13.

Escrow Closing; Completion Date

(a)

IAMGOLD and Gold Fields shall use their commercially reasonable efforts to close the Transaction in escrow (the "**Escrow Closing**") by December 15, 2004 (the "**Escrow Date**"), provided that IAMGOLD or Gold Fields shall be entitled to unilaterally extend the Escrow Date to a date not later than December 21, 2004. For greater certainty, in the event that the Escrow Closing has not occurred by December 21, 2004, each of IAMGOLD and Gold Fields shall be entitled to terminate this Agreement.

(b)

The Escrow Closing shall take place at the offices of McCarthy Tétrault LLP, Suite 4700, Toronto Dominion Bank Tower, Toronto, Ontario at 9:00 a.m. Toronto time (the "**Escrow Time**") on the Escrow Date provided that all conditions for the completion of the Transaction have then been fulfilled or waived except for the declaration and payment by IAMGOLD of the Special Dividend, or at such other place, Escrow Time or date as may be agreed to by IAMGOLD and Gold Fields.

(c)

The completion of the Transaction shall occur during the period between the Escrow Date and the later of:

(i)

a date not later than January 5, 2005 designated by Gold Fields, and

(ii)

eight business days following the date of the Escrow Closing, being the date when the Special Dividend is to be paid, (the "**Completion Date**") and each step involved in the completion of the Transaction shall occur, and for all purposes shall be deemed and construed to have occurred, as of and with effect from the time and/or date specified in the Structure Notice.

14.

No Solicitation

Subject to all Laws applicable to IAMGOLD and Gold Fields, respectively, during the period commencing on the date hereof and continuing until the earlier of the completion of the Transaction and the Termination Date, neither of IAMGOLD or Gold Fields shall,

- 44 -

McCarthy Tétrault LLP TDO-CORP #7079842 v. 9

directly or indirectly, nor shall it authorize or permit any of its Representatives to, directly or indirectly:

- (a) solicit, initiate, encourage, engage in or respond to any inquiries or proposals other than the Transaction (each an "**Acquisition Proposal**") regarding (i) in the case of IAMGOLD, any merger, amalgamation, share exchange, business combination, take-over bid, sale or other disposition of all or substantially all of its assets, any recapitalization, reorganization, liquidation, material sale or issue of treasury securities or rights or interests therein or thereto or rights or options to acquire any material number of treasury securities, any exchange offer or any type of similar transaction which would or could, in any case, constitute a *de facto* acquisition or change of control of IAMGOLD, or (ii) in the case of Gold Fields, any transaction (other than any Public Markets Transaction) which would or could result in the acquisition by any person other than a Gold Fields Group Company of any or any part of the Acquired Interests;
- (b) participate in any discussions or negotiations regarding any Acquisition Proposal;
- (c) withdraw or modify in a manner adverse to the other party hereto the approval of its directors of the Transaction;
- (d) agree to, approve or recommend an Acquisition Proposal; or
- (e) enter into any agreement related to an Acquisition Proposal; provided, however, that subject as hereinafter provided, nothing in this section 14 shall (A) prevent IAMGOLD from completing the Permitted IAMGOLD Transactions or Gold Fields from completing the Permitted Gold Fields Transactions, (B) prevent IAMGOLD from furnishing non-public information to, or entering into a confidentiality agreement and/or discussions with, any person in response to a *bona fide* unsolicited Acquisition Proposal that is submitted by such person after this section 14 takes effect and which is not withdrawn if, prior to furnishing such non-public information to, entering into a confidentiality agreement with, or entering into discussions with, such person, IAMGOLD gives Gold Fields written notice of its intention to furnish non-public information to, enter into a confidentiality agreement with, or enter into discussions with, such person or (C) prevent Gold Fields from publicly disclosing details of an Acquisition Proposal and making such statements and recommendations relative to the Transaction and such Acquisition Proposal as may be required pursuant to applicable Laws if the directors of Gold Fields conclude in good faith, after consultation with counsel, that such actions are required in order for them to comply with applicable Laws, provided that Gold Fields shall be precluded from accepting or entering into any agreement in respect thereof prior to the termination of this Agreement. IAMGOLD and Gold Fields shall immediately after the execution hereof terminate all existing discussions or negotiations with any person (except the other of them) with respect to any potential Acquisition Proposal (other than, in the case of IAMGOLD, the Permitted IAMGOLD Transactions and, in the case of Gold Fields, the Permitted Gold Fields Transactions). Concurrent with the execution hereof, IAMGOLD and Gold Fields shall advise the other of them of any current Acquisition Proposal and IAMGOLD and Gold Fields shall promptly notify the other of them of any future Acquisition Proposal which any director, senior officer or agent thereof is or becomes aware of, any amendment to any of the foregoing or any request for non-public information relating to them. Such notice shall include a description of the material terms

