prepared by the management of Marvell and approved for Goldman Sachs use by Marvell (referred to in this section as the Forecasts), and certain operating synergies projected by the management of Marvell to result from the transaction, as approved for Goldman Sachs use by Marvell (referred to in this section as the Synergies) and summarized in the section entitled *The Merger Unaudited Prospective Financial Information Marvell Unaudited Financial Information*.

Goldman Sachs also held discussions with members of the senior managements of Marvell and Cavium regarding their assessment of the past and current business operations, financial condition and future prospects of Cavium and with the members of senior management of Marvell regarding their assessment of the past and current business operations, financial condition and future prospects of Marvell and the strategic rationale for, and the potential benefits of, the proposed transaction; reviewed the reported price and trading activity for the Marvell common shares and the shares of Cavium common stock; compared certain financial and stock market information for Marvell and Cavium with similar information for certain other companies the securities of which are publicly traded; reviewed the financial terms of certain recent business combinations in the semiconductor industry and in other industries; and performed such other studies and analyses, and considered such other factors, as it deemed appropriate.

For purposes of rendering its opinion, Goldman Sachs, with Marvell's consent, relied upon and assumed the accuracy and completeness of all of the financial, legal, regulatory, tax, accounting and other information provided to, discussed with or reviewed by it, without assuming any responsibility for independent verification thereof. In that regard, Goldman Sachs assumed with Marvell's consent that the Forecasts and the Synergies were reasonably prepared on a basis reflecting the best currently available estimates and judgments of the management of Marvell. Goldman Sachs did not make an independent evaluation or appraisal of the assets and liabilities (including any contingent, derivative or other off-balance-sheet assets and liabilities) of Marvell or Cavium or any of their respective subsidiaries and it was not furnished with any such evaluation or appraisal. Goldman Sachs assumed that all governmental, regulatory or other consents and approvals necessary for completion of the proposed transaction will be obtained without any adverse effect on Marvell or Cavium or on the expected benefits of the transaction in any way meaningful to its analysis. Goldman Sachs has also assumed that the transaction will be completed on the terms set forth in the Merger Agreement, without the waiver or modification of any term or condition the effect of which would be in any way meaningful to its analysis.

Goldman Sachs' opinion does not address the underlying business decision of Marvell to engage in the transaction or the relative merits of the transaction as compared to any strategic alternatives that may be available to Marvell; nor does it address any legal, regulatory, tax or accounting matters. Goldman Sachs' opinion addresses only the fairness from a financial point of view, as of the date of the opinion, of the Merger Consideration to be paid by Marvell for each outstanding share of Cavium common stock, pursuant to the Merger Agreement. Goldman Sachs' opinion does not express any view on, and does not address, any other term or aspect of the Merger Agreement or the transaction or any term or aspect of any other agreement or instrument contemplated by the Merger Agreement or entered into or amended in connection with the transaction, including the fairness of the transaction to, or any consideration received in connection therewith by, the holders of any class of securities, creditors, or other constituencies of Marvell; nor as to the fairness of the amount or nature of any compensation to be paid or payable to any of the officers, directors or employees of Marvell or Cavium, or any class of such persons in connection with the transaction, whether relative to the Merger Consideration to be paid by Marvell for each outstanding share of Cavium common stock pursuant to the Merger Agreement or otherwise. Goldman Sachs' opinion was necessarily based on economic, monetary market and other conditions as in effect on, and the information made available to it as of, the date of its opinion and Goldman Sachs assumed no responsibility for updating, revising or reaffirming its opinion based on circumstances, developments or events occurring after the date of its opinion. In addition, Goldman Sachs does not express any opinion as to the prices at which the Marvell common shares will trade at any time or as to the impact of the

transaction on the

solvency or viability of Marvell or Cavium or the ability of Marvell or Cavium to pay their respective obligations when they come due. Goldman Sachs' opinion was approved by a fairness committee of Goldman Sachs.

The following is a summary of the material financial analyses delivered by Goldman Sachs to Marvell's board of directors in connection with rendering the opinion described above. The following summary, however, does not purport to be a complete description of the financial analyses performed by Goldman Sachs, nor does the order of analyses described represent the relative importance or weight given to those analyses by Goldman Sachs. Goldman Sachs first calculated \$79.77 as the implied value of the per share Merger Consideration, determined by adding \$40.00, the cash portion of the per share Merger Consideration, to \$39.77, the implied value of the equity portion of the per share Merger Consideration calculated by multiplying the undisturbed price per Marvell common share on November 2, 2017, the last day of trading prior to rumors of a transaction surfacing, of \$18.28 by the exchange ratio of 2.1757.

Goldman Sachs then reviewed the historical trading prices and volumes for the shares of Cavium common stock for the five-year period ended November 16, 2017. In addition, Goldman Sachs analyzed the implied value of the per share Merger Consideration to be paid to holders of Cavium common stock pursuant to the Merger Agreement in relation to certain per share prices of Cavium common stock on certain dates and for certain periods. This analysis indicated that the implied value of the per share Merger Consideration represented:

a premium of 4.6% based on the closing price of \$76.30 per share of Cavium common stock on November 16, 2017;

a premium of 20.8% based on the closing price of \$66.01 per share of Cavium common stock on November 2, 2017;

a premium of 16.6% based on the volume-weighted average price of \$68.44 per share of Cavium common stock for the one-month period ended on November 2, 2017; and

a premium of 23.9% based on the volume-weighted average price of \$64.38 per share of Cavium common stock for the three-month period ended on November 2, 2017.

Goldman Sachs also noted that the 52-week high closing price per share of Cavium common stock for the period ended on November 2, 2017 was \$75.48 and the 52-week low closing price per share of Cavium common stock for the period ended on November 2, 2017 was of \$52.31.

Realtek Semiconductor Corp.

Silicon Motion Technology Corporation

In addition, Goldman Sachs also reviewed and compared certain financial information for Cavium and Marvell to corresponding financial information, ratios and public market multiples for the companies represented in the PHLX Semiconductor Sector index (the SOX Companies).

Although none of the Cavium Selected Companies is directly comparable to Cavium, none of the Marvell Selected Companies is directly comparable to Marvell, and none of the SOX Companies is directly comparable to either Cavium or Marvell, in each case such companies were chosen because they are publicly traded companies with operations that, for the purposes of analysis, may be considered similar to certain of Marvell's or Cavium's results, market size and product profile.

In addition, for each of the Cavium Selected Companies, the Marvell Selected Companies and the SOX Companies, Goldman Sachs calculated and compared various financial multiples and ratios using (i) the closing price per share as of November 2, 2017 and November 16, 2017 and (ii) the closing prices per share for the three-month, six-month, one-year, two-year and three-year periods ended on November 2, 2017 and November 16, 2017, respectively. Goldman Sachs also calculated for Cavium and Marvell various financial multiples and ratios using (i) the closing price per share as of November 2, 2017 and (ii) the closing price per share as of each date in the three-month, six-month, one-year, two-year and three-year periods ended on November 2, 2017. With respect to each of the Cavium Selected Companies, the Marvell Selected Companies, the SOX Companies, Cavium and Marvell, Goldman Sachs calculated:

such company's price per share as a multiple of its estimated next twelve months non-GAAP earnings per share based on the Institutional Brokers' Estimates System's (IBES) consensus estimates (referred to in this

section as the NTM P/E Ratio); and

such company's estimated enterprise value, which is (x) the value of such company's common equity based on closing prices multiplied by the number of outstanding shares of such company plus (y) the net debt of such company, in each case based on data obtained from S&P Capital IQ, as a multiple of its estimated next twelve months earnings before interest, taxes, depreciation and amortization (referred to in this section as EBITDA) excluding stock based compensation expense based on the IBES consensus estimates (referred to in this section as the NTM EV/EBITDA Multiple).

the estimated transaction enterprise value, which is (x) the announced per share consideration paid or payable in the applicable transaction multiplied by the number of diluted outstanding shares of the target company plus (y) the net debt of the target company, in each case based on data obtained from public filings, as a multiple of the target's estimated next twelve months' revenue from the announcement date of the transaction based on IBES consensus estimates (referred to in this section as the **NTM Transaction Revenue Multiple**);

the estimated transaction enterprise value, as a multiple of the target's estimated next twelve months' EBITDA excluding stock based compensation expense, from the announcement date of the transaction based on IBES estimates and data obtained from Wall Street research (referred to in this section as the **NTM Transaction EBITDA Multiple**); and

the announced per share consideration paid or payable in the applicable transaction, based on data obtained from public filings, as a multiple of the target's estimated next twelve months' earnings per share from the announcement date for the transaction based on IBES estimates and data obtained from Wall Street research (referred to in this section as the **NTM Transaction P/E Ratio**).

In addition, using data obtained from Thomson Reuters, Goldman Sachs also analyzed the premia paid in transactions involving the acquisition of control of U.S. targets with disclosed enterprise values greater than \$1 billion for the period from January 1, 2012 through November 16, 2017 and for the subset of such transactions with a target in the technology, media and telecom sector, in each case in relation to the closing prices per share of the common stock of the target involved in such transaction on the day prior to the announcement of such transaction. Goldman Sachs then applied an illustrative range of premia of 20% to 50% to the closing price of \$66.01 per share of Cavium common stock on November 2, 2017, to derive a range of implied per share equity values of \$79 to \$99 when rounded to the nearest dollar.

Illustrative Discounted Cash Flow Analysis. Using the Forecasts, Goldman Sachs performed an illustrative discounted cash flow analysis on Cavium. Using discount rates ranging from 10.0% to 14.0%, reflecting estimates of Cavium's weighted average cost of capital, Goldman Sachs discounted to present value as of September 30, 2017 (i) estimates of unlevered free cash flow for Cavium for the fourth quarter of 2017, and then annually through 2026 as reflected in the Forecasts and (ii) a range of illustrative terminal values for Cavium, which were calculated by applying perpetuity growth rates ranging from 4.0% to 6.0%, to a terminal year estimate of the free cash flow to be generated by Cavium, as reflected in the Forecasts (which analysis implied exit terminal year next twelve months EBITDA multiples, excluding stock based compensation, ranging from 6.8x to 16.6x). Goldman Sachs derived such discount rates by application of the capital asset pricing model, which requires certain company-specific inputs, including the company's target capital structure weightings, the cost of long-term debt, after-tax yield on permanent excess cash, if any, future applicable marginal cash tax rate and a beta for the company, as well as certain financial metrics for the United States financial markets generally. The range of perpetuity growth rates was estimated by Goldman Sachs utilizing its professional judgment and experience, taking into account the Forecasts and market expectations regarding long-term real growth of gross domestic product and inflation. Goldman Sachs derived ranges of illustrative enterprise values for Cavium by adding the ranges of present values it derived above. Goldman Sachs then subtracted from the range of

illustrative enterprise values it derived for Cavium the net debt of Cavium as of September 30, 2017, as publicly reported and provided by the management of Marvell, to derive a range of illustrative equity values for Cavium. Goldman Sachs then divided the range of illustrative equity values it derived by the number of fully diluted outstanding shares of Cavium, as provided by the management of Marvell, to derive a range of illustrative present values per share ranging from \$46.62 to \$119.05.

Illustrative Discounted Cash Flow Analysis. Using the Forecasts, Goldman Sachs performed an illustrative discounted cash flow analysis for Marvell on a stand-alone basis. Using discount rates ranging from 9.5% to 11.5%, reflecting estimates of Marvell's weighted average cost of capital, Goldman Sachs discounted to present value as of July 29, 2017 (i) estimates of unlevered free cash flow for Marvell for the second half of fiscal year 2018, and then annually through fiscal year 2023 as reflected in the Forecasts and (ii) a range of illustrative terminal values for Marvell, which were calculated by applying perpetuity growth rates ranging from 2.0% to 4.0%, to a terminal year estimate of the free cash flow to be generated by Marvell, as reflected in the Forecasts (which analysis implied exit terminal year next twelve months EBITDA multiples, excluding stock based compensation, ranging from 8.7x to 14.7x). Goldman Sachs derived such discount rates by application of the capital asset pricing model, which requires certain company-specific inputs, including the company's target capital structure weightings, the cost of long-term debt, after-tax yield on permanent excess cash, if any, future applicable marginal cash tax rate and a beta for the company, as well as certain financial metrics for the United States financial markets generally. The range of perpetuity growth rates was estimated by Goldman Sachs utilizing its professional judgment and experience, taking into account the Forecasts and market expectations regarding long-term real growth of gross domestic product and inflation. Goldman Sachs derived ranges of illustrative enterprise values for Marvell by adding the ranges of present values it derived above. Goldman Sachs then subtracted from the range of illustrative enterprise values it derived for Marvell the net debt of Marvell as of July 29, 2017, as publicly reported and provided by the management of Marvell, to derive a range of illustrative equity values for Marvell. Goldman Sachs then divided the range of illustrative equity values it derived by the number of fully diluted outstanding Marvell common shares, as provided by the management of Marvell, to derive a range of illustrative present values per share ranging from \$18.84 to \$28.11.

Using the Forecasts and the Synergies, Goldman Sachs also performed an illustrative discounted cash flow analysis for Marvell pro forma for the transaction (after giving effect to the Synergies). Using discount rates ranging from 10.0% to 12.0%, reflecting estimates of Marvell's pro forma weighted average cost of capital, Goldman Sachs discounted to present value as of July 29, 2017 (i) estimates of pro forma unlevered free cash flow for Marvell for the second half of fiscal year 2018, and then annually through fiscal year 2023, as reflected in the Forecasts, inclusive of the Synergies, and (ii) a range of illustrative pro forma terminal values for Marvell, which were calculated by applying perpetuity growth rates ranging from 3.5% to 5.5%, to a terminal year estimate of the pro forma free cash flow to be generated by Marvell as reflected in the Forecasts, inclusive of the Synergies that were grown at perpetuity growth rates ranging from 2.5% to 4.5% (which analysis implied exit terminal year next twelve months EBITDA multiples, excluding stock based compensation, ranging from 9.5x to 17.4x). Goldman Sachs derived such discount rates by application of the capital asset pricing model, which requires certain company-specific inputs, including the company's target capital structure weightings, the cost of long-term debt, after-tax yield on permanent excess cash, if any, future applicable marginal cash tax rate and a beta for the company pro forma for the transaction, as well as certain financial metrics for the United States financial markets generally. The ranges of perpetuity growth rates was estimated by Goldman Sachs utilizing its professional judgment and experience, taking into account the Forecasts and market expectations regarding long-term real growth of gross domestic product and inflation. Goldman Sachs derived ranges of illustrative pro forma enterprise values for Marvell by adding the ranges of present values it derived above. Goldman Sachs then subtracted from the range of illustrative pro forma enterprise values it derived for Marvell the pro forma net debt of Marvell, as provided by the management of Marvell, to derive a range of pro forma illustrative equity values for Marvell. Goldman Sachs then divided the range of illustrative equity values it derived by the pro forma number of fully diluted outstanding Marvell common shares, as provided by the management of Marvell, to derive a range of illustrative present values per Marvell common share pro forma for the transaction. This analysis indicated that the range of illustrative present values per Marvell common share pro forma for the transaction ranged from \$18.53 to \$34.36.

Illustrative Present Value of Future Share Price Analysis. Goldman Sachs performed an illustrative analysis of the implied present value of the future value per Marvell common share, which is designed to provide an

Table of Contents

indication of the present value of a theoretical future value of a company's equity as a function of such company's estimated future earnings and its assumed price to future earnings per share multiple. Goldman Sachs first calculated the implied values per Marvell common share as of the fiscal years ending February 3, 2018, February 2, 2019, February 1, 2020, January 30, 2021 and January 29, 2022, by applying a range of next twelve months price-to-earnings per share multiples of 14.0x to 16.0x to the estimated earnings per Marvell common share for the fiscal years ended February 2, 2019, February 1, 2020, January 30, 2021, January 29, 2022 and January 28, 2023 contained in the Forecasts. These illustrative multiple estimates were derived by Goldman Sachs utilizing its professional judgment and experience, taking into account undisturbed and historical trading data and next twelve months price-to-earnings per share multiples for Marvell and current and historical trading data and next twelve months price-to-earnings per share multiples for the Marvell Selected Companies and the SOX Companies. Goldman Sachs then discounted the implied values per Marvell common share back to implied present values as of July 29, 2017, using an illustrative discount rate of 10.2%, reflecting an estimate of Marvell's cost of equity. Goldman Sachs then used the same illustrative discount rate to discount back to implied present values as of July 29, 2017 the estimated cumulative dividends per Marvell common share for the fiscal years ended February 2, 2019, February 1, 2020, January 30, 2021, January 29, 2022 and January 28, 2023 contained in the Forecasts. Goldman Sachs derived such range of discount rates by application of the capital asset pricing model, which requires certain company-specific inputs, including a beta for the company, as well as certain financial metrics for the United States financial markets generally. Goldman Sachs then added together these theoretical future values per Marvell common share and the present value of the estimated cumulative dividends per Marvell common share. This analysis resulted in a range of implied present values of \$18 to \$23 per Marvell common share when rounded to the nearest dollar.

Goldman Sachs also performed an illustrative analysis of the implied present value of the future value per Marvell common share pro forma for the transaction. Goldman Sachs first calculated the implied values per Marvell common share pro forma for the transaction as of the fiscal years ended February 3, 2018, February 2, 2019, February 1, 2020, January 30, 2021 and January 29, 2022, by applying a range of next twelve months price-to-earnings per share multiples of 15.0x to 17.0x to the estimated pro forma earnings per Marvell common share for the fiscal years ended February 2, 2019, February 1, 2020, January 30, 2021, January 29, 2022 and January 28, 2023 contained in the Forecasts. These illustrative multiple estimates were derived by Goldman Sachs utilizing its professional judgment and experience, taking into account undisturbed and historical trading data and next twelve months price-to-earnings per share multiples for Marvell and current and historical trading data and next twelve months price-to-earnings per share multiples for the Marvell Selected Companies and the SOX Companies. Goldman Sachs then discounted the implied values per Marvell common share pro forma for the transaction back to implied present values as of July 29, 2017, using an illustrative discount rate of 11.3%, reflecting an estimate of Marvell's pro forma cost of equity. Goldman Sachs then used the same illustrative discount rate to discount back to implied present values as of July 29, 2017 the estimated pro forma cumulative dividends per Marvell common share for the fiscal years ended February 2, 2019, February 1, 2020, January 30, 2021, January 29, 2022 and January 28, 2023 contained in the Forecasts. Goldman Sachs derived such range of discount rates by application of the capital asset pricing model, which requires certain company-specific inputs, including a beta for the company, as well as certain financial metrics for the United States financial markets generally. Goldman Sachs then added together these theoretical future values per Marvell common share pro forma for the transaction and the present value of the estimated cumulative pro forma dividends per Marvell common share pro forma for the transaction. This analysis resulted in a range of implied present values of \$20 to \$28 per Marvell common share pro forma for the transaction when rounded to the nearest dollar.

General

The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. Selecting portions of the analyses or of the summary set forth above, without considering the analyses as a whole, could create an incomplete view of the processes underlying Goldman Sachs' opinion. In arriving

at its fairness determination, Goldman Sachs considered the results of all of its analyses and did not attribute any particular weight to any factor or analysis considered by it. Rather, Goldman Sachs made its

Table of Contents

determination as to fairness on the basis of its experience and professional judgment after considering the results of all of its analyses. No company or transaction used in the above analyses as a comparison is directly comparable to Marvell or Cavium or the contemplated transaction.

Goldman Sachs prepared these analyses for purposes of Goldman Sachs providing its opinion to Marvell's board of directors that, as of the date of the opinion, the Merger Consideration to be paid by Marvell for each outstanding share of Cavium common stock, pursuant to the Merger Agreement, was fair from a financial point of view to Marvell. These analyses do not purport to be appraisals nor do they necessarily reflect the prices at which businesses or securities actually may be sold. Analyses based upon forecasts of future results are not necessarily indicative of actual future results, which may be significantly more or less favorable than suggested by these analyses. Because these analyses are inherently subject to uncertainty, being based upon numerous factors or events beyond the control of the parties or their respective advisors, none of Marvell, Cavium, Goldman Sachs or any other person assumes responsibility if future results are materially different from those forecast.

The Merger Consideration was determined through arm's-length negotiations between Marvell and Cavium and was approved by Marvell's board of directors. Goldman Sachs provided advice to Marvell during these negotiations. Goldman Sachs did not, however, recommend any specific exchange ratio or amount of consideration to Marvell or its board of directors or that any specific exchange ratio or amount of consideration constituted the only appropriate exchange ratio or amount of consideration for the transaction.

As described above, Goldman Sachs' opinion to Marvell's board of directors was one of many factors taken into consideration by Marvell's board of directors in making its determination to approve the Merger Agreement. The foregoing summary does not purport to be a complete description of the analyses performed by Goldman Sachs in connection with the fairness opinion and is qualified in its entirety by reference to the written opinion of Goldman Sachs attached as Annex B.

Goldman Sachs and its affiliates are engaged in advisory, underwriting and financing, principal investing, sales and trading, research, investment management and other financial and non-financial activities and services for various persons and entities. Goldman Sachs and its affiliates and employees, and funds or other entities in which they invest or with which they co-invest, may at any time purchase, sell, hold or vote long or short positions and investments in securities, derivatives, loans, commodities, currencies, credit default swaps and other financial instruments of Marvell, Cavium, any of their respective affiliates and third parties, or any currency or commodity that may be involved in the transactions contemplated by the Merger Agreement for the accounts of Goldman Sachs and its affiliates and employees and their customers. Goldman Sachs acted as financial advisor to Marvell in connection with, and participated in certain of the negotiations leading to, the transactions contemplated by the Merger Agreement. At the request of Marvell, an affiliate of Goldman Sachs entered into financing commitments and agreements to provide Marvell with a \$900 million three-year term loan facility and an \$850 million 364-day bridge facility. An affiliate of Goldman Sachs may also act as a lead underwriter, initial purchaser, placement agent, arranger and bookrunner in connection with Marvell's possible incurrence of permanent debt financing to fund, in part, the cash portion of the Merger Consideration, to refinance certain existing indebtedness of Cavium and to pay related fees and expenses. The actual amount of aggregate fees received and to be received by Goldman Sachs and its affiliates in connection with this debt financing will depend upon, among other things, the timing of reductions of the bridge loan commitments and term loan facility, Marvell's credit rating and the issuance costs for such debt financing. Marvell estimates that Goldman Sachs and its affiliates will in the aggregate receive approximately \$10 million in fees in connection with the bridge loan facility, term loan facility and permanent debt financing. This estimate is based on various assumptions, including that Marvell will incur permanent debt financing in connection with the proposed transaction and will receive an investment grade credit rating from two of S&P, Moody's and Fitch. Except as disclosed herein with respect to the contemplated transaction and with respect to the debt financing, during the two year period ended

November 19, 2017, the Investment Banking Division of Goldman Sachs has not been engaged by Marvell, Cavium or their respective affiliates to provide financial advisory or underwriting services for which Goldman Sachs has received

compensation. Goldman Sachs may also in the future provide financial advisory or underwriting services to Marvell, Cavium and their respective affiliates for which the Investment Banking Division of Goldman Sachs may receive compensation, including compensation in connection with providing Marvell with a revolving credit facility, borrowings under which would be used for general corporate purposes.

The Marvell board of directors selected Goldman Sachs as its financial advisor because it is an internationally recognized investment banking firm that has substantial experience in transactions similar to the transaction. Pursuant to a letter agreement dated November 11, 2017, Marvell engaged Goldman Sachs to act as its financial advisor in connection with the contemplated transaction. The engagement letter between Marvell and Goldman Sachs provides for a transaction fee of \$22,000,000, of which \$5,000,000 became payable upon execution of the Merger Agreement, and the remainder of which is contingent upon completion of the Merger. In addition, Marvell has agreed to reimburse Goldman Sachs for certain of its expenses, including attorneys' fees and disbursements, and to indemnify Goldman Sachs and related persons against various liabilities, including certain liabilities under the federal securities laws.

Illustrative Discounted Cash Flow Analysis***Standalone Company***

Qatalyst Partners performed an illustrative discounted cash flow analysis, which is designed to imply a potential, present value per share for Cavium common stock as of December 31, 2017 by:

adding:

the implied net present value of the estimated future unlevered free cash flows of Cavium, based on the Cavium Projections, for calendar year 2018 through calendar year 2022 (which implied present value was calculated by using a mid-period discounting convention and a range of discount rates of 9.5% to 13.5%, based on an estimated weighted average cost of capital for Cavium);

the implied net present value of a corresponding terminal value of Cavium, calculated by multiplying Cavium's estimated net operating profit after tax (referred to in this joint proxy statement/prospectus as "NOPAT") in calendar year 2023 of approximately \$569 million, based on the Cavium Projections, by a range of fully-diluted enterprise value to next-twelve-months NOPAT multiples of 17.0x to 22.0x, and discounted to present value using the same range of discount rates used in the calculation of the implied net present value of the estimated future unlevered free cash flows of Cavium described above;

and

the estimated cash balance of Cavium as of December 31, 2017 of approximately \$178 million, as provided by Cavium management;

subtracting the estimated debt (including, without limitation, capital lease obligations and certain technology license obligations) of Cavium as of December 31, 2017 of approximately \$655 million, as provided by Cavium management;

applying a dilution factor of approximately 13% to reflect the dilution to Cavium shareholders over the projection period due to the effect of future issuances by Cavium of equity awards, as projected by Cavium's management; and

dividing the resulting amount (the Implied Equity Value) by the number of fully-diluted shares of Cavium common stock outstanding, adjusted for Cavium restricted stock units and Cavium options outstanding (options calculated using the treasury stock method), estimated as of December 31, 2017, as provided by Cavium management on November 14, 2017 (which number of fully diluted shares of Cavium common stock outstanding, based on the applicable Implied Equity Value, ranged from between approximately 83.0 million shares to 83.2 million shares).

Based on the calculations set forth above, this analysis implied a range of values for Cavium common stock of approximately \$72.34 to \$107.53 per share of Cavium common stock. Qatalyst Partners noted that the implied value of the consideration to be received by Cavium shareholders pursuant to the Merger Agreement was \$84.14 per share of Cavium common stock, based on Marvell's closing stock price on November 17, 2017.

Pro Forma Combined Company

Qatalyst Partners also performed an illustrative pro forma discounted cash flow analysis with respect to Marvell, taking into account the Merger, based on the Adjusted Pro Forma Combined Projections, to calculate indications of the implied pro forma present value of the Marvell common shares constituting the stock portion of the Merger Consideration as of December 31, 2017 and thus, by addition of the cash portion of the Merger Consideration, the per share merger consideration by:

adding:

the implied net present value of the estimated future unlevered free cash flows of Marvell, taking into account the Merger, based on the Adjusted Pro Forma Combined Projections (such estimated future unlevered free cash flows calculated by adding (i) the unlevered free cash flows based on the Cavium Projections, (ii) the unlevered free cash flows based on the Adjusted Marvell Projections, and (iii) the after-tax cost synergies calculated by subtracting the incremental cash taxes associated with the increased profits arising from the cost synergies (applying the pro forma cash tax rate) from the pre-tax cost synergies (based on the Adjusted Marvell Synergies), subtracting one-time costs to achieve the pre-tax cost synergies (as detailed in the Adjusted Marvell Synergies), and then adding the pro forma tax savings (as detailed in the Adjusted Marvell Synergies), for calendar year 2018 through calendar year 2022 (which implied present value was calculated by using a mid-period discounting convention and a range of discount rates of 9.0% to 12.5%, based on an estimated weighted average cost of capital for Marvell, taking into account the Merger); and

the implied net present value of a corresponding terminal value of Marvell, taking into account the Merger, calculated by multiplying Marvell's estimated NOPAT in calendar year 2023 of approximately \$1,523 million, based on the Adjusted Pro Forma Combined Projections, by a range of fully-diluted enterprise value to next-twelve-months NOPAT multiples of 14.0x to 18.0x, and discounted to present value using the same range of discount rates used in the calculation of the implied net present value of

the estimated future unlevered free cash flows of Marvell described above;

subtracting the estimated net debt of Marvell as of December 31, 2017 of approximately \$1,450 million, taking into account the Merger, as projected by the management of Marvell and the management of Cavium, respectively;

applying a dilution factor of approximately 13% to reflect the dilution to Marvell shareholders, taking into account the Merger, over the projection period due to the effect of future issuances of equity awards, as projected by the management of Cavium;

Table of Contents

dividing the resulting amount (the Implied Pro Forma Equity Value) by the number of fully-diluted Marvell common shares, adjusted for Marvell restricted stock units and Marvell options issued (options calculated using the treasury stock method), taking into account the Merger, estimated as of December 31, 2017, as provided by the management of Marvell and the management of Cavium, respectively (which number of fully diluted Marvell common shares, based on the applicable Implied Pro Forma Equity Value, ranged from between approximately 760.3 million shares and 763.8 million shares);

applying the exchange ratio comprising the stock portion of the Merger Consideration of 2.1757 Marvell common shares per share of Cavium common stock; and

adding the per share cash portion of the Merger Consideration of \$40.00 per share of Cavium common stock. Based on the calculations set forth above, this analysis implied a range of values for Cavium common stock of approximately \$82.75 to \$100.66 per share of Cavium common stock. Qatalyst Partners noted that the implied value of the consideration to be received by Cavium shareholders pursuant to the Merger Agreement was \$84.14 per share of Cavium common stock, based on Marvell's closing share price on November 17, 2017.

Miscellaneous

In connection with the review of the Merger by the Cavium board of directors, Qatalyst Partners performed a variety of financial and comparative analyses for purposes of rendering its opinion. The preparation of a financial opinion is a complex process and is not necessarily amenable to a partial analysis or summary description. In arriving at its opinion, Qatalyst Partners considered the results of all of its analyses as a whole and did not attribute any particular weight to any analysis or factor it considered. Qatalyst Partners believes that selecting any portion of its analyses, without considering all analyses as a whole, could create a misleading or incomplete view of the process underlying its analyses and opinion. In addition, Qatalyst Partners may have given various analyses and factors more or less weight than other analyses and factors, and may have deemed various assumptions more or less probable than other assumptions. As a result, the ranges of valuations resulting from any particular analysis described above should not be taken to be Qatalyst Partners' view of the actual value of Cavium. In performing its analyses, Qatalyst Partners made numerous assumptions with respect to industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of Cavium. Any estimates contained in Qatalyst Partners' analyses are not necessarily indicative of future results or actual values, which may be significantly more or less favorable than those suggested by such estimates.

Table of Contents

Qatalyst Partners conducted the analyses described above solely as part of its analysis of the fairness, from a financial point of view, of the Merger Consideration to be received pursuant to, and in accordance with, the terms of the Merger Agreement by Cavium shareholders, other than Marvell or any of its affiliates, and in connection with the delivery of its opinion to the Cavium board of directors. These analyses do not purport to be appraisals or to reflect the price at which Cavium common stock might actually trade.

Qatalyst Partners' opinion and its presentation to the Cavium board of directors were just some of the many factors considered by the Cavium board of directors in deciding to approve the Merger Agreement. The analyses as described above should not be viewed as determinative of the opinion of the Cavium board of directors with respect to the Merger Consideration to be received by Cavium shareholders pursuant to the Merger or of whether the Cavium board of directors would have been willing to agree to different consideration. The Merger Consideration was determined through arm's-length negotiations between Cavium and Marvell and was approved by the Cavium board of directors. Qatalyst Partners provided advice to Cavium during these negotiations. Qatalyst Partners did not, however, recommend any specific consideration to Cavium or that any specific consideration constituted the only appropriate consideration for the Merger.

Qatalyst Partners provides investment banking and other services to a wide range of corporations and individuals, domestically and offshore, from which conflicting interests or duties may arise. In the ordinary course of these activities, affiliates of Qatalyst Partners may at any time hold long or short positions, and may trade or otherwise effect transactions in debt or equity securities or loans of Cavium, Marvell or certain of their respective affiliates. During the two year period prior to November 19, 2017, the date of Qatalyst Partners' written opinion, no material relationship existed between Qatalyst Partners or any of its affiliates and Cavium or Marvell pursuant to which compensation was received by Qatalyst Partners or its affiliates. Qatalyst Partners and/or its affiliates may in the future provide investment banking and other financial services to Cavium or Marvell and their respective affiliates for which it would expect to receive compensation.

Under the terms of its engagement letter, Qatalyst Partners provided Cavium with financial advisory services in connection with the Merger for which it will be paid approximately \$38 million (provided that the final actual fee will be, in part, based on an average of Marvell's closing share price over ten consecutive trading days up to and including the second trading day immediately preceding the closing date of the Merger, and, accordingly, the final fee may vary significantly from this estimate), \$150,000 of which became payable upon the execution of its engagement letter, \$3.5 million of which became payable upon delivery of its opinion, and the remaining portion of which will be paid upon, and subject to, the completion of the Merger. Cavium has also agreed to indemnify Qatalyst Partners and its affiliates, their respective members, directors, officers, partners, agents and employees and any person controlling Qatalyst Partners or any of its affiliates against certain liabilities, including liabilities under the federal securities laws, and expenses related to or arising out of Qatalyst Partners' engagement.

Opinion of J.P. Morgan

Pursuant to an engagement letter dated November 2, 2017 with an effective date of August 16, 2017, Cavium retained J.P. Morgan as its financial advisor in connection with the proposed Merger.

At the meeting of the Cavium board of directors on November 19, 2017, J.P. Morgan rendered its oral opinion to the Cavium board of directors that, as of such date and based upon and subject to the factors and assumptions set forth in its opinion, the consideration to be paid to Cavium's shareholders in the proposed Merger was fair, from a financial point of view, to such holders. J.P. Morgan has confirmed its November 19, 2017 oral opinion by delivering its written opinion to the Cavium board of directors, dated November 19, 2017, that, as of such date, the consideration to be paid to Cavium's shareholders in the proposed Merger was fair, from a financial point of view, to such holders.

The full text of the written opinion of J.P. Morgan dated November 19, 2017, which sets forth the assumptions made, matters considered and limits on the review undertaken, is attached as Annex D to this joint proxy

Table of Contents

statement/prospectus and is incorporated herein by reference. The summary of the opinion of J.P. Morgan set forth in this joint proxy statement/prospectus is qualified in its entirety by reference to the full text of such opinion. Cavium's shareholders are urged to read the opinion in its entirety. J.P. Morgan's written opinion was addressed to the Cavium board of directors (in its capacity as such) in connection with and for the purposes of its evaluation of the proposed Merger, was directed only to the consideration to be paid in the Merger and did not address any other aspect of the Merger. J.P. Morgan expressed no opinion as to the fairness of the consideration to the holders of any other class of securities, creditors or other constituencies of Cavium or as to the underlying decision by Cavium to engage in the proposed Merger. The issuance of J.P. Morgan's opinion was approved by a fairness committee of J.P. Morgan. The opinion does not constitute a recommendation to any shareholder of Cavium as to how such shareholder should vote with respect to the proposed Merger or any other matter.

In arriving at its opinion, J.P. Morgan, among other things:

reviewed a draft dated November 18, 2017 of the Merger Agreement;

reviewed certain publicly available business and financial information concerning Cavium and Marvell and the industries in which they operate;

compared the proposed financial terms of the Merger with the publicly available financial terms of certain transactions involving companies J.P. Morgan deemed relevant and the consideration paid for such companies;

compared the financial and operating performance of Cavium and Marvell with publicly available information concerning certain other companies J.P. Morgan deemed relevant and reviewed the current and historical market prices of Cavium common stock and certain publicly traded securities of such other companies;

reviewed certain internal financial analyses and forecasts prepared by or at the direction of the managements of Cavium and Marvell relating to their respective businesses, as well as the estimated amount and timing of cost savings and related expenses and synergies expected to result from the Merger (which, as adjusted by Cavium, as described below in the section titled *The Merger Unaudited Prospective Financial Information Cavium Unaudited Prospective Financial Information*, are referred to in this section of this joint proxy statement/prospectus as the Adjusted Marvell Synergies); and

performed such other financial studies and analyses and considered such other information as J.P. Morgan deemed appropriate for the purposes of its opinion.

In addition, J.P. Morgan held discussions with certain members of the management of Cavium and Marvell with respect to certain aspects of the Merger, and the past and current business operations of Cavium and Marvell, the financial condition and future prospects and operations of Cavium and Marvell, the effects of the Merger on the financial condition and future prospects of Cavium and Marvell, and certain other matters J.P. Morgan believed necessary or appropriate to its inquiry.

In giving its opinion, J.P. Morgan relied upon and assumed the accuracy and completeness of all information that was publicly available or was furnished to or discussed with J.P. Morgan by Cavium and Marvell or otherwise reviewed by or for J.P. Morgan, and J.P. Morgan did not independently verify (and did not assume responsibility or liability for independently verifying) any such information or its accuracy or completeness. J.P. Morgan did not conduct and was not provided with any valuation or appraisal of any assets or liabilities, nor did J.P. Morgan evaluate the solvency of Cavium or Marvell under any applicable laws relating to bankruptcy, insolvency or similar matters. In relying on financial analyses and forecasts provided to J.P. Morgan or derived therefrom, including the Adjusted Marvell Synergies, J.P. Morgan assumed that they were reasonably prepared based on assumptions reflecting the best currently available estimates and judgments by management as to the expected future results of operations and financial condition of Cavium and Marvell to which such analyses or forecasts relate. J.P. Morgan expressed no view as to such analyses or forecasts (including the Adjusted Marvell

Table of Contents

Synergies) or the assumptions on which they were based. J.P. Morgan also assumed that the Merger and the other transactions contemplated by the Merger Agreement will have the tax consequences described in this joint proxy statement/prospectus, and in discussions with, and materials furnished to J.P. Morgan by, representatives of Cavium, and will be completed as described in the Merger Agreement and this joint proxy statement/prospectus, and that the definitive Merger Agreement would not differ in any material respect from the draft thereof provided to J.P. Morgan. J.P. Morgan also assumed that the representations and warranties made by Cavium and Marvell in the Merger Agreement and the related agreements were and will be true and correct in all respects material to its analysis. J.P. Morgan is not a legal, regulatory or tax expert and relied on the assessments made by advisors to Cavium with respect to such issues. J.P. Morgan further assumed that all material governmental, regulatory or other consents and approvals necessary for the completion of the Merger will be obtained without any adverse effect on Cavium or Marvell or on the contemplated benefits of the Merger.

J.P. Morgan's opinion was necessarily based on economic, market and other conditions as in effect on, and the information made available to J.P. Morgan as of, the date of such opinion. J.P. Morgan's opinion noted that subsequent developments may affect its opinion, and that J.P. Morgan does not have any obligation to update, revise, or reaffirm such opinion. J.P. Morgan's opinion is limited to the fairness, from a financial point of view, of the consideration to be paid to Cavium's shareholders in the proposed Merger, and J.P. Morgan has expressed no opinion as to the fairness of any consideration to the holders of any other class of securities, creditors or other constituencies of Cavium or the underlying decision by Cavium to engage in the Merger. Furthermore, J.P. Morgan expressed no opinion with respect to the amount or nature of any compensation to any officers, directors, or employees of any party to the proposed Merger, or any class of such persons relative to the consideration in the proposed Merger or with respect to the fairness of any such compensation. J.P. Morgan expressed no opinion as to the price at which Cavium common stock or Marvell common shares will trade at any future time

The terms of the Merger Agreement, including the consideration, were determined through arm's length negotiations between Cavium and Marvell, and the decision to enter into the Merger Agreement was solely that of the Cavium board of directors and the Marvell board of directors. J.P. Morgan's opinion and financial analyses were only one of the many factors considered by the Cavium board of directors in its evaluation of the proposed Merger and should not be viewed as determinative of the views of the board of directors or management of Cavium with respect to the proposed Merger or the consideration.

