TO OUR SHAREHOLDERS:

On behalf of the HCI Board of Directors, you are cordially invited to attend the 2019 Annual Meeting of Shareholders, which will be held on Thursday, May 30, 2019 at 3 p.m., Eastern time, at our headquarters: Cypress Commons, 5300 West Cypress Street, Suite 105, Tampa, Florida 33607. Shareholders will be admitted beginning at 2:30 p.m.

We are proud of the relationships we have built with our shareholders and the frequent dialogue we have with them. In 2018, we continued our practice of engaging with shareholders to understand their perspectives and solicit their input on a variety of issues. Since the 2018 annual shareholders meeting, we have held conversations with shareholders representing nearly half of our outstanding shares. During these conversations, we discussed HCI's business strategy, its board composition, its corporate governance policies and its executive compensation practices, as well as its policies on corporate social and environmental responsibility. Through these conversations, we gained a valuable understanding of shareholder perspectives. We appreciate the thoughtful and meaningful feedback we received.

As a result of shareholder input, we have refreshed portions of our Proxy Statement to make it easier to read and understand. We have included, for example, a table of contents, a Proxy Statement Summary, and enhanced visuals and charts. We have provided also additional information on our executive compensation process and the peer group of companies we use for benchmarking executive pay. We also added a section describing our environmental, social and governance policies.

Most important, we recently added two new individuals to our Board of Directors: Loreen M. Spencer, a retired Audit Partner with Deloitte & Touche, LLP, and Sue Watts, Chief Operating Officer and Executive Vice President for Application Services, Infrastructure and Digital Services at Capgemini SE, a global technology consulting firm. Both are accomplished business leaders who bring diversity of thought, experience and skills that will contribute to our long-term strategy.

On behalf of the Board of Directors, I thank you for your continued investment and support. Your vote at the shareholder meeting is very important. Please sign and return the accompanying proxy card or follow the instructions on the card for voting by telephone or internet so your shares can be voted as you direct.

Yours truly,

Paresh Patel

Forward-Looking Statements

This Proxy Statement may contain forward-looking statements made pursuant to the Private Securities Litigation Reform Act of 1995. Words such as “project” and other similar words and expressions are intended to signify forward-looking statements. Forward-looking statements are not guarantees of future results and conditions but rather are subject to various risks and uncertainties. For example, the declaration and payment of dividends is at the discretion of our Board of Directors. Our ability to pay dividends depends upon many factors, including the Company’s operating results; financial condition and capital requirements; the availability of cash from our subsidiaries; legal and regulatory constraints and requirements on the payment of dividends and such other factors as our Board of Directors may deem relevant. HCI Group, Inc. disclaims all obligations to update any forward-looking statements.

CORPORATE GOVERNANCE

Board of Directors

HCI Group, Inc. (the Company, HCI, we or us or when possessive our) conducts business through its officers and other employees, under the direction of the Chief Executive Officer and with the oversight of the Board of Directors, to enhance the long-term value of the Company for its shareholders. The members of Board of Directors are periodically elected by the shareholders to oversee management and to ensure that the long-term interests of the Company and the shareholders are being served. Each director is expected to perform as a director in good faith with the care an ordinarily prudent person in a like position would exercise under similar circumstances and in a manner the director reasonably believes to be in the best interests of the Company.

Board of Directors Leadership Structure

In our current Board leadership structure, Paresh Patel serves as Chairman of the Board and Chief Executive Officer. Mr. Patel's role includes providing ongoing feedback on the direction and performance of the Company, serving as Chairman of regular meetings of the Board of Directors, setting the agenda of Board meetings and leading the Board of Directors in anticipating and responding to changes in our business. Mr. Patel also plays a significant role in formulating and executing the Company's strategic plans, technology efforts and investment decisions. We believe Board oversight and planning is a collaborative effort among the directors, each of whom has unique skills, experience and education, and this structure facilitates collaboration and communication among the directors and management and makes best use of their respective skills.

The Board of Directors has established a Lead Independent Director position and adopted a Lead Independent Director Charter. The Lead Independent Director serves pursuant to that charter. Under the Lead Independent Director Charter, the Lead Independent Director is elected annually by the independent directors. Our current Lead Independent Director is Gregory Politis. He was elected to that position in 2017 and re-elected to the position in April 2018 and again in April 2019. A current copy of the Lead Independent Director Charter is available on our website: www.hcigroup.com. Select Investor Information and then Corporate Governance. The Board of Directors believes having a Lead Independent Director enhances management accountability to the Board of Directors.

Under the Lead Independent Director Charter, the Lead Independent Director has the following responsibilities:

To preside at all meetings of the Board of Directors at which the Chairman of the Board is not present, including executive sessions of the independent directors

To call meetings of the independent directors

To serve as the principal liaison between the Chairman of the Board and the independent directors, including providing the Chairman feedback after Board meetings

To be available, when appropriate, for consultation and direct communication with shareholders

To lead the independent directors' evaluation of the Chief Executive Officer's effectiveness as Chairman of the Board and Chief Executive Officer

The Lead Independent Director also functions as a channel of communication between the Board and the Company's shareholders and may be reached as described under Communicating with the Board of Directors on page 11. The Board of Directors continually reviews the effectiveness of our Board leadership structure to evaluate whether the structure remains appropriate for the Company and may determine to alter this leadership structure any time based on existing circumstances at that time.

CORPORATE GOVERNANCE

Board Meetings

The Board of Directors typically meets monthly, except in August, with additional meetings, as necessary, to review and discuss the performance of the Company, the Company's plans and prospects, and any immediate issues facing the Company. In 2018, 11 Board meetings were held. Each director attended at least 75% of the Board and applicable committee meetings. Directors are expected to attend all Board meetings with only occasional absences and to prepare for the meetings by reading any materials presented to them in advance of the meetings. Directors are expected to participate fully in the activities of any Board committee to which they may be elected and likewise to attend and prepare for all committee meetings. In addition to its general oversight of management, the Board of Directors performs a number of specific functions, including:

- (a) Selecting, evaluating and compensating the Chief Executive Officer and overseeing Chief Executive Officer succession planning
- (b) Providing counsel and oversight on the selection, evaluation, development and compensation of senior management
- (c) Reviewing, monitoring, providing counsel and, where appropriate, approving fundamental financial and business strategies and major corporate actions
- (d) Assessing major risks facing the Company and reviewing options for their mitigation
- (e) Ensuring processes are in place for maintaining the integrity of the Company with respect to its financial statements; compliance with law and ethics; relationships with customers, vendors and agents; and relationships with other interested parties

Independent Director Meetings

Independent directors and other non-management directors meet and communicate regularly without management participation. Non-management directors include directors who are not executive officers of the Company or otherwise employed by the Company, but are not considered to be independent by virtue of a material relationship, former status, family membership or any other reason. The Lead Independent Director presides at meetings of independent directors.

Committees of the Board of Directors

The Board of Directors has established three committees to assist the Board in performing its functions: the Audit Committee, the Compensation Committee, and the Governance and Nominating Committee. The current charters of these committees are published on the Company's website, www.hcigroup.com, and are mailed to shareholders on

written request. The members and the chairmen of the Board committees are elected annually by the Board of Directors.