- 45 -

McCarthy Tétrault LLP TDO-CORP #7079842 v. 9

and conditions of any such proposal and the identity of the person making such proposal, inquiry, request or contact.
15.

Superior Proposals

Neither IAMGOLD nor its directors shall, in respect of any Acquisition Proposal, accept, approve or recommend or enter into any agreement in respect of such Acquisition Proposal unless:

(a) the directors of IAMGOLD have determined in good faith that such Acquisition Proposal constitutes a Superior Proposal;

(b) Gold Fields has been provided with a copy of the document containing such Superior Proposal (with such deletions as are necessary to protect any confidential portions of such document, provided that the material terms and conditions of, and the identity of the person making, such Superior Proposal may not be deleted);

(c) five business days have elapsed from the later of the date on which Gold Fields received notice of the determination of IAMGOLD to accept, approve or recommend or to enter into an agreement in respect of such Superior Proposal and the date Gold Fields received a copy of the Superior Proposal, and (A) Gold Fields has not, within such five business day period, made an offer in writing to amend this Agreement to at least match the Superior Proposal (a "**Matching Offer**") or (B) Gold Fields has made a Matching Offer and the directors of IAMGOLD determine (which determination need not be made within such five day period) in good faith, after consultation with and receiving advice from, as appropriate, their respective financial, legal and other advisors, that such Matching Offer would not, if consummated in accordance with its terms, result in a transaction:

(i) which is equivalent or superior, from a financial point of view, to IAMGOLD to the Superior Proposal (and IAMGOLD shall have received a written opinion from its financial advisers substantially to such effect); or

(ii) the acceptance of which by IAMGOLD, having regard to all of the then prevailing circumstances, would be more likely to result in the performance by the directors of IAMGOLD of their fiduciary obligations under applicable Laws;

(d) IAMGOLD terminates this Agreement pursuant to subsection 17(a) if Gold Fields has elected not to match the Superior Proposal or if an offer made by Gold Fields under subsection 15(c) is not accepted by IAMGOLD; and

(e) IAMGOLD makes the payment contemplated by, and in accordance with, section 16.

In this Agreement, "**Superior Proposal**" means a *bona fide* unsolicited Acquisition Proposal received by IAMGOLD after the date hereof: (A) that is not conditional on obtaining financing and (B) in respect of which the directors of IAMGOLD have determined in good faith, after consultation with and receiving advice from, as

- 46 -

McCarthy Tétrault LLP TDO-CORP #7079842 v. 9

appropriate, its financial, legal and other advisors, that such Acquisition Proposal would, if consummated in accordance with its terms, result in a transaction:

(i) which is superior, from a financial point of view, to IAMGOLD and/or its shareholders to the Transaction (and IAMGOLD shall have received a written opinion from its financial advisers substantially to such effect); or

(ii) the acceptance of which by IAMGOLD, having regard to all of the then prevailing circumstances, would be more likely to result in the performance by the directors of IAMGOLD of their fiduciary obligations under applicable Laws. For purposes of this section 15, each successive financial modification of an Acquisition Proposal in respect of IAMGOLD shall constitute a new Acquisition Proposal and shall initiate a new five business day period pursuant to subsection 15(c).