In accordance with customary investment banking practice, J.P. Morgan employed generally accepted valuation methodologies in rendering its opinion to the Cavium board of directors on November 19, 2017 and contained in the presentation delivered to the Cavium board of directors in connection with the rendering of such opinion and does not purport to be a complete description of the analyses or data presented by J.P. Morgan. Some of the summaries of the financial analyses include information presented in tabular format. The tables are not intended to stand alone, and in order to more fully understand the financial analyses used by J.P. Morgan, the tables must be read together with the full text of each summary. Considering the data set forth below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of J.P. Morgan's analyses.

Public Trading Multiples

Using publicly available information, J.P. Morgan compared selected financial data of Cavium with similar data for selected publicly traded companies in the semiconductor industry:

Inphi Corporation

Integrated Device Technology, Inc.

MACOM Technology Solutions Holdings, Inc.

Marvell Technology Group Ltd.

MaxLinear, Inc.

Table of Contents

Mellanox Technologies, Ltd.

Microsemi Corporation

Semtech Corporation

Silicon Laboratories Inc.

Xilinx, Inc.

These companies were selected, among other reasons, because they are publicly traded companies with operations and businesses that, for purposes of J.P. Morgan's analysis, may be considered similar to those of Cavium based on business sector participation, operational characteristics and financial metrics. None of the selected companies is identical to Cavium, and certain of the selected companies may have characteristics that are materially different from those of Cavium. The analyses necessarily involve complex considerations and judgments concerning differences in financial and operational characteristics of the companies involved and other factors that could affect the companies differently than they would affect Cavium. Using publicly available information, J.P. Morgan calculated, for each selected company, (1) the multiple of firm value (which is referred to in this section as FV) as of November 17, 2017 to estimated EBITDA (earnings before interest, tax, depreciation and amortization and excluding stock-based compensation) for the calendar year 2018 (FV/EBITDA CY2018E) and (2) the multiple of closing share price as of November 17, 2017 to estimated earnings per share for the calendar year 2018 (P/E CY2018E), in each case based on Wall Street analysts' consensus estimates. This analysis indicated the following FV/EBITDA CY2018E and P/E CY2018E multiples:

	FV/EBITDA CY2018E	P/E CY2018E
Inphi Corporation	17.9x	19.8x
Integrated Device Technology, Inc.	15.8x	18.0x
MACOM Technology Solutions Holdings, Inc.	13.4x	15.8x
Marvell Technology Group Ltd. (1)	10.6x	14.9x
MaxLinear, Inc.	13.4x	14.6x
Mellanox Technologies, Ltd.	13.3x	19.4x
Microsemi Corporation	11.7x	12.0x
Semtech Corporation	12.3x	17.6x
Silicon Laboratories Inc.	20.2x	26.1x
Xilinx, Inc.	17.0x	21.8x

(1) Based on the closing price of Marvell Technology Group Ltd on November 3, 2017, prior to release of media outlet reports of Cavium's potential transaction with Marvell.

Based on the results of this analysis and such other factors that J.P. Morgan considered relevant, J.P. Morgan selected a multiple reference range for FV/EBITDA CY2018E of 11.0x - 18.0x and a multiple reference range for P/E CY2018E of 15.0x - 20.0x.

After applying such ranges to Cavium management's estimate of EBITDA and EPS for Cavium for calendar year 2018, the analysis indicated the following implied equity value per share ranges for Cavium common stock, rounded to the nearest \$0.25:

	Implied equity value per share	
	Low	High
FV/EBITDA CY2018E	\$ 51.00	\$ 87.50
P/E CY2018E	\$ 53.75	\$ 71.50

Table of Contents***Transaction Multiples Analysis***

Using publicly available information, J.P. Morgan examined selected transactions involving businesses that J.P. Morgan considered to be sufficiently analogous to Cavium's business or aspects thereof for purposes of analysis. For each of the selected transactions, J.P. Morgan calculated the FV implied for the target company as a multiple of the target company's EBITDA for the 12-month period following the announcement of the applicable transaction, adjusted to exclude stock-based compensation (which is referred to as FV / NTM EBITDA). These transactions were selected, among other reasons, because the businesses involved in these transactions share similar business characteristics to Cavium based on business sector participation, operational characteristics and financial metrics. Specifically, J.P. Morgan reviewed the following transactions:

Month/Year Announced	Acquiror	Target	FV / NTM EBITDA
October 2016	QUALCOMM Incorporated	NXP Semiconductors N.V.	13.8x
September 2016	Renesas Electronics Corporation	Intersil Corporation	20.2x
July 2016	Analog Devices, Inc.	Linear Technology Corporation	16.2x
January 2016	Microchip Technology Incorporated	Atmel Corporation	16.3x
November 2015	Microsemi Corporation	PMC-Sierra, Inc.	15.9x
June 2015	Intel Corporation	Altera Corporation	23.2x
May 2015	Avago Technologies Limited	Broadcom Corporation	12.2x
March 2015	NXP Semiconductors N.V.	Freescale Semiconductor, Ltd.	13.3x
October 2014	QUALCOMM Incorporated	CSR plc	16.6x
June 2014	Analog Devices, Inc.	Hittite Microwave Corporation	13.8x

Based on the results of this analysis and other factors that J.P. Morgan considered relevant, J.P. Morgan selected a multiple reference range of 13.0x - 20.0x for FV / NTM EBITDA.

After applying such ranges to Cavium management's estimates for NTM EBITDA, the analysis indicated the following implied equity value per share range for Cavium common stock, rounded to the nearest \$0.25:

	Implied equity value per share	
	Low	High
FV / NTM EBITDA	\$ 58.50	\$ 93.25

Discounted Cash Flow Analysis

J.P. Morgan conducted a discounted cash flow analysis for the purpose of determining the implied fully diluted equity value per share for Cavium common stock. J.P. Morgan calculated the unlevered free cash flows that Cavium is expected to generate during the remainder of 2017 (applying a valuation date as of September 30, 2017) and calendar years 2018 through 2027 based upon the Cavium Projections. J.P. Morgan treated stock-based compensation as a cash expense in the unlevered free cash flow calculation for purposes of its discounted cash flow analysis, as stock-based compensation was viewed as a true economic expense of the business. Based on Cavium management's estimates of a 3.0% terminal growth rate applicable to the industry in which Cavium

Table of Contents

operates, J.P. Morgan also calculated a range of terminal values for Cavium at the end of the projection period by applying terminal growth rates ranging from 2.5% to 3.5% to the unlevered free cash flows, which J.P. Morgan selected based on its professional judgment. The unlevered free cash flows and the range of terminal values were then discounted to present values using discount rates ranging from 9.0% to 11.0%, which range was chosen by J.P. Morgan based upon an analysis of the weighted average cost of capital of Cavium, taking into account macro-economic assumptions, estimates of risk, Cavium's capital structure and other factors J.P. Morgan deemed appropriate. The present values of the unlevered free cash flows and the range of terminal values were then adjusted for Cavium's net debt as of September 30, 2017 and divided by the fully diluted shares outstanding of Cavium (calculated using the treasury stock method). The discounted cash flow analysis indicated the following implied equity value per share range for Cavium common stock, rounded to the nearest \$0.25:

	Implied equity value per share	
	Low	High
Discounted Cash Flow	\$ 54.75	\$ 86.00
<i>Intrinsic Value of Merger Consideration DCF Based</i>		

J.P. Morgan prepared a value creation analysis that compared the equity value calculated from J.P. Morgan's discounted cash flow analysis of Cavium on a standalone basis to Cavium shareholders' pro forma ownership of the equity value of the combined company. The pro forma combined company equity value was equal to: (1) the Cavium standalone discounted cash flow value of \$4.9 billion, plus (2) the Marvell standalone discounted cash flow value of \$9.9 billion, as derived from the Adjusted Marvell Projections, plus (3) the present value of Cavium management's estimates of after-tax synergies of \$2.0 billion (net of one-time costs to achieve such synergies), less (4) the cash consideration paid to Cavium's shareholders in the proposed Merger and Cavium management's estimates of the transaction expenses of \$2.9 billion in the aggregate. For purposes of the discounted cash flow values used in this analysis, J.P. Morgan used a terminal growth rate of 3.0% for the unlevered free cash flow for Cavium and a terminal growth rate of 2.0% for the unlevered free cash flow for Marvell and for the Adjusted Marvell Synergies, in each case as estimated by Cavium's management, and a discount rate of 10.0%. The discount rate of 10.0% was chosen by J.P. Morgan based upon an analysis of the weighted average cost of capital of Marvell, taking into account macro-economic assumptions, estimates of risk, Marvell's capital structure and other factors J.P. Morgan deemed appropriate. J.P. Morgan then determined the implied pro forma equity value of the combined company attributable to Cavium's shareholders based on the equity ownership percentage of the combined company of approximately 25% to be owned by Cavium's shareholders implied by the exchange ratio provided for in the Merger Agreement plus the cash consideration to be paid to Cavium's shareholders. J.P. Morgan then compared the result to the implied equity value of Cavium on a standalone basis derived from the discounted cash flow analysis described above. The value creation analysis indicated (i) implied total equity value of \$6.2 billion, (ii) implied equity value per share, rounded to the nearest \$0.25, of \$84.50 and (iii) implied pro forma accretion in equity value to the holders of Cavium common stock of 26%.

Other Information

J.P. Morgan reviewed and presented other information, including historical stock trading and equity research analyst price targets, and noted that these are not valuation methodologies and were presented for reference purposes only.

Historical Stock Trading

J.P. Morgan reviewed the 52-week trading range of Cavium common stock for the period ended November 3, 2017 (the last market close prior to release of media outlet reports of Cavium's potential transaction with Marvell on November 3, 2017). J.P. Morgan noted that the low and high closing share prices during this period were \$52.35 and \$75.48 per share of Cavium common stock, respectively.

Equity Research Analyst Price Targets

J.P. Morgan reviewed the price targets of public equity research analysts for Cavium common stock, which provided a reference range as of November 3, 2017 (the last market close prior to release of media outlet reports of Cavium's potential transaction with Marvell on November 3, 2017) of \$67.00 to \$85.00 per share of Cavium common stock.

Miscellaneous

The foregoing summary of certain material financial analyses does not purport to be a complete description of the analyses or data presented by J.P. Morgan. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. J.P. Morgan believes that the foregoing summary and its analyses must be considered as a whole and that selecting portions of the foregoing summary and these analyses, without considering all of its analyses as a whole, could create an incomplete view of the processes underlying the analyses and its opinion. As a result, the ranges of valuations resulting from any particular analysis or combination of analyses described above were merely utilized to create points of reference for analytical purposes and should not be taken to be the view of J.P. Morgan with respect to the actual value of Cavium or Marvell. The order of analyses described does not represent the relative importance or weight given to those analyses by J.P. Morgan. In arriving at its opinion, J.P. Morgan did not attribute any particular weight to any analyses or factors considered by it and did not form an opinion as to whether any individual analysis or factor (positive or negative), considered in isolation, supported or failed to support its opinion. Rather, J.P. Morgan considered the totality of the factors and analyses performed in determining its opinion.

Analyses based upon forecasts of future results are inherently uncertain, as they are subject to numerous factors or events beyond the control of the parties and their advisors. Accordingly, forecasts and analyses used or made by J.P. Morgan are not necessarily indicative of actual future results, which may be significantly more or less favorable than suggested by those analyses. Moreover, J.P. Morgan's analyses are not and do not purport to be appraisals or otherwise reflective of the prices at which businesses actually could be acquired or sold. None of the selected companies reviewed as described in the above summary is identical to Cavium or Marvell, and none of the selected transactions reviewed was identical to the Merger. However, the companies selected were chosen because they are publicly traded companies with operations and businesses that, for purposes of J.P. Morgan's analysis, may be considered similar to those of Cavium and Marvell. The transactions selected were similarly chosen because their participants, size and other factors, for purposes of J.P. Morgan's analysis, may be considered similar to the Merger. The analyses necessarily involve complex considerations and judgments concerning differences in financial and operational characteristics of the companies involved and other factors that could affect the companies compared to Cavium and Marvell and the transactions compared to the Merger.

As a part of its investment banking business, J.P. Morgan and its affiliates are continually engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, investments for passive and control purposes, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements, and valuations for corporate and other purposes. J.P. Morgan was selected to advise Cavium with respect to the Merger on the basis of, among other things, such experience and its qualifications and reputation in connection with such matters and its familiarity with Cavium, Marvell and the industries in which they operate.

For services rendered in connection with the Merger, Cavium has agreed to pay J.P. Morgan a fee of approximately \$25 million, of which \$3.5 million became payable upon delivery of the opinion and the remainder will be payable only upon the completion of the Merger. In addition, Cavium has agreed to reimburse J.P. Morgan for its expenses incurred in connection with its services, including the fees and disbursements of counsel, and will indemnify J.P. Morgan against certain liabilities arising out of J.P. Morgan's engagement. During the two years preceding the date of

J.P. Morgan's opinion, J.P. Morgan and its affiliates have had commercial or investment banking relationships with Cavium for which J.P. Morgan and such affiliates have received customary compensation. Such services during such period have included acting as sole lead arranger

and bookrunner on Cavium's term loan facilities in August 2016 and in March 2017 and acting as financial advisor to Cavium on its acquisition of QLogic in August 2016. In addition, J.P. Morgan's commercial banking affiliate is an agent bank and a lender under outstanding credit facilities of Cavium, for which it receives customary compensation or other financial benefits. During the two years preceding delivery of its opinion ending on November 19, 2017, neither J.P. Morgan nor its affiliates had any material financial advisory or other material commercial or investment banking relationships with Marvell. During such two year period, the aggregate fees received by J.P. Morgan from Cavium were approximately \$25 million. In addition, as of November 2, 2017, J.P. Morgan and its affiliates held, on a proprietary basis, less than 1% of the outstanding common shares of each of Cavium and Marvell. In the ordinary course of their businesses, J.P. Morgan and its affiliates may actively trade the debt and equity securities of Cavium or Marvell for their own accounts or for the accounts of customers and, accordingly, they may at any time hold long or short positions in such securities.

Unaudited Prospective Financial Information***Marvell Unaudited Prospective Financial Information******Marvell Management Projections of Marvell Financial Information***

As noted above, Marvell does not normally publicly disclose long-term projections as to future revenue, earnings or other results due to, among other reasons, the uncertainty, unpredictability and subjectivity of the underlying assumptions and estimates. However, in connection with the evaluation of the Merger, Marvell provided its board of directors and its financial advisor (Goldman Sachs) with certain non-public, unaudited financial forecasts relating to Marvell that were prepared by management of Marvell (the Marvell Management Projections). The projections for fiscal years 2018 through 2023 were prepared for the purpose of evaluating the Merger, and not for public disclosure. Marvell provided to Cavium a subset of the Marvell Management Projections limited to fiscal years 2018 through 2021.

The following table presents a summary of the Marvell Management Projections:

Marvell Management Synergy Projections

Marvell developed and provided to Goldman Sachs projections relating to the anticipated synergies (excluding any potential tax synergies) for Marvell's fiscal years 2018 through 2023 that would result from the Merger (the *Marvell Management Synergy Projections*). Cavium has entered into employment agreements or offer letters with each of its executive officers, which, among other things, specify the severance payments and/or benefits to be provided upon termination of employment in certain circumstances. Under the terms of Mr. Ali's employment agreement with Cavium, if Cavium terminates Mr. Ali's employment without cause (as defined in his employment agreement) or Mr. Ali is constructively terminated (as defined in his employment agreement), Mr. Ali will be entitled to receive \$14,583 (less applicable withholding taxes) per month for a period of 12 months and, if terminated without cause, will also receive reimbursement for health care continuation coverage for the same period, subject to his execution of a release of claims and subject to potential reduction if he secures employment (or its equivalent) during such 12-month period.

Under Cavium's amended and restated offer letter agreement with Mr. Hussain, if his employment is terminated without cause (as defined in his offer letter) or Mr. Hussain resigns for good reason (as defined in his offer letter), subject to his execution of a release of claims, Mr. Hussain will be entitled to receive a lump sum payment equal to 12 months of his base salary and payment of his COBRA premiums for up to 12 months, subject to reduction if Mr. Hussain obtains health benefits from a subsequent employer or ceases to be eligible for COBRA coverage.

Under the terms of Mr. Jain's offer letter agreement with Cavium, if Cavium terminates his employment for any reason, Mr. Jain is entitled to receive his salary as well as benefits for three months after such termination.

Cavium's offer letter agreement with Mr. Pangrazio provides that if Cavium terminates Mr. Pangrazio's employment without cause (as defined in his offer letter) or Mr. Pangrazio resigns for good reason (as defined in his offer letter), two-thirds of his unvested stock options and restricted stock units will become vested and Mr. Pangrazio will receive a lump sum payment equal to six months of his base salary plus half of his target annual cash bonus (if applicable) and payment of COBRA premiums for six months (subject to reduction if Mr. Pangrazio obtains comparable health benefits from a subsequent employer); provided that if such qualifying termination of employment occurs within three months prior to or 12 months following a change in control (as defined in his offer letter agreement), which would include the Merger, or Mr. Pangrazio is not offered a similar position of responsibility within the surviving or continuing entity within three months following the change in control, Mr. Pangrazio's unvested stock options and restricted stock units will vest in full. Under his offer letter agreement, in the event of a change in control, Mr. Pangrazio also has agreed to assist Cavium with the transition following a change in control for up to three months.

Under an offer letter agreement between Mr. Chadwick and Cavium, in the event his employment is terminated by Cavium other than for cause (as such term is defined in his offer letter agreement) or Mr. Chadwick terminates his employment for good reason (as such term is defined in his offer letter agreement), 50% of his stock options and stock awards will vest upon such termination; provided that, if such termination occurs within three months prior to or 12 months following a change in control (as defined in his offer letter agreement), which would include the Merger, or Mr. Chadwick is not offered the position of chief financial officer of the surviving or continuing entity within three months following the change in control, then Mr. Chadwick's stock options and stock awards will vest in full. Under his offer letter agreement, in the event of a change in control, Mr. Chadwick also has agreed to assist Cavium with the transition following a change in control for up to six months.

Terms of Equity Awards Held by Executive Officers

Under the terms of the applicable equity award agreements that Cavium has entered into with its executive officers, the executive officers are entitled to acceleration of their awards upon a qualifying termination of employment in connection with a change in control, or, in the case of certain performance based awards, may be entitled to single

trigger acceleration, followed by double trigger acceleration for the remainder of the performance period. Under the terms of the equity awards granted to Cavium's executive officers in February

Table of Contents

2014, February 2015 and February 2016, 100% of the options and restricted stock units granted to Messrs. Ali, Hussain, Chadwick, Jain, and Pangrazio will immediately vest if the executive's employment is terminated by Cavium without cause (as defined in the award agreement) or the executive resigns for good reason (as defined in the award agreement) within 12 months following the change in control (as defined in the award agreement), which would include the Merger, or, with respect to those awards granted in February 2015 and February 2016, within three months prior to or 12 months following a change in control.

Under the terms of the options granted to Cavium's executive officers in February 2017 and restricted stock units granted to Messrs. Hussain, Chadwick, Jain, and Pangrazio in February 2017 and in January 2018, 100% of the awards will immediately vest if the executive's employment is terminated by Cavium without cause (as defined in the award agreement) or the executive resigns for good reason (as defined in the award agreement) within three months prior to or 12 months following a change in control (as defined in the award agreement), which would include the Merger. Under the terms of the PRSUs granted to each of Cavium's executive officers in 2017 and 2018, which become earned based on a non-GAAP EPS performance target, if a change of control (as defined in the award agreement), which would include the Merger, occurs on or prior to January 31, 2018 (January 31, 2019 for the awards granted in January 2018), then 50% of the target number of PRSUs will be delivered on January 31, 2018 (January 31, 2019 for the awards granted in January 2018), and the remaining 50% of the target number of PRSUs will be delivered on January 31, 2019 (January 31, 2020 for the awards granted in January 2018), subject to the executive's continuous service through such date. If following such change of control and on or prior to January 31, 2019 (January 31, 2020 for the awards granted in January 2018) either (i) the executive's employment with Cavium is terminated without cause (as defined in the award agreement) or (ii) the executive resigns for good reason (as defined in the award agreement), then the target number of PRSUs (less any shares previously delivered) will be delivered on the date of such termination or resignation.

Under the terms of Mr. Ali's PRSUs granted in 2015 with a two-year revenue target, in the event there is a change of control (as defined in the award agreement), which would include the Merger, on or prior to January 31, 2017, then two-thirds of the target shares will be delivered on January 31, 2017, and an additional one-third of the target shares will be delivered on January 31, 2018, subject to Mr. Ali's continuous service through such date. If following such change of control and on or prior to January 31, 2018 either (i) Mr. Ali's employment with Cavium is terminated without cause (as defined in the stock award agreement) or (ii) Mr. Ali resigns for good reason (as defined in the stock award agreement), then the PRSUs will vest at the target level on the date of such termination or resignation.

In addition, the terms of Mr. Ali's PRSUs granted in 2015 with a stock price contingent performance target, provide that in the event a change in control (as defined in the award agreement), which would include the Merger, occurs on or prior to January 31, 2019 and (i) neither of the stock price contingent criteria are achieved prior to such change of control, and (ii) following such change of control (but in any case on or prior to January 31, 2019), either (x) Mr. Ali's employment with Cavium is terminated without cause (as defined in the award agreement) or (y) Mr. Ali resigns for good reason (as defined in the award agreement), the PRSUs will vest at the target level on the date of such termination or resignation.

The terms of Mr. Ali's TSR-based PRSUs granted in February 2016 provide that in the event that a change in control (as defined in the award agreement), which would include the Merger, occurs on or prior to February 11, 2019, then the performance period will be deemed to end upon the completion of the change of control and a pro rata portion of the shares subject to the PRSU award will vest upon such change of control. The remaining unvested shares subject to the PRSU award will vest in equal annual installments during the performance period; provided, however, if following such change of control and on or prior to February 12, 2019 either (i) Mr. Ali's employment with Cavium is terminated without cause (as defined in the award agreement) or (ii) Mr. Ali resigns for good reason (as defined in the award agreement), the PRSUs will vest at target on the date of such termination or resignation.

The terms of the TSR-based PRSUs granted to Mr. Ali in February 2017 and in January 2018 provide that in the event that a change in control (as defined in the award agreement), which would include the Merger, occurs on or

Table of Contents

prior to February 10, 2020 (February 10, 2021 for the awards granted to Mr. Ali in January 2018), then the performance period will be deemed to end upon the completion of the change of control and the number of PRSUs that vest will be determined based on a comparison of the Cavium TSR to the S&P Semiconductor Select Industry Index TSR for the 30 trading days prior to the first date of the performance period and the 30 trading days immediately prior to the change in control (the Change in Control RSUs). A pro rata portion of the shares subject to the Change in Control RSUs will vest upon such change of control. The remaining unvested shares subject to the Change in Control RSUs will vest in equal annual installments during the performance period. If, following such change of control and on or prior to February 10, 2020 (or February 10, 2021 for the awards granted to Mr. Ali in January 2018), either (i) Mr. Ali's employment with Cavium is terminated without cause (as defined in the award agreement) or (ii) Mr. Ali resigns for good reason (as defined in the award agreement), then any remaining unvested PRSUs will vest on the date of such termination or resignation.

Retention Bonus

Cavium entered into retention bonus agreements with each of its executive officers, pursuant to which each executive will receive a lump sum payment (Retention Bonus) equal to six months of the executive's base salary, as in effect as of November 19, 2017, following the Closing Date (such payment date, if any, the Payment Date). To receive the Retention Bonus, the executive must remain employed through the Payment Date, provided that if his employment is terminated without cause (as defined in the retention bonus agreements) prior to the Closing Date, then the executive will receive the Retention Bonus on the 60th day following his termination of employment.

Post-Closing Marvell Board

Under the Merger Agreement, Marvell has agreed to take all necessary corporate actions prior to the Effective Time such that the Chairman and two other members of the Cavium board of directors to be designated by Marvell will become members of the Marvell board of directors at the Effective Time.

Executive Officer Arrangements Following the Transactions

In connection with the execution of the Merger Agreement, two of Cavium's named executive officers entered into offer letter agreements with Marvell regarding their continued service with Marvell's U.S. operating subsidiary after the Effective Time, which are contingent on the consummation of the Merger.

Offer Letter Agreement with Mr. Hussain

The agreement with Marvell provides that Mr. Hussain will serve as an officer of Marvell Semiconductor, Inc., contingent on the completion of the Merger. He will receive an annual base salary of \$450,000, will be eligible for an annual target bonus of 75% of annual base salary and will be recommended to Marvell's Executive Compensation Committee for initial equity awards with a total value of \$3,500,000. In addition, in exchange for agreeing that, for a period of 18 months following the completion of the Merger, the changes to his compensation, duties, authority or responsibilities as set forth in the offer letter will not form the basis for a resignation for good reason or constitute a termination of employment under his outstanding Cavium equity awards, Mr. Hussain is permitted to elect to cause up to one half of the unvested amount of each of his Cavium equity awards that are outstanding as of the Effective Time to vest at or after the Effective Time, without the need for any termination of Mr. Hussain's employment. Mr. Hussain will also be eligible to participate in Marvell's Change in Control Severance Plan (CIC Plan) at the Tier 2 level, which provides the following benefits in connection with an Involuntary Termination (as defined in the CIC Plan) within 18 months following a change in control of Marvell: (i) lump sum payment equal to 18 months of annual base salary; (ii) 150% of annual target bonus for the fiscal year in which Involuntary Termination occurs, and annual target bonus

for fiscal year in which Involuntary Termination occurs pro-rated for the number of full months employed during the fiscal year; (iii) acceleration of 100% of outstanding and unvested equity awards (with performance-based equity

awards subject to adjustment as set forth in the CIC Plan); and (iv) reimbursement of 18 months of continued health coverage. Receipt of benefits under the CIC Plan is conditioned on the execution and non-revocation of a separation and release of claims in a form satisfactory to Marvell.

Offer Letter Agreement with Mr. Jain

The agreement with Marvell provides that Mr. Jain will serve as an officer of Marvell Semiconductor, Inc., contingent on the completion of the Merger. He will receive an annual base salary of \$400,000, will be eligible for an annual target bonus of 75% of annual base salary and will be recommended to Marvell's Executive Compensation Committee for initial equity awards with a total value of \$1,614,000. In addition, in exchange for agreeing that, for a period of 18 months following the completion of the Merger, the changes to his compensation, duties, authority or responsibilities as set forth in the offer letter will not form the basis for a resignation for good reason or constitute a termination of employment under his outstanding Cavium equity awards, Mr. Jain is permitted to (a) elect to cause up to one half of the unvested amount of each of his Cavium equity awards that are outstanding as of the Effective Time to vest upon the Effective Time, without the need for any termination of Mr. Jain's employment, and (b) between the end of the 18-month period following the Effective Time and second anniversary of the Effective Time, elect to cause any then-outstanding and unvested Cavium equity awards to vest, without the need for any termination of Mr. Jain's employment. Mr. Jain will also be eligible to participate in the CIC Plan at the Tier 2 level, which provides the following benefits in connection with an Involuntary Termination (as defined in the CIC Plan) within 18 months following a change in control of Marvell: (i) lump sum payment equal to 18 months of annual base salary; (ii) 150% of annual target bonus for the fiscal year in which Involuntary Termination occurs, and annual target bonus for fiscal year in which Involuntary Termination occurs pro-rated for the number of full months employed during the fiscal year; (iii) acceleration of 100% of outstanding and unvested equity awards (with performance-based equity awards subject to adjustment as set forth in the CIC Plan); and (iv) reimbursement of 18 months of continued health coverage. Receipt of benefits under the CIC Plan is conditioned on the execution and non-revocation of a separation and release of claims in a form satisfactory to Marvell.

Restrictive Covenant Agreements

On November 20, 2017, Marvell entered into non-competition and non-solicitation agreements with Messrs. Ali, Jain and Hussain, in their capacity as substantial security holders of Cavium. Such agreements contain non-competition and non-solicitation restrictive covenants in favor of Marvell that become effective upon the consummation of the Merger and, in the case of Messrs. Jain and Hussain, terminate in the event the executive is terminated without cause.

Golden Parachute Compensation

The following table sets forth the information required by Item 402(t) of Regulation S-K regarding certain compensation that will or may be paid or become payable to each of Cavium's named executive officers (as identified in accordance with SEC regulations) and that is based on or otherwise relates to the Merger. For additional details regarding the terms of the payments described below, see the section entitled *The Merger Interests of Cavium Directors and Executive Officers in the Merger* beginning on page 122.

Table of Contents

The amounts listed below are estimates based on multiple assumptions that may or may not actually occur, including the assumptions that the closing date of the Merger occurred on January 19, 2018 and that each named executive officer experienced a qualifying termination of employment on such closing date. The actual amounts, if any, to be received by a named executive officer may differ from the amounts set forth below.

Name	Cash (\$) (1)	Equity (\$) (2)	Total (\$)
Syed B. Ali	\$ 250,000	\$ 28,863,903	\$ 29,113,903
M. Raghieb Hussain	\$ 225,000	\$ 13,541,331	\$ 13,766,331
Arthur D. Chadwick	\$ 187,500	\$ 9,100,811	\$ 9,288,311
Anil K. Jain	\$ 187,500	\$ 7,349,529	\$ 7,537,029
Vincent P. Pangrazio	\$ 142,500	\$ 5,738,791	\$ 5,881,291

- (1) *Cash*. Represents the retention bonus payments that may become payable to the named executive officers under their retention bonus agreements, as described above under the section entitled *The Merger Interests of Cavium Directors and Executive Officers*. These amounts are single trigger payments (that is, they are generally triggered by a change in control and not conditioned upon the executive officer's termination or resignation).
- (2) *Equity*. Represents the value of the accelerated vesting of Cavium Options, Cavium RSUs and Cavium PRSUs (less exercise prices, as applicable), which accelerated vesting generally is a double-trigger (that is, they are payable upon a qualifying termination that occurs within a specified period following, and in some cases prior to, a change in control), based on the assumptions described above, provided that certain portions of the named executive officers' PRSUs are subject to single trigger vesting as described in the section entitled *The Merger Interests of Cavium Directors and Executive Officers in the Merger* beginning on page 122. The value of each such accelerated Cavium Option, Cavium RSU and Cavium PRSU is calculated at a per share value of \$87.95, which was Cavium's average closing market price over the first five business days following the first public announcement of the Merger, as required by Item 402(t) of Regulation S-K, reduced by the applicable exercise price with respect to Cavium Options. Based on such per share formula, the value of the PRSUs that would vest on a single-trigger basis is \$3,241,757 for Mr. Ali, \$892,449 for Mr. Hussain, \$637,081 for Mr. Chadwick, \$489,849 for Mr. Jain, and \$366,365 for Mr. Pangrazio based on such per share formula and for Mr. Hussain and Mr. Jain, an additional \$6,621,796 and \$3,579,863 could vest, respectively, on a single-trigger basis with respect to their Cavium Options and Cavium RSUs pursuant to the terms of their offer letters with Marvell, as described under the section entitled *The Merger Interests of Cavium Directors and Executive Officers in the Merger*, beginning on page 122. The remainder of the amounts for each executive vest on a double-trigger basis.

Under the Ali Voting Agreement, Mr. Ali has granted to Marvell (and its designees) an irrevocable proxy to vote the Ali Voting Agreement Shares as provided above.

By its terms, the Ali Voting Agreement, including the irrevocable proxy granted thereunder, will terminate upon the earliest of: (a) the date upon which the Merger Agreement is validly terminated; (b) the date upon which the Merger becomes effective; (c) the date of any amendment, modification or supplement to the Merger Agreement, in each such case if such amendment, modification or supplement materially and adversely affects the economic interests or share ownership of Cavium s shareholders; (d) the date upon which Marvell and Mr. Ali agree to terminate the Ali Voting Agreement in writing; (e) the date upon which the Marvell board of directors makes a Marvell Adverse Recommendation Change (as defined below in *The Merger Agreement Shareholder Meetings; No Change in Board Recommendation*); (f) the date upon which the Cavium board of directors makes a Cavium Adverse Recommendation Change (as defined below in *The Merger Agreement Shareholder Meetings; No Change in Board Recommendation*); and (g) the date of any Marvell Triggering Event (as defined below in *The Merger Agreement Termination of the Merger Agreement*).

Separately, concurrently with the execution and delivery of the Merger Agreement, the Starboard Shareholders entered into a voting agreement with Cavium (the Starboard Voting Agreement) with respect to all Marvell common shares beneficially owned by them, and any additional Marvell common shares and any other voting securities of Marvell which they acquire record and/or beneficial ownership of after the date of the Starboard Voting Agreement (the Starboard Voting Agreement Shares). As of the date of the Starboard Voting Agreement, the Starboard Shareholders beneficially owned approximately 6.9% of Marvell s total issued shares. Pursuant to the Starboard Voting Agreement, the Starboard Shareholders have agreed, unless otherwise directed in writing by Cavium, to vote all of the Starboard Voting Agreement Shares (a) in favor of the Marvell Share Issuance and in favor of any action in furtherance of the Marvell Share Issuance; (b) against any action or agreement that would result in a breach of any representation, warranty, covenant or obligation of Marvell in the Merger Agreement; and (c) against any action, agreement, proposal or transaction involving Marvell or any of its subsidiaries which is intended, or could reasonably be expected, to impede, interfere with, delay, postpone, discourage or adversely affect the Marvell Share Issuance or any of the other transactions contemplated by the Merger Agreement or the Starboard Voting Agreement. Under the Starboard Voting Agreement, the Starboard Shareholders have granted to Cavium (and its designees) an irrevocable proxy to vote the Starboard Voting Agreement Shares as provided above.

By its terms, the Starboard Voting Agreement, including the irrevocable proxy granted thereunder, will terminate upon the earliest of: (a) the date upon which the Merger Agreement is validly terminated; (b) the date upon which the Merger becomes effective; (c) the date of any amendment, modification or supplement to the Merger Agreement, in each such case if such amendment, modification or supplement materially and adversely affects the economic interests or share ownership of Marvell s shareholders; (d) the date upon which Cavium and the Starboard Shareholders agree to

terminate the Starboard Voting Agreement in writing; (e) the date upon which the Marvell board of directors makes a Marvell Adverse Recommendation Change; (f) the date upon which the

Cavium board of directors makes a Cavium Adverse Recommendation Change; and (g) the date of any Cavium Triggering Event (as defined below in *The Merger Agreement Termination of the Merger Agreement*).

Indemnification of Directors and Officers

Marvell Indemnification

Marvell was formed under the laws of Bermuda. Set forth below is a description of certain provisions of the Companies Act, Marvell's Memorandum of Association, and Marvell's Bye-laws, as such provisions relate to the indemnification of Marvell's directors and officers. This description is intended only as a summary and is qualified in its entirety by reference to the applicable provisions of the Companies Act, Marvell's Memorandum of Association, and Marvell's Bye-laws, which are incorporated herein by reference.

The Companies Act permits Marvell to indemnify its directors or officers in their capacity as such in respect of any loss arising or liability attaching to them by virtue of any rule of law in respect of any negligence, default, breach of duty or breach of trust of which a director or officer may be guilty in relation to Marvell other than in respect of his or her own fraud or dishonesty.

The Bye-laws provide that every director, officer, committee member and any resident representative of Marvell be indemnified and secured harmless out of the assets of Marvell from and against all actions, costs, charges, losses, damages or expenses incurred or sustained in such capacity, and none of them shall be answerable for the acts, receipts, neglects or defaults of the others of them subject to limitations imposed in the Companies Act and provided that the indemnity shall not extend to any matter in respect of any fraud or dishonesty.

Section 32 of the Bye-laws stipulates that each shareholder and Marvell agree to waive any claim or right of action against any director, officer or committee member, in respect of any failure to act or any action taken by such director, officer or committee member in the performance of his or her duties with or for Marvell. The waiver does not extend to claims arising under United States federal securities laws or any claims, rights of action arising from the fraud of the director, officer, committee member or to recover any gain, personal profit or advantage to which such individual is not legally entitled.

Cavium Indemnification

Cavium is a corporation organized under the laws of the State of Delaware. Set forth below is a description of certain provisions of the DGCL, Cavium's Restated Certificate of Incorporation (the *Certificate of Incorporation*) and Cavium's Amended and Restated Bylaws (the *Bylaws*), as such provisions relate to the indemnification of Cavium's directors and officers. This description is intended only as a summary and is qualified in its entirety by reference to the applicable provisions of the DGCL, Cavium's Certificate of Incorporation, and Cavium's Bylaws, which are incorporated herein by reference.

Section 145 of the DGCL empowers a Delaware corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation) by reason of the fact that such person is or was a director, officer, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. In accordance with Section 145 of the DGCL, Article VI, Section B of Cavium's Certificate of Incorporation authorizes Cavium to indemnify its agents (as defined in Section 317 of the California General Corporation Law (*CGCL*)) for breach of duty to the corporation and its shareholders through bylaw provisions or through agreements with the

agents, or through shareholder resolutions, or otherwise, in excess of the indemnification otherwise permitted by Section 317 of the CGCL, subject at any time or times the corporation is subject to Section 2115(b) to the limits on such excess indemnification set forth in Section 204 of the CGCL. Article VI, Section A of Cavium's Certificate of Incorporation provides that Cavium's directors will not be personally liable

Table of Contents

to Cavium or its shareholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to Cavium or its shareholders, (ii) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL or (iv) for any transaction from which the director derived an improper personal benefit.

Cavium has entered into indemnification agreements with its executive officers and directors which require Cavium, among other things, to (i) indemnify the officer or director, under the circumstances and to the extent provided for therein, for expenses, damages, judgments, fines and settlements he or she may be required to pay in actions or proceedings which he or she is or may be made a party by reason of his or her position as a director, officer or other agent of Cavium, and otherwise to the fullest extent permitted under Delaware law and Cavium's Bylaws and (ii) advance expenses the officer or director may be required to pay in such actions or proceedings.

Pursuant to the terms of the Merger Agreement, all indemnification rights existing in favor of the directors and officers of Cavium and its subsidiaries for their acts and omissions occurring prior to the Effective Time, as set forth in Cavium and its subsidiaries' respective organizational documents and as provided in any indemnification agreements between Cavium or its subsidiaries, on the one hand, and their respective directors and officers, on the other hand, will survive the Merger and will remain in effect for a period of six years from the Effective Time to the fullest extent such indemnification rights are available under and consistent with Delaware law.

In addition, the Merger Agreement provides that, for a period of six years from the Effective Time, the Surviving Corporation (as defined below in *The Merger Agreement* *The Merger*) will maintain in effect, for the benefit of the directors and officers of Cavium and its subsidiaries and with respect to such directors' and officers' acts and omissions made in such capacity prior to the Effective Time, the existing directors' and officers' liability insurance policy maintained by Cavium as of November 19, 2017, to the extent that such insurance coverage is available on commercially reasonable terms, or a substitute policy or policies of comparable coverage is or are available. The Merger Agreement also provides that, notwithstanding the foregoing, the Surviving Corporation will not be required to pay an annual premium for the existing (or any substitute) directors' and officers' liability insurance policy in excess of 250% of the annual premium currently paid by Cavium for such policy (the *Maximum Premium*). The Merger Agreement further provides that, if any future annual premiums for the existing (or any substitute) directors' and officers' insurance policy exceeds *Maximum Premium*, the Surviving Corporation will be entitled to reduce the amount of coverage of the existing (or any substitute) directors' and officers' insurance policy to the amount of coverage that can be obtained for a premium equal to the *Maximum Premium*.

