Note Regarding Forward-Looking Statements:

Statements in this release that are forward-looking statements are based upon current expectations and assumptions, and involve certain risks and uncertainties within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Words or expressions such as Looking ahead, look forward, intends, believe, hope, plan, expects, anticipates, will or variations of such words and similar expressions are intended to identify such forward-looking statements. Forward-looking statements by their nature address matters that are, to different degrees, uncertain, such as statements about the closing of the proposed offering; expected income; shareholder value; revenues; and growth. Key risks are described in our reports filed with the SEC including in our annual report on Form 10-K and quarterly reports on Form 10-Q. Readers should note that forward-looking statements are subject to change and to inherent risks and uncertainties and may be impacted by several factors, including:

external economic forces that could have a material adverse impact on our advertising revenues and results of operations;

the ability of our radio stations to compete effectively in their respective markets for advertising revenues;

our ability to respond to changes in technology, standards and services that affect the radio industry;

audience acceptance of our content, particularly our radio programs;

our substantial debt levels and the potential effect of restrictive debt covenants on our operational flexibility and ability to pay dividends;

our dependence on federally issued licenses subject to extensive federal regulation;

the risk that our FCC broadcasting licenses and/or goodwill could become impaired;

the failure or destruction of the internet, satellite systems and transmitter facilities that we depend upon to distribute its programming;

disruptions or security breaches of our information technology infrastructure;

actions by the FCC or new legislation affecting the radio industry;

the loss of key personnel;

the fact that we are controlled by the Beasley family, which creates difficulties for any attempt to gain control of us;

our ability to integrate acquired businesses and achieve fully the strategic and financial objectives related thereto and their impact on our financial condition and results of operations; and

other economic, business, competitive, and regulatory factors affecting our businesses.

Our actual performance and results could differ materially because of these factors and other factors discussed in the Management's Discussion and Analysis of Results of Operations and Financial Condition in our SEC filings, including but not limited to our Annual Report on Form 10-K or Quarterly Reports on Form 10-Q, copies of which can be obtained from the SEC, www.sec.gov. All information in this release is as of the date of this press release, and we undertake no obligation to update the information contained herein to actual results or changes to our expectations.
