PROXY STATEMENT

FOR THE 2018 ANNUAL MEETING OF STOCKHOLDERS

To Be Held On May 16, 2018 at 10:00 a.m., Eastern Daylight Time

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why am I receiving these materials?

The Board of Directors (the "Board") of The ExOne Company (we, the Company, or ExOne) is soliciting your proxy to vote at the 2018 Annual Meeting of Stockholders (the "Annual Meeting") to be held on May 16, 2018 at 10:00 a.m., Eastern Daylight Time, at ExOne's principal executive offices, 127 Industry Boulevard, North Huntingdon, Pennsylvania 15642.

You are invited to attend the Annual Meeting to vote on the proposals described in this Proxy Statement. However, you do not need to attend the meeting to vote your shares. If you are a registered holder, you may vote by telephone, over the Internet or by completing, signing and returning a proxy card to Broadridge by following the instructions on the card. If you hold your shares through a broker, bank or other nominee, you will receive voting instructions from your broker, bank or other nominee. Please follow the instructions that you receive to vote your shares.

We intend to mail to all stockholders of record entitled to vote at the Annual Meeting either the Internet Notice or a full set paper copy of this Proxy Statement, together with our 2017 Annual Report, the Notice of Annual Meeting and the accompanying proxy card on or about April 5, 2018.

Copies of our 2017 Annual Report furnished to our stockholders do not contain copies of exhibits to our Annual Report on Form 10-K for the year ended December 31, 2017. You can obtain copies of these exhibits electronically at the website of the Securities and Exchange Commission (the "SEC") at www.sec.gov or by mail from the Public Reference Section of the SEC at 100 F Street, N.E., Washington, D.C. 20549 at prescribed rates. The exhibits are also available as part of the Form 10-K for the year ended December 31, 2017 which is available on ExOne's corporate website at www.exone.com. Stockholders may also obtain copies of exhibits without charge by contacting our General Counsel and Corporate Secretary at (724) 863-9663.

We will also post this Proxy Statement, our 2017 Annual Report and the Notice of Annual Meeting on the Internet at [HTTP://WWW.PROXYVOTE.COM](http://WWW.PROXYVOTE.COM) on or about April 5, 2018, which you may access using your 16-digit control number.

Why did I receive an Internet Notice in the mail regarding the Internet availability of proxy materials instead of a full set paper copy of this Proxy Statement, the 2017 Annual Report and the Notice of Annual Meeting?

We are taking advantage of an SEC rule that allows companies to furnish their proxy materials over the Internet rather than in paper form. This rule allows a company to send some or all of its stockholders the Internet Notice. Instructions on how to access the proxy materials over the Internet or how to request a paper copy of proxy materials may be found in the Internet Notice.

If you would prefer to receive proxy materials (including a proxy card) in printed form by mail or electronically by email, please follow the instructions contained in the Internet Notice.

Table of Contents

Why didn't I receive an Internet Notice in the mail regarding the Internet availability of proxy materials?

The SEC rule that allows us to furnish our proxy materials over the Internet rather than in paper form does not require us to do so for all stockholders. We may choose to send certain stockholders the Internet Notice, while sending other stockholders a full set paper copy of our Proxy Statement, 2017 Annual Report, Notice of Annual Meeting and proxy card.

Who can vote at the Annual Meeting and when is the Record Date?

Only stockholders of record at the close of business on March 19, 2018 are entitled to vote at the Annual Meeting. On the record date, there were 16,202,119 shares of ExOne common stock (Common Stock) outstanding. All holders of these outstanding shares are entitled to one vote for each share of Common Stock held by them as of the close of business on March 19, 2018 for each matter to be voted on at the Annual Meeting.

How can I access the proxy materials over the Internet?

An electronic copy of this Proxy Statement, the 2017 Annual Report and the Notice of Annual Meeting are available with your 16-digit control number at [HTTP://WWW.PROXYVOTE.COM](http://WWW.PROXYVOTE.COM).

What proposals are being considered?

There are two matters scheduled for a vote at the Annual Meeting:

Proposal No. 1: Election of the six (6) nominees to the Board identified in Proposal No. 1, each for a term that expires at the 2019 Annual Meeting of Stockholders.

Proposal No. 2: Ratification of the appointment of Schneider Downs & Co., Inc. as ExOne's independent registered public accounting firm for the year ending December 31, 2018.

How do I vote?

For Proposal No. 1, you may vote **For** or **Against** each director nominee or you may **Abstain** from voting for any nominee. For Proposal No. 2, you may vote **For** or **Against** the proposal or **Abstain** from voting.

Stockholder of Record (Shares Registered in Your Name) If on March 19, 2018, your shares were registered directly in your name with ExOne's transfer agent, American Stock Transfer & Trust, LLP, then you are a stockholder of record with respect to those shares.

As a stockholder of record, you may vote by proxy by telephone, over the Internet or by returning a proxy card, or you may vote in person at the Annual Meeting. Regardless of whether you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

If you received your proxy materials in the mail, you may vote your shares by proxy over the Internet, by telephone or by returning your proxy card by mail in the envelope provided. Instructions to vote over the Internet or by telephone are printed on your proxy card. To vote using the proxy card, please complete, sign and date the enclosed proxy card and return it promptly to us. If you vote by proxy by telephone, over the Internet or by returning your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

To vote in person, please come to the Annual Meeting and we will give you a ballot when you arrive.

Beneficial Owner (Shares Registered in the Name of a Broker, Bank or Other Nominee) If on March 19, 2018, your shares were held in an account at a broker, bank, or other similar organization as your

Table of Contents

nominee, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting.

As a beneficial owner, you have the right to direct that organization on how to vote the shares in your account. Please refer to the voting instructions provided by your broker, bank or other nominee. Many organizations allow beneficial owners to give voting instructions via telephone or the Internet, as well as in writing. You also are invited to attend the Annual Meeting, but you will need to bring a copy of a brokerage statement reflecting stock ownership as of March 19, 2018. Because you are not the stockholder of record, you may not vote your shares in person at the meeting unless you provide a valid proxy (sometimes referred to as a legal proxy) from your broker, bank or other nominee.

How many votes do I have?

You have one vote for each share of Common Stock you own as of the close of business on March 19, 2018 for each matter to be voted on at the Annual Meeting. You may vote on each proposal presented for consideration at the Annual Meeting. There are no cumulative voting rights with respect to our Common Stock.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted **For** the election of each of the six (6) nominees for director, and **For** ratification of Schneider Downs & Co., Inc. as our independent registered public accounting firm for the year ending December 31, 2018. If any other matter is properly presented at the meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

What do I need to do to attend the Annual Meeting in person?

Space for the Annual Meeting is limited. Therefore, admission will be on a first-come, first-served basis. Registration will open at 9:45 a.m. Eastern Daylight Time, and the Annual Meeting will begin at 10:00 a.m. Each stockholder should be prepared to present:

1. Valid government issued photo identification, such as a driver's license or passport; and
2. Beneficial owners holding their shares through a broker, bank or other nominee will need to bring proof of beneficial ownership as of March 19, 2018, the record date, such as their most recent account statement reflecting their stock ownership prior to March 19, 2018, a copy of the voting instruction card provided by their broker, bank or other nominee, or similar evidence of ownership.

Use of cameras, recording devices, computers and other electronic devices, such as smart phones and tablets, are not permitted at the Annual Meeting. Photography and video are prohibited at the Annual Meeting.