Under the terms of the Merger Agreement, prior to the Effective Time, Cavium may purchase a pre-paid, non-cancellable tail policy on the existing directors' and officers' insurance policy on terms and conditions no less favorable than its existing directors' and officers' insurance policy for a claims reporting or discovery period of six years from the Effective Time; provided, however, that Cavium may not expend an amount for such tail policy that exceeds the *Maximum Premium* without Marvell's prior written consent. The Merger Agreement provides that, if Cavium purchases such tail policy, the Surviving Corporation will, and Marvell will cause the Surviving Corporation to, maintain such tail policy in full force and effect and continue its obligations thereunder, instead of the obligations of the Surviving Corporation to maintain Cavium's existing policy of directors' and officers' liability insurance or any substitute for such policy.

Regulatory Approvals Required for the Merger

The completion of the Merger is subject to compliance with the HSR Act. Marvell and Cavium filed the notifications required under the HSR Act with the Premerger Notification Office of the Federal Trade Commission and the Antitrust Division of the Department of Justice on December 27, 2017.

The completion of the Merger is also subject to compliance with applicable foreign antitrust laws. Under the Merger Agreement, the parties have agreed to provide applicable notifications under the antitrust laws of the People's Republic of China and Poland.

Table of Contents

Under the Merger Agreement, each of Marvell and Cavium has agreed to use reasonable best efforts, subject to specified limitations, to take, or cause to be taken, all actions necessary to complete the Merger and make effective the other transactions contemplated by the Merger Agreement, including obtaining CFIUS Approval and MOFCOM approval. See *The Merger Agreement Efforts to Complete the Merger* and *The Merger Agreement Conditions to Completion of the Merger* for more information.

For purposes of the Merger Agreement, CFIUS Approval will be deemed to have been obtained if: (a) CFIUS has concluded that none of the transactions contemplated by the Merger Agreement is a covered transaction subject to review under the Defense Production Act of 1950, as amended (and all rules and regulations thereunder) (the DPA); (b) CFIUS has issued a written notice that it has completed a review or investigation of the notification voluntarily provided pursuant to the DPA with respect to the transactions contemplated by the Merger Agreement, and has concluded all action under the DPA; or (c) CFIUS has sent a report to the President of the United States requesting the President's decision and (i) the President has announced a decision not to take any action to suspend or prohibit the transactions contemplated by the Merger Agreement or (ii) the President has not taken any formal written action within 15 days after the date on which the President received such report from CFIUS; provided, however, that if the written notice described in clause (b) above requires or contemplates that Marvell or any of its affiliates take or agree to take, or will take or agree to take, any actions that would, individually or in the aggregate, reasonably be expected to constitute a Burdensome Condition (other than a Burdensome Condition to which Marvell had previously agreed in writing), then the issuance of such written notice will not constitute CFIUS Approval.

Litigation Related to the Merger

Five putative class actions challenging the Merger have been filed on behalf of Cavium shareholders. Four of the complaints were filed in the United States District Court for the Northern District of California. On January 2, 2018, a putative class action was filed by Scott Fineberg (*Fineberg v. Cavium et al.*). On January 8, 2018, a putative class action was filed by Tammy Raul (*Raul v. Cavium et al.*). Also on January 8, 2018, a putative class action was filed by Shiva Stein (*Stein v. Cavium et al.*). Finally, on January 12, 2018, a putative class action was filed by Jordan Rosenblatt (*Rosenblatt v. Cavium et al.*).

These four complaints assert claims for violation of Section 14(a) of and Rule 14a-9 promulgated under the Exchange Act based on allegations that the registration statement on Form S-4 filed by Marvell with the SEC on December 21, 2017 omits material information. Two of the complaints are filed against Cavium and its directors; the other two complaints name those defendants as well as Marvell and Merger Sub. All complaints also assert control person claims under Section 20(a) of the Exchange Act against the Cavium board of directors.

On January 29, 2018, a fifth putative class action was filed by Paul Berger in the Superior Court of California for the County of Monterey (*Berger v. Cavium et al.*). The complaint in *Berger v. Cavium, et al.* alleges that Cavium's directors breached their fiduciary duties in connection with the Marvell transaction and that the registration statement on Form S-4 filed by Marvell with the SEC on December 21, 2017 omits material information.

Marvell and Cavium believe the allegations and claims asserted in the five putative class actions are without merit.

Shareholders may file additional lawsuits challenging the Merger, which may name Cavium, Marvell, members of the boards of directors of either party, or others as defendants. No assurance can be made as to the outcome of such lawsuits or the lawsuits described above, including the amount of costs associated with defending these claims or any other liabilities that may be incurred in connection with the litigation of these claims. If plaintiffs are successful in obtaining an injunction prohibiting the parties from completing the Merger on the agreed-upon terms, such an injunction may delay the completion of the Merger in the expected timeframe, or may prevent the Merger from being

completed altogether.

Table of Contents**Dividend Policy Following the Merger**

The payment of dividends by Marvell after the Merger is subject to the determination of its board of directors. Decisions regarding whether or not to pay dividends and the amount of any dividends will be based on the judgment of the Marvell board of directors, compliance with the Companies Act, compliance with the Merger Agreement and with agreements governing Marvell's indebtedness (including the Facilities (as defined below)), earnings, cash requirements, results of operations, cash flows and financial condition, developments in ongoing litigation, the best interests of Marvell and its shareholders, and other factors that the Marvell board of directors may consider important. While Marvell anticipates that it would continue to pay dividends, Marvell can make no assurances that this will be the case.

No Financing Condition; Financing

Marvell's obligation to complete the Merger is not subject to a financing condition. Marvell anticipates that it will need approximately \$3.4 billion in order to pay Cavium's shareholders the cash portion of the Merger Consideration under the Merger Agreement, to refinance certain existing indebtedness of Cavium and to pay related fees and expenses. Marvell has entered into a Debt Commitment Letter (as defined below in *The Merger Agreement Financing Matters*) with the financial institutions party thereto (together, the Initial Lenders) to provide commitments for (a) a \$900 million three-year term loan facility (the Term Loan Facility) and (b) an \$850 million, 364-day bridge facility (the Bridge Facility) and, together with the Term Loan Facility, the Facilities).

Subject to the terms and conditions of the Debt Commitment Letter, the Initial Lenders have committed to provide the full amount of the Term Loan Facility and the full amount of the Bridge Facility. The proceeds of the Term Loan Facility and the Bridge Facility (or permanent debt financing incurred in lieu of the Bridge Facility) will be used, together with cash on hand of Marvell and Cavium and/or other available financing resources, (a) to finance the cash portion of the Merger Consideration payable pursuant to the terms of the Merger Agreement, (b) to refinance certain existing indebtedness of Cavium and (c) to pay certain related transaction costs.

The Initial Lenders' commitments under the Debt Commitment Letter include conditions typical for facilities of this kind, including a condition as to the execution and delivery of the definitive financing documentation for the Facilities by Marvell and certain of its subsidiaries.

In lieu of borrowing, in whole or in part, under the Bridge Facility, Marvell may incur permanent debt financing. In addition, in connection with the Merger, Marvell may obtain a revolving credit facility, borrowings under which will be used for general corporate purposes of Marvell and its subsidiaries. There can be no assurance, however, that Marvell will be able to obtain any such permanent debt financing or revolving credit facility.

Maturity

The Term Loan Facility will mature on the date that is three years after the date of funding under the Term Loan Facility. The Bridge Facility will mature on the date that is 364 days after the date of funding under the Bridge Facility. Neither the Term Loan Facility nor the Bridge Facility requires any scheduled amortization prior to the final maturity thereof.

Commitment Reductions and Prepayments

Voluntary reductions of the unutilized commitments with respect to the Facilities and prepayments of borrowings under the Facilities will be permitted at any time, in minimum principal amounts to be set forth in the definitive

documentation for the Facilities, without premium or penalty.

Table of Contents

Subject to certain exceptions and thresholds, the Bridge Facility will be required to be prepaid with (or, prior to the borrowing thereunder, commitments with respect to the Bridge Facility will be required to be reduced by the amount of) net cash proceeds of (a) non-ordinary course asset sales or other dispositions and (b) the issuance of certain equity securities or the incurrence of certain indebtedness. The Term Loan Facility does not require mandatory prepayments or commitment reductions.

Guarantees and Collateral

The Term Loan Facility and the Bridge Facility will be senior unsecured obligations of Marvell and certain of its subsidiaries that are required to become guarantors under the Facilities (the *Subsidiary Guarantors*), unless Marvell does not obtain an investment grade rating from at least two of S&P Global Ratings, a division of S&P, Moody's and Fitch, in which case the obligations of Marvell and the Subsidiary Guarantors under the Facilities will be secured on a first-priority basis by substantially all of the assets of Marvell and the Subsidiary Guarantors, subject to certain exceptions.

Covenants and Events of Default

The Facilities will contain a number of negative covenants (to be applicable to Marvell and its subsidiaries) that, subject to certain exceptions, include limitations on, among other things:

indebtedness;

liens;

sale and leaseback transactions;

restrictive agreements;

mergers and other fundamental changes;

sales and other dispositions of assets (including subsidiary shares); and

if Marvell does not obtain an investment grade rating from at least two of S&P, Moody's and Fitch, dividends and other restricted junior payments and acquisitions and other investments.

The Facilities will also contain a total leverage ratio financial covenant requiring that the ratio of consolidated total indebtedness of Marvell to consolidated EBITDA of Marvell does not exceed 3.00 to 1.00.

The Facilities will contain a number of customary events of default permitting, among other things, acceleration of the final maturity of the Facilities in the event of an occurrence thereof.

Listing of Marvell Common Shares and Delisting and Deregistration of Cavium Common Stock

Under the Merger Agreement, Marvell and Cavium have agreed to use their respective reasonable best efforts to take all actions required to be taken under the Securities Act and the rules and regulations thereunder, the Exchange Act and the rules and regulations thereunder or any applicable state securities or blue sky laws and the rules and regulations thereunder in connection with the issuance, exchange and listing of the Marvell common shares to be issued to Cavium shareholders in connection with the Merger. The authorization and approval for listing of such shares on NASDAQ, subject to official notice of issuance, is a condition to the obligation of each of Marvell, Merger Sub and Cavium to complete the Merger. The Marvell common shares to be issued in connection with the Merger will trade under the symbol MRVL and will be fully fungible with the Marvell common shares currently trading under that symbol.

Under the Merger Agreement, Cavium has agreed to, prior to the Effective Time, cooperate with Marvell and use its reasonable best efforts to take all actions reasonably necessary, proper or advisable to enable Cavium common

Table of Contents

stock to be delisted from NASDAQ and deregistered under the Exchange Act as promptly as practicable after the Merger is completed. After such time, Cavium will no longer be a public company and will no longer file periodic and other reports with the SEC.

Rights of Appraisal for Cavium Shareholders

Because Cavium is a Delaware corporation, under Section 262 of the DGCL, if you are a Cavium shareholder, you have the right to dissent from the Merger and to receive payment in cash for the fair value of your shares of common stock as determined by the Delaware Court of Chancery, together with interest, if any, as determined by the court, but exclusive of any element of value arising from the accomplishment or expectation of the Merger, in lieu of the Merger Consideration you would otherwise be entitled to pursuant to the Merger Agreement. These rights are known as appraisal rights. Cavium shareholders electing to exercise appraisal rights must comply with the provisions of Section 262 of the DGCL in order to perfect their rights. Cavium will require strict compliance with the statutory procedures.

The following is intended as a brief summary of the material provisions of the Delaware statutory procedures required to be followed properly and in a timely manner by a Cavium shareholder in order to dissent from the Merger and perfect appraisal rights.

This summary, however, is not a complete statement of all applicable requirements and is qualified in its entirety by reference to Section 262 of the DGCL, the full text of which appears in Annex E to this joint proxy statement/prospectus. ***Failure to precisely follow any of the statutory procedures set forth in Section 262 of the DGCL may result in a termination or waiver of your appraisal rights.*** Moreover, due to the complexity of the procedures for exercising appraisal rights, shareholders who are considering exercising such rights are encouraged to seek the advice of legal counsel. This summary does not constitute any legal or other advice, nor does it constitute a recommendation that you exercise your appraisal rights under Section 262 of the DGCL. All references in Section 262 of the DGCL and in this summary to a shareholder are to the record holder of shares of Cavium common stock, unless otherwise indicated.

Section 262 of the DGCL requires that stockholders for whom appraisal rights are available be notified not less than 20 days before the stockholders' meeting where the Merger Agreement will be voted on that appraisal rights will be available. A copy of Section 262 of the DGCL must be included with such notice. This joint proxy statement/prospectus constitutes Cavium's notice to Cavium shareholders of the availability of appraisal rights in connection with the Merger in compliance with the requirements of Section 262 of the DGCL and a copy of Section 262 of the DGCL is attached hereto as Annex E. If you wish to consider exercising your appraisal rights, you should carefully review the text of Section 262 of the DGCL contained in Annex E to this joint proxy statement/prospectus, since failure to timely and properly comply with the requirements of Section 262 of the DGCL will result in the loss of your appraisal rights under the DGCL.

If you elect to demand appraisal of your shares, you must satisfy each of the following conditions.

You must deliver to Cavium a written demand for appraisal of your shares before the vote with respect to the Merger Agreement is taken. This written demand for appraisal must be in addition to and separate from any proxy or vote abstaining from or voting against the adoption of the Merger Agreement. Voting against or failing to vote for the adoption of the Merger Agreement by itself does not constitute a demand for appraisal within the meaning of Section 262 of the DGCL.

You must not vote in favor of the adoption of the Merger Agreement. A vote in favor of the adoption of the Merger Agreement in person at the Cavium special meeting or the submission of a proxy in favor of the Merger Agreement by mail, over the Internet or by telephone (that is not subsequently revoked), will constitute a waiver of your appraisal rights in respect of the shares so voted and will nullify any previously filed written demands for appraisal. A submitted proxy that does not contain voting instructions will, unless revoked, be voted in favor of the adoption of the Merger Agreement.

Table of Contents

Therefore, a Cavium shareholder who submits a proxy and who wishes to exercise and perfect appraisal rights must vote against the Merger Agreement, abstain from voting on the Merger Agreement or revoke any previously submitted proxy in favor of the Merger Agreement.

You must continue to hold your shares of common stock through the effective date of the Merger. Therefore, a Cavium shareholder who is the record holder of shares of common stock on the date the written demand for appraisal is made but who thereafter transfers the shares prior to the effective date of the Merger will lose any right to appraisal with respect to such shares.

If you fail to comply with any of these conditions and the Merger is completed, you will be entitled to receive the Merger Consideration, but you will have no appraisal rights with respect to your shares of Cavium common stock.

All demands for appraisal should be addressed to Cavium, Inc., 2315 N. First Street, San Jose, California 95131, Attn: General Counsel, and must be delivered before the vote on the Merger Agreement is taken at the Cavium special meeting and must be executed by, or on behalf of, the record holder of the shares of common stock, fully and correctly, as the shareholder's name appears in the stock ledger. The demand must reasonably inform Cavium of the identity of the Cavium shareholder, and the intention of the Cavium shareholder to demand appraisal of his, her or its shares of common stock.

Beneficial owners who do not also hold their shares of common stock of record may not directly make appraisal demands to Cavium. The beneficial holder must, in such cases, have the registered owner, such as a broker, bank, trust company or other nominee, submit the required demand in respect of those shares. If shares of common stock are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, execution of a demand for appraisal should be made by or for the fiduciary, and if the shares of common stock are owned of record by more than one person, as in a joint tenancy or tenancy in common, the demand should be executed by or for all joint owners. An authorized agent, including an authorized agent for two or more joint owners, may execute the demand for appraisal for a shareholder of record; however, the agent must identify the record owner or owners, and expressly disclose the fact that, in executing the demand, he or she is acting as agent for the record owner. A record owner, such as a broker, who holds shares of common stock as a nominee for others, may exercise his or her right of appraisal with respect to the shares of common stock held for one or more beneficial owners, while not exercising this right for other beneficial owners. In that case, the written demand should state the number of shares of common stock as to which appraisal is sought. Where no number of shares is expressly stated, the demand will be presumed to cover all shares held in the name of the record owner.

If you hold your shares of common stock in an account with a broker, bank, trust company or other nominee, and you wish to exercise appraisal rights, you are urged to consult with your broker, bank, trust company or other nominee to determine the appropriate procedures for making a demand for appraisal.

Within 10 days after the closing date of the Merger, the Surviving Corporation must give written notice that the Merger has become effective to each former Cavium shareholder who has properly filed a written demand for appraisal and who did not vote in favor of the adoption of the Merger Agreement. At any time within 60 days after the Effective Time of the Merger, any former Cavium shareholder who has demanded an appraisal and who has not commenced an appraisal proceeding or joined such a proceeding as a named party, will have the right to withdraw the demand for appraisal and to accept the cash payment specified by the Merger Agreement for his, her or its shares of common stock; after this 60-day period, the former Cavium shareholder may withdraw such demand for appraisal only with the written consent of the Surviving Corporation. Within 120 days after the closing date of the Merger, any former Cavium shareholder who has complied with Section 262 of the DGCL will, upon written request to the Surviving Corporation, be entitled to receive a written statement setting forth the aggregate number of shares not

voted in favor of the adoption of the Merger Agreement and with respect to which demands for appraisal have been received, and the aggregate number of holders of such shares. A person who is the beneficial owner of shares of common stock held in a voting trust or by a nominee on behalf of such

Table of Contents

person may, in such person's own name, request from the Surviving Corporation the statement described in the previous sentence. Such written statement will be mailed to the requesting former Cavium shareholder within 10 days after such written request is received by the Surviving Corporation or within 10 days after expiration of the period for delivery of demands for appraisal, whichever is later. Within 120 days after the closing date of the Merger, but not thereafter, either the Surviving Corporation or any former Cavium shareholder who has complied with the requirements of Section 262 of the DGCL, and who is otherwise entitled to appraisal rights, may commence an appraisal proceeding by filing a petition in the Delaware Court of Chancery demanding a determination of the fair value of the shares of common stock held by Cavium shareholders who have complied with the requirements of Section 262 of the DGCL and who are otherwise entitled to appraisal rights. A person who was the beneficial owner of shares of common stock held in a voting trust or by a nominee on behalf of such person may, in such person's own name, file the petition described in the previous sentence. Upon the filing of the petition by a former Cavium shareholder, service of a copy of such petition must be made upon Cavium, as the Surviving Corporation. The Surviving Corporation has no obligation to file such a petition if there are dissenting former Cavium shareholders. Accordingly, the failure of a former Cavium shareholder to file such a petition within the period specified could nullify the former Cavium shareholder's previously written demand for appraisal. There is no present intent on the part of Cavium to file an appraisal petition, and Cavium shareholders seeking to exercise appraisal rights should not assume that Cavium will file such a petition or that Cavium will initiate any negotiations with respect to the fair value of such shares. Accordingly, Cavium shareholders who desire to have their shares appraised should initiate any petitions necessary for the perfection of their appraisal rights within the time periods and in the manner prescribed in Section 262 of the DGCL.

If a petition for appraisal is timely filed by a former Cavium shareholder and a copy of the petition is delivered to the Surviving Corporation, the Surviving Corporation will then be obligated, within 20 days after receiving service of a copy of the petition, to file with the Delaware Register in Chancery a duly verified list containing the names and addresses of all former Cavium shareholders who have demanded an appraisal of their shares, and with whom agreements as to the value of their shares have not been reached by the Surviving Corporation. After notice is made to dissenting former Cavium shareholders who demanded appraisal of their shares as required by the Delaware Court of Chancery, the Delaware Court of Chancery is empowered to conduct a hearing upon the petition to determine those former Cavium shareholders who have complied with Section 262 of the DGCL and who have become entitled to the appraisal rights thereunder. Under Delaware law, the Delaware Court of Chancery may require former shareholders who have demanded appraisal of their shares and who held stock represented by certificates to submit their stock certificates to the Delaware Register in Chancery for notation thereon of the pendency of the appraisal proceedings, and if any such former shareholder who held stock represented by certificates fails to comply with that direction, the Delaware Court of Chancery may dismiss the proceedings as to that former shareholder. The Delaware Court of Chancery shall dismiss the appraisal proceeding unless (i) the total number of shares entitled to appraisal exceeds 1% of the outstanding shares of common stock eligible for appraisal or (ii) the value of the consideration provided in the Merger for such total number of shares of common stock exceeds \$1 million.

After the Delaware Court of Chancery determines which former Cavium shareholders are entitled to appraisal of their shares of common stock, the appraisal proceeding will be conducted in accordance with the rules of the Delaware Court of Chancery, including any rules specifically governing appraisal proceedings. Through such proceeding, the Delaware Court of Chancery will appraise the shares of common stock held by former Cavium shareholders who have complied with the requirements of Section 262 of the DGCL and who are otherwise entitled to appraisal rights, determining the fair value of the shares exclusive of any element of value arising from the accomplishment or expectation of the Merger, together with interest, if any, to be paid upon the amount determined to be the fair value (or, in certain circumstances described below, on the difference between the amount determined to be the fair value and the amount paid to each shareholder entitled to appraisal prior to the entry of judgment in the appraisal proceeding). Unless the Delaware Court of Chancery in its discretion determines otherwise for good cause shown,

interest from the effective date of the Merger through the date of payment of the judgment will be compounded quarterly, and will accrue at 5% over the Federal Reserve discount rate (including any surcharge), as established from time to time during the period between the closing date of the

Table of Contents

Merger and the date of payment of the judgment. When the fair value is determined, the Delaware Court of Chancery will direct the payment of such value, with interest thereon accrued during the pendency of the proceeding, if the Delaware Court of Chancery so determines, to the former Cavium shareholders entitled to receive the same (in the case of shares represented by certificates, payment will not be made until such certificates are surrendered to the Surviving Corporation). At any time before the entry of judgment in the proceedings, the Surviving Corporation may pay to each former shareholder entitled to appraisal an amount in cash, in which case interest shall accrue thereafter only upon the sum of (i) the difference, if any, between the amount paid and the fair value of the shares as determined by the Delaware Court of Chancery, and (ii) interest theretofore accrued, unless paid at that time.

In determining fair value, and, if applicable, interest, the Delaware Court of Chancery is required to take into account all relevant factors. In *Weinberger v. UOP, Inc.*, the Delaware Supreme Court discussed the factors that could be considered in determining fair value in an appraisal proceeding, stating that proof of value by any techniques or methods which are generally considered acceptable in the financial community and otherwise admissible in court should be considered, and that fair price obviously requires consideration of all relevant factors involving the value of a company.

Section 262 of the DGCL provides that fair value is to be exclusive of any element of value arising from the accomplishment or expectation of the Merger. In *Cede & Co. v. Technicolor, Inc.*, the Delaware Supreme Court stated that such exclusion is a narrow exclusion [that] does not encompass known elements of value, but which rather applies only to the speculative elements of value arising from such accomplishment or expectation. In *Weinberger*, the Delaware Supreme Court construed Section 262 of the DGCL to mean that elements of future value, including the nature of the enterprise, which are known or susceptible of proof as of the date of the Merger and not the product of speculation, may be considered.

You should be aware that the fair value of your shares of common stock as determined under Section 262 of the DGCL could be more than, the same as, or less than the value that you are entitled to receive under the terms of the Merger Agreement if you did not seek appraisal of your shares. Investment banking opinions as to the fairness from a financial point of view of the Merger Consideration are not necessarily opinions as to fair value under Section 262 of the DGCL.

Costs of the appraisal proceeding may be imposed upon the Surviving Corporation and the former Cavium shareholders participating in the appraisal proceeding by the Delaware Court of Chancery as the Court deems equitable in the circumstances. Upon the application of a former Cavium shareholder, the Delaware Court of Chancery may order all or a portion of the expenses incurred by any former Cavium shareholder in connection with the appraisal proceeding, including, without limitation, reasonable attorneys' fees and the fees and expenses of experts, to be charged pro rata against the value of all shares entitled to appraisal. Any former Cavium shareholder who had demanded appraisal rights will not, after the Effective Time, be entitled to vote shares subject to that demand for any purpose, or to receive payments of dividends or any other distribution with respect to those shares, other than with respect to payment as of a record date prior to the Effective Time; however, if no petition for appraisal is filed within 120 days after the Effective Time, or if the former Cavium shareholder delivers a written withdrawal of his, her or its demand for appraisal, and an acceptance of the terms of the Merger within 60 days after the Effective Time (or thereafter with approval of the Surviving Corporation), then the right of that former Cavium shareholder to appraisal will cease and that former Cavium shareholder will be entitled to receive the cash payment for shares of his, her or its shares of common stock pursuant to the Merger Agreement. No appraisal proceeding in the Delaware Court of Chancery will be dismissed as to any former Cavium shareholder without the prior approval of the Court, and such approval may be conditioned upon such terms as the Delaware Court of Chancery deems just; provided, however, that any former Cavium shareholder who has not commenced an appraisal proceeding or joined that proceeding as a named party will maintain the right to withdraw its demand for appraisal, and to accept the cash that such holder

would have received pursuant to the Merger Agreement within 60 days after the effective date of the Merger.

Table of Contents

In view of the complexity of Section 262 of the DGCL, Cavium shareholders who may wish to dissent from the Merger and pursue appraisal rights should consult their legal advisors. To the extent there are any inconsistencies between the foregoing summary and Section 262 of the DGCL, Section 262 of the DGCL will govern.

No Rights of Appraisal for Marvell Shareholders

Holders of Marvell common shares will not have any rights of appraisal as a result of the Merger.

Accounting Treatment

The Merger will be accounted for as a business combination using the acquisition method of accounting with Marvell as the accounting acquiror. Marvell's shareholders immediately prior to the Effective Time will continue to own the majority of the Marvell common shares after the Effective Time.

Shareholder Rights Plan

Cavium has not adopted a shareholder rights plan. Pursuant to Marvell's By-laws, Marvell's board of directors has the right to adopt a shareholder rights plan, provided that any such plan adopted would have a term of less than 12 months following adoption of the plan or be submitted to Marvell's shareholders for approval not more than 12 months following the adoption of the plan. Marvell's board has not adopted a shareholder rights plan to date.

Anti-takeover Statute

A corporation can elect not to be governed by Section 203 of the DGCL, which generally protects publicly-traded Delaware corporations from hostile takeovers, and from actions following such takeover. Cavium's board of directors has approved the Merger, thereby making Section 203 of the DGCL inapplicable to the pending Merger.

Table of Contents**MATERIAL UNITED STATES FEDERAL INCOME TAX CONSEQUENCES**

The following is a summary of (a) the material U.S. federal income tax consequences of the Merger to U.S. holders (as defined below) of Cavium common stock who hold their stock as a capital asset within the meaning of Section 1221 of the U.S. Internal Revenue Code of 1986, as amended (the Code), (generally, property held for investment) and (b) the material U.S. federal income tax consequences of the ownership and disposition of Marvell common shares by U.S. holders who receive Marvell common shares in connection with the Merger. The summary is based on the Code, the U.S. Treasury Regulations issued under the Code, and administrative rulings and court decisions in effect as of the date of this joint proxy statement/prospectus, all of which are subject to change at any time, possibly with retroactive effect. Because holders of Marvell common shares will retain their Marvell common shares in the Merger, the Merger should have no tax consequences for such shareholders.

For purposes of this discussion, the term U.S. holder means a beneficial owner of Cavium common stock or, after completion of the Merger, Marvell common shares that is an individual citizen or resident of the United States, a corporation (or other entity taxable as a corporation for U.S. federal income tax purposes) created or organized in the United States, any state thereof or the District of Columbia; an estate the income of which is subject to U.S. federal income taxation regardless of its source; or a trust that (i) is subject to the primary supervision of a court within the United States and one or more U.S. persons have the authority to control all substantial decisions of the trust or (ii) has a valid election in effect under applicable U.S. Treasury Regulations to be treated as a U.S. person for U.S. federal income tax purposes. A non-U.S. holder means a beneficial owner of Cavium common stock or, after completion of the Merger, Marvell common shares that is not a U.S. holder or a partnership.

This summary is not a complete description of all the tax consequences of the Merger and, in particular, may not address U.S. federal income tax considerations applicable to holders of Cavium common stock or, after completion of the Merger, Marvell common shares who are subject to special treatment under U.S. federal income tax law (including, for example, non-U.S. holders, S corporations, partnerships (or an entity or arrangement treated as a partnership for U.S. federal income tax purposes) and partners therein or other pass-through entities and investors therein, financial institutions, brokers or dealers in securities, traders that elect to use a mark-to-market method of accounting, insurance companies, tax-exempt entities (including private foundations), governmental organizations, individual retirement or other tax-deferred accounts, real estate investment trusts, regulated investment companies, U.S. expatriates and former citizens or long-term residents of the United States, holders who acquired Cavium common stock pursuant to the exercise of an employee stock option or right or otherwise as compensation, holders who will, after the Merger, own (actually or under applicable constructive ownership rules) 10% or more of the Marvell common shares, holders who hold Cavium common stock as part of a hedge, straddle or conversion transaction, and holders that have a functional currency other than the U.S. dollar). Also, this summary does not address U.S. federal income tax considerations applicable to holders of options or warrants to purchase Cavium common stock, or holders of debt instruments convertible into Cavium common stock. In addition, no information is provided with respect to the tax consequences of the Merger under the U.S. federal estate, gift, Medicare, alternative minimum tax and other non-income tax laws, or any applicable state, local, or foreign tax laws. This summary does not address the tax consequences of any transaction other than the Merger.

WE URGE YOU TO CONSULT YOUR OWN TAX ADVISORS AS TO THE SPECIFIC TAX CONSEQUENCES TO YOU OF THE MERGER AND, AFTER COMPLETION OF THE MERGER, THE OWNERSHIP AND DISPOSITION OF MARVELL COMMON SHARES, INCLUDING THE APPLICABILITY AND EFFECT OF FEDERAL, STATE, LOCAL, AND FOREIGN INCOME AND OTHER TAX LAWS IN LIGHT OF YOUR PARTICULAR CIRCUMSTANCES.

Table of Contents

Tax Consequences of the Merger to U.S. Holders

The receipt of the Merger Consideration by U.S. holders in exchange for shares of Cavium common stock in connection with the Merger will be a taxable transaction for U.S. federal income tax purposes. In general, a U.S. holder who receives the Merger Consideration in exchange for shares of Cavium common stock in connection with the Merger will recognize gain or loss in an amount equal to the difference, if any, between (1) the fair market value of the Marvell common shares as of the Effective Time plus the amount of cash received, and (2) the U.S. holder's adjusted tax basis in such shares of Cavium common stock.

Such gain or loss will be capital gain or loss and, if a U.S. holder's holding period in the shares of Cavium common stock surrendered in the Merger is greater than one year as of the closing date of the Merger, the gain or loss will be long-term capital gain or loss. Long-term capital gains of certain non-corporate holders, including individuals, are generally subject to U.S. federal income tax at preferential rates. The deductibility of a capital loss recognized on the exchange is subject to limitations. If a U.S. holder acquired different blocks of Cavium common stock at different times or different prices, such U.S. holder must determine its adjusted tax basis and holding period separately with respect to each block of Cavium common stock.

A U.S. holder's aggregate tax basis in Marvell common shares received in the Merger will equal the fair market value of the shares as of the Effective Time of the Merger. The holding period of the Marvell common shares received in the Merger will begin on the day after the Merger.

Notwithstanding the above, in certain circumstances, the receipt of the cash portion of the Merger Consideration by U.S. holders of Cavium common stock that also actually or constructively own Marvell common shares may be subject to Section 304 of the Code if holders who own (including by attribution) 50% or more of the Cavium common stock before the Merger own (including by attribution), immediately after the Merger, 50% or more of the Marvell common shares. If Section 304 of the Code applies to the cash portion of the Merger Consideration, to the extent a U.S. holder would otherwise be treated for U.S. federal income tax purposes as selling Cavium common stock to Marvell for cash, such holder will instead be treated as receiving the cash consideration from Marvell in deemed redemption of Marvell common shares deemed issued to such holder. If such deemed redemption is not substantially disproportionate with respect to such U.S. holder or is essentially equivalent to a dividend under the tests set forth in Section 302 of the Code, then a U.S. holder generally would recognize dividend income up to the amount of the cash received to the extent of such U.S. holder's allocable share of the applicable earnings and profits of Cavium and Marvell (or Marvell's U.S. subsidiary if the U.S. subsidiary is treated as acquiring the Cavium common stock). In the event of such treatment, non-corporate U.S. holders may be eligible for a reduced rate of taxation on any deemed dividend arising under Section 304 of the Code, subject to exceptions for short-term and hedged positions, while corporate U.S. holders may be treated as receiving an extraordinary dividend within the meaning of Section 1059 of the Code. It is not certain whether Section 304 of the Code will apply to the Merger, because it is not certain whether shareholders who own (including by attribution) 50% or more of the Cavium common stock before the Merger will own (including by attribution) 50% or more of the Marvell common shares immediately after the Merger. In addition, if Section 304 of the Code applies to the Merger, because the possibility of dividend treatment depends upon each holder's particular circumstances, including the application of the constructive ownership rules, U.S. holders of Cavium common stock should consult their tax advisors regarding the application of the foregoing rules to their particular circumstances.

Tax Consequences of Holding Marvell Common Shares to U.S. Holders

Taxation of Distributions from Marvell

Subject to the passive foreign investment company (PFIC) rules discussed below, distributions made by Marvell to a U.S. holder with respect to its common shares (including the amount of any taxes withheld therefrom) will generally be treated as dividends to the extent paid out of Marvell's current or accumulated earnings and profits (as determined under U.S. federal income tax principles). To the extent those distributions

Table of Contents

exceed Marvell's current and accumulated earnings and profits, the distributions will be treated as a non-taxable return of capital to the extent of the U.S. holder's tax basis in its Marvell common shares (and will reduce (but not below zero) the U.S. holder's tax basis accordingly) and thereafter as capital gain from the sale or exchange of such common shares. See *The Merger Taxation of Sale, Exchange or Other Taxable Disposition of Marvell Common Shares*, below. U.S. holders that are corporations will not be entitled to claim a dividends-received deduction with respect to distributions treated as dividends they receive from Marvell.

If (a) U.S. persons own 50% or more of the Marvell common shares, by vote or value, and (b) at least 10% of Marvell's earnings and profits are attributable to sources within the United States, then, for purposes of computing a U.S. holder's foreign tax credit limitation, a portion of any distributions treated as dividends paid with respect to Marvell common shares would be treated as derived from sources within the United States. Otherwise, any dividends paid by Marvell would be treated as foreign-source passive category income for purposes of computing allowable foreign tax credits for U.S. foreign tax credit purposes. The rules governing foreign tax credits are complex and are not described completely herein. U.S. holders are encouraged to consult their own tax advisors regarding the availability of foreign tax credits in their particular circumstances.

Distributions treated as dividends received from Marvell by a U.S. holder that is an individual, trust or estate (a U.S. individual holder) generally will be treated as qualified dividend income, which is currently taxable to such U.S. individual holder at preferential capital gain tax rates, provided that (i) Marvell is a qualified foreign corporation; (ii) Marvell is not a PFIC for the taxable year during which the dividend is paid or the immediately preceding taxable year (see *PFIC Status and Significant Tax Consequences* below); (iii) the U.S. individual holder has owned its Marvell common shares for more than 60 days during the 121-day period beginning 60 days before the date on which the common shares becomes ex-dividend (and has not entered into certain risk limiting transactions with respect to such common shares); and (iv) the U.S. individual holder is not under an obligation to make related payments with respect to positions in substantially similar or related property. A foreign corporation is treated as a qualified foreign corporation with respect to dividends paid by that corporation on shares that are readily tradable on an established securities market in the United States. U.S. Treasury Department guidance indicates that Marvell common shares, which are listed on NASDAQ, will be readily tradable on an established securities market in the United States as a result of such listing. However, there can be no assurance that Marvell common shares will be considered readily tradable on an established securities market in later years. Any dividends paid on Marvell common shares that are not eligible for these preferential rates will generally be taxed as ordinary income to a U.S. individual holder.

Taxation on the Sale, Exchange or Other Taxable Disposition of Marvell Common Shares

Subject to the PFIC rules discussed below, upon the sale, exchange or other taxable disposition of a Marvell common share, a U.S. holder generally will recognize capital gain or loss equal to the difference between the amount realized upon the sale, exchange or other disposition and such U.S. holder's adjusted tax basis in the share. The U.S. holder's adjusted tax basis in the common share generally will equal the fair market value of such share as of the Effective Time, reduced by any dividends treated as a tax-free return of capital as discussed above under *The Merger Taxation of Distributions from Marvell*. Such gain or loss will be capital gain or loss and will generally be long-term capital gain or loss if the U.S. holder's holding period for the Marvell common share exceeds one year on the date of the sale or disposition. Certain non-corporate U.S. holders (including individuals) may be eligible for preferential rates of U.S. federal income tax in respect of long-term capital gains. A U.S. holder's ability to deduct capital losses is subject to limitations. Such capital gain or loss generally will be treated as U.S.-source income or loss, as applicable, for U.S. foreign tax credit purposes. U.S. holders should consult their own tax advisors regarding the proper treatment of gain or loss in their particular circumstances.

Table of Contents

PFIC Status and Significant Tax Consequences

The discussion above assumes that Marvell is not and will not become a PFIC for U.S. federal income tax purposes. In general, a non-U.S. corporation is a PFIC for any taxable year in which either:

at least 75% of its gross income (including its proportionate share of the gross income of any other corporation in which it owns, directly or indirectly, 25% or more (by value) of such corporation's stock) for such taxable year consists of certain types of passive income (e.g., dividends, interest, capital gains, royalties and the excess of gains over losses from sales of commodities); or

at least 50% of the value (based on an average of the quarterly values) of its assets (including its proportionate share of the assets of any other corporation in which it owns, directly or indirectly, 25% or more (by value) of such corporation's stock) is attributable to assets that produce, or are held for the production of, passive income.

Based on the nature of Marvell's business, the projected composition of its income and the projected composition and estimated fair market values of its assets, Marvell does not believe it is a PFIC for its current taxable year, and it does not expect to become a PFIC in the future. However, because PFIC status is determined annually at the close of each taxable year and depends on the composition of a company's income and assets and the fair market value of its assets, no assurance can be given that Marvell will not be a PFIC in the future.

If Marvell were a PFIC for any year in which a U.S. holder held Marvell common shares, certain adverse U.S. federal income tax consequences would apply to such U.S. holder, including a recharacterization of any capital gain recognized on a sale or other disposition of Marvell common shares as ordinary income, ineligibility for any preferential tax rate otherwise applicable to any qualified dividend income, a material increase in the amount of tax that such U.S. holder would owe and the possible imposition of interest charges, an imposition of tax earlier than would otherwise be imposed, and additional tax filing and reporting requirements. A U.S. holder owning shares in a PFIC might be able to avoid or mitigate the adverse tax consequences of PFIC status by making certain elections, including qualified electing fund or mark-to-market elections, if deemed appropriate based on guidance provided by its own tax advisor. In the event Marvell is deemed to be a PFIC, Marvell will provide its U.S. holders of Marvell common shares with the information necessary for such U.S. holders to make a qualified electing fund election.

The PFIC rules are very complex and are not described completely herein. U.S. holders are encouraged to consult their own tax advisors regarding the PFIC rules.

Information Reporting and Backup Withholding

Payments made in exchange for shares of Cavium common stock in the Merger or payments made after the Merger with respect to any Marvell common shares a U.S. holder receives in the Merger may be subject, under certain circumstances, to information reporting and backup withholding (currently, at a rate of 24%). To avoid backup withholding, a U.S. holder that does not otherwise establish an exemption should complete and return an Internal Revenue Service Form W-9, certifying under penalties of perjury that such U.S. holder is a United States person (within the meaning of the Code), that the taxpayer identification number provided is correct and that such U.S. holder is not subject to backup withholding.

Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules may be refunded or credited against a U.S. holder's U.S. federal income tax liability, if any, provided that such U.S. holder furnishes the required information to the Internal Revenue Service in a timely manner.

