**FOR IMMEDIATE RELEASE**

**Leading Proxy Advisor Firm Glass Lewis Joins ISS in Recommending McDermott Stockholders Vote**

**FOR Each of the Proposals Relating to the Combination with CB&I**

**HOUSTON April 23, 2018** McDermott International, Inc. ( McDermott ) (NYSE:MDR) today announced that Glass, Lewis & Co., LLC. ( Glass Lewis ), a leading independent proxy advisory firm, has joined Institutional Shareholder Services Inc. ( ISS ) in recommending that McDermott stockholders vote **FOR** each of the proposals relating to the combination with CB&I (NYSE: CBI) to be voted on at the special meeting of stockholders on May 2, 2018.

In its report dated April 20, 2018, Glass Lewis states the following:

Combining with CB&I will enable the Company to fulfill several key strategic objectives, namely, increasing its scale, diversifying its business and geographic mix, and adding a portfolio of proprietary technologies that could provide strong differentiation. The Combination could also enable the combined company to gain new revenue opportunities and generate meaningful cost synergies, which in turn could help to drive EBITDA growth and free cash flow generation.<sup>i</sup>

While we find that the combined company will initially have a higher level of leverage than most of its peers, we believe that the combined company's leadership team has proven itself to be capable of successfully navigating through such situations and enhancing shareholder value. Further, the most recent preliminary quarterly financial results from CB&I appear to us to corroborate the Company's view that the problem projects at CB&I have been substantially de-risked.<sup>i</sup>

Based on these factors, and absent a superior available alternative, we believe that the Combination is in the long-term interests of McDermott shareholders and warrants support at this time. Accordingly, we recommend that shareholders vote **FOR** this proposal.<sup>i</sup>

Commenting on the recommendations from ISS and Glass Lewis, David Dickson, Chief Executive Officer of McDermott, said, "We are pleased that both ISS and Glass Lewis support our transformational combination with CB&I. We strongly urge all McDermott stockholders to follow these recommendations and approve the transaction so we can complete it expeditiously and begin to realize the significant benefits it will deliver for our stockholders and

other stakeholders.

McDermott encourages its stockholders of record as of the April 4, 2018 record date to vote **FOR** each of the proposals relating to the combination. Stockholders who have any questions or need assistance voting their shares should contact McDermott's proxy solicitor, MacKenzie Partners, Inc., toll free at (800) 322-2885.

The combination is expected to close in May 2018. It remains subject to customary conditions, including approval by McDermott's and CB&I's stockholders and other closing conditions.