Please allow ample time for check-in. Please note that large bags and packages are not allowed at the Annual Meeting. Persons may be subject to search.

Who is paying for this proxy solicitation?

ExOne will pay for the entire cost of soliciting proxies. In addition to ExOne mailing these proxy materials, ExOne's directors and employees also may solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. ExOne may reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

Table of Contents

What does it mean if I receive more than one set of proxy materials?

If you receive more than one set of proxy materials (including multiple Internet Notices or multiple copies of this Proxy Statement, Notice of Annual Meeting and proxy card), your shares are registered in more than one name or are registered in different accounts. Please make sure that you vote all of your shares by following the directions on each Internet Notice or proxy card.

Can I change my vote after submitting my proxy?

Yes. You can change your vote at any time before the final vote at the meeting.

If you are a stockholder of record, you may change your vote in any one of the following ways:

You may submit another properly completed proxy (including by telephone or over the Internet) with a later date.

You may send a written notice that you are revoking your proxy to our Corporate Secretary at The ExOne Company, 127 Industry Boulevard, North Huntingdon, Pennsylvania 15642.

You may attend the Annual Meeting and vote in person by ballot. Simply attending the meeting will not, by itself, revoke your proxy. If you are a beneficial owner of shares held in street name, you may change your vote in any one of the following ways:

You may submit new voting instructions to your broker, bank or other nominee.

If you have obtained a legal proxy from the broker, bank or other nominee that holds your shares giving you the right to vote the shares, by attending the Annual Meeting and voting in person.

How are votes counted?

We have designated a representative of Broadridge Financial Services as the inspector of elections who will validate the votes.

With respect to Proposal No. 1, the inspector of elections will count **For** votes and **Against** votes. Abstentions and broker non-votes will not be counted as having been voted on the proposal, nor will they affect the outcome of Proposal No. 1.

With respect to Proposal No. 2, the inspector of elections will count separately **For**, **Against** and **Abstain** votes and broker non-votes. **Abstain** votes will be counted towards the vote total for the proposal, and will have the same effect as **Against** votes. Because broker non-votes are not deemed to be votes entitled to be cast, they will not affect the outcome of Proposal No. 2.

See *How many votes are needed to approve each proposal?* for further details regarding the votes needed to approve each proposal.

What is a broker non-vote ?

If your shares are held by your broker, bank or other similar organization as your nominee (that is, in street name), you will need to follow the voting instructions provided by that organization on how to vote your shares. If you do not provide voting instructions, your shares may constitute broker non-votes. Generally, broker non-votes occur on a matter when a broker, bank or other nominee is not permitted to vote on that matter, including the election of directors, without instructions from the beneficial owner and instructions are not given.

Table of Contents

In tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal. Thus, while broker non-votes will be counted as present for the purpose of determining the presence of a quorum at the meeting, broker non-votes will **not** affect the outcome of any matter being voted on at the meeting.

How many votes are needed to approve each proposal?

Proposal No. 1. Directors will be elected by the vote of a majority of the shares cast with respect to the director at the Annual Meeting. This means that the number of votes cast **For** a director's election must exceed the number of votes cast **Against** that director's election. Stockholders may not cumulate votes in the election of directors. Abstentions and broker non-votes will not be counted as having been voted on the proposal, nor will they affect the outcome of this proposal.

Proposal No. 2. Ratification of the appointment of Schneider Downs & Co., Inc. as ExOne's independent registered public accounting firm for the year ending December 31, 2018 requires the affirmative vote of a majority of the shares represented at the Annual Meeting and entitled to vote on this matter. Abstentions will have the same effect as an **Against** vote. Because broker non-votes are not deemed to be votes entitled to be cast, they will not affect the outcome of this proposal.

What are the Board's voting recommendations?

Proposal No. 1: **For** election of each of the six (6) nominees to the Board.

Proposal No. 2: **For** ratification of the appointment of Schneider Downs & Co., Inc. as ExOne's independent registered public accounting firm for the year ending December 31, 2018.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if a majority of all outstanding shares entitled to vote is represented by stockholders present at the meeting or represented by proxy. On the record date, there were 16,202,119 shares of Common Stock outstanding and entitled to vote. This means that at least 8,101,060 shares must be represented by stockholders present at the meeting or represented by proxy to have a quorum. Your shares will be counted towards the quorum if you submit a valid proxy or vote at the meeting.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a Current Report on Form 8-K filed with the SEC within four business days following the Annual Meeting. In the event we are unable to obtain the final voting results within four business days, we will file the preliminary voting results in a Current Report on Form 8-K within four business days following the Annual Meeting, and will file an amended Current Report on Form 8-K with the final voting results within four business days after the final voting results are known.

How can stockholders submit a proposal for inclusion in our Proxy Statement for the 2019 Annual Meeting of Stockholders?

Our 2019 Annual Meeting of Stockholders will be held on May 15, 2019 at 10:00 a.m. To be included in our Proxy Statement for the 2019 Annual Meeting of Stockholders, stockholder proposals must comply with the requirements of Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). To be eligible for inclusion, such proposals must be received by ExOne by December 6, 2018, which is at least 120 calendar days before the anniversary date of the release of ExOne's Proxy Statement to stockholders in connection with the previous year's annual meeting.

Table of Contents

How can stockholders submit nominations of persons for election to the Board or proposals of business to be transacted by the stockholders for the 2019 Annual Meeting of Stockholders?

A stockholder of record may submit nominations of persons for election to the Board or proposals of business to be transacted by the stockholders only if he or she complies with Article III, Section 13 of our Amended and Restated Bylaws, as amended (the "Bylaws"). This section provides that a stockholder must give advance notice to our Corporate Secretary of any business, including nominations of directors for our Board, that the stockholder wishes to raise at the 2019 Annual Meeting of Stockholders at our principal executive offices (i) not earlier than 120 days prior to such meeting and (ii) at least 45 days prior to the anniversary date of the filing of ExOne's Proxy Statement with the SEC in connection with the previous year's annual meeting. Therefore, for the 2019 Annual Meeting, such notice must be received by ExOne no sooner than January 15, 2019 and no later than February 19, 2019.

With respect to a stockholder's nomination of a candidate for our Board, the stockholder notice to our Corporate Secretary must contain certain information as set forth in our Bylaws about both the nominee and the stockholder making the nomination. With respect to any other business that the stockholder proposes, the stockholder notice must contain a brief description of such business, the reasons for conducting such business at the meeting, any personal or other direct or indirect material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made, and certain other information specified in our Bylaws.

If you wish to bring a stockholder proposal or nominate a candidate for director, you are advised to review our Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

If a stockholder wishes only to recommend a candidate for consideration by the Nominating and Governance Committee as a potential nominee for director, see the procedures discussed in *Corporate Governance - Nominating and Governance Committee*.

What are the implications of being an emerging growth company?

We qualify as an emerging growth company as defined in the Jumpstart our Business Startups Act of 2012 (the JOBS Act). An emerging growth company may take advantage of specified reduced reporting requirements and is relieved of certain other significant requirements that are otherwise generally applicable to public companies.

As an emerging growth company:

We are exempt from the requirement to obtain an attestation and report from our independent registered public accounting firm on the assessment of our internal control over financial reporting pursuant to the Sarbanes-Oxley Act of 2002;

We are permitted to provide less extensive disclosure about our executive compensation arrangements;

We are not required to give our stockholders non-binding advisory votes on executive compensation or golden parachute arrangements; and

We have elected to use an extended transition period for complying with new or revised accounting standards.