Audit Committee

The Company has a separately designated standing Audit Committee established in accordance with the Securities and Exchange Act of 1934. The Audit Committee's responsibilities include the following:

Assisting our Board of Directors in its oversight of the quality and integrity of our accounting, auditing and reporting practices

Overseeing the work of our internal accounting and auditing processes

Discussing with management our processes to manage business and financial risk

Making appointment, compensation and retention decisions regarding the independent registered public accounting firm engaged by the Company, and overseeing their efforts to prepare or issue audit reports on our financial statements

Reviewing and discussing with management and the independent registered public accounting firm our annual and quarterly financial statements and related disclosures

The Audit Committee is composed of three members: Wayne Burks, Chairman, George Apostolou and Harish M. Patel. Since our common shares are listed on the New York Stock Exchange, we are governed by its listing standards. Accordingly, each member of the Audit Committee meets the independence tests set forth in Section 303A.02 of the New York Stock Exchange Listing Manual and the criteria for independence set forth in Rule 10A-3(b)(1) of the Securities and Exchange Commission. The Board of Directors has determined that Mr. Burks is an Audit Committee financial expert. The Audit Committee met formally four times during 2018 and otherwise acted by unanimous written consent. The Board of Directors has adopted a written Audit Committee Charter. A current copy of the charter is available on our website www.hcigroup.com. Compensation Committee

The Compensation Committee's responsibilities include the following:

Reviewing and approving the compensation programs applicable to our executive officers

Recommending to the Board of Directors the executive compensation programs and periodically reviewing administration policies for the programs

Reviewing and approving the corporate goals and objectives relevant to the compensation of the executive officers; evaluating the performance of the executive officers in light of those goals, objectives and strategies; and setting the compensation level of the executive officers based on this evaluation

Reviewing on a periodic basis the operation of our executive compensation programs to determine whether they are properly coordinated and achieving their intended purposes

Administering and making awards under the Company's 2012 Omnibus Incentive Plan, and monitoring and supervising the administration of any other benefit plans the Company may have

Reviewing and approving compensation of outside directors

The Compensation Committee has the authority to determine the compensation of the named executive officers and the non-employee directors and to make equity awards under the Company's 2012 Omnibus Incentive Plan. At least annually the Compensation Committee considers the results of the Company's operations and its financial position and makes compensation determinations. The Compensation Committee is currently composed of the following three directors: James Macchiarola, Chairman, Wayne Burks and Harish Patel, each of whom meets the independence tests set forth in Section 303A.02 of the New York Stock Exchange Listing Manual. The Compensation Committee met formally three times during 2018 and otherwise acted by unanimous written consent. The Board of Directors has adopted a formal Compensation Committee Charter. A current copy of the charter is available on our website, www.hcigroup.com. Click "Investor Information" and then "Corporate Governance". The Compensation Committee is committed to a pay-for-performance focus and open communications with shareholders.

Governance and Nominating Committee

The functions of the Governance and Nominating Committee include the following:

Establishing criteria for selection of potential directors, taking into account all factors it considers appropriate

Identifying and selecting individuals believed to be qualified as candidates to serve on the Board and recommending candidates to the Board to stand for election as directors at the Annual Meeting of Shareholders or, if applicable, at a special meeting of the shareholders

Table of Contents

CORPORATE GOVERNANCE

Recommending members of the Board to serve on the committees of the Board

Evaluating and ensuring the independence of each member of a Board committee that is required to be composed of independent directors

Developing and recommending to the Board a set of corporate governance principles appropriate for our Company and consistent with the applicable laws, regulations and listing requirements

Developing and recommending to the Board a code of conduct for our Company's directors, officers and employees

Ensuring that the Company makes all appropriate disclosures regarding the process for nominating candidates for election to the Board, including any process for shareholder nominations, the criteria established by the committee in evaluating candidates for nomination for election to the Board, and any other disclosures required by applicable laws, regulations or listing standards

Reporting regularly to the Board regarding meetings of the Committee, other matters relevant to the Committee's discharge of its responsibilities, and recommendations as the Committee may deem appropriate

The Governance and Nominating Committee is composed of three members: Harish Patel, Chairman, James Macchiarola and George Apostolou, each of whom meets the independence tests set forth in Section 303A.02 of the New York Stock Exchange Listing Manual. The Governance and Nominating Committee held two meetings in 2018. The Board of Directors has adopted a written Governance and Nominating Committee Charter. A current copy of the charter is available on our website at www.hcigroup.com. Click [Investor Information](#) and then [Corporate Governance](#).

Each of the proposed director nominees was recommended by the Governance and Nominating Committee to the Board of Directors.

The Governance and Nominating Committee identifies director candidates in numerous ways. Generally, the candidates are known to and recommended by members of the Board of Directors or management. In evaluating director candidates, the Governance and Nominating Committee considers a variety of attributes, criteria and factors, including experience, skills, expertise, diversity, personal and professional integrity, character, temperament, business judgment, time availability, dedication and conflicts of interest. At a minimum, director candidates must be at least 18 years of age and have such business, financial, technological or legal experience or education to enable them to make informed decisions on behalf of the Company. The Governance and Nominating Committee has not adopted a specific policy on diversity. However, in practice it has identified and recommended individuals of diverse ethnic, cultural and business backgrounds.

The Governance and Nominating Committee will consider director candidates recommended by shareholders. Any shareholder wishing to recommend one or more director candidates should send the recommendations before November 1 of the year preceding the next Annual Meeting of Shareholders to the Secretary of the Corporation, Andrew L. Graham, 5300 West Cypress Street, Suite 100, Tampa, Florida 33607. Each recommendation should set forth the candidate's name, age, business address, business telephone number, residence address, and principal occupation or employment and any other attributes or factors the shareholder wishes the Committee to consider, as well as the shareholder's name, address and telephone number and the class and number of shares held. The Committee may require the recommended candidate to furnish additional information. The secretary will forward recommendations of qualified candidates to the Governance and Nominating Committee, and those candidates will be given the same consideration as all other candidates.

A shareholder wishing to nominate an individual for election to the Board of Directors at the Annual Meeting of the Shareholders rather than recommend a candidate to the Governance and Nominating Committee, must comply with the advance notice requirements set forth in our bylaws. See Shareholder Proposals for Presentation at the 2020 Annual Meeting in Appendix C for further information.

CORPORATE GOVERNANCE

Access to Independent Advisors

The Board and its committees have the authority at any time to retain outside accounting, financial, compensation, recruiting, legal or other advisors. The Company will provide appropriate funding, as determined by the Board or any committee, to compensate such independent outside advisors, as well as to cover the ordinary administrative expenses incurred by the Board and its committees in carrying out their duties.

Director Attendance at Annual Meeting of Shareholders

Board members are encouraged, but not required, to attend the Annual Meeting of the Shareholders. All eight of our directors sitting for re-election or continuing in office attended the 2018 Annual Meeting of the Shareholders.

Board of Directors Role in Risk Oversight

The Board of Directors plays a significant role in monitoring risks to the Company and directly reviews matters involving major risks. For example, the Board annually reviews the level and design of our reinsurance programs. Reinsurance is insurance we buy from other insurance companies to cover hurricanes and other catastrophes. The Board of Directors also oversees our cybersecurity plans and efforts and typically approves strategic initiatives and large or unusual investments or expenditures of the Company's resources.

The Audit Committee, the Compensation Committee, and the Governance and Nominating Committee were established by the Board to assist in ensuring that material risks are identified and managed appropriately. The Board and its committees regularly review material operational, financial, compensation and compliance risks with executive management. The Audit Committee is responsible for assisting the Board of Directors in its oversight of the quality and integrity of our accounting, auditing and reporting practices, and discussing with management our processes to manage business and financial risk. The Compensation Committee considers risk in connection with its design of our compensation programs for our executives. The Governance and Nominating Committee regularly reviews the Company's corporate governance structure and Board committee assignments. Each committee regularly reports to the full Board of Directors.