16.

Termination Fee

If:

(a) IAMGOLD terminates this Agreement in accordance with subsection 17(a)(i); or

(b) this Agreement is terminated following public disclosure by Gold Fields referred to in subsection 14(C) and, within 180 days after such termination, Gold Fields accepts or enters into an agreement with respect to an Acquisition Proposal in respect of which it made a recommendation pursuant to applicable Laws; (any such event being a "**Triggering Event**"), then IAMGOLD (in the case of an event referred to in subsection 16(a)) or Gold Fields (in the case of an event referred to in subsection 16(b)) (in either case, the "**Target Party**") shall pay to the other (the "**Non- Target Party**") an amount in cash equal to US\$20,000,000 in immediately available funds to an account designated by the Non-Target Party. Such payment shall be made, in the case of a termination referred to in subsection 16(a), concurrently with such termination and, in the circumstances set forth in subsection 16(b), at the earliest time that such Acquisition Proposal is accepted, approved or recommended or an agreement with respect to such Acquisition Proposal is executed. The obligation to make any payment required by this section 16 shall survive any termination of this Agreement. Each of IAMGOLD and Gold Fields hereby acknowledges that the payment amount set out in this section 16 is a payment of liquidated damages which is a genuine pre- estimate of the damages which the Non-Target Party will suffer or incur as a result of the event giving rise to such damages and the resultant non-completion of the Transaction and is not a penalty. Each of IAMGOLD and Gold Fields hereby irrevocably waives any right it may have to raise as a defence that any such liquidated damages are excessive or punitive. Upon receipt of payment of such amount by the Non-Target Party, the Non-Target Party shall have no further claim against the Target Party in respect of the failure to complete the Transaction, provided that nothing herein shall preclude the Non-Target Party from seeking injunctive relief to restrain any breach or threatened breach by the Target Party of any of its obligations hereunder or otherwise to obtain specific performance without the necessity of posting bond or security in connection herewith.

(i)

(ii)

by Gold Fields or IAMGOLD in the circumstances set out in subsection 13(a) or if any condition set out in section 9 is not satisfied or waived by the Escrow Time;

2.01 Anti-Dilution Rights in relation to a Cash Offering

(1)

If the Corporation proposes to issue any Equity Securities (in this Section 2.01, the "**Offered Securities**"), whether pursuant to a public offering, a private placement or otherwise, for cash consideration (a "**Cash Offering**"), the Corporation shall at least 15 business days prior to the Announcement Date of the proposed issuance (in this Section 2.01, the "**Issuance**") give notice of the Issuance to Gold Fields including, to the extent known by the Corporation, the full particulars of the Issuance; provided that this Section 2.01(1) shall not apply where the Issuance is an unsolicited proposal for an offering by way of "bought deal".

The Offer shall contain full particulars of the Issuance, including:

(a)

the cash subscription price or range of cash subscription prices;

(b)

the terms and conditions of the Offered Securities;

(b) under applicable Laws, such issuance of Equity Securities to the Gold Fields Group pursuant to the Anti-Dilution Rights must first receive the approval of the shareholders of the Corporation ("**Shareholder Approval**"); unless such Shareholder Approval has been obtained or the Gold Fields Group elects to acquire Equity Securities as contemplated by Section 2.04(3) to the extent necessary to put the Gold Fields Group in the same position immediately following such Issuance as it would have been if it had acquired Equity Securities pursuant to such Anti-Dilution Rights. For the purposes of the foregoing, Shareholder Approval shall be deemed to be required if Gold Fields considers, acting reasonably, on the advice of counsel and in consultation with the Corporation, that Shareholder Approval is required to enable the Gold Fields Group to exercise the Anti-Dilution Rights.