We may choose to take advantage of some, but not all, of these reduced burdens. We will continue to operate under these provisions through December 31, 2018, or such earlier time that we are no longer an emerging growth company. We would cease to be an emerging growth company if we have more than \$1.07 billion in annual revenues, qualify as a large accelerated filer under the Exchange Act, which requires us to have more than \$700 million in market value of our Common Stock held by non-affiliates, or issue more than \$1.0 billion of non-convertible debt over a three-year period.

PROPOSAL 1 ELECTION OF DIRECTORS

General

This year, the Nominating and Governance Committee has selected six (6) nominees for election to the Board for consideration at the Annual Meeting; our Board has approved the nominees. All nominees are current members of the Board. Each nominee elected as a director at the Annual Meeting will continue to serve until the 2019 Annual Meeting of Stockholders, until his or her successor has been elected or qualified, or until his or her earlier death, resignation or removal.

Director Qualifications

Our Nominating and Governance Committee believes each member of our Board possesses the individual qualities necessary to serve on ExOne's Board, including high personal and professional ethical standards and integrity, honesty and good values. Our directors are highly educated and have diverse backgrounds and extensive track records of success in what we believe are highly relevant positions with large international companies, firms and major private and public institutions. Our directors have each demonstrated an ability to exercise sound judgment and have exhibited a commitment of service to ExOne and to the Board, and each of our directors possesses strong communication skills. In addition, we believe that each director brings the skills, experience and perspective that, when taken as a whole, create a Board that possesses the requirements necessary to oversee ExOne's business. Each nominee's particular experience, qualifications, attributes and skills that led the Board to conclude that such nominee should serve as a director for ExOne are set forth below under *Nominees*.

Vote Required

Directors will be elected by the vote of a majority of the shares cast with respect to the director at the Annual Meeting. This means that the number of votes cast **For** a director's election must exceed the total number of votes cast **Against** that director's election. Abstentions and broker non-votes will not be counted as having been voted on the proposal, nor will they affect the outcome of Proposal No. 1.

If a nominee is not elected, the director shall offer to tender his or her resignation to the Board. The Nominating and Governance Committee of the Board will make a recommendation to the Board as to whether to accept or reject the resignation, or whether other action should be taken. The Board will act on the Nominating and Governance Committee's recommendation and publicly disclose its decision and rationale within 90 days following the date of the certification of the election results. The director who tenders his or her resignation will not participate in the Board's decision with respect to that resignation.

The proxy holders intend to vote all proxies received by them **For** the nominees listed below unless otherwise instructed. In the event that any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who may be designated by the current Board to fill the vacancy. As of the date of this Proxy Statement, the Board is not aware that any nominee is unable or will decline to serve as a director.

The Board Recommends a Vote FOR the Election of Each Director Nominee.

Table of Contents**Nominees**

The following is a description of each nominee (in alphabetical order) for election to the Board:

Name	Age	Experience and Qualification

CORPORATE GOVERNANCE

Highlights of Our Corporate Governance Practices

Our Board is committed to establishing and maintaining corporate governance policies and practices that are appropriate for a company like ExOne. Highlights of our implemented measures include:

Strong independent Lead Director and enhanced use of independent committees to ensure a balanced process;

Annual election of directors;

Majority voting standard for non-contested election of directors;

Supermajority of independent directors on the Board (4 out of 6 independent directors upon election at 2018 Annual Meeting);

100% independent members on Audit, Compensation and Nominating and Governance Committees;

Stock retention policy for directors and executive officers;

Anti-hedging and anti-pledging policies for directors and executive officers;

Clawback policy for restatement of financial statements;

Succession and executive talent planning at the Board level;

Strong ethics policy, whistleblower policy and international policies on import and export matters;

Process for review and approval of related person transactions;

Board compensation in form and amount appropriate for our size and state of development; and

Annual Board self-evaluation process.

Structure and Size of the Board

Our Board may establish the authorized number of directors from time-to-time by resolution, as permitted under our Bylaws. Currently, the Board has established that the Board will have six (6) members. Our current directors, if elected at the Annual Meeting, will continue to serve until the 2019 Annual Meeting of Stockholders, until his or her successor has been elected or qualified, or until his or her earlier death, resignation or removal.

Independence of the Board and Committees

A majority of our directors are independent under the applicable rules of NASDAQ. The Board determined in February 2018 that Messrs. Pashke, Semple and Strome and Ms. Wachtel each qualify as independent directors in accordance with the published listing requirements of NASDAQ.

As required by the NASDAQ rules, the Board has made a subjective determination as to each independent director that no relationships exist which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the directors reviewed and discussed information provided by the directors and ExOne with regard to each director's business and personal activities as they may relate to us and our management.

Upon the election of the directors at the 2018 Annual Meeting, we will have four (4) out of six (6) independent directors on the Board, and each committee will have only independent members.

Table of Contents

Board Leadership Structure and Our Independent Lead Director

Our Bylaws give the Board the flexibility to determine whether the roles of Chief Executive Officer and Board Chairman should be held by the same person or by two separate individuals. In August 2016, our Board made the decision to split the roles of Chairman and Chief Executive Officer, and appointed S. Kent Rockwell to serve as Executive Chairman and James L. McCarley to serve as our Chief Executive Officer.

Mr. Rockwell's role as Executive Chairman is to focus on the strategy of the Company and its business and leading the Board. As the founder of the Company and former Chief Executive Officer, the Board believes that Mr. Rockwell is uniquely positioned to continue to take the lead on strategic planning for the Company, management succession issues and leading the Board while transitioning away from handling the Company's daily operations. As the leader of the Board, Mr. Rockwell continues to set Board agendas and lead Board meetings. As part of this transition, the Board appointed Mr. McCarley as the Chief Executive Officer, who oversees and leads the Company's operations and business.

The Board also has elected Mr. Semple to serve as the Lead Director of our independent directors, which is an important role for our Company because he provides leadership to the Board if circumstances arise in which Mr. Rockwell (who is also a significant stockholder) may be, or may be perceived to be, in conflict with the Company. As the Lead Director, Mr. Semple also:

Regularly meets with and assists Mr. Rockwell in preparing for meetings of the Board;

Presides at executive sessions of the independent directors;

Chairs certain meetings when the Executive Chairman is not in attendance;

Serves as a liaison between the other independent directors and Mr. Rockwell;

Guides the Board's governance processes, including annual self-evaluations, succession planning and other governance related matters;

May call meetings of the independent directors in his discretion;

Makes himself available for consultation and direct communication with our major stockholders; and

Performs any other functions as the Board may direct.

Each meeting of the Board includes a meeting of the independent directors (led by our Lead Director), which takes place without any members of management or employees present.

Risk Oversight Management

Our management is responsible for the day-to-day management of the risks that we face including, without limitation, strategic, financial, operational, legal/compliance and reputational risks.

Our Board, as a whole, has responsibility for the oversight of enterprise risk management, and our Audit Committee is responsible for overseeing the process by which management assesses and manages our exposure to risk, as well as our major financial risk exposures and the steps management takes to monitor and control such exposures, based on consultation with our management and independent auditors. The Board's and Audit Committee's oversight roles are supported by management reporting processes that are designed to provide the Board and the Audit Committee insight into the identification, assessment and management of critical risks. The Board receives regular updates related to risks

and risk management.

