Item 1.01. Entry into a Material Definitive Agreement.

On November 6, 2018, Entegris, Inc. (the *Company*), entered into a credit agreement (the *Credit Agreement*) with Goldman Sachs Bank USA, as administrative agent and collateral agent, and the lenders party thereto, that provides senior secured financing in an aggregate principal amount of \$700.0 million (which may be increased in certain circumstances by up to the greater of \$400.0 million and 100.0% of EBITDA) (the *Credit Facilities*), consisting of initially (a) term loans in an aggregate principal amount of \$400.0 million (the *Term Loan Facility*) and (b) revolving commitments in an aggregate amount of \$300.0 million (the *Revolving Facility*). The *Revolving Facility* includes borrowing capacity in the form of letters of credit up to \$35.0 million.

Interest Rate and Fees. Borrowings under the *Credit Facilities* bear interest at a rate per annum equal to, at the *Company*'s option, either of the following, plus, in each case, an applicable margin: (a) a base rate determined by reference to the highest of (i) the prime rate quoted in the print edition of *The Wall Street Journal*, Money Rates Section, (ii) the federal funds effective rate plus 0.50% and (iii) a LIBOR rate determined by reference to the cost of funds for U.S. dollar deposits for an interest period of one month adjusted for certain additional costs, plus 1.00%, in each case subject to a floor of 1.00% per annum; and (b) a LIBOR rate determined by reference to the cost of funds for the interest period relevant to such borrowing adjusted for certain additional costs, subject to a LIBOR rate floor of 0.0% per annum. The applicable margin for borrowings under the *Term Loan Facility* is 1.00% with respect to base rate borrowings and 2.00% with respect to LIBOR borrowings. The initial applicable margin for borrowings under the *Revolving Facility* is 0.25% with respect to base rate borrowings and 1.25% with respect to LIBOR borrowings. Commencing with the fiscal quarter ending December 31, 2018, the applicable margin for borrowings thereunder is subject to adjustment each fiscal quarter, based on the *Company*'s senior secured net leverage ratio during the preceding quarter.

In addition to paying interest on outstanding principal under the *Credit Facilities*, the *Company* will pay (a) with respect to the *Term Loan Facility*, customary agency fees and (b) with respect to the *Revolving Facility*, (i) a commitment fee in respect of the unutilized commitments thereunder and (ii) customary letter of credit fees and agency fees. The initial commitment fee is 0.20% per annum. Commencing with the fiscal quarter ending December 31, 2018, the commitment fee is subject to adjustment based on the *Company*'s senior secured net leverage ratio.

Mandatory Prepayments.

The *Credit Agreement* requires the *Company* to prepay outstanding term loans, subject to certain exceptions, with:

50% (subject to reduction to 25% and 0% based upon the *Company*'s senior secured net leverage ratio) of the *Company*'s annual Excess Cash Flow (as defined in the *Credit Agreement*);

100% of the net cash proceeds of certain asset sales and casualty and condemnation events, subject to reinvestment rights and certain other exceptions; and

100% of the net cash proceeds of any incurrence or issuance of certain debt, other than debt permitted under the *Credit Facilities*.

If at any time the aggregate amount of outstanding revolving borrowings, unreimbursed letter of credit drawings and undrawn letters of credit under the Revolving Facility exceeds the commitment amount, the Company is required to repay outstanding revolving borrowings and/or cash collateralize letters of credit, with no reduction of the commitment amount under the Revolving Facility.

Voluntary Prepayments.

The Company may voluntarily prepay outstanding term loans at any time without premium or penalty other than customary breakage costs with respect to LIBOR loans, provided, however, that if on or prior to the date that is six months after the closing date of the Credit Facilities, the Company prepays any term loan in connection with a repricing transaction, the Company must pay a prepayment premium of 1.00% of the aggregate principal amount of the term loans so prepaid.

The Company may voluntarily reduce the unutilized portion of the revolving commitment amount and repay outstanding revolving loans at any time. Prepayments of the revolving loans may be made without premium or penalty other than customary breakage costs with respect to LIBOR loans.

Amortization and Final Maturity. The Company is required to make scheduled quarterly payments, each equal to 0.25% of the original principal amount of the term loans made on the closing date, with the balance due on the seventh anniversary of the closing date. The Revolving Facility has no scheduled amortization. The principal amount outstanding under the Revolving Facility is due and payable in full on the fifth anniversary of the closing date.

Guarantees and Security. All obligations under the Credit Facilities are unconditionally guaranteed by certain of the Company's existing wholly-owned domestic subsidiaries, and are required to be guaranteed by certain of the Company's future wholly-owned domestic subsidiaries. All obligations under the Credit Facilities, and the guarantees of those obligations, are secured, subject to certain exceptions, by substantially all of the Company's assets and the assets of the Company's subsidiary guarantors, including, in each case subject to customary exceptions and exclusions:

a first-priority pledge of all of the capital stock directly held by the Company and the Company's subsidiary guarantors (which pledge is limited to 65% of the capital stock of each (a) domestic subsidiary that is directly owned by the Company or by any subsidiary guarantor and that is a disregarded entity for United States Federal income tax purposes substantially all of the assets of which consist of equity interests in one or more foreign subsidiaries and (b) foreign subsidiary); and

a first-priority security interest in substantially all of the Company's and the subsidiary guarantor's other tangible and intangible assets.

Certain Covenants and Events of Default. The Credit Facilities contain a number of negative covenants that, among other things and subject to certain exceptions, restrict the Company's ability and each of the Company's subsidiaries ability to:

incur additional indebtedness;

pay dividends on its capital stock or redeem, repurchase or retire its capital stock or its other indebtedness;

make investments, loans and acquisitions;

create restrictions on the payment of dividends or other amounts to the Company from the Company's restricted subsidiaries;

engage in transactions with its affiliates;

sell assets, including capital stock of its subsidiaries;

materially alter the business it conducts;

consolidate or merge;

incur liens; and

engage in sale-leaseback transactions.

If at any time, commencing with the fiscal quarter ending March 31, 2019, the Company has revolving borrowings, unreimbursed letter of credit drawings and undrawn letters of credit outstanding in an amount in excess of 35.0% of the commitment amount under the Revolving Facility, the Credit Agreement requires the Company to maintain a secured net leverage ratio of at least 3.25 to 1.0.

The Credit Agreement additionally contains certain customary representations and warranties, affirmative covenants and provisions relating to events of default.

The foregoing summary of the Credit Facilities is not complete and is qualified in its entirety by reference to the Credit Agreement and the pledge and security agreement entered into in connection with the closing of the Credit Facilities, copies of which are filed as Exhibits 10.1 and 10.2 to this Current Report on Form 8-K and are incorporated herein by reference.
