Section 1 Conflict Minerals Disclosure

Item 1.01 CONFLICT MINERALS DISCLOSURE AND REPORT

Toyota Motor Corporation (together with its subsidiaries, Toyota , we or our) is primarily engaged in designing, manufacturing, assembling and selling passenger cars, minivans and commercial vehicles such as trucks, as well as related parts and accessories worldwide.

Toyota conducted a reasonable country of origin inquiry (RCOI) with due diligence, based on the Organization for Economic Co-operation and Development Guidelines, for its products related to automotive operations and marine operations.

As a result of the RCOI survey, Toyota was unable to determine whether all of its necessary conflict minerals originated in the Democratic Republic of the Congo or an adjoining country, or whether they come from recycled or scrap sources.

Conflict Minerals Disclosure