Table of Contents**Information Regarding the Board and its Committees**

Pashke and Strome and Ms. Wachtel, each of whom is independent for Audit Committee purposes under the rules and regulations of the SEC and the listing standards of NASDAQ. Mr. Strome currently chairs the Audit Committee.

Edgar Filing: ExOne Co - Form DEF 14A

The Board has determined that Mr. Strome is an audit committee financial expert as defined in Item 407(d)(5)(ii) of Regulation S-K and that he, therefore, also satisfies the financial sophistication requirement of the NASDAQ rules. The designation does not impose on Mr. Strome any duties, obligations or liabilities that are greater than are generally imposed on him as a member of the Audit Committee and the Board.

Compensation Committee

The Compensation Committee is charged with the following responsibilities, among others:

Reviewing and approving annually the corporate goals and objectives applicable to the compensation of the Chief Executive Officer, evaluating at least annually the Chief Executive Officer's performance in light of those goals and objectives, and determining and approving the Chief Executive Officer's compensation level based on this evaluation;

Reviewing and approving or providing recommendations with respect to any employment agreements or severance arrangements or plans, including any benefits to be provided in connection with a change in control, for the Chief Executive Officer and other executive officers;

Determining stock ownership guidelines for the Chief Executive Officer and other executive officers and monitoring compliance with such guidelines;

Reviewing and approving or providing recommendations with respect to all employee benefit plans;

Reviewing the Company's incentive compensation arrangements to determine whether they encourage excessive risk-taking, reviewing and discussing at least annually the relationship between risk management policies and practices and compensation, and evaluating compensation policies and practices that could mitigate any such risk;

Reviewing and recommending for Board approval the proposals regarding "say-on-pay" and the frequency of the "say-on-pay" vote, if required to be included in the Company's Proxy Statement; and

Developing and recommending to the Board for approval officer succession plans and monitoring and updating such plans as needed. During 2017, the Compensation Committee met six (6) times. The current members of our Compensation Committee are Messrs. Semple and Strome and Ms. Wachtel, each of whom is independent for Compensation Committee purposes under the rules and regulations of the SEC and the listing standards of NASDAQ. Ms. Wachtel currently chairs the Compensation Committee. Each of the members also is a non-employee director within the meaning of Rule 16b-3 of the Exchange Act.

Neither our Executive Chairman nor Chief Executive Officer participates in the determination of his own compensation or the compensation of directors. However, each makes recommendations to the Compensation Committee regarding the amount and form of the compensation of the other executive officers and key employees, and each participates in the Compensation Committee's deliberations about the compensation of the other executive officers and key employees. No other executive officers or employees participate in the determination of the amount or form of the compensation of executive officers or directors.

In 2017, the Compensation Committee did not engage an independent compensation consultant to advise it.

The Compensation Committee shall have the authority to delegate any of its responsibilities, along with the authority to take action in relation to such responsibilities, to one or more subcommittees as the Compensation Committee may deem appropriate in its sole discretion. The Compensation Committee reviews its charter annually to ensure that it complies with NASDAQ listing requirements.

Compensation Committee Interlocks and Insider Participation

None of Ms. Wachtel, Mr. Strome, or Mr. Semple, the current members of our Compensation Committee, has been an officer or employee of ExOne. None of our executive officers has served as a member of a compensation committee or the board of directors of any other entity that has an executive officer serving as a member of our Board or our Compensation Committee.

Nominating and Governance Committee

The Nominating and Governance Committee of our Board is charged with the following responsibilities, among others:

Determining qualifications, qualities, skills, and other expertise required to be a director and developing and recommending to the Board for its approval, criteria to be considered in selecting nominees for director;

Identifying and recommending candidates to fill vacancies on the Board and for election by the stockholders;

Recommending committee assignments for directors to the Board;

Monitoring and assessing the performance of the Board and individual non-employee directors;

Reviewing compensation received by directors for service on the Board and its committees; and

Developing and recommending to the Board appropriate corporate governance policies, practices and procedures for our Company. During 2017, the Nominating and Governance Committee met four (4) times. The current members of our Nominating and Governance Committee are Messrs. Semple, Pashke and Strome, each of whom is independent under the listing standards of NASDAQ. Mr. Semple currently chairs the Nominating and Governance Committee.

Director Nomination Process

The Nominating and Governance Committee believes that members of the Board should have certain minimum qualifications, including having the highest professional and personal ethics and values, broad experience at the policy-making level in business, government, education, technology or public interest, a commitment to enhancing stockholder value, and sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. The Nominating and Governance Committee also considers such other guidelines and various relevant career experience, relevant skills, financial expertise, diversity and local and community ties. While we do not maintain a formal policy requiring the consideration of diversity in identifying nominees for director, diversity is, as noted above, one of the factors our Nominating and Governance Committee considers in conducting its assessment of director nominees. We view diversity expansively to include those attributes that we believe will contribute to a Board that, through a variety of backgrounds, viewpoints, professional experiences, skills, educational experiences and other such attributes, is best able to guide ExOne and its strategic direction. Candidates for director nominees are reviewed in the context of the current make-up of the Board. The Nominating and Governance Committee will conduct any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Governance Committee meets to discuss and consider such candidates' qualifications and then selects a nominee for recommendation to the Board.

The Nominating and Governance Committee will consider director candidates recommended by stockholders, although a formal policy has not been adopted with respect to consideration of such candidates because stockholder recommendations may be informally submitted and considered by the Nominating and Governance Committee under its charter. Director candidates recommended by stockholders will be evaluated by the Nominating and Governance Committee using the same criteria as candidates identified by the Board or the Nominating and Governance Committee for consideration. If a stockholder of ExOne wishes to recommend a director candidate for consideration by the Nominating and Governance Committee, the stockholder should refer to page 6 of this Proxy Statement for information regarding advance notice. The stockholder recommendation should be delivered to the Corporate Secretary of ExOne at our principal executive offices and should include:

Edgar Filing: ExOne Co - Form DEF 14A

To the extent reasonably available, information relating to such director candidate that would be required to be disclosed in a proxy statement pursuant to Regulation 14A under the Exchange Act, in which such individual is a nominee for election to the Board;

Table of Contents

The director candidate's written consent to (i) if selected, be named in ExOne's Proxy Statement and proxy; and (ii) if elected, serve on the Board; and

Any other information that such stockholder believes is relevant in considering the director candidate.

Our Board has adopted a code of ethics and business conduct. The code of ethics and business conduct applies to all of our employees, officers and directors. The full text of our code of ethics and business conduct is posted on our website at www.exone.com under the Corporate Governance section within the Investor Relations section. We will disclose any future amendments to the code of ethics and business conduct that relate to our executive officers on our website, as well as any waivers of the code of ethics and business conduct that relate to the executive officers of ExOne.

