UPDATED TERMS OF THE PROPOSED RIGHTS OFFER AND RENEWAL OF CAUTIONARY ANNOUNCEMENT

1. Introduction

Shareholders were advised in an AngloGold Ashanti announcement on 6 May 2008 that AngloGold Ashanti intended proceeding, subject to certain conditions, with an approximate one-for-four renounceable rights offer, which would result in AngloGold Ashanti issuing approximately 69.4 million ordinary shares in the capital of AngloGold Ashanti at a minimum share price of ZAR172.00, raising approximately ZAR11.9 billion (US\$1.6 billion based on an exchange rate of ZAR7.56/US\$1 on 5 May 2008).

2.

Updated terms of proposed rights offer

AngloGold Ashanti has now finalised the terms of the proposed rights offer and is seeking to raise approximately ZAR13.48 billion (US\$1.77 billion based on an exchange rate of ZAR7.63/US\$1 on 20 May 2008) via a renounceable rights offer of 69,470,442 new ordinary shares of 25 cents each (“rights offer shares”) to AngloGold Ashanti ordinary and E ordinary shareholders (AngloGold Ashanti shares”) at a subscription price of ZAR194.00 per rights offer share (“subscription price”) and in the ratio of 24.6403 rights offer shares for every 100 AngloGold Ashanti shares held (“proposed rights offer”).

The subscription price is at a discount of 36.1% to the closing price of AngloGold Ashanti ordinary shares on 20 May 2008

(being the last practicable date prior to the finalisation of the subscription price) of ZAR303.79 and at a discount of 31.2% to the theoretical ex-rights price of an ordinary share of ZAR281.83 on the same day.

3.

Conditions precedent to the proposed rights offer

The conditions precedent to the proposed rights offer as at the date of this announcement include:

- the granting of a general authority to the directors to allot and issue up to a maximum of 71 million additional shares in the authorised but unissued share capital of AngloGold Ashanti at a general meeting to be held on 22 May 2008; and
- the registration of the rights offer circular and other requisite documents by the Registrar of Companies.

4.

Documentation and further announcement

If the conditions precedent to the proposed rights offer are met, full details of the rights offer, including the financial effects, will be provided to shareholders outside of the United States in the rights offer circular to be posted to shareholders outside of the United States in due course. In the United States, the proposed rights offer is intended to be made pursuant to a registration statement on Form F-3 on file with the U.S. Securities and Exchange Commission and the related U.S. prospectus. The U.S. prospectus will be posted to shareholders and holders of AngloGold Ashanti American Depositary Shares (“ADSs”) in the United States in due course.

If the conditions precedent to the proposed rights offer are met, the final terms of the rights offer are expected to be announced on or about 23 May 2008.

5.

Renewal of cautionary announcement

The proposed rights offer may have a material effect on AngloGold Ashanti securities and shareholders are accordingly advised to exercise caution when dealing in AngloGold Ashanti securities until a further announcement is made.

This announcement includes "forward-looking information" within the meaning of Section 27A of the Securities Act, and Section 21E of the Securities Exchange Act of 1934, as amended. All statements other than statements of historical fact are, or may be deemed to be, forward-looking statements, including, without limitation those concerning: AngloGold Ashanti's strategy to reduce its gold hedging position, including the extent and effect of the reduction; the economic outlook for the gold mining industry; expectations regarding gold prices, production, costs and other operating results; growth prospects and outlook of AngloGold Ashanti's operations, individually or in the aggregate, including the completion and commencement of commercial operations at AngloGold Ashanti's exploration and production projects and the completion of acquisitions and dispositions; AngloGold Ashanti's liquidity and capital resources and expenditure; and the outcome and consequences of any pending litigation proceedings. These forward-looking statements are not based on historical facts, but rather reflect AngloGold Ashanti's current expectations concerning future results and events and generally may be identified by the use of forward-looking words or phrases such as "believe", "aim", "expect", "anticipate", "intend", "foresee", "forecast", "likely", "should", "planned", "may", "estimated", "potential" or other similar words and phrases. For a discussion of such risk factors, shareholders should refer to the annual report on Form 20-F for the year ended 31 December 2007, which was filed with the Securities and Exchange Commission on 19 May 2008 and, when available, the rights offer circular. These factors are not necessarily all of the important factors that could cause AngloGold Ashanti's actual results to differ materially from those expressed in any forward-looking statements. Other unknown or unpredictable factors could also have material adverse effects on future results.