Tax Return Disclosure Requirement

Certain U.S. holders who hold specified foreign financial assets that exceed certain thresholds (the lowest being, with respect to certain individuals, holding specified foreign financial assets with an aggregate value in

Table of Contents

excess of: (1) \$50,000 on the last day of the tax year, or (2) \$75,000 at any time during the tax year) are generally, subject to certain exceptions, required to report information relating to such assets. The definition of "specified foreign financial assets" includes stocks and securities issued by non-U.S. persons and interests in foreign entities.

Accordingly, U.S. holders who receive Marvell common shares in the Merger may be required to file IRS Form 8938 (Statement of Specified Foreign Financial Assets) unless an exception is satisfied (including an exception for Marvell common shares held in accounts maintained by certain financial institutions). Significant penalties may apply for failure to satisfy the reporting obligations described above. U.S. holders are encouraged to consult with their own tax advisors regarding their reporting obligations, if any, as a result of their ownership or disposition of Marvell common shares.

Holders of Cavium common stock should consult their tax advisors as to the specific tax consequences to them of the Merger and of the ownership and disposition of Marvell common shares in light of their particular circumstances, including the applicability and effect of any federal, state, local, foreign and other tax laws.

Table of Contents**THE MERGER AGREEMENT**

The following discussion summarizes certain material provisions of the Merger Agreement, a copy of which is attached as [Annex A](#) to this joint proxy statement/prospectus and is incorporated by reference herein. The rights and obligations of the parties are governed by the express terms and conditions of the Merger Agreement and not by this summary. This summary does not purport to be complete and is qualified in its entirety by reference to the complete text of the Merger Agreement. Marvell and Cavium urge you to read carefully this entire joint proxy statement/prospectus, including the annexes and the documents incorporated by reference, before making any decisions regarding the Merger.

*The Merger Agreement has been included to provide you with information regarding its terms, and Marvell and Cavium recommend that you read the Merger Agreement carefully and in its entirety. Except for its status as the contractual document that establishes and governs the legal relations among the parties with respect to the Merger, Marvell and Cavium do not intend for the Merger Agreement to be a source of factual, business or operational information about the companies. The representations and warranties described below and included in the Merger Agreement were made by the parties to each other as of specific dates. The assertions contained in those representations and warranties were made solely for purposes of the Merger Agreement and may be subject to important qualifications and limitations agreed to by Marvell and Cavium in connection with negotiating the terms of the Merger Agreement, which you should consider as you read the representations and warranties in the Merger Agreement. The representations and warranties are qualified in their entirety by certain information Marvell and Cavium filed with the SEC prior to the date of the Merger Agreement, as well as by confidential disclosure schedules that Marvell and Cavium delivered to each other in connection with the execution of the Merger Agreement. Moreover, the representations and warranties may be subject to a contractual standard of materiality that may be different from what may be viewed as material to shareholders of Marvell or Cavium, and the representations and warranties may have been used for the purpose of allocating risk between Marvell and Cavium rather than establishing matters as facts. Accordingly, you should not rely on the representations and warranties in the Merger Agreement as characterizations of the actual state of facts about Marvell and Cavium, and you should read the information provided elsewhere in this joint proxy statement/prospectus and in the documents that are incorporated by reference into this joint proxy statement/prospectus for information regarding Marvell and Cavium and their respective businesses. See the section entitled *Documents Incorporated by Reference* beginning on page 238 of this joint proxy statement/prospectus.*

The Merger

On November 19, 2017, Marvell, Merger Sub and Cavium entered into the Merger Agreement.

Subject to and upon the terms and the conditions set forth in the Merger Agreement and the applicable provisions of the DGCL, Merger Sub will be merged with and into Cavium, whereupon the separate corporate existence of Merger Sub will cease and Cavium will continue its existence under the laws of the State of Delaware as the surviving corporation (the *Surviving Corporation*) and as a direct wholly owned subsidiary of MTI, which is a direct wholly owned subsidiary of Marvell. The Merger will have the effects set forth in the Merger Agreement and the applicable provisions of the DGCL. At the Effective Time, all of the property, rights, privileges, powers and franchises of Cavium and Merger Sub will vest in the Surviving Corporation, and all debts, liabilities and duties of Cavium and Merger Sub will become the debts, liabilities and duties of the Surviving Corporation. The certificate of incorporation of the Surviving Corporation will be amended and restated as of the Effective Time to conform to Exhibit B of the Merger Agreement, and the bylaws of the Surviving Corporation will be amended and restated as of the Effective Time to conform to the bylaws of Merger Sub as in effect immediately prior to the Effective Time. The directors and officers of the Surviving Corporation immediately after the Effective Time will be the respective individuals who are

directors and officers of Merger Sub immediately prior to the Effective Time, until the earlier of their resignation or removal or until their respective successors are duly elected or appointed and qualified, as the case may be.

Table of Contents**Effective Time and Completion of the Merger**

The Merger Agreement provides that the completion of the Merger will take place: (a) if the Marketing Period (as defined below) ends on or before the Closing Conditions Satisfaction Date (as defined below), on a business day to be mutually agreed by Marvell and Cavium, which must be no later than the third business day after the Closing Conditions Satisfaction Date, but subject to the satisfaction or waiver of the closing condition of each of Marvell and Cavium relating to the receipt of certain certifications from the other party and the continued satisfaction or waiver of each of the other closing conditions set forth in the Merger Agreement (see *The Merger Agreement Conditions to Completion of the Merger* for more information regarding closing conditions); or (b) if the Marketing Period has not ended on or before the Closing Conditions Satisfaction Date, on the earlier of (i) any business day during the Marketing Period (after the Closing Conditions Satisfaction Date) designated by Marvell in a notice delivered to Cavium at least three business days before the date so designated or (ii) the third business day after the end of the Marketing Period, but subject, in the case of each of clauses (i) and (ii), to the satisfaction or waiver of the closing condition of each of Marvell and Cavium relating to the receipt of certain certifications from the other party and the continued satisfaction or waiver of each of the other closing conditions set forth in the Merger Agreement. For purposes of the Merger Agreement, the Closing Conditions Satisfaction Date is defined as the date on which the last to be satisfied or waived of the conditions to the completion of the Merger set forth in the Merger Agreement (other than the condition relating to Marvell's receipt of certain certifications from Cavium) is satisfied or waived.

For purposes of the Merger Agreement, the Marketing Period is defined as the first ten consecutive business days, subject to certain terms and excluded dates set forth in the Merger Agreement, during, throughout and at the end of which both: (a) Marvell has received certain specified financial information in accordance with the terms of the Merger Agreement (including all information and data related to Cavium and its subsidiaries necessary for Marvell to satisfy certain conditions set forth in the Debt Commitment Letter); and (b) all of the conditions precedent to the obligations of Marvell and Merger Sub under the Merger Agreement as set forth in the Merger Agreement (other than the condition relating to Marvell's receipt of certain certifications from Cavium) have been satisfied and no event has occurred and no condition or circumstance exists that will, or would reasonably be expected to, cause any of such conditions not to be satisfied assuming that the completion of the Merger were to be scheduled to occur on any day during such ten consecutive business day period. The Merger Agreement provides that, notwithstanding the foregoing, the Marketing Period will not commence until after this joint proxy statement/prospectus has been mailed.

The Merger will become effective when a certificate of merger satisfying the applicable requirements of the DGCL and consistent with the terms of the Merger Agreement is duly filed with the Secretary of State of the State of Delaware, or at such later time as may be mutually agreed by Marvell and Cavium and specified in such certificate of merger (the Effective Time). The date on which the Effective Time occurs is referred to herein as the closing date of the Merger.

Merger Consideration

At the Effective Time, each share of Cavium common stock that is outstanding immediately prior to the Effective Time (other than shares held by Marvell, Cavium or any of their respective subsidiaries and shares as to which appraisal rights have been properly exercised pursuant to Delaware law, as described in *The Merger Rights of Appraisal for Cavium Shareholders*) will be converted into the right to receive (a) 2.1757 Marvell common shares and (b) \$40.00 in cash, without interest.

On November 2, 2017, the last trading day prior to the first media report stating that Marvell and Cavium were in advanced discussions regarding a potential transaction, the closing price of Marvell common shares on NASDAQ was \$18.28. On January 22, 2018, the last practicable trading day prior to the filing of this joint proxy

statement/prospectus, the closing price of Marvell common shares on NASDAQ was \$23.62 per share.

At the Effective Time, any shares of Cavium common stock that are held by Cavium (or held in Cavium's treasury) or held by Marvell, Merger Sub or any other subsidiary of Marvell immediately prior to the Effective

Table of Contents

Time will be canceled and retired and will cease to exist, and no consideration will be delivered in exchange for such shares. At the Effective Time, any shares of Cavium common stock that are held, directly or indirectly, by a subsidiary of Cavium immediately prior to the Effective Time will be unaffected by the Merger and will remain outstanding as an equal number of shares of common stock of the Surviving Corporation.

The Merger Agreement provides that if, between the date of the Merger Agreement and the Effective Time, the outstanding shares of Cavium common stock are changed into a different number or class of shares by reason of any stock split, division or subdivision of shares, stock dividend, reverse stock split, consolidation of shares, reclassification, recapitalization or other similar transaction, or if a stock dividend is declared by Cavium during such period, or a record date with respect to any such event shall occur during such period, then the Exchange Ratio and Per Share Cash Amount will be adjusted to the extent appropriate to provide the same economic effect as contemplated by the Merger Agreement prior to such action. The Merger Agreement also provides that if, between the date of the Merger Agreement and the Effective Time, the issued Marvell common shares are changed into a different number or class of shares by reason of any stock split, division or subdivision of shares, stock dividend, reverse stock split, consolidation of shares, reclassification, recapitalization or other similar transaction, or if a share dividend is declared by Marvell during such period, or a record date with respect to any such event shall occur during such period, then the Exchange Ratio (but not the Per Share Cash Amount) shall be adjusted to the extent appropriate to provide the same economic effect as contemplated by the Merger Agreement prior to such action.

Fractional Shares

No fraction of a Marvell common share will be issued in connection with the Merger, and no certificates or scrip for any such fractional share will be issued. The Merger Agreement provides that any holder of Cavium common stock who would otherwise be entitled to receive a fraction of a Marvell common share (after aggregating all fractions of Marvell common shares issuable to such holder) will, in lieu of such fraction of a share and, upon surrender of such holder's Cavium stock certificate(s) or the transfer of non-certificated shares of Cavium common stock represented by book entry positions, be paid in cash the dollar amount (rounded to the nearest whole cent), without interest, determined by multiplying such fraction by the closing price of a Marvell common share on NASDAQ on the closing date of the Merger.

Exchange of Certificates

Marvell has selected its transfer agent, American Stock Transfer and Trust Company, to act as exchange agent in the Merger (the Exchange Agent). The Merger Agreement provides that, as soon as practicable (and in any event within one business day) after the Effective Time, Marvell will deposit with the Exchange Agent certificates or book entry positions representing the aggregate number of Marvell common shares issuable, and cash sufficient to make payments of the cash consideration payable, as Merger Consideration for shares of Cavium common stock.

The Merger Agreement provides that, as soon as reasonably practicable (and in any event within seven business days) after the Effective Time, the Exchange Agent will mail to record holders of certificates of shares of Cavium common stock or of shares of Cavium common stock represented by book entry positions immediately prior to the Effective Time a letter of transmittal, customary in form and substance, and instructions on how to surrender such certificates or transfer such shares in exchange for the Merger Consideration. The Merger Agreement further provides that, upon surrender by a record holder of a certificate of shares of Cavium common stock to the Exchange Agent or receipt of an agent's message by the Exchange Agent in connection with the transfer of shares of Cavium common stock represented by book entry positions, together with a duly executed letter of transmittal and such other documents as may be reasonably required by the Exchange Agent or Marvell, (a) such record holder will be entitled to receive the Merger Consideration and (b) such certificate or such shares will be canceled. If any certificate of shares of Cavium

common stock has been lost, stolen or destroyed, Marvell or the Exchange Agent may, as a condition to the payment of the Merger Consideration, require the owner of

Table of Contents

such lost, stolen or destroyed certificate to provide an appropriate affidavit and to deliver a bond as indemnity against any claim that may be made against the Exchange Agent, Marvell or the Surviving Corporation with respect to such certificate.

The Merger Agreement provides that no dividends or other distributions declared or made with respect to Marvell common shares with a record date after the Effective Time will be paid to the holder of any unsurrendered certificate of Cavium common stock or to the holder of any Cavium common stock represented by book entry positions that has not been transferred, in each case with respect to the Marvell common shares that such holder has the right to receive in the Merger, until such holder surrenders such certificate or transfers such shares (at which time such holder will be entitled, subject to the effect of applicable escheat or similar laws, to receive all such dividends and distributions, without interest).

The Merger Agreement provides that any portion of the Marvell common shares or cash amounts deposited by Marvell with the Exchange Agent (or any dividends or distributions received by the Exchange Agent with respect to such shares) that has not been distributed within 365 days after the closing date of the Merger will be delivered to Marvell upon demand, and any holders of certificates of Cavium common stock or Cavium common stock represented by book entry positions who have not surrendered their certificates or transferred their shares may thereafter look only to Marvell for satisfaction of their claims for the Merger Consideration and any dividends or distributions with respect to Marvell common shares included in the Merger Consideration.

Treatment of Cavium Equity Awards***Stock Options***

The Merger Agreement provides that, at the Effective Time, each outstanding stock option, whether vested or unvested, other than stock options held by non-employee members of Cavium's board of directors who will not serve on Marvell's board of directors following the Effective Time, will be assumed by Marvell and converted into an option to purchase, on the same terms and conditions as were applicable under such stock option, that number of Marvell common shares (rounded down to the nearest whole share) equal to the product of (a) the number of shares of Cavium common stock subject to such stock option *multiplied by* (b) the Conversion Ratio (as defined below), at an exercise price per Marvell common share (rounded up to the nearest whole cent) equal to the quotient obtained by *dividing* (i) the per share exercise price for the Cavium common stock subject to such stock option, *by* (ii) the Conversion Ratio.

For purposes of the Merger Agreement, the Conversion Ratio is defined as an amount equal to the sum of (a) the Exchange Ratio, *plus* (b) the quotient obtained by *dividing* (i) the Per Share Cash Amount *by* (ii) the volume weighted average trading price of a Marvell common share for the five consecutive trading days ending on the trading day immediately preceding the closing date of the Merger.

The Merger Agreement provides that, at the Effective Time, each stock option that is outstanding and vested immediately prior to the Effective Time (including any such stock options that become vested by their terms immediately prior to or as of the Effective Time) held by non-employee members of Cavium's board of directors who will not serve on Marvell's board of directors following the Effective Time will be canceled, and the holder of such stock option will be entitled to receive (subject to applicable withholding or other taxes) an amount in cash equal to the product of (a) the positive difference (if any) between (i) the Equity Award Cash Consideration (as defined below) *minus* (b) the exercise price applicable to such stock option, *multiplied by* (ii) the number of shares of Cavium common stock subject to such stock option. The Merger Agreement further provides that, following the Effective Time, any such canceled stock option will no longer be exercisable for shares of Cavium common stock and will

entitle the former holder thereof only to the payment just described, which will be made by the Surviving Corporation within ten business days after the Effective Time.

For purposes of the Merger Agreement, the Equity Award Cash Consideration is defined as an amount in cash equal to the sum of (a) the Per Share Cash Amount *plus* (b) the product of (i) the Exchange Ratio *multiplied by*

Table of Contents

(ii) the volume weighted average trading price of a Marvell common share for the five consecutive trading days ending on the trading day immediately preceding the closing date of the Merger.

Restricted Stock Units

The Merger Agreement provides that, at the Effective Time, each Cavium restricted stock unit that is outstanding and unvested immediately prior to the Effective Time, other than any Cavium restricted stock unit held by a non-employee member of the Cavium board of directors, will be converted into the number of Marvell restricted stock units (rounded down to the nearest whole share) equal to the product of (a) the number of shares of Cavium common stock subject to such Cavium restricted stock unit, *multiplied by* (b) the Conversion Ratio. The Merger Agreement further provides that such converted restricted stock units will be subject to the same terms and conditions as were applicable to the underlying Cavium restricted stock unit prior to the Effective Time.

The Merger Agreement provides that, at the Effective Time, each Cavium restricted stock unit (a) that is outstanding and vested (and with respect to which shares of Cavium common stock have not yet been issued) immediately prior to the Effective Time (including any Cavium restricted stock units that become vested by their terms immediately prior to or as of the Effective Time) or (b) that is outstanding and held by a non-employee member of the Cavium board of directors immediately prior to the Effective Time, whether vested or unvested, which awards will vest in full as of immediately prior to the Effective Time, in the case of each of clauses (a) or (b), will be canceled and extinguished, and the holder thereof will be entitled to receive (subject to applicable withholding or other taxes, which withholding will first be applied against the cash portion of the consideration paid in respect of such restricted stock units): (i) an amount in cash equal to the product of (A) the Per Share Cash Amount, *multiplied by* (B) the total number of shares of Cavium common stock subject to such Cavium restricted stock unit; and (ii) a number of Marvell common shares equal to the product of (A) the Exchange Ratio, *multiplied by* (B) the total number of shares of Cavium common stock subject to such Cavium restricted stock unit. The Merger Agreement further provides that, following the Effective Time, any such canceled Cavium restricted stock unit will entitle the former holder of such Cavium restricted stock unit only to the payment just described, which will be made by the Surviving Corporation within ten business days after the Effective Time or at such other time or times following the Effective Time consistent with the terms of the Cavium restricted stock unit to the extent necessary to avoid the imposition of additional income tax under Section 409A of the Code.

Performance-Based Restricted Stock Units

The Merger Agreement provides that, at the Effective Time, each Cavium performance-based restricted stock unit that is outstanding and unvested immediately prior to the Effective Time will be assumed and converted into that number of Marvell restricted stock units, rounded down to the nearest whole share, equal to the product of (a) the target number of shares of Cavium common stock subject to such Cavium performance-based restricted stock unit, *multiplied by* (b) the Conversion Ratio. The Merger Agreement provides that such converted performance-based restricted stock units: (i) will vest based on the vesting date set forth in the award agreement applicable to such performance-based restricted stock unit prior to the Effective Time, subject only to the continued service of the grantee with the Surviving Corporation, Marvell or any of their affiliates through the applicable vesting date; (ii) will not be subject to any performance-based vesting terms following the Effective Time; and (iii) will otherwise be subject to the same terms and conditions as were applicable under such Cavium performance-based restricted stock units prior to the Effective Time.

Several of the representations, warranties, covenants, closing conditions and termination provisions contained in the Merger Agreement are qualified by or refer to the concept of a Material Adverse Effect. For purposes of the Merger Agreement, a Material Adverse Effect on Marvell or Cavium (a party), means any effect, change, development, event or circumstance that, considered together with all other effects, changes, developments, events or circumstances, has had or resulted in, or would reasonably be expected to have or result in, a material adverse effect on: (a) the business, condition (financial or otherwise) or results of operations of a party and its subsidiaries, taken as a whole; or (b) the ability of a party to complete the Merger or any of the other transactions contemplated by the Merger Agreement or to perform any of its obligations under the Merger Agreement; provided, however, that, with respect to clause (a) above, a change occurring after the date of the Merger Agreement will not be deemed to constitute a Material Adverse Effect on a party and its subsidiaries (and shall not be taken into account in determining whether a Material Adverse Effect

on a party has occurred or is reasonably expected to occur) if that party demonstrates that such change results from:

adverse economic conditions in the United States or in other locations in which that party or any of its subsidiaries has material operations;

adverse economic conditions that generally affect the industry in which that party and its subsidiaries operate;

changes in the share price or trading volume of that party's shares (it being understood, however, that the facts or circumstances giving rise to any such change in share price or trading volume may be taken into account in determining whether a Material Adverse Effect on that party has occurred or would reasonably be expected to occur);

the failure of that party to meet securities analysts' published projections of earnings or revenues (it being understood, however, that the facts or circumstances giving rise to any such failure may be taken into account in determining whether a Material Adverse Effect on that party has occurred or would reasonably be expected to occur);

Under the Merger Agreement, Cavium has also agreed that it will, and will ensure that each of its subsidiaries will and will use its reasonable best efforts to cause its and their respective representatives to, immediately cease and cause to be terminated any existing discussions or negotiations with any person or entity that relate to any Cavium Acquisition Proposal or Cavium Acquisition Inquiry.

Under the Merger Agreement, Cavium has further agreed not to release or permit the release of any person or entity from, or waive or permit the waiver of any provision of, any confidentiality, standstill or similar agreement to which Cavium or any of its subsidiaries is or becomes a party or under which Cavium or any of its subsidiaries has any rights, and to use its reasonable best efforts to enforce or cause to be enforced each such agreement at the request of

any liquidation or dissolution of such entity or any of its Significant Subsidiaries; provided, however, that any transaction effected for the sole purpose of changing the place of domicile or organization of such entity is not an Acquisition Transaction.

For purposes of the Merger Agreement, a **Significant Subsidiary** is defined as, with respect to an entity, a subsidiary of such entity that owns assets that constitute or account for 10% or more of the consolidated net revenues, consolidated net income or consolidated assets of such entity and all of its subsidiaries taken as a whole.

neither Cavium or any of its subsidiaries nor any of their respective representatives have materially breached the provisions of the Merger Agreement prohibiting solicitation of, and discussions and negotiations with respect to, alternative transactions;

the Cavium board of directors concludes in good faith, after having taken into account the advice of its outside legal counsel, that the failure to take such action would reasonably be expected to be inconsistent with its fiduciary obligations to Cavium's shareholders under applicable law; and

at least 24 hours prior to furnishing any such information to, or entering into discussions or negotiations with, such person or entity, Cavium (a) gives Marvell written notice of the identity of such person or entity and of Cavium's intention to furnish information to, or enter into discussions or negotiations with, such person or entity, (b) receives from such person or entity, and delivers to Marvell a copy of, an executed confidentiality agreement containing customary limitations on the use and disclosure of all nonpublic information furnished to such person or entity by or on behalf of

Under the Merger Agreement, Cavium has agreed to promptly (and in no event later than 24 hours after receipt thereof) advise Marvell orally and in writing of any Cavium Acquisition Proposal or Cavium Acquisition Inquiry or any related request for nonpublic information relating to Cavium or any its subsidiaries (including the identity of the person or entity making or submitting such Cavium Acquisition Proposal, Cavium Acquisition Inquiry or request, the material terms and conditions thereof, and, if available, any written documentation received by Cavium or such subsidiary or any of their representatives from such person or entity or any of such person's or entity's representatives setting forth such terms and conditions) that is made or submitted by any person or entity during the period from the date of the Merger Agreement through the Effective Time. Under the Merger Agreement, Cavium also has agreed to keep Marvell reasonably informed, on a reasonably current basis, with respect to the status of any such Cavium Acquisition Proposal, Cavium Acquisition Inquiry or request and any modification or proposed modification thereto (including by promptly (and in any case, within 24 hours) providing a copy of all material email or written communications between Cavium or such subsidiary or any of their representatives, on the one hand, and the person or entity that made such Cavium Acquisition Proposal, Cavium Acquisition Inquiry or request or any of its representatives, on the other hand, relating to such Cavium Acquisition Proposal, Cavium Acquisition Inquiry or request) and to promptly (and in no event later than 24 hours) notify Marvell orally and in writing if it intends to provide information in connection with, or to engage in discussions or negotiations concerning, a Cavium Acquisition Proposal or Cavium Acquisition Inquiry.

For purposes of the Merger Agreement, a **Cavium Superior Offer** is defined as an unsolicited bona fide written offer by a third party to acquire all or a majority of the outstanding shares of Cavium common stock that is not conditioned on financing and that is determined by the Cavium board of directors, in its good faith judgment, after having taken into account the advice of an independent financial advisor of nationally recognized reputation and Cavium's outside legal counsel and the likelihood and anticipated timing of completion, to be more favorable from a financial point of view to Cavium and Cavium's shareholders than the transactions contemplated by the Merger Agreement (including the Merger), determined on a basis of long-term value, without consideration of short-term changes in stock price or trading volume in and of itself.

No Solicitation or Discussions by Marvell

Under the Merger Agreement, subject to the exceptions described below, Marvell has agreed that it will not, directly or indirectly, and will ensure that each of its subsidiaries does not, and will use its reasonable best efforts to cause its and their respective representatives not to, directly or indirectly:

and cause to be terminated any existing discussions or negotiations with any person or entity that relate to any Marvell Acquisition Proposal or Marvell Acquisition Inquiry.

Under the Merger Agreement, Marvell has further agreed not to release or permit the release of any person or entity from, or waive or permit the waiver of any provision of, any confidentiality, standstill or similar agreement to which Marvell or any of its subsidiaries is or becomes a party or under which Marvell or any of its subsidiaries has any rights, and to use its reasonable best efforts to enforce or cause to be enforced each such agreement at the request of Cavium. Under the Merger Agreement, Marvell also has agreed to promptly (a) request each person or entity that has executed, within 12 months prior to the date of the Merger Agreement, a confidentiality agreement or similar agreement in connection with its consideration of a possible Marvell Acquisition Proposal or investment in Marvell or any of its subsidiaries to return or destroy all confidential information heretofore furnished to such person or entity or any of such person's or entity's representatives by or on behalf of Marvell or any of its subsidiaries and (b) except as otherwise permitted by the fiduciary exception described below, prohibit any third party from having access to any physical or electronic data rooms relating to any possible Marvell Acquisition Proposal or Marvell Acquisition Inquiry.

For purposes of the Merger Agreement, a Marvell Acquisition Proposal is defined as any offer or proposal contemplating or otherwise relating to any Acquisition Transaction involving Marvell; and a Marvell Acquisition Inquiry is defined as an inquiry, indication of interest or request for nonpublic information that would reasonably be expected to lead to a Marvell Acquisition Proposal.

neither Marvell or any of its subsidiaries nor any of their respective representatives have materially breached the provisions of the Merger Agreement prohibiting solicitations of, and discussions and negotiations with respect to, alternate transactions;

the Marvell board of directors determines in good faith, after having taken into account the advice of an independent financial advisor of nationally recognized reputation and Marvell's outside legal counsel, that such Marvell Acquisition Proposal constitutes or could reasonably be expected to lead to a Marvell Superior Offer (as defined below);

the Marvell board of directors concludes in good faith, after having taken into account the advice of its outside legal counsel, that the failure to take such action would reasonably be expected to be inconsistent with its fiduciary obligations to Marvell's shareholders under applicable law; and

at least 24 hours prior to furnishing any such information to, or entering into discussions or negotiations with, such person or entity, Marvell (a) gives Cavium written notice of the identity of such person or entity and of Marvell's intention to furnish information to, or enter into discussions or negotiations with, such person or entity, (b) receives from such person or entity, and delivers to Cavium a copy of, an executed confidentiality agreement containing customary limitations on the use and disclosure of all nonpublic information furnished to such person or entity by or on behalf of Marvell and its subsidiaries and other provisions no less favorable to Marvell than the provisions of the confidentiality agreement among Cavium, Marvell and Marvell Semiconductor, Inc. and (c) furnishes such nonpublic information to Cavium (to the extent such nonpublic information has not been previously furnished by Marvell to Cavium).

Under the Merger Agreement, Marvell has agreed to promptly (and in no event later than 24 hours after receipt thereof) advise Cavium orally and in writing of any Marvell Acquisition Proposal or Marvell Acquisition Inquiry or

any related request for nonpublic information relating to Marvell or any its subsidiaries (including the identity of the person or entity making or submitting such Marvell Acquisition Proposal, Marvell Acquisition Inquiry or request, the material terms and conditions thereof, and, if available, any written documentation received by Marvell or any of its representatives from such person or entity or any of such person's or entity's representatives setting forth such terms and conditions) that is made or submitted by any person or entity during the period from the date of the Merger Agreement through the Effective Time. Under the Merger Agreement, Marvell also has agreed to keep Cavium reasonably informed, on a reasonably current basis, with respect to the status of any such Marvell Acquisition Proposal, Marvell Acquisition Inquiry or request and any modification or proposed modification thereto (including by promptly (and in any case, within 24 hours) providing a copy of all material email or other written communications between Marvell or any of its representatives, on the one hand, and the person or entity that made such Marvell Acquisition Proposal, Marvell Acquisition Inquiry or request or any of its representatives, on the other hand, relating to such Marvell Acquisition Proposal, Marvell Acquisition Inquiry or request) and to promptly (and in no event later than 24 hours) notify Cavium orally and in writing if it intends to provide information in connection with, or to engage in discussions or negotiations concerning, a Marvell Acquisition Proposal or Marvell Acquisition Inquiry.

For purposes of the Merger Agreement, a *Marvell Superior Offer* is defined as an unsolicited bona fide written offer by a third party to acquire all or a majority of the issued Marvell common shares, that is not conditioned on financing and that is determined by the Marvell board of directors, in its good faith judgment, after having taken into account the advice of an independent financial advisor of nationally recognized reputation and Marvell's outside legal counsel and the likelihood and anticipated timing of completion, to be more favorable from a financial point of view to Marvell and its shareholders than the transactions contemplated by the Merger Agreement (including the Merger).

The Merger Agreement provides that Cavium may not submit any other proposal to its shareholders in connection with the Cavium special meeting that is not related to the approval or completion of a transaction contemplated by the Merger Agreement without the prior written consent of Marvell. Under the Merger Agreement, Cavium has also agreed to hold the Cavium special meeting (on a date selected by Cavium in consultation with Marvell) as promptly as practicable after the registration statement of which this joint proxy statement/prospectus is a part is declared effective under the Securities Act.

Under the Merger Agreement, Cavium has agreed not to postpone or adjourn the Cavium special meeting without the consent of Marvell, other than (a) to the extent necessary to ensure that any supplement or amendment to this joint proxy statement/prospectus that is required by applicable legal requirements is disclosed to Cavium's shareholders or (b) if, as of the time at which the Cavium special meeting is scheduled, there are insufficient shares of Cavium common stock represented (either in person or by proxy) to constitute a quorum necessary to conduct the business to be conducted at the Cavium special meeting, to the extent necessary to obtain such a quorum.

Under the Merger Agreement, Cavium has agreed to postpone or adjourn the Cavium special meeting up to two times for up to 30 days each time if Marvell reasonably requests such postponement or adjournment in order to solicit additional proxies in favor of the adoption of the Merger Agreement (but not later than five business days prior to the Outside Date), in which case, Cavium has agreed to use its reasonable best efforts during any such postponement or

requirements: (a) Cavium has agreed to cooperate with Marvell and use its reasonable best efforts to cause the Cavium special meeting to be held on the same date as the Marvell general meeting; and (b) if, notwithstanding such efforts, the Marvell general meeting is held prior to the Cavium special meeting, Cavium has agreed to use its reasonable best efforts to cause its meeting to be held as promptly as reasonably practicable following the date of the Marvell general meeting.

Marvell General Meeting

Under the Merger Agreement, Marvell has agreed to (a) in accordance with its Bye-laws, take all actions necessary under all applicable legal requirements to, as promptly as reasonably practicable after the date of the Merger Agreement, call, give notice of and hold a meeting of the holders of Marvell common shares to vote on the Marvell Share Issuance as promptly as reasonably practicable after the date of the Merger Agreement and (b) submit such proposal to, and use its reasonable best efforts to solicit proxies in favor of, such proposal from its shareholders at the Marvell general meeting. The Merger Agreement provides that Marvell may not submit any other proposal to its shareholders in connection with the Marvell general meeting that is not related to the approval or completion of a transaction contemplated by the Merger Agreement without the prior written consent of Cavium. Under the Merger Agreement, Marvell has also agreed to hold the Marvell general meeting on a date selected by Marvell in consultation with Cavium and as promptly as practicable after the registration statement (of which this joint proxy statement/prospectus is a part) is declared effective under the Securities Act.

Under the Merger Agreement, Marvell has agreed not to postpone or adjourn the Marvell general meeting without the consent of Cavium, other than (a) to the extent necessary to ensure that any supplement or amendment to this joint proxy statement/prospectus that is required by applicable legal requirements is disclosed to Marvell's shareholders or (b) if, as of the time at which the Marvell general meeting is scheduled, there are insufficient Marvell common shares represented (either in person or by proxy) to constitute a quorum necessary to conduct the business to be conducted at the Marvell general meeting, to the extent necessary to obtain such a quorum.

Under the Merger Agreement, Marvell has agreed to postpone or adjourn the Marvell general meeting up to two times for up to 30 days each time if Cavium reasonably requests such postponement or adjournment in order to solicit additional proxies in favor of the approval of the Marvell Share Issuance (but not later than five business days prior to the Outside Date), in which case, Marvell has agreed to use its reasonable best efforts during any such postponement or adjournment to solicit and obtain such proxies in favor of the approval of the Marvell Share Issuance as soon as reasonably practicable. Under the Merger Agreement, subject to applicable legal requirements: (a) Marvell has agreed to cooperate with Cavium and use its reasonable best efforts to cause the Marvell general meeting to be held on the same date as the Cavium special meeting; and (b) if, notwithstanding such efforts, the Cavium special meeting is held prior to the Marvell general meeting, Marvell has agreed to use its reasonable best efforts to cause its meeting to be held as promptly as reasonably practicable following the date of the Cavium special meeting.

if: (a) an unsolicited, bona fide, written Cavium Acquisition Proposal that did not result from a material breach of the applicable non-solicitation provisions of the Merger Agreement is made to Cavium after the date of the Merger Agreement and is not withdrawn; (b) Cavium's board of directors determines in good faith, after taking into account the advice of an independent financial advisor of nationally recognized reputation and the advice of Cavium's outside legal counsel, that such Cavium Acquisition Proposal constitutes a Cavium Superior Offer, and that, in light of such Cavium Superior Offer, the failure to make a Cavium Adverse Recommendation Change or the failure to terminate the Merger Agreement in order to accept such Cavium Superior Offer would reasonably be expected to be inconsistent with its fiduciary obligations to Cavium's shareholders under applicable law; (c) prior to effecting such Cavium Adverse Recommendation Change or terminating the Merger Agreement in order to accept such Cavium Superior Offer, Cavium's board of directors gives Marvell at least four business days' prior written notice (i) that it has received a Cavium Superior Offer that did not result from a material breach of any of the applicable non-solicitation provisions of the Merger Agreement, (ii) that it intends to make a Cavium Adverse Recommendation Change as a result of such Cavium Superior Offer (and describing the intended Cavium Adverse Recommendation Change) or to terminate the Merger Agreement in order to accept such Cavium

if: (a) there has been a Cavium Intervening Event (as defined below), (b) Cavium provides Marvell with 48 hours' prior written notice of any meeting of the Cavium board of directors at which the board is expected to consider and determine whether such Cavium Intervening Event may require Cavium to make a Cavium Adverse Recommendation Change in accordance with the terms of the Merger Agreement; (c) Cavium's board of directors determines in good faith, after having taken into account the advice of an independent financial advisor of nationally recognized reputation and the advice of Cavium's outside legal counsel, that, in light of such Cavium Intervening Event, the failure to make a Cavium Adverse Recommendation Change would reasonably be expected to be inconsistent with its fiduciary obligations to Cavium's shareholders under applicable law; (d) no Cavium Adverse Recommendation Change has been made for four business days after receipt by Marvell of a written notice from Cavium confirming that Cavium's board of directors has determined that the failure to make such a Cavium Adverse Recommendation Change in light of such Cavium Intervening Event would reasonably be expected to be inconsistent with its fiduciary obligations to Cavium's shareholders under applicable law; (e) during such four business day notice period, Cavium engages (to the extent requested by Marvell) in good faith negotiations with Marvell to amend the Merger Agreement in such a manner that the failure to make a Cavium Adverse Recommendation Change would not reasonably be expected to be inconsistent with the fiduciary obligations of Cavium's board of directors to Cavium's shareholders under applicable law in light of such Cavium Intervening Event; and (f) at the time of any Cavium Adverse Recommendation Change, the Cavium board of directors determines in good faith, after taking into account the advice of an independent financial advisor of nationally recognized reputation and the advice of Cavium's outside legal counsel, that the failure to make a Cavium Adverse Recommendation Change would still reasonably be expected to be inconsistent with the fiduciary obligations of Cavium's board of directors to Cavium's shareholders under applicable law in light of such Cavium Intervening Event; provided, however, that when making such determination, Cavium's board of directors will be obligated to consider any changes to the terms of the Merger Agreement proposed in writing by Marvell as a result of the negotiations required by clause (e) or otherwise.

Merger Agreement), which event, development or change in circumstance, or any material consequence thereof, becomes known to Marvell prior to the approval of the Marvell Share Issuance by the Required Marvell Shareholder Vote and did not result from or arise out of the announcement or pendency of, or any action required to be taken (or to be refrained from being taken) pursuant to, the Merger Agreement.

Financing Matters

In connection with the execution and delivery of the Merger Agreement, Marvell delivered to Cavium an executed copy of a debt commitment letter, together with executed copies of the related fee letters (which have been redacted as set forth in the Merger Agreement), each in effect as of the date of the Merger Agreement from Goldman Sachs Bank USA, Bank of America, N.A., and Merrill Lynch, Pierce, Fenner & Smith Incorporated (the Debt Commitment Letter) to provide debt financing in an aggregate amount set forth therein and subject to the terms and conditions set forth therein (the Committed Debt Financing).

Pursuant to the Merger Agreement, Marvell may amend, restate, supplement or otherwise modify or waive any of its rights under the Debt Commitment Letter or any Definitive Debt Financing Agreement (as defined below) and/or substitute other debt financing for all or any portion of the Committed Debt Financing from the same or alternative financing sources, subject to certain exceptions (a Permitted Alternative Debt Financing).

The Merger Agreement provides that, if the commitments with respect to all or any portion of the Committed Debt Financing expire or are terminated, or all or any portion of the Committed Debt Financing otherwise becomes unavailable, other than in connection with (x) any Permitted Alternative Debt Financing having been obtained that does not require the consent of Cavium pursuant to the terms of the Merger Agreement or (y) the commitments with respect to the Committed Debt Financing set forth in the Debt Commitment Letter being replaced with commitments with respect thereto set forth in the Definitive Debt Financing Agreements, then Marvell must:

promptly notify Cavium of such event and the reasons therefor;

use reasonable best efforts to, as promptly as practicable following the occurrence of such event (but no later than the third business day prior to the Outside Date), arrange and obtain, at its sole expense, from alternative sources debt financing in an amount sufficient, when taken together with all other sources of cash available to Marvell, to satisfy the Financing Uses *Financing Matters*, (such financing, a Required Alternative Debt Financing, and together with the Committed Debt Financing and any Permitted Alternative Debt Financing, the Debt Financing) on terms and conditions (including any flex provisions) that (a) are not materially less favorable to Marvell than the Committed Debt Financing set forth in the Debt Commitment Letter and (b) would not adversely affect the ability of Marvell to timely complete the Merger; and

when obtained, promptly provide Cavium with a copy of each executed commitment letter in respect of such alternative financing, together with all related fee letters (with customary redactions).

For purposes of the Merger Agreement, the Financing Sources are defined as the parties to the Debt Commitment Letter (other than Marvell) on the date of the Merger Agreement and each other person or entity (other than Marvell or any of its subsidiaries) that has committed to provide or otherwise entered into any commitment letter, engagement letter, credit agreement, underwriting agreement, purchase agreement, indenture or other agreement with Marvell or any of its affiliates in connection with, or that is otherwise acting as an arranger, bookrunner, underwriter, initial

purchaser, placement agent, administrative or collateral agent, trustee or a similar representative in respect of, all or any part of the Debt Financing.

As part of its covenants under the Merger Agreement, Marvell has agreed to use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary or advisable to arrange and obtain the Debt Financing on the terms and conditions (as such terms may be modified or adjusted in accordance with the terms, and within the limits, of the flex provisions contained in any fee letter) contemplated by the Debt Commitment Letter.