Communicating with the Board of Directors

We have established procedures by which shareholders may communicate with members of the Board of Directors, individually or as a group. Shareholders wishing to communicate with the Board of Directors or a specific member of the Board may send written communications addressed to: Board of Directors, HCI Group, Inc., c/o Andrew L. Graham, Secretary of the Corporation, 5300 West Cypress Street, Suite 100, Tampa, Florida 33607. The mailing envelope should clearly specify the intended recipient or recipients, which may be the Board of Directors as a group or an individual member of the Board. The communication should include the shareholder's name and the number of shares owned. Communications that are not racially, ethically or religiously offensive, commercial, pornographic, obscene, vulgar, profane, defamatory, abusive, harassing, threatening, malicious, false or frivolous in nature will be promptly forwarded to the specified members of the Board of Directors. We have also established procedures by which all interested parties (not just shareholders) may communicate directly with our non-management or independent directors as a group. Any interested party wishing to communicate with our non-management or independent directors as a group may send written communications addressed to: Board of

Directors, HCI Group, Inc., c/o Andrew L. Graham, Secretary of the Corporation, 5300 West Cypress Street, Suite 100, Tampa, Florida 33607. The mailing envelope should clearly specify the intended recipients, which may be the non-management directors or the independent directors as a group. The Secretary will promptly forward the envelope for distribution to the intended recipients.

Board Observer Program

In 2018, we established a Board Observer Program to train selected individuals in public company board operations, governance and law, among other things, and prepare them to serve on public company boards and provide for us a

Table of Contents**CORPORATE GOVERNANCE**

means to identify future, exceptionally well qualified Board candidates. With limited exceptions, participants received all board materials and are invited to attend and participate in all Board meetings. They do not have voting privileges. In selecting program participants, we plan to emphasize segments of our population that may be underrepresented on public company boards. The initial participants were Loreen Spencer and Sue Watts, both of whom were recently appointed to our Board of Directors. (See their biographies on page 26.)

Director Education

We engage in ongoing efforts to educate our directors on matters important to their service as directors. Our General Counsel advises each new director on fiduciary duties and securities-reporting requirements. When a director is appointed to a new committee of the Board, the General Counsel advises the committee on the role of that particular committee under law, rules and the committee's charter.

Annual Evaluations

The Board of Directors conducts an annual evaluation to determine if the Board and its committees are functioning effectively. Likewise, each Board committee conducts an annual self-evaluation to determine if it is functioning effectively.

Director Compensation

Directors who are employees of the Company do not receive any additional compensation for their service as directors. The Compensation Committee determines the compensation of our non-employee directors, each of whom receives a cash payment of \$25,000 for every calendar quarter they serve as a director.

The following table sets forth information with respect to compensation earned by each of our directors (other than employee directors) during the year ended December 31, 2018.

Transactions with Related Persons**Oxbridge Reinsurance Limited**

Claddaugh Casualty Insurance Company, Ltd., HCI's Bermuda-domiciled reinsurance subsidiary, had a reinsurance agreement with Oxbridge Reinsurance Limited whereby Claddaugh ceded to Oxbridge a portion of the business it assumed from HCI's insurance subsidiary, Homeowners Choice Property & Casualty Insurance Company. From

June 1, 2017 through May 31, 2018, Oxbridge assumed \$7,400,000 of the total covered exposure for approximately \$3,400,000 in premiums. The premiums Oxbridge charged were at rates management believed to be competitive with market rates available to Claddaugh at the time. Because of claims it paid resulting from Hurricane Irma in September 2017, Oxbridge realized no financial benefit from the agreement. On May 28, 2018, Claddaugh terminated its multi-year reinsurance contract with Oxbridge effective June 1, 2018 and agreed to pay a settlement fee of \$600,000. During the term of the agreement, Oxbridge had deposited funds into trust accounts to satisfy certain collateral requirements under its reinsurance contract with Claddaugh. Trust assets could be withdrawn by Claddaugh, the trust beneficiary, in the event amounts were due under the Oxbridge reinsurance agreement. Among the Oxbridge shareholders are Paresh Patel, the Company's Chief Executive Officer, members of his immediate family and three of the Company's non-employee directors including Jay Madhu who serves as Oxbridge's Chairman and Chief Executive Officer. Claddaugh and Oxbridge are not currently engaged in any business relationship.

MATTER NO. 1 ELECTION OF DIRECTORS

Director Tenure

Board Selection Process

In accordance with the Company's articles of incorporation, the Board of Directors is divided into three classes. Each class consists of three or four directors. All directors within a class have the same three-year terms of office. The class terms expire at successive annual shareholders' meetings so that each year one class of directors is elected at the Annual Meeting of Shareholders. The Board does not believe arbitrary term limits on a director's service are appropriate, nor does it believe that directors should expect to be re-nominated upon expiration of a three-year term. Each year the Board of Directors proposes a slate of nominees for election at the Annual Meeting of Shareholders. The Governance and Nominating Committee is tasked with identifying and selecting individuals believed to be qualified as candidates to serve on the Board and recommending to the Board candidates to stand for election as directors at the Annual Meeting of Shareholders or, if applicable, at a special meeting of the shareholders. The Governance and Nominating Committee identifies director candidates in numerous ways. Generally, the candidates are known to and recommended by members of the Board of Directors or management. The Governance and Nominating Committee also considers director candidates recommended by shareholders. Shareholders may submit

recommendations for Board nominees directly to the Board or at the Annual Meeting of Shareholders. See page 10 for information on submitting director nominations to the Board. A shareholder wishing to nominate an individual for election to the Board of Directors at the Annual Meeting of Shareholders, rather than recommend a candidate to the Governance and Nominating Committee, must comply with the advance notice requirements set forth in the Company’s bylaws, a copy of which can be found on the Company’s website, www.hcigroup.com, by selecting the Investor Information tab followed by Corporate Governance.

Qualifications of Board Members

In selecting individuals for Board membership, the Board of Directors considers a variety of attributes, criteria and factors, including experience, skills, expertise, diversity, personal and professional integrity, character, temperament, business judgment, time availability, dedication and conflicts of interest. At a minimum, director candidates must be at least 18 years of age, have sufficient time to devote to their Board duties and have such business, financial, technological or legal experience or education to enable them to make informed decisions on behalf of the Company. A majority of the Board members must be independent, as determined by the Board of Directors, in accordance with the listing standards of the New York Stock Exchange. In general, the Board affirmatively determines whether a director has any direct or indirect material relationship with the Company. All members of the Audit Committee, Compensation Committee, and Governance and Nominating Committee must be independent, with members of the Audit Committee and the Compensation Committee meeting higher levels of independence. Members of the Audit Committee must be financially literate as determined by the Board and at least one member must be an Audit Committee Financial Expert as described in the rules of the U.S. Securities and Exchange Commission.

|-------------------------|-------------------------|-------------------|------------|------------|---------------------------------------|--|------------------------------------|

Diversity and Board Tenure

We believe that a variety of perspectives, opinions and backgrounds among the Board members is important to the Board's ability to perform its duties. Our Board is diverse in terms of gender, ethnicity, culture, education and business backgrounds.

Board tenure diversity is equally important, as we seek to achieve the appropriate balance of years of service among Board members. Our senior directors have deep knowledge of our Company and business operations, while new directors provide fresh perspectives. Our current Board of Directors has an average tenure of 7.9 years.

Table of Contents**MATTER NO. 1 ELECTION OF DIRECTORS****Arrangements as to Selection and Nomination of Directors**

We are not aware of any arrangements as to the selection and nomination of directors.

Independent Directors

Based upon recommendations of our Governance and Nominating Committee, the Board of Directors has determined that current directors George Apostolou, Wayne Burks, James Macchiarola, Harish M. Patel, Gregory Politis, Loreen Spencer, and Sue Watts are independent directors meeting the independence tests set forth in Section 303A.02 of the New York Stock Exchange Listing Manual, including having no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). In the case of Mr. Apostolou, the Board considered his role as a director of First Home Bank, where the Company had during 2018 as much as approximately \$15 million on deposit. In the view of the Board the amount of the deposits is not material to the Company or the bank.