(2) In the event that Shareholder Approval is required in connection with any Issuance pursuant to the Anti-Dilution Rights, the Corporation and Gold Fields shall cooperate in seeking and use their respective reasonable commercial efforts to obtain such Shareholder Approval and, without limiting the generality of the foregoing, the Corporation shall, as soon as is reasonably practicable, convene and hold a special meeting of its shareholders (the "**Meeting**") for the purpose of obtaining such Shareholder Approval and, in connection therewith, the Corporation shall:

(b)

in a timely and expeditious manner, prepare, file and distribute to its shareholders any mutually agreed (or as otherwise required by applicable Laws) amendments or supplements to such management information circular in accordance with all applicable Laws (which amendments or supplements shall be reasonably satisfactory to Gold Fields before they are filed or distributed to shareholders);

solicit proxies to be voted at the Meeting in favour of the Shareholder Approval;

(d)

allow representatives of Gold Fields to attend the IAMGOLD Meeting; and

(e)

conduct the Meeting in accordance with the *Canada Business Corporations Act*, the by-laws of the Corporation and as otherwise required by applicable Laws.

(3)

In the event that Shareholder Approval is required in connection with any proposed issuance of Equity Securities pursuant to the Anti-Dilution Rights and such Shareholder Approval has not been obtained, the Gold Fields Group may, at its sole option, upon prior notice to the Corporation by Gold Fields, elect to purchase Equity Securities in the secondary market subsequent to the completion of such issuance to the extent necessary to put the Gold Fields Group in the same position immediately following such issuance as it would have been if it had exercised its Anti-Dilution Rights.

2.05 Minimum Ownership Level

Notwithstanding any other provision of this Agreement, the Corporation shall not under any circumstances whatsoever issue any Equity Securities or Options:

(a)

McCarthy Tétrault LLP TDO-CORP #7076570 v. 12

In the event that a condition set out in Section 2.06(1)(a) or (b) has not been satisfied at the completion date of the Issuance but is satisfied within 20 business days following such completion date, the Gold Fields Group shall, upon notice by Gold Fields to the Corporation prior to the completion of the Issuance, be entitled to subscribe for the Gold Fields Entitlement in respect of such Issuance on the terms of the Offer, *mutatis mutandis*.

(2)

None of the terms and conditions of any Issuance shall be amended subsequent to the Corporation's making of the Offer in relation thereto without the prior consent of Gold Fields.

2.07 Completion Arrangements

Subject to Section 2.06(1) or unless otherwise required by any South African Regulatory Requirements, the completion of the issuance of Equity Securities pursuant to the exercise of the Anti-Dilution Rights shall take place concurrently with and at the same place as, the completion of the Issuance giving rise to such exercise or at such other place, time or date as may be agreed by the Corporation and Gold Fields.

- 4 -

McCarthy Tétrault LLP TDO-CORP #7079877 v. 7

Promptly upon receipt of a Qualification Request, the Corporation shall use its best commercial efforts to effect, as expeditiously as possible, the qualification for distribution of the Demand Shares to permit the disposition of the Demand Shares in accordance with the intended method of distribution; provided however that the Corporation shall be entitled to delay qualifying for distribution the Demand Shares for up to 60 days.

2.02

Restrictions on Demand Qualifications

The Corporation shall not be obligated to effect:

- (a) any Demand Qualification where Demand Shares have a market value of less than \$10 million as at the close of business on the business day prior to the date of the Qualification Request;
 - (b) any Demand Qualification during any "black out" period required by any underwriter in connection with any previous offering of securities by the Corporation;

- (a) first, as many of the Demand Shares as will not cause the offering to exceed the Maximum Offering Size; and

3.01

Right to Piggyback

If the Corporation proposes to qualify for distribution any Common Shares (other than in connection with any dividend reinvestment plan or share incentive or other employee benefit plan) (a "**Piggyback Qualification**"), the Corporation shall give notice to Gold Fields of its intention to do so at least:

(i)