Related Person Transactions***Revolving Credit Facility with LBM Holdings, LLC***

On March 12, 2018, the Company and its ExOne Americas LLC and ExOne GmbH subsidiaries, as guarantors (collectively, the "Loan Parties"), entered into a Credit Agreement and related ancillary agreements with LBM Holdings, LLC ("LBM"), a company controlled by Mr. Rockwell, our Executive Chairman (a related person), relating to a \$15,000,000 revolving credit facility (the "Credit Agreement") to provide additional funding for working capital and general corporate purposes. The Credit Agreement provides for a term of three years (through March 12, 2021) and bears interest at a rate of one month LIBOR plus an applicable margin of 500 basis points (approximately 6.7% at inception). The Credit Agreement requires a commitment fee of 75 basis points, or 0.75%, on the unused portion of the facility, payable monthly in arrears. In addition, an up-front commitment fee of 125 basis points, or 1.25% (approximately \$187,500), was required at closing. Borrowings under the Credit Agreement are required to be in minimum increments of \$1,000,000. The Company may terminate or reduce the credit commitment at any time during the term of the Credit Agreement without penalty. The Company may also make prepayments against the Credit Agreement at any time without penalty. Borrowings under the Credit Agreement have been collateralized by the accounts receivable, inventories and machinery and equipment of the Loan Parties. The total estimated value of collateral was in significant excess of the maximum capacity of the Credit Agreement at inception. Prior to entering into the credit facility with LBM, the Audit Committee approved the transaction pursuant to The ExOne Company Policy and Procedures with Respect to Related Person Transactions. There have been no borrowings under the Credit Agreement since its inception.

At the time of execution of the Credit Agreement, the \$15,000,000 in available loan proceeds were deposited into an escrow account with an unrelated, third party financial institution pursuant to a separate Escrow Agreement by and among the parties. Loan proceeds held in escrow will be available to us upon our submission to the escrow agent of a loan request. Such proceeds will not be available to LBM until payment in-full of the obligations under the Credit Agreement and termination of the Credit Agreement. Payments of principal and other obligations will be made to the escrow agent, while interest payments will be made directly to LBM. Provided there exists no potential default or event of default, the Credit Agreement and Escrow Agreement prohibit any acceleration of repayment of any amount outstanding under the Credit Agreement and prohibit termination of the Credit Agreement or withdrawal from escrow of any unused portion of the Credit Agreement.

Aggregate grant date fair value of stock award was computed in accordance with FASB ASC Topic 718 and using the valuation methodology for equity awards set forth in Note 16 of our consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2017. As of December 31, 2017, each of Messrs. Irvin, Pashke, Semple and Strome and Ms. Wachtel owned 5,000 shares of unvested restricted stock.
- (3) The Board accepted the resignation of Mr. Kilmer on October 17, 2017. The Compensation Committee modified Mr. Kilmer's annual director award of restricted stock made on February 10, 2017, resulting in an acceleration of vesting on October 17, 2017, of an approximate pro rata amount of 4,000 shares of the 5,000 shares that otherwise would have vested on February 10, 2018. Mr. Rockwell, as an officer of the Company, does not receive any additional compensation for serving as a director.

COMPENSATION OF NAMED EXECUTIVE OFFICERS

As an emerging growth company, ExOne is permitted to exclude a Compensation Discussion and Analysis from this Proxy Statement and to omit some disclosure on compensation that is required of non-emerging growth companies. In addition, as an emerging growth company ExOne is not required to conduct a "say-on-pay" advisory vote on executive compensation.

Compensation Discussion and Analysis

The Compensation Committee and management provide the following Compensation Discussion and Analysis on a voluntary basis.

For purposes of this discussion, we define "Named Executive Officers" to include James L. McCarley, Brian Smith, Mark Cianci, JoEllen Lyons Dillon and S. Kent Rockwell. Disclosure about executive compensation is required in this Proxy Statement for:

each person who served as our Chief Executive Officer in 2017 (Mr. McCarley),

each of the next two most highly compensated executive officers who were serving as executive officers as of December 31, 2017 (Messrs. Smith and Cianci), and

a former executive officer who would have qualified under the second bullet above but for the fact that the individual did not continue to serve as an executive officer as of December 31, 2017 (Ms. Dillon).

Disclosure of Mr. Rockwell's compensation is not required in this Proxy Statement and is being voluntarily provided by ExOne. Mr. Rockwell is not the next most highly compensated executive officer of ExOne.

Any references to "executive officers" include the executive officers listed in "Executive Officers of ExOne" section of this Proxy Statement.

Pay Philosophy

The Compensation Committee has responsibility for reviewing the compensation of ExOne's Executive Chairman and Chief Executive Officer as well as the other executive officers of the Company and making recommendations about this compensation to the Board.

In February 2018, the Compensation Committee codified ExOne's compensation goals and governing principals through adoption of a written Pay Philosophy Governing Executive Compensation (the "Pay Philosophy"). As described in the Pay Philosophy, ExOne's compensation program has three principal goals:

1. To attract and retain executives who can excel in our innovative, fast-changing and competitive industry;
2. To align the interests of management with creation of long-term shareholder value; and
3. To motivate and reward management for performance that advances ExOne's goals.

These goals are balanced and aligned with our plans to conserve cash for operations while the Company advances toward generating positive cash flows from operations.

Our compensation plan relies on a mix of base salary and equity compensation. We have not historically relied on a performance-based bonus plan because of the challenge in setting fixed targets in an immature and fast-changing market. The philosophy behind each component of executive officer compensation is as follows:

Salary. Salary is paid to attract and retain qualified executives, to recognize consistent good performance over a number of years, and to provide a base level of income regardless of fluctuations in the Company's stock price and performance. Our executive salaries are intended to be set at or below comparable positions in industry.

Table of Contents

Bonus. The Company may institute a performance-based bonus plan based on meeting financial or other predetermined objectives, to motivate and reward performance over a fiscal year, payable in cash, equity or a combination thereof under our 2013 Equity Incentive Plan (the "2013 Equity Incentive Plan").

Long-Term Equity Incentives. Our long-term incentives are typically granted in the form of restricted stock or stock options under our 2013 Equity Incentive Plan. They are intended to reward executives for the creation of shareholder value as reflected in a higher Company stock price and are also intended to encourage retention of high performing executives over a number of years.

Benefits. We provide our executives with other benefits that we believe are reasonable, competitive and consistent with our overall executive compensation program.

Retirement Benefits. Our executives may participate in the Company's 401(k) defined contribution employee savings and investment plan, in which the Company currently makes discretionary matching contributions of 50% of the first 8% of an executive's base salary, subject to applicable Internal Revenue Code limits and in accordance with plan documents. ExOne does not offer a pension plan or a supplemental retirement plan.

Limited Perquisites. The Company does not provide any perquisites to its Chief Executive Officer other than a company contribution to a 401(k) retirement plan described above. ExOne also provides a car allowance to Mr. Smith.

Significant Equity Ownership Creates Strong Alignment Between Our Leadership and Our Stockholders

We believe that the interests of ExOne's executive officers are strongly aligned with the interests of our stockholders through equity ownership. Our Executive Chairman, Mr. Rockwell, is ExOne's largest beneficial owner (as the beneficial owner of approximately 28.4% of our outstanding Common Stock as of March 19, 2018). In addition, certain of our other executive officers have invested their own money in ExOne and all of them have been granted equity incentive awards for their service to the Company. This ownership provides a strong foundation of alignment between ExOne stockholders and the ExOne management team.

2017 Compensation Considerations

For 2017, our Named Executive Officers received a combination of base salary and equity incentive awards with the exception of Mr. Rockwell who received only a salary. The Compensation Committee determined not to establish a short-term cash bonus or an annual incentive award plan for 2017.

Salary for each of our Named Executive Officers (except Mr. Rockwell) is based on the scope of the individual's responsibility, leadership skills, performance and length of service. Mr. Rockwell receives a salary of \$50,000 per year for his services as Executive Chairman.