Shareholder Votes at 2018 Annual Meeting of Shareholders

At our 2018 Annual Meeting of Shareholders, James Macchiarola and Harish Patel were re-elected to the Board with vote totals detailed below.

| Director Nominee | For | Withheld |
|-------------------------|------------|-----------------|
| James Macchiarola | 3,960,258 | 3,426,288 |
| Harish Patel | 4,448,580 | 2,937,966 |

While we view these results as a significant improvement from previous years, we strive for continuous improvement and intend to continue our shareholder outreach and other efforts.

MATTER NO. 3 APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

We are seeking an advisory vote to approve the compensation of our named executive officers for 2018.

This say-on-pay vote is advisory and non-binding on our Board, but our Compensation Committee will take into consideration the outcome of the vote when making future compensation decisions. At the 2016 Annual Meeting of Shareholders, 45.3% of the votes cast favored our say-on-pay proposal. As a result, in the fall of 2016 our Compensation Committee established a formal ongoing shareholder outreach program to understand our stockholders concerns. The overwhelming concern was addressed in 2017 when the annual compensation for our Chief Executive Officer, a major shareholder, was changed from a cash-only plan to a blend of cash and equity, which better aligned his pay with shareholder interests. This change was the result of a complete redesign of our chief executive officer compensation program that was undertaken by the Compensation Committee with the assistance of Willis Towers Watson, a leading compensation consulting firm.

Our engagement with shareholders continued over the past twelve months, when the Chairman of our Compensation Committee had discussions with 11 of our 20 largest shareholders, representing nearly 50% of our outstanding shares.

Our Board believes that our current executive compensation program appropriately links compensation realized by our executive officers to our performance and properly aligns the interests of our executive officers with those of our shareholders. A description of our executive compensation programs and a discussion of the pay decisions for 2018 for the chief executive officer and our other named executive officers are included in Compensation Discussion and Analysis below.

Our Board recommends that our shareholders vote in favor of the following resolution:

RESOLVED that the shareholders approve compensation paid to the Company's named executive officers as disclosed in the Company's Proxy Statement with respect to the Company's 2019 Annual Meeting of Shareholders pursuant to Item 402 of Regulation S-K including the Compensation Discussion and Analysis section, the Summary Compensation Table and other compensation tables and related discussion and disclosure.

Compensation Discussion and Analysis

Introduction

The following discussion describes the principal objectives of our executive compensation programs with respect to our named executive officers, outlines those programs, and describes how we believe our executive compensation programs meet our objectives. Named executive officers include the Chief Executive Officer, the Chief Financial Officer and the three most highly compensated executive officers. The following individuals served as named executive officers during 2018:

Name and office

Paresh Patel, Chief Executive Officer

Mark Harmsworth, Chief Financial Officer

Anthony Saravanos, President - Real Estate Division

Karin Coleman, Executive Vice President

Andrew L. Graham, General Counsel

Under our Compensation Committee charter, the Compensation Committee has the authority to set the compensation of the named executive officers and to grant equity awards under the Company's 2012 Omnibus Incentive Plan.

Key Information

Our compensation plans are designed to incentivize executive behavior that drives positive financial performance, which leads to increased shareholder returns. We believe our compensation plans support this objective and the 2018 executive compensation decisions reflect our pay-for-performance philosophy.

Performance on the Company's financial and strategic goals is an important factor in our compensation decisions. The compensation awarded in 2018 to our Chief Executive Officer, Paresh Patel, and our other named executive officers reflects the Company's accomplishments during the year and our pay-for-performance framework.

Our business performance in 2018 continued our long-term record of strong financial and operating results. Net income for 2018 totaled \$17.7 million or \$2.34 diluted earnings per common share. Investment income from 2017 to 2018 increased 45%. We also maintained a strong balance sheet. In 2018 our market capitalization grew 52%, our stock price increased 70% and we paid \$12.5 million in dividends.

MATTER NO. 3 APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

As illustrated in the following charts, the Company's Return on Equity (ROE) has averaged 20% over the past decade, and the Company has reported strong levels of Earnings Before Interest and Taxes (EBIT)⁽¹⁾ as well, despite several hurricanes materially impacting our core homeowners insurance business.⁽²⁾ While hurricanes are a factor our management cannot control, management can control how they respond to those events. In the opinion of the Compensation Committee, the Company's response to recent hurricanes was well planned and well executed.

- (1) Earnings Before Interest and Taxes (EBIT) is a financial measurement not recognized in accordance with accounting principles generally accepted in the United States of America (GAAP) and should not be viewed as an alternative to GAAP measures of performance. It excludes from net income or loss 1) interest expense, and 2) income tax expense, or income tax benefit in the case of a net loss. HCI believes this financial measurement is a preferable gauge of operating profit. A reconciliation of EBIT to GAAP net income/loss is provided in Appendix D.
- (2) Financial results for 2016, 2017 and 2018 were affected by Hurricane Matthew, Hurricane Irma and Hurricane Michael, respectively.

Principal Objectives and Approach

In designing our executive compensation programs, the Compensation Committee's principal objectives are to attract and retain highly skilled executives, align executive compensation with corporate performance (without encouraging excessive risk) and align the interests of our executives with the interests of our shareholders.

Benchmarking

To attract and retain key executives, we carefully consider our market environment when setting pay levels for our executives, recognizing that we are in a highly competitive industry in which talented people are a significant driver of value.

In 2016, Willis Towers Watson assisted the Compensation Committee in benchmarking and in conducting pay-level and incentive-design analysis. They used two groups of peer companies representing the principal potential talent market: the insurance industry and the software industry. While the Company's primary business is property and casualty insurance, its success relies on the development and implementation of custom software developed in house by our Exzeo software division.

The Committee benchmarks compensation annually using a core peer group of publicly held property and casualty companies based in Florida, because these companies are similar to us in terms of insurance services and market opportunity. The Committee reviews compensation and shareholder returns of these core peer companies during the process of finalizing chief executive officer compensation. The cash bonus and total compensation for our Chief Executive Officer may be higher or lower than the target reference point for chief executive officers in the core peer group because of factors such as performance and retention, as well as size and complexity of the job.

The companies within each peer group are all U.S.-based publicly held companies similar in size to our Company. The selected peer companies are listed below.

2018 Company Performance

Performance on the Company's financial and strategic goals is an important factor in our compensation decisions. The compensation awarded in 2018 to our Chief Executive Officer, Paresh Patel, and our other named executive officers reflects the Company's accomplishments during the year and our pay-for-performance framework.

We view corporate performance not just financially, but broadly to include numerous nonfinancial, qualitative factors, including the Company's success in creating and advancing strategic initiatives, planning for and responding to

hurricanes and other catastrophic events, providing excellent customer service, and passing regulatory examinations.

As no formula or set of metrics can appropriately capture all the drivers of performance, or substitute for sound management, the Compensation Committee retains discretion in awarding cash, equity and other benefits to executives.

Our business performance in 2018 continued our long-term record of strong financial and operating results. Net income for 2018 totaled \$17.7 million or \$2.34 diluted earnings per common share. Investment income from 2017 to 2018 increased 45%. We also maintained a strong balance sheet, which is a key component of our business strategy. It enables us to move quickly when strategic opportunities arise. Our shareholders benefited. In 2018 our market capitalization grew 52%, our stock price increased 70%, and we paid \$12.5 million in dividends.

Long term, the Company has had consistent profitability and best-in-class profit margins.

The Company's Return on Equity (ROE) has averaged 20% over the past decade, and it has reported strong levels of Earnings Before Interest and Taxes (EBIT) as well, despite several hurricanes materially impacting our core homeowners insurance business (see the charts under Key Information above). The Company has been profitable in 43 of the last 45 quarters and paid dividends in 34 consecutive quarters. Customer retention is also a key success factor for our business, and we are pleased that our homeowners insurance policyholders have been insured by us for an average of approximately six and a half years. We believe customer retention indicates, among other things, an excellent level of customer service.