15 business days, or

(ii)

before the earlier of the date referred to in Section 3.01(a) and the first date of public announcement of such proposed qualification for distribution, and, subject to Section 3.02, shall include in such qualification for distribution all Common Shares held by Gold Fields (the "**Piggyback Shares**") with respect to which the Corporation has received from Gold Fields a written request for inclusion therein within:

(A)

ten business days, or

(B)

in the case of a proposed qualification for distribution referred to in clause (ii) above, two business days, after the date of such notice. The notice to Gold Fields shall advise it of its right to have Common Shares included in the proposed Piggyback Qualification and give full particulars thereof including:

(a)

the date on which the Corporation proposes to file a preliminary prospectus and/or registration statement in respect of such Piggyback Qualification;

(b)

(a)

first, as many of the Common Shares proposed to be sold by the Corporation as will not cause the offering to exceed the Maximum Offering Size; and

(b)

second, as many of the Piggyback Shares as will not cause the offering to exceed the Maximum Offering Size. Subject to the foregoing, the Corporation shall use its best commercial efforts to arrange for the underwriters to include all of the Piggyback Shares as part of the Common Shares to be distributed by or through such underwriters.

3.03

Underwritten Offerings

If any Piggyback Qualification is an underwritten offering:

(a)

the Corporation shall be entitled to select the investment bankers and managers to underwrite such offering subject to the approval of Gold Fields, such approval not to be unreasonably withheld; and

(b)

Gold Fields shall bear or pay its proportionate share of the underwriting discounts and selling commissions determined on the basis of the proportion that the number of Piggyback Shares included in the Piggyback Qualification bears to the total number of Common Shares qualified for distribution.

(2)

4.02

Obligations of Gold Fields

(1)

If in the reasonable opinion of counsel to the Corporation it is necessary or appropriate in order to comply with any applicable Securities Laws, the obligations of the Corporation under Articles 2 and 3 shall be conditional upon each of Gold Fields and any underwriter participating in such distribution executing and delivering to the Corporation an appropriate agreement, in a form reasonably satisfactory to counsel for the Corporation, that such person shall comply with all prospectus delivery requirements of all applicable Securities Laws and with anti-stabilization, manipulation and similar provisions of all applicable Securities Laws and shall furnish to the Corporation information about sales made in such offering.

(3)

Gold Fields and such underwriters shall also be given such access to the books and records of the Corporation and such opportunities to discuss the business and affairs of the Corporation with its officers and auditors as shall be necessary in their respective opinions or in the opinion of their respective counsel, and the Corporation shall cooperate with Gold Fields and such underwriters in the conduct of all due diligence which any of the foregoing persons may reasonably require in order for the purposes of establishing a due diligence defence as contemplated by applicable Securities Laws and in order to enable Gold Fields and such underwriters to execute any certificates required to be executed by them pursuant to applicable Securities Laws for inclusion in any preliminary prospectus, (final) prospectus, registration statement or similar document.

4.04

Expenses

4.05

Termination of Obligation to Qualify for Distribution

ARTICLE 5 - INDEMNIFICATION AND CONTRIBUTION

5.01

Indemnification

(1)

The Corporation shall indemnify and hold harmless Gold Fields, each of its affiliates (other than the Corporation and its subsidiaries) and each person who controls Gold Fields within the meaning of the United States *Securities Act of 1933* and the United States *Securities Exchange Act of 1934*, each as amended, and their respective officers, directors and agents, from and against any and all expenses, claims, losses, damages and liabilities (or actions, proceedings or settlements in respect thereof) including costs of investigation and reasonable fees and expenses of legal counsel (collectively a "**Claim**") arising out of or based upon:

(a)

any misrepresentation or alleged misrepresentation, breach of warranty or untrue statement or alleged untrue statement, whether of a material fact or otherwise,