The Compensation Committee elected to award stock options to Messrs. Cianci and McCarley, and restricted stock to Mr. Smith and Ms. Dillon, as incentive awards for 2017 with the goal of further aligning the interests of our executives with those of our stockholders as well as to retain and reward the executives for creating long-term value for our stockholders.

2013 Equity Incentive Plan

The Board adopted our 2013 Equity Incentive Plan on January 24, 2013. The 2013 Equity Incentive Plan was approved by stockholders on August 19, 2013. The purpose of the 2013 Equity Incentive Plan is to provide incentives to attract, retain and motivate eligible persons whose present and potential contributions are important to the success of ExOne and its subsidiaries, by offering them an opportunity to participate in ExOne's future performance through the grant of awards. The 2013 Equity Incentive Plan permits a variety of awards to be made at the discretion of the Compensation Committee including stock options, restricted stock, restricted stock units,

Table of Contents

stock bonus awards, performance awards and stock appreciation rights. The 2013 Equity Incentive Plan will terminate January 24, 2023, unless it is terminated earlier by our Board. The 2013 Equity Incentive Plan is administered by the Compensation Committee.

Equity grants under the 2013 Equity Incentive Plan are generally made two business days after the date of approval by the Compensation Committee. No person is eligible to receive more than 100,000 shares in any calendar year under the 2013 Equity Incentive Plan, except that ExOne may choose to issue a new employee up to 500,000 shares under the plan in the calendar year in which the employee commences employment. The total grant pool is determined with reference to industry practice and impact on the Company's capitalization. Total awards under the 2013 Equity Incentive Plan are limited by share count of no more than 1,992,241 shares, which is 15% of the Company's total outstanding shares immediately following its initial public offering. Individual awards are determined on a discretionary basis, principally with reference to an executive's responsibility, salary structure and performance. Restricted stock awarded under the 2013 Equity Incentive Plan is granted at fair market value and the exercise price of each stock option awarded under the 2013 Equity Incentive Plan is the closing price of ExOne stock on the date of grant. Equity grants are subject to vesting requirements as determined by the Committee.

2018 Annual Incentive Program

On February 7, 2018, the Compensation Committee adopted the 2018 senior executive annual incentive program (the *Program*), which is part of a comprehensive annual incentive compensation program that will be implemented throughout the Company.

The Program provides an opportunity for performance-based compensation to senior executive officers of the Company (excluding the Executive Chairman) (each an *Executive*), among others. The target annual incentive award for each Executive is expressed as a percentage of base salary—50% for the Chief Executive Officer and 35% for the other Executives. Achievement of the award will be conditioned on the Company meeting certain goals for 2018 relating to revenue growth, adjusted EBITDA (earnings before interest, taxes, depreciation and amortization) (as described below), total cash and restricted cash (net of any debt incurred) and stockholder value (collectively, the *Goals*). Adjusted EBITDA is defined as net income (loss), as calculated under accounting principles generally accepted in the United States, plus interest expense, provision (benefit) for income taxes, depreciation and amortization, equity-based compensation, and other (income) expense net. Added to adjusted EBITDA will also be certain qualifying research and development expenses, Program expenses and other costs.

An Executive will earn payment of the award based on achievement of the equally-weighted Goals, as then adjusted by a multiplier that could decrease or increase the award depending on the number of goals achieved. In no event may payment exceed 125% of the target annual incentive award for each Executive. The Compensation Committee retains negative discretion over final payment amounts.

Final payment will be made to the Executives 100% in common stock based on the closing stock price of the Company on the date of payment under the 2013 Equity Incentive Plan. The performance period begins January 1, 2018 and ends on December 31, 2018, and continued employment through the payment date is required.

Clawback Policy and Other Actions Available to ExOne for Misconduct

The Compensation Committee has adopted a clawback policy that enables ExOne to recover all or any portion of any Performance-Based Compensation granted or paid to any current or former Section 16 Officer, or in which any current or former Section 16 Officer became vested, at any time within the three (3) year period immediately preceding the date on which ExOne is required to prepare an accounting restatement due to material non-compliance with any financial reporting requirements under the securities laws, as determined by the Audit Committee and confirmed by our independent registered public accounting firm.

Table of Contents

In addition, in cases of detrimental misconduct by an executive officer, the Board may also take a range of other actions to remedy the misconduct, prevent its recurrence, and discipline the individual as appropriate, including, depending on the facts and circumstances, terminating the individual's employment. These remedies would be in addition to, and not in lieu of, any actions imposed by law enforcement agencies, regulators or other authorities.

Stock Retention Policy and Equity Grant Practices

Stock Retention Policy. The Compensation Committee has adopted a stock retention policy that requires our directors and our Section 16 executive officers to retain 50% of all shares received on the vesting of equity awards (net of any shares withheld or sold to pay exercise price or taxes). All shares must be retained for a period of at least one year after vesting. Once the one-year period has ended, directors and executives may sell shares so long as the director or executive holds a total minimum amount equal to two times such director's annual retainer or such executive's base salary.

Anti-hedging policy. We do not believe our executive officers or directors should speculate or hedge their interests in our stock. We therefore prohibit them (in our insider trading policy) from making short sales of ExOne stock or from purchasing or selling options, puts, calls, straddles, equity swaps or other derivative securities that are directly linked to ExOne stock.

Anti-pledging policy. In addition, our insider trading policy prohibits our executive officers and directors from pledging ExOne stock.

Equity grant practices. Equity grants are generally made two business days after the date of approval by the Compensation Committee. The exercise price of each stock option awarded under the 2013 Equity Incentive Plan is the closing price of ExOne stock on the date of grant. ExOne Board and committee meetings are generally scheduled at least a year in advance and without regard to unanticipated major company announcements.

Other Compensation Practices and Policies

Compensation Committee Oversees Executive Compensation and Succession Planning. The Compensation Committee has the primary responsibility for helping the Board develop and evaluate potential candidates for executive positions and for overseeing the development of executive succession plans. As part of this responsibility, the Compensation Committee oversees the design, development and implementation of the compensation program for the Chief Executive Officer and the other executive officers. Our Chief Executive Officer assists the Compensation Committee in administering our compensation program.

Use of Compensation Consultant. The Compensation Committee has previously engaged the use of a compensation consultant for special assignments but did not engage the services of a consultant in 2017.

Peer group comparisons. The Compensation Committee reviews many factors in setting pay. It does not target a peer group or percentile within a peer group in exercising judgment about the types and amounts of compensation the Company provides.

Employment Arrangements with Named Executive Officers

James L McCarley. In connection with Mr. McCarley's appointment as Chief Executive Officer, the Company entered into an employment agreement with Mr. McCarley, the initial term of which commenced on August 19, 2016 and terminates on December 31, 2018. Pursuant to the employment agreement, Mr. McCarley is entitled to receive an annual base salary of \$375,000, which may be adjusted by the Compensation Committee upon its annual review thereof, and he will be eligible to participate in any annual bonus plan or long-term incentive compensation plan maintained by the Company, in both cases on the terms established from

Table of Contents

time-to-time by the Company's Board of Directors or its Compensation Committee. Furthermore, under the employment agreement, Mr. McCarley may participate in all employee benefit and fringe benefit plans and arrangements made available by the Company to its executives and key management.

