Examples

Verifone Common Stock - Example

Employee A holds 100 shares of Verifone common stock at her E*Trade account, 50 shares from her previous RSU vesting and 50 shares purchased from the open market. She does not intend to dispose of these shares prior to the Effective Time of the merger. On the Closing Date of the merger, what will happen to her 100 shares of Verifone common stock?

The 100 shares will be cancelled and cease to exist immediately. She will receive a cash payment of \$2,304 (\$23.04 times 100 shares) in her E*Trade account promptly after the Closing Date.

Unvested Verifone Time-Based RSU - Example

Employee B holds 200 unvested time-based RSUs, 25% of which vest on January 1, 2019 and the remainder of which vest at the rate of 6.25% per quarter thereafter according to the vesting schedule of the RSU award. If Employee B remains employed by the surviving company through August 2019 and then terminates his or her employment with the surviving company, what will happen to his 200 RSUs if the merger is completed in the third calendar quarter of 2018?

The 200 RSUs will be cancelled and converted into an RSU Deferred Cash Award of \$4,608 ($\$23.04 * 200$ shares). Employee B will receive a cash payment of \$1,152 (25% of \$4,608), less applicable taxes required to be withheld with respect to such payment, promptly after January 1, 2019 and will receive \$288 promptly after each of April 1, 2019 and July 1, 2019 (6.25% of \$4,608), less applicable taxes required to be withheld with respect to each such payment. The remainder of the RSU Deferred Cash Award of \$2,880 (i.e., the portion that would have vested on and after Employee B's August 2019 departure date) will be forfeited because the remaining service requirement of the original RSU award is not satisfied.

Vested Verifone Stock Option - Example

Employee C holds 100 vested stock options, 60 with an exercise price of \$16.02 and 40 with an exercise price of \$28.80. On the Closing Date of the merger, what will happen to her 100 vested Verifone stock options?

The 60 options at \$16.02 will be cancelled and converted into the right for Employee C to promptly receive a cash payment of \$421.20 (60 multiplied by the \$7.02, i.e. the excess of the per share merger consideration of \$23.04 over the exercise price of \$16.02), less applicable taxes required to be withheld with respect to such payment, through payroll. The payment will be made promptly following the Effective Time.

The 40 options with an exercise price of \$28.80 will be cancelled on the Closing Date of the merger with no consideration or payment because the exercise price is greater than \$23.04, the per share merger consideration.

Unvested Verifone Stock Option - Example

Employee D holds two unvested option awards, one with 800 options at an exercise price of \$16.02 and the other with 100 options at an exercise price of \$28.80, 25% of which vests on January 1, 2019 and the remainder of which vests at the rate of 6.25% per quarter thereafter according to the vesting schedule of these option awards. If Employee D remains employed by the surviving company through August 2019 and then terminates his employment, what will happen to his two option awards after the merger completes in the third quarter of 2018?

The 800 options with an exercise price of \$16.02 will be cancelled and converted into an Option Deferred Cash Award of \$5,616 (800 multiplied by \$7.02, i.e. the excess of the per share merger consideration of \$23.04 over the exercise price of \$16.02). Employee D will receive a cash payment of \$1,404 (25% of \$5,616), less applicable taxes required to be withheld with respect to such payment, promptly after January 1, 2019 and will receive \$351 promptly after each of April 1, 2019

and July 1, 2019 (6.25% of \$5,616), less applicable taxes required to be withheld with respect to each such payment. The remainder of the Option Deferred Cash Award of \$3,510 (i.e., the portion that would have vested on and after Employee D's August 2019 departure date) will be forfeited because the remaining service requirement of the original option award is not satisfied.

The 100 options with an exercise price of \$28.80 will be cancelled on the Closing Date of the merger with no consideration or payment because the exercise price is greater than \$23.04, the per share merger consideration.

Agreement and Plan of Merger Excerpt

ARTICLE III

MERGER CONSIDERATION; EFFECT OF THE MERGER ON CAPITAL STOCK

3.1 Merger Consideration: Conversion of Shares of Company Common Stock. At the Effective Time, by virtue of the Merger and without any action on the part of the Parties or any holder of any capital stock of the Company, each share of Company Common Stock issued and outstanding immediately prior to the Effective Time other than Excluded Shares (such shares of Company Common Stock, the Eligible Shares) shall be converted into the right to receive cash in the amount of \$23.04 per share (the Merger Consideration).