- 11 -

McCarthy Tétrault LLP TDO-CORP #7079877 v. 7

contained in any preliminary prospectus, (final) prospectus, registration statement or similar document (including any amendment or supplement thereto) relating to any Demand Qualification or Piggyback Qualification, or in any underwriting agreement, purchase agreement or other document relating thereto (each an "**Offering Agreement**"), or arising out of or based upon any omission or alleged omission to state in any such preliminary prospectus, (final) prospectus, registration statement or similar document (including any amendment or supplement thereto), or any Offering Agreement, a fact, material or not, required to be stated therein or necessary to make a statement therein not misleading; or

(b)

any other breach by the Corporation of any Offering Agreement or applicable Securities Laws; provided that the Corporation shall not be liable in any such case to the extent that any such Claim arises out of or is based upon any misrepresentation or untrue statement furnished to the Corporation in writing by Gold Fields and stated to be specifically for use in any such document.

(2)

In connection with any qualification for distribution of Common Shares held by Gold Fields pursuant to this Agreement, the Corporation may request that Gold Fields indemnify and hold harmless the Corporation and each of its subsidiaries, and their respective officers, directors and agents, from and against any Claim arising out of or based upon:

(a)

any misrepresentation or alleged misrepresentation or untrue statement or alleged untrue statement, whether of a material fact or otherwise contained in any preliminary prospectus, (final) prospectus, registration statement or similar document (including any amendment or supplement thereto) relating to any Demand Qualification or Piggyback Qualification where such misrepresentation or untrue statement is caused by information furnished to the Corporation in writing by Gold Fields and stated to be specifically for use in any such document or arising out of or based upon any omission or alleged omission to state in any such preliminary prospectus, (final) prospectus, registration statement or similar document (including any amendment or supplement thereto) a fact, material or not, relating to Gold Fields not within the Corporation's knowledge required to be stated therein or necessary to make a statement therein not misleading.

Should Gold Fields not agree to such indemnification, the Corporation shall not be required to qualify such Common Shares for distribution hereunder.

(3)

Each person entitled to indemnification under this Section 5.01 (individually an "**Indemnified Party**" and collectively the "**Indemnified Parties**") shall give notice to the Corporation or Gold Fields, as the case may be, (the "**Indemnifying Party**") promptly after such Indemnified Party has actual knowledge of any Claim as to which indemnity may be sought, and shall permit the Indemnifying Party to assume the defence of such Claim or any litigation resulting therefrom, provided that:

(a)

counsel for the Indemnifying Party conducting the defence of such Claim or any litigation resulting therefrom shall have been approved by such Indemnified Party; and

- 12 -

McCarthy Tétrault LLP TDO-CORP #7079877 v. 7

(b)

such Indemnified Party may participate in such defence;

and provided further that the failure of any Indemnified Party to give notice as provided herein shall not relieve such Indemnifying Party of its obligations under this Section 5.01. The Indemnifying Party shall not, in the defence of any such Claim or litigation, except with the consent of each Indemnified Party, consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party of a release from all liability in respect to such Claim or litigation.

5.02

Contribution

If the indemnification provided for in Section 5.01 is unavailable or insufficient to hold harmless the Indemnified Parties in respect of any Claim, then the Indemnifying Party shall in lieu of indemnifying the Indemnified Parties contribute to the amount paid or payable by the Indemnified Parties as a result of such Claim in such proportion as is appropriate to reflect the relative fault of the parties thereto in connection with any statements or omissions which resulted in such Claim as well as any other relevant equitable considerations. The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 5.02 were determined by pro rata allocation or by any other method of allocation which did not take account of the equitable considerations referred to above in this Section 5.02. The amount paid or payable by the Indemnified Parties as a result of such Claim shall be deemed to include any legal or other expenses reasonably incurred by the Indemnified Parties in connection with investigating or defending any such action or claim.

ARTICLE 6 - GENERAL

6.01

Qualification Exemptions

The Corporation shall use its best commercial efforts to file and furnish any reports required to be filed or furnished by it under applicable Securities Laws and do all such further acts and things as Gold Fields may reasonably request to enable Gold Fields to sell Common Shares held by Gold Fields to persons to whom the Securities Laws apply under an available exemption from the applicable requirement to qualify for distribution such Common Shares.