Table of Contents

In furtherance of the foregoing, under the Merger Agreement, Marvell has agreed not to amend, restate, supplement, or otherwise modify, or waive any provision of, the Debt Commitment Letter, any fee letter related thereto, or any definitive agreements with respect to the Debt Financing (the Definitive Debt Financing Agreements), or substitute any portion of the Debt Financing, without the prior written consent of Cavium if such amendment, restatement, supplement or other modification or waiver or such substitution would:

reduce the aggregate amount of the Debt Financing, including by increasing the amount of fees to be paid or original issue discount, to an amount below the amount needed, when taken together with all other sources of cash available to Marvell, to satisfy all of Marvell's payment obligations under the Merger Agreement, including the payment when due of the consideration for the Merger, and all costs and expenses of the transactions contemplated by the Merger Agreement and any repayment or refinancing of indebtedness (including indebtedness under Cavium's existing credit agreement) contemplated by the Debt Commitment Letter (collectively, the Financing Uses); or

impose new or additional conditions, or otherwise amend, modify or expand any conditions, to the initial funding of the Debt Financing in a manner that would (a) delay or prevent the funding of the Debt Financing in at least the amount needed, when taken together with all other sources of cash available to Marvell, to satisfy the Financing Uses or (b) adversely impact the ability of Marvell to (i) enforce its rights against the other parties to the Debt Commitment Letter or the Definitive Debt Financing Agreements or (ii) timely complete the transactions contemplated by the Merger Agreement, except that Marvell may (A) add financing sources in accordance with the terms of the Debt Commitment Letter or the Definitive Debt Financing Agreements and (B) implement any flex provisions contained in one or more fee letters related to the Debt Financing.

Under the Merger Agreement, Marvell has also agreed to furnish Cavium with executed copies of any amendments to the Debt Commitment Letter (with any fee letter redacted in a customary manner) and all Definitive Debt Financing Agreements promptly upon their execution, and to use reasonable best efforts to:

maintain in effect the Debt Commitment Letter or, if applicable, the Definitive Debt Financing Agreements;

negotiate, enter into and deliver the Definitive Debt Financing Agreements;

satisfy on a timely basis all terms, conditions and covenants applicable to Marvell and its subsidiaries, including with respect to the payment of any commitment, engagement or placement fees, in the Debt Commitment Letter and the Definitive Debt Financing Agreements to the extent the failure to do so would result in a failure of a condition precedent to the availability of the Debt Financing; and

seek to enforce its rights with respect to funding under the Debt Commitment Letter and the Definitive Debt Financing Agreements in the event of a breach thereof by the Financing Sources party thereto.

Under the Merger Agreement, Marvell also has obligations to promptly notify Cavium (in any event, within two business days after becoming aware thereof) if, prior to the Effective Time:

the Debt Commitment Letter expires or is terminated, other than in connection with (x) any substitute Debt Financing having been obtained that does not require the consent of Cavium pursuant to the terms of the Merger Agreement or (y) the commitments with respect to the Debt Financing set forth in the Debt Commitment Letter being replaced with commitments with respect thereto set forth in the Definitive Debt Financing Agreements;

Marvell becomes aware of any actual or potential default or material breach (or any event that, with or without notice, lapse of time or both, would give rise to any default or material breach) by any party to the Debt Commitment Letter or any Definitive Debt Financing Agreements;

Marvell becomes aware of any oral or written repudiation of, or indication by any Financing Source that it will not provide, or if it refuses to provide, all or any portion of the Debt Financing contemplated by the Debt Commitment Letter or the Definitive Debt Financing Agreements on the terms and conditions set forth therein;

The Merger Agreement provides that, immediately prior to such termination, Cavium (or such ERISA Affiliate) shall make all necessary payments to fund: (a) the contributions necessary or required to maintain the tax-qualified status of the Cavium 401(k) Plan; (b) the contributions for elective deferrals made pursuant to the Cavium 401(k) Plan for the period prior to termination; and (c) the contributions for any employer contributions (including matching contributions) for the period prior to termination. The Merger Agreement provides that, in the event of such termination of the Cavium 401(k) Plan, promptly following the Effective Time, Marvell will cause a plan maintained by Marvell and intended to be qualified under Code Section 401(a) which includes a cash or deferred arrangement intended to qualify under Code Section 401(k) to accept eligible (i) rollover contributions in cash of amounts distributed to Continuing Employees from Cavium's 401(k) Plan and (ii) in-kind rollovers of Continuing Employees' loan balances, and will provide for continued repayments of any such loans through payroll deductions commencing not later than with the first payroll period ending not more than 14 days following the date of such rollover.

For purposes of the Merger Agreement, an ERISA Affiliate is defined as any trade or business, whether or not incorporated, that together with Cavium would be, or, within the preceding six years would have been, deemed to be a single employer for purposes of section 4001 of ERISA or Sections 414(b), (c), (m), (n) or (o) of the Code.

Indemnification and Insurance

The Merger Agreement provides that all rights to indemnification existing in favor of those persons or entities who have been or are directors and officers of Cavium or any of its subsidiaries (the Indemnified Persons) for their acts and omissions occurring prior to the Effective Time, as provided in Cavium's or the applicable subsidiary's certificate of incorporation or bylaws (as in effect as of the date of the Merger Agreement) and as provided in any indemnification agreements between Cavium or the applicable subsidiary and such Indemnified Persons (as in effect as of the date of the Merger Agreement) that were made available to Marvell prior to the date of the Merger Agreement, will survive the Merger and continue in full force and effect (to the fullest extent such rights to indemnification are available under and consistent with Delaware law) for a period of six years from the Effective Time.

The Merger Agreement provides that, from the Effective Time until the sixth anniversary of the Effective Time, the Surviving Corporation will maintain in effect, for the benefit of the Indemnified Persons with respect to their acts and omissions as directors and officers occurring prior to the Effective Time, the existing policy of directors and officers liability insurance maintained by Cavium as of the date of the Merger Agreement in the form made available to Marvell prior to the date of the Merger Agreement (the Existing D&O Policy), to the extent that

such directors and officers liability insurance coverage is available on commercially reasonable terms; provided, however, that: (a) the Surviving Corporation may substitute for the Existing D&O Policy a policy or policies of comparable coverage; and (b) the Surviving Corporation will not be required to pay annual premiums for the Existing D&O Policy (or for any substitute policies) in excess of the Maximum Premium. The Merger Agreement provides that if any future annual premiums for the Existing D&O Policy (or any substitute policies) exceed the Maximum Premium in the aggregate, the Surviving Corporation will be entitled to reduce the amount of coverage of the Existing D&O Policy (or any substitute policies) to the amount of coverage that can be obtained for a premium equal to the Maximum Premium. Prior to the Effective Time, Cavium may purchase a pre-paid, non-cancellable tail policy on the Existing D&O Policy for a claims reporting or discovery period of six years from the Effective Time and otherwise on terms and conditions that are no less favorable than the terms and conditions of the Existing D&O Policy; provided, however, that Cavium will not, without the prior written consent of Marvell, expend an amount for such tail policy in excess of the Maximum Premium. The Merger Agreement provides that, if such tail policy is purchased, the Surviving Corporation will, and Marvell will cause the Surviving Corporation to, maintain such tail policy in full force and effect and continue its obligations thereunder, in lieu of all other obligations of the Surviving Corporation under the first sentence of this paragraph for so long as such tail policy is maintained in full force and effect.

Efforts to Complete the Merger

Under the Merger Agreement, each of Marvell and Cavium has agreed to use its reasonable best efforts, subject to the limitations described below, to take, or cause to be taken, all actions necessary to complete the Merger and make effective the other transactions contemplated by the Merger Agreement, including obtaining CFIUS Approval and MOFCOM approval. The Merger Agreement provides that, without limiting the generality of the foregoing, but subject to the limitations described below, each of Marvell and Cavium will, among other things:

make all filings, give all notices (if any) and provide all information (if any) required to be made, given or provided by such party in connection with the Merger and the other transactions contemplated by the Merger Agreement;

consult with such party's employees to the extent required under applicable legal requirements in connection with the Merger or any of the other transactions contemplated by the Merger Agreement; and

use its reasonable best efforts to obtain each consent (if any) required to be obtained (pursuant to any applicable legal requirement or contract, or otherwise) by such party in connection with the Merger or any of the other transactions contemplated by the Merger Agreement.

The Merger Agreement provides that, notwithstanding the foregoing, or anything to the contrary contained in the Merger Agreement, Marvell will have no obligation to:

dispose of or transfer or cause any of its subsidiaries or affiliates to dispose of or transfer any assets, or to commit to cause Cavium or any of its subsidiaries to dispose of any assets;

make or cause any of its subsidiaries or affiliates to make any commitment regarding its future operations or the future operations of Cavium or any of its subsidiaries, unless the actions referred to in the foregoing five bullet points (a) are reasonably necessary to satisfy the closing conditions relating to regulatory matters and (b) would not, individually or in the aggregate, reasonably be expected to result in a significant impact on the strategic or financial benefits of the Merger to Marvell.

The Merger Agreement provides that, notwithstanding the foregoing, or anything to the contrary contained in the Merger Agreement, (a) Marvell will have no obligation to contest, or cause any of its subsidiaries or affiliates to contest, any legal proceeding relating to the Merger if Marvell reasonably determines in good faith that contesting such legal proceeding would not be advisable and (b) Marvell will not be required to:

divest, transfer or otherwise dispose of, to hold separate or to commit to cause any of its subsidiaries or affiliates or Cavium or any of its subsidiaries to divest, transfer or otherwise dispose of or to hold separate all or any portion of (i) the Ethernet switch business or the embedded communication processor business of Marvell and its subsidiaries or (ii) the Ethernet switch business or the processor business of Cavium and its subsidiaries;

change, or commit to change, its place of domicile or organization; or

restructure or commit to restructure any of the transactions contemplated by the Merger Agreement; provided, however, that if Marvell elects to change its place of domicile or organization or to restructure any of the transactions contemplated by the Merger Agreement in response to a request from a governmental body or in order to facilitate the satisfaction of any of the closing conditions relating to regulatory matters, then Cavium has agreed that it will, and will cause its subsidiaries to (x) consent to, and cooperate with Marvell in connection with, the taking of any such action and (y) take any other action in connection therewith as Marvell may reasonably request. The Merger Agreement provides that, at the request of Marvell, Cavium will divest, sell, dispose of, hold separate or take any other action with respect to any of the businesses, product lines or assets of Cavium and its subsidiaries, provided that any such action is conditioned upon the completion of the Merger.

Any condition, remedy or action that Marvell is not obligated to accept or take pursuant to the three previous sentences is referred to herein as a Burdensome Condition.

Under the Merger Agreement, Cavium and Marvell have further agreed to:

promptly after the date of the Merger Agreement, prepare and file the notification and report forms required to be filed under the HSR Act and any notification or other document required to be filed or submitted under any applicable foreign antitrust or competition-related legal requirement in connection with the Merger and the other transactions contemplated by the Merger Agreement;

or requests received from any state attorney general, foreign antitrust or competition authority or other governmental body in connection with antitrust or related matters;

promptly (and not later than 20 business days after the date of the Merger Agreement, unless otherwise agreed by the parties) make a draft filing in connection with obtaining CFIUS Approval in accordance with the DPA;

make a final filing in connection with obtaining CFIUS Approval in accordance with the DPA promptly after receipt of confirmation that CFIUS has no further comments with respect to the draft filing; and

respond as promptly as practicable to any information request from CFIUS or any other agency or branch of the U.S. government in connection with the CFIUS review or investigation of the Merger.

The Merger Agreement also provides that Marvell will be required to pay to Cavium a termination fee of \$180 million if (a)(i) the Merger Agreement is terminated due to a Final CFIUS Turndown or on account of a knowing and intentional breach by Marvell of its obligations with respect to obtaining CFIUS Approval and (ii) all of Marvell's closing conditions (other than closing conditions with respect to the effectiveness of the registration statement of which this joint proxy statement/prospectus is a part, shareholder approvals, receipt of certain certifications from Cavium, the receipt of CFIUS Approval and MOFCOM approval and the listing of Marvell common shares to be issued in connection with the Merger) have been satisfied as of the time of termination or (b) the Merger has not been completed on or prior to the Outside Date and all of Marvell's closing conditions (other than closing conditions with respect to receipt of certain certifications from Cavium, the receipt of CFIUS Approval and MOFCOM approval and the listing of Marvell common shares to be issued in connection with the Merger) have been satisfied as of the time of termination.

Enforcement; Remedies

Under the terms of, and except as otherwise provided in the Merger Agreement, any and all remedies expressly conferred upon a party to the Merger Agreement will be deemed cumulative with and not exclusive of any other remedy so conferred, or conferred by law or equity, and the exercise by a party to the Merger Agreement of any one remedy will not preclude the exercise of any other remedy. Further, nothing in the Merger Agreement will be deemed a waiver by any party thereto of any right to specific performance or injunctive relief.

Under the Merger Agreement, each of Marvell and Cavium has acknowledged and agreed that irreparable damage would occur in the event that any of the provisions of the Merger Agreement is not performed by such party in accordance with its specific terms or is otherwise breached, and that monetary damages, even if available, would not be an adequate remedy. Accordingly, the Merger Agreement provides that, in the event of any breach or threatened breach by either Marvell or Cavium of any covenant or obligation contained in the Merger Agreement, the other party will be entitled to obtain, without proof of actual damages and in addition to any other remedy to which such non-breaching party is entitled at law or in equity: (a) a decree or order of specific performance to enforce the observance and performance of such covenant or obligation; and (b) an injunction restraining such breach or threatened breach.

Amendment

The Merger Agreement provides that, subject to certain exceptions, the Merger Agreement may be amended, modified or supplemented by written agreement signed by the parties thereto at any time; provided, however, that (a) after adoption of the Merger Agreement by Cavium's shareholders, no amendment which by law requires further approval of the shareholders of Cavium may be made without such further approval and (b) after approval of the Marvell Share Issuance by Marvell's shareholders, no amendment which by law or any NASDAQ rule requires further approval of Marvell's shareholders may be made without such further approval. The Merger Agreement further provides that certain sections of the Merger Agreement may not be amended, supplemented or otherwise modified in any manner that is adverse in any material respect to any Financing Source or certain parties related to such Financing Source (including its affiliates, shareholders, directors, officers and employees) without the prior written consent of such Financing Source.

and to the extent permitted by applicable legal requirements, waive compliance with any of the agreements or covenants of the other parties or any condition that exists in favor of the waiving party contained in the Merger Agreement. The Merger Agreement provides that certain sections of the Merger Agreement may not be waived in any manner that is adverse in any material respect to any Financing Source or

certain parties related to such Financing Source (including its affiliates, shareholders, directors, officers and employees) without the prior written consent of such Financing Source. The Merger Agreement also provides that any agreement on the part of a party to any such extension or waiver will be valid only if set forth in an instrument in writing signed on behalf of such party.

The Merger Agreement further provides that no failure or delay on the part of any party to exercise any power, right, privilege or remedy under the Merger Agreement will operate as a waiver of such power, right, privilege or remedy; and no single or partial exercise of any such power, right, privilege or remedy will preclude any other or further exercise thereof or of any other power, right, privilege or remedy.

In addition, the Merger Agreement provides that no party will be deemed to have waived any claim arising out of the Merger Agreement, or any power, right, privilege or remedy under the Merger Agreement, unless the waiver of such claim, power, right, privilege or remedy is expressly set forth in a written instrument duly executed and delivered on behalf of such party; and any such waiver will not be applicable or have any effect except in the specific instance in which it is given.

Third-Party Beneficiaries

The Merger Agreement provides that it is not intended, and shall not be deemed, to create any agreement of employment with any person, to confer any rights or remedies upon any person or entity other than the parties to the Merger Agreement and their respective successors and permitted assigns or to otherwise create any third-party beneficiary thereto, except (a) the Indemnified Persons are third-party beneficiaries of the specified section of the Merger Agreement relating to their right to indemnification, (b) the Financing Sources are third-party beneficiaries of certain specified sections of the Merger Agreement and (c) Cavium has the right to pursue claims for damages (including claims for damages based on loss of the economic benefit of the Merger to Cavium's shareholders) on behalf of its shareholders in the event either Marvell or Merger Sub commits fraud or any knowing and intentional breach of its representations, warranties or covenants set forth in the Merger Agreement, which rights are enforceable on behalf of Cavium's shareholders only by Cavium, in its sole and absolute discretion, through actions approved by the Cavium board of directors.

Governing Law

The Merger Agreement provides that it is governed by, and is to be construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws.

INFORMATION ABOUT MARVELL

Marvell is a fabless semiconductor provider of application-specific semiconductor products. As a fabless semiconductor company, Marvell focuses on the design, development, and marketing of semiconductor products and forms relationships with foundries, assembly and test facilities for the manufacture of these products. Marvell's semiconductors perform analog, mixed-signal, and digital signal processing, and Marvell designs both stand-alone and embedded semiconductors. Marvell's core strength lies in the development of complex integrated circuits that incorporate all components of an electronic system in one chip—so-called SoC devices. Whereas electronic systems previously required multiple chips or systems to function, these electronic systems are increasingly performed by all-in-one devices. Marvell's all-in-one devices, including its SoCs, microcontrollers, and embedded processors, are more efficient and cost-effective than multi-chip or multi-system products.

Marvell's broad product portfolio includes devices for storage, networking and connectivity, as further described below, and Marvell's market segments include the enterprise, cloud, automotive, industrial and consumer markets.

Storage: Marvell develops data storage products, with applications spanning consumer, client, data center and enterprise markets. Products include controllers for hard disk drives (HDDs) and solid-state drives (SSDs) that store and retrieve data at reduced energy consumption and with greater speed and reliability. These products are incorporated into HDDs and SSDs for many different applications, including desktop and laptop personal computers, servers, game consoles, and similar devices.

Networking: Marvell develops networking products that serve end-users in cloud, enterprise, small and medium business, and service provider networks. Products include (i) physical layer transceivers that are used in a wide range of products, including switch systems, printers, game consoles, automobiles and other systems that require Ethernet connectivity; (ii) Ethernet switch integrated circuits to provide switching and packet processing; and (iii) embedded ARM-based processors.

Connectivity: Marvell develops wireless connectivity products that serve consumer, enterprise, desktop, service provider, and automotive markets. Products include client and access point chips that enable wireless communication using WiFi and Bluetooth standards.

Marvell was incorporated in Bermuda in January 1995. Marvell's registered and mailing address is Canon's Court, 22 Victoria Street, Hamilton HM 12, Bermuda, and its telephone number there is (441) 296-6395. The term of office of any director shall terminate upon that election of a successor.

Duties of Directors and Director Liability

The Companies Act provides that the business of a company is to be managed and conducted by the board of directors. There is no statutory prescription in Bermuda setting out all of the duties of directors of Bermuda companies. A company's memorandum of association and bye-laws, together with the Companies Act and relevant case-law at common law, describe the scope of the directors' powers and duties.

At common law a director owes two types of duty to the company under Bermuda law: a fiduciary duty and a duty of skill and care. A director's fiduciary duty has four main elements: (i) a duty to act in good faith in the best interests of the company; (ii) a duty to exercise powers for a proper purpose; (iii) a duty to avoid a conflict of interest; and (iv) a duty not to make a secret profit from opportunities that arise from the office of director of the company.

Under the Companies Act, every director in exercising his or her powers and discharging his duties shall: (a) act honestly and in good

Under Delaware law, the business and affairs of a corporation are managed by or under the direction of its board of directors. In exercising their powers, directors are charged with a fiduciary duty of care to protect the interests of the corporation and a fiduciary duty of loyalty to act in the best interests of its shareholders. The duty of care requires that directors act in an informed and deliberate manner, and inform themselves, prior to making a business decision, of all relevant material information reasonably available to them. The duty of care also requires that directors exercise care in overseeing and investigating the conduct of corporate employees. The duty of loyalty may be summarized as the duty to act in good faith, not out of self-interest, and in a manner that the director reasonably believes to be in the best interests of the shareholders.

The DGCL permits the adoption of a provision in the certificate of incorporation limiting or eliminating the monetary liability of a director to a corporation or its shareholders by reason of a director's breach of the fiduciary duty of care. However, the law does not permit any limitation of liability

(c) disclose material conflicts of interest to the board of directors of the company at the first opportunity. In addition, the Companies Act imposes various duties on directors and officers of a company with respect to certain matters of management and administration of the company.

The Companies Act provides that in any proceedings for negligence, default, breach of duty or breach of trust against any officer, if it appears to a court that such officer is or may be liable in respect of the negligence, default, breach of duty or breach of trust, but that he or she has acted honestly and reasonably, and that, having regard to all the circumstances of the case, including those connected with his or her appointment, he or she ought fairly to be excused for the negligence, default, breach of duty or breach of trust, that court may relieve him or her, either wholly or partly, from any liability on such terms as the court may think fit. This provision has been interpreted to apply only to actions brought by or on behalf of the company against such officers.

(2) facts or omissions not in good faith or that involve intentional misconduct or knowing violations of the law;

(3) any transaction from which the director derived an improper personal benefit; or

(4) paying a dividend or approving a stock repurchase that was illegal under Delaware law.

Under Cavium's Certificate of Incorporation, liability of Cavium's directors for monetary damages is eliminated to the fullest extent permitted under the DGCL and any other applicable law; however Cavium's Bylaws provide that Cavium is not required to indemnify any director or executive officer in connection with any proceeding initiated by such person unless (1) required by law; (2) the proceeding was authorized by the board of directors; (3) such indemnification is provided by the corporation in its sole discretion pursuant to the powers vested in it under the DGCL or any other applicable law; or (4) pursuant to an enforcement action, as determined by a court of competent jurisdiction.

Interested Directors

Under the Companies Act and at common law, if a director or officer has an interest in a material contract he shall be deemed not to be acting honestly and in good faith (one of the codified directors' duties under the Companies Act) if he or she does not declare at the first opportunity the nature of that interest either at a meeting of directors or in writing to the board of directors.

Under Section 144 of the DGCL, no contract or transaction between the corporation and one or more directors or officers, or between the corporation and any other entity in which the corporation's directors or officers are directors or officers or have a financial interest shall not be void or voidable solely for that reason if (1) the material facts as to such interested director's relationship or

A director who is directly or indirectly interested in a contract or proposed contract or arrangement with Marvell shall declare the nature of such interest as required by the Companies Act.

Following a declaration being made pursuant to the Marvell Bye-laws, and unless disqualified by the chairman of the relevant board meeting, a director may vote in respect of any contract or proposed contract or arrangement in which such director is interested and may be counted in the quorum at such meeting.

Every Marvell shareholder entitled to vote has the right to do so either in person or by one or more persons authorized by a written proxy executed and delivered in accordance with the Marvell Bye-laws.

An instrument of proxy shall be in a common form in writing, executed and delivered in accordance with Marvell's Bye-laws.

Subject to the Companies Act, the Marvell board of directors may at its discretion waive any provisions of the Marvell Bye-laws related to proxies or authorizations and, in particular, may accept such verbal or other assurances as it thinks fit as to the right of any person to attend, speak and vote on behalf of any Marvell shareholder at general meetings or to sign resolutions in writing.

Indemnification of Officers, Directors and Employees

Under Bermuda law, a company is permitted to indemnify any officer or director, out of the funds of the company against (i) any liability incurred by him or her in defending any proceedings, whether civil or criminal, in which judgment is given in his or her favor, or in which he or she is acquitted, or in connection with any application under relevant Bermuda legislation in which relief from liability is granted to him or her by the court and (ii) any loss or liability resulting from negligence, default, breach of duty or breach of trust, save for his or her fraud and dishonesty. A company may also purchase and maintain insurance for the benefit of any officer of the company against any liability incurred by him under the Companies Act in his capacity as an officer of the company or indemnifying such an officer in respect of any loss arising or liability attaching to him by virtue of any rule of law in respect of any negligence, default, breach of duty or breach of trust of which the officer may be guilty in relation to the company. Nothing in the Companies Act shall make such policy void or voidable.

Cavium's Bylaws provide that Cavium shall indemnify its directors and executive officers to the fullest extent not prohibited by the DGCL or any other applicable law; provided, however, that Cavium may modify the extent of such indemnification by individual contracts with its directors and executive officers; and, provided, further, that Cavium shall not be required to indemnify any director or executive officer in connection with any proceeding initiated by such person unless (i) such indemnification is expressly required to be made by law, (ii) the proceeding was authorized by Cavium's board of directors, (iii) such indemnification is provided by Cavium, in its sole discretion, pursuant to the powers vested in it under the DGCL or any other applicable law or (iv) such indemnification is required to be made as determined by a court of competent jurisdiction in an enforcement action.

Cavium's bylaws provide that Cavium has the power to indemnify its other officers, employees and other agents as set forth in the DGCL or any other applicable law. Cavium's board of directors have the power to delegate

Amendment of Bye-laws/By-laws	The Marvell Bye-laws shall not be rescinded, altered or amended and no new bye-law shall be made until the same has been approved by a resolution of the Board and by a resolution of the shareholders proposed for the consideration of the shareholders at any annual or special general meeting and approved by the affirmative votes of a majority of the votes cast in accordance with the provisions of the Marvell Bye-laws and in the case of an equality of votes the resolution shall fail. Where changes to the Marvell Bye-laws are proposed which vary the rights of a class or classes of shareholder, their specific approval may be required together with the potential for action to be taken by shareholders that oppose such amendments.	Cavium s Bylaws may be adopted, amended or repealed by the affirmative vote of the holders of at least 66-2/3% of the voting power of all of the then outstanding shares of capital stock of Cavium entitled to vote in the election of directors, voting together as a single class. In addition, the Cavium board of directors is authorized to adopt, amend or repeal the Bylaws.
Business Combination	A Bermuda company may not enter into certain business transactions with its significant shareholders or affiliates without obtaining prior approval from its board of directors and, in certain instances, its shareholders. Examples of such business transactions include amalgamations, mergers, asset sales and other transactions in which a significant shareholder or affiliate receives or could receive a financial benefit that is greater than that received or to be received by other shareholders.	Cavium has not opted out of Section 203 of the DGCL. Section 203 of the DGCL prohibits a Delaware corporation from engaging in a business combination with an interested shareholder for three years following the date that such person becomes an interested shareholder. With certain exceptions, an interested shareholder is a person or group who or which owns 15% or more of the corporation s outstanding voting stock

and stock with respect to which the person has voting rights only), or is an affiliate or associate of the corporation and was the owner of 15% or more of such voting stock at any time within the previous three years.

For purposes of Section 203 of the DGCL, the term *business combination* is defined broadly to include (1) mergers with or caused by the interested shareholder; (2) sales or other dispositions to the interested shareholder (except proportionately with the corporation's other shareholders) of assets of the corporation or a subsidiary equal to 10% or more of the aggregate market value of the corporation's consolidated assets or its outstanding stock; (3) the issuance or transfer by the corporation or a subsidiary of stock of the corporation or such subsidiary to the interested shareholder; or (4) receipt by the interested shareholder (except proportionately as a shareholder), directly or indirectly, of any loans, advances, guarantees, pledges or other financial benefits provided by or through the corporation or a subsidiary.

The three-year moratorium imposed on business combinations by Section 203 does not apply under the following situations: (1) prior to the date on which such shareholder becomes an interested shareholder, the board of directors approved the business combination or the transaction which resulted in the person becoming an interested shareholder; (2) the interested shareholder owns 85% of the corporation's voting stock upon consummation of the transaction which made him or her an interested shareholder; or (3) on or after the date such person becomes an interested shareholder, the business combination is approved by the board of directors and is also approved at a shareholder meeting by 66-2/3% of the voting stock not

owned by the interested shareholder.

Section 203 only applies to Delaware corporations which have a class of voting

Cavium's Certificate of Incorporation does not provide otherwise. Absence of required vote for certain mergers: Under Delaware law, no vote of the shareholders of a corporation surviving a merger is required to approve a merger if: (1) the agreement of merger does not amend the charter of the corporation; (2) each share of stock of the corporation outstanding immediately prior to the merger is to be an identical outstanding or treasury share of the surviving corporation thereafter; and (3) the number of shares of common stock of the corporation to be issued in the merger, if any, does not exceed 20% of the number of shares outstanding immediately prior to the merger.

The Bermuda courts generally follow English law precedent, which permits a shareholder action in the name of the company to remedy a wrong done to the company: (i) where the act complained of is alleged to be beyond the corporate power of the company or illegal or would result in the violation of company's memorandum of association or bye-laws; (ii) where the acts are alleged to constitute a

Marvell's Bye-laws provide that each shareholder agrees to waive any claim or right in action such shareholder might have, whether individually or by or in the right of Marvell, against any director or officer on account of any action taken by such director or officer or the failure of such director or officer to take any action in the performance of his duties with or for Marvell, provided that such waiver shall not extend to any matter in respect of any fraud or dishonesty which may attach to such director or officer or to any matter arising under the United States federal securities laws.

**Preemptive Rights;
Stock Designations**

Under Bermuda law, no shareholder has a preemptive right to subscribe for additional issues of a company's shares unless, and to the extent that, the right is expressly granted to the shareholder under the bye-laws of a company or under any contract between the shareholder and the company.

Common Stock: The Marvell Bye-laws do not provide for any pre-emption rights on a transfer or an issue of Marvell common shares.

Preferred Stock: The Preferred Stock may be issued from time to time in one or more series and the Marvell Bye-laws permit the board to fix the number of shares of any series of the Preferred Stock and to determine or alter the rights, preferences, privileges and restrictions

acceptance. If the offeror or any of its subsidiaries or any nominee of the offeror or any of its subsidiaries together already own more than 10% of the shares in the subject company at the date of the offer the offeror must offer the same terms to all holders of the same class and the holders who accept the offer, besides holding not less than 90% in value of the shares, must also represent not less than 75% in number of the holders of those shares. These additional restrictions should not apply if the offer is made by a subsidiary of a parent (where the subsidiary does not own more than 10% of the shares of the subject company) even where the parent owns more than 10% of the shares of the subject company, provided that the subsidiary and the parent are not nominees. The 90% must be obtained within four months after the making of the offer and, once obtained, the compulsory acquisition may be commenced within two months of the acquisition of 90%. Dissenting shareholders do not have express appraisal rights but are entitled to seek relief (within one month of the compulsory acquisition notice) from the Bermuda Court which has power to make such orders as it thinks fit; or

(iii) by the holders of 95% or more of the shares or any class of shares serving a notice on the remaining shareholders or class of shareholders under the Companies Act. Dissenting shareholders have a right to apply to the Bermuda Court within one month of receiving the compulsory acquisition notice to have the value of their shares appraised by the Bermuda Court. If one dissenting shareholder applies to the Bermuda Court and is successful in obtaining a higher valuation, that valuation must be paid to all minority shareholders who were the subject of the notice.

POSSIBLE DOMESTICATION OR HOLDING COMPANY RESTRUCTURING OF MARVELL

Marvell is incorporated under the laws of Bermuda. In order to facilitate the satisfaction of any of the conditions to the completion of the Merger relating to regulatory matters, Marvell may (but is not obligated to) commit to a Domestication or a Holding Company Restructuring.

Under the Merger Agreement, each of Marvell and Cavium has agreed to use reasonable best efforts, subject to specified limitations, to take, or cause to be taken, all actions necessary to complete the Merger and make effective the other transactions contemplated by the Merger Agreement. Nothing in the Merger Agreement requires Marvell to change, or commit to change, its place of domicile or organization. The Merger Agreement also provides that if Marvell elects to change its place of domicile or organization (such as a Domestication) or to restructure the transactions contemplated by the Merger Agreement (such as a Holding Company Restructuring) in response to a request from a governmental body or in order to facilitate the satisfaction of any of the conditions to the completion of the Merger relating to regulatory matters, Cavium and its subsidiaries will consent to and cooperate in connection with the taking of such action and take any other action in connection therewith as Marvell may reasonably request.

Marvell cannot predict whether or not it will be necessary to commit to such actions in order to satisfy any of the conditions to the completion of the Merger relating to regulatory matters, or whether Marvell would commit to do so even if necessary to obtain regulatory approval.

If Marvell elects to implement a Domestication, Marvell would not need to obtain shareholder approval of the transaction, and Marvell shareholders would not have statutory rights of appraisal or any other appraisal rights under either Bermuda or Delaware law. If Marvell commits to a Domestication, Marvell currently expects that such a transaction would not be implemented until after the completion of the Merger.

If Marvell elects to implement a Holding Company Restructuring, Marvell would need to obtain shareholder approval of the transaction, and Marvell shareholders would have statutory rights of appraisal under Bermuda law. If Marvell were to commit to a Holding Company Restructuring, it could delay the completion of the Merger.

If Marvell elects to implement a Domestication or a Holding Company Restructuring, Marvell shareholders, including former Cavium shareholders who receive Marvell common shares in the Merger, would hold shares in a Delaware corporation, and their rights would change and would be governed by Delaware law rather than Bermuda law. Marvell currently expects that the rights of Marvell shareholders would be generally similar to the current rights of Marvell shareholders. Significant differences exist between the corporate law of Bermuda and Delaware. For example, shareholder rights with respect to derivative actions differ under Bermuda and Delaware law. While Bermuda law is silent as to whether a sale of substantially all of a company's assets requires shareholder approval, Delaware law expressly requires shareholder approval. Additionally, there would be differences between the current organizational documents of Marvell and the Delaware organizational documents of Marvell (after a Domestication) or of Delaware HoldCo (after a Holding Company Restructuring), including due to differences in governing law. For example, while Marvell's current By-laws provide for alternate directors, no such concept exists under Delaware law and, therefore, Delaware bylaws would contain no such provision. However, Marvell's board of directors has not yet determined what the rights of Marvell's shareholders would be following a Domestication or a Holding Company Restructuring should a Domestication or Holding Company Restructuring be implemented. Therefore, there can be no assurance that the current rights of Marvell shareholders would not be substantially different should a Domestication or Holding Company Restructuring occur.

It is currently expected that Marvell's business, as well as its board of directors, executive officers, principal business locations and fiscal year, would be the same upon completion of a Domestication or a Holding Company

Restructuring as they are prior to implementing such transaction.

There may be adverse U.S. federal income tax consequences to Marvell and to shareholders of Marvell, including former Cavium shareholders, if Marvell elects to implement a Domestication or a Holding Company Restructuring. See the risk factor on potential adverse U.S. federal income tax consequences to Marvell and to shareholders of Marvell in the section entitled *Risk Factors* for more information on these potential consequences.

UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL INFORMATION

On November 19, 2017, Marvell, Merger Sub and Cavium entered into the Merger Agreement. Subject to and upon the terms and the conditions set forth in the Merger Agreement and the applicable provisions of the DGCL at the effective time of the Merger, Merger Sub will be merged with and into Cavium, whereupon the separate corporate existence of Merger Sub will cease and Cavium will continue its existence under the laws of the State of Delaware as the Surviving Corporation and as a direct wholly owned subsidiary of MTI, which is a direct wholly owned subsidiary of Marvell. Marvell and Cavium expect to complete the Merger in the middle of calendar year 2018.

Prior to the Merger Agreement, on August 16, 2016, Cavium completed its acquisition of QLogic when Quasar Acquisition Corp. merged with and into QLogic, with QLogic surviving as a wholly owned subsidiary of Cavium (the QLogic Acquisition). Refer to Note 2 of the *Notes to Unaudited Pro Forma Condensed Combined Financial Information* for more information on the QLogic Acquisition.

The following unaudited pro forma condensed combined financial information included herein presents the combination of the historical consolidated financial statements of Marvell, Cavium and QLogic adjusted to give effect to the Merger, the QLogic Acquisition and the new debt financing (the Financing Transactions). Under the terms of the Merger Agreement, Marvell will acquire each outstanding share of Cavium common stock as of the date of the Merger for the Per Share Cash Amount of \$40.00, without interest and less applicable withholding taxes. Additionally, each outstanding share of Cavium common stock will be converted into the right to receive the Exchange Ratio of 2.1757 Marvell common shares.

The unaudited pro forma condensed combined balance sheet as of October 28, 2017 gives effect to the Merger and the Financing Transactions, as if they had been completed on October 28, 2017 and combines the unaudited condensed consolidated balance sheet of Marvell as of October 28, 2017 with Cavium's unaudited condensed consolidated balance sheet as of September 30, 2017. The QLogic Acquisition is already reflected on Cavium's unaudited condensed consolidated balance sheet as of September 30, 2017. Therefore, no pro forma balance sheet adjustments are necessary to show the pro forma impact of the QLogic Acquisition.

The unaudited pro forma condensed combined statements of operations for the year ended January 28, 2017 and the nine months ended October 28, 2017 give effect to the Merger, the QLogic Acquisition and the Financing Transactions as if they had occurred on January 31, 2016, the beginning of the annual period presented. The unaudited pro forma condensed combined statement of operations for the year ended January 28, 2017 combines the audited consolidated statement of operations of Marvell for the year ended January 28, 2017 with Cavium's audited consolidated statement of operations for the year ended December 31, 2016 and QLogic's unaudited consolidated statement of operations for the period from December 28, 2015 to August 15, 2016. The unaudited pro forma condensed combined statement of operations for the nine months ended October 28, 2017 combines the unaudited condensed consolidated statement of operations of Marvell for the nine months ended October 28, 2017 with Cavium's unaudited condensed consolidated statement of operations for the nine months ended September 30, 2017. The QLogic Acquisition was completed on August 16, 2016, and as such, it is already reflected in Cavium's audited consolidated statement of operations for the year ended December 31, 2016 for the period from August 16, 2016 to December 31, 2016 and unaudited condensed consolidated statement of operations for the nine months ended September 30, 2017. Therefore, the pro forma effect of the QLogic Acquisition is solely included in the unaudited pro forma condensed combined statement of operations for the year ended January 28, 2017 for the period from December 28, 2015 to August 15, 2016.

The unaudited pro forma condensed combined financial information presented is for illustrative purposes only and is not necessarily indicative of the financial position or results of operations that would have been realized if the Merger, QLogic Acquisition and Financing Transactions had been completed on the dates indicated, nor is it indicative of future operating results or financial position. The unaudited pro forma condensed combined financial information does not reflect any cost savings, operating synergies or revenue enhancements that the combined company may achieve as a result of the Merger, the costs to integrate the operations of Marvell and Cavium or the costs necessary to achieve these cost savings, operating synergies and revenue enhancements. The pro forma adjustments represent Marvell's best estimates and are based upon current available information and certain assumptions that Marvell believes are reasonable under the circumstances. The transaction is being accounted for as a business combination using the acquisition method with Marvell as the accounting acquirer in accordance with Accounting Standards Codification (ASC) Topic 805, *Business Combinations* (ASC 805). Under this method of accounting the purchase price will be allocated to Cavium's assets acquired and liabilities assumed based upon their estimated fair values at the date of completion of the Merger. The process of valuing the tangible and intangible assets and liabilities of Cavium immediately prior to the Merger, as well as evaluating accounting policies for conformity, is preliminary. The final valuation may materially change the allocation of the merger consideration, which could materially affect the fair values assigned to the assets and liabilities and could result in a material change to the unaudited pro forma condensed combined financial information. Refer to Note 4 of the *Notes to Unaudited Pro Forma Condensed Combined Financial Information* for more information on the basis of presentation.

- (1) In May 2017, Marvell discontinued operations of its LTE thin-modem business and sold the assets of the business. The transaction closed on May 18, 2017. Based on the terms of the agreement, Marvell received sale consideration of \$52.9 million. The operations of the LTE business were reflected as discontinued operations during the nine-months ended October 28, 2017 and October 29, 2016 as reported in the Form 10-Q for the period ended October 28, 2017 as filed with the SEC. The operations of the LTE business have not been retrospectively reflected as discontinued operations for the year ended January 28, 2017 as management concluded that the impact was not material. Income (loss) from continuing operations, net of tax, includes a loss related to the LTE business of \$30.8 million.
- (2) Beginning with the first quarter of fiscal 2018, Marvell's financial results for prior periods were conformed to current period presentation. Marvell has combined its selling and marketing expenses, general and administrative expenses, and our amortization of intangible assets to one combined line item on the consolidated statements of operations, presented together as selling, general and administrative. In addition, Marvell changed its presentation to include gross profit on the consolidated statements of operations. These presentation changes had no impact on consolidated operating income, net income or cash flows. Marvell's financial results for prior periods presented herein are consistently presented with the current fiscal year's financial statement presentation.