The employment agreement provides, among other matters, that if the executive resigns for good reason (as defined in the employment agreement) or is terminated without cause (as defined in the employment agreement) and in each such case has timely delivered a release of claims, he is entitled to receive, among other severance payments and benefits, an amount equal to one times his then-current base salary and a pro-rata portion of his bonus for the year of termination (subject to his compliance with the confidentiality, non-competition and non-solicitation restrictions set forth in the employment agreement) and payment of the executive's COBRA health insurance continuation premium for the COBRA continuation period (generally 18 months) or until such time as the executive is employed, whichever is earlier. The confidentiality provisions survive the termination of Mr. McCarley's employment with us and the non-competition and non-solicitation provisions survive for a period of one year following the termination of his employment.

Brian Smith. Mr. Smith is an at-will employee and does not have an individual employment, severance or change-of-control agreement.

Mark Cianci. Mr. Cianci was an at-will employee who resigned from the Company effective February 9, 2018.

S. Kent Rockwell. Our employment agreement with Mr. Rockwell automatically extended for an additional one year term ending on September 1, 2018, and will continue to automatically be extended for a new one-year term on each one year anniversary thereof unless not later than 90 days immediately preceding any anniversary, we or Mr. Rockwell has given written notice to the other that they do not wish to extend the employment agreement.

Under the employment agreement, Mr. Rockwell is entitled to receive an annual base salary, which may be adjusted by the Board upon its annual review thereof, and he is eligible to participate in an annual bonus plan on terms established from time-to-time by the Board. Mr. Rockwell currently receives a base salary of \$50,000. During the term of the employment agreement, Mr. Rockwell is eligible to participate in any long-term incentive plan, and in all employee benefit and fringe benefit plans and arrangements made available to the Company's employees generally or its executives.

The employment agreement provides, among other matters, that if the executive resigns for good reason (as defined in the employment agreement) or is terminated without cause (as defined in the employment agreement) and in each such case has timely delivered a release of claims, he is entitled to receive, among other severance payments and benefits, an amount equal to one times his then-current base salary, one times the target annual bonus amount (subject to his compliance with the confidentiality, non-competition and non-solicitation restrictions set forth in the employment agreement), a pro-rata portion of his target bonus for the year of termination and payment of the executive's COBRA health insurance continuation premium for the COBRA continuation period (generally 18 months) or until such time as the executive is employed, whichever is earlier. The confidentiality provisions survive the termination of Mr. Rockwell's employment with us and the non-competition and non-solicitation provisions survive for a period of two years following the termination of his employment.

JoEllen Lyons Dillon. We entered into an executive at-will employment agreement with Ms. Dillon on August 4, 2017, which replaced Ms. Dillon's previous employment agreement with the Company dated March 7, 2013. Pursuant to the executive at-will employment agreement, Ms. Dillon continued her employment with the Company in a new role as Vice President Strategic Development and Capital Markets, Chief Legal Officer and Corporate Secretary and was entitled to receive an annual base salary of \$300,000. In connection with the replacement of Ms. Dillon's prior employment agreement with the August 2017 agreement and her delivery of

Table of Contents

the related release and waiver, she received (i) a one-time cash payment in the amount of \$240,000 (the *Company Payment*), (ii) a grant of 15,000 fully-vested shares of the Company's common stock representing all bonus and long-term incentive plan compensation payable to Ms. Dillon for 2017 under the prior employment agreement, and (iii) a one-time cash payment in the amount of \$36,923 (less applicable withholdings) for all accrued but unpaid vacation as of June 30, 2017, and all other remaining benefits owed to Ms. Dillon under the prior employment agreement.

Ms. Dillon's employment under the employment agreement was at-will and on August 23, 2017, Ms. Dillon left the Company to pursue other interests and opportunities. Following the separation of Ms. Dillon from the Company, and after delivering to the Company a signed waiver and release of claims agreement, Ms. Dillon received: (i) salary continuation from the date of separation through December 31, 2017, (ii) cash payment for all accrued but unused vacation pay through her separation date, (iii) COBRA healthcare continuation for a period of up to 18 months following the separation date or such earlier date that Ms. Dillon is covered under another health plan, (iv) immediate acceleration of vesting of all outstanding shares of the Company's restricted stock awarded to Ms. Dillon under the 2013 Equity Incentive Plan, (v) reimbursement of certain expenses pursuant to Company policy, and (vi) survival of Ms. Dillon's change of control benefits, as described below. The confidentiality provisions of the employment survive the separation of Ms. Dillon from the Company and the non-competition and non-solicitation provisions survive for a period of one year following her separation. If a change of control of the Company occurs on or before December 31, 2018, and Ms. Dillon does not qualify for benefits under any such change of control severance plan, then Ms. Dillon may be entitled to receive a payment equal to two times her annual base salary less the amount of the Company Payment, and certain other conditions relating to the change of control and Ms. Dillon's separation are met, as described in the employment agreement.

Change of Control Severance Plan

In August 2017, the Compensation Committee adopted The ExOne Company Change of Control Severance Plan (the *Severance Plan*). The terms of the Severance Plan provide certain benefits to participants in the event of a change of control of ExOne. If a change of control occurs during the protection period (described below), and any of the participants either (i) has a voluntary termination of employment for good reason, or (ii) has an involuntary termination of employment, other than for death, disability or cause, then the participant is entitled to receive the following:

If the participant is designated as a Tier I employee under the Severance Plan, a one-time cash payment equal to two and a half times the participant's annual base salary and certain health and welfare benefits for 18 months after termination;

If the participant is designated as a Tier II employee under the Severance Plan, a one-time cash payment equal to two times the participant's annual base salary and certain health and welfare benefits for 18 months after termination; or

If the participant is designated as a Tier III employee under the Severance Plan, a one-time cash payment equal to one times the participant's annual base salary and certain health and welfare benefits for 18 months after termination.

The protection period begins on the date on which a definitive agreement that, if consummated, would result in a change of control (or if no agreement, the date of the change of control itself), and ends on the earlier of (i) the date which is 18 months following the occurrence of the change of control or (ii) the public announcement that the transaction contemplated by the definitive agreement will not take place.

If any participant designated as a Tier I employee under the Severance Plan has a voluntary termination of employment (with or without good reason) within 30 days following the date of a change of control, then the participant is entitled to receive a one-time cash payment equal to two times the participant's annual base salary.

Table of Contents

If any participant designated as a Tier II or Tier III employee under the Severance Plan has a voluntary termination of employment (with or without good reason) within 30 days following the 18-month anniversary of a change of control, then the participant is entitled to receive the following:

If the participant is designated as a Tier II employee under the Severance Plan, a one-time cash payment equal to nine months of the participant's monthly base salary; or

If the participant is designated as a Tier III employee under the Severance Plan, a one-time cash payment equal to six months of the participant's monthly base salary.

In addition to the cash payments described above, upon the occurrence of a change of control, 50% of any unvested stock options, restricted stock, restricted stock units or other equity based awards of ExOne held by a participant will immediately vest and become exercisable. The remaining 50% of such unvested awards held by the participant will vest and become exercisable pursuant to the terms of the awards, or immediately upon (i) voluntary termination of the participant's employment for good reason, or (ii) involuntary termination of the participant's employment, other than for death, disability or cause of the participant, if such termination occurs within 18 months following a change of control.