6.02

Additional Rights

(1)

The Corporation represents and warrants to Gold Fields that it has not granted to any person other than Gold Fields any rights to request or require the Corporation to qualify for distribution any securities issued by the Corporation.

(2)

The Corporation shall not enter into any agreement, understanding or commitment that is inconsistent with Gold Fields' rights under this Agreement. Without limiting the generality of the foregoing, if the Corporation proposes at any time to grant to any person rights to require the Corporation to qualify for distribution any Common Shares, the Corporation shall give prior notice, which notice shall include give full particulars of such proposed grant, including all relevant circumstances related thereto, and if, in the sole reasonable opinion of Gold Fields, the terms of such proposed grant are more favourable to such person than the rights granted to Gold Fields under this Agreement, the Corporation shall not make such grant

- 13 -

McCarthy Tétrault LLP TDO-CORP #7079877 v. 7

unless the terms of this Agreement shall have been amended to the extent considered by Gold Fields, in its sole discretion, to be necessary to provide Gold Fields with such more favourable rights.

6.03

Injunctive Relief

The Corporation acknowledges and agrees that damages would be inadequate to compensate for the breach of any of its obligations contained in this Agreement and that Gold Fields and the other Indemnified Parties would be seriously and irreparably injured if any provision of this Agreement is not performed by it in accordance with the specific terms and conditions of this Agreement. Accordingly, the Corporation agrees, without prejudice to any additional or alternative remedies Gold Fields or the other Indemnified Parties may have, that Gold Fields and such other Indemnified Parties shall be entitled:

(a)

to an injunction to prevent any breach of this Agreement by the Corporation;

(b)

to enforce specifically the terms and provisions hereof and any obligation in favour of such other Indemnified Parties, or any of them, contained in this Agreement; and

(c)

to declaratory relief or injunctive relief in respect of anything done in breach of an obligation in favour of such other parties, or any of them, contained in this Agreement.

6.04

Further Assurances

Each of the parties will from time to time execute and deliver all such further documents and instruments and do all acts and things as another party may reasonably require to effectively carry out or better evidence or perfect the full intent and meaning of this Agreement.

6.05

Benefit of the Agreement

This Agreement will be enure to the benefit of and be binding upon the respective successors and permitted assigns of the parties. This Agreement shall also enure to the benefit of the Indemnified Parties other than Gold Fields and their respective successors and permitted assigns. The Corporation acknowledges that Gold Fields is acting on behalf of and as trustee for the other Indemnified Parties of the Corporation's covenants and obligations under this Agreement with respect to such Indemnified Parties and of the rights of such Indemnified Parties hereunder. Gold Fields accepts such trust and shall hold and enforce such covenants and obligations on behalf of the other Indemnified Parties; provided that any such Indemnified Party shall be entitled to enforce such covenants and obligations on its own behalf.

6.06

Entire Agreement

This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and cancels and supersedes any prior understandings and agreements between the parties with respect thereto. There are no representations, warranties, terms, conditions,

6.07

Amendments and Waivers

No waiver of any breach of any provision of this Agreement will be effective or binding unless made in writing and signed by the party purporting to give the same and, unless otherwise provided in the written waiver, will be limited to the specific breach waived.

6.08

Assignment

This Agreement may not be assigned by either party without the prior written consent of the other party; provided that Gold Fields shall be entitled at any time to assign this Agreement to an affiliate thereof provided that (i) such affiliate enters into a written agreement with the Corporation to be bound by the provisions of this Agreement to the same extent as if it had been an original party hereto instead of Gold Fields and (ii) Gold Fields shall continue to bound by the provisions of this Agreement.

6.09

Severability

If any provision of this Agreement is determined to be invalid or unenforceable in whole or in part, such invalidity or unenforceability will attach only to such provision or part thereof and the remaining part of such provision and all other provisions hereof will continue in full force and effect.