Table of Contents**NOTES TO UNAUDITED PRO FORMA CONDENSED COMBINED FINANCIAL INFORMATION****1. Description of the Merger**

On November 19, 2017, Marvell, Merger Sub and Cavium entered into the Merger Agreement. Subject to and upon the terms and the conditions set forth in the Merger Agreement and the applicable provisions of the DGCL, Merger Sub will be merged with and into Cavium, whereupon the separate corporate existence of Merger Sub will cease and Cavium will continue its existence under the laws of the State of Delaware as the Surviving Corporation and as a direct wholly owned subsidiary of MTI, which is a direct wholly owned subsidiary of Marvell. The merger consideration is estimated to be \$6.4 billion and will be funded with a combination of cash on balance sheet, and cash provided from the Financing Transactions and issuance of Marvell common shares in connection with the Merger. Refer to Note 6 of the *Notes to Unaudited Pro Forma Condensed Combined Financial Information* for additional information on the estimated merger consideration.

Under the terms of the Merger Agreement, each share of Cavium common stock that is outstanding immediately prior to the Effective Time (other than shares held by Marvell, Cavium, or any of their respective subsidiaries and shares as to which appraisal rights have been properly exercised pursuant to Delaware law) will be converted into the right to receive (a) 2.1757 Marvell common shares and (b) \$40.00 in cash, without interest.

Under the terms of the Merger Agreement, at the Effective Time, each outstanding and unexercised Cavium Option, whether or not vested, will be assumed by Marvell and converted into an option to purchase, on the same terms and conditions as were applicable under such Cavium Option, that number of Marvell common shares (rounded down to the nearest whole share) equal to the product of (i) the number of shares of Cavium common stock subject to such Cavium Option, multiplied by (ii) the Conversion Ratio, at an exercise price per Marvell common share (rounded up to the nearest whole cent) equal to the quotient obtained by *dividing* (A) the per share exercise price for the Cavium common stock subject to such Cavium Option, *by* (B) the Conversion Ratio.

Under the terms of the Merger Agreement, at the Effective Time, each Director Option that is outstanding and vested immediately prior to the Effective Time, will be canceled, and the holder thereof will be entitled to receive (subject to any applicable withholding or other taxes, or other amounts required by applicable legal requirements to be withheld) an amount in cash equal to the product of (i) the positive difference (if any) between (A) the Equity Award Cash Consideration, *minus* (B) the exercise price applicable to such Director Stock Option, *multiplied by* (ii) the number of shares of Cavium common stock subject to such Director Option.

Under the terms of the Merger Agreement, at the Effective Time, each Cavium RSU that is outstanding and unvested, other than any Cavium RSU held by a non-employee member of the Cavium board of directors, will be converted into the number of Marvell restricted stock units (rounded down to the nearest whole share) equal to the product of (a) the number of shares of Cavium common stock subject to such Cavium RSU, multiplied by (b) the Conversion Ratio.

Under the terms of the Merger Agreement, at the Effective Time, each Cavium RSU (a) that is outstanding and vested (and with respect to which shares of Cavium common stock have not yet been issued) immediately prior to the Effective Time (including any Cavium RSU that becomes vested by its terms immediately prior to or as of the Effective Time) or (b) that is outstanding and held by a non-employee member of the Cavium board of directors immediately prior to the Effective Time, whether vested or unvested (which awards will vest in full as of immediately prior to the Effective Time), in the case of each of clauses (a) or (b), will be canceled and extinguished, and the holder thereof will be entitled to receive (subject to applicable withholding or other taxes, which withholding will first be applied against the cash portion of the consideration paid in respect of such restricted stock units): (i) an amount in

cash equal to the product of (A) the Per Share Cash Amount, *multiplied by* (B) the total number of shares of Cavium common stock subject to such Cavium RSU; and (ii) a number of Marvell common shares equal to the product of (A) the Exchange Ratio, *multiplied by* (B) the total number of shares of Cavium common stock subject to such Cavium RSU.

Table of Contents

Under the terms of the Merger Agreement, at the Effective Time, each Cavium PRSU that is outstanding and unvested immediately prior to the Effective Time will be assumed and converted into that number of Marvell restricted stock units, rounded down to the nearest whole share, equal to the product of (a) the target number of shares of Cavium common stock subject to such Cavium PRSU, *multiplied by* (b) the Conversion Ratio. Such Marvell restricted stock units: (i) will vest based on the vesting date set forth in the award agreement applicable to such performance-based restricted stock unit prior to the Effective Time, subject only to the continued service of the grantee with the surviving corporation in the Merger, Marvell or any of their affiliates through the applicable vesting date; (ii) will not be subject to any performance-based vesting terms following the Effective Time; and (iii) will otherwise be subject to the same terms and conditions as were applicable under such Cavium PRSUs prior to the Effective Time.

2. Description of the QLogic Acquisition

On August 16, 2016, Cavium completed its acquisition of QLogic, pursuant to the terms of an Agreement and Plan of Merger dated June 15, 2016 (the QLogic Merger Agreement), by and among Cavium, Quasar Acquisition Corp. (a wholly owned subsidiary of Cavium) and QLogic.

Pursuant to the QLogic Merger Agreement, Quasar Acquisition Corp. merged with and into QLogic, with QLogic surviving as a wholly owned subsidiary of Cavium. The aggregate consideration for the QLogic Acquisition was approximately \$1,379.5 million consisting of \$938.9 million in cash and \$440.6 million in equity. Cavium funded the QLogic Acquisition with a combination of cash and proceeds from debt financing.

3. Description of the Financing Transactions

In connection with the Merger, Marvell has entered into a Debt Commitment Letter with the Initial Lenders to provide commitments for (a) the Term Loan Facility, a \$900.0 million three-year term loan facility, and (b) the Bridge Facility, an \$850.0 million 364-day bridge facility.

Subject to the terms and conditions of the Debt Commitment Letter, the Initial Lenders have committed to provide the full amount of the Term Loan Facility and the full amount of the Bridge Facility. The proceeds of the Term Loan Facility and the Bridge Facility (or permanent debt financing incurred in lieu of the Bridge Facility) will be used, together with cash on hand of Marvell and Cavium and/or other available financing resources, (a) to finance the cash portion of the Merger Consideration payable pursuant to the terms of the Merger Agreement, (b) to refinance certain existing indebtedness of Cavium (the Cavium Term Facility) and (c) to pay related transaction costs.

The Initial Lenders' commitments under the Debt Commitment Letter include conditions typical for facilities of this kind, including a condition as to the execution and delivery of the definitive financing documentation for the Term Loan Facility and the Bridge Facility by Marvell and certain of its subsidiaries. As of the date of this joint proxy statement/prospectus, neither Marvell nor any of its subsidiaries has entered into definitive agreements for any of the debt financing.

In lieu of borrowing, in whole or in part, under the Bridge Facility, Marvell may incur permanent debt financing. In addition, in connection with the Merger, Marvell may obtain a revolving credit facility, borrowings under which will be used for general corporate purposes of Marvell and its subsidiaries. There can be no assurance, however, that Marvell will be able to obtain any such permanent debt financing or revolving credit facility.

Given the above, the unaudited condensed combined pro forma financial information assumes the Merger will be financed with the Term Loan Facility in an amount of \$900.0 million and permanent debt financing of \$850.0 million in the form of two \$425.0 million senior unsecured debt financings (collectively, the Other Senior Unsecured Debt Financing) in lieu of the Bridge Facility. Notwithstanding the foregoing, in the event the Other Senior Unsecured Debt Financing is not obtained or the aggregate amount thereof is less than

Table of Contents

\$850.0 million, Marvell expects to obtain loans under the Bridge Facility in an amount of \$850.0 million less the amount of the Other Senior Unsecured Debt Financing. In addition, in connection with the Merger, Marvell may obtain a revolving credit facility (the Revolving Credit Facility), borrowings under which will be used for general corporate purposes of Marvell and its subsidiaries.

Term Loan Facility

The unaudited condensed combined pro forma financial information assumes that interest on the Term Loan Facility will be payable quarterly at a rate equal to LIBOR + 1.813% per annum. The Term Loan Facility will mature on the date that is three years after the date of funding under the Term Loan Facility. The Term Loan Facility does not require any scheduled amortization prior to the final maturity thereof. The Term Loan Facility will not be subject to any mandatory prepayments.

Other Senior Unsecured Debt Financing

The Other Senior Unsecured Debt Financing is expected to be comprised of: (a) \$425.0 million in permanent debt financing with interest payable every 180 days at a rate equal to the Treasury rate + 1.20% per year with the outstanding principal balance due upon the maturity date that will be five years after the closing date of the debt financing (the Other Senior Unsecured Debt Financing 5 yr); and (b) \$425.0 million in permanent debt financing with interest payable every 180 days at a rate equal to the Treasury rate + 1.60% per year with the outstanding principal balance due upon the maturity date that will be ten years after the closing date of the debt financing (the Other Senior Unsecured Debt Financing 10 yr).

Revolving Credit Facility

The Revolving Credit Facility is not expected to be drawn upon the closing date of the debt financing. The total capacity of the Revolving Credit Facility will be \$500.0 million and will be available for draw until the date that is five years after the closing date of the Revolving Credit Facility. The unaudited condensed combined pro forma financial information assumes any drawn amounts will incur interest at a rate equal to LIBOR + 1.875% per annum, with amounts payable quarterly. A commitment fee payable to the lenders under the Revolving Credit Facility will be calculated at a rate of 0.238% multiplied by the undrawn balance of the Revolving Credit Facility.

Bridge Facility

In the event that the Other Senior Unsecured Debt Financing is not obtained or the amount thereof is less than \$850.0 million, Marvell expects to enter into the Bridge Facility in an amount of \$850.0 million (less the amount of the Other Senior Unsecured Debt Financing). The unaudited combined pro forma financial information assumes the Bridge Facility will incur interest at a rate equal to LIBOR + 1.875% per annum, with amounts payable quarterly. The Bridge Facility will mature on the date that is 364 days after the date of funding under the Bridge Facility. The Bridge Facility does not require any scheduled amortization prior to the final maturity thereof. Subject to certain exceptions and thresholds, the Bridge Facility will be required to be prepaid with proceeds relating to (a) non-ordinary course asset sales or other dispositions and (b) the issuance of certain equity securities or the incurrence of certain indebtedness.

4. Basis of Presentation

The unaudited pro forma condensed combined financial information was prepared in accordance with Article 11 of Regulation S-X and gives effect to events that are (1) directly attributable to the Merger, the QLogic Acquisition and the Financing Transactions, (2) factually supportable and (3) with respect to the condensed combined statements of operations, expected to have a continuing impact on the combined company's results. The unaudited pro forma condensed combined financial information and related notes have been prepared utilizing period ends that differ by fewer than 93 days, as permitted by Regulation S-X.

Table of Contents

The unaudited pro forma condensed combined financial information was prepared using the acquisition method of accounting in accordance with ASC 805, with Marvell as the accounting acquirer, using the fair value concepts defined in ASC Topic 820, *Fair Value Measurement*, and based on the historical consolidated financial statements of Marvell, Cavium and QLogic. Under ASC 805, all assets acquired and liabilities assumed in a business combination are recognized and measured at their assumed acquisition date fair value, while transaction costs and restructuring costs associated with the business combination are expensed as incurred. The excess of merger consideration over the fair value of assets acquired and liabilities assumed, if any, is allocated to goodwill. Acquired in-process research and development (IPR&D) is recorded at fair value as an indefinite-lived intangible asset at the assumed merger date until completion or abandonment of the associated research and development efforts. Upon completion of development, acquired IPR&D assets are considered amortizable, finite-lived assets.

The allocation of the purchase consideration for the Merger depends upon certain estimates and assumptions, all of which are preliminary. The allocation of the purchase consideration has been made for the purpose of developing the unaudited pro forma condensed combined financial information. A final determination of fair values of assets acquired and liabilities assumed relating to the acquisition could differ materially from the preliminary allocation of purchase consideration. This final valuation will be based on the actual net tangible and intangible assets of Cavium existing at the acquisition date. The final valuation may materially change the allocation of purchase consideration, which could materially affect the fair values assigned to the assets and liabilities and could result in a material change to the unaudited pro forma condensed combined financial information.

The pro forma adjustments represent Marvell management's best estimates and are based upon currently available information and certain assumptions that Marvell believes are reasonable under the circumstances. Marvell is not aware of any material transactions between Marvell and Cavium (prior to the announcement of the Merger) during the periods presented, hence adjustments to eliminate transactions between Marvell and Cavium have not been reflected in the unaudited pro forma condensed combined financial information.

Upon completion of the Merger, Marvell will perform a comprehensive review of Cavium's accounting policies. As a result of the review, Marvell may identify additional differences between the accounting policies of the two companies, which when conformed, could have a material impact on the unaudited pro forma condensed combined financial information. Based on a preliminary analysis, Marvell did not identify any differences that would have a material impact on the unaudited pro forma condensed combined financial information. As a result, the unaudited pro forma condensed combined financial information assumes there are no differences in accounting policies.

The unaudited pro forma condensed combined financial information presented is for illustrative purposes only and is not necessarily indicative of the financial position or results of operations that would have been realized if the Merger and Financing Transactions had been completed on the dates indicated, nor is it indicative of future operating results or financial position. The unaudited pro forma condensed combined financial information does not reflect any cost savings, operating synergies or revenue enhancements that the combined company may achieve as a result of the Merger, the costs to integrate the operations of Marvell and Cavium or the costs necessary to achieve these cost savings, operating synergies and revenue enhancements.

5. Reclassification Adjustments

The accounting policies used in the preparation of this unaudited pro forma condensed combined financial information are those set out in Marvell's financial statements as of and for the year ended January 28, 2017. With the information currently available, Marvell has determined that no significant adjustments are necessary to conform Cavium's financial statements to the accounting policies used by Marvell in the preparation of the unaudited pro forma

condensed combined financial information, except for a reclass to present the individually significant balances of goodwill and intangibles separately.

Table of Contents

Certain reclassification adjustments have been made to the unaudited pro forma condensed combined financial information to conform Cavium's historical condensed consolidated balance sheet as of September 30, 2017 to Marvell's financial statement presentation.

The unaudited pro forma condensed combined financial information may not reflect all reclassifications necessary to conform Cavium's financial statement presentation to that of Marvell due to limitations on the availability of information as of the date of this joint proxy statement/prospectus. Additional reclassification adjustments may be identified as more information becomes available.

6. Calculation of Estimated Merger Consideration and Preliminary Purchase Price Allocation***Estimated Merger Consideration***

The estimated merger consideration for the purpose of this unaudited pro forma condensed combined financial information is \$6.4 billion. Estimated merger consideration was determined by reference to the fair value on January 19, 2018. The calculation of estimated merger consideration is as follows:

	Shares	Per Share	Total
	(In thousands, except share and per share amounts)		
Estimated cash paid for outstanding Cavium common (1)			\$ 2,766,232
Estimated Marvell common shares issued to Cavium shareholders (2)	150,462,261	\$ 23.68	3,562,946
Estimated cash paid for Cavium's equity awards (3)			5,780
Estimated replacement equity awards for Cavium's equity awards (4)			67,059
Preliminary estimated merger consideration			\$ 6,402,017

- (1) The cash component of the estimated merger consideration is computed based on 100% of the outstanding shares of Cavium common stock being exchanged for the Per Share Cash Amount of \$40.00.

	Shares	Per Share	Total
	(In thousands, except per share amounts)		
Cavium common stock outstanding as of January 19, 2018	69,156	\$ 40.00	\$ 2,766,232

- (2) The stock consideration component of the estimated merger consideration is computed based on 100% of the outstanding shares of Cavium common stock being exchanged for the Exchange Ratio of 2.1757 Marvell common shares.

	Shares	Exchange Ratio	Total
	(In thousands, except per share amounts)		
Cavium common stock outstanding as of January 19, 2018	69,156	2.1757	150,462
Marvell common share price as of January 19, 2018			23.68
			\$ 3,562,946

- (3) Estimated cash consideration for the settlement of the outstanding vested Director Options and Cavium RSUs held by non-employee directors of Cavium's board of directors which will be canceled and paid out at the time of the close of the Merger.
- (4) Estimated consideration for replacement of Cavium's outstanding equity awards. As discussed in Note 1 of the *Notes to Unaudited Pro Forma Condensed Combined Financial Information*, Cavium's outstanding equity awards will be replaced by Marvell's equity awards with similar terms. A portion of the fair value of Marvell's equity awards issued represents consideration transferred, while a portion represents compensation expense based on the vesting terms of the equity awards.

Table of Contents

The final estimated merger consideration could significantly differ from the amounts presented in the unaudited pro forma condensed combined financial information due to movements in the Marvell common share price up to the Closing Date of the Merger. A sensitivity analysis related to the fluctuation in the Marvell common share price was performed to assess the impact a hypothetical change of 10% on the closing price of Marvell common shares on January 19, 2018 would have on the estimated merger consideration and goodwill as of the Closing Date.

The following table shows the change in share price, estimated merger consideration and goodwill:

	Share price	Estimated Merger Consideration	Goodwill
	(In thousands, except per share amounts)		
Increase of 10%	\$ 26.05	\$ 6,758,312	\$ 4,164,677
Decrease of 10%	\$ 21.31	\$ 6,045,723	\$ 3,452,088

Preliminary Purchase Price Allocation

Under the acquisition method of accounting, the identifiable assets acquired and liabilities assumed of Cavium are recognized and measured as of the acquisition date at fair value and added to those of Marvell. The determination of fair value used in the pro forma adjustments presented herein are preliminary and based on management estimates of the fair value and useful lives of the assets acquired and liabilities assumed and have been prepared to illustrate the estimated effect of the Merger. The final determination of the purchase price allocation, upon the completion of the Merger, will be based on Cavium's net assets acquired as of that date and will depend on a number of factors that cannot be predicted with certainty at this time. Therefore, the actual allocations will differ from the pro forma adjustments presented. The allocation is dependent upon certain valuation and other studies that have not yet been completed. Accordingly, the pro forma purchase price allocation is subject to further adjustment as additional information becomes available and as additional analyses and final valuations are completed. There can be no assurances that these additional analyses and final valuations will not result in significant changes to the estimates of fair value set forth below.

Table of Contents

The following table sets forth a preliminary allocation of the estimated merger consideration to the identifiable tangible and intangible assets acquired and liabilities assumed of Cavium based on Cavium's unaudited condensed consolidated balance sheet as of September 30, 2017, with the excess recorded to goodwill:

	(In thousands)
Cash and cash equivalents	\$ 152,654

Other non-current assets	5,757
	\$ 7,510,750

Other non-current liabilities	(18,124)
	\$ (1,108,733)
Estimated merger consideration	\$ 6,402,017

- (1) Goodwill represents excess of merger consideration over the fair value of the underlying net assets acquired. In accordance with ASC Topic 350, *Goodwill and Other Intangible Assets*, goodwill is not amortized, but instead is reviewed for impairment at least annually, absent any indicators of impairment. Goodwill is attributable to planned growth in new markets and synergies expected to be achieved from the combined operations of Marvell and Cavium. Goodwill recorded in the Merger is not expected to be deductible for tax purposes.

Intangible Assets

Preliminary identifiable intangible assets in the unaudited pro forma condensed combined financial information consists of the following:

Preliminary Fair Value	Estimated Useful Life
(In thousands)	

Edgar Filing: MARVELL TECHNOLOGY GROUP LTD - Form 424B3

Developed technology	\$ 1,990,000	6 to 8 Years
In-process research and development	400,000	n/a
Customer contracts and related relationships	440,000	8 Years
Trade names / trademarks / domain names	29,000	3 to 5 Years
	\$ 2,859,000	

The identifiable intangible assets and related amortization are preliminary and are based on management's estimates after consideration of similar transactions. As discussed above, the amount that will ultimately be allocated to identifiable intangible assets and liabilities, and the related amount of amortization, may differ

Table of Contents

materially from this preliminary allocation. In addition, the periods the amortization impacts will ultimately be based upon the periods in which the associated economic benefits or detriments are expected to be derived, or where appropriate, based on the use of a straight-line method. Therefore, the amount of amortization following the Merger may differ significantly between periods based upon the final value assigned and amortization methodology used for each identifiable intangible asset and liability.

Property and Equipment

The property and equipment valued in the preliminary purchase price allocation discussed above primarily consists of personal property.

Pro forma depreciation expense related to property and equipment is calculated on a straight-line basis based on the estimated useful lives of the assets.

7. Financing Transactions Adjustments

- (f) Reflects the estimated incremental interest expense and amortization of debt financing fees and original issuance discounts. Debt financing fees related to the Bridge Facility have been excluded from the unaudited pro forma condensed combined statements of operations as it has been determined not to have a continuing impact.

statutory tax rate was applied, as appropriate, to each adjustment based on the jurisdiction in which the adjustment is expected to occur. Furthermore, tax related adjustments included in the unaudited pro forma condensed combined financial information are based on the tax law in effect during the period for which the unaudited pro forma condensed combined statements of operations is being presented, and therefore do not consider or contemplate effects of U.S. tax reform legislation enacted on December 22, 2017.

- (d) Reflects the elimination of Cavium's historical interest expense and amortization of debt financing fees.

- (e) This adjustment reflects the income tax expense/benefit effects of the pro forma adjustments based on applicable statutory tax rates for the jurisdictions associated with the respective pro forma adjustments.

Because the tax rates used for these pro forma financial statements are an estimate, the blended rate will likely vary from the actual effective rate in periods subsequent to completion of the Merger. Further, the combined company's ability to use net operating loss carryforwards to offset future taxable income for U.S. federal income tax purposes is subject to limitations. In general under Section 382 of Code, a corporation that undergoes an ownership change is subject to limitations on its ability to utilize its pre-change net operating losses (referred to as NOLs) to offset future taxable income. In general, an ownership change occurs if the aggregate stock ownership of certain stockholders (generally 5% stockholders, applying certain look-through rules) increases by more than 50 percentage points over such stockholder's lowest percentage ownership during the testing period (generally three years). In addition, some of the standards and requirements under ASC 740 (Accounting for Income Taxes) may limit the combined company's ability to record deferred tax assets relating to originating temporary differences between book and tax basis of income and expense items. Further, these standards may require a valuation allowance to be established against certain existing deferred tax

Table of Contents

assets of each company as of the date of completion of the transactions contemplated by the Merger Agreement. In addition, a combination of two companies may also cause the ability for certain valuation allowances associated with one of the companies to no longer be necessary because on a combined basis, there may be new sources of future taxable income to support the reversal of pre-existing valuation allowances. Currently, no adjustment to the unaudited pro forma condensed combined financial information has been made as it relates to either limitations the combined company might incur under Section 382 of the Code or ASC 740 or decreases to pre-existing valuation allowances. Furthermore, adjustments to established deferred tax assets and liabilities as well as the recognition of additional deferred tax assets and liabilities may occur in conjunction with the finalization of the purchase accounting and these items could be material. Furthermore, tax related adjustments included in the unaudited pro forma condensed combined financial information are based on the tax law in effect during the period for which the unaudited pro forma condensed combined statements of operations is being presented, and therefore do not consider or contemplate effects of U.S. tax reform legislation enacted on December 22, 2017.

SUBMISSION OF FUTURE SHAREHOLDER PROPOSALS

Marvell

Under Rule 14a-8 of the Exchange Act, for a shareholder proposal to be considered for inclusion in the proxy statement for the 2018 annual general meeting of shareholders, Marvell must have received the written proposal by such shareholder at the mailing address of its business offices set forth below, no later than January 3, 2018. Such proposals must comply with the other provisions of Rule 14a-8 and additional applicable SEC rules regarding the inclusion of shareholder proposals in company-sponsored proxy materials.

If a shareholder desires to bring a matter before an annual general meeting and the proposal is submitted outside the process of Rule 14a-8, the shareholder may use the procedures set forth in the Bye-laws to make a shareholder proposal, including director nominations, not intended to be included in the proxy statement under Rule 14a-8 so long as such proposal complies with the Bye-laws. In accordance with Section 35 of the Bye-laws, shareholder nominations and proposals may be voted on at an annual general meeting of shareholders only if such nominations and proposals are made pursuant to written notice timely given to Marvell's Secretary and accompanied by certain information. To be timely, a shareholder's written notice must be received by Marvell not less than 90 nor more than 120 clear days (as such term is defined in Marvell's Bye-laws) prior to the anniversary of the date for Marvell's 2017 annual general meeting of shareholders, which was June 15, 2017. To comply with the Bye-laws, a shareholder must provide appropriate notice to Marvell no earlier than February 14, 2018 and no later than March 16, 2018. The notice must contain the name and business background of any person being nominated by such shareholder as a director and all material information on any proposal, statement or resolution to be put to the meeting and details of the shareholder submitting the proposal, statement or resolution, as well as other information that may be specified by Marvell's board of directors and the Bye-laws as then in effect. Marvell's board of directors will review proposals from eligible shareholders which it receives by that date and will determine whether any such proposal has been received in accordance with the Bye-laws and whether any such proposal will be acted upon at the annual general meeting of shareholders.

Marvell's Bye-laws contain a proxy access provision, which allows a shareholder or group of up to 20 shareholders owning in aggregate three percent or more of Marvell's issued shares continuously for at least three years to nominate and include in the company's proxy materials director nominees constituting up to 20% of the number of directors in office (rounded down) or two nominees, whichever is greater, provided the shareholder(s) and nominee(s) satisfy the requirements in the Bye-laws. If a shareholder or group of shareholders wishes to nominate one or more director candidates to be included in Marvell's proxy statement for the 2018 annual general meeting pursuant to these proxy access provisions in Section 13 of Marvell's Bye-laws, Marvell must receive proper written notice of any such nomination no earlier than the close of business on January 2, 2018 and no later than the close of business on February 1, 2018. In each case, the notice must include information specified in Marvell's Bye-laws, including information concerning the nominee or proposal, as the case may be, and information about the shareholder's ownership of and agreements related to Marvell's shares.

If, however, the 2018 annual general meeting is not within 30 days before or after the anniversary of the 2017 annual general meeting, Marvell must receive such notice under both its advance notice and proxy access Bye-laws not more than 120 days prior to such meeting and not less than 90 days prior to such meeting or 10 days following the public announcement of the meeting date.

Marvell will not entertain any proposals or nominations at the annual general meeting that do not meet the requirements set forth in its Bye-laws. Marvell encourages shareholders to seek advice from knowledgeable counsel before submitting a proposal or a nomination. All shareholder proposals or nominations pursuant to this section may

be sent to Marvell's Assistant Secretary at Canon's Court, 22 Victoria Street, Hamilton HM 12, Bermuda.

In addition, Section 79 of the Companies Act provides that (i) any number of shareholders representing not less than 5% of the total voting power of the shares eligible to vote at a general meeting of shareholders, or (ii) not

Table of Contents

less than 100 shareholders may propose any resolution which may properly be moved at the next annual general meeting of shareholders. Upon timely receipt of notice, Marvell shall, at the expense of such shareholder(s), give its other shareholders entitled to receive notice of the next annual general meeting of shareholders notice of such proposed resolution. To be timely, the proposal requiring notice of a resolution must be deposited at Marvell's registered office at least six weeks before the next annual general meeting of shareholders. Shareholders satisfying the criteria of Section 79 may also require Marvell to circulate a statement in respect of any matter to come before an annual general meeting of shareholders by notice deposited at Marvell's registered office in the manner provided by the Companies Act.

Cavium

Proposals of shareholders of Cavium that are intended to be presented by such shareholders at Cavium's 2018 annual meeting of shareholders must be submitted in writing by January 1, 2018 to Cavium's Secretary at 2315 N. First Street, San Jose, California 95131 in order that they may be considered for inclusion in Cavium's proxy statement and form of proxy relating to that meeting. If, however, the date of Cavium's 2018 annual meeting is more than 30 days from the anniversary of Cavium's 2017 annual meeting, then the deadline is a reasonable time before Cavium begins to print and send its proxy materials for the 2018 annual meeting. All such proposals must comply with Rule 14a-8 under the Exchange Act, which lists the requirements for the inclusion of shareholder proposals in company-sponsored proxy materials.

If the shareholder proposal is to be presented at Cavium's 2018 annual meeting of shareholders but is not to be included in Cavium's proxy statement for that meeting, including any shareholder-recommended director nomination, the notice of proposal or nomination, as applicable, must be provided along with specified information to Cavium's Secretary at 2315 N. First Street, San Jose, California 95131 between February 20, 2018 and March 22, 2018, unless the date of Cavium's 2018 annual meeting of shareholders is before May 21, 2018 or after July 20, 2018, in which case the proposals shall be submitted no earlier than 120 days prior to the 2018 annual meeting of the shareholders and no later than the later of (i) 90 days before the 2018 annual meeting of shareholders or (ii) ten days after notice of the date of the 2018 annual meeting of shareholders is publicly given and with such information required by Cavium's bylaws.

Certain capitalized terms used in this Agreement are defined in Exhibit A.

RECITALS

A. Parent, Merger Sub and the Company intend to effect a merger of Merger Sub into the Company in accordance with this Agreement and the Delaware General Corporation Law (the Merger). Upon consummation of the Merger, Merger Sub will cease to exist, and the Company will become an indirect wholly owned Subsidiary of Parent.

B. The respective boards of directors of Parent, Merger Sub and the Company have approved this Agreement and approved the Merger.

C. In order to induce Parent and Merger Sub to enter into this Agreement and to consummate the Merger, concurrently with the execution and delivery of this Agreement, a stockholder of the Company is executing a voting agreement in favor of Parent.

D. In order to induce the Company to enter into this Agreement and to consummate the Merger, concurrently with the execution and delivery of this Agreement, certain shareholders of Parent are executing voting agreements in favor of the Company.

AGREEMENT

The parties to this Agreement, intending to be legally bound, agree as follows:

Section 1. DESCRIPTION OF TRANSACTION

1.1 Merger of Merger Sub into the Company. Upon the terms and subject to the conditions set forth in this Agreement, at the Effective Time, Merger Sub shall be merged with and into the Company, and the separate existence of Merger Sub shall cease. The Company will continue as the surviving corporation in the Merger (the Surviving Corporation).

1.2 Effect of the Merger. The Merger shall have the effects set forth in this Agreement and in the applicable provisions of the Delaware General Corporation Law (the DGCL).

1.3 Closing; Effective Time. The consummation of the Merger (the Closing) shall take place at the offices of Hogan Lovells US LLP, 4085 Campbell Avenue, Suite 100, Menlo Park, California, 94025 or at such other location as the parties may agree. If the Marketing Period shall have ended on or before the Closing Conditions Satisfaction Date, then the Closing shall take place at 8:00 a.m. (California time) on a Business Day to be mutually agreed by Parent and the Company, which shall be no later than the third Business Day after the Closing Conditions Satisfaction Date, but subject to the satisfaction or waiver of the conditions set forth in Sections 6.5 and 7.5 and the continued satisfaction or waiver of each of the other conditions set forth in Sections 6 and 7. If the Marketing Period shall not have ended on or before the Closing Conditions Satisfaction Date, then the Closing shall take place at 8:00 a.m. (California time) on the earlier of (a) any Business Day during the Marketing Period (after the Closing Conditions Satisfaction Date) designated by Parent in a notice delivered to the Company at least three Business Days before the date designated by Parent in such notice as the date of the Closing or (b) the third Business Day after the end of the Marketing Period, but subject, in the case of each of clauses (a) and (b), to the satisfaction or waiver of the conditions set forth in

Sections 6.5 and 7.5 and the continued satisfaction or waiver of each of the other conditions set forth in Sections 6 and 7. The date on

which the Closing actually takes place is referred to as the Closing Date. Subject to the provisions of this Agreement, a certificate of merger satisfying the applicable requirements of the DGCL and consistent with the terms of this Agreement shall be duly executed by the Company and, concurrently with or as soon as practicable following the Closing on the Closing Date, filed with the Secretary of State of the State of Delaware. The Merger shall become effective upon the filing of such certificate of merger with the Secretary of State of the State of Delaware, or at such later time as may be mutually agreed by Parent and the Company and specified in such certificate of merger (the Effective Time).

1.4 Certificate of Incorporation and Bylaws; Directors and Officers. Unless otherwise mutually agreed by Parent and the Company prior to the Effective Time:

- (a) the Certificate of Incorporation of the Surviving Corporation shall be amended and restated as of the Effective Time to conform to Exhibit B;
- (b) the Bylaws of the Surviving Corporation shall be amended and restated as of the Effective Time to conform to the Bylaws of Merger Sub as in effect immediately prior to the Effective Time; and
- (c) the directors and officers of the Surviving Corporation immediately after the Effective Time shall be the respective individuals who are directors and officers of Merger Sub immediately prior to the Effective Time, until the earlier of their resignation or removal or until their respective successors are duly elected or appointed and qualified, as the case may be.

1.5 Governance Matters. Prior to the Effective Time, Parent shall take all necessary corporate action to cause the chairman of the board of directors of the Company and two other members of the board of directors of the Company who are designated by Parent to become members of the board of directors of Parent as of the Effective Time.

1.6 Conversion of Shares.

- (a) At the Effective Time, by virtue of the Merger and without any further action on the part of Parent, Merger Sub, the Company or any stockholder of the Company:
 - (i) any shares of Company Common Stock that are held by the Company (or held in the Company's treasury) or held by Parent, Merger Sub or any other Subsidiary of Parent immediately prior to the Effective Time shall be canceled and retired and shall cease to exist, and no consideration shall be delivered in exchange therefor;
 - (ii) any shares of Company Common Stock that are held, directly or indirectly, by any Subsidiary of the Company (each, a Company Subsidiary) immediately prior to the Effective Time shall be unaffected by the Merger and shall remain outstanding as an equal number of shares of common stock of the Surviving Corporation;
 - (iii) except as provided in clauses (i) and (ii) above and subject to Sections 1.6(b), 1.6(c) and 1.9, each share of Company Common Stock that is outstanding immediately prior to the Effective Time shall be converted into the right to receive: (A) 2.1757 (the Exchange Ratio) Parent Common Shares; and (B) \$40.00 in cash, without interest (the Per Share Cash Amount); and
 - (iv) each share of the common stock, \$0.001 par value per share, of Merger Sub that is outstanding immediately prior to the Effective Time shall be converted into one share of common stock of the Surviving Corporation.

(b) If, between the date of this Agreement and the Effective Time, the outstanding shares of Company Common Stock are changed into a different number or class of shares by reason of any stock split, division or subdivision of shares, stock dividend, reverse stock split, consolidation of shares, reclassification, recapitalization

A-2

or other similar transaction, or if a stock dividend is declared by the Company during such period, or a record date with respect to any such event shall occur during such period, then the Per Share Cash Amount and the Exchange Ratio shall be adjusted to the extent appropriate to provide the same economic effect as contemplated by this Agreement prior to such action. If, between the date of this Agreement and the Effective Time, the issued Parent Common Shares are changed into a different number or class of shares by reason of any stock split, division or subdivision of shares, stock dividend, reverse stock split, consolidation of shares, reclassification, recapitalization or other similar transaction, or if a stock dividend is declared by Parent during such period, or a record date with respect to any such event shall occur during such period, then the Exchange Ratio (but not the Per Share Cash Amount) shall be adjusted to the extent appropriate to provide the same economic effect as contemplated by this Agreement prior to such action.

(c) No fraction of a Parent Common Share shall be issued in connection with the Merger, and no certificates or scrip for any such fractional share shall be issued. Any holder of Company Common Stock who would otherwise be entitled to receive a fraction of a Parent Common Share (after aggregating all fractions of Parent Common Shares issuable to such holder) shall, in lieu of such fraction of a share and, upon surrender of such holder's Company Stock Certificate(s) or the transfer of non-certificated shares of Company Common Stock represented by book entry positions (Company Book Entry Shares), be paid in cash the dollar amount (rounded to the nearest whole cent), without interest, determined by multiplying such fraction by the closing price of a Parent Common Share on Nasdaq on the date the Merger becomes effective.

1.7 Closing of the Company's Transfer Books. At the Effective Time: (a) except for shares of Company Common Stock that continue to be held by a Company Subsidiary in accordance with Section 1.6, all shares of Company Common Stock outstanding immediately prior to the Effective Time shall automatically be canceled and retired and shall cease to exist, and all holders of Company Book Entry Shares or certificates representing shares of Company Common Stock that were outstanding immediately prior to the Effective Time shall cease to have any rights as stockholders of the Company; and (b) except for shares of Company Common Stock that continue to be held by a Company Subsidiary in accordance with Section 1.6, the stock transfer books of the Company shall be closed with respect to all shares of Company Common Stock outstanding immediately prior to the Effective Time and no further transfer of any such shares of Company Common Stock shall be made on such stock transfer books after the Effective Time. If, after the Effective Time, a valid certificate previously representing any shares of Company Common Stock (a Company Stock Certificate) or a Company Book Entry Share is presented to the Exchange Agent or to the Surviving Corporation or Parent, such Company Stock Certificate or Company Book Entry Share shall be canceled and shall be exchanged as provided in Section 1.8.

1.8 Exchange of Certificates.

(a) On or prior to the Closing Date, Parent shall select Parent's transfer agent or a reputable bank or trust company reasonably acceptable to the Company to act as exchange agent in the Merger (the Exchange Agent). As soon as practicable (and in any event within one Business Day) after the Effective Time, Parent shall deposit with the Exchange Agent (i) subject to Section 1.9, certificates or book entry positions representing the Parent Common Shares issuable pursuant to Section 1.6 and (ii) subject to Section 1.9, cash sufficient to make payments of the cash consideration payable pursuant to Section 1.6 (including payments to be made in lieu of fractional shares). The Parent Common Shares and cash amounts so deposited with the Exchange Agent, together with any dividends or distributions received by the Exchange Agent with respect to such shares, are referred to collectively as the Exchange Fund. The cash in the Exchange Fund shall be invested by the Exchange Agent as directed by Parent; *provided, however*, that any such investments shall be in short-term obligations of the United States with maturities of no more than 30 days or guaranteed by the United States and backed by the full faith and credit of the United States. No investment of the Exchange Fund shall relieve Parent, the Surviving Corporation or the Exchange Agent from

promptly making the payments required by this Section 1, and following any losses from any such investment, Parent shall promptly provide additional cash funds to the Exchange Agent in the amount of such losses to the extent the funds in the Exchange Fund are insufficient for such purposes, which additional funds will be deemed to be part of the Exchange Fund.