Table of Contents

MATTER NO. 3 APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Hurricanes, of course, are a factor that heavily affects our financial results but which our management cannot control. However, our response to those events is within management's control. In the opinion of the Compensation Committee, the Company's response to recent hurricanes was well planned and well executed.

The Company had notable strategic achievements in 2018. TypTap Insurance Company, our technology-driven insurance subsidiary, which began business in 2016 by addressing a critical market demand for flood insurance, expanded its product offerings to include homeowners insurance deploying new technology developed by our Exzeo technology division. As a consequence, in 2018 TypTap increased gross written premium 67% over 2017. Other strategic achievements were the expansion of our core insurance business to other states. We now offer flood insurance in five states. In addition, our real estate division completed several projects and acquisitions adding strategic balance and diversification.

Compensation Committee Engagement with Shareholders

The Compensation Committee considers the opinions of shareholders in making compensation decisions. Following the 2016 say-on-pay vote, the Chairman of the Compensation Committee and our Senior Vice President of Investor Relations established an ongoing program to speak with our shareholders twice annually—once during the off-season and once prior to proxy voting. The purpose of the off-season conference calls is to understand investor perspectives regarding compensation, governance and any additional matters, and to update shareholders on our compensation and governance initiatives.

We focused the engagement program on our 20 largest shareholders, representing approximately 77.4% of our outstanding common stock. During the past 12 months, the Chairman of the Compensation Committee and our Senior Vice President of Investor Relations spoke with 11 shareholders representing nearly 50% of the Company's outstanding common stock. To assist with our shareholder engagement program, we have hired the proxy advisory firm, Alliance Advisors.

The main areas of feedback we received from investors and the actions we took in response are summarized in the following table.

MATTER NO. 3 APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Elements of Executive Compensation

The Compensation Committee uses a balanced set of pay elements to determine executive compensation levels, including base salaries, short-term cash performance bonuses and long-term equity incentives comprising restricted stock awards and, in the case of the Chief Executive Officer, stock purchase option awards. We believe these elements create appropriate incentives for driving strong corporate performance, align the interests of our executives with those of our shareholders, and enable us to retain and reward outstanding executive talent.

During 2016 and 2017 the Compensation Committee reviewed and redesigned the compensation program of our Chief Executive Officer, Paresh Patel, with the assistance of Willis Towers Watson, a leading compensation firm, and input from shareholders. The plan established in 2017 aligns Mr. Patel's and the shareholders' interests and provides competitive compensation while ensuring a strong link between pay and performance. It also creates a better balance relative to the core peer group with which we compete for talent. The Chief Executive's 2018 executive compensation award includes a short-term cash bonus payment and long-term equity awards that are consistent with the redesigned plan.

Compensation Process

The Compensation Committee uses a common-sense approach to setting executive compensation. It considers objective measures of business performance as well as the judgment and knowledge of Committee members as to the talents, work habits and contributions of our executive officers.

Performance Measures

When determining executive compensation, the Compensation Committee examines Company performance on two financial metrics, EBIT (Earnings Before Interest and Taxes) and Return on Equity (ROE). We believe these measures most accurately reflect the performance of the business and the value created for shareholders.

In determining the Chief Executive Officer's compensation, each year the Compensation Committee sets performance targets for EBIT and ROE to provide an appropriate incentive for achieving corporate goals. The Company's actual results for EBIT and ROE are compared against the targets, and the Chief Executive Officer is eligible to receive a cash bonus based on a percentage of his base salary, provided certain minimum performance levels are achieved.

The Compensation Committee also awards equity compensation in the form of restricted stock and, in the case of the Chief Executive Officer, stock options to create a significant incentive for achieving long-term financial and strategic goals and to retain talented executives. When determining equity awards, the Committee considers competitive market dynamics, peer-group compensation levels and the Company's overall financial performance. Equity awards vest over a four-year period.

Role of the Board of Directors and Management in Compensation Decisions

The Compensation Committee views the determination of compensation to be a collaborative effort, and it welcomes and seeks input from executive officers, other directors and shareholders.

At least annually, before executive compensation is set for the year, the Compensation Committee discusses its compensation philosophy with the full Board of Directors and briefs the Board of Directors on the structure of the Company's executive compensation programs. The Chairman of the Compensation Committee attempts to ensure that open communication exists between the Compensation Committee and the Company's largest shareholders to discuss executive compensation. The Chairman reports to the Committee and the Board of Directors any material issues raised during these shareholder discussions, and the Committee and the Board of Directors, in good faith, address those issues.

In setting compensation of the named executive officers other than the Chief Executive Officer, the Compensation Committee invites the Chief Executive Officer to present his evaluation of each named executive officer's performance

Table of Contents**MATTER NO. 3 APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS**

during the year and provide recommendations regarding each executive's base salary, performance bonus and equity compensation. The Committee has full authority to accept, modify or reject these recommendations.

The Compensation Committee discusses Mr. Patel's compensation and related proposals with him. Decisions regarding Mr. Patel's compensation are made by the Committee and reviewed by the Board without Mr. Patel present.

Role of the Compensation Consultant

To assist in determining compensation of our named executive officers, the Company engages the services of Willis Towers Watson, a leading compensation advisory firm. The annual base salary for Mr. Patel of \$950,000 was unchanged from 2017, the amount provided in his 2016 employment agreement with the Company (see Employment Agreements). The base salary amount positions Mr. Patel at the lower level of the core peer group. The annual base salaries for all other named executive officers were increased in 2018 to reflect competitive market considerations. Cash bonus awards for all other named executive officers reflected the achievement of the Company's financial goals and individual performance.

CEO Cash Bonus and Equity Compensation

In March 2018, the Compensation Committee established an incentive pay plan to outline the cash bonus available to be earned by Mr. Patel for 2018. Under the plan, the bonus was based on actual results compared against two performance measures, Earnings Before Interest and Taxes and Return on Equity, with each performance measure given equal weight. The 2018 targets were \$60 million for EBIT and 16% ROE. A bonus could be paid under either or both measures, but a threshold level of performance (equal to 70% of the applicable target) had to be reached for any bonus to be payable for each respective target.

The Compensation Committee concluded, following input from the compensation consultant and shareholders, that EBIT and ROE best represented the Company's financial performance and thus best served as metrics to link the CEO's pay with performance and align his interests with those of shareholders. The Committee set the potential bonus payout range at 50% to 200% of base salary, based on the achievement of EBIT and ROE targets. The targets and payouts at the lower levels were designed to be reasonably achieved and to reward the Chief Executive Officer for continued consistent performance. At the higher levels, they were designed to reward the CEO for extraordinary performance. The performance measures and possible bonus payouts are summarized below.

| Performance Measure | Weight | Performance Target | Actual Result | Bonus Payouts at Levels Achieved: | | |
|---------------------|--------|--------------------|------------------------------|---------------------------------------|---------------------------|--------------------------------------|
| | | | | Threshold - 70% of Target is Achieved | Target - 100% is Achieved | Maximum - 200% of Target is Achieved |
| EBIT | 50% | \$ 60,000,000 | \$ 45,550,000 ⁽¹⁾ | \$ 475,000 | \$ 950,000 | \$ 1,900,000 |
| ROE | 50% | 16% | 9% | \$ 475,000 | \$ 950,000 | \$ 1,900,000 |

⁽¹⁾ Adjusted for bonus expense deducted from earnings.

The Company's 2018 financial performance was adversely affected by losses sustained from Hurricane Michael. As a result, Mr. Patel did not meet the ROE target but did achieve 76% of the EBIT target. Based on these results, Mr. Patel was paid a cash bonus of \$569,000. Although the Compensation Committee had the discretion to award an additional cash bonus above the amount determined by the performance calculations, it did not do so.