3.2 Conversion of Shares of Company Common Stock. By virtue of the Merger and without any action on the part of the Parties or any holder of any capital stock of the Company, all of the Eligible Shares shall represent the right to receive the Merger Consideration pursuant to this Article III, shall cease to be outstanding, shall be cancelled and shall cease to exist as of the Effective Time, and each certificate formerly representing any of the Eligible Shares (each, a Certificate) and each book-entry account formerly representing any non-certificated Eligible Shares (each, a Book-Entry Share) shall thereafter represent only the right to receive the Merger Consideration, without interest.

3.3 Cancellation of Excluded Shares. Each Excluded Share shall, by virtue of the Merger and without any action on the part of the Parties or any holder of any Excluded Share, cease to be outstanding, be cancelled without payment of any consideration therefor and shall cease to exist, subject to any rights the holder thereof may have pursuant to Section 4.7.

3.4 Merger Sub. At the Effective Time, by virtue of the Merger and without any action on the part of the Parties, each share of common stock, par value \$0.001 per share, of Merger Sub issued and outstanding immediately prior to the Effective Time shall be converted into one share of common stock, par value \$0.001 per share, of the Surviving Corporation, which shall constitute the only outstanding shares of capital stock of the Surviving Corporation immediately following the Effective Time.

3.5 Treatment of Equity Awards. At the Effective Time, the Company Equity Awards will receive the following treatment, in each case in accordance with and subject to the terms set forth in Sections 3.5(a)-(f) and the other provisions of this Agreement: (i) each Vested Company Option that is not designated as a Rollover Equity Award by its holder will be converted into a right to promptly receive a cash payment based on its spread value; (ii) the spread value of each Vested Company Option that is designated by its holder as a Rollover Equity Award will be converted to common stock of Parent (or a parent of Parent); (iii) each Unvested Company Option will be converted to a cash award, based on its spread value, that remains subject to the same vesting schedule that applied immediately prior to the Effective Time; (iv) each Company RSU will be converted to a cash award, based on the Merger Consideration, that remains subject to the same vesting schedule that applied immediately prior to the Effective Time; (v) each Company P-RSU will be converted to a cash award, based on the Merger Consideration and the actual performance of such Company P-RSU through the Effective Time, that otherwise remains subject to the same vesting schedule that applied immediately prior to the Effective Time; and (vi) each Company DSU will be converted into a right to promptly receive a cash payment, based on the Merger Consideration. With respect to the foregoing, the spread value of a Company Option will be determined by subtracting the per share exercise price of such Company Option from the Merger Consideration, and any Company Option for which the per share exercise price is equal to or greater than the Merger Consideration will be cancelled for no consideration.

(a) Company Options. At the Effective Time, (i) each outstanding vested option (or vested portion thereof) to purchase shares of Company Common Stock (a Vested Company Option), other than any Rollover Equity Awards, shall, automatically and without any action on the part of the holder thereof, be cancelled and shall only entitle the holder of such Vested Company Option to receive (without interest), as soon as reasonably practicable after the Effective Time, but no later than three (3) Business Days after the Effective Time, an amount in cash equal to the product of (x) the total number of shares of Company Common Stock subject to such Vested Company Option immediately prior to the Effective Time multiplied by (y) the excess, if any, of (A) the Merger Consideration over (B) the exercise price per share of Company Common Stock of such Vested Company Option less applicable Taxes required to be withheld with respect to such payment and (ii) each outstanding unvested option (or unvested portion thereof) to purchase shares of Company Common Stock (an Unvested Company Option and, together with the Vested Company Options, the Company Options) under the Stock Plans shall, automatically and without any action on the part of the holder thereof, be cancelled and shall only entitle the holder of such Unvested Company Option to receive an amount in cash, without interest (a Company Option Deferred Cash Award) equal to the product of (x) the total number of shares of Company Common Stock subject to such Unvested Company Option immediately prior to the Effective Time multiplied by (y) the excess, if any, of (A) the Merger Consideration over (B) the exercise price per share of such Unvested Company Option less

applicable Taxes required to be withheld with respect to such payment. Notwithstanding the foregoing, any Company Option which has an exercise price per share that is greater than or equal to the Merger Consideration shall be cancelled at the Effective Time for no consideration or payment. Except as specifically provided above, following the Effective Time, each such Company Option Deferred Cash Award will be subject to the same vesting schedule and other terms and conditions (other than with respect to exercise) applicable to the corresponding Unvested Company Option immediately prior to the Effective Time and be paid on the applicable vesting date.