A-3

Table of Contents

(b) As soon as reasonably practicable (and in any event within seven Business Days) after the Effective Time, the Exchange Agent will mail to the Persons who were record holders of Company Stock Certificates or Company Book Entry Shares immediately prior to the Effective Time (i) a letter of transmittal, customary in form and substance, and including a provision confirming that delivery of Company Stock Certificates or transfer of Company Book Entry Shares shall be effected, and risk of loss and title to Company Stock Certificates or Company Book Entry Shares shall pass, only upon proper delivery of such Company Stock Certificates or transfer of such Company Book Entry Shares to the Exchange Agent and (ii) instructions for use in effecting the surrender of Company Stock Certificates or transfer of Company Book Entry Shares in exchange for Merger Consideration. The form and substance of such letter of transmittal and instructions shall be as reasonably agreed to by Parent and the Company prior to the Effective Time. Upon surrender of a Company Stock Certificate to the Exchange Agent for exchange or receipt of an agent's message by the Exchange Agent in connection with the transfer of a Company Book Entry Share, together with a duly executed letter of transmittal and such other documents as may be reasonably required by the Exchange Agent or Parent, (A) the holder of such Company Stock Certificate or Company Book Entry Share shall be entitled to receive in exchange therefor the Merger Consideration that such holder has the right to receive pursuant to Section 1.6 and (B) the Company Stock Certificate so surrendered or the Company Book Entry Share so transferred shall be canceled. Until surrendered or transferred as contemplated by this Section 1.8(b), each Company Stock Certificate and Company Book Entry Share shall be deemed, from and after the Effective Time, to represent only the right to receive Merger Consideration as contemplated by Section 1.6. If any Company Stock Certificate shall have been lost, stolen or destroyed, Parent or the Exchange Agent may, in its discretion and as a condition to the payment of Merger Consideration, require the owner of such lost, stolen or destroyed Company Stock Certificate to provide an appropriate affidavit and to deliver a bond (in such sum as Parent or the Exchange Agent may reasonably direct) as indemnity against any claim that may be made against the Exchange Agent, Parent or the Surviving Corporation with respect to such Company Stock Certificate.

(c) No dividends or other distributions declared or made with respect to Parent Common Shares with a record date after the Effective Time shall be paid to the holder of any unsurrendered Company Stock Certificate or to the holder of any Company Book Entry Share that has not been transferred, in each case with respect to the Parent Common Shares that such holder has the right to receive in the Merger, until such holder surrenders such Company Stock Certificate or transfers such Company Book Entry Share in accordance with this Section 1.8 (at which time such holder shall be entitled, subject to the effect of applicable escheat or similar laws, to receive all such dividends and distributions, without interest).

(d) Any portion of the Exchange Fund that remains undistributed to holders of Company Stock Certificates or Company Book Entry Shares as of the date that is 365 days after the date on which the Merger becomes effective shall be delivered to Parent upon demand, and any holders of Company Stock Certificates or Company Book Entry Shares who have not theretofore surrendered their Company Stock Certificates or transferred their Company Book Entry Shares in accordance with this Section 1.8 shall thereafter look only to Parent for satisfaction of their claims for Merger Consideration and any dividends or distributions with respect to Parent Common Shares included in the Merger Consideration.

(e) Each of the Exchange Agent, Parent and the Surviving Corporation shall be entitled to deduct and withhold from any consideration payable or otherwise deliverable pursuant to this Agreement to any holder or former holder of Company Common Stock or any Company Equity Award such amounts as may be required to be deducted or withheld therefrom under the Code or any provision of state, local or foreign tax law or under any other applicable Legal Requirement. To the extent any amounts are so deducted or withheld and paid over to the appropriate Governmental Body, such amounts shall be treated for all purposes under this Agreement as having been paid to the Person to whom such amounts would otherwise have been paid.

(f) Neither Parent nor the Surviving Corporation shall be liable to any holder or former holder of Company Common Stock or to any other Person with respect to any Merger Consideration (or dividends or distributions with respect to Parent Common Shares included in the Merger Consideration) delivered to any public official pursuant to any applicable abandoned property law, escheat law or similar Legal Requirement.

Table of Contents**1.9 Dissenting Shares.**

(a) Notwithstanding anything to the contrary contained in this Agreement, shares of Company Common Stock held by a holder who has made a proper demand for appraisal of such shares in accordance with Section 262 of the DGCL and who has otherwise complied with all applicable provisions of Section 262 of the DGCL (any such shares being referred to as Dissenting Shares until such time as such holder fails to perfect or otherwise loses such holder's appraisal rights under Section 262 of the DGCL with respect to such shares) shall not be converted into or represent the right to receive Merger Consideration in accordance with Section 1.6, but shall be entitled only to such rights as are granted by the DGCL to Dissenting Shares.

3.8 Vote Required. The approval of the Parent Share Issuance by the affirmative vote of a majority of the Parent Common Shares represented in person or by proxy at the Parent Shareholders Meeting at which a quorum is present (the Required Parent Shareholder Vote) is the only vote of Parent's shareholders required in connection with the consummation of the Merger and the other Contemplated Transactions.

3.9 Non-Contravention; Consents. None of the execution, delivery or performance of this Agreement by Parent or Merger Sub or the consummation of the Merger or any of the other Contemplated Transactions will (with or without notice or lapse of time): (a) contravene, conflict with or result in a violation of any of the provisions of the certificate of incorporation, memorandum of association, bye-laws or other charter or organizational documents of either Parent or Merger Sub; (b) contravene or conflict with or result in a violation of, or give any Governmental Body or other Person the right to challenge the Merger or any of the other Contemplated Transactions or to exercise any remedy or obtain any relief under, any Legal Requirement or any order, writ, injunction, judgment or decree to which Parent or Merger Sub, or any of the assets owned or used by Parent or Merger Sub, is subject; (c) contravene or conflict with, or result in a violation of, any of the terms or requirements of, or give any Governmental Body the right to revoke, withdraw, suspend, cancel, terminate or modify, any Governmental Authorization that is held by Parent or Merger Sub or that otherwise relates to the business of Parent or Merger Sub or to any of the assets owned or used by Parent or Merger Sub; (d) contravene or conflict with, or result in a violation or breach of, or result in a default under, any provision of any material Contract of Parent or Merger Sub, or give any Person the right to (i) declare a default or exercise any remedy under any such material Contract, (ii) accelerate the maturity or performance of any such material Contract or (iii) cancel, terminate or modify in any material respect any term of such material Contract; or (e) other than in connection with the Debt Financing, result in the imposition or creation of any Encumbrance upon or with respect to any asset owned or used by Parent or Merger Sub, except with respect to clauses (b) through (e), for any such contraventions, conflicts, violations, breaches, defaults or other occurrences that, individually or in the aggregate, would not reasonably be expected to be material to Parent and its Subsidiaries, taken as a whole. Except as may be required by the Securities Act, the Exchange Act, state securities or blue sky laws, the DGCL, the Bermuda Companies Act, the HSR Act, any foreign antitrust law or regulation and the Nasdaq Rules and listing standards, Parent is not and will not be required to make any filing with or give any notice to, or to obtain any Consent from, any Person in connection with the execution, delivery or performance of this Agreement by Parent or Merger Sub or the

3.10 Stock Ownership. None of Parent, Merger Sub or any of their respective controlled Affiliates beneficially owns (as such term is used in Rule 13d-3 under the Exchange Act) any shares of Company Common Stock or any options, warrants or other rights to acquire shares of Company Common Stock or other securities of, or any other economic interest (through derivatives, securities or otherwise) in, the Company, other than shares of Company Common Stock subject to voting agreements in favor of Parent executed by any stockholder of the Company.

3.11 Capitalization and Operations of Merger Sub. All of the issued and outstanding common stock of Merger Sub is, and at the Effective Time will be, owned by Parent or a direct or indirect wholly owned Subsidiary of Parent. Merger Sub has been formed solely for the purpose of engaging in the Contemplated Transactions and Merger Sub has not conducted any material business prior to the date of this Agreement and has no material assets, material liabilities or material obligations of any nature, other than those incident to its formation and pursuant to this Agreement, the Merger and the other Contemplated Transactions.

3.12 Financing.

(a) Parent has delivered to the Company an accurate and complete copy of the executed commitment letter, dated the date of this Agreement (together with all exhibits, annexes, schedules and attachments thereto, and each as it may be amended, restated, supplemented, modified or waived in accordance with Section 5.15, the Debt Commitment Letter), among Parent, Goldman Sachs Bank USA, Bank of America, N.A. and Merrill Lynch, Pierce, Fenner & Smith Incorporated, pursuant to which the Financing Sources party thereto have committed, subject to the terms and conditions thereof, to lend the amounts set forth therein to Parent for purposes of funding the Contemplated Transactions (the Committed Debt Financing). Parent has also delivered to the Company accurate and complete copies of any and all executed fee letter(s) (with only the fee amounts and other pricing or commercially sensitive amounts that do not adversely affect the enforceability, availability or conditionality of, or the aggregate amount of proceeds available under (excluding the effect of original issue discount or upfront fees), the Committed Debt Financing redacted) relating to the Debt Commitment Letter (any such fee letter, a Fee Letter).

(b) Assuming (i) the Committed Debt Financing is funded in accordance with the Debt Commitment Letter, (ii) the Company's compliance with its covenants and obligations contained in this Agreement, such that the conditions set forth in Section 6 would be satisfied, and (iii) the accuracy of the representations and warranties made by the Company in this Agreement, such that the condition set forth in Section 6.1 would be satisfied, the aggregate proceeds from the Committed Debt Financing when funded in accordance with the Debt Commitment Letter, together with all other sources of cash or other financing available to Parent, will be sufficient for the satisfaction of all of Parent's and Merger Sub's payment obligations under this Agreement, including the payment when due of the Merger Consideration, and all costs and expenses of the Contemplated Transactions which become due or payable by the Surviving Corporation or any Acquired Company in connection with the Merger, and any repayment or refinancing of indebtedness (including indebtedness under the Company Credit Agreement) contemplated by the Debt Commitment Letter (collectively, the Financing Uses).

(c) As of the date of this Agreement, the Debt Commitment Letter is in full force and effect and is the valid, binding and enforceable obligation of Parent, subject to the Enforceability Exceptions. As of the date of this Agreement, (i) the Debt Commitment Letter (including the commitments contained therein) has not been withdrawn, terminated, reduced or rescinded and (ii) to the knowledge of Parent, no withdrawal, termination, reduction, rescission, amendment or modification of the Debt Commitment Letter is contemplated (except for any amendment or modification to add lenders, lead arrangers, bookrunners, syndication agents or similar entities in the manner contemplated by the Debt Commitment Letter and any reduction in the amount of the Committed Debt Financing as expressly contemplated by the Debt Commitment Letter). As of the date of this Agreement, to the knowledge of Parent, the Debt Commitment

Letter is a legal, valid and binding obligation of the Financing Sources party thereto, enforceable against such Financing Sources in accordance with its terms, subject to the

Enforceability Exceptions. There are no conditions precedent or other contingencies related to the funding of the full amount (or any portion) of the Committed Debt Financing, other than as expressly set forth in the Debt Commitment Letter. Parent has paid in full any and all commitment fees or other fees and amounts in connection with the Debt Commitment Letter that are payable on or prior to the date of this Agreement and has satisfied all of the other terms and conditions required to be satisfied by Parent as of the date of this Agreement. As of the date of this Agreement, except as set forth in the Debt Commitment Letter or any Fee Letter, there are no side letters or other agreements, contracts, understandings or arrangements of any kind relating to the Debt Commitment Letter or the Committed Debt Financing contemplated therein that would reasonably be expected to affect the availability of the Committed Debt Financing contemplated by the Debt Commitment Letter. As of the date of this Agreement, assuming (x) the Company's compliance with its covenants and obligations contained in this Agreement, such that the conditions set forth in [Section 6](#) would be satisfied, and (y) the accuracy of the representations and warranties made by the Company in this Agreement, such that the condition set forth in [Section 6.1](#) would be satisfied, (A) no event has occurred which (with or without notice, lapse of time or both) would, or would reasonably be expected to, constitute a default or breach or failure to satisfy a condition by Parent or, to the knowledge of Parent, any other party thereto, under the terms and conditions of the Debt Commitment Letter and (B) Parent does not have any reason to believe that any of the conditions to the Committed Debt Financing set forth in the Debt Commitment Letter will not be satisfied by Parent on or prior to the Closing Date. Without limiting the obligations of the Company hereunder, including [Section 5.15](#), Parent and Merger Sub acknowledge that their obligations hereunder to consummate the Merger and the other Contemplated Transactions are not subject to a condition regarding Parent's or Merger Sub's obtaining of funds therefor.

3.13 Solvency. Assuming (a) the representations and warranties contained in [Section 2](#) are accurate (in each case, disregarding all Material Adverse Effect and other materiality and similar qualifications limiting the scope of such representations and warranties), (b) the satisfaction of the condition contained in [Section 6.2](#) and (c) immediately prior to the Effective Time, the Company and its Subsidiaries are Solvent (substituting references to Parent in such definition with references to the Company), immediately following the Closing, after giving effect to the Contemplated Transactions, Parent and its Subsidiaries, taken as a whole, will be Solvent. As used herein, Solvent means, with respect to Parent and its Subsidiaries, taken as a whole, immediately following the Closing, that: (i) the fair value of the property of Parent and its Subsidiaries, taken as a whole, immediately following the Closing is greater than the total amount of liabilities, including, contingent liabilities, of Parent and its Subsidiaries, taken as a whole, immediately following the Closing; (ii) the present fair salable value of the assets of Parent and its Subsidiaries, taken as a whole, immediately following the Closing is not less than the amount that will be required to pay the probable liability of Parent and its Subsidiaries, taken as a whole, on their debts as they become absolute and matured; (iii) immediately following the Closing, Parent and its Subsidiaries, taken as a whole, do not have outstanding debts or liabilities beyond their ability to pay such debts and liabilities as they mature; and (iv) immediately following the Closing, Parent and its Subsidiaries, taken as a whole, are not engaged in a business or a transaction, and are not proposing to engage in a business or a transaction, for which Parent's and its Subsidiaries' property, taken as a whole, would constitute an unreasonably small amount of capital. The amount of contingent liabilities at any time shall be computed under this [Section 3.13](#) as the amount that, in the light of all the facts and circumstances existing immediately following the Closing, is probable to become an actual or matured liability.

3.14 Fairness Opinion. Parent's board of directors has received the opinion of Goldman Sachs & Co. LLC, financial advisor to Parent, dated the date of this Agreement, to the effect that, as of such date, and based upon and subject to the various matters and limitations set forth therein, the Exchange Ratio and the Per Share Cash Amount, taken in the aggregate, to be paid by Parent pursuant to this Agreement is fair from a financial point of view to Parent. Parent will furnish to the Company a copy of the written opinion promptly following the execution of this Agreement for informational purposes only.

3.15 Advisors Fees. Except for Goldman Sachs & Co. LLC, no Person is entitled to any brokerage, finder's, success, completion or similar fee or commission in connection with the Merger or any of the other Contemplated Transactions based upon arrangements made by or on behalf of Parent or any of its Subsidiaries.

Without limiting the generality of the foregoing, the Company shall promptly advise Parent in writing of any Legal Proceeding or any claim threatened, commenced or asserted against or with respect to any of the Acquired Companies that would reasonably be expected to be material to the Acquired Companies, taken as a whole. No notification given to Parent pursuant to this Section 4.2(c) shall limit or otherwise affect any of the representations, warranties, covenants or obligations of the Company contained in this Agreement.

(v) authorize, agree, commit or offer to take any of the actions described in clauses (i) through (iv) of this Section 4.2(d).

If Parent expects to rely on clause (w) of this Section 4.2(d) to take, or permit any of its Subsidiaries to take, any action that would otherwise be prohibited by this Section 4.2(d), then at least three Business Days before such action is taken, Parent shall (to the extent legally permissible) deliver a written notice to the Company stating that Parent intends to take or permit the taking of such action and specifying the Legal Requirement requiring the taking of such

Without limiting the generality of the foregoing, Parent shall promptly advise the Company in writing of any Legal Proceeding or any claim threatened, commenced or asserted against or with respect to Parent that would reasonably be expected to be material to Parent and its Subsidiaries, taken as a whole. No notification given to the Company pursuant to this Section 4.2(e) shall limit or otherwise affect any of the representations, warranties, covenants or obligations of the Company contained in this Agreement.

(f) Notwithstanding anything to the contrary contained in this Agreement, during the Pre-Closing Period, the Company shall not, and shall ensure that the other Acquired Companies do not, increase the amount of the wages, salary, commissions, fringe benefits or other compensation (including equity-based compensation, whether payable in cash or otherwise) payable to any executive officer of the Company or any individual listed in Part 4.2(f) of the Parent Disclosure Schedule.

(c) The Company shall, and shall ensure that each of the other Acquired Companies shall, and shall use its reasonable best efforts to cause its and their respective Representatives to, immediately cease and cause to be terminated any existing discussions or negotiations with any Person that relate to any Company Acquisition Proposal or Company Acquisition Inquiry.

Each of Parent and the Company shall use their reasonable best efforts to: (i) cause the Form S-4 Registration Statement and the Joint Proxy Statement/Prospectus to comply with the applicable, forms, rules and regulations promulgated by the SEC; (ii) to promptly notify the other of, cooperate with each other with respect to and respond promptly to any comments of the SEC or its staff; and (iii) have the Form S-4 Registration Statement declared effective under the Securities Act as promptly as practicable after it is filed with the SEC. If any party becomes aware of any information that should be disclosed in an amendment or supplement to the Form S-4 Registration Statement or the Joint Proxy Statement/Prospectus, so that any of such documents would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, then such party: (A) shall promptly inform the other party thereof; (B) shall provide the other party (and its counsel) with a reasonable opportunity to review and comment on any amendment or supplement to the Form S-4 Registration Statement or the Joint Proxy Statement/Prospectus prior to it being filed with the SEC; (C) shall provide the other party with a copy of such amendment or supplement promptly after it is filed with the SEC; and (D) if mailing is appropriate, shall cooperate in mailing such amendment or supplement to the stockholders of the Company or the shareholders of Parent.

The Company, in consultation with Parent, shall set a record date for Persons entitled to notice of, and to vote at, the Company Stockholders Meeting and shall not change such record date without the prior written consent of Parent, which consent shall not be unreasonably withheld if such change is required by an applicable Legal Requirement. The Company Stockholders Meeting shall be held (on a date selected by the Company in consultation with Parent) as promptly as practicable after the Form S-4 Registration Statement is declared effective under the Securities Act. The Company shall ensure that all proxies solicited in connection with the Company Stockholders Meeting are solicited in compliance with all applicable Legal Requirements. Notwithstanding anything to the contrary contained in this Agreement: (A) the Company shall not postpone or adjourn the Company Stockholders Meeting without the consent of Parent, other than (1) to the extent necessary to ensure that any supplement or amendment to the Joint Proxy Statement/Prospectus that is required by applicable Legal Requirements is disclosed to the Company's stockholders or (2) if, as of the time at which the Company Stockholders Meeting is scheduled, there are insufficient shares of Company Common Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct the business to be conducted at the Company Stockholders Meeting, to the extent necessary to obtain such a quorum; and (B) the Company shall postpone or adjourn the Company Stockholders Meeting up to two times for up to 30 days each time if Parent reasonably requests such postponement or adjournment in order to solicit additional proxies in favor of the adoption of this Agreement (but not later than five Business Days prior to the Outside Date), in which case, the Company shall use its reasonable best efforts during any such postponement or adjournment to solicit and obtain such proxies in favor of the adoption of this Agreement as soon as reasonably practicable. Subject to applicable Legal Requirements: (aa) the Company shall cooperate with Parent and use its reasonable best efforts to cause the Company Stockholders Meeting to be held on the same date as the Parent Shareholders Meeting; and (bb) if, notwithstanding such efforts, the Parent Shareholders Meeting is held prior to the Company Stockholders Meeting, the Company shall use its reasonable best efforts to cause its meeting to be held as promptly as reasonably practicable following the date of the Parent Shareholders Meeting.

(b) Subject to Section 5.2(d), the Joint Proxy Statement/Prospectus shall include a statement to the effect that: (i) the Company's board of directors (A) has determined and believes that the Merger is advisable and fair to and in the best interests of the Company and its stockholders and (B) recommends that the Company's stockholders vote to adopt this Agreement at the Company Stockholders Meeting; and (ii) the Company's board of directors has approved and adopted this Agreement and approved the Contemplated Transactions, including the Merger, in accordance with the requirements of the DGCL. (The determination by the Company's board of directors that the Merger is advisable and fair to and in the best interests of the Company and its stockholders and the recommendation of the Company's board of directors that the Company's stockholders vote to adopt this Agreement are collectively referred to as the Company Board Recommendation.) The Company shall ensure that the Joint Proxy Statement/Prospectus includes the opinion of the financial advisors referred to in Section 2.23.

(c) Except as permitted by Section 5.2(d), neither the board of directors of the Company nor any committee thereof shall: (i) withdraw or modify in a manner adverse to Parent or Merger Sub, permit the withdrawal or modification in a manner adverse to Parent or Merger Sub or publicly propose to withdraw or modify in a manner adverse to Parent or Merger Sub the Company Board Recommendation (any action described in this clause (i) being referred to as a Company Adverse Recommendation Change); (ii) approve, endorse, accept or recommend, or publicly propose to approve, endorse, accept or recommend, any Company Acquisition Proposal; or (iii) cause or permit any Acquired Company to execute or enter into, any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other similar

Transaction, other than a confidentiality agreement referred to in clause (D)(2) of Section 4.3(a), or agree or publicly propose to take any of the actions contemplated by clause (ii) or clause (iii).

(d) Notwithstanding anything to the contrary contained in Section 5.2(c), the board of directors of the Company may, at any time prior to the adoption of this Agreement by the Required Company Stockholder Vote, (x) make a Company Adverse Recommendation Change or (y) cause the Company to terminate this Agreement in accordance with Section 8.1(l) and, concurrently with such termination, cause the Company to enter into the Specified Company Acquisition Agreement in accordance with, and subject to compliance with, the provisions of Section 8.1(l), but, in the case of each of clauses (x) and (y), only:

(i) if: (A) an unsolicited, bona fide, written Company Acquisition Proposal that did not result, directly or indirectly, from a material breach of any of the provisions of Section 4.3 is made to the Company after the date of this Agreement and is not withdrawn; (B) the Company's board of directors determines in good faith, after having taken into account the advice of an independent financial advisor of nationally recognized reputation and the advice of the Company's outside legal counsel, that such Company Acquisition Proposal constitutes a Company Superior Offer, and that, in light of such Company Superior Offer, the failure to make a Company Adverse Recommendation Change or the failure to terminate this Agreement pursuant to Section 8.1(l) in order to accept such Company Superior Offer would reasonably be expected to be inconsistent with its fiduciary obligations to the Company's stockholders under applicable law; (C) prior to effecting such Company Adverse Recommendation Change or terminating this Agreement pursuant to Section 8.1(l) in order to accept such Company Superior Offer, the Company's board of directors shall have given Parent at least four Business Days' prior written notice (a Company Notice) (1) that it has received a Company Superior Offer that did not result directly or indirectly from a material breach of any of the provisions of Section 4.3, (2) that it intends to make a Company Adverse Recommendation Change as a result of such Company Superior Offer (and describing the intended Company Adverse Recommendation Change) or to terminate this Agreement pursuant to Section 8.1(l) in order to accept such Company Superior Offer and (3) specifying the material terms and conditions of such Company Superior Offer, including the identity of the Person making such offer (and attaching the most current and complete version of any written agreement or other document relating thereto); (D) for four Business Days after receipt by Parent of such Company Notice, the Company's board of directors has not made a Company Adverse Recommendation Change and the Company has not attempted to terminate this Agreement pursuant to Section 8.1(l); (E) during such four Business Day notice period, the Company engages (to the extent requested by Parent) in good faith negotiations with Parent to amend this Agreement in such a manner that the failure to make a Company Adverse Recommendation Change or the failure to terminate this Agreement pursuant to Section 8.1(l) in order to accept such Company Superior Offer would not reasonably be expected to be inconsistent with the fiduciary obligations of the Company's board of directors to the Company's stockholders under applicable law; and (F) at the time of any Company Adverse Recommendation Change or the termination of this Agreement pursuant to Section 8.1(l) in order to accept such Company Superior Offer, the board of directors of the Company determines in good faith, after taking into account the advice of an independent financial advisor of nationally recognized reputation and the advice of the Company's outside legal counsel, that the failure to make a Company Adverse Recommendation Change or the failure to terminate this Agreement pursuant to Section 8.1(l) in order to accept such Company Superior Offer would still reasonably be expected to be inconsistent with the fiduciary obligations of the Company's board of directors to the Company's stockholders under applicable law in light of such Company Superior Offer; *provided, however*, that when making such determination, the Company's board of directors shall be obligated to consider any changes to the terms of this Agreement proposed in writing by Parent as a result of the negotiations required by clause (E) or otherwise; or

(ii) if: (A) there shall occur or arise after the date of this Agreement a material event, material development or change in circumstances that relates to and is material to the Acquired Companies (taken as a whole) (but does not relate to any Company Acquisition Proposal) that was not known, and was not reasonably foreseeable, by any of the Acquired

Companies on the date of this Agreement (or if known, the consequences of which were not known, and were not reasonably foreseeable, by any of the Acquired

Companies as of the date of this Agreement), which event, development or change in circumstance, or any material consequence thereof, becomes known to any of the Acquired Companies prior to the adoption of this Agreement by the Required Company Stockholder Vote and did not result from or arise out of the announcement or pendency of, or any action required to be taken (or to be refrained from being taken) pursuant to, this Agreement (any such material event, material development or material change in circumstances being referred to as a Company Intervening Event); (B) the Company provides Parent with 48 hours prior written notice (or such lesser prior notice as is provided to the members of the board of directors of the Company) of any meeting of the board of directors of the Company at which the board is expected to consider and determine whether such Company Intervening Event may require the Company to make a Company Adverse Recommendation Change, specifying the date and time of such meeting, the reasons for holding such meeting and a reasonably detailed description of such Company Intervening Event; (C) the Company's board of directors determines in good faith, after having taken into account the advice of an independent financial advisor of nationally recognized reputation and the advice of the Company's outside legal counsel, that, in light of such Company Intervening Event, the failure to make a Company Adverse Recommendation Change would reasonably be expected to be inconsistent with its fiduciary obligations to the Company's stockholders under applicable law; (D) no Company Adverse Recommendation Change has been made for four Business Days after receipt by Parent of a written notice from the Company confirming that the Company's board of directors has determined that the failure to make such a Company Adverse Recommendation Change in light of such Company Intervening Event would reasonably be expected to be inconsistent with its fiduciary obligations to the Company's stockholders under applicable law; (E) during such four Business Day notice period, the Company engages (to the extent requested by Parent) in good faith negotiations with Parent to amend this Agreement in such a manner that the failure to make a Company Adverse Recommendation Change would not reasonably be expected to be inconsistent with the fiduciary obligations of the Company's board of directors to the Company's stockholders under applicable law in light of such Company Intervening Event; and (F) at the time of any Company Adverse Recommendation Change, the board of directors of the Company determines in good faith, after taking into account the advice of an independent financial advisor of nationally recognized reputation and the advice of the Company's outside legal counsel, that the failure to make a Company Adverse Recommendation Change would still reasonably be expected to be inconsistent with the fiduciary obligations of the Company's board of directors to the Company's stockholders under applicable law in light of such Company Intervening Event; *provided, however*, that when making such determination, the Company's board of directors shall be obligated to consider any changes to the terms of this Agreement proposed in writing by Parent as a result of the negotiations required by clause (E) or otherwise.

For purposes of clause (i) of the first sentence of this Section 5.2(d), any change in the form or amount of the consideration payable in connection with a Company Superior Offer, and any other material change to any of the terms of a Company Superior Offer, will be deemed to be a new Company Superior Offer, requiring a new Company Notice and a new advance notice period; *provided, however*, that the advance notice period applicable (pursuant to clause (i)(C) of the first sentence of this Section 5.2(d)) to any such change to a Company Superior Offer shall be two Business Days rather than four Business Days.

(e) Nothing contained in this Section 5.2 or elsewhere in this Agreement shall prohibit the Company from (i) taking and disclosing to its stockholders a position contemplated by Rule 14d-9 or Rule 14e-2(a) promulgated under the Exchange Act or (ii) making any disclosure to its stockholders if the board of directors of the Company determines in good faith, after having taken into account the advice of the Company's outside legal counsel, that the failure to do so would reasonably be expected to be inconsistent with its fiduciary obligations to the Company's stockholders under applicable law; *provided, however*, that this Section 5.2(e) shall not be deemed to permit the board of directors of the Company to make a Company Adverse Recommendation Change or take any of the actions referred to in clause (ii) of Section 5.2(c) except, in the case of a Company Adverse Recommendation Change, to the extent permitted by Section 5.2(d); *provided, further*, that in the case of each of clauses (i) and (ii) above, any such disclosure, other than a stop, look and listen communication or similar communication of the type contemplated by Section 14d-9(f) of the

Exchange Act, shall be deemed to be a

Company Adverse Recommendation Change unless the board of directors of the Company expressly publicly reaffirms the Company Board Recommendation in such disclosure.

(f) Subject to the Company's right to terminate this Agreement in accordance with Section 8.1(l), the Company's obligation to call, give notice of and hold the Company Stockholders' Meeting in accordance with Section 5.2(a) shall not be limited or otherwise affected by the commencement, disclosure, announcement or submission of any Company Superior Offer or other Company Acquisition Proposal, by any Company Intervening Event or by any withdrawal or modification of the Company Board Recommendation.

5.3 Parent Shareholders' Meeting.

(a) Parent: (i) shall, in accordance with its bye-laws, take all action necessary under all applicable Legal Requirements to, as promptly as reasonably practicable after the date of this Agreement, call, give notice of and hold a meeting of the holders of Parent Common Shares to vote on a proposal to approve the Parent Share Issuance (the Parent Shareholders' Meeting) as promptly as reasonably practicable after the date of this Agreement; and (ii) shall submit such proposal to, and use its reasonable best efforts to solicit proxies in favor of, such proposal from such holders at the Parent Shareholders' Meeting and shall not submit any other proposal to such holders in connection with the Parent Shareholders' Meeting that is not related to the approval or consummation of any of the Contemplated Transactions without the prior written consent of the Company. Parent, in consultation with the Company, shall set a record date for Persons entitled to notice of, and to vote at, the Parent Shareholders' Meeting and shall not change such record date without the prior written consent of the Company, which consent shall not be unreasonably withheld if such change is required by an applicable Legal Requirement. The Parent Shareholders' Meeting shall be held (on a date selected by Parent in consultation with the Company) as promptly as practicable after the Form S-4 Registration Statement is declared effective under the Securities Act. Parent shall ensure that all proxies solicited in connection with the Parent Shareholders' Meeting are solicited in compliance with all applicable Legal Requirements. Notwithstanding anything to the contrary contained in this Agreement: (A) Parent shall not postpone or adjourn the Parent Shareholders' Meeting without the consent of the Company, other than (1) to the extent necessary to ensure that any supplement or amendment to the Joint Proxy Statement/Prospectus that is required by applicable Legal Requirements is disclosed to Parent's shareholders or (2) if, as of the time at which the Parent Shareholders' Meeting is scheduled, there are insufficient Parent Common Shares represented (either in person or by proxy) to constitute a quorum necessary to conduct the business to be conducted at the Parent Shareholders' Meeting, to the extent necessary to obtain such a quorum; and (B) Parent shall postpone or adjourn the Parent Shareholders' Meeting up to two times for up to 30 days each time if the Company reasonably requests such postponement or adjournment in order to solicit additional proxies in favor of the approval of the Parent Share Issuance (but not later than five Business Days prior to the Outside Date), in which case, Parent shall use its reasonable best efforts during any such postponement or adjournment to solicit and obtain such proxies in favor of the approval of the Parent Share Issuance as soon as reasonably practicable. Subject to applicable Legal Requirements: (aa) Parent shall cooperate with the Company and use its reasonable best efforts to cause the Parent Shareholders' Meeting to be held on the same date as the Company Stockholders' Meeting; and (bb) if, notwithstanding such efforts, the Company Stockholders' Meeting is held prior to the Parent Shareholders' Meeting, Parent shall use its reasonable best efforts to cause its meeting to be held as promptly as reasonably practicable following the date of the Company Stockholders' Meeting.

(b) Subject to Section 5.3(c), the Joint Proxy Statement/Prospectus shall include a statement to the effect that:

(i) Parent's board of directors (A) has determined and believes that the Parent Share Issuance is fair to and in the best interests of Parent and its shareholders and (B) recommends that Parent's shareholders vote to approve the Parent Share Issuance at the Parent Shareholders' Meeting; and (ii) Parent's board of directors has approved this Agreement and approved the Contemplated Transactions, including the Merger, in accordance with Parent's bye-laws. (The determination by Parent's board of directors that the Parent Share Issuance is fair to and in the best interests of Parent

and its shareholders and the recommendation of Parent's board of directors that Parent's shareholders vote to approve the Parent Share Issuance are collectively referred to as the Parent Board

Recommendation.) Parent shall ensure that the Joint Proxy Statement/Prospectus includes the opinion of the financial advisor referred to in Section 2.23.

(c) Except as permitted by Section 5.3(d), neither the board of directors of Parent nor any committee thereof shall: (i) withdraw or modify in a manner adverse to the Company, permit the withdrawal or modification in a manner adverse to the Company or publicly propose to withdraw or modify in a manner adverse to the Company the Parent Board Recommendation (any action described in this clause (i) being referred to as a Parent Adverse Recommendation Change); (ii) approve, endorse, accept or recommend, or publicly propose to approve, endorse, accept or recommend, any Parent Acquisition Proposal; or (iii) cause or permit Parent or any of its Subsidiaries to execute or enter into, any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement or other similar document or Contract constituting or relating to, or that is intended to result in, contemplates or is reasonably likely to result in, an Acquisition Transaction, other than a confidentiality agreement referred to in clause (D)(2) of Section 4.4(a), or agree or publicly propose to take any of the actions contemplated by clause (ii) or this clause (iii).

(d) Notwithstanding anything to the contrary contained in Section 5.3(c), the board of directors of Parent may, at any time prior to the approval of the Parent Share Issuance by the Required Parent Shareholder Vote, (x) make a Parent Adverse Recommendation Change or (y) cause Parent to terminate this Agreement in accordance with Section 8.1(m) and, concurrently with such termination, cause Parent to enter into the Specified Parent Acquisition Agreement in accordance with, and subject to compliance, with the provisions of Section 8.1(m), but, in the case of each of clauses (x) and (y), only:

(i) if: (A) an unsolicited, bona fide, written Parent Acquisition Proposal that did not result, directly or indirectly, from a material breach of any of the provisions of Section 4.4 is made to Parent after the date of this Agreement and is not withdrawn; (B) Parent's board of directors determines in good faith, after having taken into account the advice of an independent financial advisor of nationally recognized reputation and the advice of Parent's outside legal counsel, that such Parent Acquisition Proposal constitutes a Parent Superior Offer, and that, in light of such Parent Superior Offer, the failure to make a Parent Adverse Recommendation Change or the failure to terminate this Agreement pursuant to Section 8.1(m) in order to accept such Parent Superior Offer would reasonably be expected to be inconsistent with its fiduciary obligations to Parent's shareholders under applicable law; (C) prior to effecting such Parent Adverse Recommendation Change or terminating this Agreement pursuant to Section 8.1(m) in order to accept such Parent Superior Offer, Parent's board of directors shall have given the Company at least four Business Days' prior written notice (a Parent Notice) (1) that it has received a Parent Superior Offer that did not result directly or indirectly from a material breach of any of the provisions of Section 4.4, (2) that it intends to make a Parent Adverse Recommendation Change as a result of such Parent Superior Offer (and describing the intended Parent Adverse Recommendation Change) or to terminate this Agreement pursuant to Section 8.1(m) in order to accept such Parent Superior Offer and (3) specifying the material terms and conditions of such Parent Superior Offer, including the identity of the Person making such offer (and attaching the most current and complete version of any written agreement or other document relating thereto); (D) for four Business Days after receipt by the Company of such Parent Notice, Parent's board of directors has not made a Parent Adverse Recommendation Change and Parent has not attempted to terminate this Agreement pursuant to Section 8.1(m); (E) during such four Business Day notice period, Parent engages (to the extent requested by the Company) in good faith negotiations with the Company to amend this Agreement in such a manner that the failure to make a Parent Adverse Recommendation Change or the failure to terminate this Agreement pursuant to Section 8.1(m) in order to accept such Parent Superior Offer would not reasonably be expected to be inconsistent with the fiduciary obligations of Parent's board of directors to Parent's shareholders under applicable law; and (F) at the time of any Parent Adverse Recommendation Change or the termination of this Agreement pursuant to Section 8.1(m) in order to accept such Parent Superior Offer, the board of directors of Parent determines in good faith, after taking into account the advice of an independent financial advisor of nationally recognized reputation and the advice of

the Parent's outside legal counsel, that the failure to make a Parent Adverse Recommendation Change or the failure to terminate this Agreement pursuant to Section 8.1(m) in order to accept such Parent Superior Offer would still reasonably be expected to be inconsistent with the fiduciary obligations of Parent's board of directors to Parent's shareholders under applicable law in light of such Parent Superior Offer; *provided, however*, that when making such determination, Parent's board of directors shall be obligated to consider any changes to the terms of this Agreement proposed in writing by the Company as a result of the negotiations required by clause (E) or otherwise; or

(ii) if: (A) there shall occur or arise after the date of this Agreement a material event, material development or change in circumstances that relates to and is material to Parent and its Subsidiaries (taken as a whole) (but does not relate to any Parent Acquisition Proposal) that was not known, and was not reasonably foreseeable, by Parent or any of its Subsidiaries on the date of this Agreement (or if known, the consequences of which were not known, and were not reasonably foreseeable, by Parent or any of Subsidiaries as of the date of this Agreement), which event, development or change in circumstance, or any material consequence thereof, becomes known to Parent prior to the approval of the Parent Share Issuance by the Required Parent Shareholder Vote and did not result from or arise out of the announcement or pendency of, or any action required to be taken (or to be refrained from being taken) pursuant to, this Agreement (any such material event, material development or material change in circumstances being referred to as a Parent Intervening Event); (B) Parent provides the Company with 48 hours' written prior notice (or such lesser prior notice as is provided to the members of the board of directors of Parent) of any meeting of the board of directors of Parent at which the board is expected to consider and determine whether such Parent Intervening Event may require Parent to make a Parent Adverse Recommendation Change, specifying the date and time of such meeting, the reasons for holding such meeting and a reasonably detailed description of such Parent Intervening Event; (C) Parent's board of directors determines in good faith, after having taken into account the advice of an independent financial advisor of nationally recognized reputation and the advice of Parent's outside legal counsel, that, in light of such Parent Intervening Event, the failure to make a Parent Adverse Recommendation Change would reasonably be expected to be inconsistent with its fiduciary obligations to Parent's shareholders under applicable law; (D) no Parent Adverse Recommendation Change has been made for four Business Days after receipt by the Company of a written notice from Parent confirming that Parent's board of directors has determined that the failure to make such a Parent Adverse Recommendation Change in light of such Parent Intervening Event would reasonably be expected to be inconsistent with its fiduciary obligations to Parent's shareholders under applicable law; (E) during such four Business Day notice period, Parent engages (to the extent requested by the Company) in good faith negotiations with the Company to amend this Agreement in such a manner that the failure to make a Parent Adverse Recommendation Change would not reasonably be expected to be inconsistent with the fiduciary obligations of Parent's board of directors to Parent's shareholders under applicable law in light of such Parent Intervening Event; and (F) at the time of any Parent Adverse Recommendation Change, the board of directors of Parent determines in good faith, after taking into account the advice of an independent financial advisor of nationally recognized reputation and the advice of Parent's outside legal counsel, that the failure to make a Parent Adverse Recommendation Change would still reasonably be expected to be inconsistent with the fiduciary obligations of Parent's board of directors to Parent's shareholders under applicable law in light of such Parent Intervening Event; *provided, however*, that when making such determination, Parent's board of directors shall be obligated to consider any changes to the terms of this Agreement proposed in writing by the Company as a result of the negotiations required by clause (E) or otherwise.

For purposes of clause (i) of the first sentence of this Section 5.3(d), any change in the form or amount of the consideration payable in connection with a Parent Superior Offer, and any other material change to any of the terms of a Parent Superior Offer, will be deemed to be a new Parent Superior Offer, requiring a new Parent Notice and a new advance notice period; *provided, however*, that the advance notice period applicable (pursuant to clause (i)(C) of the first sentence of this Section 5.3(d)) to any such change to a Parent Superior Offer shall be two Business Days rather than four Business Days.