During 2018, Mr. Patel was awarded 40,000 shares of restricted stock and 110,000 stock purchase options having an exercise price of \$40 per share. Each award is subject to a four-year vesting period intended to encourage long-term performance and executive retention. The Committee plans to award new tranches of equity compensation annually,

which we believe is an appropriate practice and consistent with our industry peers.

The Compensation Committee believes Mr. Patel's total compensation recognizes his significant contributions to the Company's success and creates strong incentives to achieve its long-term strategic goals and increase shareholder value. His total compensation is in the middle range of compensation for chief executive officers in our core peer group.

Employment Agreements

Certain executives' compensation and other arrangements are set forth in employment agreements. These employment agreements are described below.

Paresh Patel. On December 30, 2016, we entered into an employment agreement with Mr. Paresh Patel, our Chief Executive Officer. The agreement calls for a four-year term of employment beginning January 1, 2017 and will automatically renew for additional one-year terms unless either party delivers written notice of non-renewal to the other at least 90 days before expiration of the initial term or any renewal term. During the term of the agreement, Mr. Patel will be paid a base annual salary of \$950,000 (or a higher amount as may be set from time to time by the Company's Board of Directors). He will be entitled to any additional bonus compensation provided for by resolution of the Company's Board of Directors or applicable committee of the Board of Directors. Mr. Patel will also be entitled to participate in our medical, dental, life, disability and retirement benefits plans, if any, upon substantially the same terms applicable to other Company executives.

In the event of termination without good cause, Mr. Patel will be entitled to accrued base salary, accrued vacation pay and other time off, each through the date of termination. He will also be entitled to severance compensation of his base salary for six months after the date of termination. If we terminate Mr. Patel's employment for good cause, he will be entitled only to accrued base salary, accrued vacation pay and other paid time off, each through the date of termination. If Mr. Patel chooses to terminate his employment, he will be entitled to accrued base salary, accrued vacation pay and other paid time off, each through the date of termination. The agreement provides that during the time of Mr. Patel's employment and for a period of six months after termination of employment, he will not enter into, engage in, be employed or consult with any business that competes with HCI.

Mark Harmsworth. On November 23, 2016, we entered into an employment agreement with Mr. Harmsworth, our Chief Financial Officer. Mr. Harmsworth initially served as Senior Vice President of Finance and assumed the role of Chief Financial Officer on May 16, 2017. The agreement calls for a four-year term of employment beginning on December 5, 2016 and will automatically renew for additional one-year terms unless either party delivers written notice of non-renewal at least 90 days before expiration of the initial term or any renewal term. During the term of the agreement, Mr. Harmsworth will be paid a base annual salary of \$300,000 (or higher amount as may be set from time to time by the Company's Board of Directors). Mr. Harmsworth was paid an initial signing bonus of \$15,000 and an additional bonus of \$25,000 after one month of employment. In 2017, Mr. Harmsworth was entitled to a bonus of not less than \$100,000. He is entitled to any additional compensation provided by resolution of the Company's Board of Directors or applicable committee of the Board of Directors. Mr. Harmsworth was awarded 40,000 shares of restricted stock subject to a four-year vesting period. He is also entitled to participate in our medical, dental, life, disability and retirement benefits plans, if any, upon substantially the same terms applicable to other Company executives.

Under his employment agreement, in the event of termination without good cause, Mr. Harmsworth is entitled to accrued base salary, accrued vacation pay and other time off, each through the date of termination. He will also be entitled to severance compensation of his base salary for 12 months after the date of termination. If we terminate Mr. Harmsworth's employment for good cause, he will be entitled to only accrued base salary and accrued paid time off, each through the date of termination. If Mr. Harmsworth chooses to terminate his employment, he will be entitled to accrued base salary and accrued paid time off, each through the date of termination. The agreement provides that during the time of Mr. Harmsworth's employment and for a period of 12 months after termination of employment, he will not enter into, engage in, be employed or consult with any business that competes with HCI.

Mr. Harmsworth's agreement regarding the 40,000 restricted shares awarded to him at the beginning of his employment provides that if his employment is terminated without good cause, then up to 10,000 of his remaining unvested shares will vest.

MATTER NO. 3 APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Clawback Policy

Our Compensation Committee charter contains a clawback policy. It provides that in appropriate circumstances the Committee will require an executive officer to reimburse the Company for incentive compensation payments predicated upon financial results that were subsequently restated and filed with the Securities and Exchange Commission.

Accounting and Tax Considerations

In designing our compensation programs, we consider the potential accounting and tax effects on the Company and our employees. In allocating among different components of compensation, we consider the accounting expense and potential reward associated with each separate component of compensation.

To assist with the payment of their income taxes, when their restricted shares vest or their stock options are exercised, our executives are entitled to surrender a portion of their holdings to the Company for the payment of taxes.

Section 162(m) of the Internal Revenue Code [Section 162(m)] generally disallows a tax deduction to a public corporation for compensation over \$1,000,000 paid in any fiscal year to a company's chief executive officer or other named executive officers (excluding the company's principal financial officer, in the case of tax years commencing before 2018). However, in the case of tax years commencing before 2018, the statute exempted qualifying performance-based compensation from the deduction limitation if certain requirements were met. Section 162(m) was amended in December 2017 by the Tax Cuts and Jobs Act to eliminate the exemption for performance-based compensation (other than with respect to certain grandfathered arrangements entered into prior to November 2, 2017) and to expand the group of named executive officers who may be covered by the deduction limit under Section 162(m). For 2018, approximately \$692,000 of HCI's executive officer compensation was determined to be nondeductible under Section 162(m). The Compensation Committee expects in the future to authorize compensation in excess of \$1,000,000 to one or more named executive officers that will not be deductible under Section 162(m) when it believes that doing so is in the best interests of HCI Group, Inc. and its shareholders.

Pension or Other Retirement Plan and Deferred Compensation Plans

Except for the Company's 401(k) Safe Harbor Profit Sharing Plan described above under Compensation Discussion and Analysis, we have not had and currently do not have a pension or other retirement plan or a nonqualified deferred compensation plan. Accordingly, the pension benefit table, the nonqualified deferred compensation table, and any related disclosures have been omitted from the discussion below. The Company's 401(k) Plan matching contributions are described in footnote 1 to the Summary Compensation Table below.

Potential Payments Upon Termination or Change-in-Control

At December 31, 2018, Paresh Patel and Mark Harmsworth are the only named executive officers due cash compensation in the event of termination of employment. The amount of compensation payable to such named executive officers upon voluntary termination, involuntary termination without cause, termination with cause and termination in the event of permanent disability or death of the executive is set forth above under Employment

Agreements. Under our 2012 Omnibus Incentive Plan, restricted shares vest immediately upon a change of control unless the surviving entity assumes the obligation or issues replacement securities. Further, restricted shares vest immediately if the holder's employment is terminated within 12 months after a change in control.

Table of Contents**MATTER NO. 3 APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS****Summary Compensation Table**

The following table provides summary information concerning compensation for services rendered in all capacities awarded to, earned by or paid to our named executive officers during the years ended December 31, 2018, 2017 and 2016. Note that Securities and Exchange Commission rules require us to report stock awards at the grant-date fair value of the entire award in the year of the grant rather than reporting this expense over the service period as we do for financial reporting purposes. Fair value of stock and option awards is estimated in accordance with Accounting Standards Codification (ASC) Topic 718 Compensation Stock Compensation. Hence, in the table below, each amount appearing under Stock Awards and Option Awards is an estimate of the award's fair value at the grant date, regardless of whether vesting has occurred. Stock awards included in the summary compensation below were, in all cases, restricted stock awards that contain service-only provisions. Thus, the values given for these awards are based on the value of the Company's stock on the grant date. The actual values on the vesting date will almost certainly differ from the estimated values.

