Item 8.01. Other Events.

II-VI Incorporated (II-VI or the Company) is filing this Current Report on Form 8-K to provide a recast of the presentation of the historical financial statements contained in the Company's Annual Report on Form 10-K for the year ended June 30, 2018 (the 2018 Form 10-K) filed with the Securities and Exchange Commission (the SEC), to reflect changes as a result of the Company's realignment of certain operating segments and the adoption of Accounting Standards Update 2017-07, *Compensation-Retirement Benefits (Topic 715): Improving the Presentation of Net Periodic Pension Cost and Net Periodic Postretirement Benefit* (ASU 2017-07), as detailed below. In this report, unless the context otherwise indicates, we, us and our mean II-VI and its consolidated subsidiaries, and references to any of the Notes to the accompanying Consolidated Financial Statements refer to the Notes to the Consolidated Financial Statements included in Item 8 of Part II of Exhibit 99.1 to this report.

We implemented changes to our financial reporting structure, as follows:

Segments - Effective July 1, 2018, the Company realigned the composition of its operating segments. The Company moved Laser Systems Group from II-VI Laser Solutions to II-VI Photonics and moved Integrated Photonics, Inc. from II-VI Photonics to II-VI Performance Products. All applicable segment information has been restated to reflect this change.

Additionally, in the first quarter of fiscal 2019, we adopted ASU 2017-07:

Pension and Postretirement Benefits - In March 2017, the Financial Accounting Standards Board issued ASU 2017-07, which requires bifurcation of certain components of net pension and postretirement benefit cost in the Consolidated Statements of Earnings. We adopted this ASU effective as of July 1, 2018. As a result, benefit costs, excluding any service costs component, previously included in Cost of goods sold, Internal research and development and Selling, general and administrative expenses, are now included in Other expense (income), net in our Consolidated Statements of Earnings. All comparable periods have been revised to reflect this change.

The Company is filing this report to recast its Consolidated Financial Statements as of June 30, 2018 and 2017 and for each of the years ended June 30, 2018, 2017 and 2016, to reflect the changes described above. The recast Consolidated Financial Statements and accompanying Notes are included in Exhibit 99.1 to this report, which is incorporated by reference into this Item 8.01. Also included in Exhibit 99.1 is the report of Ernst & Young LLP on the Consolidated Financial Statements, which is unchanged from the report included in the 2018 Form 10-K, other than the dual date to reflect the recast and reissuance.

The following items of the 2018 Form 10-K are being revised as reflected in Exhibit 99.1 to this report:

Part I, Item 1. Business;

Part I, Item 2. Properties;

Part II, Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations (MD&A); and

Part II, Item 8. Financial Statements and Supplementary Data.

Except for minor, non-substantive revisions, only the following statements and notes within Part II, Item 8., Financial Statements and Supplementary Data have been revised from their previous presentation:

Consolidated Statements of Earnings;

Note 1, Nature of Business and Summary of Significant Accounting Policies;

Note 6, Goodwill and Other Intangible Assets;

Note 12, Segment and Geographic Reporting; and

Note 21, Subsequent Events.

Quarterly Financial Data (unaudited)

The changes referred to above had no impact on our historical consolidated financial position, results of operations or cash flows, as reflected in the recast Consolidated Financial Statements contained in Exhibit 99.1 to this report. The recast Consolidated Financial Statements do not represent a restatement of previously issued consolidated financial statements.

This report, including Exhibit 99.1, generally does not reflect events occurring after the filing of the 2018 Form 10-K and generally does not modify or update the disclosures in the 2018 Form 10-K, other than as required to reflect the changes described above. Without limitation of the foregoing, this report does not purport to update the MD&A contained in the 2018 Form 10-K for any forward-looking statements. More current information is contained in our Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2018 and our Current Reports on Form 8-K filed with the SEC with respect to events occurring after June 30, 2018. This report should be read in conjunction with the 2018 Form 10-K, our Form 10-Q for the quarterly period ended September 30, 2018 and our Current Reports on Form 8-K filed subsequent to June 30, 2018.