(e) Nothing contained in this Section 5.3 or elsewhere in this Agreement shall prohibit Parent from (i) taking and disclosing to its shareholders a position contemplated by Rule 14d-9 or Rule 14e-2(a) promulgated under the Exchange Act or (ii) making any disclosure to its shareholders if the board of directors of Parent determines in good faith, after having taken into account the advice of Parent's outside legal counsel, that the failure to do so would reasonably be expected to be inconsistent with its fiduciary obligations to Parent's shareholders under applicable law; *provided, however*, that this Section 5.3(e) shall not be deemed to permit the board of directors of Parent to make a Parent Adverse Recommendation Change or take any of the actions referred to in clause (ii) of Section 5.3(c) except, in the case of a Parent Adverse Recommendation Change, to the extent permitted by Section 5.3(d); *provided, further*, that in the case of each of clauses (i) and (ii) above, any such disclosure, other than a stop, look and listen communication or similar communication of the type contemplated by Section 14d-9(f) of the Exchange Act, shall be deemed to be a Parent Adverse Recommendation Change unless the board of directors of Parent expressly publicly reaffirms the Parent Board Recommendation in such disclosure.

(f) Subject to Parent's right to terminate this Agreement in accordance with Section 8.1(m), Parent's obligation to call, give notice of and hold the Parent Shareholders' Meeting in accordance with Section 5.3(a) shall not be limited or otherwise affected by the commencement, disclosure, announcement or submission of any Parent Superior Offer or other Parent Acquisition Proposal, by any Parent Intervening Event or by any withdrawal or modification of the Parent Board Recommendation.

5.4 Regulatory Approvals.

(a) The Company and Parent shall: (i) promptly after the date of this Agreement, prepare and file the notification and report forms required to be filed under the HSR Act and any notification or other document required to be filed or submitted under any applicable foreign antitrust or competition-related Legal Requirement in connection with the Merger and the other Contemplated Transactions; (ii) respond as promptly as practicable to (A) any inquiries or requests received from the Federal Trade Commission or the Department of Justice for additional information or documentation and (B) any inquiries or requests received from any state attorney general, foreign antitrust or competition authority or other Governmental Body in connection with antitrust or related matters; (iii) promptly (and not later than 20 Business Days after the date of this Agreement, unless otherwise agreed by the parties) make a draft filing in connection with obtaining CFIUS Approval in accordance with the DPA; (iv) make a final filing in connection with obtaining CFIUS Approval in accordance with the DPA promptly after receipt of confirmation that CFIUS has no further comments with respect to the draft filing; and (v) respond as promptly as practicable to any information request from CFIUS or any other agency or branch of the U.S. government in connection with the CFIUS review or investigation of the Merger. Parent and the Company acknowledge and agree that, for purposes of this Agreement, the submission of a notification to MOFCOM with respect to the Merger under the PRC Anti-Monopoly Law will be deemed to be required pursuant to this Section 5.4(a). The Company and Parent agree that if CFIUS suggests or requests that, or the Company or Parent determines it to be appropriate that, the parties withdraw and resubmit the filing submitted to CFIUS pursuant to this Section 5.4(a), the Company and Parent shall cooperate in withdrawing and resubmitting the CFIUS filing; *provided, however*, that neither the Company nor Parent shall be under any obligation to resubmit such filing if the Company or Parent reasonably determines that CFIUS Approval could not be obtained before the Outside Date (as it may be extended).

(b) Subject to the confidentiality provisions of the Confidentiality Agreement, each of Parent and the Company shall promptly supply the other with any information that may be required in order to effectuate any filings (including applications) pursuant to (and to otherwise comply with its obligations set forth in) Section 5.4(a). Notwithstanding anything to the contrary contained in this Section 5.4 or elsewhere in this Agreement, except where prohibited by applicable Legal Requirements or any Governmental Body, and subject to the confidentiality provisions of the Confidentiality Agreement, each of Parent and the Company shall: (i) consult with the other in good faith prior to

(ii) permit the other to review and discuss in advance, and consider in

good faith the views of the other in connection with, any analyses, appearances, presentations, memoranda, briefs, white papers, arguments, opinions or proposals before making or submitting any of the foregoing to any Governmental Body by or on behalf of any party in connection with any filing or submission required by Section 5.4(a) or any antitrust-related Legal Proceeding related to this Agreement or the Contemplated Transactions; (iii) promptly provide the other (and the other's counsel) with copies of any filings, notices, analyses, presentations, memoranda, briefs, white papers, opinions, proposals or other submissions (and a summary of any oral presentations) made or submitted by such party to any Governmental Body in connection with any filing or submission required by Section 5.4(a); and (iv) provide the other with reasonable notice of and opportunity to participate in any substantive conversation or meeting with any Governmental Body related to this Agreement or the Contemplated Transactions, provided there is no objection to such participation by the relevant Governmental Body.

(c) Each of Parent and the Company shall notify the other promptly upon the receipt of: (i) any communication from any official of any Governmental Body in connection with any filing made pursuant to this Agreement; (ii) knowledge of the commencement or threat of commencement of any Legal Proceeding by any Governmental Body with respect to the Contemplated Transactions (and shall keep the other party informed as to the status of any such Legal Proceeding or threat); and (iii) any request by any official of any Governmental Body for any amendment or supplement to any filing made pursuant to this Agreement or any information required to comply with any Legal Requirement applicable to the Contemplated Transactions. Whenever any event occurs that is required to be set forth in an amendment or supplement to any filing made pursuant to Section 5.4(a), Parent or the Company, as the case may be, shall (promptly upon becoming aware of the occurrence of such event) inform the other of the occurrence of such event and cooperate in filing such amendment or supplement with the applicable Governmental Body.

(d) Subject to Section 5.4(e), each of Parent and the Company shall use its reasonable best efforts to take, or cause to be taken, all actions necessary to consummate the Merger and make effective the other Contemplated Transactions, including obtaining CFIUS Approval and MOFCOM Approval. Without limiting the generality of the foregoing, but subject to Section 5.4(e), each of Parent and the Company: (i) shall make all filings, give all notices (if any) and provide all information (if any) required to be made, given or provided by such party in connection with the Merger and the other Contemplated Transactions; (ii) shall consult with such party's employees to the extent required under applicable Legal Requirements in connection with the Merger or any of the other Contemplated Transactions; and (iii) shall use its reasonable best efforts to obtain each Consent (if any) required to be obtained (pursuant to any applicable Legal Requirement or Contract, or otherwise) by such party in connection with the Merger or any of the other Contemplated Transactions. Each of Parent and the Company shall consult with each other with respect to all of the matters contemplated by clauses (i), (ii) and (iii) of this Section 5.4(d), and will keep the other reasonably apprised of the status of matters relating to the consummation of the Contemplated Transactions.

(e) Notwithstanding anything to the contrary contained in this Agreement, Parent shall not have any obligation under this Agreement: (i) to dispose of or transfer or cause any of its Subsidiaries or Affiliates to dispose of or transfer any assets, or to commit to cause any of the Acquired Companies to dispose of any assets; (ii) to discontinue or cause any of its Subsidiaries or Affiliates to discontinue offering any product or service, or to commit to cause any of the Acquired Companies to discontinue offering any product or service; (iii) to license or otherwise make available, or cause any of its Subsidiaries or Affiliates to license or otherwise make available, to any Person, any Software or other Intellectual Property or Intellectual Property Right, or to commit to cause any of the Acquired Companies to license or otherwise make available to any Person any Software or other Intellectual Property or Intellectual Property Right; (iv) to hold separate or cause any of its Subsidiaries or Affiliates to hold separate any assets or operations (either before or after the Closing Date), or to commit to cause any of the Acquired Companies to hold separate any assets or operations; or (v) to make or cause any of its Subsidiaries or Affiliates to make any commitment (to any Governmental Body or otherwise) regarding its future operations or the future operations of any of the Acquired Companies, unless the actions referred to in the foregoing clauses (i) through (v) (A) are reasonably necessary to

satisfy the conditions set forth in Sections

6.7 and 7.7 and (B) would not, individually or in the aggregate, reasonably be expected to result in a significant impact on the strategic or financial benefits of the Merger to Parent. Notwithstanding anything to the contrary contained in the preceding sentence or elsewhere in this Agreement: (aa) Parent shall have no obligation to contest, or cause any of its Subsidiaries or Affiliates to contest, any Legal Proceeding relating to the Merger if Parent reasonably determines in good faith that contesting such Legal Proceeding would not be advisable; and (bb) nothing in this Section 5.4(e) or elsewhere in this Agreement shall require Parent, directly or indirectly, (I) to divest, transfer or otherwise dispose of, to hold separate or to commit to cause any of its Subsidiaries or Affiliates or any of the Acquired Companies to divest, transfer or otherwise dispose of or to hold separate all or any portion of (w) the Ethernet switch business of Parent and its Subsidiaries, (x) the embedded communication processor business of Parent and its Subsidiaries, (y) the Ethernet switch business of the Acquired Companies or (z) the processor business of the Acquired Companies, (II) to change, or commit to change, its place of domicile or organization or (III) to restructure or commit to restructure any of the Contemplated Transactions; *provided, however*, that if Parent elects to change its place of domicile or organization or to restructure any of the Contemplated Transactions in response to a request from a Governmental Body or in order to facilitate the satisfaction of any of the conditions set forth in Sections 6.7 or 7.7, then the Company shall, and shall cause the other Acquired Companies to (x) consent to, and cooperate with Parent in connection with, the taking of any such action and (y) take any other action in connection therewith as Parent may reasonably request. At the request of Parent, the Company shall divest, sell, dispose of, hold separate or take any other action with respect to any of the businesses, product lines or assets of the Acquired Companies, provided that any such action is conditioned upon the consummation of the Merger.

5.5 Treatment of Company Options, Company Restricted Stock Units and Company Performance Restricted Stock Units.

(a) At the Effective Time, by virtue of the Merger and without any action on the part of Parent, the Company or any other Person, each Company Option, other than a Director Option, that is then outstanding, whether vested or unvested, shall be assumed by Parent and converted into an option to purchase, on the same terms and conditions as were applicable under such Company Option, that number of Parent Common Shares (rounded down to the nearest whole share) equal to the product of (i) the number of shares of Company Common Stock subject to such Company Option, *multiplied by* (ii) the Conversion Ratio, at an exercise price per Parent Common Share (rounded up to the nearest whole cent) equal to the quotient obtained by *dividing* (A) the per share exercise price for the Company Common Stock subject to such Company Option, *by* (B) the Conversion Ratio (each such assumed Company Option, as so adjusted, a Converted Option); *provided, however*, that all references to the Company in each Company Equity Plan and each award agreement shall be deemed to be references to Parent. The assumption and conversion of Company Options contemplated by this Section 5.5(a) shall in each case be effected in a manner intended to comply with Section 409A of the Code.

(b) At the Effective Time, and without any action on the part of Parent, the Company or any other Person, each Director Option that is outstanding and vested immediately prior to the Effective Time (including those Director Options that become vested by their terms immediately prior to or as of the Effective Time), shall be canceled, and the holder thereof shall be entitled to receive (subject to any applicable withholding or other Taxes, or other amounts required by applicable Legal Requirements to be withheld): an amount in cash equal to the product of (i) the positive difference (if any) between (A) the Equity Award Cash Consideration, minus (B) the exercise price applicable to such Director Stock Option, *multiplied by* (ii) the number of shares of Company Common Stock subject to such Director Option. Following the Effective Time, any such canceled Director Option shall no longer be exercisable for shares of Company Common Stock and shall entitle the former holder of such Director Option only to the payment described in this Section 5.5(b), which shall be made by the Surviving Corporation within 10 Business Days after the Effective Time. For the avoidance of doubt, at the Effective Time, each outstanding Director Option with an exercise price equal to or greater than Equity Award Cash Consideration shall, without any action on the part of the holder thereof,

be canceled, and the holder thereof shall receive no payment on account thereof.

(c) At the Effective Time, and without any action on the part of Parent, the Company or any other Person, each Company RSU that is outstanding and unvested immediately prior to the Effective Time, other than any Company RSU described in [Section 5.5\(d\)\(ii\)](#), shall be converted into that number of Parent restricted stock units, rounded down to the nearest whole share, equal to the product of (i) the number of shares of Company Common Stock subject to such Company RSU, *multiplied by* (ii) the Conversion Ratio (each such assumed Company RSU, as so adjusted, a Converted RSU). Any Converted RSU issued pursuant to [this Section 5.5\(c\)](#) shall be subject to the same terms and conditions as were applicable to such Company RSU prior to the Effective Time; *provided, however*, that all references to the Company in each Company Equity Plan and each award agreement shall be deemed to be references to Parent.

(d) At the Effective Time, and without any action on the part of Parent, the Company or any other Person, each Company RSU (i) that is outstanding and vested (and with respect to which shares of Company Common Stock have not yet been issued) immediately prior to the Effective Time (including those Company RSUs that become vested by their terms immediately prior to or as of the Effective Time) or (ii) that is outstanding and held by any non-employee member of the Company's board of directors immediately prior to the Effective Time, whether vested or unvested, which awards shall vest in full as of immediately prior to the Effective Time, in the case of each of clauses (i) or (ii), shall be canceled and extinguished, and the holder thereof shall be entitled to receive (subject to any applicable withholding or other Taxes, or other amounts required by applicable Legal Requirements to be withheld, which withholding shall first be applied against the cash portion of the consideration paid in respect of a vested Company RSU): (i) an amount in cash equal to the product of (A) the Per Share Cash Amount, *multiplied by* (B) the total number of shares of Company Common Stock subject to such Company RSU; and (ii) a number of Parent Common Shares equal to the product of (A) the Exchange Ratio, *multiplied by* (B) the total number of shares of Company Common Stock subject to such Company RSU. Following the Effective Time, any such canceled Company RSU shall entitle the former holder of such Company RSU only to the payment described in [this Section 5.5\(d\)](#), which shall be made by the Surviving Corporation within 10 Business Days after the Effective Time or at such other time or times following the Effective Time consistent with the terms of the Company RSU to the extent necessary to avoid the imposition of additional income Tax under Section 409A of the Code.

(e) At the Effective Time, and without any action on the part of Parent, the Company or any other Person, each Company PRSU that is outstanding and unvested immediately prior to the Effective Time shall be assumed and converted into that number of Parent restricted stock units, rounded down to the nearest whole share, equal to the product of (i) the target number of shares of Company Common Stock subject to such Company PRSU, *multiplied by* (ii) the Conversion Ratio (each such assumed Company PRSU, as so adjusted, a Converted PRSU). Any Converted PRSU issued pursuant to [this Section 5.5\(e\)](#): (A) shall vest based on the vesting date set forth in the award agreement applicable to such Company PRSU prior to the Effective Time, subject only to the continued service of the grantee with the Surviving Corporation, Parent or any of their Affiliates through the applicable vesting date; (B) shall not be subject to any performance-based vesting terms following the Effective Time; and (C) shall otherwise be subject to the same terms and conditions (modified as appropriate to reflect the assumption contemplated by [this Section 5.5\(e\)](#)) as were applicable under such Company PRSU prior to the Effective Time; *provided, however*, that all references to the Company in each Company Equity Plan and each award agreement shall be deemed to be references to Parent. Each Converted PRSU that vests after the Effective Time shall be settled in Parent Common Shares.

(f) Prior to the Effective Time, each of Parent and the Company shall take all actions necessary (including obtaining any required consents) to effectuate the provisions set forth in [this Section 5.5](#); *provided, however*, that no such action taken shall be required to be irrevocable until immediately prior to the Effective Time.

(g) Parent agrees to file, as soon as reasonably practicable but in no event later than ten Business Days after the Effective Time, a registration statement on Form S-8 (or any successor form) with respect to the Parent Common

Shares issuable with respect to Converted Options, Converted PRSUs and Converted RSUs and shall

use commercially reasonable efforts to maintain the effectiveness of such registration statement (and maintain the current status of the prospectus or prospectuses contained therein) for so long as the Converted Options, Converted PRSUs and Converted RSUs assumed in accordance with this Agreement remain outstanding.

5.6 Employee Benefits.

(a) For a period of one year following the Effective Time, and subject to the applicable Legal Requirements of each jurisdiction, Parent shall, or shall cause the Surviving Corporation to, maintain, for each employee of the Acquired Companies who continues in employment with Parent, the Surviving Corporation or any Subsidiary thereof, base salary at a level that is no less favorable than the base salary provided to such employee immediately prior to the Effective Time.

(b) Parent agrees that all employees of the Acquired Companies who continue employment with Parent, the Surviving Corporation or any Subsidiary of the Surviving Corporation after the Effective Time (collectively, the Continuing Employees) shall be eligible to continue to participate in the Surviving Corporation's, or an applicable Subsidiary's, health and welfare benefit plans; *provided, however*, that (i) nothing in this Section 5.6 or elsewhere in this Agreement shall limit the right of Parent or any of its Affiliates, including the Surviving Corporation, to amend or terminate any such health or welfare benefit plan at any time and (ii) if Parent, the Surviving Corporation or any of their respective Subsidiaries terminates any such health or welfare benefit plan, then, as soon as commercially practicable, the Continuing Employees shall be eligible to participate in Parent's health and welfare benefit plans, to substantially the same extent as similarly situated employees of Parent.

(c) With respect to each benefit plan, program, practice, policy or arrangement maintained by Parent or its Subsidiaries (including the Surviving Corporation) following the Effective Time and in which any of the Continuing Employees participate (the Parent Plans), and except to the extent necessary to avoid duplication of benefits, for purposes of determining eligibility to participate and vesting, service with the Company and its Subsidiaries (or predecessor employers to the extent the Company provides past service credit under its benefit plans) shall, to the extent permitted by the terms of the applicable Parent Plan, be treated as service with Parent and its Subsidiaries. Each applicable Parent Plan shall, to the extent permitted by the terms of the applicable Parent Plan, waive eligibility waiting periods and pre-existing condition limitations to the extent waived or not included under the corresponding Company Employee Plan. To the extent permitted under the applicable Parent Plan, Parent agrees to give or cause its Subsidiaries (including the Surviving Corporation) to give the Continuing Employees credit under the applicable Parent Plan for amounts paid prior to the Effective Time during the calendar year in which the Effective Time occurs under a corresponding Company Employee Plan for purposes of applying deductibles, co-payments and out-of-pocket maximums as though such amounts had been paid in accordance with the terms and conditions of the Parent Plan.

(d) If requested by Parent prior to the Closing, the Company agrees to adopt (or cause to be adopted) all necessary corporate resolutions (which shall be subject to Parent's reasonable review and approval) to terminate, effective immediately prior to the Effective Time, any employee benefit plan sponsored or maintained by the Company or any ERISA Affiliate that contains a cash or deferred arrangement intended to qualify under Section 401(k) of the Code (the Company 401(k) Plan). Immediately prior to such termination, the Company (or such ERISA Affiliate) shall make all necessary payments to fund: (i) the contributions necessary or required to maintain the tax-qualified status of the Company 401(k) Plan; (ii) the contributions for elective deferrals made pursuant to the Company 401(k) Plan for the period prior to termination; and (iii) the contributions for any employer contributions (including matching contributions) for the period prior to termination. In the event of such termination of the Company 401(k) Plan, promptly following the Closing, Parent shall cause a plan maintained by Parent and intended to be qualified under Code Section 401(a) which includes a cash or deferred arrangement intended to qualify under Code Section 401(k) to accept eligible (x) rollover contributions in cash of amounts distributed to Continuing Employees from the Company's

401(k) Plan and (y) in-kind rollovers of Continuing Employees loan balances, and will provide for continued repayments of any such loans through

payroll deductions commencing not later than with the first payroll period ending not more than 14 days following the date of such rollover.

(e) Nothing in this Section 5.6 or elsewhere in this Agreement shall be deemed to make any employee of the Company, Parent or any of their respective Subsidiaries a third party beneficiary of this Section 5.6 or provide any such employee any rights relating to this Section 5.6, including any right to continued employment or any right under any Company Employee Plan, Foreign Plan or Parent health or welfare benefit plan following the Closing. Notwithstanding anything in this Section 5.6 to the contrary, nothing in this Agreement, whether express or implied, shall be treated as an amendment or other modification of any Company Employee Plan or Foreign Plan or any other employee benefit plan of any Acquired Company, Parent or any of its Subsidiaries.

5.7 Indemnification of Officers and Directors.

(a) All rights to indemnification existing in favor of those Persons who have been or are directors and officers of any Acquired Company (the Indemnified Persons) for their acts and omissions occurring prior to the Effective Time, as provided in the Company s or applicable Acquired Company s certificate of incorporation or bylaws (as in effect as of the date of this Agreement) and as provided in any indemnification agreements between an Acquired Company and such Indemnified Persons (as in effect as of the date of this Agreement) Made Available to Parent, shall survive the Merger and shall continue in full force and effect (to the fullest extent such rights to indemnification are available under and consistent with Delaware law) for a period of six years from the Effective Time.

(b) From the Effective Time until the sixth anniversary of the Effective Time, the Surviving Corporation shall maintain in effect, for the benefit of the Indemnified Persons with respect to their acts and omissions as directors and officers occurring prior to the Effective Time, the existing policy of directors and officers liability insurance maintained by the Company as of the date of this Agreement in the form Made Available to Parent (the Existing D&O Policy), to the extent that such directors and officers liability insurance coverage is available on commercially reasonable terms; *provided, however*, that: (i) the Surviving Corporation may substitute for the Existing D&O Policy a policy or policies of comparable coverage; and (ii) the Surviving Corporation shall not be required to pay annual premiums for the Existing D&O Policy (or for any substitute policies) in excess of 250% of the annual premium paid prior to the date of this Agreement by the Company for the Existing D&O Policy as disclosed in Part 2.16 of the Company Disclosure Schedule (the Maximum Premium). If any future annual premiums for the Existing D&O Policy (or any substitute policies) exceed the Maximum Premium in the aggregate, the Surviving Corporation shall be entitled to reduce the amount of coverage of the Existing D&O Policy (or any substitute policies) to the amount of coverage that can be obtained for a premium equal to the Maximum Premium. Prior to the Effective Time, the Company may purchase a pre-paid, non-cancellable tail policy on the Existing D&O Policy for a claims reporting or discovery period of six years from the Effective Time and otherwise on terms and conditions that are no less favorable than the terms and conditions of the Existing D&O Policy; *provided, however*, that the Company shall not, without the prior written consent of Parent, expend an amount for such tail policy in excess of the Maximum Premium. If such tail policy is purchased, the Surviving Corporation shall, and Parent shall cause the Surviving Corporation to, maintain such tail policy in full force and effect and continue its obligations thereunder, in lieu of all other obligations of the Surviving Corporation under the first sentence of this Section 5.7(b) for so long as such tail policy shall be maintained in full force and effect.

5.8 Disclosure. Parent and the Company: (a) have agreed to the text of the joint press release and investor relations presentation announcing the signing of this Agreement; and (b) shall consult with each other before issuing any further press release or otherwise making any public statement, and shall not issue any such press release or make any such public statement without the prior written consent of the other party, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing: (i) each of Parent and the Company may, without

such consultation or consent, make any public statement in response to questions from the press, analysts, investors or those attending industry conferences and make internal announcements to

employees, so long as such statements or announcements are consistent with (and not materially expansive of) previous press releases, public disclosures or public statements or announcements made jointly by the parties (or individually, if approved by the other party); (ii) Parent or the Company may, without the prior consent of the other party, issue any such press release or make any such public announcement or statement as may be required by a Legal Requirement or the Nasdaq Rules if it first notifies and consults with the other party prior to issuing any such press release or making any such public announcement or statement; (iii) the Company need not consult with (or obtain the consent of) Parent in connection with any press release, public statement or filing to be issued or made with respect to any Company Acquisition Proposal or any Company Adverse Recommendation Change; and (iv) Parent need not consult with (or obtain the consent of) the Company in connection with any press release, public statement or filing to be issued or made with respect to any Parent Acquisition Proposal or any Parent Adverse Recommendation Change.

5.9 Resignation of Officers and Directors. The Company shall use commercially reasonable efforts to obtain and deliver to Parent at or prior to the Effective Time the resignation of each corporate officer and director of each of the Acquired Companies, effective as of the Effective Time (it being understood that such resignation shall not constitute a voluntary termination of employment under any Company Employee Agreement or Company Employee Plan applicable to such individual's status as a corporate officer or director of an Acquired Company).

5.10 Listing. Parent shall use its reasonable best efforts to cause the Parent Common Shares to be issued in the Merger to be approved for listing (subject to notice of issuance) on Nasdaq at or prior to the Effective Time.

5.11 Delisting. Prior to the Effective Time, the Company shall cooperate with Parent and use its reasonable best efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary, proper or advisable on its part under applicable Legal Requirements (including the Nasdaq Rules) to enable the de-listing by the Surviving Corporation of the Company Common Stock from Nasdaq and the deregistration of the Company Common Stock under the Exchange Act as promptly as practicable after the Effective Time.

5.12 Litigation. Without limiting in any way the respective obligations of Parent and the Company under Section 4.2(c), Section 4.2(e) and Section 5.4, each of Parent and the Company shall notify the other party of any Legal Proceeding (including any class action or derivative litigation) that is commenced or threatened against such party or any of its officers or directors relating to the Merger or any of the other Contemplated Transactions promptly after becoming aware of such Legal Proceeding. The Company shall give Parent the opportunity to participate, at Parent's expense, in the defense or settlement of any such Legal Proceeding against the Company or any of its officers or directors, and no such settlement shall be agreed to, and no agreement or arrangement with any stockholder shall be entered into by the Company outside the ordinary course of business, without the prior written consent of Parent, which consent with respect to any such settlement shall not be unreasonably withheld, conditioned or delayed.

5.13 Section 16 Matters. Prior to the Effective Time, Parent and the Company shall take all steps that may be required to cause any dispositions of Company Common Stock (including derivative securities with respect to Company Common Stock) or acquisitions of Parent Common Shares (including derivative securities with respect to Parent Common Shares) resulting from the transactions contemplated by Section 1 and Section 5.5 by each individual who is, or as a result of the Contemplated Transactions will be, subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to Parent or the Company, to be exempt under Rule 16b-3 promulgated under the Exchange Act, to the extent permitted by applicable Legal Requirements.

5.14 Takeover Statutes and Rights. If any Takeover Statute is or may become applicable to this Agreement, the Merger or any of the other Contemplated Transactions, the Company and the board of directors of the Company shall use their reasonable best efforts to grant such approvals and take such actions as are necessary so that such transactions may be consummated as promptly as practicable on the terms contemplated by this Agreement and

otherwise act to eliminate or minimize the effects of such Takeover Statute on this Agreement, the Merger and the other Contemplated Transactions.

(a) Parent shall, and shall cause its Subsidiaries to, and shall use reasonable best efforts to cause its and their respective Representatives (other than Parent's financial advisor) to, subject to the terms of this Agreement (including Parent's right to obtain Permitted Alternative Debt Financing), use reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary or advisable to arrange and obtain the Debt Financing as soon as reasonably practicable and, in any event, not later than the date the Closing is required to be effected in accordance with Section 1.3, where applicable, on the terms and conditions (as such terms may be modified or adjusted in accordance with the terms, and within the limits, of the flex provisions contained in any Fee Letter) contemplated by the Debt Commitment Letter, including using reasonable best efforts to: (i) negotiate, enter into and deliver definitive agreements with respect to the Debt Financing, where applicable, on the terms and conditions (as such terms may be modified or adjusted in accordance with the terms, and within the limits, of the flex provisions contained in any Fee Letter) contemplated by the Debt Commitment Letter (the Definitive Debt Financing Agreements); (ii) satisfy on a timely basis all terms, conditions and covenants applicable to Parent and Merger Sub, including with respect to the payment of any commitment, engagement or placement fees, in the Debt Commitment Letter and the Definitive Debt Financing Agreements to the extent the failure to do so would result in a failure of a condition precedent to the availability of the Debt Financing; (iii) seek to enforce its rights with respect to funding under the Debt Commitment Letter and the Definitive Debt Financing Agreements in the event of a breach thereof by the Financing Sources party thereto; and (iv) maintain in effect the Debt Commitment Letter or, if applicable, the Definitive Debt Financing Agreements until the earliest to occur of the Closing, the funding of the Debt Financing thereunder or the valid termination of this Agreement. Notwithstanding anything to the contrary contained in this Agreement, Parent shall have the right, at any time and from time to time, to amend, restate, supplement or otherwise modify, or waive any of its rights under, the Debt Commitment Letter or any Definitive Debt Financing Agreement and/or substitute other debt financing for all or any portion of the Committed Debt Financing from the same and/or alternative financing sources (a Permitted Alternative Debt Financing); *provided, however*, that Parent shall not amend, restate, supplement or otherwise modify, or waive any provision of, the Debt Commitment Letter (including by entry into any Definitive Debt Financing Agreements), any Fee Letter or any Definitive Debt Financing Agreement, and shall not substitute any portion of the Debt Financing with any Permitted Alternative Debt Financing, in each case, without the prior written consent of the Company, if such amendment, restatement, supplement or other modification or waiver or such substitution would (A) reduce the aggregate amount of the Debt Financing (including by increasing the amount of fees to be paid or the original issue discount) to an amount below the amount needed, when taken together with all other sources of cash available to Parent, to satisfy the Financing Uses or (B) impose new or additional conditions, or otherwise amend, modify or expand any conditions, to the initial funding of the Debt Financing in a manner that would (1) delay or prevent the funding of the Debt Financing in at least the amount needed, when taken together with all other sources of cash available to Parent, to satisfy the Financing Uses or (2) adversely impact the ability of Parent to (aa) enforce its rights against the other parties to the Debt Commitment Letter or the Definitive Debt Financing Agreements or (bb) timely consummate the Contemplated Transactions (it being understood that Parent or Merger Sub may add financing sources in accordance with the terms of the Debt Commitment Letter or the Definitive Debt Financing Agreements (in compliance with clause (B) above) and implement any flex provisions set forth in any Fee Letter, in each case, without the Company's consent). For purposes of this Agreement, the term Debt Commitment Letter shall include any commitment letter entered into by Parent or any of its Subsidiaries in connection with any Permitted Alternative Debt Financing (and the term Fee Letter shall include any related fee letter); and the term Definitive Debt Financing Agreements shall include any definitive agreement with respect to any Permitted Alternative Debt Financing.

(b) If (i) the commitments with respect to all or any portion of the Committed Debt Financing expire or are terminated or all or any portion of the Committed Debt Financing becomes unavailable on the terms and conditions (including any flex provisions) contemplated in the Debt Commitment Letter (in each case other than on account of (x) any

Permitted Alternative Debt Financing having been obtained or (y) the commitments with respect to such Committed Debt Financing set forth in the Debt Commitment Letter being replaced with

commitments set forth in the Definitive Debt Financing Agreements) or (ii) Parent has replaced the Committed Debt Financing with Permitted Alternative Debt Financing and the commitments with respect to all or any portion of such Permitted Alternative Debt Financing expire or are terminated or all or any portion of such Permitted Alternative Debt Financing becomes unavailable on the terms and conditions (including any flex provisions) contemplated in the Debt Commitment Letter with respect to such Permitted Alternative Debt Financing (in each case other than on account of the commitments with respect to such Permitted Alternative Debt Financing set forth in the Debt Commitment Letter with respect thereto being replaced with commitments set forth in the Definitive Debt Financing Agreements), Parent shall (A) promptly notify the Company of such event and the reasons therefor and (B) use its reasonable best efforts to, as promptly as practicable following the occurrence of such event (but no later than the third Business Day prior to the Outside Date), arrange and obtain, at its sole expense, from alternative sources of debt financing in an amount sufficient, when taken together with all other sources of cash available to Parent, to satisfy the Financing Uses (a Required Alternative Debt Financing), on terms and conditions (including any flex provisions) that (1) are not materially less favorable to Parent than the Committed Debt Financing set forth in the Debt Commitment Letter and (2) would not adversely affect the ability of Parent to timely consummate the Merger. Parent shall promptly provide the Company with an accurate and complete copy of each executed commitment letter and any related fee letter(s) (with only the fee amounts and other pricing or commercially sensitive amounts that do not adversely affect the enforceability, availability or conditionality of, or the aggregate amount of proceeds available under (excluding the effect of original issue discount or upfront fees), the Debt Financing referred to therein permitted to be redacted) in respect of such Required Alternative Debt Financing. For purposes of this Agreement: (aa) the term Debt Commitment Letter shall include any commitment letter entered into by Parent or any of its Subsidiaries in connection with any Required Alternative Debt Financing (and the term Fee Letter shall include any related fee letter); and (bb) the term Definitive Debt Financing Agreements shall include any definitive agreements with respect to any Required Alternative Debt Financing.

(c) Parent shall, and shall use its reasonable best efforts to cause its Representatives (other than Parent's financial advisor) to, keep the Company informed as promptly as practicable in reasonable detail of the status of its efforts to arrange the Debt Financing. Without limiting the generality of the foregoing, Parent shall (i) furnish the Company with executed copies of any amendments to the Debt Commitment Letter (with any fee letter redacted in a customary manner) and all Definitive Debt Financing Agreements promptly upon their execution and (ii) give the Company prompt (and in any event, within two Business Days after becoming aware thereof) written notice (A) of any actual or potential default or material breach (or any event that, with or without notice, lapse of time or both, would give rise to any default or material breach) under the Debt Commitment Letter or the Definitive Debt Financing Agreements by any party thereto, in each case, of which Parent becomes aware, (B) of any oral or written repudiation of, or indication by any Financing Source that it will not provide, or if it refuses to provide, all or any portion of the Debt Financing contemplated by the Debt Commitment Letter or the Definitive Debt Financing Agreements on the terms and conditions set forth therein, in each case, of which Parent becomes aware, (C) of any expiration or termination of the Debt Commitment Letter, other than in connection with (x) any Permitted Alternative Debt Financing having been obtained or (y) the commitments with respect to such Committed Debt Financing set forth in the Debt Commitment Letter being replaced with commitments with respect thereto set forth in the Definitive Debt Financing Agreements (D) of the receipt of any written notice from any Person with respect to any material dispute or disagreement between or among any parties to the Debt Commitment Letter or any Definitive Debt Financing Agreement relating to the availability of the Debt Financing on or prior to the Closing Date and (E) if for any reason Parent believes in good faith that it will not be able to obtain all or any portion of the Debt Financing on the terms and conditions, in the manner or from the sources contemplated by the Debt Commitment Letter or the Definitive Debt Financing Agreements, as the case may be, to the extent such Debt Financing is needed, when taken together with all other sources of cash available to Parent, to satisfy the Financing Uses.

(d) On the Closing Date, Parent shall provide all funds required to effect the repayment of all indebtedness under the Company Credit Agreement in full in accordance with the terms of any payoff letter delivered to Parent by the Company with respect to the Company Credit Agreement.

(viii) assist Parent with Parent's preparation of pro forma financial statements and projections that are necessary to satisfy any condition to the Debt Financing or that are customarily included in Marketing Materials (provided that the

Acquired Companies and their Representatives shall not be responsible for the preparation of such pro forma financial statements (or any related pro forma adjustments) or such projections);

Parent shall indemnify and hold harmless the Company and the other Acquired Companies and their respective Representatives from and against any and all losses, damages, claims, costs, expenses (including attorney's fees), awards, judgments and penalties suffered or incurred by any of them in connection with the Debt Financing and any information used in connection therewith (other than any information provided in writing by any Acquired Company expressly for use in connection therewith) or providing the assistance contemplated by this Section 5.15, except (i) to the extent suffered or incurred as a result of any Acquired Company's or any of its Representatives' bad faith, fraud, intentional misrepresentation or willful misconduct, as finally determined by a court of competent jurisdiction or (ii) with respect to any material misstatement or omission in any information provided hereunder by any of the foregoing Persons expressly for use in connection therewith.

In addition, our commercial banking affiliate is an agent bank and a lender under outstanding credit facilities of the Company, for which it receives customary compensation or other financial benefits. ANNEX E

DGCL § 262 Appraisal rights

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to § 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in 1 or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to § 251 (other than a merger effected pursuant to § 251(g) of this title and, subject to paragraph (b)(3) of this section, § 251(h) of this title), § 252, § 254, § 255, § 256, § 257, § 258, § 263 or § 264 of this title:

(1) Provided, however, that, except as expressly provided in § 363(b) of this title, no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of the meeting of stockholders to act upon the agreement of merger or consolidation, were either: (i) listed on a national securities exchange or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in § 251(f) of this title.

(2) Notwithstanding paragraph (b)(1) of this section, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§ 251, 252, 254, 255, 256, 257, 258, 263 and 264 of this title to accept for such stock anything except:

- a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;
- b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or held of record by more than 2,000 holders;
- c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a. and b. of this section; or
- d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing paragraphs (b)(2)a., b. and c. of this section.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 251(h), § 253 or § 267 of this title is not owned by the parent immediately prior to the merger, appraisal rights shall be available for

the shares of the subsidiary Delaware corporation.

(4) In the event of an amendment to a corporation's certificate of incorporation contemplated by § 363(a) of this title, appraisal rights shall be available as contemplated by § 363(b) of this title, and the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as practicable,

with the word *amendment* substituted for the words *merger or consolidation*, and the word *corporation* substituted for the words *constituent corporation* and/or *surviving or resulting corporation*.

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the provisions of this section, including those set forth in subsections (d), (e), and (g) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for notice of such meeting (or such members who received notice in accordance with § 255(c) of this title) with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) of this section that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228, § 251(h), § 253, or § 267 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section and, if 1 of the constituent corporations is a nonstock corporation, a copy of § 114 of this title. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice or, in the case of a merger approved pursuant to § 251(h) of this title, within the later of the consummation of the offer contemplated by § 251(h) of this title and 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice or, in the case of a merger approved pursuant to § 251(h) of this title, later than the later of the consummation of the offer contemplated by § 251(h) of this title and 20 days following the sending of the first notice, such second notice need only be sent to each

stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) of this section hereof and who is otherwise entitled to appraisal rights, may commence an appraisal proceeding by filing a petition in the Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) of this section hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) of this section hereof, whichever is later. Notwithstanding subsection (a) of this section, a person who is the beneficial owner of shares of such stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition or request from the corporation the statement described in this subsection.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder. If immediately before the merger or consolidation the shares of the class or series of stock of the constituent corporation as to which appraisal rights are available were listed on a national securities exchange, the Court shall dismiss the proceedings as to all holders of such shares who are otherwise entitled to appraisal rights unless (1) the total number of shares entitled to

appraisal exceeds 1% of the outstanding shares of the class or series

eligible for appraisal, (2) the value of the consideration provided in the merger or consolidation for such total number of shares exceeds \$1 million, or (3) the merger was approved pursuant to § 253 or § 267 of this title.

(h) After the Court determines the stockholders entitled to an appraisal, the appraisal proceeding shall be conducted in accordance with the rules of the Court of Chancery, including any rules specifically governing appraisal proceedings. Through such proceeding the Court shall determine the fair value of the shares exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. Unless the Court in its discretion determines otherwise for good cause shown, and except as provided in this subsection, interest from the effective date of the merger through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective date of the merger and the date of payment of the judgment. At any time before the entry of judgment in the proceedings, the surviving corporation may pay to each stockholder entitled to appraisal an amount in cash, in which case interest shall accrue thereafter as provided herein only upon the sum of (1) the difference, if any, between the amount so paid and the fair value of the shares as determined by the Court, and (2) interest theretofore accrued, unless paid at that time. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, proceed to trial upon the appraisal prior to the final determination of the stockholders entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just; provided, however that this provision shall not affect the right of any stockholder who has not commenced an appraisal proceeding or joined that proceeding

as a named party to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation within 60 days after the effective date of the merger or consolidation, as set forth in subsection (e) of this section.