Compensation Policies Related to Risk Management

The Board of Directors has considered risks associated with the Company's compensation policies and practices and identified no compensation policies or practices that are reasonably likely to have a material adverse effect on the Company.

CEO Pay Ratio

In accordance with Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act and Item 402(u) of Regulation S-K, we are providing the following information about the ratio of the total annual compensation

of our Chief Executive Officer, Paresh Patel, to the total annual compensation of our median employee. As permitted by Item 402(u), we are using the same median employee that we identified in our Proxy Statement for our 2018 Annual Meeting of Shareholders. We believe that there have been no changes in our employee population or employee compensation arrangements that would significantly impact the pay ratio.

For 2018, our last completed fiscal year:

The median employee total annual compensation (excluding our Chief Executive Officer) was \$41,017

Our Chief Executive Officer's total annual compensation as reported in our 2018 Summary Compensation Table was \$4,262,719

The ratio of Chief Executive Officer to median employee total annual compensation was 104 to 1. In determining the median employee, we prepared a list of employees as of December 31, 2017 which consisted of a total of 412 employees with 325 located in the United States and 87 (21%) located in India. We then identified our median employee based on total annual compensation calculated with the same methodology used for our named executive officers as set forth in our Summary Compensation Table. The components used to determine total annual compensation were annualized for those employees who were not employed for the full year of 2017. We did not adjust for the difference in cost of living between India and the Tampa Bay area. To resolve the issue of selecting a median from an even number of data points, we selected the employee whose salary would yield a higher pay ratio. The median employee is based in the United States.

Table of Contents

MATTER NO. 3 APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

We have elected to disclose a supplemental ratio that includes the value of health care benefits paid by the Company. Because these benefits are provided on a broad, non-discretionary basis, the value is not required to be reported in the 2018 Summary Compensation Table. However, if we include the value of these benefits, the total annual compensation of our median employee would increase by \$6,577 and the total annual compensation of our CEO would increase by \$6,577, resulting in a ratio of our CEO's annual total compensation to the annual total compensation of our median employee of 90 to 1.

We believe that the pay ratio presented above is a reasonable estimate. Because the Securities and Exchange Commission rules for identifying the median employee and calculating the pay ratio allow companies to use different methodologies, exemptions, estimates and assumptions, this pay ratio may not be comparable to the pay ratio reported by other companies.

MATTER NO. 4 APPROVAL, ON AN ADVISORY BASIS, OF THE FREQUENCY OF HOLDING AN ADVISORY VOTE ON EXECUTIVE COMPENSATION

Under Section 14A of the Securities and Exchange Act of 1934, we are required every six years to have an advisory shareholder vote on the frequency of having the advisory vote on the compensation of our named executive officers (as described at Matter 3). The shareholders last voted on this frequency matter in 2013. Our Board of Directors has determined that the advisory vote on the compensation of our named executive officers should and will be held every year. We are requesting that shareholders vote on this frequency. Specifically, we are asking shareholders to vote on whether the advisory vote on executive compensation should occur every year, every two years or every three years.

The Company's Board of Directors believes that a frequency of every year for the advisory vote on executive compensation is the appropriate choice for conducting and having shareholders vote on this matter.

Shareholders are being asked to vote on the following resolution:

RESOLVED, that the shareholders of the Company approve, on an advisory basis, the frequency with which the shareholders of the Company will vote on the compensation of the Company's named executive officers as disclosed in the Company's Proxy Statement by selecting one of the following choices:

FOR every year; FOR every two years; FOR every three years; or ABSTAIN from voting.

While this advisory vote on the frequency of the advisory vote on executive compensation of our named executive officers is not binding on the Company, the Compensation Committee and our Board of Directors value the opinions of our shareholders and will consider the vote outcome when determining the frequency of future advisory votes on executive compensation.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE *FOR* THE OPTION OF EVERY YEAR AS THE FREQUENCY WITH WHICH SHAREHOLDERS WILL VOTE ON THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS ITEM 4 ON YOUR PROXY CARD.

APPENDIX A: Questions and Answers About the Annual Meeting

What is the purpose of the meeting?

The principal purposes of the Annual Meeting are to elect three directors to the Company's Board of Directors; ratify the appointment of Dixon Hughes Goodman, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2019; approve, on an advisory basis, the compensation of our named executive officers; and approve, on an advisory basis, the frequency of holding an advisory vote on executive compensation. In addition, our management will report on our performance during 2018, discuss challenges ahead and respond to questions from shareholders.

When were these materials mailed?

We began mailing this Proxy Statement on or about April 30, 2019.

Who is entitled to vote?

Shareholders of record at the close of business on the record date, April 11, 2019, are entitled to vote in person or by proxy at the Annual Meeting. In general, shareholders are entitled to one vote per common share on each matter voted upon. In an election for directors, however, shareholders are entitled to vote the number of shares they own for as many director candidates as there are directors to be elected. The Board of Directors has determined that the Board of Directors should include three Class B directorships. Accordingly, since three directors are to be elected at this Annual Meeting, in electing directors, each share held will entitle the shareholder to three votes, one per director. Shareholders may not cumulate their votes. As of April 11, 2019, there were 8,529,868 common shares outstanding.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares outstanding will constitute a quorum, permitting us to conduct the business of the meeting. Proxies received but marked as **WITHHOLD AUTHORITY** and broker non-votes will be included in the calculation of the number of shares considered to be present at the Annual Meeting, but will not be counted for any other purpose. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular proposal and has not received instructions as to that proposal from the beneficial owner.

What is the difference between a shareholder of record and a beneficial owner?

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, then you are a shareholder of record. This Notice of Meeting and Proxy Statement has been provided directly to you by HCI Group, Inc. You may vote by ballot at the meeting or vote by proxy. To vote by proxy, sign, date and return the enclosed proxy card or follow the instructions on the proxy card for voting by telephone or internet. Alternatively, you may provide your own proxy to anyone to represent you and vote on your behalf at the meeting.

If your shares are held for you in a brokerage, bank, or other institutional account (that is, held in street name), then you are not a shareholder of record. Rather, the institution is the shareholder of record and you are the beneficial owner of the shares. The accompanying Notice of Meeting and this Proxy Statement have been forwarded to you by that institution. If you complete and properly sign the accompanying proxy card and return it in the enclosed envelope

or follow the instructions on the proxy card for voting by telephone or internet, the institution will cause your shares to be voted in accordance with your instructions. If you are a beneficial owner of shares and wish to vote in person at the Annual Meeting, then you must obtain a proxy, executed in your favor, from the shareholder of record (the institution).

Table of Contents**APPENDIX A: Questions and Answers About the Annual Meeting*****How do I vote?***

By Ballot at the Meeting. If you are a shareholder of record and attend the Annual Meeting, you may vote in person by ballot at the Annual Meeting. To vote by ballot, you must register and confirm your shareholder status at the meeting. If the shareholder of record is a corporation, partnership, limited liability company or other entity of which you are an officer or other authorized person, then you should bring evidence of your authority to vote the shares on behalf of the entity. If your shares are held for you in a brokerage, bank, or other institutional account (that is, in street name), you must obtain a proxy, executed in your favor, from that institution (the shareholder of record) to vote your beneficially-owned shares by ballot at the Annual Meeting. In the election of directors (Matter No. 1), each share held by a shareholder of record will be entitled to three votes, one for each director to be elected. Your option with respect to each director will be to vote FOR the director or to abstain from voting. In the vote to ratify the appointment of Dixon Hughes Goodman, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2019 (Matter No. 2), each share held by a shareholder of record will be entitled to one vote. Your options will be to vote FOR or AGAINST or to ABSTAIN. With respect to the advisory vote related to the compensation of our named executive officers (Matter No. 3), each share held by a shareholder of record will be entitled to one vote. Your options will be to vote FOR or AGAINST or to ABSTAIN. With respect to the advisory vote related to the frequency of holding an advisory vote on executive compensation (Matter No. 4), each share held by a shareholder of record will be entitled to one vote. Your options will be to vote FOR every year, FOR every two years, FOR every three years, or ABSTAIN from voting.