(b) Company RSUs. At the Effective Time, each outstanding restricted stock unit that is subject only to service-based vesting conditions (a Company RSU) under the Stock Plans shall, automatically and without any required action on the part of the holder thereof, be cancelled and converted into the right to receive an amount in cash, without interest (a Company RSU Deferred Cash Award) equal to the product of (x) the number of shares of Company Common Stock subject to such Company RSU immediately prior to the Effective Time multiplied by (y) the Merger Consideration, less applicable Taxes required to be withheld with respect to such payment. Except as specifically provided above, following the Effective Time, each such Company RSU Deferred Cash Award will be subject to the same vesting schedule and other terms and conditions applicable to the corresponding Company RSU immediately prior to the Effective Time.

(c) Company P-RSUs. At the Effective Time, each outstanding restricted stock unit that is subject to performance-based vesting conditions (a Company P-RSU) under the Stock Plans shall, automatically and without any required action on the part of the holder thereof, be cancelled and shall only entitle the holder of such Company P-RSU to receive an amount in cash, without interest (a Company P-RSU Deferred Cash Award and together with the Company Option Deferred Cash Awards and the Company RSU Deferred Cash Awards, Replacement Deferred Cash Awards) equal to the product of (x) the number of shares of Company Common Stock subject to such Company P-RSU immediately prior to the Effective Time based on the actual performance through the Effective Time as determined by the compensation committee of the Company Board (the Company Compensation Committee) multiplied by (y) the Merger Consideration, less applicable Taxes required to be withheld with respect to such payment. For the avoidance of doubt, to the extent there are any Company P-RSUs for which the number of shares of Common Stock subject to such Company P-RSU as determined in accordance with clause (x) of the preceding sentence is zero, such Company P-RSU shall be cancelled at the Effective Time for no consideration or payment. Except as specifically provided above, following the Effective Time, each such Company P-RSU Deferred Cash Award will be subject to the same vesting schedule and other terms and conditions applicable to the corresponding Company P-RSU immediately prior to the Effective Time.

(d) Company DSUs. At the Effective Time, each outstanding deferred stock unit (a Company DSU) under the Company's Director Deferred Compensation Plan, shall, automatically and without any required action on the part of the holder thereof, be cancelled and shall only entitle the holder of such Company DSU to receive (without interest), as soon as reasonably practicable after the Effective Time (but in any event no later than three (3) Business Days after the Effective Time), an amount in cash equal to (x) the number of shares of Company Common Stock subject to such Company DSU immediately prior to the Effective Time

multiplied by (y) the Merger Consideration, less applicable Taxes required to be withheld with respect to such payment; provided, that, with respect to any Company DSUs that constitute nonqualified deferred compensation subject to Section 409A of the Code and that are not permitted to be paid at the Effective Time without triggering a Tax or penalty under Section 409A of the Code, such payment shall be made at the earliest time permitted under the Company's Director Deferred Compensation Plan and a participant's deferral elections that will not trigger a Tax or penalty under Section 409A of the Code.

(e) Company Equity Payments. Any payments to which holders of Company Options, Company RSUs, Company P-RSUs and Company DSUs (collectively, the Company Equity Awards) are entitled to pursuant to Section 3.5(a), Section 3.5(b), Section 3.5(c) and Section 3.5(d), respectively (collectively, the Company Equity Payments) shall be made through the Surviving Corporation's payroll (except in the case of Company DSUs) and in accordance with Section 3.5(a), Section 3.5(b), Section 3.5(c) and Section 3.5(d). Parent and Merger Sub shall ensure that the Surviving Corporation has an amount in cash, or immediately available borrowing capacity, sufficient to pay all amounts required by the foregoing sentence.

(f) Company Actions. At or prior to the Effective Time, the Company, the Company Board and the Company Compensation Committee, as applicable, shall adopt any resolutions and take any actions that are necessary to (x) effectuate the treatment of the Company Equity Awards pursuant to Section 3.5(a) Section 3.5(b), Section 3.5(c) and Section 3.5(d) and (y) cause the Stock Plans and the Company's Director Deferred Compensation Plan to terminate at or prior to the Effective Time. The Company shall take all actions necessary to ensure that from and after the Effective Time neither Parent nor the Surviving Corporation will be required to deliver shares of Company Common Stock or other capital stock of the Company to any Person pursuant to or in settlement of Company Equity Awards.
