Introductory Note

On August 10, 2018, The Williams Companies, Inc., a Delaware corporation (WMB), completed the previously announced merger of Williams Partners L.P., a Delaware limited partnership (WPZ), and SCMS LLC, a Delaware limited liability company and a wholly owned subsidiary of WMB (Merger Sub), pursuant to that certain Agreement and Plan of Merger (the Merger Agreement), dated May 16, 2018, by and among WPZ, WMB, Merger Sub, and WPZ GP LLC, a Delaware limited liability company and the general partner of WPZ (WPZ General Partner), whereby Merger Sub merged with and into WPZ with WPZ continuing as the sole surviving entity and a wholly owned subsidiary of WMB (the Merger).

Immediately following the Merger, each of the WPZ General Partner, WPZ and Williams Gas Pipeline merged with and into WMB, with WMB continuing as the sole surviving entity (the Subsequent Merger).

WPZ Indenture Supplemental Indenture.

Commercial Paper Program

On August 10, 2018, following the consummation of the Subsequent Merger, WMB entered into a \$4.0 billion commercial paper program (the CP Program), pursuant to which WMB may issue short-term, unsecured commercial paper notes (the CP Notes) pursuant to the exemption from registration contained in Section 4(a)(2) of the Securities Act of 1933, as amended (the

Securities Act). Amounts available under the CP Program may be borrowed, repaid and re-borrowed from time to time, with the aggregate principal amount of CP Notes outstanding under the CP Program at any time not to exceed \$4.0 billion. The net proceeds of issuances of the CP Notes are expected to be used to fund planned capital expenditures and for other general corporate purposes. WMB's Credit Agreement, dated as of July 13, 2018, by and among WMB, Northwest Pipeline LLC, a Delaware limited liability company (Northwest), Transcontinental Gas Pipeline Company, LLC, a Delaware limited liability company (Transco), the lenders named therein and Citibank, N.A. (Citi), as administrative agent (the New Credit Agreement), is available to repay the CP Notes, if necessary.

The maturities of the CP Notes will vary but may not exceed 397 days from the date of issue. The CP Notes will be sold under customary terms in the commercial paper market and will be issued at a discount from par, or, alternatively, will be sold at par and bear varying interest rates on a fixed or floating basis.

Six commercial paper dealers will each act as a dealer under the CP Program (each a Dealer and, collectively, the Dealers) pursuant to the terms and conditions of a commercial paper dealer agreement entered into between WMB and each Dealer (each, a Dealer Agreement). A national bank will act as issuing and paying agent under the CP Program.

Each Dealer Agreement provides the terms under which the respective Dealer will either purchase from us or arrange for the sale by us of the CP Notes pursuant to an exemption from federal and state securities laws. Each Dealer Agreement contains customary representations, warranties, covenants and indemnification provisions. The Dealer Agreements are substantially identical in all material respects except as to the parties thereto and the notice provisions; a form of Dealer Agreement is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated into this Item 1.01 by reference. The description above is a summary of the CP Program and is qualified in its entirety by the terms of the CP Program as set forth in the form of Dealer Agreement.

From time to time, one or more of the Dealers and certain of their respective affiliates have provided, and may in the future provide, commercial banking, investment banking and other financial advisory services to WMB and its affiliates for which they have received or will receive customary fees and expenses.

The CP Notes have not been and will not be registered under the Securities Act or state securities laws, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state securities laws. The information contained in this Current Report on Form 8-K is neither an offer to sell nor a solicitation of an offer to buy any securities.

2.0% of the gross sales price per share of WMB Common Stock sold through such Manager, depending upon the number of shares of WMB Common Stock sold. WMB may also sell shares of WMB Common Stock to a Manager purchasing as principal for its own account at a price agreed upon at the time of sale. Any sale of shares of WMB Common Stock to a Manager purchasing as principal may be made pursuant to the terms of a separate terms agreement (the Terms Agreement) between WMB and the relevant Manager. WMB has no obligation to offer or sell any shares of WMB Common Stock under the Equity Distribution Agreement, and may at any time suspend any offers and sales under the Equity Distribution Agreement. A copy of the Equity Distribution Agreement, including a form of Terms Agreement as an annex thereto, is attached as Exhibit 1.1 to this Current Report and is incorporated by reference herein.