By Proxy. If you complete, sign, and return the accompanying proxy card or follow the instructions on the proxy card for voting by telephone or internet, then your shares will be voted as you direct. In the election of directors (Matter No. 1), your options with respect to each director are to direct a vote FOR or to WITHHOLD AUTHORITY. In the proposal to ratify the appointment of Dixon Hughes Goodman, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2019 (Matter No. 2), your options will be to direct votes FOR or AGAINST or to direct the proxy to ABSTAIN from voting on that proposal. With respect to the advisory vote related to compensation of our named executive officers (Matter No. 3), your options will be to direct votes FOR or AGAINST or to ABSTAIN from voting on that matter. With respect to the advisory vote related to the frequency of holding an advisory vote on executive compensation (Matter No. 4), your options will be to vote FOR every year, FOR every two years, FOR every three years, or ABSTAIN from voting.

If you are a shareholder of record, then you may opt to deliver your completed proxy card in person at the Annual Meeting.

Can I vote by telephone or internet?

Yes. If you follow the instructions on the proxy card for voting by telephone or internet, your shares will be voted as you direct.

What does it mean if I receive more than one proxy card?

When you own your shares in different ways, you will receive separate proxy cards for each mode of ownership. For example, you may own shares individually, as a joint tenant, in an individual retirement account, in trust, or in one or more brokerage accounts. You should complete, sign, and return each proxy card you receive or follow the telephone

or internet instructions on each card. The instructions on each proxy card may differ. Be sure to follow the instructions on each card.

Can I change my vote or instruction?

Yes. You may follow the instructions on the proxy card to change your votes or instructions any time before midnight the day before the meeting.

In addition, if you are a shareholder of record, you may revoke your proxy any time before your shares are voted by filing with the secretary of the Company a written notice of revocation or submitting a duly executed proxy bearing a later date. If you file a notice of revocation, you may then vote (or abstain from voting) your shares in person at the

APPENDIX A: Questions and Answers About the Annual Meeting

Annual Meeting. If you submit a later dated proxy, then your shares will be voted in accordance with that later dated proxy. No such notice of revocation or later dated proxy, however, will be effective unless received by us at or before the Annual Meeting and before your shares have been voted at the meeting. Unless the proxy is revoked, the shares represented thereby will be voted at the Annual Meeting or any adjournment thereof as indicated on the proxy card. Sending in a proxy does not affect your right to vote in person if you attend the meeting, although attendance at the meeting will not by itself revoke a previously granted proxy.

If I submit a proxy card, how will my shares be voted?

Your shares will be voted as you instruct on the proxy card.

What happens if I submit a proxy card and do not give specific voting instructions?

If you are a shareholder of record and sign and return the proxy card without indicating your instructions, your shares will be voted in accordance with the recommendations of the Board of Directors. With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, at their own discretion. As of the date this Proxy Statement went to print, we did not know of any other matter to be raised at the Annual Meeting.

If you are a beneficial owner and you sign and return your proxy card without indicating your instructions, then your broker or nominee will vote, or not vote, in accordance with the rules of the New York Stock Exchange (provided the broker or nominee is a member of the New York Stock Exchange). If a voting matter is designated by the New York Stock Exchange as routine then your broker or nominee may vote or not vote in its own discretion. If a voting matter is designated non-routine by the New York Stock Exchange, then your broker or nominee cannot vote without your instructions.

Which voting matters are considered routine or non-routine?

In general, uncontested matters and matters not involving a merger or consolidation or affecting substantially the rights or privileges of the stock are considered routine under the rules of the New York Stock Exchange. Accordingly, we expect the New York Stock Exchange will designate as routine the proposal to ratify the appointment of Dixon Hughes Goodman, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2019 (Matter No. 2) and brokers and other nominees will be permitted to vote on that matter. On the other hand, the New York Stock Exchange views matters involving the election of directors as non-routine. Accordingly, the election of directors (Matter No. 1) and the approval, on an advisory basis, of the compensation of our named executive officers (Matter No. 3) and the approval, on an advisory basis, of the frequency of holding an advisory vote on executive compensation (Matter No. 4) will be designated by the New York Stock Exchange as non-routine and brokers and other nominees will not be permitted to vote on these matters without instructions from the beneficial owner.

What happens if I do not submit a proxy card and do not vote by telephone or internet?

If you are a shareholder of record and you neither designate a proxy nor attend the Annual Meeting, your shares will not be represented at the meeting. If you are the beneficial owner of shares held in the name of a member of the New

York Stock Exchange, that member may vote in its discretion on matters deemed routine by the New York Stock Exchange. Without your instruction, the member may not vote on matters considered non-routine.

What are the Board's recommendations?

The Board's recommendations are set forth elsewhere in this Proxy Statement. In summary, the Board recommends votes:

Ø *FOR* election of the following nominees for director positions:

George Apostolou

Paresh Patel

Gregory Politis

Table of Contents

APPENDIX A: Questions and Answers About the Annual Meeting

Ø *FOR* ratification of the appointment of Dixon Hughes Goodman, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2019.

Ø *FOR* approval of the advisory vote related to the compensation of our named executive officers.

Ø *FOR* the option of every year for the frequency of holding an advisory vote on executive compensation.
What vote is required to approve each item?

Election of directors. In the election of directors, the three highest recipients of *FOR* votes will be elected. A properly executed proxy card marked *WITHHOLD AUTHORITY* with respect to the election of one or more director nominees will not be voted with respect to the director or directors indicated, even though it will be counted for purposes of determining whether there is a quorum present at the Annual Meeting.

Ratification of appointment of independent registered public accounting firm. The proposal to ratify the appointment of Dixon Hughes Goodman, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2019 will be approved if the number of votes for the proposal exceeds the number of votes against the proposal.

Approval, on an advisory basis, of the compensation of our named executive officers. With respect to the advisory vote related to the compensation of our named executive officers, the matter is approved if the number of votes for the proposal exceeds the number of votes against the proposal.

Approval, on an advisory basis, of the frequency of holding an advisory vote on executive compensation. With respect to the vote related to the frequency of holding an advisory vote on executive compensation, the option of one year, two years, or three years receiving the highest number of votes will become the frequency of holding an advisory vote on executive compensation.

Other Matters. We do not anticipate other matters coming to a vote at the Annual Meeting. Should any other matter be brought to a vote, the matter will be approved if the number of votes favoring the matter exceeds the number of votes opposing the matter.

How will votes be counted?

All votes will be tabulated by the secretary of the Company. We have engaged Broadridge Financial Solutions, Inc. to collect and tabulate proxy instructions. Although abstentions and broker non-votes are each included in the determination of the number of shares present, they are not counted on any matters brought before the meeting.

Who is paying for the preparation and mailing of the proxy materials and how will solicitations be made?

We will pay the expenses of soliciting proxies. Proxies may be solicited on our behalf by directors, officers, or employees in person or by mail, telephone, facsimile or electronic transmission. We have requested brokerage houses and other custodians, nominees, and fiduciaries to forward soliciting material to beneficial owners and have agreed to reimburse those institutions for their out-of-pocket expenses.

Table of Contents**APPENDIX D: Reconciliation of Non-GAAP Financial Measures**

Earnings Before Interest and Taxes (EBIT) is a financial measurement not recognized in accordance with accounting principles generally accepted in the United States of America (GAAP) and should not be viewed as an alternative to GAAP measures of performance. It excludes from net income or loss 1) interest expense, and 2) income tax expense, or income tax benefit in the case of a net loss. HCI believes this financial measurement is a preferable gauge of operating profit. A reconciliation of EBIT to GAAP net income/loss is provided below.