Under the Severance Plan, a "change of control" is defined as the occurrence of any of the following, so long as such event also constitutes a change in control event as defined under Section 409A of the Internal Revenue Code of 1986, as amended: (i) if any person is or becomes the beneficial owner, directly or indirectly, of the Company's securities representing greater than 50% of the combined voting power of the Company's then outstanding securities, (ii) during any period of two consecutive years, individuals who at the beginning of such period constitute the Board and any new directors whose election by the Board or nomination for election by the Company's stockholders was approved by at least two-thirds of the directors then still in office who either were directors at the beginning of the period or whose election was previously so approved, cease for any reason to constitute a majority thereof; (iii) the sale or disposition by the Company of all or substantially all the Company's assets; (iv) the stockholders of the Company approve a plan of complete liquidation or dissolution of the Company; or (v) the consummation of a merger, combination or consolidation of the Company with any other corporation or entity; provided, however, a change of control shall not be deemed to have occurred: (a) if such merger, combination or consolidation would result in all or a portion of the Company's voting securities outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) either directly or indirectly more than 50% of the combined voting power of the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation, or (b) if the corporate existence of the Company is not affected and following the merger or consolidation, the majority of the directors of the Company prior to such merger or consolidation constitute at least a majority of the Board or the entity that directly or indirectly controls the Company after such merger or consolidation.

No Section 280G excise tax gross-up or other tax gross-up is provided under the Severance Plan. Outside of the protection period, the Severance Plan is subject to termination or amendment by the Board or the Compensation Committee.

Among our Named Executive Officers, our Chief Executive Officer James McCarley is defined as a Tier I employee and no other Executives are expected to be named in this Tier. Our Chief Financial Officer, Brian Smith, is named as a Tier II employee.

**PROPOSAL 2 RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board has selected Schneider Downs & Co., Inc. as our independent registered public accounting firm for the year ending December 31, 2018, and has further directed that management submit the appointment of the independent registered public accounting firm for ratification by the stockholders at the Annual Meeting.

Representatives of Schneider Downs & Co., Inc. are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our Bylaws nor other governing documents or law require stockholder ratification of the appointment of Schneider Downs & Company, Inc. as our independent registered public accounting firm. However, the Board is submitting the appointment of Schneider Downs & Co., Inc. to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain that firm. Even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of ExOne and our stockholders.

Ratification of the appointment of Schneider Downs & Co., Inc. as ExOne's independent registered public accounting firm for the year ending December 31, 2018 requires the affirmative vote of a majority of the shares represented at the Annual Meeting and entitled to vote on this matter. Abstentions will have the same effect as an "Against" vote. Because broker non-votes are not deemed to be votes entitled to be cast, they will not affect the outcome of this proposal.

The Board Recommends a Vote FOR the Ratification of the Appointment of Schneider Downs & Co., Inc. as ExOne's Independent Registered Public Accounting Firm for the Year Ending December 31, 2018.

In addition, the Audit Committee discussed with Schneider Downs & Co., Inc. the matters required to be discussed by AS 16, *Communications with Audit Committees*, Rule 2-07, *Communication with Audit Committees*, of Regulation S-X, and other PCAOB Rules and Standards.

In addition, we received from and discussed with Schneider Downs & Co., Inc. the written disclosures and the letter required by PCAOB Rule 3526, *Communication With Audit Committees Concerning Independence*, and discussed Schneider Downs & Co., Inc.'s independence with them. Upon completing these activities, the Audit Committee concluded that Schneider Downs & Co., Inc. is independent from ExOne and its management.

ExOne's management is responsible for preparing our financial statements and ensuring they are complete and accurate and prepared in accordance with generally accepted accounting principles. Table of Contents**AUDIT FEES AND SERVICES****Changes in Independent Registered Public Accounting Firms**

The Audit Committee conducted a comprehensive, competitive process to determine the Company's independent registered public accounting firm for the year ending December 31, 2016. The Audit Committee considered a number of registered public accounting firms, and narrowed that group down to two firms, including Baker Tilly Virchow Krause, LLP, the Company's then-current independent registered public accounting firm. As a result of this process, effective March 24, 2016, the Audit Committee approved the engagement of Schneider Downs & Co., Inc. as the Company's independent registered public accounting firm for the year ending December 31, 2016, and dismissed Baker Tilly Virchow Krause, LLP from that role. Baker Tilly Virchow Krause, LLP's reports on the Company's consolidated financial statements as of and for the years ended December 31, 2015 and 2014, did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to the uncertainty, audit scope or accounting principles.

During the years ended December 31, 2015 and 2014, and the subsequent interim period through March 24, 2016, there were (i) no disagreements as that term is defined in Item 304(a)(1)(iv) of the SEC's Regulation S-K, between the Company and Baker Tilly Virchow Krause, LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, any of which that, if not resolved to Baker Tilly Virchow Krause, LLP's satisfaction, would have caused Baker Tilly Virchow Krause, LLP to make reference to the subject matter of any such disagreement in connection with its reports for such years and interim period and (ii) no reportable events within the meaning of Item 304(a)(1)(v) of the SEC's Regulation S-K during the years ended December 31, 2015 and 2014 and the subsequent interim period, except for the material weaknesses in internal control over financial reporting disclosed in the Company's Annual Reports on Form 10-K for the years ended December 31, 2015 and December 31, 2014. These material weaknesses were discussed by the Company's management and the Audit Committee with Baker Tilly Virchow Krause, LLP. The Audit Committee authorized Baker Tilly Virchow Krause, LLP to respond fully to the inquiries of Schneider Downs & Co., Inc., the Company's new independent registered public accounting firm, concerning these material weaknesses.

On March 25, 2016, the Company filed a Current Report on Form 8-K disclosing the appointment of Schneider Downs & Co., Inc. as its new independent registered public accounting firm and the related dismissal of Baker Tilly Virchow Krause, LLP from that role. The Company provided Baker Tilly Virchow Krause, LLP with a copy of the disclosures in the Current Report on Form 8-K prior to the time that it was filed with the SEC, and requested that Baker Tilly Virchow Krause, LLP furnish a letter addressed to the SEC stating whether or not it agrees with the statements made therein. A copy of Baker Tilly Virchow Krause, LLP's letter dated March 25, 2016 was attached as Exhibit 16.1 to that report.

Prior to engaging Schneider Downs & Co., Inc. on March 24, 2016, neither the Company nor anyone on its behalf consulted with Schneider Downs & Co., Inc. regarding (i) the application of accounting principles to a specific transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements and neither a written report nor oral advice was provided to the Company that Schneider Downs & Co., Inc. concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing, or financial reporting issue, (ii) any matter that was the subject of a disagreement within the meaning of Item 304(a)(1)(iv) of the SEC's Regulation S-K, or (iii) any reportable event within the meaning of Item 304(a)(1)(v) of the SEC's Regulation S-K.

Schneider Downs & Co., Inc.'s report on the Company's consolidated financial statements as of and for the years ended December 31, 2017 and December 31, 2016, included in the Company's Annual Reports on Form 10-K for the years ended December 31, 2017 and December 31, 2016, respectively, did not contain an adverse opinion or a disclaimer of opinion and was not qualified or modified as to the uncertainty, audit scope or accounting principles.

Pre-Approval Policies and Procedures

The Audit Committee can pre-approve specified services in defined categories of (i) audit services, (ii) audit-related services, (iii) tax services and (iv) other services up to specified amounts, as part of the Audit Committee's approval of the scope of the engagement of the independent registered public accounting firm or on an individual case-by-case basis before the independent registered public accounting firm is engaged to provide a service.
