Item 1.01 Entry into a Material Definitive Agreement.

On February 11, 2019, Ellie Mae, Inc., a Delaware corporation (the Company or Ellie Mae), entered into an Agreement and Plan of Merger (the Merger Agreement) with EM Eagle Purchaser, LLC, a Delaware limited liability company (Parent), and EM Eagle Merger Sub, Inc., a Delaware corporation and wholly owned subsidiary of Parent (Merger Sub), providing for the merger of Merger Sub with and into the Company (the Merger), with the Company surviving the Merger as a wholly owned subsidiary of Parent. Parent and Merger Sub were formed by affiliates of Thoma Bravo Fund XIII, L.P. (the TB Fund). Capitalized terms used herein but not otherwise defined have the meaning set forth in the Merger Agreement, which is attached as Exhibit 2.1 hereto and is incorporated herein by reference.

At the Effective Time:

(i) each share of common stock, par value \$0.0001 per share, of the Company issued and outstanding immediately prior to the Effective Time (other than shares, if any, held by the Company, Parent, Merger Sub or any of their subsidiaries and shares with respect to which appraisal rights have been properly exercised in accordance with the General Corporation Law of the State of Delaware) will automatically be cancelled and converted into the right to receive cash in an amount equal to \$99.00, without interest thereon (the Per Share Price);

(ii) each Company Option, Company RSU Award and Company Restricted Stock Award that is unexpired, unexercised, outstanding, and vested as of immediately prior to the Effective Time or that vests solely as a result of the consummation of the transactions contemplated by the Merger Agreement (each, a Vested Award) shall be cancelled and automatically converted into the right to receive an amount in cash equal to the product of (A) the aggregate number of shares of Company Common Stock subject to the Vested Award, as applicable, multiplied by (B) the Per Share Price (or, for each Company Option that is a Vested Award, the excess, if any, of the Per Share Price over the applicable per share exercise price under such Company Option), subject to any required withholding of taxes;

(iii) each Company Performance Share Award and Company RSU Award that is outstanding immediately prior to the Effective Time and still subject to performance-based vesting (the Performance-Based Equity Awards), shall, as of the Effective Time, become vested and nonforfeitable with respect to a number of shares of Company Common Stock subject to such Company Performance Share Award or Company RSU Award, as applicable, calculated in accordance with their respective terms, and shall be cancelled and converted automatically into the right to receive an amount in cash equal to the Per Share Price in respect of each vested share of Company Common Stock subject to such Company Performance Share Awards or Company RSU Award, subject to applicable tax withholding; and

(iv) each Company Option, Company RSU Award and Company Restricted Stock Award (other than those that are a Vested Award or a Performance-Based Equity Award) that is unexpired, unexercised, and outstanding as of immediately prior to the Effective Time (each, an Unvested Award) shall be cancelled and replaced with a right to receive an amount in cash, without interest, equal to (A) the amount of the Per Share Price multiplied by (B) the total number of shares of Company Common Stock subject to such Unvested Award immediately prior to the Effective Time (or, for each Unvested Company Option, the excess, if any, of the Per Share Price over the applicable per share exercise price under such Unvested Company Option), subject to any required withholding of taxes (the Cash Replacement Amounts), which Cash Replacement Amounts will, subject to such holder's continued service with Parent or its Affiliates (including the Surviving Corporation and its Subsidiaries) through the applicable vesting dates, vest and become payable at

the same time as the Unvested Awards for which such Cash Replacement Amounts were exchanged would have vested pursuant to its terms. All Cash Replacement Amounts will have the same terms and conditions (including, with respect to vesting (including accelerated vesting on specific terminations of employment, to the extent applicable)) as applied to the Unvested Awards for which they were exchanged, except as noted in the Merger Agreement. For the avoidance of doubt, any Company Options (whether vested or unvested) with a per share exercise price equal to or greater than the Per Share Price will be cancelled immediately upon the Effective Time without payment or consideration.

Concurrently with the execution of the Merger Agreement, the TB Fund has entered into an equity commitment letter pursuant to which, among other things, it has committed to invest in Parent, directly or indirectly, the cash amounts set forth therein for the purpose of funding the aggregate purchase price due at the Effective Time, subject to the terms and conditions set forth therein. The Company is a third party beneficiary with respect to certain enforcement rights under the equity commitment letter. In addition and also concurrently with the execution of the Merger Agreement, the TB Fund has entered into a limited guarantee, pursuant to which it has agreed to guarantee Parent's obligation to pay any termination fee, reimburse and indemnify the Company with respect to certain expenses in connection with Parent's debt financing and pay certain other amounts required under the Merger Agreement.

While the Merger is not conditioned on Parent or any other party obtaining debt financing, Parent has obtained debt financing commitments for the purpose of financing the transactions contemplated by the Merger Agreement and paying related fees and expenses. The obligations of the lenders to provide debt financing under the debt commitment letter are subject to customary conditions.

Consummation of the Merger is subject to certain conditions, including, but not limited to: (i) obtaining the affirmative vote of the holders of a majority of the voting power of the outstanding shares of Company common stock entitled to vote on the Merger; (ii) expiration or termination of any waiting periods applicable to the consummation of the Merger under the Hart-Scott-Rodino Antitrust Improvements Act of 1976; and (iii) absence of any law or order that prohibits, makes illegal or enjoins the consummation of the Merger.

The Company has made customary representations and warranties in the Merger Agreement and has agreed to customary covenants regarding the operation of the business of the Company and its Subsidiaries prior to the Effective Time. The Company also has the right to a customary go-shop period beginning as of the date of the Merger Agreement and continuing until 12:00 p.m., Pacific time on March 18, 2019 to solicit alternative acquisition proposals from third parties and to provide information to, and participate in discussions and engage in negotiations with, third parties regarding any alternative acquisition proposals. However, after the expiration of such go-shop period until the time the Requisite Stockholder Approval is obtained, the Company will be subject to customary no-shop restrictions on its ability to engage in such actions, subject to a customary fiduciary out provision that allows the Company, under certain specified circumstances, to provide information to, and participate in discussions and engage in negotiations with, third parties with respect to an alternative acquisition proposal if the Company Board determines in good faith after consultation with its financial advisor and outside legal counsel that such alternative acquisition proposal either constitutes, or would be reasonably likely to lead to, a Superior Proposal, and the failure to explore such alternative acquisition proposal would be inconsistent with the directors' fiduciary duties pursuant to applicable law. The parties have also agreed to use their reasonable best efforts to consummate the Merger.

The Merger Agreement contains certain termination rights for the Company and Parent. Upon termination of the Merger Agreement in accordance with its terms, under specified circumstances, the Company will be required to pay Parent a termination fee. If the Merger Agreement is validly terminated in connection with certain specified circumstances, including due to the Company accepting a Superior Proposal following the go-shop period or due to the Company Board's withdrawal of its recommendation of the Merger, then the termination fee payable by the Company to Parent will be \$110 million. This termination fee will also be payable if the Merger Agreement is terminated under certain circumstances and prior to such termination, a proposal to acquire more than 50% of the Company's stock or assets is publicly announced or disclosed and not withdrawn or otherwise abandoned and the Company consummates any transaction involving the acquisition of more than 50% of its stock or assets within one year of the termination or enters into an agreement for any transaction involving the acquisition of more than 50% of its stock or assets. If the Merger Agreement is terminated in connection with the Company accepting a Superior Proposal within the go-shop period, then the termination fee payable by the Company to Parent will be \$55 million (other than with respect to certain restricted parties described in the Merger Agreement, in which case the \$110 million termination fee will be payable to Parent). The Merger Agreement further provides that Parent will be required to pay the Company a termination fee of \$256 million in the event that the Merger Agreement is terminated under certain specified circumstances.

In addition to the foregoing termination rights, and subject to certain limitations, the Company or Parent may terminate the Merger Agreement if the Merger is not consummated by August 11, 2019.

The foregoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete, and is subject to, and qualified in its entirety by reference to, the full text of the Merger Agreement, which is attached as Exhibit 2.1 hereto and is incorporated herein by reference.

The Merger Agreement contains representations and warranties by each of Parent, Merger Sub and the Company. These representations and warranties were made solely for the benefit of the parties to the Merger Agreement and:

should not be treated as categorical statements of fact, but rather as a way of allocating the risk to one of the parties if those statements prove to be inaccurate;

may have been qualified in the Merger Agreement by disclosures that were made to the other party in connection with the negotiation of the Merger Agreement; and

may apply contractual standards of materiality that are different from materiality under applicable securities laws.

Item 8.01 Other Events.

On February 12, 2019, the Company and Parent issued a joint press release announcing the entry into the Merger Agreement. A copy of the joint press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
